Benchmarks

OEWD's staff reviewed the following budget related benchmarks for each CBD/BID:

- **Benchmark 1** - Whether the variance between the budget amounts for each service category was within 10 percentage points from the management plan.
- **Benchmark 2** - Whether the CBD met its non-assessment revenue source requirement.
- **Benchmark 3** - Whether the variance between the budget amounts for each service category was within 10 percentage points from the fiscal actuals.
- **Benchmark 4** - Whether CBD is indicating the amount of funds carried over from the current fiscal year and designating projects to be spent in the upcoming fiscal year.

Noe Valley - Benchmarks

Benchmark	Question	Was This Met in FY2022?
Benchmark 1	Variance between management plan budget and fiscal year budget is $X < 10\%$?	Yes
Benchmark 2	Non-assessment revenue is $X \geq 5\%$	Yes
Benchmark 3	Variance between fiscal year budget and fiscal year actuals is $X < 10\%$	Yes
Benchmark 4	Were carryforward funds indicated from current fiscal year to the next fiscal and were projects designated to be spent on?	No

Noe Valley- Findings and Recommendations (Part 1 of 2)

Missed Benchmarks (Benchmark 1)

- Noe Valley CBD missed Benchmark 4 which requires the CBD to detail its carryforward amount and its planned spenddown plan. The CBD's financial statements does indicate the amount of money it has in reserves, but does not provide a spenddown plan. State code specifically calls for both parameters to be in the annual report.
 - **Recommendation:** OEWD will review guidelines with the CBD and remind them of their obligation to include this in their annual report. OEWD will also review the carryforward amount with the executive director and understand the CBD's spenddown plan. Should this oversight occur again, OEWD may make additional recommendations or take additional action.

Noe Valley- Findings and Recommendations (Part 2 of 2)

- **Service Delivery:** The Noe Valley Management Plan calls for 65% of the budget to be spent on Public Rights of Way and Sidewalk Operations, including sidewalk cleaning, sweeping litter, debris and refuse; sidewalk pressure washing; graffiti removal; and greenscape management covering watering and weeding tree wells, providing gardens, benches, planter boxes, hanging flower baskets and parklets.
 - The CBD was awarded \$115,000 in grants from OEWD and Supervisor Mandelman to activate Noe Valley Town Square. Although events in the Noe Valley Town Square were largely suspended due to the pandemic, the CBD continues to activate the public space and see people utilizing the space.
- **Connected Worker App:** The CBD is not part of the Connected Worker App, also known as Integrated 311. Based on the size and scope of the CBD's services this makes operational sense for them.
- **Surveillance Technology:** The CBD does not employ surveillance technology and is in compliance with OEWD's memo regarding this technology.
- **Compliance:** There were no reported violations to OEWD of the Brown Act or CA Public Records Act

Castro - Benchmarks

Benchmark	Question	Was This Met in FY2022?
Benchmark 1	Variance between management plan budget and fiscal year budget is $X < 10\%$?	Yes
Benchmark 2	Non-assessment revenue is $X \geq 5.41\%$	Yes
Benchmark 3	Variance between fiscal year budget and fiscal year actuals is $X < 10\%$	Yes
Benchmark 4	Were carryforward funds indicated from current fiscal year to the next fiscal and were projects designated to be spent on?	Yes

Castro CBD - Findings and Recommendations

- **Service Delivery:** The CBD has a strong focus on cleanliness. 73% of their assessment dollars went to providing cleaning services within their service area.
 - The Castro CBD is also responsible for implementing various programs apart from special assessment funding, including Castro Cares and addressing storefront vacancies within its service zone. Castro Cares deploys community ambassadors seven days a week to provide outreach and referral to the most vulnerable. It also helps merchants resolve street level challenges, provides hospitality and wayfinding services, and helps deter negative street behavior.
- **Connected Worker App:** Castro CBD is not part of the Connected Worker App. Based on the size and scope of the CBD's cleaning program it may make sense for them to engage in conversations about joining this pilot.
- **Surveillance Technology:** The CBD does not employ surveillance technology.
- **Compliance:** There were no reported violations to OEWD of the Brown Act or CA Public Records Act.

Discover Polk - Benchmarks

Benchmark	Question	Was This Met in FY2022?
Benchmark 1	Variance between management plan budget and fiscal year budget is $X < 10\%$?	Yes
Benchmark 2	Non-assessment revenue is $X \geq 3.36\%$	Yes
Benchmark 3	Variance between fiscal year budget and fiscal year actuals is $X < 10\%$	No
Benchmark 4	Were carryforward funds indicated from current fiscal year to the next fiscal and were projects designated to be spent on?	Yes

Discover Polk- Findings and Recommendations (Part 1 of 2)

Missed Benchmarks (Benchmark 3)

- Discover Polk CBD missed Benchmark 3 by overbudgeting by 3.17% above the allowable 10 percentage points for the District Coordinator, Administration & Reserve operations.
- OEWD reviewed the CBD's management plan and engineer's report approved on August 2, 2018 (File #180621). According to the Management Plan, District Coordinator and Administration services are apportioned to all by lot size and the parcels, so the parcels continued to receive special benefit.
- **It is in OEWD's opinion that these actions did not adversely impact special benefits conferred on parcels within the CBD.**

Discover Polk- Findings and Recommendations (Part 2 of 2)

- **Service Delivery:** During this review period, the DPCBD focused on recovery efforts for the district following the pandemic. The CBD devoted their time and resources toward streetscape improvements and small-scale outdoor community events, as well as supporting property owners, merchants, and residents to address the impacts of the lockdown.
 - DPCBD has excelled at partnering with community stakeholders and numerous municipal agencies for the activation and improvement of public spaces.
 - DPCBD launched a district-wide music festival “Pickin’ on the Polk” that was free to the public and took place on the Easter Weekend inside several local businesses and along a small street closure in the district. The CBD plans to make this an annual event moving forward within the district and continue to find ways to activate the corridor.
- **Compliance:** There were no reported violations to OEWD of the Brown Act or CA Public Records Act

Annual Report Highlights – FY 21/22

District Map - 535 total parcels

Executive Summary

- During FY21-22 Discover Polk CBD focused its resources on two well-defined objectives, helping the community weather the impacts of the COVID-lockdown and adapting to the new realities of the “post-acute” phase of the pandemic.
 - From July 1st to approximately December 31st , DPCBD devoted its time and resources toward streetscape improvements and small-scale, outdoor community events, as well as supporting property owners, merchants, and residents to address the impacts of lockdown.
 - From approximately January 31st to June 30th 2022, DPCBD saw a return to more “normal” behaviors and community activity. On the positive side, this meant the return of visitors to our streets, customers, and in person gatherings – most notably the launch of our yearly district-wide music festival, Pickin’ on the Polk. On the negative, Covid-related street cleanliness and public safety issues persisted.

Neighborhood Cleanliness

- FY21-22 continued to see higher levels homelessness activity. As customer and residents returned to the streets, however, the overall cleanliness of the streets saw noticeable improvement.
- The StreetPlus team consistently accomplished their cleaning, graffiti abatement, and steam cleaning/power washing goals.
- Three of our five big belly trash cans were destroyed by an arsonist, but DPCBD swiftly replaced them with new cans.

Financial Notes

Budget Vs Management Variance

- Revenues and expenses followed very closely to plan for the fiscal year. Assessment revenues were lower than expected due to the COVID crisis but were offset by lower-than-expected expenses and higher than expected fundraising efforts.

Expense

- Overall expenses for the fiscal year are under budget by \$105,426.

Clean & Safe

- Clean & Safe expenses are significantly under the budget by \$71,149 due to understaffing issues at StreetPlus mostly related to the COVID crisis.

Beautification & Placemaking

- Beautification & Placemaking expenses are \$98,567 lower than budgeted. The Discover Polk CBD Board of Directors made a conscientious decision to reserve Beautification & Placemaking expenses until FY22/23 to mitigate any budget deficits that might arise, specifically on collection assessments, due to Covid.

Marketing & Business Support

- Marketing & Business Support expenses are \$73,574 over the budgeted plan due to expenses incurred around our first annual Pickin' on the Polk music festival.

Admin & Reserve

- Admin & Reserve expenses are \$9,284 under the budgeted plan due to hiring of a social media management service later in the fiscal year than anticipated.

Carryover Status

- DPCBD has a carryover of \$762,685.

Other Notable Items

- DPCBD continued to proceed with fiscal caution throughout the COVID crisis due to uncertainty on the impact of the pandemic on assessment revenues. Thankfully, the crisis did not impact assessment revenues significantly. The Board of Directors and Executive Management team plan to allocate more of the reserve funds toward meeting the district's objectives in FY2022-2023.

Conclusion

2021/2022 was another year of cautious fiscal management as the impacts of the pandemic dragged on further than had been expected. We were extremely fortunate that our assessments came in at (or very near to) budget. We managed to stay within budget while keeping ample reserves due to COVID related risks. As the City recovers more fully from the pandemic, Discover Polk CBD will actively spend down its reserves – prudently - to increase the vibrancy, safety, and cleanliness of the neighborhood.
