Re: Liquor License "PCN" Request
Original Type #64 - 657056

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's PSNS Subcommittee calendar for Public Convenience and Necessity review for our Type 64 ABC license.

The Lab is a 501(c)(3) not-for-profit charitable organization founded in 1984, which hosts over 50 singular events of performance art, film, poetry, and experimental music annually, and which has a current and valid Entertainment Permit with the City and County of San Francisco. We have been based in the Redstone Building in the Mission District since 1995, where we welcome over 12,000 visitors annually.

We are seeking a **Type 64 Special On-sale General license** for nonprofit theater company to better serve our guests by offering alcoholic beverages. The Lab is internationally recognized for our equitable payment of artists, dedicating over $150,000 annually to supporting over a hundred individual artists across our projects, and the ability to sell alcoholic beverages would allow our organization to devote more resources toward our mission of supporting working Bay Area artists.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of San Francisco.

Please include our ABC representative, Jemma Jorel Lester, on correspondence scheduling our hearing date. She can be reached via email at jemma@properpourco.com. Thank you for your kind consideration of this request.

Sincerely,

Andrew Smith, Executive Director
