Ordinance Overview

- This ordinance amends the Administrative Code to streamline contracting with government entities
- It gives the City the flexibility to enter into agreements using the other government entity's terms if needed
- It removes solicitation requirements and obligations typically imposed on private contractors
- It eliminates the need for unnecessary and time-consuming waivers
- It does not waive Charter Sec. 9.118

Data

- 540 agreements over the past five years:
    - Combined value: $2.3 million
    - Median agreement value: $200,000
