For the purposes of this Section 10.100-65, a "public college or university" is an accredited college or university operated by a State,*

subdivision of a State, or governmental agency within a State, including but not limited to universities in the University of California and California State University systems and community colleges.

(b) ***Use and Administration of the Fund.***

(1) The Office of Economic and Workforce Development ("OEWD") shall approve all expenditures from the Fund, consistent with subsections (b)(2) and (b)(3) of this Section 10.100-65.

(2) OEWD may use monies in the Fund to provide financial incentives to attract public colleges or universities interested in having a physical presence in the Campus Neighborhoods. OEWD shall promulgate rules defining the types and amounts of incentives that are available, the eligibility criteria for public colleges or universities to receive those incentives, and OEWD's criteria for deciding which applicants will receive incentives. In developing these rules, OEWD shall consult with other City agencies, including but not limited to the Real Estate Division of the City Administrator's Office, the Planning Department, and the Controller's Office. OEWD shall publish on its website rules it adopts and shall submit a copy of the rules to the Board of Supervisors and the Mayor within 30 days after promulgating the rules.

(c) ***Sunset and Termination.*** *Any monies in the Fund that the City has not expended or encumbered by July 31, 2034 shall be returned to the General Fund, and thereafter the City Attorney is authorized to cause this Section 10.100-65 to be removed from the Administrative Code unless the City enacts an ordinance extending it beyond that date.*

Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.
