Hello,

Please see attached for the introduction documents (introduction form, resolution draft, and bill text) for a resolution in support of Assembly Bill 2913 (Gipson). I have also attached the bill text and a word document copy of the resolution if format cleanup is necessary.

The California State Association of Counties and the League of California Cities have **not** taken a position on the bill.

Please let me know if there are any questions about this resolution introduction! Thank you!

Best,
