LEGISLATIVE DIGEST

(First Draft, 5/21/2024)

[Charter Amendment - Accountability for Funding Children and Youth Services for City Departments and the Unified School District]

Describing and setting forth a proposal to the voters at an election to be held on November 5, 2024, to amend the Charter of the City and County of San Francisco to 1) require the Our Children, Our Families Council ("Council") to use an outcomes framework to evaluate the budget and spending of each City department with expenditures that are eligible to be included in the Children and Youth Fund baseline or the Public Education Enrichment Fund ("PEEF"); 2) require the Mayor and Board of Supervisors to consider the Council's findings during their consideration of the City budget each year, including by the Board of Supervisors holding a public hearing and adopting findings about the expenditures by resolution; 3) require the San Francisco Unified School District ("School District") to submit proposals once every five years and annual reports describing how it will spend the City's general fund contribution to the PEEF consistent with the outcomes framework; 4) prohibit the City from providing PEEF funding to the School District until the Board of Supervisors and the Mayor have approved the School District's proposal; 5) prohibit the City from providing discretionary funds to the School District unless it has entered into a data-sharing agreement with the City; 6) create an Our Children, Our Families Initiative to coordinate City departments and the School District; and 7) establish the size and membership of the Council.

Existing Law

The Children and Youth Fund provides support to children and disconnected transitional-aged youth, which the City appropriates according to a five-year planning process. In the first year, the Department of Children, Youth, and Their Families ("DCYF") conducts a community needs assessment to identify services to receive monies from the fund. In the second year, DCYF prepares a services and allocation plan to determine services eligible to receive money, selects contractors in the third year, and begins the service cycle in the fourth year. Additionally, because funds must be used to increase aggregate City appropriations and expenditures for such services, the Controller establishes a baseline below which City appropriations under the fund are not reduced. Each year, the City counts budget line items in various departments' budgets funded by the City's general fund as meeting the fund's definition of children's services.

The Public Education Enrichment Fund ("PEEF") is a fund that provides annual support to the San Francisco Unified School District ("School District") and City departments providing children's services. The City disburses one-third of the money in the PEEF to the First Five

Commission for universal preschool programs, one-third to the Department of Early Childhood for early education programs, and one-third to the School District as direct financial support. Annually, the School District must submit an expenditure plan for its share of the fund.

The Our Children, Our Families Council ("Council") is responsible for coordinating Citywide planning and goals for children and families. The Council is responsible for developing an outcomes framework ("Outcomes Framework"), renewed every five years, which is a set of Citywide outcomes for services to children and families. The Council consists of the Mayor, the Superintendent of the School District, thirteen City department heads, thirteen School District members, and fourteen public members appointed by the Mayor.

Amendments to Current Law

The proposed Charter amendment would require the Council, by January 1, 2028, in consultation with the Controller, to develop a policy to evaluate whether expenditures eligible to be included in the Children and Youth Fund baseline or the PEEF are consistent with the Outcomes Framework. Starting on February 21, 2026 and each year thereafter, each City department that anticipates expending funds that count toward the Children and Youth Fund baseline or other services related to children and youth must provide the Council with its expenditures in the previous fiscal year and its anticipated expenditures in the upcoming budget. And, starting on February 21, 2026 and each year thereafter, the School District must provide the Council with a report describing how it expended funds during the prior fiscal year and how it plans to use the City's annual contribution to the School District under the PEEF, both as measured by the Outcomes Framework.

Starting April 30, 2029 and each year thereafter, the Council would prepare a report for the Mayor and Board of Supervisors ("Board") evaluating whether each department's proposed, current, and prior year expenditures for the Children and Youth Fund baseline and the PEEF are consistent with the Outcomes Framework. The Council would also review the School District's expenditures for the PEEF against the Outcomes Framework. Under the proposed Charter amendment, the Mayor would consider the Council's report and the Board would consider and hold a public hearing on the report. Beginning with the biennial budget for Fiscal Year 2029-2030, the Board would make findings, by resolution, that all anticipated expenditures from the Children and Youth Fund baseline and the PEEF are, on balance, consistent with the Outcomes Framework or otherwise serve an overriding public purpose.

The proposed Charter amendment would also create a joint initiative, called the Our Children, Our Families Initiative, led by the Mayor and the Superintendent of the School District that would align and coordinate the City's services for children, youth, and disconnected transitional-aged youth. And, the Charter amendment would modify the composition of the Council so it would consist of seven seats; four appointed by the Mayor and three appointed by the Board.

SEC. 16.108. CHILDREN AND YOUTH FUND.

* * * *

(b) **Fund for Children and Youth Services.** Operative July 1, 2001, there is hereby established a fund to expand children's services, which shall be called the Children and Youth Fund ("Fund"). Monies in the Fund shall be expended or used only to provide services for children and youth as provided in this Section 16.108.

* * * *

(h) **Baseline.** The Fund shall be used exclusively to increase the aggregate City appropriations and expenditures for those services for children and Disconnected Transitional-Aged Youth that are eligible to be paid from the Fund (exclusive of expenditures mandated by state or federal law). To this end, the City shall not reduce the amount of such City appropriations for eligible services (not including appropriations from the Fund and exclusive of expenditures mandated by state or federal law) under this section below the amount so appropriated for the ~~f~~*F*iscal year 2000-2001 ("the base year") as set forth in the Controller's baseline budget, as adjusted ("the base amount" or *"the Children and Youth Baseline"*).

* * * *

SEC. 16.123-2. PUBLIC EDUCATION ENRICHMENT FUND.

(a) **Creating the Fund.** There shall be a Public Education Enrichment Fund. The City shall each year appropriate monies to the Public Education Enrichment Fund according to subsections (b), (c), and (d), below.

(b) **Baseline Appropriations.** The Fund shall be used exclusively to increase the aggregate City appropriations to and expenditures for the San Francisco Unified School District *("School District")*. To this end, the City shall not reduce the amount of such City appropriations (not including appropriations from the Fund and exclusive of expenditures mandated by state or federal law) in any year during which funds are required to be set aside under this Section 16.123-2 below the amount so appropriated for Fiscal Year 2002-2003 ("the base year"). These baseline appropriations shall be separate from the City's annual contributions to the Public Education Enrichment Fund under subsection (c), and shall be appropriated by the City to the School District each year through and including Fiscal Year 2040-2041.

The amount of the City's baseline appropriations to the School District shall be adjusted for each year after the base year by the Controller based on calculations consistent from year to year by the percentage increase or decrease in City and County discretionary General Fund revenues. In determining City and County discretionary General Fund revenues, the Controller shall only include revenues received by the City and County that are unrestricted and may be used at the option of the Mayor and the Board of Supervisors for any lawful City purpose. Additionally, in determining aggregate City and County discretionary General Fund revenues, the Controller shall not include revenues received by the City under the increased rates in Business and Tax Regulations Code Sections 953.1(g), 953.2(h), 953.3(h), 953.4(e), 953.5(d), 953.6(f), 953.7(d), and 953.8(i) adopted by the voters at the general municipal election on November 3, 2020, and shall not include revenues received by the City under Article 36 of the Business and Tax Regulations Code adopted by the voters at the general municipal election on November 3, 2020. Errors in the Controller's estimate of discretionary revenues for a fiscal year shall be corrected by an adjustment in the next year's estimate. Using audited financial results for the prior fiscal year, the Controller shall calculate and publish the actual amount of City appropriations that would have been required under this baseline for the School District.

~~*(c) **Annual Contributions to the Fund FY 2005-2006 through FY 2009-2010.** In addition to the annual baseline appropriation provided above, the City shall, for years two through six of this measure, contribute the following amounts to the Public Education Enrichment Fund:*~~

~~*Fiscal Year 2005-06 $10 million*~~

~~*Fiscal Year 2006-07 $20 million*~~

~~*Fiscal Year 2007-08 $30 million*~~

~~*Fiscal Year 2008-09 $45 million*~~

~~*Fiscal Year 2009-10 $60 million*~~

(*c*~~*d*~~) **Annual Contributions to the Fund – FY 2010-11 and Thereafter.** For Fiscal Years 2010-11 and thereafter, the City's annual contribution to the Public Education Enrichment Fund *(the "Annual City Contribution")* shall equal its total contribution for the prior year, beginning with Fiscal Year 2009-2010, adjusted for the estimated increase or decrease in discretionary General Fund revenues for the year. In determining the increase or decrease in discretionary General Fund revenues, the Controller shall not include revenues received by the City under the increased rates in Business and Tax Regulations Code Sections 953.1(g), 953.2(h), 953.3(h), 953.4(e), 953.5(d), 953.6(f), 953.7(d), and 953.8(i) adopted by the voters at the general municipal election on November 3, 2020, and shall not include revenues received by the City under Article 36 of the Business and Tax Regulations Code adopted by the voters at the general municipal election on November 3, 2020.

Their Families, the Mayor, and the Board of Supervisors describing how the School District proposes to use the Annual City Contribution during the subsequent five fiscal years, consistent with the Charter, the Community Needs Assessment described in Section 16.108, the Outcomes Framework described in Section 16.127-5, and the Children and Families Plan described in Section 16.127-5, and any other applicable City laws.

(2) The Council shall review the proposal described in subsection (d)(1) and make a recommendation to the Mayor and Board of Supervisors as to whether to approve or disapprove the School District's proposal. The Council shall request recommendations from the School District's Public Education Enrichment Fund Community Advisory Committee, or any successor body created by the School District.

(3) The City shall not provide any Annual City Contribution during any five-year period set forth in subsection (d)(1), until the Board of Supervisors adopts and the Mayor signs a resolution approving the School District's proposal. If the Board of Supervisors and Mayor do not approve such a resolution before the enactment of the biennial budget for the first fiscal year of the five-year cycle described in subsection (d)(1), the School District may submit a modified proposal during the course of the five-year period for consideration by the Council, the Board of Supervisors, and the Mayor following the process in this subsection (d). If the Board of Supervisors adopts and the Mayor signs a resolution approving the School District's modified proposal, the City shall provide the Annual City Contribution for that fiscal year and for every subsequent fiscal year in the five-year period.

(4) The Board of Supervisors by ordinance may modify the deadlines in this subsection (d).

(e) **Audit Requirements.** All disbursements from the Fund and from the baseline appropriations shall be subject to periodic audit by the Controller. The ~~*San Francisco Unified*~~ School District and the *Department of Early Childhood*~~*Office of Early Care and Education*~~, or

any successor entity ("*DEC~~OECE~~*") shall agree to such audits as a condition of receiving disbursements from the Fund.

Additionally, in preparing the plan, *DEC~~the OECE~~* shall develop guidelines designed to meet neighborhood-specific needs, including school

readiness, subsidy availability, children's dual language development, facility development, parent engagement and education, inclusion of children with special needs, and provider support for both family child care homes and child care centers. Such funding guidelines also shall address the unmet need for universal early education and child care slots in specific City neighborhoods.

The plan shall also include an equity analysis of services and resources for children and families. The *Early Childhood Community Oversight and ~~OECE Citizens'~~* Advisory Committee*, or any successor entity,* shall develop a set of equity metrics to be used to compare existing services and resources in low-income and disadvantaged communities with services and resources available in the City as a whole.

Following the Board of Supervisors' approval of the plan, *DEC~~the OECE~~*, in collaboration with the San Francisco Unified School District and First Five Commission, shall develop an evaluation plan for tracking the results of the City's investments in early care and education.

(b) The plans shall include a budget for the expenditures, descriptions of programs and services, performance goals, *student impact goals,* target populations, hiring and recruitment plans for personnel, plans for matching or other additional funding, operating reserves, *identification of carryover funds from the previous fiscal year and the reallocation and use of those carryover funds during the upcoming fiscal year,* and any other matters that the *School* District and *DEC*~~*the OECE*~~ deem appropriate or the *Council,* Mayor, or the Board requests.

(c) In addition to the annual expenditure plan referenced in subsection (a), by no later than February 21 of each year, beginning in 2026, the School District shall submit to the Council, Mayor, and the Board of Supervisors an annual report describing: (1) how the School District expended funding it received from the Annual City Contribution for the prior fiscal year, as measured by the Outcomes Framework described in Section 16.127-5; and (2) how it plans to use the Annual City Contribution consistent with the Outcomes Framework in the subsequent fiscal year. The School District shall submit to the Council, Mayor, and the Board of Supervisors mid-year and year-end reports describing expenditures and activities as described in subsection (b), including but not limited to the School District's progress in the design and

(*ij*) **Evaluation.** Every five years, the Controller shall review the Council's operations and the Plan.
