12 Be it ordained by the People of the City and County of San Francisco:

13

14 Section 1. Findings.

15 (a) Outdoor neighborhood events foster a sense of belonging and community cohesion
16 among City residents by providing opportunities for social interaction and celebration in their
17 communities.

18 (b) Such events contribute to the cultural vibrancy of the City by showcasing local
19 performers, arts, and crafts to audiences of residents, workers, and visitors.

20 (c) These events provide important opportunities for local arts, food, retail, and other
21 entrepreneurs to showcase and sell their products, and serve as a critical platform to grow
22 small businesses.

23 (d) Waiving City fees for outdoor neighborhood events will encourage community-
24 based arts organizations, nonprofits, small businesses, community benefit districts, and
25

1 merchant associations to organize such events, thereby empowering these stakeholders to
2 launch new community-building activities.

3 (e) Waiving fees will make it more financially viable for events to continue to contribute
4 to San Francisco’s vibrancy. With fees waived, community groups and nonprofits will be able
5 to allocate more resources towards event programming and community engagement.

6 (f) Outdoor neighborhood events serve as economic catalysts by attracting visitors to
7 local businesses, thereby stimulating economic activity and generating revenue for the city
8 through increased tourism and commerce.

9 (g) Outdoor neighborhood events provide opportunities for cultural exchange and
10 celebration of diversity, fostering greater understanding and appreciation among residents
11 from different backgrounds and promoting social inclusion.

12 (h) Waiving City fees for outdoor neighborhood events demonstrates the City's
13 commitment to stimulating economic recovery through arts and culture, including the
14 launching of new events to catalyze economic activity downtown and in neighborhoods across
15 San Francisco.

16 (i) For these reasons, the Board of Supervisors supports the waiver of fees described
17 herein for Qualifying Neighborhood Outdoor Events.

18 (j) The Board of Supervisors also urges the San Francisco Municipal Transportation
19 Agency (SFMTA) to waive any and all SFMTA fees associated with Qualifying Neighborhood
20 Outdoor Events, including but not limited to fees for temporary use or occupancy of public
21 streets under Transportation Code Section 6.2, fees associated with street fairs under
22 Transportation Code Section 6.6, and temporary street closures for Roadway Shared Spaces
23 Activities under Transportation Code Section 6.16.

1 Section 2. The Transportation Code is hereby amended by revising Division 1, Section
2 6.6 and adding Division 1, Section 6.17, to read as follows:

3 **SEC. 6.6. TEMPORARY USE OF STREETS FOR STREET FAIRS.**

4 * * *

5 (f) **Fee.** No later than 60 days prior to the proposed date of the street fair and in
6 consultation with other City departments, ISCOTT shall determine the fee to be charged for
7 the permit according to the schedule below, subject to the fee waiver provisions for Qualifying
8 Neighborhood Outdoor Events under Section 6.17. No other fee for conducting a street fair shall
9 be required or assessed. All fees paid by the sponsors for street fair permits shall be
10 deposited in the City Treasury and allocated by the Controller to the appropriate City
11 departments. The fee shall be based on the actual costs to the City of temporarily closing the
12 street for the street fair, pursuant to the following fee schedule:
