# Department Staffing

- As the City and Department continue recovery from the COVID-19 pandemic, the Department is making progress in addressing staffing issues stemming from lack of hiring and loss of personnel during the initial stages of the pandemic
- The proposed budget continues those efforts, providing for two H-2 Firefighter academies each fiscal year along with H-3 EMTs/Paramedics to maintain approved EMS and Community Paramedicine staffing levels
- These new hires will address projected upcoming retirements as well as make progress to net new staff in the Department
