[Administrative Code - Downtown University Attraction and Retention Fund]

Ordinance amending the Administrative Code to establish the Downtown University Attraction and Retention Fund to provide financial incentives to attract public colleges or universities interested in having a physical location in the South of Market, Union Square, and Financial District neighborhoods, and to purchase or lease property for public college or university campuses in those neighborhoods.

NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
Additions to Codes are in *single-underline italics Times New Roman font*.
Deletions to Codes are in ~~*strikethrough italics Times New Roman font*~~.
Board amendment additions are in double-underlined Arial font.
Board amendment deletions are in ~~strikethrough Arial font~~.
Asterisks (* * * *) indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article XIII of Chapter 10 of the Administrative Code is hereby amended by adding Section 10.100-65, to read as follows:

SEC. 10.100-65. DOWNTOWN UNIVERSITY ATTRACTION AND RETENTION FUND.

*(a) **Establishment of Fund.** The Downtown University Attraction and Retention Fund (the "Fund") is hereby established as a category four fund to receive any monies appropriated or donated for the following purposes: (1) to provide financial incentives to attract public colleges or universities interested in having a physical presence in the South of Market, Union Square, and Financial District neighborhoods ("Campus Neighborhoods"), and (2) to purchase or lease property that is 100,000 square feet or larger for use as campuses (including classrooms, housing, administrative space, and/or other uses) for public colleges or universities in those neighborhoods. For the purposes of this Section 10.100-65, a "public college or university" is an accredited college or university operated by a State,*

subdivision of a State, or governmental agency within a State, including but not limited to universities in the University of California and California State University systems and community colleges.

*(b) **Use and Administration of the Fund.***

(1) The Office of Economic and Workforce Development ("OEWD") shall approve all expenditures from the Fund, consistent with subsections (b)(2) and (b)(3) of this Section 10.100-65.

(2) OEWD may use monies in the Fund to provide financial incentives to attract public colleges or universities interested in having a physical presence in the Campus Neighborhoods. OEWD shall promulgate rules defining the types and amounts of incentives that are available, the eligibility criteria for public colleges or universities to receive those incentives, and OEWD's criteria for deciding which applicants will receive incentives. In developing these rules, OEWD shall consult with other City agencies, including but not limited to the Real Estate Division of the City Administrator's Office, the Planning Department, and the Controller's Office. OEWD shall publish on its website rules it adopts and shall submit a copy of the rules to the Board of Supervisors and the Mayor within 30 days after promulgating the rules.

(3) With the consent of OEWD and subject to the applicable provisions of Chapter 23 of this Code, and any required approvals thereunder, including Board of Supervisors approval, the Real Estate Division may use monies in the Fund, including monies appropriated from bond financing proceeds, *to purchase or lease property that is 100,000 square feet or larger if the Real Estate Division and OEWD have a written plan describing the City's intention to lease or otherwise convey the property as a campus for a public college or university in those neighborhoods.*

*(c) **Sunset and Termination.** Any monies in the Fund that the City has not expended or encumbered by July 31, 2034 shall be returned to the General Fund, and thereafter the City Attorney is authorized to cause this Section 10.100-65 to be removed from the Administrative Code unless the City enacts an ordinance extending it beyond that date.*

Section 2. Effective Date. This ordinance shall become effective 30 days after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST
6/17/2024

[Administrative Code - Downtown University Attraction and Retention Fund]

Ordinance amending the Administrative Code to establish the Downtown University Attraction and Retention Fund to provide financial incentives to attract public colleges or universities interested in having a physical location in the South of Market, Union Square, and Financial District neighborhoods, and to purchase or lease property for public college or university campuses in those neighborhoods.

Existing Law

There is currently no City fund focused on providing financial incentives to attract colleges or universities to the City.

Amendments to Current Law

The proposed ordinance would establish the Downtown University Attraction and Retention Fund for money appropriated by the Board of Supervisors in the future or donated to the City. Money appropriated or donated to the fund could be used for two purposes: (1) to provide financial incentives to attract public colleges or universities interested in having a physical presence in the South of Market, Union Square, and Financial District neighborhoods, and (2) to purchase or lease property that is 100,000 square feet or larger for use as campuses for public colleges or universities in those neighborhoods. The Office of Economic and Workforce Development would approve all expenditures from the fund.

- Board Members Ronen (Chair), Walton, Safai

- SUBJECT: **Item no. 6- 240501 Administrative Code- Streamlined Contracts for Vision Zero Projects.**

- The San Francisco Latino & Black Builder's Association is in opposition to Item 6. We are requesting, as we testified at last week's hearing, the following:
- Consult the San Francisco LBE Community so we can review nor provide feedback on this amendment.
- Insure that " STREAMLINING" will not impact 14B. Work collaborative with the LBE community in the future in any legislation that would impact the LBE and 14B. (Note we requested that the LBE community be part of the conversation at a hearing on the elimination of 12X, February 13, 2023)
- Lastly the Board should ask for data to support any future removal of 14B and Chapter 6 from procurement, as this is a step that should taken seriously as a last resort and first step
- **Recommendation**: Claw back, rescind and or modify the new reauthorization of the SFPW homeless program, we fail to see any data that would support an extension of the emergency. SFPW should create a similar pool of Contractor ready to respond to this City need. Millions of dollars of opportunity have been lost to San Francisco Based firms for no good reason. As no data supporting the reauthorization Has been provided to the board or this rules committee
- We are opposed to any changes in any economic, equity and social criteria included in any ordinance or construction contracts in the guise of "Streamlining" before consulting the small local business community in Construction and Professional Services.

- With respect,
