Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Marianne Oest

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Patti McMahon

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Doug McManaway

This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Saba Heydayian

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Josh Raznick

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Michael Kong

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Diann Rose

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Brett Dewire

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Sharon Soong

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Martin Eng

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Grady Simon

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Luke Perkocha

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Kristen Fenech

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Henry Barbero

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Samidha Ghosh
