Any service charge made by the Trustee for any such registration of transfer or exchange and all reasonable expenses of the City shall be paid by the Borrower.

(e) The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal or interest shall be made only to or upon the order of the registered owner thereof or his/her duly authorized attorney, but such registration may be changed as hereinabove provided. Transfer of principal and interest payments or notices to DTC Participants and Indirect Participants will be the responsibility of the

Securities Depository, and transfer of principal and interest payments or notices to Beneficial Owners will be the responsibility of the DTC Participants and the Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said Holder as may be specified in the Register maintained by the Trustee or by such other method of payment as the Trustee may determine to be necessary or advisable with the concurrence of the Securities Depository.

(c) If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds or has been removed and the Borrower fails to appoint a new Securities Depository, (ii) the Controlling Person or the Borrower, with the consent of the Controlling Person, determines that continuation of a Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Beneficial Owners, or (iii) 100% of the Bondholders so elect, the Book-Entry System will be discontinued, in which case the Trustee will deliver replacement Bonds in the form of fully registered certificates in Authorized Denominations in exchange for the Outstanding Bonds as required by the Trustee and the Beneficial Owners.

Section 2.12 Authority. The City represents and warrants that (i) it is duly authorized under its charter and the laws of the State to issue the Bonds, and to execute, deliver and perform the terms of the Loan Agreement and this Indenture; (ii) all action on its part for the issuance of the Bonds and execution and delivery of the Bond Documents to which it is a party has been duly taken; (iii) the Bonds, upon issuance and authentication, and the Bond Documents to which it is a party upon delivery, assuming that they are the respective legal, valid, binding and enforceable obligations of the other parties thereto, shall be valid and enforceable obligations of the City in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and general equitable principles; (iv) it has not heretofore conveyed, assigned, pledged, granted a security interest in or otherwise disposed of the Security; (v) it has not received any payments under the Loan Agreement; (vi) without making any independent investigation, it has no knowledge of any right of set-off, defense or counterclaim to payment or performance of the terms or conditions of the Loan Agreement; and (vii) the execution, delivery and performance of the Bond Documents to which it is a party and issuance of the Bonds are not in contravention of law or any agreement, instrument, indenture or other undertaking to which it is a party or by which it is bound and no other approval, consent or notice from any governmental agency is required on the part of the City.

Section 2.13 No Litigation. The City represents and warrants that, as of the date of its execution and delivery of this Indenture, there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending, or, to the best knowledge of the City, threatened against or affecting the City wherein an unfavorable decision, ruling or finding would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, this Indenture or the other Bond Documents to which the City is a party, or (ii) the exclusion from gross income of interest on the Tax-Exempt Bonds.

Section 2.14 Further Assurances. The City covenants that it will cooperate to the extent necessary with the Borrower and the Trustee in their defenses of the Security against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the City in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better pledging of the Security. Except for any amendment, modification, supplement, waiver or consent related to the Reserved Rights, the City shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement without the prior written consent of the Trustee, which consent shall be governed by Article VIII hereof.

Section 2.15 No Other Encumbrances; No Dissolution. The City covenants that, (i) except as otherwise provided herein and in the Loan Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any portion of the Security, and (ii) to the fullest extent permitted by applicable law, for so long as the Bonds are Outstanding, it will not dissolve, terminate or permit itself to be dissolved or terminated without a successor to its obligations hereunder and under the Bonds having assumed its obligations hereunder and under the Bonds.

Section 2.16 No Personal Liability. No recourse shall be had for the enforcement of any obligation, promise or agreement of the City contained herein or in the Bonds or the other Bond Documents to which the City is a party or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any supervisor, director, official, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the City or of any successor entity, either directly or through the City or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever shall attach to, or be incurred by, any director, member, officer, agent, attorney or employee as such, past, present or future, of the City or of any successor entity, either directly or through the City or any successor entity, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the City and the Trustee, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such trustee, member, officer, agent, attorney and employee is, by the execution of this Indenture and as a condition of, and as part of the consideration for, the execution of this Indenture, expressly waived and released.

ARTICLE III INTEREST RATE, PAYMENT AND REDEMPTION OF BONDS

Section 3.1 Authorized Amount of Bonds. No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The total principal amount of Bonds that may be issued and Outstanding hereunder is expressly limited to the Maximum Bond Amount. The Bonds shall be designated “City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-1 and “City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-2 (Taxable).” The form of Bonds attached as Exhibit A to this Indenture shall be the form of Bonds referred to herein. The Bonds shall be issued as draw-down Bonds in accordance with Section 3.2(e) below.

Section 3.2 Issuance of Bonds.

(a) The Bonds shall bear interest from the Issue Date until paid or exchanged, as applicable, at the rate set forth in Section 3.3 hereof computed on the basis set forth in the form of the Bonds, and the Bonds shall mature, unless sooner paid, on the Maturity Date, on which date all unpaid principal of and interest on the Bonds shall be due and payable.

(b) The Bonds shall be issued as fully registered bonds without coupons in Authorized Denominations only. The Bonds shall be numbered from R-1 upwards bearing numbers not then contemporaneously outstanding (in order of issuance) according to the records of the Trustee.

(c) The Bonds shall be dated the Issue Date and initially issued as provided herein and in the written instructions from the City. Interest on the Bonds shall be computed from the most recent Interest Payment Date to which interest has been paid or duly provided for or if no interest has been paid or provided for, from the Issue Date. The Bonds shall mature on the Maturity Date, on which date all unpaid principal of and interest on the Bonds shall be due and payable. The Bonds are subject to mandatory sinking fund redemption as provided in Section 3.4(c) hereof.

(d) The principal of and the interest on the Bonds shall be payable in lawful currency of the United States. The principal of the Bonds shall be payable at the principal office of the Trustee upon presentation and surrender of the Bonds; provided, however, that Bonds need not be presented for payment upon redemption pursuant to Section 3.4(c) of this Indenture. Payments of interest on the Bonds will be mailed to the persons in whose names the Bonds are registered on the Register at the close of business on the Record Date next preceding each Interest Payment Date; provided that, any Holder of a Bond or Bonds in an aggregate principal amount of not less than \$250,000 may, by prior written instructions filed with the Trustee (which instructions shall remain in effect until revoked by subsequent written instructions), instruct that interest payments be made by wire transfer to an account in the continental United States or other means acceptable to the Trustee.

(e) The Bonds are issued as draw-down Bonds. The Purchaser shall fund the purchase price of the Bonds from time to time, on the dates and in the amounts set forth on the Schedule of Financial Terms, to provide funds for deposit in the Project Fund for the payment of requisitions therefrom. The initial purchase of Bonds by the Purchaser on the Issue Date will be in an amount equal to not less than \$55,000. The Trustee shall record amounts funded in such manner in the Bond recordkeeping system maintained by the Trustee. The Holders may request exchange of the Bonds for Bonds reflecting the principal draw-down from time to time in accordance with Section 2.9. Upon deposit by the Purchaser of each installment of the purchase price of each draw-down Bond, the aggregate amount of Bonds purchased shall be deemed Outstanding and shall begin to accrue interest. Notwithstanding anything herein to the contrary, the aggregate purchase price of the Bonds funded by the Purchaser may not exceed the authorized amount set forth in Section 3.1 and no additional amounts may be funded after the last day of the third calendar year following the Issue Date) unless there is delivered a Favorable Opinion of Bond Counsel.

(f) In the event either the Controlling Person or the Borrower, with the consent of the Controlling Person, determines that legislative, judicial or other developments have occurred or other circumstances have emerged which could result in interest on the Bonds not being excluded from gross income for federal income tax purposes, or otherwise determines that it is in the requesting party's best interest to cause the remaining authorized amount of the Bonds to be fully funded (the "Remaining Authorized Amount") in order to assure that interest on the Bonds will remain excluded from gross income for federal income tax purposes (other than with respect to interest on any portion of the Bonds for a period during which such portion of the Bonds is held by a Substantial User of any facility financed with the proceeds of the Bonds or a Related Person), and, in the case of such determination by the Borrower, such action will resolve the uncertainty with respect to the exclusion of interest on the Bonds from gross income for federal income tax purposes and will not jeopardize receipt of previously committed unfunded debt or equity funding for the Project, then the Majority Owner may provide a written letter of direction (a "Draw-Down Notice") to the Trustee, with a copy to the Borrower and the Purchaser, to cause the Remaining Authorized Amount of the Bonds to be funded. The Draw-Down Notice, if given, shall take effect on the fifth (5th) Business Day following the date of such notice (or such greater number of Business Days to which the Controlling Person, Borrower and the Purchaser may agree in writing, with written notice to the

Trustee) and contain substantially the following words: “*The Majority Owner elects to fund the Remaining Authorized Amount of the Bonds (\$ _____) to be funded effective _____ (the “Draw-Down Date”).*” The Draw-Down Notice will be delivered in the manner provided for notices under the Indenture and the Loan Agreement. After the delivery of a Draw-Down Notice, the Purchaser shall advance proceeds of the Bonds in the Remaining Authorized Amount to the Trustee for deposit in the Bond Proceeds Account of the Project Fund and, if applicable, the Capitalized Interest Account of the Project Fund, to be held and disbursed pursuant to the Indenture and the Loan Agreement. The Borrower agrees to pay to the Trustee, on the Draw-Down Date, an amount of funds to be agreed upon by the Controlling Person and the Borrower prior to the Draw-Down Date to cover the expected interest costs for the period between the Draw-Down Date and the date of each expected draw in accordance with the then-approved draw schedule set forth in the Loan Agreement (the “Capitalized Interest Deposit”), to be deposited by the Trustee into the Capitalized Interest Account of the Project Fund

Section 3.3 Interest Rate on Bonds. The Bonds shall bear interest at the Bond Coupon Rate from the Issue Date to the date of payment in full of the Bonds, calculated in the manner set forth in the form of the Bonds. Interest accrued on the Bonds shall be paid in arrears on each Interest Payment Date and on the Maturity Date and any date of redemption prior to the Maturity Date; provided however, that in the event that principal of or interest payable on the Bonds is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate, as more fully set forth in Section 6.8 hereof.

Section 3.4 Redemption of Bonds.

(a) Optional Redemption of Bonds.

(i) The Bonds are subject to optional redemption in whole but not in part, at the direction of the Borrower upon not less than forty-five (45) days written notice to the Trustee and the Controlling Person (which notice shall be unconditional and irrevocable), in Authorized Denominations on any Interest Payment Date occurring on or after the First Optional Call Date at a redemption price equal to the percentage of principal amount thereof set forth on the Schedule of Financial Terms, plus accrued interest thereon to, but not including, the redemption date.

(ii) The Bonds are subject to optional redemption in part on any Interest Payment Date specified by the Borrower and consented to by the Controlling Person following Completion, but not later than the Stabilization Date, in an amount not to exceed, in the aggregate, the Mandatory Prepayment Amount at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed without premium or penalty, plus interest accrued thereon to, but not including, the redemption date.

(b) Mandatory Redemption of Bonds.

(i) The Bonds are subject to mandatory redemption from, and to the extent of, amounts on deposit in the Surplus Fund (subject to Section 4.4 hereof) on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, following the deposit of Surplus Bond Proceeds in the Surplus Fund at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(ii) The Bonds are subject to mandatory redemption in whole or in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project Facilities are deposited in the Project Fund and are not to be used to repair or restore the Project Facilities

at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iii) The Bonds are subject to mandatory redemption in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, in the amount as specified by the Controlling Person to the Trustee necessary to cause the Project Facilities to meet the requirements of clause (ii) of the definition of “Stabilization,” if the Project Facilities have not achieved Stabilization by the Stabilization Date at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iv) The Bonds are subject to extraordinary mandatory redemption in whole or in part, at the direction of the Controlling Person to the Trustee and the Borrower, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture following receipt by the Trustee of the direction of the Controlling Person, within one hundred eighty (180) days of the occurrence of any of the following events:

(1) the Project Facilities shall have been damaged or destroyed to such an extent that in the judgment of the Controlling Person (A) it cannot reasonably be restored within a period of three (3) consecutive months to the condition thereof immediately preceding such damage or destruction, (B) the Borrower is thereby prevented from carrying on its normal operations at the Project Facilities for a period of three (3) consecutive months, or (C) it would not be economically feasible for the Borrower to replace, repair, rebuild or restore the same;

(2) title in and to, or the temporary use of, all or substantially all of the Project Facilities shall have been taken under the exercise of the power of eminent domain by any Governmental Authority or any Person acting under Governmental Authority (including such a taking as, in the judgment of the Controlling Person, results in the Borrower being prevented thereby from carrying on its normal operations at the Project Facilities for a period of three (3) consecutive months);

(3) as a result of any changes in the Constitution of the State, or the Constitution of the United States of America or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), any material provision of the Loan Agreement or the Bond Documents, in the judgment of the Controlling Person shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein;

(4) unreasonable burdens or excessive liabilities shall have been imposed on the Borrower with respect to the operations of the Project Facilities, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Controlling Person, render the continued operation of the Project Facilities uneconomical;

(5) changes which the Borrower cannot reasonably control or overcome in the economic availability of materials, supplies, labor, equipment and other properties and things necessary for the efficient operation of the Project Facilities for the purposes contemplated by the Loan Agreement shall have occurred or technological changes that the Borrower cannot reasonably overcome shall have occurred that, in the

judgment of the Controlling Person, render the continued operation of the Project Facilities uneconomical;

(6) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Project Facilities for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Controlling Person, prevent the Borrower from carrying on its normal operations at the Project Facilities for a period of three (3) consecutive months; or

(7) the Loan Agreement is terminated prior to its expiration for any reason, including the occurrence of an Event of Default under the Loan Agreement.

(v) The Bonds are subject to mandatory redemption in whole at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture within forty-five (45) days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bonds would result, in the opinion of Bond Counsel, in the interest on the Tax-Exempt Bonds Outstanding following such mandatory redemption being excludable from the gross income of the Holders of such Tax-Exempt Bonds Outstanding, then the Tax-Exempt Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(vi) The Bonds are subject to mandatory redemption in whole on any Interest Payment Date specified by the Controlling Person on or after the First Put Date, if the Controlling Person directs redemption by providing notice to the Borrower, the Trustee and the City at least one hundred eighty (180) days prior to the Interest Payment Date specified in such notice on which the Bonds are to be redeemed at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to, but not including, the redemption date. The direction of the Controlling Person to redeem the Bonds shall be irrevocable and shall be binding on the Holders of all of the Bonds and on any transferee(s) of such Holders.

(vii) The Bonds are subject to mandatory prepayment in whole on the Stabilization Date, in the amount of the Mandatory Prepayment Amount, to the extent not previously redeemed pursuant to Section 3.4(a)(ii) at a redemption price equal to 100% of the principal amount of the Bonds to be prepaid, without premium or penalty, plus interest accrued thereon to, but not including, the redemption date.

(c) Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption in part on each Principal Payment Date, from amounts paid by the Borrower to the Trustee for deposit into the Redemption Fund pursuant to Sections 2.3(d) and 8.4 of the Loan Agreement (in the amount set forth on the Debt Service Schedule), at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(d) Selection of Bonds to be Redeemed. If less than all the Outstanding Bonds of a Series shall be called for redemption, the Trustee or, if the Bonds are held in the Book-Entry System, the Securities Depository shall select or arrange for the selection of Bonds to be redeemed pro rata or otherwise in accordance with the procedures of the Securities Depository pursuant to its rules and procedures, in Authorized Denominations, provided that any Bond or portion thereof remaining Outstanding shall be in an Authorized Denomination. If the Bonds are held in the Book-Entry System, the Securities Depository

shall, acting pursuant to its rules and procedures, reflect in said system the partial redemption and the Trustee shall (i) either exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

(e) Debt Service Schedule.

(i) On or before the Stabilization Date, the Controlling Person shall deliver to the Trustee and the Borrower a schedule of debt service payments providing for level debt service with respect to the Bonds calculated on the basis of the fixed Bond Coupon Rate and a 480-month amortization schedule each commencing on the Stabilization Date with principal payments commencing on the First Principal Payment Date (with all remaining principal payable on the Maturity Date, if applicable). In the event of a partial redemption of Bonds other than pursuant to Section 3.4(c) hereof, the Debt Service Schedule shall be adjusted to provide for level debt service in respect of the Bonds remaining Outstanding after such partial redemption, on the basis of the number of months remaining in the original 480-month amortization schedule. The Controlling Person shall provide the Trustee and the Borrower with a new Debt Service Schedule reflecting such adjustment promptly following any such partial redemption.

(ii) The Controlling Person, with the prior written consent of the Borrower, may deliver a modified Debt Service Schedule from time to time hereafter for any other purpose agreed to by Controlling Person and Borrower. In connection with any such modified Debt Service Schedule, the Controlling Person may, at its election and at Borrower's expense, require a Favorable Opinion of Bond Counsel.

(f) Partial Redemption of Bonds. In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the operations office of the Trustee of such Bond by the Holder thereof or his attorney duly authorized in writing (with due endorsement for transfer or accompanied by written instrument of transfer in form satisfactory to the Trustee), the City shall execute and the Trustee shall authenticate and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds, at the option of such Holder, of any Authorized Denomination of like tenor, or if less than the minimum Authorized Denomination, an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, such surrender of Bonds shall not be required for payment of the redemption price pursuant to Section 3.4(c) hereof. For all purposes of this Indenture (including exchange and transfer), the Bond so issued in less than a minimum Authorized Denomination shall be deemed to have been issued in an Authorized Denomination. Bonds so presented and surrendered shall be canceled in accordance with this Indenture.

(g) Right of Borrower to Purchase Bonds. Subject to delivery of a Favorable Opinion of Bond Counsel, provided that such opinion shall not be required if the Bonds are held by a Substantial User or Related Person to a Substantial User, the Borrower shall have the option, by written notice to the Trustee and the Controlling Person given not less than five (5) Business Days (forty-five (45) days in case of a redemption pursuant to Section 3.4(b)(vi) hereof), in advance of such redemption date, to cause purchase of the Bonds in whole, but not in part, in lieu of redemption on the redemption date. The purchase price of the Bonds so purchased in lieu of redemption shall be equal to the redemption price thereof, and shall be payable on the redemption date. Bonds so purchased in lieu of redemption shall be registered to or upon the direction of the Borrower. Notwithstanding the foregoing, if the Bonds are not rated in the "A" category or better by a nationally recognized rating agency, the Bonds so purchased shall not be transferable except to a Holder of all the outstanding Bonds.

Section 3.5 Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, with a copy to the Controlling Person, but no defect in or failure to give such notice of redemption to any person shall affect the validity of the redemption as to any other person; provided, however, that no notice of redemption shall be required for mandatory sinking fund redemption pursuant to Section 3.4(c) hereof. All Bonds properly called for redemption and for which monies for payment of the redemption price are held by the Trustee will cease to bear interest on the date fixed for redemption, and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed. Notwithstanding the foregoing, with respect to any Bonds held under the Book-Entry System, notices of redemption shall be provided in accordance with the rules and procedures established by the Securities Depository, as more fully described in Section 2.11 hereof. Notwithstanding any other provision of this Indenture, if the Bonds are not held under the Book-Entry System but are instead held as physically certificated bonds, any notice of redemption requirement in this Indenture or the Bonds may be waived in writing by the registered owners of 100% of the principal amount of the Bonds.

Section 3.6 Payments Due on Non-Business Days. In any case where the date of maturity of, interest on or premium, if any, or principal of the Bonds or the date fixed for redemption of any Bonds shall not be a Business Day, then payment of such interest, premium or principal need not be made on such date but shall be made on the next succeeding Business Day, with the same force and effect as if made on the date of maturity or the date fixed for redemption, and, in the case of such payment, no interest shall accrue for the period from and after such date.

(b) Moneys in the Bond Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the interest on the Bonds, for the payment of principal of the Bonds upon maturity, whether stated or accelerated, or upon mandatory or optional redemption prior to the Maturity Date, and for the payment of the acceleration premium set forth in Section 2.3(c) of the Loan Agreement.

Section 4.3 Project Fund.

(a) The Trustee shall deposit all amounts specified in the Closing Memorandum into the specified accounts and subaccounts of the Project Fund. The Trustee will receive and deposit installments of the purchase price of the Bonds, as set forth in Section 3.2(e) hereof, into the specified subaccounts of the Bond Proceeds Account of the Project Fund. The Trustee will receive and deposit into the Equity Account amounts received as future installments of Required Equity Funds from the Investor Limited Partner and the General Partner, in accordance with the provisions of the Partnership Agreement and the Assignment of Capital Contributions. The Trustee shall deposit any other amounts received, to the extent not otherwise directed herein, in such Accounts as directed by Controlling Person.

(b) The Trustee is hereby authorized and directed to use moneys in the Project Fund for payment or reimbursement to the Borrower upon the receipt of a fully executed Requisition approved in writing by the Controlling Person in accordance with the provisions of the Loan Agreement. Except as otherwise consented to in writing by the Controlling Person, through approval of a Requisition or otherwise, moneys in the Project Fund shall be applied for payment or reimbursement of Project Costs and at least 95% of moneys on deposit in the Tax-Exempt Subaccount of the Bond Proceeds Account of the Project Fund shall be applied to Qualified Project Costs. No later than the Stabilization Date, all Surplus Bond Proceeds remaining in the Bond Proceeds Account of the Project Fund shall either be transferred to the Surplus Fund, applied to the Mandatory Prepayment Amount, if any, or applied to another use, in each case as directed in writing by the Controlling Person. All remaining amounts in the Equity Account, and the Subordinate Debt Proceeds Account of the Project Fund upon Stabilization shall be paid to the Borrower upon receipt of the prior written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed.

(c) The Trustee shall and is hereby authorized to transfer funds from the Capitalized Interest Account to the Bond Fund to pay interest on the Bonds accruing up to and including: (i) the Completion Date with respect to amounts in the Tax-Exempt Subaccount of the Capitalized Interest Account; and (ii) achievement of Stabilization with respect to the Equity Subaccount without submission of any Requisition. With respect to any such transfer, the Trustee shall first transfer amounts from proceeds of the sale of the Bonds. Amounts on deposit in the Tax-Exempt Subaccount of the Capitalized Interest Account shall be used only to pay interest on Tax-Exempt Bonds.

(d) Amounts in the Costs of Issuance Account shall be disbursed by the Trustee on the Issue Date pursuant to the Closing Memorandum and thereafter only to pay costs of issuance pursuant to a Requisition signed by the Borrower and the Controlling Person identifying the amount to be paid and the payee. (e) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Controlling Person and the Majority Owner. To the extent there has been a determination pursuant to the Bond Documents to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be expended for such purposes in accordance with the provisions of the Bond Documents. In the event there is a determination pursuant to the Bond Documents not to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Bond Fund and applied to the redemption of Bonds in accordance with Section 3.4 hereof, or (ii) released to the Borrower if the Borrower obtains an Opinion of Bond Counsel that such release will not affect the excludability of the interest on the Tax-Exempt Bonds from gross income for federal income tax purposes, all in accordance with direction of the Controlling Person to the Trustee and subject to the provisions of the Bond Documents.

(f) The Trustee shall transfer moneys between Accounts and subaccounts thereof as directed in writing by the Controlling Person and consented to by the Borrower, provided that no consent shall be required following the occurrence and during the continuance of a Default or Event of Default hereunder. Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Project Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine, after obtaining the advice of nationally-recognized bond counsel.

Section 4.4 Surplus Fund. The Surplus Fund shall receive all Surplus Bond Proceeds transferred thereto in accordance with the direction of the Controlling Person pursuant to Section 4.3(b) above. The deposit of Surplus Bond Proceeds in the Surplus Fund shall be deemed to be a joint direction by the Borrower and the Controlling Person to the Trustee to redeem the greatest principal amount of the Bonds possible to be redeemed from such deposit pursuant to Section 3.4(b)(i) hereof on the earliest redemption date on which the Bonds may be redeemed, and on such redemption date (or, if such day is not a Business Day, the immediately preceding Business Day) an amount equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the redemption date shall be transferred from the Surplus Fund to the Bond Fund and used for such redemption. After such transfer, if and to the extent that there are moneys remaining in the Surplus Fund, such moneys in the Surplus Fund shall be transferred to the Bond Fund and shall be used for payment of interest on or principal of the Bonds. Surplus Bond Proceeds derived from the Tax-Exempt Bonds and the proceeds thereof shall be used to pay only principal, interest or redemption price of Tax-Exempt Bonds.

Section 4.5 Use of Certain Additional Funds and Accounts.

(a) Redemption Fund.

(i) There shall be deposited in the Redemption Fund (a) all payments specified in Section 8.4 of the Loan Agreement to be deposited in the Redemption Fund, and (b) all other moneys received by the Trustee under the Loan Agreement or this Indenture for deposit by it in the Redemption Fund. Moneys in the Redemption Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the redemption of Bonds pursuant to Section 3.4 hereof. On each Principal Payment Date or redemption date and as otherwise required hereunder or at the written direction of the Controlling Person, the Trustee shall transfer such amounts from the Redemption Fund to the Bond Fund and call and redeem Bonds as provided in Section 3.4 hereof. After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and the payment of any amounts owing to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Redemption Fund shall be paid to the Borrower.

(ii) Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Redemption Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine, after obtaining the advice of nationally-recognized Bond Counsel.

(b) Tax and Insurance Escrow Fund. There shall be deposited in the Tax and Insurance Escrow Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 8.2 of the Loan Agreement. Moneys in the Tax and Insurance Escrow Fund shall be applied to payment of Impositions and insurance premiums at the direction of the Controlling Person; provided, however, that upon the occurrence and continuation of an Event of Default hereunder, all money and investments held in the Tax and Insurance Escrow Fund may be disbursed at the direction of the Controlling Person to pay costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine. Upon the payment in full of the Bonds and the fees and expenses of the City and the Trustee, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Tax and Insurance Escrow Fund shall be paid to the Borrower. If the Controlling Person

determines that the Tax and Insurance Escrow Fund is over-funded for any reason, the Controlling Person may direct the Trustee to return all or a portion of the moneys in the Tax and Insurance Escrow Fund to the Borrower.

(c) Rebate Fund. The investment of the Bond proceeds will be at the written direction of the Borrower, and Borrower has covenanted to retain the services of a qualified rebate analyst to perform any and all calculations required to comply with the requirements of Section 148 of the Code as applicable to the Bonds. City will rely entirely on the covenant of the Borrower to ensure that the Bonds will not become “arbitrage bonds” within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund. Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

(d) Replacement Reserve Fund. There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to the Replacement Reserve Agreement. Moneys in the Replacement Reserve Fund shall be disbursed by the Trustee upon receipt of a written request therefor executed by the Borrower and approved in writing by the Controlling Person, in accordance with the terms of the Replacement Reserve Agreement; provided that, upon the occurrence and continuation of an Event of Default hereunder, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Upon the payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable. If the Controlling Person determines that the Replacement Reserve Fund is over-funded for any reason, the Controlling Person may direct the Trustee to return all or a portion of the moneys in the Replacement Reserve Fund to the Borrower.

(e) Transition and IRP Reserve Fund. There shall be deposited in the Transition and IRP Reserve Fund all moneys received for such purpose pursuant to Section 4.1 hereof. Funds shall be disbursed from the Transition and IRP Reserve Fund, at the request of the Borrower, but only with the Controlling Person’s written consent, to fund any Expenses of the Borrower arising from any shortfall in revenues of the Project Facilities as a result of a non-appropriation of funding for housing assistance payments under the HAP Contract, as a result of the termination of the HAP Contract or the withholding, termination, delay or expiration of the payments due under the IRP Agreement, or as a result of any other occurrence as approved in writing by the Controlling Person, such approval not to be unreasonably withheld. Upon receipt by the Trustee from the Borrower of a written request together with the written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed, the Trustee shall disburse funds from the Transition and IRP Reserve Fund in accordance with such written request. Upon the occurrence and continuation of an Event of Default, all moneys and investments in the Transition and IRP Reserve Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay any costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Upon payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Transition and IRP Reserve Fund shall be paid to the Borrower.

(f) Operating Reserve Fund. There shall be deposited in the Operating Reserve Fund all moneys received for such purpose pursuant to Section 8.5 of the Loan Agreement.

Section 4.6 Records.

(a) The Trustee shall cause to be kept and maintained records pertaining to all funds and accounts maintained by the Trustee hereunder and all disbursements therefrom and shall periodically deliver to the Borrower, with a copy to the Controlling Person, monthly statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower and the Controlling Person, within a reasonable period of time, with a report stating the principal amount of Bonds Outstanding and a list of the registered owners of the Bonds as of the date specified by the Borrower or the Controlling Person in its request.

(b) The Trustee shall provide the Borrower and the Controlling Person with a written report, on a monthly basis through the calendar month in which the last obligation of the Bonds is retired, identifying the Permitted Investments in which the moneys held as part of the Accounts were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower and the Controlling Person in its regular monthly investment reports.

Section 4.7 Investment of Funds. Subject to the provisions of Section 4.8 hereof, moneys held as part of all Accounts hereunder shall be invested and reinvested in Permitted Investments as instructed by the Borrower with the prior written consent of the Controlling Person; provided, however, that any moneys held by the Trustee to pay the principal of or interest that has become payable with respect to the Bonds shall not be invested. All Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times to be a part of the fund and account which was used to purchase the same. The Trustee may act as principal or agent in the making or disposing of any investment and may utilize its investment department or that of its affiliate and charge its standard investment handling fees. All interest accruing thereon and any profit realized from Permitted Investments shall be credited to the respective fund or account and any loss resulting from Permitted Investments shall be similarly charged. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the terms of this Indenture. Absent specific instructions from the Borrower approved by the Controlling Person to invest cash balances in Permitted Investments hereunder, the Trustee shall invest in Permitted Investments constituting obligations of the U.S. Treasury or its agencies having a term to maturity of not more than thirty (30) days or any money market fund or similar investment fund that purchases and holds exclusively obligations of the United States of America or its agencies that have a term to maturity of not more than thirty (30) days. Notwithstanding the foregoing, upon the written election of the Holders of all of the Outstanding Bonds, after providing written notice to the Borrower, the Trustee and the Servicer of such election, any or all Accounts established under this Indenture may be maintained on behalf of Holders at a Qualified Custodian and not by the Trustee and all payments required to be made by the Borrower with respect to such Accounts shall be paid directly to such Qualified Custodian.

Section 4.8 Yield Restriction. Moneys held in the funds and accounts established pursuant to Section 4.1(a) hereof (other than the Project Fund and the Bond Fund) that are in excess of \$100,000, the allowable minor portion, will not be invested at an overall yield in excess of the yield on the Bonds, which has been computed to be not greater than the Arbitrage Yield, unless the Borrower, the Trustee and the

Controlling Person receive an Opinion of Bond Counsel that the investment of such funds at an overall yield in excess of such amount does not adversely affect the excludability of interest on the Bonds by the Holders thereof for federal income tax purposes.

Section 4.9 Transfers Between Funds and Accounts; Use of Amounts in Funds and Accounts. The Trustee shall transfer moneys between Accounts as directed in writing by the Controlling Person and consented to by the Borrower, provided that no consent shall be required following the occurrence and during the continuance of a Default or Event of Default hereunder. Upon the occurrence and continuation of an Event of Default hereunder, all money and investments hereunder may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine, after obtaining the advice of nationally-recognized Bond Counsel.

Section 4.10 Guaranties. Any amounts realized by the Trustee under the Guaranty of Completion, the Guaranty of Debt Service and Stabilization, the Guaranty of Recourse Obligations or the Environmental Indemnity shall be used or applied or invested by the Trustee as directed in writing by the Controlling Person.

ARTICLE V DISCHARGE OF LIEN

Section 5.1 Discharge of Lien and Security Interest. Upon payment in full of all of the Bonds and all other amounts payable under the Loan Agreement and other Bond Documents, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee shall, upon receipt by the Trustee of a Favorable Opinion of Bond Counsel and an opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with, (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the City and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the City and the Borrower the Security, and assign and deliver to the City and the Borrower so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying Bonds; and (c) mark as cancelled the Note and satisfy the Mortgage; provided, however, that the cancellation and discharge of this Indenture pursuant to this Section or Section 5.3 hereof shall not terminate the powers and rights granted to the Trustee, with respect to the payment, registration of transfer and exchange of the Bonds; provided, further, that the rights of the City and the Trustee to indemnify, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.3 hereof.

Section 5.2 Provision for Payment of Bonds. Bonds shall be deemed to have been paid within the meaning of Section 5.1 hereof if:

(a) there shall have been irrevocably deposited in the Bond Fund sufficient money or Government Obligations of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also to be held in trust), be sufficient for the payment at their respective maturities or redemption dates prior to maturity of the principal of the Bonds not later than the earliest redemption date possible under Section 3.4 (and any earlier partial redemption date required herein) and interest to accrue thereon, and redemption premium, if any, through such maturity or redemption dates, as the case may be;

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the City and the Trustee, due or to become due; and

(c) if any Bonds are to be redeemed on any date prior to their maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from the Borrower to redeem such Bonds on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

(d) Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the Government Obligations described in this Section 5.2 for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary (but subject to Section 5.2(a) hereof), all funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or in a money market fund that invests solely in Government Obligations and is rated no lower than the second highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the second highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Section 5.3 Discharge of this Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section 5.1 hereof, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bonds or the deemed payment in full of the Bonds in accordance with Section 5.2 hereof until the Trustee shall have returned to the Borrower all funds held by the Trustee which the Borrower is entitled to receive pursuant to this Indenture after all Bonds have been paid at maturity or redeemed. Upon payment in full or defeasance of the Bonds, payment of amounts payable to the United States pursuant to any rebate requirement and payment of all other amounts owing hereunder and under the Loan Agreement, all remaining amounts held by the Trustee shall be paid to the Borrower.

ARTICLE VI DEFAULT PROVISIONS AND REMEDIES

Section 6.1 Events of Default. Any one of the following shall constitute an Event of Default hereunder:

- (a) Failure to pay interest on any Bond when and as the same shall have become due;
- (b) Failure to pay the principal of or any premium on any Bond when and as the same shall become due, whether at the stated maturity or redemption date thereof or by acceleration;
- (c) Failure to observe or perform any other of the covenants, agreements or conditions on the part of the City included in this Indenture or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the City and the Borrower has been given by the Trustee or by the Controlling Person (with a copy to the Trustee); or

(d) The occurrence of an Event of Default under the Loan Agreement or the failure by the Borrower to perform or comply with any of the other terms or conditions contained in any other Bond Documents to which the Borrower is a party and continuation of such failure beyond the expiration of any notice, grace or cure period provided in the Loan Agreement or the Bond Documents (as applicable).

Section 6.2 Acceleration.

(a) Upon the direction of the Controlling Person, the Trustee immediately shall, by notice in writing sent to the City, the Borrower, the Majority Owner and the Controlling Person, declare the principal of all Bonds then Outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon said declaration, such principal and interest shall become and be immediately due and payable. Upon any declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have under the Loan Agreement and the Note to declare all Repayments to be immediately due and payable. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest accrued thereon (including Default Interest, if any) and which will accrue thereon to the date of payment and all unpaid interest on the Bonds on the date of payment, and the acceleration premium described in Section 6.8 hereof (if applicable).

(b) Immediately following any such declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first-class mail, postage prepaid, to each Holder of a Bond at his/her last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 6.3 Other Remedies; Rights of Holders.

(a) Upon the happening and continuance of an Event of Default hereunder, the Trustee may, with the prior written consent of the Controlling Person, and shall upon the direction of the Controlling Person, with or without taking action under Section 6.2 hereof, pursue any available remedy to enforce the performance of or compliance with any Bond Documents.

(b) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, the Controlling Person, the Majority Owner or the Holders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Majority Owner, the Controlling Person or to the Holders hereunder or now or hereafter existing.

(c) No delay or omission to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent Default or Event of Default or shall impair any rights or remedies consequent thereon.

(e) The Trustee, as the assignee of substantially all right, title and interest of the City in and to the Loan Agreement and the Note, shall be empowered to enforce each and every right granted to the City under the Loan Agreement and the Note other than Reserved Rights.

Section 6.4 Right of Controlling Person to Direct Proceedings.

(a) Anything in this Indenture to the contrary notwithstanding, the Controlling Person shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

(b) No Holder shall have the right to institute any proceeding for the enforcement of this Indenture unless such Holder has given the Trustee and the Borrower written notice of an Event of Default, the Controlling Person shall have requested the Trustee in writing to institute such proceeding, the Trustee shall have been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, there shall have been offered to the Trustee indemnity satisfactory to it against the cost, expense and liability to be incurred in connection with such request and the Trustee shall have thereafter failed or refused to exercise such powers or to institute such proceeding within sixty (60) days after receipt of notice with no inconsistent direction given during such sixty (60) days by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding. Nothing in this Indenture shall affect or impair any right of enforcement conferred on any Holder by the Act or otherwise to enforce (i) the payment of the principal of, acceleration premium, if any, and interest on Bonds at and after the maturity thereof, or (ii) the obligation of the City to pay the principal of, acceleration premium, if any, and interest on Bonds to such Holder at the time, place, from the sources and in the manner as provided in this Indenture.

Section 6.5 Discontinuance of Default Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the City and the Trustee shall be restored to their former positions and rights hereunder and all rights, remedies and powers of the City and the Trustee shall continue as if no such proceedings had been taken subject to the limits of any adverse determination.

Section 6.6 Waiver. The Trustee, with the consent of the Controlling Person may, and shall upon the written direction of the Controlling Person, waive any Default or Event of Default hereunder and its consequences and rescind any declaration of acceleration of maturity of principal; provided, however, that there shall be no such waiver or rescission unless all principal of, acceleration premium, if any, and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate of interest borne by the Bonds and all fees and expenses of the Trustee and the City shall have been paid or provided for.

Section 6.7 Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than moneys held for the redemption of Bonds) of (i) the cost and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Trustee, and (ii) any sums due to the City under the Loan Agreement or the Land Use Restriction Agreements (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment of all installments of interest then due on the Bonds in order of priority first to installments past due for the greatest period and, if the amount available shall not

be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment;

Second: To the payment of the unpaid principal of and acceleration premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bonds from the respective dates upon which they became due (at the rate borne by the Bonds, to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such acceleration premium, then to the ratable payment of the amounts due on such date;

Third: To the payment of the amounts required to reimburse the City and the Owners of the Bonds for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder; and

Fourth: The balance shall be paid to the Borrower (subject to any required deposits to the Rebate Fund).

(b) If the principal of all the Bonds shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal, acceleration premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority as between principal, premium, interest, installments of interest or Bonds, ratably according to the amounts due respectively for principal, premium and interest to the persons entitled thereto.

(c) If the principal on all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article then, subject to subsection (b) of this Section in the event that the principal of all the Bonds shall again become or be declared due and payable, the moneys shall be applied in accordance with subsection (a) of this Section.

(d) Notwithstanding anything contained herein to the contrary, the Controlling Person may, with express written consent of the Majority Owner, by written notice to the Trustee direct the application of funds other than in the manner set forth in Section 6.7(a) above, including, without limitation, the application of funds between the principal or acceleration premium of or interest on the Bonds.

(e) Whenever moneys are to be applied pursuant to this Section, the Trustee shall fix the date which shall be not more than seven (7) calendar days after such acceleration upon which such application is to be made and upon such date interest on the principal amount of Bonds to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Section 6.8 Default Interest and Acceleration Premium. In the event that principal or interest payable on the Bonds is not paid when due, there shall be payable on the amount not timely paid, interest at the Default Rate, to the extent permitted by law. This interest shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full. In the event there shall have occurred an acceleration of the Bonds or the Borrower's obligations under the Loan Agreement following an Event of Default on or before the First Optional Call Date, any tender of payment of any amount necessary to pay the Bonds in full shall include the acceleration premium set forth in Section 2.3(c) of the Loan Agreement.

ARTICLE VII THE TRUSTEE

Section 7.1 Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, if the same are selected by the City, approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except as provided in Section 7.8 hereof, the Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording, re-recording, filing or re-filing of this Indenture, of any Financing Statements or continuation statements, or for insuring the Security or the Project Facilities or collecting any insurance moneys, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Project Facilities or otherwise as to the maintenance of the Security. The Trustee shall not be liable to the Borrower, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.7 hereof in good faith as instructed by the Borrower in accordance with the provisions of this Indenture, and with the prior written consent of the Controlling Person, as applicable. The Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the City or for the use by the Borrower of the proceeds of the Bonds advanced to the Borrower as provided in the Loan Agreement. The Trustee may become the owner of Bonds secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any notices, directions, consents, approvals or requests provided to the Trustee pursuant to the terms of this Indenture or any of the Bond Documents shall not be effective until provided in writing. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any Person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its gross negligence, bad faith or willful misconduct in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project Facilities.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holders which may require it to expend its own funds, the Trustee may require satisfactory security or indemnification for the reimbursement of all expenses to which it may be put by reason of any action so taken. The Trustee shall not be entitled to indemnification as a precondition to giving notices of default or taking other actions at the direction of the Majority Owner or the Controlling Person which do not require the Trustee to expend its own funds or for which funds have been advanced by the Majority Owner or the Controlling Person to the Trustee in advance of its taking such action.

(i) All moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holders of the Bonds as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee shall not otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the City under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.1(a) or (b), or Section 6.1(c) hereof if written notice thereof has been received by the Trustee) or the occurrence of a Determination of Taxability, except (i) in the event the Borrower fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bonds, (iii) in the event of written notification of a Determination of Taxability by the Holder of any Bonds, (iv) in the event of written notification of such Default by the Controlling Person, the Majority Owner or two or more Holders with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, or (v) in the event of receipt of an Opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the City and the Borrower to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(l) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the City and the Borrower at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(m) The Trustee shall have no duty to inspect or oversee the rehabilitation or completion of the Improvements or to verify the truthfulness or accuracy of the certifications made by the Borrower in any Requisition.

(n) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon; (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bonds under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(o) No provision of this Indenture, the Loan Agreement or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(p) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part and except as otherwise expressly set forth herein, rely upon a written certificate of the Controlling Person or the Majority Owner.

(q) In the absence of a direction from the Controlling Person, if the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Indenture, the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds shall be controlling and the Trustee shall follow such directions.

(r) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bonds.

(s) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in any of the Bonds and may join in any action that any Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower and may act as depository, trustee or agent for any committee of Holders secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(t) The Trustee shall have no responsibility or obligation to DTC Participants, to Indirect Participants, or to the Persons for whom they act as nominees with respect to the Bonds, or to any Beneficial Owner of Bonds in respect of the accuracy of any records maintained by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant, the payment by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any amount in respect of the principal of or interest on the Bonds, any notice which is permitted or required to be given under this Indenture, the selection by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any Person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by the Securities Depository or the Securities Depository Nominee as Holder.

(u) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

Section 7.2 Compensation and Indemnification of Trustee; Trustee's Prior Claim.

(a) The Loan Agreement provides that the Borrower will pay the reasonable fees and expenses of the Trustee under this Indenture and all other amounts which may be payable to the Trustee under this Section, such fees and expenses to be paid when due and payable by the Borrower directly to the Trustee for its own account. Except as set forth in Section 6.7, the Trustee shall not have a lien on the Security for the payment of its fees or expenses and shall not be entitled to pay its fees and expenses from amounts held in the funds and accounts hereunder.

(b) The Borrower shall (i) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust), (ii) pay or reimburse the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own gross negligence, willful misconduct or bad faith, and (iii) indemnify the Trustee for, and hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Loan Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own gross negligence, willful misconduct or bad faith. "Trustee," for purposes of this Section shall include any predecessor Trustee, but the gross negligence, willful misconduct or bad faith of any Trustee, shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture.

Section 7.3 Intervention in Litigation. In any judicial proceedings to which the City is a party, the Trustee may intervene on behalf of Holders, and shall intervene if requested in writing by the Controlling Person, the Majority Owner or the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding.

Section 7.4 Resignation; Successor Trustees.

(a) The Trustee and any successor Trustee may resign only upon giving sixty (60) days prior written notice to the City, the Borrower, the Controlling Person and each Holder of Bonds then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the City with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the Controlling Person may appoint a Trustee or the resigning Trustee may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security to the successor Trustee. The successor Trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the City, the Controlling Person and the Borrower.

(b) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, reorganization or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation.

Section 7.5 Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the City, the Controlling Person and the Borrower and signed by the Majority Owner. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument or concurrent instruments in writing delivered to the Trustee and the City and signed by the Controlling Person, with notice to the Borrower. Such removal shall take effect only upon the appointment of a successor Trustee by the City with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security in the same manner as provided in Section 7.4 hereof.

Section 7.6 Instruments of Holders.

(a) Any instrument required by this Indenture to be executed by Holders may be in any number of writings of similar tenor and may be executed by Holders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof; and

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

(b) The Trustee may rely on such an instrument of Holders unless and until the Trustee receives notice in the form specified in clauses (a) (i) or (ii) above that the original such instrument is no longer reliable. In the absence of direction from the Controlling Person, if the Trustee shall receive conflicting directions from two or more groups of Holders, each with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds shall be controlling and the Trustee shall follow such directions.

Section 7.7 Power to Appoint Co-Trustees.

(a) At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project Facilities may at the time be located, the City and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holders of a majority of the aggregate principal amount of the Bonds then Outstanding, the City shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper

to appoint one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Project Facilities, or to act as separate trustee or separate co-trustees of all or any part of the Project Facilities, and to vest in such person or persons, in such capacity, such title to the Project Facilities or any part thereof, and such rights, powers, duties, trusts or obligations as the City and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

(b) Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

(c) The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

(d) If the City shall not have joined in such appointment within thirty (30) days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

(e) The City shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

(f) Every co-trustee or separate trustee appointed pursuant to this Section 7.7, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(i) This Indenture shall become effective at the time the Bonds shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(iv) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee at any time, by an instrument in writing, with the concurrence of the City, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the

City. Upon the request of the Trustee, the City shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(vi) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(vii) Any moneys, papers, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(g) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the security interest in the Security and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

(h) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the security interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.4 hereof.

Section 7.8 Filing of Financing Statements. Unless directed otherwise in writing by the Controlling Person, the Trustee shall file or record or cause to be filed or recorded all Financing Statements that are required in order fully to protect and preserve the security interests and the priority thereof and the rights and powers of the Trustee in connection therewith, including without limitation all continuation statements for the purpose of continuing without lapse the effectiveness of (i) those Financing Statements which shall have been filed at or prior to the issuance of the Bonds in connection with the security for the Bonds pursuant to the authority of the U.C.C., and (ii) any previously filed continuation statements that shall have been filed as required herein. The Trustee shall also file the financing and continuation statements required under Section 3.2 of the Loan Agreement. The Borrower will pay all costs of filing the Financing Statements and all financing and continuation statements required hereunder and under Section 3.2 of the Loan Agreement.

Section 7.9 Mandatory Contracting Provisions. The Trustee covenants and agrees to comply with the City's mandatory contracting provisions set forth in Exhibit C to this Indenture, which is incorporated in and made a part of this Indenture by this reference

ARTICLE VIII AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures.

(a) The City and the Trustee, with the prior written consent of the Controlling Person, but without the consent of or notice to any Holders, may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holders for one or more of the following purposes:

(i) to grant to or confer upon the Trustee for the benefit of the Holders, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders or the Trustee;

(ii) to grant or pledge to the Trustee for the benefit of Holders, any additional security other than that granted or pledged under this Indenture;

(iii) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States;

(iv) to appoint a successor Trustee or co-trustees in the manner provided in Article VII hereof;

(v) to modify, amend or supplement this Indenture to permit a transfer of Bonds from one Securities Depository to another or the discontinuance of the Book-Entry System and issuance of replacement Bonds to the Beneficial Owners;

(vi) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not materially adversely affect the interest of the Holders; or

(vii) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on any Outstanding Tax-Exempt Bonds from gross income of the Holders thereof for federal income tax purposes.

(b) When requested by the City, and if all conditions precedent under this Indenture have been met, and there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such supplemental indenture is authorized or permitted by this Indenture and complies with its terms and will not adversely affect the excludability of interest on the Tax-Exempt Bonds from the gross income of the Holders thereof for federal income tax purposes, the Trustee will join the City in the execution of such supplemental indenture, but shall not be required to join the City in the execution of any such supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee cover any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower.

(c) The Trustee shall file copies of all such supplemental indentures with the Borrower. The Trustee shall cause notice of any supplemental indenture described above to be given by first-class mail, postage prepaid, to the Holders of the Outstanding Bonds then shown on the Register.

Section 8.2 Amendments to Indenture; Consent of Majority Owner, Holders, and Borrower.

(a) Exclusive of supplemental indentures covered by Section 8.1 hereof and subject to the terms and provisions contained in this Section 8.2 and not otherwise, anything contained in this Indenture to the contrary notwithstanding, no indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture shall be effective without delivery of a

Favorable Opinion of Bond Counsel, the written consent of the Majority Owner and execution and delivery by the Trustee (acting upon the direction of the Majority Owner) and the City; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the prior written consent of the Holders of all Outstanding Bonds, (i) an extension of the maturity of the principal of, or the optional, extraordinary or mandatory redemption date of, or interest on, any Bond, (ii) a reduction in the principal amount of or the rate of interest on, any Bond, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) the creation of a lien on the Security prior to the lien of this Indenture, or (v) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental indenture; provided further, however, that without the prior written consent of the Trustee, the Trustee shall not be required to join the City in the execution of any supplemental indenture unless it is reasonably compensated for additional obligations on the Trustee not initially contemplated and the indemnification rights of the Trustee covering any changes in the Trustee's rights and immunities under this Indenture or otherwise. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower. The giving of notice to and consent of the Holders to any such proposed supplemental indenture shall be obtained pursuant to Section 8.5 hereof.

(b) Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

Section 8.3 Amendments to the Loan Agreement or the Note Not Requiring Consent of Holders.

(a) The City shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement or the Note without the prior written consent of the Trustee, the Borrower and the Controlling Person. The City may, with the consent of the Controlling Person and a Favorable Opinion of Bond Counsel, but without the consent of or notice to any other Holders, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holders, (ii) to grant or pledge to the City or Trustee, for the benefit of the Holders any additional security, (iii) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on any Outstanding Tax-Exempt Bonds from gross income of the Holders thereof for federal income tax purposes, or (iv) in connection with any other change therein which, in the judgment of the Trustee acting in reliance upon an opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holders of the Bonds; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

(b) The City and the Borrower shall file copies of any such amendments to the Loan Agreement or the Note with the Trustee and the Controlling Person.

Section 8.4 Amendments to the Loan Agreement or the Note Requiring Consent of Holders. Except as provided in Section 8.3 hereof, the City shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement or the Note, nor shall any such modification or amendment become effective, without delivery of a Favorable Opinion of Bond Counsel and the prior written consent of the Majority Owner, such consent to be obtained in accordance with Section 8.5 hereof. No such amendment may, without the consent of the Holders of all the Outstanding Bonds, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement or the Note.

The City and the Borrower shall file copies of all such amendments to the Loan Agreement or the Note with the Trustee, the Controlling Person and the Majority Owner.

Section 8.5 Notice to and Consent of Holders. If consent of the Controlling Person, the Majority Owner or any other Holder is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid, to the Controlling Person, the Majority Owner or any other applicable Holder then shown on the Register. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by all Holders. If, within forty five (45) days or such longer period as shall be prescribed by the Trustee following the mailing of such notice, the Controlling Person, the Majority Owner or the Holders of all, as the case may be, of the principal amount of the Bonds Outstanding by instruments filed with the Trustee shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Holders shall thereby be conclusively presumed.

ARTICLE IX CONTROLLING PERSON; SERVICING

Section 9.1 Majority Owner to Appoint Controlling Person. The Majority Owner may engage a Person, collaterally assign some or all of its rights hereunder to a Person, or otherwise provide for a Person, at the Majority Owner's sole cost and expense, to act on behalf of the Majority Owner under the Bond Documents as the "Controlling Person". The Majority Owner may at any time and from time to time terminate or remove and replace any such Controlling Person. The Majority Owner shall give written notice to the Trustee, the City and the Borrower of its appointment, termination, removal or replacement of any Controlling Person, and the parties may rely on any such notice until any subsequent notice is given. Subject to any written agreement between the Controlling Person and Trustee, the Controlling Person may resign at any time by written notice to the Purchaser, the City, the Trustee and the Borrower. Initially, the Majority Owner has engaged Western Alliance Bank to act as the "Controlling Person" hereunder and Western Alliance Bank has accepted such engagement. The Majority Owner is under no obligation to appoint a Controlling Person; if at any time a Controlling Person has not been designated by the Majority Owner, all references to the "Controlling Person" herein and in the other Bond Documents shall refer to the Majority Owner. Any opinion or certificate provided for herein, in the Loan Agreement or in any other Bond Document that is directed to the Controlling Person shall also be directed to, and may be relied upon by, the Majority Owner. The Majority Owner will have no liability to the City, the Borrower, the Trustee or any other Person for any act or omission of the Controlling Person unless the Controlling Person is the Majority Owner or such act or omission was expressly approved by the Majority Owner in each particular case.

Section 9.3 Servicing.

(a) The Majority Owner has appointed the Controlling Person to be the servicer of the Loan and the Controlling Person has accepted such appointment. Satisfactory arrangements have previously been made for the payment of servicing fees and expenses in connection with the Controlling Person's servicing obligations hereunder, and the City, the Borrower, the Majority Owner and the Trustee have no obligation for such payments. Without limiting the foregoing, the Controlling Person shall have no right or claim to any transfer or assumption fees, late charges, acceleration premium or Default Interest payable under this Indenture or the Bond Documents; provided, however that, to the extent permitted under the Bond Documents, the Controlling Person shall be entitled to collect from the Borrower its normal and

customary incidental fees and charges for any requested review, approval or other action, including, without limitation, in connection with any proposed transfer, loan assumption, easement, subordinate financing, release of collateral, condemnation proceeding, non-disturbance agreement or other similar action, unless such review, approval or other action is performed solely by the Majority Owner.

(b) The Controlling Person shall be responsible for the performance of the following servicing duties:

(i) The Controlling Person shall perform the duties expressly given to the Controlling Person under the Bond Documents and this Indenture.

(ii) The Controlling Person shall prepare monthly bills to the Borrower in accordance with the Bond Documents for payments to the Trustee of principal and interest under the Loan and for deposits into the Tax and Insurance Escrow Fund and the Replacement Reserve Fund (but not the Trustee's Fee or the City's Fee). The Controlling Person shall notify the Borrower of the amount payable by the Borrower to the Trustee. Such notification may be delivered by electronic mail or by facsimile. The Controlling Person shall diligently attempt to collect all of the following, at the times they are due and payable under this Indenture and the Bond Documents, including without limitation Section 2.1(c) of the Loan Agreement:

- (1) The principal and interest due and payable on the Note;
- (2) The Trustee's Fee and City's Fee, as applicable;
- (3) Any monthly Replacement Reserve Fund deposit;
- (4) Any Monthly Tax and Insurance Amounts;
- (5) Any other escrow or reserve deposits required by this Indenture or Bond Documents;
- (6) Any assumption or transfer fee required by this Indenture or Bond Documents; and
- (7) Any acceleration premium.

(c) All payments received under this Indenture or Bond Documents shall be applied in the following order unless otherwise instructed by the Majority Owner or expressly set forth in this Indenture or the Bond Documents:

- (i) To the principal and interest due and payable on the Note;
- (ii) To the City's Fee and Trustee's Fee, as applicable;
- (iii) To the acceleration premium, if applicable;
- (iv) To required deposits to the Replacement Reserve Fund;
- (v) To required deposits in the Tax and Insurance Escrow Fund;
- (vi) To other escrow or reserve deposits required by this Indenture or the other Bond Documents;

(vii) To Default Interest and any late fees; and

(viii) To other amounts due under the Bond Documents.

(d) Any payment received by the Controlling Person from or on behalf of the Borrower under this Indenture or the Bond Documents shall be remitted by the Controlling Person to the Trustee no later than the second (2nd) Business Day after receipt by the Controlling Person, or sooner if so required under this Indenture or Bond Documents. The Controlling Person shall make any remittance to the Trustee by wire transfer in accordance with the instructions received from the Trustee or to any other party entitled to such remittances pursuant this Indenture or the Bond Documents in accordance with the instructions received from the Majority Owner.

(e) The Controlling Person shall review the Tax and Insurance Escrow Fund and the Replacement Reserve Fund on an annual basis and adjust required monthly escrow invoices and payment in accordance with the terms of the Bond Documents.

(f) Upon request of the Majority Owner, the Controlling Person shall furnish to the Majority Owner monthly account statements received from the Trustee with respect to the Accounts under this Indenture, including disbursements from the Accounts under this Indenture, loan history schedules, outstanding loan balances and escrow balances.

(g) The Controlling Person shall provide immediate written notice to the Majority Owner of any Event of Default of which it receives notice or has actual knowledge, or any event which, with the giving of notice or the passage of time, or both, would constitute any Event of Default of which it receives notice or has actual knowledge.

(h) The Controlling Person shall refer to the Trustee all Borrower requests for a quote of a payoff amount for the Loan, shall request a copy of any such quote from the Trustee, and shall notify the Majority Owner of the Borrower's request. The Controlling Person shall prepare payoff letters and delinquency and default notices when necessary, as required by the Bond Documents or this Indenture or otherwise as directed by the Majority Owner.

(i) The Controlling Person shall use its best efforts to obtain financial statements and other reports from the Borrower at the times and to the extent required under the Bond Documents and deliver the same to the Majority Owner and, if requested, to the Trustee.

(j) The Controlling Person shall obtain, and shall provide to the Majority Owner a copy of the Borrower's certificates of compliance with the Land Use Restriction Agreements or other evidence of such compliance submitted by the Borrower to the City or the City's designee within thirty (30) days after the later of (i) the date it is required to be submitted to the City or the City's designee, or (ii) the date it is actually so submitted.

(k) The Controlling Person may perform additional duties with respect to the Loan during rehabilitation of the Project Facilities or during the period following an Event of Default at the request of the Majority Owner.

(l) The Controlling Person consents to and directs the Trustee to enter into the Depository Agreement and to deposit the Accounts in the deposit accounts established pursuant to the Depository Agreement.

**ARTICLE X
MISCELLANEOUS**

Section 10.1 Right of Trustee to Pay Taxes and Other Charges. If any tax, assessment or governmental or other charge upon any part of the Project Facilities is not paid as required, the Trustee may, subject to any indemnity required pursuant to Section 7.1(h) hereof, pay such tax, assessment or governmental or other charge, without prejudice, however, to any rights of the Trustee hereunder arising in consequence of such failure; and any amount at any time so paid under this Section, with interest thereon from the date of payment until paid at the greater of the rate of interest borne by the Bonds or the per annum rate of interest announced from time to time by the bank serving as Trustee as its “prime rate” shall become so much additional indebtedness secured by this Indenture, shall be given a preference in payment over the Bonds, and shall be paid out of the Security.

Section 10.2 Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Holders, the Controlling Person and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained; this Indenture and all of the covenants, conditions and provisions herein being intended to be and being for the sole and exclusive benefit of the parties hereto, the Holders, the Controlling Person and the Borrower as herein provided.

Section 10.3 Severability. If any provision of this Indenture is held to be in conflict with any applicable statute or rule of law or is otherwise held to be unenforceable for any reason whatsoever, such circumstances shall not have the effect of rendering the other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatsoever. The invalidity of any one or more phrases, sentences, clauses or sections of this Indenture, shall not affect the remaining portions of this Indenture or any part thereof.

Section 10.4 Notices. Except as otherwise provided herein, all notices, approvals, consents, requests, and other communications hereunder shall be in writing and shall be deemed to have been given when the writing is delivered if given or delivered by hand, overnight delivery service or electronic mail (with receipt personally confirmed in writing by the intended recipient and not by machine-generated reply) to the address or e-mail address set forth below and shall be deemed to have been given on the date deposited in the mail, if mailed, by first-class, registered or certified mail, postage prepaid, addressed as set forth below. Section 10.5 Binding Effect. This instrument shall inure to the benefit of and shall be binding upon the City and the Trustee and their respective successors and assigns, subject, however, to the limitations contained in this Indenture.

Section 10.6 Captions. The captions or headings in this Indenture are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Indenture.

Section 10.7 Governing Law; Venue. This Indenture shall be governed by and interpreted in accordance with the laws of the State, without regard to conflict of laws principles. The parties hereby irrevocably (i) agree that any suit, action or other legal proceeding relating to the Bond Documents shall be brought solely in a federal or state court located in the City and (ii) waive any objection which it may have to the laying of venue of any such suit, action or proceeding in any such court and any claim that any such suit, action or proceeding has been brought in an inconvenient forum. The parties hereby irrevocably consent to the service of any and all process in any such suit, action or proceeding by mailing of copies of such process to such party at its address (including without limitation the addresses of such party's counsel)

provided under or pursuant to Section 10.1 hereof. The parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable legal requirements. All mailings under this Section shall be by certified or registered mail, return receipt requested. Nothing in this Section shall affect the right of the Controlling Person and the Majority Owner to serve legal process in any other manner permitted by applicable Legal Requirements.

Section 10.8 Limited Liability of City. Notwithstanding anything herein or in any other document, agreement or instrument to the contrary, the following provisions of this paragraph shall apply to the Indenture, the Loan Agreement, the Bonds, the Bond Documents and any other document, agreement or instrument securing the same. Any liability for payment of money and any other liability or obligation which the City may incur under the Bonds, this Indenture, the Loan Agreement, or any other Bond Document shall not constitute a general obligation of the City but shall constitute limited obligations of the City payable solely from and enforced only against the Security.

Section 10.9 Execution in Counterparts; Electronic Signatures. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. To the fullest extent permitted by applicable law and except for the certificate of authentication on the Bonds (which must be manually signed by an authorized representative of the Trustee) and instruments of transfer of the Bonds, facsimile or electronically transmitted signatures shall constitute original signatures for all purposes under this Indenture.

Section 10.10 Tax Covenants of the City. In furtherance of the exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds, the City hereby represents, warrants and agrees as follows:

(a) **Qualified Residential Rental Project Exempt Facility Bonds.** The City shall cause the Borrower to covenant to use or allocate the proceeds of the Tax-Exempt Bonds in a manner such that the Tax-Exempt Bonds will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.

(b) **Federal Guarantee Prohibition.** The City shall not take any action and shall cause the Borrower to covenant not to take any action or suffer to be taken any action if the result of the same would be to cause any of the Tax-Exempt Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) **Rebate Requirement.** The City shall cause the Borrower to covenant to take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Bonds.

(d) **No Arbitrage.** The City shall cause the Borrower to covenant not to take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Tax-Exempt Bonds would have caused the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(e) **Maintenance of Tax-Exemption.** The City shall take all actions within its control and shall cause the Borrower to covenant to take all actions necessary to assure the exclusion of interest on the Tax-Exempt Bonds from the gross income of the owners of the Tax-Exempt Bonds to the same extent as such

interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Tax-Exempt Bonds.

(f) Private Activity Volume Cap. The Tax-Exempt Bonds upon issuance and delivery shall be considered “private activity bonds” within the meaning of the Code with respect to which the California Debt Limit Allocation Committee has transferred a portion of the State of California’s private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Tax-Exempt Bonds.

(g) Limitation on Issuance Costs. The City covenants that, from the proceeds of the Tax-Exempt Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Tax-Exempt Bonds will be used for costs of issuance of the Tax-Exempt Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Tax-Exempt Bonds are retained as a discount on the purchase of the Tax-Exempt Bonds, such retention shall be deemed to be an expenditure of proceeds of the Tax-Exempt Bonds for said fees.

(h) Limitation of Expenditure of Proceeds. The City shall cause the Borrower to covenant that not less than 95 percent of the net proceeds of the Tax-Exempt Bonds (within the meaning of section 150(a)(3) of the Code) are paid for Qualified Project Costs.

(i) Limitation on Land. The City shall cause the Borrower to covenant that less than twenty-five percent (25%) of the proceeds of the Tax-Exempt Bonds shall be used, directly or indirectly, for the acquisition of land.

(j) Existing Facilities Limit. The City shall cause the Borrower to covenant that no proceeds of the Tax-Exempt Bonds shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with proceeds of the Tax-Exempt Bonds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Tax-Exempt Bonds.

(k) Certain Uses Prohibited. The City shall cause the Borrower to covenant that no proceeds of the Tax-Exempt Bonds shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Tax-Exempt Bonds shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(l) Income Targeting. The Issuer hereby elects to have the Project meet the requirements of section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units in the Project Facilities shall be occupied by persons or families whose Adjusted Income (as defined in the Land Use Restriction Agreement) is sixty percent (60%) or less of Median Income for the Area (as defined in the Land Use Restriction Agreement), adjusted for household size.

(m) Program Investment. The City shall cause the Borrower to covenant not to purchase, nor to permit any related party of the Borrower to purchase, the Tax-Exempt Bonds or any portion thereof in an amount related to the amount of the loan of the proceeds of the Tax-Exempt Bonds to the Borrower (the "Tax-Exempt Loan") or any other obligation acquired by the City in furtherance of the governmental program (the "Program") of the City to acquire investments to carry out the financing of qualified residential rental projects, being the governmental purposes of the Program. The City has not waived its right to treat the Tax-Exempt Loan or the Tax-Exempt Bonds as a "program investment" within the meaning of the Code.

(n) The City shall cause the Borrower to covenant that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Tax-Exempt Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

(o) Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of section 148 of the Code).

(p) Enforcement. The City shall use good faith efforts to enforce the covenants of the Borrower described in this Section 10.10 but shall not be liable hereunder for any breach of such covenants by the Borrower.

Section 10.11 Determinations by the City, the Majority Owner and Controlling Person.

Subject to specific provisions in this Indenture to the contrary, in any instance under this Indenture where the consent or approval of the City, the Controlling Person or the Majority Owner may be given or is required, or where any determination, judgment or decision is to be rendered by the City, the Controlling Person or the Majority Owner under this Indenture, the granting, withholding or denial of such consent or approval and the rendering of such determination, judgment or decision shall be made or exercised by the City, the Controlling Person or the Majority Owner (or its designated representative), as applicable, at its sole and absolute discretion. The Trustee may, and shall at the written direction of the Holders of all Outstanding Bonds, by separate instrument delegate, assign, transfer and set over unto a successor trustee acceptable to the City and the Controlling Person any or all of the rights, remedies, duties and obligations of the Trustee under this Indenture and the other Bond Documents, in which event such successor trustee shall have each of the rights, remedies, duties and obligations delegated to it as if specifically named herein and in the other Bond Documents, as applicable, and shall be entitled to act in its own name, but if necessary in the name and stead of the Trustee, to enforce each of the remedies provided to the Trustee hereunder or under the other Bond Documents. Any certification, acknowledgment, consent, approval, direction, determination, judgment or decision to be rendered by the City under this Indenture shall be made by an Authorized City Representative.

REGISTERED OWNER:

PRINCIPAL AMOUNT: _____ DOLLARS (\$ _____)

The City and County of San Francisco, California (the “City”), a municipal corporation organized and existing pursuant to its charter and the laws and the Constitution of the State of California, for value received, hereby promises to pay (but only out of the revenues and other assets pledged under the Indenture (hereinafter defined)) to the Registered Owner specified above or registered assigns (subject to any right of prior redemption), (A) on each Principal Payment Date and the Maturity Date specified above, the applicable portion of the Principal Amount specified above, and (B) interest thereon, at the Bond Coupon Rate (as defined in the Indenture), payable on the first Business Day of each month, commencing April 1, 2022 to the person whose name appears on the registration books on the day before such day (whether or not a Business Day) (a “Record Date”) and to pay any other amounts as specified in the Indenture (hereinafter defined).

Principal of, and premium, if any, on this Bond are payable in such coin or currency of the United States as at time of payment is legal tender for payment of private and public debts, at the designated payment office of U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), or its successor.

Interest on this Bond shall be computed on the basis of a 360-day year, comprised of twelve 30 day months.. Interest on this Bond shall be payable in such coin or currency of the United States as at time of payment is legal tender for payment of private and public debts, at the designated payment office of the Trustee or its successor.

If a Bondholder so elects, any payment due to such Bondholder shall be made by wire transfer of federal reserve funds to any account in the United States of America designated by such Bondholder if such Bondholder, at its expense, (a) so directs by written notice delivered to the Trustee at least ten (10) Business Days before the date upon which such wire transfer or other arrangement is to be made and (b) otherwise complies with the reasonable requirements of the Trustee.

This Bond is one of an issue of duly authorized City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-1 and City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-2 (Taxable), issued in the aggregate principal amount of \$47,833,736 (the “Bonds”), pursuant to the provisions of Section 9.107 of the Charter of the City, and Article I of Chapter 43 of the City’s

Administrative Code and, to the extent applicable, Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the California Health and Safety Code (collectively, the “Act”).

This is a draw-down Bond. The principal amount of this Bond as of any given date shall be equal to (i) the total amount of principal advanced by the Purchaser, less (ii) any payment of principal on the Bonds received by the Holders thereof. Principal amounts advanced by the Purchaser shall be noted on the recordkeeping system maintained by the Trustee.

The proceeds from the Bonds are to be used for the purpose of making a mortgage loan pursuant to a Loan Agreement, dated as of February 1, 2022 (as amended, modified or supplemented from time to time, the “Loan Agreement”), between the City and the Borrower, to finance the acquisition, rehabilitation and equipping of a multifamily residential facility located on five scattered sites in San Francisco, California, and known as “SFHA Scattered Sites” (the “Project Facilities”). The Borrower’s payment obligations under the Loan Agreement will be evidenced by the Note and secured by the Mortgage.

The Bonds are issued under and are equally and ratably secured by an Indenture of Trust, dated as of February 1, 2022 (as amended, modified or supplemented from time to time, the “Indenture”), between the City and the Trustee. All capitalized terms not defined herein shall have the meaning set forth in the Indenture.

Reference is hereby made to the Indenture and to all amendments and supplements thereto for a description of the property pledged and assigned to the Trustee and of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the City and the Trustee, the terms on which the Bonds are issued and secured, the manner in which interest is computed on this Bond, mandatory and optional redemption rights, acceleration, the rights of the Bondholders and the provisions for defeasance of such rights.

This Bond is subject to optional and mandatory redemption in whole or in part, on the dates, under the terms and conditions and at the redemption prices set forth in the Indenture, all of the provisions of which are, by this reference, incorporated into this Bond. Notice of redemption shall be given in the manner set forth in the Indenture.

NONE OF THE CITY, THE MEMBERS OF ITS BOARD OF SUPERVISORS, THE OFFICERS, OFFICIALS, EMPLOYEES, ATTORNEYS OR AGENTS OF THE CITY, OR ANY PERSON EXECUTING THE BONDS IS LIABLE PERSONALLY ON THE BONDS OR SUBJECT TO ANY PERSONAL LIABILITY OR ACCOUNTABILITY BY REASON OF THEIR ISSUANCE. THE BONDS ARE LIMITED OBLIGATIONS OF THE CITY, PAYABLE ONLY AS PROVIDED IN THE INDENTURE, AND ARE NOT A GENERAL OBLIGATION, NOR ARE THEY SECURED BY A PLEDGE OF THE FAITH AND CREDIT, OF THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF, AND NEITHER ARE THEY LIABLE ON THE BONDS, NOR ARE THE BONDS PAYABLE OUT OF ANY FUNDS OR PROPERTIES OTHER THAN THOSE OF THE CITY EXPRESSLY PLEDGED FOR THE PAYMENT THEREOF UNDER THE INDENTURE. THE BONDS DO NOT CONSTITUTE INDEBTEDNESS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION. THE ISSUANCE OF THE BONDS SHALL NOT DIRECTLY OR INDIRECTLY OR CONTINGENTLY OBLIGATE THE CITY OR THE STATE OF CALIFORNIA OR ANY POLITICAL SUBDIVISION THEREOF TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR OR TO MAKE ANY APPROPRIATION FOR THEIR PAYMENT. THE CITY HAS NO POWER TO LEVY ANY TAX OR MAKE ANY APPROPRIATION TO REPAY THE BONDS.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM OR INTEREST ON THIS BOND AGAINST ANY PAST, PRESENT OR FUTURE OFFICER, OFFICIAL, DIRECTOR, EMPLOYEE, ATTORNEY AGENT, OR MEMBER OF THE BOARD OF SUPERVISORS OF THE CITY, OR OF ANY SUCCESSOR THERETO, AS SUCH, EITHER DIRECTLY OR THROUGH THE CITY OR ANY SUCCESSOR TO THE CITY, UNDER ANY RULE OF LAW OR EQUITY, STATUTE OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, OFFICIALS, DIRECTORS, EMPLOYEES, AGENTS OR MEMBERS, AS SUCH, IS HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF, AND CONSIDERATION FOR, THE EXECUTION AND ISSUANCE OF THIS BOND.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

By its purchase of this Bond, the registered owner hereof agrees to the appointment of the Controlling Person as provided in the Indenture and authorizes the Controlling Person to exercise such rights and remedies afforded to the Controlling Person on behalf of the Bondholder as provided in the Bond Documents.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

This Bond may be exchanged, and its transfer may be effected, only by the registered owner hereof in person or by his attorney duly authorized in writing at the designated corporate trust office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture. Upon exchange or registration of such transfer a new registered bond or bonds of the same series, maturity and interest rate and of an Authorized Denomination or Authorized Denominations for the same aggregate principal amount will be issued in exchange therefor.

The City and the Trustee may deem and treat the person in whose name this Bond shall be registered on the bond register, as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the City nor the Trustee shall be affected by any notice to the contrary.

All acts, conditions and things required by the laws of the State to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

Neither the supervisors, officials, officers, agents, attorneys, employees or representatives of the City nor any person executing the Bonds shall be personally liable hereon or be subject to any personal liability by reason of the issuance hereof, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment or penalty, or otherwise, all such liability being expressly released and waived as a condition of and in consideration for the execution of the Indenture and the issuance of the Bonds.

This Bond shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until the Trustee shall have executed the Certificate of Authentication appearing hereon.

IT IS HEREBY CERTIFIED, RECITED AND REPRESENTED that the issuance of this Bond is duly authorized by law; that all acts, conditions and things required to exist and to be done precedent to and in the issuance of this Bond to render the same lawful and valid have been properly done and performed and have happened in regular and due time, form and manner as required by law; and that all acts, conditions and things necessary to be done or performed by the City or to have happened precedent to or in the execution and delivery of the Indenture have been done and performed and have happened in regular and due form as required by law.

IN WITNESS WHEREOF, the City has caused this Bond to be executed in its name by the manual or facsimile signature of its Mayor as of the Dated Date hereof.

Re: City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-1 and City and County of San Francisco, California, Multifamily Housing Revenue Bonds (SFHA Scattered Sites), Series 2022A-2 (Taxable)

The undersigned, as purchaser (the “Purchaser”) of [all][a portion in the amount of \$___ of] the above-referenced Bonds, issued pursuant to the Indenture of Trust dated as of February 1, 2022 (the “Indenture”) between the City and County of San Francisco, California (the “City”) and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), hereby represents that:

1. The Purchaser has authority to purchase the Bonds and to execute this letter and any other instruments and documents required to be executed by the Purchaser in connection with the purchase of the Bonds.

2. The Purchaser is a “qualified institutional buyer” (a “Qualified Institutional Buyer”) under Rule 144A of the Securities Act of 1933, as amended (the “1933 Act”), or an “accredited investor,” as defined in Regulation D under the 1933 Act, and, as such, is an Approved Buyer, as defined in the Indenture, and therefore has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.

3. The Bonds are being acquired by the Purchaser for its own account for investment purposes and not with a present view to or for resale thereof. The Purchaser understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible. Nothing in the prior sentences, however, shall limit the Purchaser’s right to sell and transfer the Bonds at any time subject to the terms of the Indenture.

4. Any disposition by the Purchaser at this time of all or any part of the Bonds shall be only to an institution or entity that is an Approved Buyer or that Purchaser reasonably believes is an Approved Buyer (or otherwise in accordance with the terms of paragraph 9 of this letter); provided, however, the Purchaser reserves the right to deposit such Bonds into a trust or custodial arrangement in which all of the beneficial ownership interests would be owned by one or more other Approved Buyers; it being understood and agreed that, under such circumstances, each such beneficial owner, in connection with its acquisition of an interest in such arrangement, would be required to represent to the relevant trustee or custodian that it was acquiring such interest for its own account and for investment purposes, and not with a present view to or for resale.

5. The Purchaser understands that the Bonds are not registered under the 1933 Act and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, (c) will not carry a rating from any rating service and (d) will be delivered in a form which may not be readily marketable. The Purchaser agrees that it will comply with any applicable state and federal securities laws then in effect with respect to any disposition of the Bonds by it, and further acknowledges that any current exemption from registration of the Bonds does not affect or diminish such requirements.

6. The Purchaser understands that (a) the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the State of California, the City, or any other political subdivision thereof and that the City has no taxing power to repay the Bonds, (b) the Bonds do not and will not represent or constitute a general obligation or a pledge of the faith and credit of the City, the State of California or any political subdivision thereof; and (c) the liability of the City with respect to the Bonds is limited to the Security as set forth in the Indenture.

7. The Purchaser acknowledges that to its knowledge it has either been supplied with or been given access to information, including financial statements and other financial information, to which a reasonable investor would attach significance in making investment decisions, and the Purchaser has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the Borrower, the Project Facilities and the Bonds and the security therefor so that, as a reasonable investor, the Purchaser has been able to make its decision to purchase the Bonds.

8. The Purchaser has made its own inquiry and analysis with respect to the Bonds and the security therefor, and other material factors affecting the security and payment of the Bonds. The Purchaser is aware that the business of the Borrower involves certain economic variables and risks that could adversely affect the security for the Bonds.

9. The Purchaser acknowledges that it has the right to sell and transfer the Bonds in Authorized Denominations: (i) to an Affiliate of the Purchaser; (ii) to an institution or entity it reasonably believes is an Approved Buyer and subject to the delivery to the Trustee of a purchaser’s letter from the transferee to the same effect as this Purchaser’s Letter, with no revisions except as may be approved in writing by the City; or (iv) by deposit into a trust or custodial arrangement as described in paragraph 4 of this letter.

10.
