14 Be it ordained by the People of the City and County of San Francisco:

15 Section 1. Background and Findings.

16 (a) The Board of Supervisors of the City and County of San Francisco (“City”) is
17 authorized to initiate the process to establish an enhanced infrastructure financing district
18 pursuant to California Government Code Sections 53398.50 et seq. (“EIFD Law”). An
19 enhanced infrastructure financing district (“EIFD”) is a legally constituted governmental entity
20 that may be established for the sole purpose of financing select public facilities or projects.

21 (b) On March 21, 2023, the Board of Supervisors adopted Resolution No. 133-23
22 (“Power Station Resolution of Intention”), which was signed by the Mayor on March 28, 2023,
23 declaring the City’s intention to establish the San Francisco Enhanced Infrastructure
24 Financing District No. 1 (Power Station) (“Power Station EIFD”) to finance public capital
25 facilities and projects related to the proposed development project known as the Potrero
Power Station Project. A copy of said resolution is on file with the Clerk of the Board of
Supervisors in Board File No. 230168.

1 (c) Ordinance No. 044-23, which was then passed by the Board of Supervisors on
2 April 4, 2023, and signed by the Mayor on April 7, 2023, added Article XLVIII to Chapter 5 of
3 the Administrative Code and established the Enhanced Infrastructure Financing District Public
4 Financing Authority No. 1 (“EIFD Public Financing Authority No. 1”) to act as the legislative
5 body of the Power Station EIFD. A copy of said ordinance is on file with the Clerk of the Board
6 of Supervisors in Board File No. 230160.

7 (d) Pursuant to Administrative Code Section 5.48-3(b), to the extent permitted under
8 applicable law, the EIFD Public Financing Authority No. 1 also may act as the legislative body
9 of other EIFDs formed in the City pursuant to the EIFD Law, on such terms and conditions as
10 the Board of Supervisors shall determine by ordinance and as otherwise set forth in the
11 proceedings establishing such infrastructure financing districts.

13 the EIFD Public Financing Authority No. 1 shall act as the legislative body of EIFDs.

LEGISLATIVE DIGEST

[Administrative Code – Enhanced Infrastructure Financing District Public Financing Authority No. 1]

Ordinance amending the Administrative Code to provide for Enhanced Infrastructure Financing District Public Financing Authority No. 1 to act as the governing body of multiple enhanced infrastructure financing districts.

Existing Law

Existing law (Article XLVIII of Chapter 5 of the Administrative Code) requires the formation of a public financing authority to act as the governing body for each enhanced infrastructure district formed by the City in accordance with the Enhanced Infrastructure Financing District Law (California Government Code Sections 53398.50 et seq., the “EIFD Law”).

Amendments to Current Law

The proposed Ordinance amends existing law to authorize Enhanced Infrastructure Financing District Public Financing Authority No. 1 (“PFA”) to act as the governing body for multiple districts formed by the City as the Board determines in the resolution of intention to establish an enhanced infrastructure financing district.

Background Information

An enhanced infrastructure financing district is a legal constituted district formed under the EIFD law for the sole purpose of financing select public facilities or project. Under the EIFD Law, a public financing authority is required to be established to serve as the governing body of the EIFD at the same time the City adopts a resolution of intention to establish an EIFD.

In connection with the formation of the San Francisco Enhanced Infrastructure Financing District No. 1 (Power Station) (“Power Station EIFD”) to finance public capital facilities and projects for the proposed Potrero Power Station Project, the Board of Supervisors established the Enhanced Infrastructure Financing District Public Financing Authority No. 1 to act as the legislative body of the Power Station EIFD. Under the City’s Administrative Code, to the extent permitted under applicable law, the EIFD Public Financing Authority No. 1 also may act as the legislative body of other EIFDs formed in the City pursuant to the EIFD Law, on such terms and conditions as the Board of Supervisors shall determine by ordinance and as otherwise set forth in the proceedings establishing such infrastructure financing districts.

ENHANCED INFRASTRUCTURE FINANCING DISTRICT (EIFD)

EIFD Summary

- EIFD is a state-authorized public financing tool that pledges incremental property taxes within a specific geographic area to fund public capital facilities related to the development in the district.
- Resolution of Intention (ROI) initiates the EIFD formation process.
- The Public Financing Authority (PFA) is the governing body of the EIFD and oversees drafting and implementation of Infrastructure Financing Plan (IFP).
- IFP comes back to the Board of Supervisors for final approval before EIFD formation, estimated Q1 2025.

Why an EIFD at Stonestown

- Like many projects, Stonestown is not currently financially feasible given today's economics, including construction costs and interest rates.
- Additionally, Stonestown has unique costs due to significant new infrastructure, replacement parking, and construction at an operating mall.
- EIFD harnesses net new tax revenue generated by the project to support the project's cost of infrastructure, which is otherwise difficult to finance.
- EIFD significantly improves the project's economics, resulting in a project that can commence construction of much needed housing and associated community benefits sooner into the City's economic recovery.

EIFD Policy Compliance

- ✓ Large scale project with significant rezoning, extensive need for infrastructure, and IFD funding necessary for feasibility.
- ✓ Project results in a net fiscal benefit to General Fund after tax increment diversion.
- ✓ 50% of tax increment allocated to EIFD, remainder continues to flow to City.
- ✓ In compliance with policy that IFD debt payments will not exceed 5% of annual property tax revenue.
- ✓ Subject to ten year “use it or lose it” clause.

PUBLIC FINANCING AUTHORITY (PFA)

Ordinance Amending PFA in Administrative Code

- EIFD law requires the Public Financing Authority (PFA) to be the legislative body overseeing the EIFD and responsible for reviewing and implementing the IFP.
- The Board approved the creation of the PFA in 2023 during the formation of the Power Station EIFD, and all members have been seated.
- This Ordinance amends the administrative code to allow the existing PFA to oversee future EIFDs, including for Stonestown, where designated by the Board in the Resolution of Intention.
