1 [General Obligation Bond Election - Healthy, Safe, and Vibrant San Francisco - Not to Exceed  
2 \$390,000,000]

3 **Ordinance calling and providing for a special election to be held in the City and County**  
4 **of San Francisco on Tuesday, November 5, 2024, for the purpose of submitting to**  
5 **San Francisco voters a proposition to incur bonded indebtedness of not-to-exceed**  
6 **\$390,000,000 to finance the acquisition or improvement of real property, including:**  
7 **facilities to deliver primary healthcare services, emergency medical services, skilled**  
8 **nursing services, and services for persons experiencing mental health challenges or**  
9 **persons with substance use disorders; acquire, improve, and seismically upgrade**  
10 **critical medical care and mental health facilities and emergency shelter facilities; and**  
11 **improvements for certain transportation, pedestrian, and street safety related capital**  
12 **improvements, streetscape enhancements and other public space improvements, and**  
13 **related costs necessary or convenient for each of the foregoing purposes; authorizing**  
14 **landlords to pass-through 50% of the resulting property tax increase, if any, to**  
15 **residential tenants under Administrative Code Chapter 37; providing for the levy and**  
16 **collection of taxes to pay both principal and interest on such Bonds; incorporating**  
17 **review of Bond expenditures under the provisions of the Administrative Code by the**  
18 **Citizens' General Obligation Bond Oversight Committee; setting certain procedures**  
19 **and requirements for the election; adopting findings under the California**  
20 **Environmental Quality Act; and finding that the proposed Bonds are in conformity with**  
21 **the General Plan, and with the eight priority policies of Planning Code, Section**  
22 **101.1(b).**

23 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.  
24 **Additions to Codes** are in *single-underline italics Times New Roman font*.  
25 **Deletions to Codes** are in *~~strikethrough italics Times New Roman font~~*.  
**Board amendment additions** are in double-underlined Arial font.  
**Board amendment deletions** are in ~~strikethrough Arial font~~.

**Asterisks (\* \* \* \*)** indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Findings.

A. According to the City and County of San Francisco ("City") Point-in-Time Count conducted in January 2022, there were 7,754 people estimated as experiencing homelessness in the City, 4,397 of whom were unsheltered, and over the course of an entire year, many more people experience homelessness.

B. The City, through its Department of Homelessness and Supportive Housing, currently offers temporary shelter to over 3,500 people per night through a variety of shelter programs including emergency shelter, navigation centers, cabins, safe parking, and transitional housing, but additional shelter beds are needed to meet the needs of unsheltered adults, young adults, and families.

C. The City administers local, state, and federal funded supportive housing to provide long-term affordable housing with on-site social services to people exiting chronic homelessness through a portfolio that includes Single Room Occupancy hotels, newly constructed units, scattered-site units and apartment buildings ("permanent supportive housing" or "PSH"), but the City does not have a sufficient supply of PSH units to meet the demand.

D. The City, through its Department of Public Health, provides healthcare services in a number of settings and through a number of different mechanisms including at existing facilities such as Zuckerberg San Francisco General Hospital and Trauma Center, Residential Care Facilities, community clinics, and through contracts with nonprofit service providers.

1           E.     When there is insufficient capacity at any one level of care or facility, longer wait  
2 times for services have a detrimental effect on the ability of people to heal and become  
3 healthier.

4           F.     Limited state and federal resources and the high cost of construction place a  
5 greater burden on local governments to contribute their own limited resources to produce  
6 more facilities or expand capacity at existing facilities to provide emergency medical services,  
7 preventive healthcare services, temporary shelter, and permanent supportive housing, but the  
8 City's financial resources have not kept pace with demand.

9           G.     The City is responsible for the state of good repair of more than 1,200 miles of  
10 streets, approximately 50,000 curb ramp locations, 371 street structures, and 9 plazas, which  
11 are heavily used and have longstanding deferred maintenance needs.

12          H.     Streets, curb ramps, street structures, and plazas connect people to jobs,  
13 hospitals, shopping centers, and transit -- places that are vital to daily life -- and providing  
14 smooth and pothole-free streets and pedestrian rights-of-way is essential to reducing the  
15 costs of road-induced damage, preventing accidents for bicyclists and drivers, and creating  
16 safe passage for pedestrians.

17          I.     City staff have identified projects to address public safety hazards and improve  
18 disabled access, and have identified street repaving, curb ramp, street structures, and plaza  
19 improvement programs to address public safety hazards, reduce the backlog of deferred  
20 maintenance, improve disabled access, and equitably improve the public right-of-way.

21          J.     Infrastructure improvements in the public right- of way that reduce traffic speed,  
22 improve visibility, and create protected spaces for active modes of transportation have been  
23 shown to decrease the number and severity of crashes for all roadway users. San Francisco  
24 has implemented design and data-driven engineering tools towards the City's Vision Zero  
25 goals, including over 13,000 traffic safety treatments. Of these, physical roadway

1 improvements have the greatest demonstrated impact. This Bond will provide critical funding  
2 for road safety measures to accelerate the City's Vision Zero goals.

3 K. Due to the high office vacancy rates after the COVID-19 pandemic, there has  
4 been a significant increase in retail vacancy and a significant decrease in sales tax revenue in  
5 the Union Square and downtown areas. This Bond will make capital improvements in and  
6 around the Union Square and downtown areas that are designed to improve the pedestrian  
7 experience as part of a complementary strategy to sustain and improve the downtown retail  
8 storefront economy.

9 L. Infrastructure investment is a known and tested jobs stimulus strategy with a  
10 strong multiplier effect, estimated at 5.93 jobs for every million dollars in construction  
11 spending according to the REMI Policy Insight model.

12 M. Since 2005, the City has engaged in regular, long-term capital planning to  
13 identify and advance shovel-ready projects that deliver improvements in line with adopted  
14 funding principles that prioritize legal and regulatory mandates, life safety and resilience,  
15 asset preservation and sustainability, programmatic and planned needs, and economic  
16 development.

17 N. City staff have identified needed capital improvements totaling \$390,000,000 in  
18 projects and programs relating to acquiring or improving real property, including to improve  
19 and make permanent investments in temporary shelters and/or facilities that provide  
20 preventive healthcare, emergency medical care, and behavioral health services; invest in  
21 critical repairs, renovations, and seismic upgrades at Zuckerberg San Francisco General  
22 Hospital and Trauma Center and Laguna Honda Hospital; and transportation, pedestrian, and  
23 street safety improvements, streetscape enhancements and other public space  
24 improvements (as further described in Section 3 below, and herein collectively referred to as  
25 the "Project").

1           O.     The proposed Healthy, Safe, and Vibrant San Francisco Bond ("Bond") will  
2 provide a portion of the critical funding necessary to finance the costs of the Project in the  
3 most cost-effective manner possible.

4           P.     The proposed Bond is recommended by the City's 10-year capital plan,  
5 approved each odd-numbered year by the Mayor of the City and this Board of Supervisors of  
6 the City ("Board").  
7

8           Section 2.     A special election is called and ordered to be held in the City on Tuesday,  
9 November 5, 2024, for the purpose of submitting to the electors of the City a proposition to  
10 incur bonded indebtedness of the City for the Project:

11           "HEALTHY, SAFE, AND VIBRANT SAN FRANCISCO BOND. \$390,000,000 to  
12 acquire, construct, or improve real property, including: temporary shelters, particularly for  
13 families; facilities that deliver healthcare services, including preventive care and behavioral  
14 health services, such as the Chinatown Public Health Center; critical repairs, renovations and  
15 seismic upgrades at Zuckerberg San Francisco General Hospital and Trauma Center and  
16 Laguna Honda Hospital; and pedestrian and street safety improvements, streetscape  
17 enhancements, and other public space improvements; and to pay related costs; with a  
18 duration of up to 30 years from the time of issuance, an estimated average tax rate of  
19 \$0.0069/\$100 of assessed property value, and projected average annual revenues of  
20 \$31,000,000, all subject to independent citizen oversight and regular audits; and authorizing  
21 landlords to pass-through to residential tenants in units subject to Administrative Code  
22 Chapter 37 ("Residential Rent Stabilization and Arbitration Ordinance") 50% of the increase, if  
23 any, in the real property taxes attributable to the cost of the repayment of such Bonds."

24           The special election called and ordered to be held hereby shall be referred to in this  
25 ordinance as the "Bond Special Election."

1           Section 3.    PROPOSED PROGRAM. Contractors and City departments shall  
2   comply with all applicable City laws when awarding contracts or performing work funded with  
3   the proceeds of Bonds authorized by this measure, including these projects:

4           A.       EXPANDING AND IMPROVING COMMUNITY HEALTH CENTERS TO  
5   DELIVER PREVENTIVE PRIMARY CARE SERVICES, BEHAVIORAL HEALTH SERVICES,  
6   SEXUAL HEALTH SERVICES, AND OTHER ANCILLARY HEALTHCARE SERVICES. Up to  
7   \$99,100,000 of bond proceeds will be allocated to acquire or improve real property, including  
8   but not limited to finance the construction, acquisition, development, improvement, expansion,  
9   and rehabilitation of community health centers, including up to \$71,100,000 to seismically  
10   retrofit and renovate the Chinatown Public Health Center and up to \$28,000,000 to acquire  
11   and improve real property for the relocation of the City Clinic.

12          B.       CRITICAL REPAIRS AND RENOVATIONS AT ZUCKERBERG SAN  
13   FRANCISCO GENERAL HOSPITAL AND TRAUMA CENTER AND LAGUNA HONDA  
14   HOSPITAL. Up to ~~\$56,000,000~~ 66,000,000 of bond proceeds will be used to make critical  
15   repairs and renovations to Zuckerberg San Francisco General Hospital and Trauma Center  
16   and Laguna Honda Hospital, including the repair of mechanical systems, fire control systems,  
17   and other deferred maintenance needs as well as real property improvements to hospital  
18   infrastructure required to meet new regulatory requirements to ensure the hospitals remain  
19   operational and in regulatory compliance.

20          C.       SEISMIC UPGRADES AT ZUCKERBERG SAN FRANCISCO GENERAL  
21   HOSPITAL AND TRAUMA CENTER TO ENSURE SAFETY. Up to \$40,000,000 of bond  
22   proceeds will be used to pay the costs of improvements at Building 3 at Zuckerberg San  
23   Francisco General Hospital and Trauma Center for seismic retrofits to provide 65,000 square  
24   feet of safe and secure working space.

1 D. STREET SAFETY IMPROVEMENTS. Up to ~~\$68,900,000~~ 63,900,000 of bond  
2 proceeds will be used to pay the cost of certain street safety projects Citywide, including  
3 projects on the High Injury Network, and making investments to improve pedestrian, bicycle,  
4 and traffic safety by repairing, constructing, and improving transportation infrastructure and  
5 equipment, including traffic signal upgrades, constructing and redesigning streets and  
6 sidewalks, and certain multimodal streetscape projects.

7 E. MODERN AND ACCESSIBLE PUBLIC REALM PROJECTS. Up to  
8 ~~\$46,000,000~~ 41,000,000 of bond proceeds will be used to improve and modernize public spaces  
9 in the downtown San Francisco areas, which could include areas near Powell and Market  
10 Streets, including accessibility improvements, and transit access and pedestrian experience  
11 enhancements; up to \$25,000,000 of bond proceeds will be used to improve accessibility,  
12 safety, and design at the Harvey Milk Plaza; and up to \$5,000,000 of bond proceeds will be  
13 used to rehabilitate and modernize park infrastructure and improve active recreational spaces.

14 F. NEW SHELTER SITES. Up to \$50,000,000 of bond proceeds will be used to  
15 pay the costs to acquire, construct, finance, or improve shelter or interim housing sites to  
16 reduce unsheltered homelessness, particularly for families.

17 G. CITIZENS' OVERSIGHT COMMITTEE. A portion of Bond proceeds shall be  
18 used to perform audits of Bond expenditures implied by or necessarily incident to the  
19 acquisition or improvement of real property for the Project, as further described in Section 4  
20 and Section 16 herein.

21  
22 Section 4. BOND ACCOUNTABILITY MEASURES.

23 The Bonds shall include the following administrative rules and principles:

24 A. OVERSIGHT. The proposed Bond funds shall be subject to approval processes  
25 and rules described in the San Francisco Charter and Administrative Code. Pursuant to

1 Administrative Code Section 5.31, the Citizens' General Obligation Bond Oversight  
2 Committee shall conduct an annual review of Bond spending, and shall provide an annual  
3 report of the Bond program to the Mayor and the Board.

4 B. TRANSPARENCY. The City shall create and maintain a web page outlining and  
5 describing the bond program, progress, and activity updates. Each of the City's Capital  
6 Planning Committee and the Citizens' General Obligation Oversight Committee shall also hold  
7 an annual public hearing and review on the bond program and its implementation.  
8

9 Section 5. The estimated cost of the bond-financed portion of the project described  
10 in Section 2 above was fixed by the Board by the following resolution and in the amount  
11 specified below:

12 Resolution No. \_\_\_\_\_, on file with the Clerk of the Board in

13 File No. 240498 \$390,000,000.

14 Such resolution was passed by two-thirds or more of the Board and approved by the Mayor.  
15 In such resolution it was recited and found by the Board that the sum of money specified is  
16 too great to be paid out of the ordinary annual income and revenue of the City in addition to  
17 the other annual expenses or other funds derived from taxes levied for those purposes and  
18 will require expenditures greater than the amount allowed by the annual tax levy.

19 The method and manner of payment of the estimated costs described in this ordinance  
20 are by the issuance of Bonds by the City not exceeding the principal amount specified.

21 Such estimate of costs as set forth in such resolution is adopted and determined to be  
22 the estimated cost of such bond-financed improvements and financing, respectively.  
23

24 Section 6. The Bond Special Election shall be held and conducted and the votes  
25 received and canvassed, and the returns made and the results ascertained, determined, and

1 declared as provided in this ordinance and in all particulars not recited in this ordinance such  
2 election shall be held according to the laws of the State of California ("State") and the Charter  
3 of the City ("Charter") and any regulations adopted under State law or the Charter, providing  
4 for and governing elections in the City, and the polls for such election shall be and remain  
5 open during the time required by such laws and regulations.

6  
7 Section 7. The Bond Special Election is consolidated with the General Election  
8 scheduled to be held in the City on Tuesday, November 5, 2024 ("General Election"). The  
9 voting precincts, polling places, and officers of election for the General Election are hereby  
10 adopted, established, designated, and named, respectively, as the voting precincts, polling  
11 places, and officers of election for the Bond Special Election called, and reference is made to  
12 the notice of election setting forth the voting precincts, polling places, and officers of election  
13 for the General Election by the Director of Elections to be published in the official newspaper  
14 of the City on the date required under the laws of the State.

15  
16 Section 8. The ballots to be used at the Bond Special Election shall be the ballots to  
17 be used at the General Election. The word limit for ballot propositions imposed by Municipal  
18 Elections Code Section 510 is waived. On the ballots to be used at the Bond Special  
19 Election, in addition to any other matter required by law to be printed thereon, shall appear the  
20 following as a separate proposition:

21 "HEALTHY, SAFE, AND VIBRANT SAN FRANCISCO BOND. To finance the  
22 acquisition or improvement of real property, including: temporary shelters, particularly for  
23 families; facilities that deliver healthcare services, including preventive care and behavioral  
24 health services, such as the Chinatown Public Health Center; critical repairs, renovations, and  
25 seismic upgrades at Zuckerberg San Francisco General Hospital and Trauma Center and

1 Laguna Honda Hospital; and pedestrian and street safety improvements, streetscape  
2 enhancements, and other public space improvements; and to pay related costs; shall the City  
3 and County of San Francisco issue \$390,000,000 in general obligation bonds with a duration  
4 of up to 30 years from the time of issuance, an estimated average tax rate of \$0.0069/\$100 of  
5 assessed property value, and projected average annual revenues of \$31,000,000, subject to  
6 independent citizen oversight and regular audits?"

7 The City's current debt management policy is to keep the property tax rate for City  
8 general obligation bonds below the 2006 rate by issuing new bonds as older ones are retired  
9 and the tax base grows, though this property tax rate may vary based on other factors.

10 Each voter to vote in favor of the foregoing bond proposition shall mark the ballot in the  
11 location corresponding to a "YES" vote for the proposition, and to vote against the proposition  
12 shall mark the ballot in the location corresponding to a "NO" vote for the proposition.  
13

14 Section 9. If at the Bond Special Election it shall appear that two-thirds of all the  
15 voters voting on the proposition voted in favor of and authorized the incurring of bonded  
16 indebtedness for the purposes set forth in such proposition, then such proposition shall have  
17 been accepted by the electors, and the Bonds authorized shall be issued upon the order of  
18 the Board. Such Bonds shall bear interest at a rate not exceeding that permitted by law.

19 The votes cast for and against the proposition shall be counted separately and when  
20 two-thirds of the qualified electors, voting on the proposition, vote in favor, the proposition  
21 shall be deemed adopted.  
22

23 Section 10. The actual expenditure of Bond proceeds provided for in this ordinance  
24 shall be net of financing costs.  
25

1           Section 11. For the purpose of paying the principal and interest on the Bonds, the  
2 Board shall, at the time of fixing the general tax levy and in the manner for such general tax  
3 levy provided, levy and collect annually each year until such Bonds are paid, or until there is a  
4 sum in the Treasury of the City, or other account held on behalf of the Treasurer of the City,  
5 set apart for that purpose to meet all sums coming due for the principal and interest on the  
6 Bonds, a tax sufficient to pay the annual interest on such Bonds as the same becomes due  
7 and also such part of the principal thereof as shall become due before the proceeds of a tax  
8 levied at the time for making the next general tax levy can be made available for the payment  
9 of such principal.

10  
11           Section 12. This ordinance shall be published in accordance with any State law  
12 requirements, and such publication shall constitute notice of the Bond Special Election and no  
13 other notice of the Bond Special Election hereby called need be given.

14  
15           Section 13. The Board, having reviewed the proposed legislation, makes the following  
16 findings in compliance with the California Environmental Quality Act ("CEQA"), California  
17 Public Resources Code, Sections 21000 et seq., the CEQA Guidelines, Title 14 of the  
18 California Code of Regulations, Sections 15000 et seq. ("CEQA Guidelines"), and San  
19 Francisco Administrative Code, Chapter 31. The Board finds, affirms, and declares:

20           A.     EXPANDING AND IMPROVING COMMUNITY HEALTH CENTERS TO  
21 DELIVER PREVENTIVE PRIMARY CARE SERVICES, BEHAVIORAL HEALTH SERVICES,  
22 SEXUAL HEALTH SERVICES, AND OTHER ANCILLARY HEALTHCARE SERVICES:

23                 (i)     The proposed funding for the Chinatown Public Health Center project was  
24 determined by the Planning Department to be exempt from CEQA as a Class 1 exemption for  
25 existing facilities pursuant to CEQA Guidelines Section 15301, as set forth in the Planning

1 Department's memorandum dated May 6, 2024 , which determination is on file with the Clerk  
2 of the Board of Supervisors in File No. 240497 ("Planning Department Memorandum") and is  
3 hereby affirmed and adopted by this Board for the reasons set forth in the Planning  
4 Department Memorandum.

5 (ii) The remaining portion of the proposed funding described in Section 3A of  
6 this ordinance is not an activity subject to CEQA because it would not result in a direct or  
7 indirect physical change in the environment pursuant to CEQA Section 21065 and CEQA  
8 Guidelines Section 15378 and is not a "project" as defined under CEQA Guidelines Sections  
9 15378(b)(4), as set forth in the Planning Department Memorandum, which determination is  
10 hereby affirmed and adopted by this Board for the reasons set forth in the Planning  
11 Department Memorandum.

12 B. CRITICAL REPAIRS AND RENOVATIONS AT ZUCKERBERG SAN  
13 FRANCISCO GENERAL HOSPITAL AND TRAUMA CENTER AND LAGUNA HONDA  
14 HOSPITAL: The proposed funding for critical repairs and renovations at Zuckerberg General  
15 Hospital and Trauma Center and Laguna Honda Hospital is not an activity subject to CEQA  
16 because it would not result in a direct or indirect physical change in the environment pursuant  
17 to CEQA Section 21065 and CEQA Guidelines Section 15378 and is not a "project" as  
18 defined under CEQA Guidelines Sections 15378(b)(4), as set forth in the Planning  
19 Department Memorandum, which determination is hereby affirmed and adopted by this Board  
20 for the reasons set forth in the Planning Department Memorandum.

21 C. SEISMIC UPGRADES AT ZUCKERBERG SAN FRANCISCO GENERAL  
22 HOSPITAL AND TRAUMA CENTER TO ENSURE SAFETY: The proposed funding for  
23 seismic upgrades at Zuckerberg General Hospital and Trauma Center Building 3 was  
24 determined by the Planning Department to be not a "project" as defined under CEQA Section  
25 21065 and CEQA Guidelines Sections 15378, as it is not an activity which may cause either a

1 direct physical change in the environment, or a reasonably foreseeable indirect physical  
2 change in the environment, and the scope of the project is consistent with San Francisco  
3 Planning's "Processing Guidance: Not a Project Under CEQA" memorandum dated  
4 September 18, 2013, as set forth in the Planning Department Memorandum, which  
5 determination is hereby affirmed and adopted by this Board for the reasons set forth in the  
6 Planning Department Memorandum.

7 D. STREET SAFETY IMPROVEMENTS: The proposed investments for street  
8 safety are not an activity subject to CEQA because they would not result in a direct or indirect  
9 physical change in the environment pursuant to CEQA Section 21065 and CEQA Guidelines  
10 Section 15378 and are not a "project" as defined under CEQA Guidelines Section  
11 15378(b)(4), as set forth in the Planning Department Memorandum, which determination is  
12 hereby affirmed and adopted by this Board for the reasons set forth in the Planning  
13 Department Memorandum.

14 E. MODERN AND ACCESSIBLE PUBLIC REALM PROJECTS:

15 (i) HARVEY MILK PLAZA: The proposed funding for Harvey Milk Plaza has  
16 been determined to be exempt from CEQA as a Class 2 exemption for replacement or  
17 reconstruction of existing structures and facilities pursuant to CEQA Guidelines Section  
18 15302, as set forth in the Planning Department Memorandum, which determination is hereby  
19 affirmed and adopted by this Board for the reasons set forth in the Planning Department  
20 Memorandum.

21 (ii) The remaining portion of the proposed funding described in Section 3E of  
22 this ordinance is not an activity subject to CEQA because it would not result in a direct or  
23 indirect physical change in the environment pursuant to CEQA Section 21065 and CEQA  
24 Guidelines Section 15378 and is not a "project" as defined under CEQA Guidelines Sections  
25 15378(b)(4), as set forth in the Planning Department Memorandum, which determination is

1 hereby affirmed and adopted by this Board for the reasons set forth in the Planning  
2 Department Memorandum.

3 F. NEW SHELTER SITES: The proposed funding for New Shelter Sites is not an  
4 activity subject to CEQA because it would not result in a direct or indirect physical change in  
5 the environment pursuant to CEQA Section 21065 and CEQA Guidelines Section 15378 and  
6 is not a "project" as defined under CEQA Guidelines Sections 15378(b)(4), as set forth in the  
7 Planning Department Memorandum, which determination is hereby affirmed and adopted by  
8 this Board for the reasons set forth in the Planning Department Memorandum.

9 G. CITIZENS' OVERSIGHT COMMITTEE: The proposed role of the Citizens'  
10 Oversight Committee is not an activity subject to CEQA because it would not result in a direct  
11 or indirect physical change in the environment pursuant to Guidelines Section 15060(c)(2) and  
12 is not a "project" as defined under CEQA Guidelines Section 15378(b)(4), as set forth in the  
13 Planning Department Memorandum, which determination is hereby affirmed and adopted by  
14 this Board for the reasons set forth in the Planning Department Memorandum.

15 H. Based on the whole record before the Board, there are no substantial project  
16 changes, no substantial changes in project circumstances, and no new information of  
17 substantial importance that would change the conclusions set forth in the exemption  
18 determinations by the Planning Department that, as described above, the proposed projects  
19 are exempt from environmental review.

20 I. For the portion of the proposed funding that does not constitute a project  
21 pursuant to CEQA, the use of bond proceeds to finance any specific project or portion of any  
22 specific project will be subject to approval of the applicable decision-making body at that time,  
23 upon completion of planning and any further required environmental review under CEQA.  
24  
25

1           Section 14. The Board finds and declares that the proposed Bonds (a) were referred  
2 to the Planning Department in accordance with Section 4.105 of the San Francisco Charter  
3 and Section 2A.53(f) of the Administrative Code, (b) are in conformity with the priority policies  
4 of Section 101.1(b) of the San Francisco Planning Code, and (c) are consistent with the City's  
5 General Plan, and adopts the findings of the Planning Department, as set forth in the General  
6 Plan Referral Report dated May 6, 2024, a copy of which is on file with the Clerk of the Board  
7 in File No. 240497 and incorporates such findings by this reference.

8  
9           Section 15. Under Section 53410 of the California Government Code, the Bonds shall  
10 be for the specific purposes authorized in this ordinance and the proceeds of such Bonds will  
11 be applied only for such specific purposes. The City will comply with the requirements of  
12 Sections 53410(c) and 53410(d) of the California Government Code.

13  
14           Section 16. CITIZENS' OVERSIGHT COMMITTEE. The Bonds are subject to, and  
15 incorporate by reference, the applicable provisions of Administrative Code Sections 5.30-5.36  
16 ("Citizens' General Obligation Bond Oversight Committee"). Under Administrative Code  
17 Section 5.31, to the extent permitted by law, 0.1% of the gross proceeds of the Bonds shall be  
18 deposited in a fund established by the Controller's Office and appropriated by the Board of  
19 Supervisors at the direction of the Citizens' General Obligation Bond Oversight Committee to  
20 cover the costs of such committee.

21  
22           Section 17. The time requirements specified in Administrative Code Section 2.34 are  
23 waived.

1           Section 18. The City hereby declares its official intent to reimburse prior expenditures  
2 of the City incurred or expected to be incurred prior to the issuance and sale of any series of  
3 the Bonds in connection with the Project. The Board hereby declares the City's intent to  
4 reimburse the City with the proceeds of the Bonds for expenditures with respect to the Project  
5 (the "Expenditures" and each, an "Expenditure") made on and after that date that is no more  
6 than 60 days prior to the passage of this Ordinance. The City reasonably expects on the date  
7 hereof that it will reimburse the Expenditures with the proceeds of the Bonds.

8           Each Expenditure was and will be either (a) of a type properly chargeable to a capital  
9 account under general federal income tax principles (determined in each case as of the date  
10 of the Expenditure), (b) a cost of issuance with respect to the Bonds, or (c) a nonrecurring  
11 item that is not customarily payable from current revenues. The maximum aggregate principal  
12 amount of the Bonds expected to be issued for the Project is \$390,000,000. The City shall  
13 make a reimbursement allocation, which is a written allocation by the City that evidences the  
14 City's use of proceeds of the applicable series of Bonds to reimburse an Expenditure, no later  
15 than 18 months after the later of the date on which the Expenditure is paid or the related  
16 portion of the Project is placed in service or abandoned, but in no event more than three years  
17 after the date on which the Expenditure is paid. The City recognizes that exceptions are  
18 available for certain "preliminary expenditures," costs of issuance, certain de minimis  
19 amounts, expenditures by "small issuers" (based on the year of issuance and not the year of  
20 expenditure) and Expenditures for construction projects of at least five years.

21  
22           Section 19. Landlords may pass through to residential tenants under the Residential  
23 Rent Stabilization and Arbitration Ordinance (Administrative Code Chapter 37) 50% of any  
24 property tax increase, if any, that may result from the issuance of Bonds authorized by this  
25

1 ordinance. The City may enact ordinances authorizing tenants to seek waivers from the pass-  
2 through based on financial hardship.

3  
4 Section 20. The appropriate officers, employees, representatives, and agents of the  
5 City are hereby authorized and directed to do everything necessary or desirable to accomplish  
6 the calling and holding of the Bond Special Election, and to otherwise carry out the provisions  
7 of this ordinance.

8  
9 Section 21. Documents referenced in this ordinance are on file with the Clerk of the  
10 Board of Supervisors in File No. 240497, which is hereby declared to be a part of this  
11 ordinance as if set forth fully herein.

**REVISED LEGISLATIVE DIGEST**  
(Amended in Committee, 6/26/2024)

[Healthy, Safe, and Vibrant San Francisco General Obligation Bond Election]

**Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, November 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not-to-exceed \$390,000,000 to finance the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, and services for persons experiencing mental health challenges or persons with substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities and emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements and other public space improvements, and related costs necessary or convenient for the respective foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating review of Bond expenditures under the provisions of the Administrative Code by the Citizens' General Obligation Bond Oversight Committee; setting certain procedures and requirements for the election; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

Existing Law

This is new legislation.

Background Information

The proposed Ordinance calls for a general obligation bond election to be held on November 5, 2024. The general obligation bonds are authorized in an amount up to \$390,000,000 for the acquisition or improvement of real property.

If the measure passes, proceeds of the bonds will be used as provided below:

- **Expanding and Improving Community Health Centers to Deliver Preventive Primary Care Services, Behavioral Health Services, Sexual Health Services, and other Ancillary Healthcare Services.** Up to \$99,100,000 of bond proceeds will be used for the construction, acquisition, development, improvement, expansion, and rehabilitation of community health centers,

including up to \$71,100,000 to seismically retrofit and renovate the Chinatown Public Health Center and up to \$28,000,000 to acquire and improve real property for the relocation of the City Clinic for facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, and services for persons experiencing mental health challenges or persons with substance use disorders.

- **Critical Repairs and Renovations at Zuckerberg San Francisco General Hospital and Trauma Center and Laguna Honda Hospital.** Up to ~~\$56,000,000~~66,000,000 of bond proceeds will be used to make critical repairs and renovations to Zuckerberg San Francisco General Hospital and Trauma Center and Laguna Honda Hospital, including the repair of mechanical systems, fire control systems, and other deferred maintenance needs for hospital infrastructure required to meet new regulatory requirements to ensure the hospitals remain operational and in regulatory compliance.
- **Seismic Upgrades at Zuckerberg San Francisco General Hospital and Trauma Center to Ensure Safety.** Up to \$40,000,000 of bond proceeds will be used for the improvements at Building 3 at Zuckerberg San Francisco General Hospital and Trauma consisting of seismic retrofits to provide 65,000 square feet of safe and secure working space.
- **Street Safety Improvements.** Up to ~~\$68,900,000~~63,900,000 of bond proceeds will be used to pay the cost of certain street safety projects Citywide, including projects on the High Injury Network, and making investments to improve pedestrian, bicycle, and traffic safety by repairing, constructing, and improving transportation infrastructure and equipment, including traffic signal upgrades, constructing and redesigning streets and sidewalks, and certain multimodal streetscape projects.
- **New Sites.** Up to \$50,000,000 of bond proceeds will be used to pay the costs to acquire, construct, finance, or improve shelter or interim housing sites to reduce unsheltered homelessness, particularly for families.
- **Modern and Accessible Public Realm Improvement Projects.** Up to ~~\$46,000,000~~41,000,000 of bond proceeds will be used to improve and modernize public spaces in the downtown San Francisco areas, which could include areas near Powell and Market Streets, including accessibility improvements, and transit access and pedestrian experience enhancements; up to \$25,000,000 of bond proceeds will be used to improve accessibility, safety, and design at the Harvey Milk Plaza; and up to \$5,000,000 of bond proceeds will be used to rehabilitate and modernize park infrastructure and improve active recreational spaces.

The proposed ballot measure must be approved by two-thirds of all the voters voting on the measure to pass.

The bond measure contains transparency measures. If passed the proposed bond funds will be subject to oversight of the Citizen's General Obligation Bond Oversight Committee. In addition, the City will create and maintain a web page describing the bond program, progress, and activity updates.

The City will also hold an annual public hearing and reviews on the bond program and its implementation before the Capital Planning Committee and the Citizen's General Obligation Bond Oversight Committee.

(2) Work with Work with the City Administrator and Chief Resilience Officer and Director to develop and approve a resolution to amend the FY 2024-2033 Capital Plan. (3) Request City Departments to report on operating cost impacts of capital projects when requesting Board approval of issuances from the proposed bond authorization. (4) Request City Departments report to the Board of Supervisors the criteria on how projects will be prioritized for bond funding, either at a Budget &amp; Finance meeting or in a letter to be included in the legislative files for these items.</p>	

**MANDATE STATEMENT**

City Administrative Code Section 2.34 requires that a resolution determining the public interest and necessity for the acquisition, construction or completion of any municipal improvement funded by property taxes be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal will be submitted to the voters. Approval of such resolutions requires a 2/3 vote by the Board of Supervisors.

City Charter Section 9.106 states that the Board of Supervisors is authorized to provide for the issuance of general obligation bonds in accordance with the Constitution of the State of California. There shall be a limit on outstanding general obligation bond indebtedness of three percent of the assessed value of all taxable real and personal property, located within the City and County.

According to Article 16, Section 18(a) of the State of California Constitution, no county, city, town, township, board of education, or school district, shall incur any indebtedness or liability for any purpose exceeding in any year the income and revenue provided for such year, without the approval of two-thirds of the voters of the public entity voting at an election to be held for that purpose.

**BACKGROUND**

The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing and was approved by the Board of Supervisors in May 2023 (File 23-0265). The schedule shows a \$340 million general obligation bond for Affordable Housing & Shelters in March 2024, a \$320 million Public Health & Shelters general obligation bond in November 2024, and a \$300 million Transportation general obligation bond in November 2026.

In November 2023, the Board of Supervisors approved legislation to add a \$300 million Affordable Housing general obligation bond to the March 2024 ballot (Files 23-0971, 23-0972), which was approved by voters. The \$300 million Affordable Housing bond spending plan did not include a shelter component, as originally intended in the ten-year capital plan.

In May 2024, the Controller's Office revised its general obligation bond model to incorporate more recent assessed valuations, recent bond sales, and the \$300 million bond approved by voters in March 2024. The analysis determined that the City had an additional \$30 million in general obligation bond debt capacity relative to the City's debt management policies.

The proposed \$390 Healthy, Safe, and Vibrant San Francisco general obligation bond is higher than the \$320 million amount in the FY 2024 – 2033 Ten Year Capital Plan because it includes the \$40 million originally planned for the March 2024 general obligation bond and the additional \$30 million in bond capacity identified by the Controller's Office. It includes funding for public health facilities, homeless shelters, and street improvement projects – elements that were originally planned for the March 2024, November 2024, and November 2026 general obligation bonds.

**DETAILS OF PROPOSED LEGISLATION**

**File 24-0497:** is an ordinance that would provide for a special election on November 5, 2024, to request voter approval for a \$390 million general obligation bond to fund six programs listed below. The ordinance was amended at the June 26, 2024 Budget & Finance meeting to provide funding for the following capital programs, as shown below:

- (1) \$99.1 million for community health centers,
- (2) \$66 million for General Hospital and Laguna Honda repair projects,
- (3) \$40 million for seismic upgrades at General Hospital,
- (4) \$63.9 million for street safety improvements,
- (5) \$71 million for public space improvements
- (6) \$50 million for homeless shelters.

**File 24-0498:** is a resolution that would determine and declare that the public interest and necessity demand acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, services for persons experiencing mental health challenges, and persons experiencing substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities; emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety-related capital improvements, streetscape enhancements, and other public space improvements

The proposed legislation would also:

- Find that the estimated cost of \$390 million for such proposed projects will be too great to be paid out of the ordinary annual income and revenue of the City and will require expenditures greater than the amount allowed by the annual tax levy;
- Find that the bond proposal is not subject to review under the California Environmental Quality Act (CEQA);
- Find that the proposed bonds are in conformity with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b);
- Waive the time requirements for approving the resolution specified in Administrative Code Section 2.34;
- Authorize landlords to pass-through 50 percent of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; and,
- Declare the City's intention to use bond proceeds to reimburse capital expenses incurred prior to the issuance of the proposed bonds.

Proposed uses of the bond proceeds are shown in Exhibit 1 below, including projects that have been identified in the bond report associated with this request and projects that could be funded within each program.

### Exhibit 1: Uses of Bond Funds

Project	Amount	Potential Projects
Community Health Centers (DPH)	\$99,100,000	Chinatown Public Health Center renovation, new site for City Clinic (both confirmed)
General Hospital Seismic Upgrades (DPH)	\$40,000,000	Building 3 retrofit (confirmed)
Critical Repairs at General Hospital and Laguna Honda (DPH)	\$66,000,000	Replacing windows, HVAC systems, plumbing and waste systems, power systems
Homeless Shelters (HSH)	\$50,000,000	Renovate seismically unsafe existing homeless shelters and/or acquire new shelter sites
Street Safety & Repaving (MTA, DPW)	\$63,900,000	Sloat Boulevard improvements, other street projects to improve traffic flow, pedestrian and bicycle safety and accessibility, traffic signal upgrades, and street repaving.
Public Space Improvements (DPW, REC, MTA)	\$71,000,000	Harvey Milk Plaza (confirmed), Powell Street enhancements, Hallidie Plaza improvements, and potentially others.

Sources: File 24-0497, 24-0498, 2024 Healthy, Safe and Vibrant San Francisco Bond Report

Approval of the proposed \$390 general obligation bond would require approval by at least two-thirds of San Francisco voters. All issuances of the bonds and appropriations of the bond fund proceeds would be subject to Board of Supervisors approval. At that time, CEQA review and approval of the specific projects may be required, and the project costs would be identified.

## FISCAL IMPACT

### Debt Service

According to Vishal Trivedi, Financial Analyst in the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 7.0 percent over approximately 20 years, with estimated total debt service payments of \$737 million, including approximately \$347 million in interest and \$390 million in principal. Because the bonds will be sold in tranches, the Office of Public Finance estimates average annual debt service payments of \$31 million.

**Property Taxes**

Property tax revenue would be used to secure and pay for the proposed debt service. According to the Office of Public Finance, the average property tax rate for the proposed bonds would be \$6.90 per \$100,000 of assessed valuation, half of which could be passed through to tenants.

**Debt Limit**

According to the Controller's Office of Public Finance, the proposed bonds are consistent with the City's current debt management policy to maintain the property tax rate for City general obligation bonds below the FY 2005-06 rate of \$0.12 per \$100 of assessed value and is also consistent with the City Charter limit for outstanding general obligation bond indebtedness to stay below three percent of assessed property values.

**POLICY CONSIDERATION****Capital Planning Process is Not Functioning as Legislatively Intended***Amending the Capital Plan*

Administrative Code Section 3.20 states that the Mayor and Board of Supervisors should approve a ten-year capital by May 1 of each odd-numbered year and that the Mayor and Board may update the plan as appropriate. The Board approved the current ten-year capital plan in May 2023 (File 23-0265). However, as noted above in the Background Section of this report, the general obligation bond schedule for March 2024 and November 2024 is different than what is in the plan. The Board tacitly approved a change to the plan by placing a \$300 million rather than a \$340 million bond on the March 2024 ballot. However, it has not taken formal action to amend the capital plan to reflect that change or the increase in the proposed November 2024 bond from \$320 million to \$390 million.

In the past, consistent with Administrative Code 3.20, the Board has passed resolutions to memorialize changes to the ten-year capital plan. For example, in 2020, the Board of Supervisors approved a resolution amending the FY 2020-2029 Capital Plan to reflect changes to three bonds, including changing the \$183.5 million 2020 Parks and Open Space bond to a \$438.5 million Health and Recovery bond (File 20-0487). The Board of Supervisors should consider a similar action to reflect changes to the FY 2024-2033 capital plan. Such a resolution could be introduced by the City Administrator or by the Board of Supervisors.

*Operating Costs Associated with Capital Projects*

Administrative Code 3.20 also requires that the capital plan include a summary of operating costs resulting from capital investments. However, such estimates are typically not available until projects are fully designed and therefore not included in the ten-year capital plan. City Departments should prepare estimates of operating cost impacts when they request Board of Supervisors' approval of bond sales, which occur closer to the construction phase of capital projects.

The proposed bond may fund an expansion of the City's capital assets that adds operations costs. For example, this proposed bond includes \$50 million for shelter, which could be used to renovate existing sites or to acquire new sites for shelter. Operating costs for shelter are \$70,000 - \$90,000 per bed, so an expansion of the City's shelter capacity will create new ongoing costs. Similarly, changes to streets and public space may require additional permanent staff and maintenance spending. Operating costs may decrease as well, such as replacing old building systems with more efficient ones.

### **List of Projects to Be Funded Not Yet Final**

Because most projects that will be funded by the proposed bonds are still in the design phase and do not have environmental approval, we do not know the full set of projects that will be funded by the proposed bonds.<sup>1</sup> We also note the potential list of projects includes work to address life safety and less urgent work to beautify public space.

When departments return to the Board for approval of bond sales, the projects to be funded should be known. In the meantime, we recommend that the departments requesting approval of bond funding provide the Board of Supervisors with the criteria on how projects will be prioritized for bond funding, either at the June 26, 2024, Budget & Finance meeting or in a letter to be included in the legislative files for these items.

At the June 26, 2024 Budget & Finance meeting, the Chief Resilience Officer and Director, Brian Strong, agree with the above recommendations.

## **RECOMMENDATIONS**

1. Approve the proposed resolution and ordinance.
2. Work with the City Administrator and Chief Resilience Officer and Director to develop and approve a resolution to amend the FY 2024-2033 Capital Plan.
3. Request the Departments of Public Works, Public Health, Municipal Transportation Agency, Homelessness & Supportive Housing, Recreation and Parks to report on operating cost impacts of capital projects when requesting Board approval of issuances from the proposed bond authorization.
4. Request the Departments of Public Works, Public Health, Municipal Transportation Agency, Homelessness & Supportive Housing, Recreation and Parks to report to the Board of Supervisors the criteria for how projects will be prioritized for bond funding, either at a meeting or in a letter to be included in the legislative files for these items.

---

<sup>1</sup> Per the bond report in the legislative file for these items, the following projects are confirmed for bond funding, up to the following amounts: \$71.1 million for Chinatown Public Health Center, \$28 million for a new building for City Clinic, \$25 million for Harvey Milk plaza, and \$40 million for General Hospital, Building 3.

<b>Item 5 &amp; 6</b> <b>Files 24-0497, 24-0498</b>	<b>Department:</b> Public Works, Public Health, Municipal Transportation Agency, Homelessness & Supportive Housing, Recreation and Parks, City Administrator, Controller

(4) Work with Work with the City Administrator and Chief Resilience Officer and Director to develop and approve a resolution to amend the FY 2024-2033 Capital Plan. (5) Request City Departments to report on operating cost impacts of capital projects when requesting Board approval of issuances from the proposed bond authorization. (6) Request City Departments report to the Board of Supervisors the criteria on how projects will be prioritized for bond funding, either at the June 26, 2024 Budget &amp; Finance meeting or in a letter to be included in the legislative files for these items.</p>	

**MANDATE STATEMENT**

City Administrative Code Section 2.34 requires that a resolution determining the public interest and necessity for the acquisition, construction or completion of any municipal improvement funded by property taxes be adopted by the Board of Supervisors not less than 141 days before the election at which such proposal will be submitted to the voters. Approval of such resolutions requires a 2/3 vote by the Board of Supervisors.

City Charter Section 9.106 states that the Board of Supervisors is authorized to provide for the issuance of general obligation bonds in accordance with the Constitution of the State of California. There shall be a limit on outstanding general obligation bond indebtedness of three percent of the assessed value of all taxable real and personal property, located within the City and County.

According to Article 16, Section 18(a) of the State of California Constitution, no county, city, town, township, board of education, or school district, shall incur any indebtedness or liability for any purpose exceeding in any year the income and revenue provided for such year, without the approval of two-thirds of the voters of the public entity voting at an election to be held for that purpose.

**BACKGROUND**

The FY 2024-2033 Capital Plan includes a schedule of planned debt and other capital financing and was approved by the Board of Supervisors in May 2023 (File 23-0265). The schedule shows a \$340 million general obligation bond for Affordable Housing & Shelters in March 2024, a \$320 million Public Health & Shelters general obligation bond in November 2024, and a \$300 million Transportation general obligation bond in November 2026.

In November 2023, the Board of Supervisors approved legislation to add a \$300 million Affordable Housing general obligation bond to the March 2024 ballot (Files 23-0971, 23-0972), which was approved by voters. The \$300 million Affordable Housing bond spending plan did not include a shelter component, as originally intended in the ten-year capital plan.

In May 2024, the Controller's Office revised its general obligation bond model to incorporate more recent assessed valuations, recent bond sales, and the \$300 million bond approved by voters in March 2024. The analysis determined that the City had an additional \$30 million in general obligation bond debt capacity relative to the City's debt management policies.

The proposed \$390 Healthy, Safe, and Vibrant San Francisco general obligation bond is higher than the \$320 million amount in the FY 2024 – 2033 Ten Year Capital Plan because it includes the \$40 million originally planned for the March 2024 general obligation bond and the additional \$30 million in bond capacity identified by the Controller's Office. It includes funding for public health facilities, homeless shelters, and street improvement projects – elements that were originally planned for the March 2024, November 2024, and November 2026 general obligation bonds.

## DETAILS OF PROPOSED LEGISLATION

**File 24-0497:** is an ordinance that would provide for a special election on November 5, 2024, to request voter approval for a \$390 million general obligation bond to fund six programs listed below.

- (1) \$99.1 million for community health centers,
- (2) \$56 million for General Hospital and Laguna Honda repair projects,
- (3) \$40 million for seismic upgrades at General Hospital,
- (4) \$68.9 million for street safety improvements,
- (5) \$76 million for public space improvements
- (6) \$50 million for homeless shelters.

The program amounts listed above are taken from bond report included in the legislative file. However, the proposed ordinance appears to have an error on page 7, which states that \$46 million will be allocated to public space improvements, rather than the \$76 million stated in the bond report. We recommend this language, which will be submitted to voters, be amended to reflect the \$76 million bond spending plan.

**File 24-0498:** is a resolution that would determine and declare that the public interest and necessity demand acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, services for persons experiencing mental health challenges, and persons experiencing substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities; emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety-related capital improvements, streetscape enhancements, and other public space improvements

The proposed legislation would also:

- Find that the estimated cost of \$390 million for such proposed projects will be too great to be paid out of the ordinary annual income and revenue of the City and will require expenditures greater than the amount allowed by the annual tax levy;
- Find that the bond proposal is not subject to review under the California Environmental Quality Act (CEQA);
- Find that the proposed bonds are in conformity with the General Plan, and the eight priority policies of Planning Code, Section 101.1(b);
- Waive the time requirements for approving the resolution specified in Administrative Code Section 2.34;
- Authorize landlords to pass-through 50 percent of the resulting property tax increase to residential tenants under Administrative Code, Chapter 37; and,

- Declare the City's intention to use bond proceeds to reimburse capital expenses incurred prior to the issuance of the proposed bonds.

Proposed uses of the bond proceeds are shown in Exhibit 1 below, including projects that have been identified in the bond report associated with this request and projects that could be funded within each program.

### Exhibit 1: Uses of Bond Funds

Project	Amount	Potential Projects
Community Health Centers (DPH)	\$99,100,000	Chinatown Public Health Center renovation, new site for City Clinic (both confirmed)
General Hospital Seismic Upgrades (DPH)	\$40,000,000	Building 3 retrofit (confirmed)
Critical Repairs at General Hospital and Laguna Honda (DPH)	\$56,000,000	Replacing windows, HVAC systems, plumbing and waste systems, power systems
Homeless Shelters (HSH)	\$50,000,000	Renovate seismically unsafe existing homeless shelters and/or acquire new shelter sites
Street Safety & Repaving (MTA, DPW)	\$68,900,000	Sloat Boulevard improvements, other street projects to improve traffic flow, pedestrian and bicycle safety and accessibility, traffic signal upgrades, and street repaving.
Public Space Improvements (DPW, REC, MTA)	\$76,000,000	Harvey Milk Plaza (confirmed), Powell Street enhancements, Hallidie Plaza improvements, and potentially others.

Sources: File 24-0497, 24-0498, 2024 Healthy, Safe and Vibrant San Francisco Bond Report

Approval of the proposed \$390 general obligation bond would require approval by at least two-thirds of San Francisco voters. All issuances of the bonds and appropriations of the bond fund proceeds would be subject to Board of Supervisors approval. At that time, CEQA review and approval of the specific projects may be required, and the project costs would be identified.

## FISCAL IMPACT

### Debt Service

According to Vishal Trivedi, Financial Analyst in the Office of Public Finance, the proposed bonds are projected to have an annual interest rate of 7.0 percent over approximately 20 years, with estimated total debt service payments of \$737 million, including approximately \$347 million in interest and \$390 million in principal. Because the bonds will be sold in tranches, the Office of Public Finance estimates average annual debt service payments of \$31 million.

**Property Taxes**

Property tax revenue would be used to secure and pay for the proposed debt service. According to the Office of Public Finance, the average property tax rate for the proposed bonds would be \$6.90 per \$100,000 of assessed valuation, half of which could be passed through to tenants.

**Debt Limit**

According to the Controller's Office of Public Finance, the proposed bonds are consistent with the City's current debt management policy to maintain the property tax rate for City general obligation bonds below the FY 2005-06 rate of \$0.12 per \$100 of assessed value and is also consistent with the City Charter limit for outstanding general obligation bond indebtedness to stay below three percent of assessed property values.

**POLICY CONSIDERATION****Capital Planning Process is Not Functioning as Legislatively Intended***Amending the Capital Plan*

Administrative Code Section 3.20 states that the Mayor and Board of Supervisors should approve a ten-year capital by May 1 of each odd-numbered year and that the Mayor and Board may update the plan as appropriate. The Board approved the current ten-year capital plan in May 2023 (File 23-0265). However, as noted above in the Background Section of this report, the general obligation bond schedule for March 2024 and November 2024 is different than what is in the plan. The Board tacitly approved a change to the plan by placing a \$300 million rather than a \$340 million bond on the March 2024 ballot. However, it has not taken formal action to amend the capital plan to reflect that change or the increase in the proposed November 2024 bond from \$320 million to \$390 million.

In the past, consistent with Administrative Code 3.20, the Board has passed resolutions to memorialize changes to the ten-year capital plan. For example, in 2020, the Board of Supervisors approved a resolution amending the FY 2020-2029 Capital Plan to reflect changes to three bonds, including changing the \$183.5 million 2020 Parks and Open Space bond to a \$438.5 million Health and Recovery bond (File 20-0487). The Board of Supervisors should consider a similar action to reflect changes to the FY 2024-2033 capital plan. Such a resolution could be introduced by the City Administrator or by the Board of Supervisors.

*Operating Costs Associated with Capital Projects*

Administrative Code 3.20 also requires that the capital plan include a summary of operating costs resulting from capital investments. However, such estimates are typically not available until projects are fully designed and therefore not included in the ten-year capital plan. City Departments should prepare estimates of operating cost impacts when they request Board of Supervisors' approval of bond sales, which occur closer to the construction phase of capital projects.

The proposed bond may fund an expansion of the City's capital assets that adds operations costs. For example, this proposed bond includes \$50 million for shelter, which could be used to renovate existing sites or to acquire new sites for shelter. Operating costs for shelter are \$70,000 - \$90,000 per bed, so an expansion of the City's shelter capacity will create new ongoing costs. Similarly, changes to streets and public space may require additional permanent staff and maintenance spending. Operating costs may decrease as well, such as replacing old building systems with more efficient ones.

### **List of Projects to Be Funded Not Yet Final**

Because most projects that will be funded by the proposed bonds are still in the design phase and do not have environmental approval, we do not know the full set of projects that will be funded by the proposed bonds.<sup>1</sup> We also note the potential list of projects includes work to address life safety and less urgent work to beautify public space.

When departments return to the Board for approval of bond sales, the projects to be funded should be known. In the meantime, we recommend that the departments requesting approval of bond funding provide the Board of Supervisors with the criteria on how projects will be prioritized for bond funding, either at the June 26, 2024, Budget & Finance meeting or in a letter to be included in the legislative files for these items.

## **RECOMMENDATIONS**

1. Approve the proposed resolution (File 24-0498).
2. Amend the proposed ordinance (File 24-0497) to correctly state the amount of bond funding for public realm improvement projects: replace \$46 million with \$76 million on page 7, 8.
3. Approve File 24-0497, as amended.
4. Work with the City Administrator and Chief Resilience Officer and Director to develop and approve a resolution to amend the FY 2024-2033 Capital Plan.
5. Request the Departments of Public Works, Public Health, Municipal Transportation Agency, Homelessness & Supportive Housing, Recreation and Parks to report on operating cost impacts of capital projects when requesting Board approval of issuances from the proposed bond authorization.
6. Request the Departments of Public Works, Public Health, Municipal Transportation Agency, Homelessness & Supportive Housing, Recreation and Parks to report to the Board of Supervisors the criteria for how projects will be prioritized for bond funding, either at the

---

<sup>1</sup> Per the bond report in the legislative file for these items, the following projects are confirmed for bond funding, up to the following amounts: \$71.1 million for Chinatown Public Health Center, \$28 million for a new building for City Clinic, \$25 million for Harvey Milk plaza, and \$40 million for General Hospital, Building 3.

June 26, 2024 Budget & Finance meeting or in a letter to be included in the legislative files for these items.

Member, Board of Supervisors  
District 1

City and County of San Francisco

第一區市參事

June 7, 2024

London N. Breed  
Mayor  
1 Dr. Carlton B. Goodlett Place  
City Hall, room 200  
San Francisco, CA 94102s

Dear Mayor London N. Breed:

On May 14, 2024, you introduced a \$390 General Obligation Bond for the General Election scheduled for November 5, 2024. I am concerned about elements of this bond proposal that are a departure from the [City's Ten-Year Capital Expenditure Plan](#) approved by the Budget and Appropriations Committee on May 3, 2023 and adopted by the Board of Supervisors on May 9, 2023, and signed by you on May 19 of the very same year.

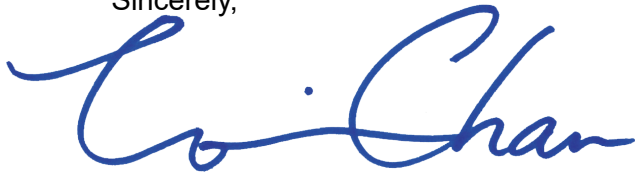

The 2023 Capital Plan focuses on the critical needs of the City's Public Health capital improvements recognizing that, if these facilities are neglected, it will have an outsized detrimental impact on the health and well-being of San Franciscans. As elected leaders, if we have learned any important lesson from the pandemic, it is that our public health systems and infrastructure are paramount to keeping our City safe and healthy and saving lives. San Franciscans, especially those who are most vulnerable, will suffer great consequences if we allow capital repairs and renovations to go unaddressed. We must invest in our public health facilities as they are essential to a healthy, safe, and vibrant San Francisco.

We know based on the 2023 proposed and approved capital plan, Chinatown Public Health Center Seismic Retrofit, Silver Avenue Family Health Center Renovation, SF General Hospital Building 3 Retrofit and Renovation, City Clinic Relocation, Critical Infrastructure Repairs for both Laguna Honda Hospital and General Hospital should be high-priority public health bond projects in 2024. The City ought to consider the emerging public health projects such as a childcare center at General Hospital, General Hospital Campus Security Enhancements, and other aging infrastructure projects addressing long outstanding needs at neighborhood clinics. I am pleased to hear your support for these important projects and look forward to working with your administration on how we can fund these priorities and, if possible, to be included in this bond. These are all essential public health infrastructures that deliver vital health care to San Francisco residents.

With the inclusion of \$68.9 million for street improvements in this \$390 million General Obligation Bond, including \$30 million for public plaza and parks improvements. These may reflect important infrastructure needs but they are not critical public health safety needs. As we discussed, I would be happy to work with the administration to identify and secure funding sources for these projects as well, including the recently approved Proposition L in 2022, our sales tax renewal that will bring the City \$2.6 billion worth of transit and street safety improvements; or the state's SB 1 and Federal's Infrastructure Investment and Jobs Act can also provide public dollars to support these proposed street improvement projects; Certificates of Participation; or other federal and state funding sources.

We must prioritize the health and safety of San Franciscans and those who provide them care. I ask that you prioritize the City's bond dollars and capital investments in public health projects.

Sincerely,

Connie Chan  
Chair, Budget Committee  
Supervisor, District 1

# 2024 Healthy, Safe and Vibrant San Francisco

GENERAL OBLIGATION BOND

# 2024 Health, Safe & Vibrant SF | Goals

## Expand & Strengthen Public Health

Invest resources to ensure safe, resilient, and accessible public health infrastructure.

## Support Homeless Families

Dedicate funding to address the increasing need for family housing and shelter.

## Deliver Street Safety

Improve street and sidewalk design and improve street infrastructure.

## Improve Community Spaces

Make improvements to civic spaces to provide welcoming gathering spaces for the public.

# 2024 Healthy, Safe & Vibrant SF | Proposed Allocations

Category	Example Projects	Proposed Allocation
<b>Expand and Strengthen Public Health</b>	Chinatown Public Health Center; City Clinic; ZSFG Building 3; Critical Repairs and Renovations at LHH & ZSFG	\$205.1M
<b>Support Homeless Families</b>	Flexible funding for shelter infrastructure to address homelessness	\$50M
<b>Deliver Street Safety</b>	Pedestrian & roadway safety, streetscape enhancements (e.g. Sloat Blvd. and other high injury corridors)	\$63.9M
<b>Improve Community Spaces</b>	Improved accessibility & design for public spaces (e.g. downtown, Harvey Milk Plaza, active recreation)	\$71M
<b>Total</b>		<b>\$390M</b>

# Expand and Strengthen Public Health: \$205.1 Million

**Chinatown Public Health Center Renovation** **\$71,100,000**

**City Clinic Relocation** **\$28,000,000**

**ZSFG Building 3 Retrofit** **\$40,000,000**

**ZSFG & LHH Critical Repairs & Renovations** **\$66,000,000**

# | Delivery of Quality Care Through Past Funding

Remodel and  
seismic retrofit:  
**Maxine Hall  
Health Center**

Reopened:  
October 2021

Remodel and  
seismic retrofit:  
**Castro-Mission  
Health Center**

Reopened:  
August 2022

Construction of  
new building:  
**Southeast Family  
Health Center**

Opened:  
July 2022

Construction of  
new building:  
**Maria X Martinez  
Health Resource  
Center**

Opened:  
September 2022

The 2024 Healthy, Safe and Vibrant San Francisco Bond will not raise property tax rates.

# CHINATOWN PUBLIC HEALTH CENTER – Request: \$71,100,000

## **Structural Enhancement:**

Renovations ensure a safer environment, reducing seismic vulnerability—

**The Network's only Seismic Hazard Rating 4 clinic**

## **Consolidate & Integrate Mental Health:**

Co-locating Chinatown Child Development Center in CPHC will streamline access to mental health services and help CCDC move out of leased space

**CCDC served 270 children last year in addition to children served through SFUSD outreach; co-locating will expand reach**

## **Expand & Improve Services:**

The project will expand primary care, mental health, and dental services, accommodating more patients in a more modern setting

**Renovation adds 1 exam room and 1 dental chair**

## **Culturally Responsive Care:**

Renovation enables more and better services in languages reflective of the community's diversity

**Majority of CPHC and CCDC patients are primarily Chinese-speaking**

## **Shovel-Ready Project:**

Thanks to Critical Project Development Funds, construction can start immediately

# CITY CLINIC – Request: \$28,000,000

## Efficiency, Modernization, and Reliability:

Relocating City Clinic will provide the team a modern space that meets clinic needs and allows the team to reliably serve patients

**In 2024, City Clinic had to close to patients for 2 weeks due to failing mechanical systems in the converted firehouse where they serve patients**

## Improved Quality of Care:

Relocation will allow City Clinic to expand consultation and patient interview rooms

**Providers counsel patients in cramped rooms without adequate cooling and the clinic lacks consultation rooms that fit the equipment required to treat patients**

## Increased Lab Efficiency and Reliability:

Moving will allow City Clinic to expand their lab space

**Current lab is in a cramped room with inadequate temperature control compromising its ability to operate efficiently and reliably**

# ZSFG & LHH CRITICAL REPAIRS & RENOVATIONS – Request: \$66,000,000

Funding will help ZSFG and LHH complete projects that are most critical to safety, regulatory compliance and certification

If projects are delayed, costs will increase

## Essential Infrastructure Renewal:

Urgent repairs are needed for aging infrastructure at ZSFG and LHH campuses to sustain critical patient services and remain operational and in regulatory compliance.

## Safety Imperatives:

Current level of disrepair poses safety concerns for hospital patients, visitors, and staff

## Compliance and Certification:

Many projects are critical to maintaining licensing, certification, and staying in regulatory compliance

**If disrepair is cited by regulatory bodies, hospitals risk suspending critical services**

## Financial Sustainability and Escalating Costs:

Leveraging bond dollars for these major projects reduces request in Pay-As-You-Go General Fund programs. In addition, cost and consequences of deferred maintenance will increase over time

**For example, if ZSFG Building 5 fire alarms fail before they are replaced, ZSFG will pay over \$6M/year in fire watch services in addition to cost of replacement**

# ZSFG BUILDING 3 RETROFIT– Request: \$40,000,000

- Increasing seismically safe space at ZSFG will help ensure continuity of hospital services in the aftermath of an earthquake
- This project will add 65,000 sq ft of additional seismically safe useable space at ZSFG

## Enhancing Safety Measures:

Retrofitting Building 3 aligns with DPH and City priorities to mitigate earthquake risks for employees and patients

**This retrofit will strengthen a key public health resource against risk of partial or total collapse during a major earthquake**

## Expanded Seismic Safety:

Renovation will introduce 65,000 sq. ft. of additional seismically safe workspace to the ZSFG campus

**This retrofit is part of DPH's Safe Building Program, which is increasing seismically safe square footage across the department.**

## Relocating Essential Employees:

With additional secure space, ZSFG can efficiently relocate employees from structurally vulnerable buildings to ensure their safety

**Ensuring employee safety during a major earthquake ensures ZSFG can continue to operate in the aftermath**

# ADULT & EMERGENCY SHELTER – Request \$50,000,000

## **Deliver Family and Adult Emergency Shelter:**

Funding will allow HSH to acquire, construct, renovate, or finance through private loans to developers, family and adult emergency shelters

**Demand for family shelter beds has increased and now exceeds pre-pandemic levels**

## **Reduce Racial Inequities:**

San Francisco's homeless population is overrepresented by Black, indigenous, and people of color. Additional funding will allow the City to better serve these disproportionately affected groups

**38% of unhoused residents are Black, African American, or African, and 30% of unhoused residents are Hispanic/Latinx, despite only representing 6% and 16%, respectively, of San Francisco's population**

# Deliver Street Safety: \$63.9 Million

---

## Street Safety Priorities:

---

## Pedestrian & Bicycle Safety Improvements

---

## Traffic Signal Infrastructure Improvements

---

## Streetscape Improvements

---

# PEDESTRIAN & BICYCLE SAFETY

## Support a Transit-First City:

San Francisco is a walkable city, and even when using public transit, every transit trip begins and ends with a walk

**Modernizing street design to account for the needs of bicyclists and pedestrians, including people with disabilities, will ensure all people can travel safely**

## Supporting Local Businesses and Building Community:

Streets in good condition create a safer and more inviting environment for everyone.

**Safer streets increase opportunities for people to congregate in community areas, access local shops, and feel safe in their neighborhoods.**

Photo: Walk SF

# TRAFFIC SIGNAL INFRASTRUCTURE IMPROVEMENTS

## Support a Transit-First City:

Reliability of public transit is one of the most important factors influencing a person's decision to use public transit

**This bond will invest in improvements to reduce traffic bottlenecks and keep traffic moving on main thoroughfares, improving transit reliability**

## Prioritize Improving San Francisco's High Injury Network:

The City's High Injury Network flags streets where most serious traffic injuries occur

**Improvements, such as modernizing traffic signal infrastructure and enhancing safety at pedestrian crossings can reduce injuries on these high-priority streets**

## Advance Equity:

Streets in historically disadvantaged communities are twice as likely to be on the High Injury Network

**Improving High Injury Network streets advances equitable access to safe transportation options**

# STREETSCAPE IMPROVEMENTS

## Coordinated Infrastructure Upgrades:

Improve resiliency of public infrastructure by leveraging street improvements with utility upgrades

**Minimize disruption to residents and businesses by timing projects to dig-once policy**

## Neighborhood Beautification and Greening:

Support the City's economic recovery and climate action initiatives through ecological project elements, including street trees, landscaping and stormwater gardens

**Designing streets to include elements that provide traffic calming, improve drainage to reduce flooding, and improve pedestrian visibility.**

## Street Resurfacing and Expanded Accessibility:

Create safer streets through strategic paving and provide expanded curb ramp ADA compliance in the High Injury Network as part of larger street safety improvement projects

**Improving and maintaining City streets and curb ramps improves safety and accessibility**

# Improve Community Spaces: \$71 Million

**Harvey Milk Plaza**

**\$25,000,000**

**Downtown Improvements**

**\$41,000,000**

**Modernizing Recreational Spaces**

**\$5,000,000**

# HARVEY MILK PLAZA

## Improve Plaza Accessibility:

This project will add elevator access to Harvey Milk Plaza in addition to improving streets and paths in the plaza's vicinity

**Funding will expand accessibility to this important transit hub**

---

## Honor Harvey Milk's Legacy:

In addition to accessibility improvements, this bond will fund memorial elements to honor Harvey Milk's legacy in San Francisco

**This renovation will create a welcoming public gathering space to serve as a new, iconic gateway to the historic Castro neighborhood that honors Harvey Milk**

# DOWNTOWN IMPROVEMENTS

## Revitalize Downtown San Francisco:

There has been a significant increase in office vacancy rates after the COVID-19 pandemic, reducing sales tax revenue that funds critical City services

**Improvements in and around Union Square and other downtown areas aim to increase foot traffic and improve the downtown retail storefront economy**

---

## Improve the Pedestrian Experience:

Investments could include improvements in the public right of way near Powell & Market, and improvements to accessibility and connections between transit and the downtown area

**An example of potential improvements could be accessibility improvements to Hallidie Plaza, which has insufficient elevator access**

# MODERNIZING RECREATIONAL SPACES

## Enhance the Visitor Experience:

Investing in public open spaces will allow for more recreational programming for events

**These improvements will help create a vibrant, welcoming place for residents and visitors and will increase economic activity in the city**

---

## Improve Safety and Accessibility:

Modernizing recreational spaces also means making them safe and accessible for more people

**Improvements to recreational spaces could include improved lighting to help people feel safe in their parks, while paving paths to expand park accessibility**

Thank you.

**OFFICE OF THE CONTROLLER**  
**CITY AND COUNTY OF SAN FRANCISCO**

Greg Wagner  
Controller

Todd Rydstrom  
Deputy Controller

Ms. Angela Calvillo  
Clerk of the Board of Supervisors  
1 Dr. Carlton B. Goodlett Place Room 244  
San Francisco, CA 94102-4689

June 20, 2024

RE: File 240497 – Ordinance Authorizing \$390 Million General Obligation Bond Issuance for Healthy, Safe, and Vibrant San Francisco

Dear Ms. Calvillo,

Should the proposed \$390 million in bonds be authorized and sold under current assumptions, the approximate costs will be as follows:

- a) In Fiscal Year (FY) 2025-2026, following issuance of the first series of bonds, the best estimate of the tax required to fund this bond issue would result in a property tax rate of \$0.0040 per \$100 (\$4.00 per \$100,000) of assessed valuation.
- b) In FY 2029-2030, the year with the highest estimated tax rate following the issuance of the last series of bonds, the best estimate of the tax required to fund this bond issue would result in a property tax rate of \$0.0101 per \$100 (\$10.10 per \$100,000) of assessed valuation.
- c) The best estimate of the average tax rate for these bonds over the entire projected duration of the bond debt service from FY 2025-2026 through FY 2046-2047 is \$0.0069 per \$100 (\$6.90 per \$100,000) of assessed valuation.
- d) Based on these estimates, the highest estimated annual property tax cost for these bonds for the owner of a home with an assessed value of \$700,000 would be approximately \$70.00.

The best estimate of total debt service, including principal and interest, that would be required to be repaid if all proposed \$390 million in bonds are issued and sold, would be approximately \$737 million. These estimates are based on projections only, which are not binding upon the City. Projections and estimates may vary due to the timing of bond sales, the amount of bonds sold at each sale, and actual assessed valuation over the term of repayment of the bonds. Hence, the actual tax rate and the years in which such rates are applicable may vary from those estimated above. The City's current non-binding debt management policy is to keep the property tax rate for City general obligation bonds below the 2006 rate by issuing new bonds as older ones are retired and the tax base grows, though this property tax rate may vary based on other factors.

Sincerely,

*Natasha Mihal*

# 2024 Healthy, Safe and Vibrant San Francisco

GENERAL OBLIGATION BOND

## MEMORANDUM

May 6, 2024

**To:** Members of the Board of Supervisors  
**From:** Carmen Chu, City Administrator & Capital Planning Committee Chair   
**Copy:** Angela Calvillo, Clerk of the Board  
Capital Planning Committee  
**Regarding:** (1) 2016 Public Health & Safety Bond Interest (2) FY25 & FY26 General Fund Department Capital Budget (3) 2024 Healthy, Safe, and Vibrant San Francisco General Obligation (G.O.) Bond

---

In accordance with Section 3.21 of the Administrative Code, on May 6, 2024, the Capital Planning Committee (CPC) approved the following action items to be considered by the Board of Supervisors. The CPC's recommendations are set forth below.

**1. Board File Number: TBD**

**Approval of the appropriation of interest funds from the 2016 Public Health & Safety Bond interest in an aggregate amount not to exceed \$14,040,442**

CPC Recommendation:

The CPC recommends approval this appropriation.

Comments:

The CPC approves this item by a vote of 11-0. These items will be incorporated into the proposed FY25 budget.

Committee members or representatives in favor:

Carmen Chu, City Administrator; Public Works, Bruce Robertson; Aaron Peskin, Board President; Greg Wagner, Controller; Ann Duning, Mayor's Budget Director; Bree Mawhorter, SFMTA; Stephen Robinson, Public Utilities Commission; Rich Hillis, Director, Planning; Elaine Forbes, Executive Director, Port of San Francisco; Stacy Bradley, Recreation and Parks; Ivar Satero, Director, San Francisco International Airport.

**2. Board File Number: TBD**

**Approval of the FY25 & FY26 General Fund Department budget (including Certificates of**

**Participation) in an aggregate amount not to exceed \$310 million**

CPC Recommendation:

The CPC recommends approval of this capital budget as amended by the Mayor's Budget Office to reduce the Department of Technology's Fiber to Housing allocation to \$500,000 in FY25 and \$300,000 in FY26. If the Mayor's Budget Office determines that revenues cannot support this \$310 million budget, CPC also recommends an alternative scenario in an aggregate amount of \$280 million.

Comments:

The CPC approves this item by a vote of 10-0.

Committee members or representatives in favor:

Carmen Chu, City Administrator; Public Works, Bruce Robertson; Greg Wagner, Controller; Ann Duning, Mayor's Budget Director; Bree Mawhorter, SFMTA; Stephen Robinson, Public Utilities Commission; Rich Hillis, Director, Planning; Elaine Forbes, Executive Director, Port of San Francisco; Stacy Bradley, Recreation and Parks; Ivar Satero, Director, San Francisco International Airport.

Abstained:

Aaron Peskin, Board President

**3. Board File Number: TBD**

**Approval of the 2024 Healthy, Safe, and Vibrant San Francisco General Obligation Bond not to exceed \$390 million**

CPC Recommendation:

The CPC recommends approval of this G.O. Bond.

Comments:

The CPC approves this item by a vote of 10-0. This item will come back to CPC for further review and approval of additional projects proposed for funding through the bond as they are identified.

Committee members or representatives in favor:

Carmen Chu, City Administrator; Public Works, Bruce Robertson; Greg Wagner, Controller; Ann Duning, Mayor's Budget Director; Bree Mawhorter, SFMTA; Stephen Robinson, Public Utilities Commission; Rich Hillis, Director, Planning; Elaine Forbes, Executive Director, Port of San Francisco; Stacy Bradley, Recreation and Parks; Ivar Satero, Director, San Francisco International Airport.

Abstained:

Aaron Peskin, Board President

Office of Resilience and Capital Planning | May 6, 2024

# CPC AGENDA

## General Fund Dept Capital Budget

### Action Item

- Approve the FY25 & FY26 Proposed General Fund Dept Capital Budget for recommendation to Board of Supervisors;
- Approve the recommended FY25 Certificates of Participation for Streets & Critical Repairs
  - Admin Code Section 3.21: CPC reviews the Capital Budget to ensure it aligns with recommendations in Capital Plan

# CAPITAL BUDGET

## Scenario Recap

	CAPITAL PLAN RECOMMENDATION					
	High Scenario (\$M)		Medium Scenario (\$M)		Low Scenario (\$M)	
	FY25	FY26	FY25	FY26	FY25	FY26
General Fund	119.0	149.0	74.0	74.0	59.0	59.0
Certificates of Participation	30.0	-	45.0	-	45.0	-
TOTAL	149.0	149.0	119.0	74.0	104.0	59.0

# CAPITAL BUDGET

## Changes to Mid Scenario since April 22

- Mayor’s Office presented a proposal for the November 2024 G.O. Bond on April 29
  - DPH allocations in the proposed bond are lower than previously anticipated
- To meet regulatory and cash flow needs for DPH, projects worth \$7.3M are being brought forward from FY26 to FY25

	ORIGINAL				NEW		
	Medium Scenario (\$M)				Medium Scenario (\$M)		
	FY25	FY26	Total		FY25	FY26	Total
General Fund	74.0	74.0	148.0		81.3	66.7	148.0

- Two-year total investment for DPH is unchanged

# CAPITAL BUDGET

## Recommendation

- Capital Planning Committee (CPC) recommends **Mid Scenario** to Board of Supervisors
- If Mayor’s Office determines that revenue is not available to fund the Mid Scenario, CPC recommends the Low Scenario

	Medium Scenario (\$M)		Low Scenario (\$M)	
	FY25	FY26	FY25	FY26
General Fund	81.3	66.7	59.0	59.0
Certificates of Participation	45.0	-	45.0	-

## GENERAL PLAN REFERRAL

May 6, 2024

**Case No.:** 2024-001896GPR  
**Block/Lot Nos.:** Various, Citywide  
**Project Sponsor:**  
**Applicant:**  
**Staff Contact:** Amnon Ben-Pazi – (628) 652-7428  
[amnon.ben-pazi@sfgov.org](mailto:amnon.ben-pazi@sfgov.org)

**Recommended By:**

Joshua Switzky, Deputy Director of Citywide Policy for  
Rich Hillis, Director of Planning

**Finding:** The project, on balance, is **in conformity** with the General Plan.

### Project Description

The City and County of San Francisco is proposing the Healthy, Safe and Vibrant San Francisco Bond, a \$390 million General Obligation Bond for the November 2024 ballot to fund investments in public emergency shelters, including shelters and interim housing sites; new health facilities and institutions; and pedestrian and roadway safety improvements; streetscape enhancements; and other public space improvements. Investments may include:

1. Expanding and improving community health centers to deliver preventative and primary care services, behavioral health services, sexual health services, and other ancillary healthcare services including the seismic retrofit and renovation of the Chinatown Public Health Center and the acquisition and improvement of a new building for the relocation of the City Clinic.
2. Critical repairs and renovations at Zuckerberg San Francisco General Hospital and Laguna Honda Hospital, including the repair of mechanical systems, fire control systems, and other deferred maintenance needs as well as improvements to hospital infrastructure required to meet new regulatory requirements to ensure the hospital remains operational and in

regulatory compliance.

3. Seismic upgrades at Zuckerberg San Francisco General Hospital to ensure staff safety, including improvements at building 3 and other safety measures at the hospital.
4. New shelter site, including the acquisition, construction, and improvement of a shelter or interim housing site to reduce unsheltered homelessness for families.
5. Vision Zero and Safe Streets roadway safety improvements citywide, including High Injury Network projects such as Sloat Boulevard / Great Highway Exchange Project, and pedestrian safety improvements Citywide, including sidewalk widening, bulb outs, road repaving and certain multimodal transit projects.
6. Modernization and accessibility improvements to public spaces, including public spaces around downtown San Francisco, such as public spaces near the Powell Street Cable Car turnaround, at Harvey Milk Plaza, and other park locations, such as at the Jerry Garcia Amphitheater in McLaren Park.
7. A portion of Bond proceeds shall be used to perform audits of Bond expenditures implied by or necessary incident to the acquisition or improvement of real property, including establishment and operation of a Citizens' Oversight Committee.

## Environmental Review

Except for the projects noted below, the Healthy, Safe and Vibrant San Francisco Bond is not an activity subject to CEQA because it would not result in a direct or indirect physical change in the environment pursuant to Guidelines Section 15378(b)(4). Further, CEQA Guidelines Section 15378(b)(4) provides that a project does not include the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment.

As to the exception noted above, the Healthy, Safe and Vibrant San Francisco Bond includes funding for two specific projects, which are categorically exempt under CEQA.

The Planning Department determined that the Chinatown Health Center project is categorically exempt under CEQA Guidelines Section 15301 on September 14, 2023 (Planning Case No. 2021-012063ENV).

The Planning Department found the Harvey Milk Plaza project to be categorically exempt under CEQA Guidelines Section 15302 on November 3, 2022 (Planning Case No. 2019-013425ENV).

Note that the proposed seismic improvements of Building 3 at Zuckerberg San Francisco General Hospital were determined to be “not a project” under CEQA on May 2, 2024, as the scope of the project is consistent with San Francisco Planning’s “Processing Guidance: Not a Project Under CEQA” memorandum dated September 18, 2013.

If the Bond is approved, Bond-funded projects that are not yet identified or proposed would be referred to the Planning Department for a separate environmental review.

## General Plan Compliance and Basis for Recommendation

As described below, the proposed Project is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

### COMMERCE AND INDUSTRY ELEMENT

#### OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

##### POLICY 2.1

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

*The proposed Bond, if approved, would provide resources to improve public spaces and accessibility in the downtown area, helping to retain and attract new commercial activity in the City’s retail core.*

#### OBJECTIVE 7

ENHANCE SAN FRANCISCO'S POSITION AS A NATIONAL AND REGIONAL CENTER FOR GOVERNMENTAL, HEALTH, AND EDUCATIONAL SERVICES.

##### POLICY 7.2

Encourage the extension of needed health and educational services, but manage expansion to avoid or minimize disruption of adjacent residential areas.

*The proposed Bond, if approved, would provide resources to improve and expand health services to multiple populations in San Francisco without disrupting adjacent residential uses.*

##### POLICY 7.3

Promote the provision of adequate health and educational services to all geographical districts and cultural groups in the city.

*The proposed Bond, if approved, would provide resources to improve accessibility of community clinics and shelters, provide seismic upgrades to maintain services in perpetuity and provide critical repairs to the City's large hospitals. These improvements would take place across geographies, promoting health services for all.*

## HOUSING ELEMENT

### OBJECTIVE 1.C

#### ELIMINATE HOMELESSNESS.

##### **POLICY 8**

Expand permanently supportive housing and services for individuals and families experiencing homelessness as a primary part of a comprehensive strategy to eliminate homelessness.

*The proposed Bond, if approved, would provide resources to improve and expand shelters that serve individuals and families experiencing homelessness to allow for an increased volume of services and improved service delivery.*

## SAFETY AND RESILIENCE ELEMENT

### OBJECTIVE 3.1

**EXISTING BUILDINGS.** ENSURE RETROFITS AND RENOVATIONS TO EXISTING STRUCTURES INCREASE BUILDING LONGEVITY AND MEET CURRENT BEST PRACTICES TO PROTECT OCCUPANTS AND STRUCTURES.

##### **POLICY 3.1.1**

Reduce the risks presented by City-owned structures and privately-owned buildings and provide assistance to vulnerable communities with limited adaptive capacity to reduce those risks.

##### **POLICY 3.1.3**

Abate structural and non-structural hazards in City-owned properties.

### OBJECTIVE 3.3

**INFRASTRUCTURE AND PUBLIC REALM.** ENSURE THE CITY'S LIFELINE SYSTEMS, TRANSPORTATION AND EMERGENCY RESPONSE FACILITIES, UTILITIES, STREETS, PUBLIC SPACES, AND COASTS CAN WITHSTAND AND ADAPT TO ALL HAZARDS.

##### **POLICY 3.3.1**

Reduce the risk of all hazards to community facilities and lifeline infrastructure, starting with Environmental Justice Communities.

*The proposed Bond, if approved, would provide resources for preventative and deferred maintenance and seismic upgrades for City-owned properties, reducing the risks to these City-owned structures and critical lifeline services.*

## TRANSPORTATION ELEMENT

**OBJECTIVE 18****ACHIEVE STREET SAFETY FOR ALL.****POLICY 18.3**

Focus the City's limited resources toward those areas most in need of safety improvements, based on appropriate data, recognizing that those most disproportionately impacted by traffic injuries and deaths are children, seniors, people of color and those in low-income communities.

**OBJECTIVE 24****DESIGN EVERY STREET IN SAN FRANCISCO FOR SAFE AND CONVENIENT WALKING.****POLICY 24.1**

Every surface street in San Francisco should be designed consistent with the Better Streets Plan for safe and convenient walking, including sufficient and continuous sidewalks and safe pedestrian crossings at reasonable distances to encourage access and mobility for seniors, people with disabilities and children.

*The proposed Bond, if approved, would provide funding for Vision Zero and Safe Streets roadway safety improvements citywide, including High Injury Network projects such as Sloat Boulevard / Great Highway Exchange Project, and pedestrian safety improvements Citywide, including sidewalk widening, bulb outs, road repaving projects in accordance with the Better Streets Plan.*

**DOWNTOWN AREA PLAN****OBJECTIVE 9****PROVIDE QUALITY OPEN SPACE IN SUFFICIENT QUANTITY AND VARIETY TO MEET THE NEEDS OF DOWNTOWN WORKERS, RESIDENTS, AND VISITORS.****POLICY 9.2**

Provide different kinds of open space downtown.

*The proposed Bond, if approved, would provide funding for modernization and accessibility improvements to public spaces, including public spaces around downtown San Francisco, such as public spaces near the Powell Street Cable Car turnaround.*

**Planning Code Section 101 Findings**

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

*The proposed Bond, if approved, would have no effect on existing neighborhood-serving retail uses.*

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

*The proposed Bond, if approved, would have no effect on existing housing. It would provide improved services to neighborhoods, especially in the case of community clinics with expanded capacity and increased care standards, thus enhancing neighborhood character.*

3. That the City's supply of affordable housing be preserved and enhanced;

*The proposed Bond, if approved, would have no effect on the City's supply of affordable housing.*

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

*The proposed Bond, if approved, would have no effect on commuter traffic, MUNI, or neighborhood parking.*

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

*The proposed Bond, if approved, would provide resources to improve public spaces and accessibility in the downtown area, helping to retain and attract new retail and other service sector activity in the City's retail core. The proposed Bond would have no effect on the City's industrial sector.*

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

*The proposed Bond, if approved, would fund seismic improvements that will improve the City's earthquake preparedness.*

7. That landmarks and historic buildings be preserved;

*The proposed Bond, if approved, may fund seismic improvements of buildings at Zuckerberg San Francisco General and Laguna Honda Hospitals, helping to preserve historic buildings at these locations.*

8. That our parks and open space and their access to sunlight and vistas be protected from development;

*The proposed Bond, if approved, would provide resources to improve public spaces downtown, in the Upper Market area, and in McLaren Park.*

<b>Finding:</b>	The project, on balance, is <b>in conformity</b> with the General Plan.

San Francisco Board of Supervisors  
1 Dr. Carlton B. Goodlett Place  
San Francisco, CA 94102

Dear Members of the San Francisco Board of Supervisors,

We, the undersigned members of the Friends of Harvey Milk Plaza Honorary Committee, are writing to express our unequivocal support for the Harvey Milk Plaza project. As members of the LGBTQ+ community in San Francisco, we understand the profound significance of commemorating Harvey Milk's legacy and the vital role this memorial will play in both honoring our history and inspiring future generations to continue working toward greater social justice for all marginalized people.

Harvey Milk was a trailblazer whose dedication to social justice and equality transcended the LGBTQ+ community, leaving an indelible mark on the Castro, our city, and the world. The proposed Harvey Milk Plaza is more than just a physical space; it is a symbol of hope, resilience, and the enduring fight for human rights.

We believe that the new Harvey Milk Plaza will become an iconic landmark, drawing visitors from around the globe and reinforcing San Francisco's reputation as a beacon of diversity and inclusion. Furthermore, we have witnessed the strong support this project has received from members of the LGBTQ+ community in San Francisco, as well as the broader community, and are inspired by how this vision has unified a wide variety of viewpoints and interests.

We urge the Board of Supervisors to approve the necessary measures to bring this important project to fruition. Your support will not only honor Harvey Milk's memory but also reinforce San Francisco's commitment to equality, diversity, and human rights.

Thank you for your consideration and your dedication to preserving the rich history and values of our City.

Sincerely,

San Francisco Board of Supervisors  
City Hall  
1 Dr. Carlton B. Goodlett Place  
San Francisco, CA 94102

Dear Members of the San Francisco Board of Supervisors,

As both the nephew of Harvey Milk, the family spokesperson, and founder of the Harvey Milk Foundation. I am honored to support the Harvey Milk Plaza project, which holds vital historical and personal significance to all of us and to the greater legacy of my uncle.

Harvey was not only a loving uncle but he is a critically important and pioneering figure in the global LGBTQ+ rights movement. His legacy continues to inspire countless communities and civil society movements across the globe. The Harvey Milk Plaza project represents more than a tribute to his memory; it is a beacon of hope and progress for future generations.

This project aims to transform the existing space into a vibrant, inclusive, and educational environment. By creating a plaza that celebrates Harvey's life and accomplishments, we are providing a gathering place where both the residents of San Francisco and folks from around the world can connect with the importance of equality, diversity, and be inspired for their own activism.

The Harvey Milk Plaza project is not just a local initiative but a symbol of global importance. It serves as a reminder of the strides we have made in the fight for LGBTQ+ rights and the work that still lies ahead. The plaza will be a testament to Uncle Harvey's enduring impact and a source of inspiration for those who continue to advocate for justice and equality.

I urge the Board of Supervisors to support this project, recognizing its potential to positively impact the community and preserve Harvey Milk's legacy. By supporting the Harvey Milk Plaza, you are contributing to a future that embraces diversity, champions human rights, and honors the memory of a trailblazer who gave his life in the line of justice and freedom.

Thank you for your consideration and for your commitment to creating a more inclusive and equitable society.

Sincerely,

Stuart Milk  
Milk family spokesperson  
Chair, Harvey Milk Foundation

May 20, 2024

Rich Hillis, Director  
Planning Department  
1650 Mission Street, Ste. 400  
San Francisco, CA 94103

Dear Director Hillis:

The Board of Supervisors' Budget and Finance Committee has received the following General Obligation Bond legislation for the November 5, 2024, Election, introduced by Mayor London Breed:

**File No. 240497**

**Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, November 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not to exceed \$390,000,000 to finance the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, and services for persons experiencing mental health challenges or persons with substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities and emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements and other public space improvements, and related costs necessary or convenient for each of the foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating review of Bond expenditures under the provisions of the Administrative Code by the Citizens' General Obligation Bond Oversight Committee; setting certain procedures and requirements for the election; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

**File No. 240498**

**Resolution determining and declaring that the public interest and necessity demand the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, services for persons experiencing mental health challenges, and persons experiencing substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities; emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements, and other public space improvements, and related costs necessary or convenient for the respective foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

The proposed ordinance and resolution are being transmitted to the Planning Department for review and determination under the California Environmental Quality Act, and consistency with the City's General Plan and eight priority policies of Planning Code, Section 101.1. The ordinance is pending before the Budget and Finance Committee and will be scheduled for hearing following receipt of your response.

Angela Calvillo, Clerk of the Board

SUBJECT: GENERAL OBLIGATION BOND INTRODUCED  
November 5, 2024 Election

---

The Board of Supervisors' Budget and Finance Committee has received the following General Obligation Bond legislation for the November 5, 2024, Election, introduced by Mayor London Breed.

**File No. 240497**

**Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, November 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not to exceed \$390,000,000 to finance the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, and services for persons experiencing mental health challenges or persons with substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities and emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements and other public space improvements, and related costs necessary or convenient for each of the foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating review of Bond expenditures under the provisions of the Administrative Code by the Citizens' General Obligation Bond Oversight Committee; setting certain procedures and requirements for the election; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

**File No. 240498**

**Resolution determining and declaring that the public interest and necessity demand the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, services for persons experiencing mental health challenges, and persons experiencing substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities; emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements, and other public space improvements, and related costs necessary or convenient for the respective foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

Please review and submit any reports or comments you wish to be included with the legislative file.

## MEMORANDUM

TO: Greg Wagner, City Controller, Office of the Controller

FROM: Brent Jalipa, Assistant Clerk, Budget and Finance Committee  
Board of Supervisors

DATE: May 20, 2024

SUBJECT: GENERAL OBLIGATION BOND INTRODUCED  
November 5, 2024 Election

---

The Board of Supervisors' Budget and Finance Committee has received the following General Obligation Bond legislation for the November 5, 2024, Election, introduced by Mayor London Breed. These matters are being referred to you in accordance with Administrative Code 2.33.

### **File No. 240497**

**Ordinance calling and providing for a special election to be held in the City and County of San Francisco on Tuesday, November 5, 2024, for the purpose of submitting to San Francisco voters a proposition to incur bonded indebtedness of not to exceed \$390,000,000 to finance the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, and services for persons experiencing mental health challenges or persons with substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities and emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements and other public space improvements, and related costs necessary or convenient for each of the foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; providing for the levy and collection of taxes to pay both principal and interest on such Bonds; incorporating review of Bond expenditures under the provisions of the Administrative Code by the Citizens' General Obligation Bond Oversight Committee; setting certain procedures and requirements for the election; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

**File No. 240498**

**Resolution determining and declaring that the public interest and necessity demand the acquisition or improvement of real property, including: facilities to deliver primary healthcare services, emergency medical services, skilled nursing services, services for persons experiencing mental health challenges, and persons experiencing substance use disorders; acquire, improve, and seismically upgrade critical medical care and mental health facilities; emergency shelter facilities; and improvements for certain transportation, pedestrian, and street safety related capital improvements, streetscape enhancements, and other public space improvements, and related costs necessary or convenient for the respective foregoing purposes; authorizing landlords to pass-through 50% of the resulting property tax increase, if any, to residential tenants under Administrative Code, Chapter 37; adopting findings under the California Environmental Quality Act; and finding that the proposed Bonds are in conformity with the General Plan, and with the eight priority policies of Planning Code, Section 101.1(b).**

Please review and prepare a financial analysis of the proposed measure prior to the first Budget and Finance Committee hearing.

If you have any questions or concerns, please call me at (415) 554-7712 or email: [brent.jalipa@sfgov.org](mailto:brent.jalipa@sfgov.org). To submit documentation, please forward to me at the Board of Supervisors, City Hall, Room 244, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102.
