11  
12 WHEREAS, The Federal Centers for Medicare & Medicaid Services (“CMS”) sponsors  
13 an innovative payment and service delivery program called Guiding an Improved Dementia  
14 Experience (“GUIDE”), to test whether providing an alternative payment methodology to  
15 deliver a broad package of care management and coordination, caregiver education and  
16 support, and GUIDE Respite Services to Medicare beneficiaries with dementia and their  
17 caregivers reduces the expenditures while preserving or enhancing quality of care; the San  
18 Francisco Department of Public Health (DPH) applied for and CMS accepted DPH to  
19 participate in the New Program Track of the GUIDE program; as a participant in the New  
20 Program Track, DPH anticipates receipt of \$3,500,000 in revenue over a term of 10 years and  
21 26 days; and

22 WHEREAS, Charter, Section 9.118(a) requires Board of Supervisors’ approval by  
23 Resolution of any contract which, when entered into, anticipates revenue of one million dollars  
24 or more; and
