13 **Asterisks (\* \* \* \*)** indicate the omission of unchanged Code  
14 subsections or parts of tables.

15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. Background.

17 (a) The Board of Supervisors approved a Redevelopment Plan for the Transbay  
18 Project Area by Ordinance No. 124-05, in June 2005, and by Ordinance No. 99-06, in May  
19 2006. The Transbay Project Area is located primarily between Folsom and Howard Streets,  
20 east of 2nd Street, and west of Spear and Main Streets, and also includes a small portion  
21 along Essex and Harrison Streets south of Folsom. The Redevelopment Plan contemplates  
22 the development of approximately 3,900 residential units, 2.5 million square feet of office  
23 space, 94,000 square feet of retail, new streets, streetscape improvements, and 9 acres of  
24 open space including the addition of three parks.

25 (b) On February 1, 2012, Assembly Bill 26 (Cal. Health & Safety Code Section  
34170 *et seq.*) (“Dissolution Law”) dissolved the San Francisco Redevelopment Agency

1 (“Redevelopment Agency”) along with all 400 redevelopment agencies in California and  
2 created successor agencies to complete certain enforceable obligations of the redevelopment  
3 agencies and to wind down redevelopment activities.

4 (c) The State of California, through its Department of Finance, has approved, under  
5 the Dissolution Law, the Transbay Redevelopment Project Implementation Agreement  
6 (January 20, 2005) as an enforceable obligation that survived the dissolution of the former  
7 Redevelopment Agency.

8 (d) Under the authority of the Dissolution Law and under Ordinance No. 215-12, the  
9 City and County of San Francisco (the “City”) delegated Dissolution Law authority to the  
10 Successor Agency Commission to assume the remaining obligations of the Redevelopment  
11 Agency. Among the remaining obligations, the Successor Agency (commonly known as the  
12 Office of Community Investment and Infrastructure or “OCII”) is responsible for completing the  
13 development of those projects that comply with the Transbay Redevelopment Project  
14 Implementation Agreement, as further approved by the Oversight Board of the City and  
15 County of San Francisco and the California Department of Finance in OCII’s annual  
16 Recognized Obligation Payment Schedule (the “Transbay Project”).

17 (e) To assist OCII in meeting its obligations under the Transbay Project, OCII  
18 partnered with the Department of Public Works to provide infrastructure delivery support and  
19 coordination services, project management, construction management, construction  
20 administration, and other professional services related to the design, engineering, and  
21 delivery of the proposed Transbay Project park and streetscape improvements (“Project  
22 Services”). The eligible reimbursements to the City for these Project Services are estimated  
23 to exceed \$1 million.

1 (f) Under Charter Section 9.118(a), the Board of Supervisors must approve  
2 revenue contracts entered into by a department having anticipated revenue to the City of \$1  
3 million or more.

4 (g) The Dissolution Law establishes that OCII is a separate legal entity from the  
5 City. Under Ordinance No. 215-12, however, the Board of Supervisors, in its capacity as the  
6 legislative body for the City, must approve OCII's annual budget. OCII's annual budget is  
7 initially approved by the Successor Agency Commission and subsequently requires the  
8 approval of the Mayor and Board.

9 (h) The Project Services supplied by the Department of Public Works also requires  
10 that OCII and the City execute property access agreements to allow the City and City  
11 contractors to enter OCII property to perform the Project Services. The Department of Public  
12 Works may also need to access other property in the vicinity to perform the Project Services.  
13 Under Administrative Code Sections 2A.110, 23.1, and 23.25, any lease or other means of  
14 granting the Department of Public Works the right to occupy or use real property, including a  
15 license, permit to enter, use permit, or other similar instrument, is to be made through the  
16 Director of Property.

17  
18 Section 2. Delegation of Authority Under Charter Section 9.118(a) to the Director of  
19 Public Works.

20 Pursuant to its authority under Charter Section 9.118(a), the Board of Supervisors  
21 delegates authority to the Director of the Department of Public Works to enter into project  
22 management and project delivery support services contracts with OCII anticipated to generate  
23 over \$1 million in reimbursements or revenue to the City to further the implementation of the  
24 Transbay Project, so long as the expenditures are authorized in OCII's Recognized Obligation  
25 Payment Schedule approved by the Oversight Board of the City and County of San Francisco

1 and the California Department of Finance and in the City's annual budget, approved by the  
2 Mayor and Board of Supervisors. The Board of Supervisors further authorizes the Public  
3 Works Director to enter into any amendments or modifications to these contracts with OCII for  
4 the Transbay Project.

5  
6 Section 3. Waiver of Certain Administrative Code Real Property Provisions.

7 Notwithstanding the requirements of Administrative Code Sections 2A.110, 23.1, and  
8 Section 23.25, the Board of Supervisors authorizes the Director of Public Works to execute  
9 any access agreement necessary for the Department of Public Works to perform its Project  
10 Services to further the implementation of the Transbay Project, so long as the access  
11 agreement does not require the City to pay any access fee and does not have a term that  
12 exceeds ten years.

13  
14 Section 4. Effective Date. This ordinance shall become effective 30 days after  
15 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
16 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
17 of Supervisors overrides the Mayor's veto of the ordinance.

18  
19  
20 APPROVED AS TO FORM:  
DAVID CHIU, City Attorney

21 By: /s/  
22 YADIRA TAYLOR  
23 Deputy City Attorney
