The purpose of this memorandum is to request your introducing the enclosed resolution for consideration during the meeting of the full Board scheduled for September 10, 2024, to consolidate elections with the State of California General Election occurring on November 5, 2024.

The resolution requests the following elections be consolidated with the statewide election.

1. Municipal elections, City and County of San Francisco
2. General obligation bond, City and County of San Francisco
3. Bay Area Rapid Transit District, Board of Directors
4. Board of Education Members, San Francisco Unified School District
5. General obligation bond, San Francisco Unified School District
6. Board of Trustees, San Francisco Community College District

The consolidation of elections allows the Department of Elections to conduct all elections in a manner as though the Department were to conduct only one election.

I will be glad to answer any questions or provide more information.
