Re: Rules Committee Consideration of Mayoral Nominee Eleanor Blume (Public Works Commission)

Dear Mr. Young,

I write to give my highest recommendation of Eleanor Blume to be appointed as a member of the Public Works Commission. She has dedicated her career to serving the public and will serve the Commission with the utmost integrity.

I was fortunate to be a close colleague of Ms. Blume when I also was a Special Assistant to California Attorney General Xavier Becerra. Because we were both on the executive team for Attorney General Becerra, I was able to observe firsthand the critical work that Ms. Blume does to protect the rights of consumers and the public. And because we often commuted together from the Bay Area to Sacramento, I was able to spend a great deal of time with her discussing our personal commitments as moms of young children and residents of San Francisco to tending to the concerns of our neighborhoods and communities.

I have no doubt that Ms. Blume will be an excellent member of the Commission. In addition to being whip-smart, she is collaborative, practical, and holds herself to the highest standards. And as a resident of San Francisco, I would be thrilled to have someone like Ms. Blume serve on the Commission.

Please do not hesitate to reach out to me if I can be of any further assistance.

Sincerely,

Christine P. Sun
