San Francisco Board of Supervisors,

Dear Members of the Board of Supervisors,

As a handicapped Veteran senior who uses multiple forms of public transportation and bicycling, I believe that Mike Chen would be a good addition to SFMTA Board of directors.

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Mike Chen will be a leader in making our streets safer for all users, especially for vulnerable populations like seniors, children, and people with disabilities. While on the SFMTA Citizens' Advisory Council, Mike Chen has been a steady and strong advocate for pedestrian safety and achieving our goal of zero traffic deaths in San Francisco. Mike Chen's experience and knowledge of the agency will help San Francisco become the most pedestrian-friendly city in the nation.

I urge that you vote in favor of Mike Chen's nomination.

San Francisco Board of Supervisors,

Dear Supervisor Dean Preston,

I am writing in support of Mike Chen's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. As a regular transit rider and a transit advocate, Mike Chen would be a tremendous voice for everyday San Franciscans who rely on Muni to go to work, to reach essential services, and to build community. Mike Chen would help San Francisco realize its transit-first policy and keep Muni running for everyone. I ask for your support for his nomination.
