Re: Liquor License "PCN" Request
Original Type 48, Pending License No: 480549
1779 Folsom Street, San Francisco CA 94103

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our Type 48 license. We already own and operate the Type 47 license at 1779 Folsom Street, and are exchanging that license type for a 48, as we wish to operate as a true whiskey lounge. Our operations will continue to be unlike other bars, as we will provide elevated whisky vintages, courting luxury drinkers, engaging neighborhood locals, connoisseurs, and industry professionals in a sophisticated, relaxed, and friendly setting.

Our business proves to be necessary in San Francisco, as there is a passion for high-end whiskey in the community. We're dedicated to offering the largest Japanese and Scotch single malt selection in the state of California with over 600 single malt expressions, including over 150 expressions of Japanese whiskey found nowhere else. There is not an appropriate whiskey lounge bar establishment to serve the needs of Japanese whiskey fans aesthetically, educationally, or personally. Our operations will be a solution to this by offering a personalized experience to every guest; being a one-stop shop for all things whiskey; offering the general public a fun and comfortable environment to buy, taste, and learn.

Our hours of operation are 5:30pm - 1:30am Wednesday through Saturday. We vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business. The Nihon SF founding team has enriched the city of San Francisco with Japanese-inspired businesses, such as Nihon Lounge and Tsunami Panhandle sushi restaurant, thanks to a great combination of grit and savvy business professionals. Our experience in this area has allowed us to cultivate very good relationships with community leaders and members.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Sincerely,

Khaled S Dajani
