16
17 WHEREAS, On December 2018, The Office of Contract Administration issued an
18 Invitation for Bids ("IFB") pursuant to Administrative Code, Section 21.1, for the provision of
19 renewable diesel; and

20 WHEREAS, Golden Gate Petroleum submitted a bid and was the lowest responsive
21 and responsible bidder, and was awarded the agreement; and

22 WHEREAS, On June 1, 2019, The Office of Contract Administration and Golden Gate
23 Petroleum entered into an agreement, Contract 1000013880 for the provision of renewable
24 diesel ("Agreement"); and
25

1 WHEREAS, The original Agreement had a term of June 1, 2019, through October 31,
2 2024, and a not to exceed amount of \$45,000,000; and

3 WHEREAS, The Office of Contract Administration amended the Agreement on March
4 18, 2020, to update contract terms and conditions (the "First Amendment"); and

5 WHEREAS, The Office of Contract Administration amended the Agreement on April 5,
6 2022, to extend the contract duration by two years and two months to May 31, 2024, and to
7 increase the not to exceed contract amount by \$23,000,000 for a total not to exceed amount
8 of \$68,000,000 (the "Second Amendment"); and

9 WHEREAS, The Office of Contract Administration amended the Agreement on January
10 30, 2024, to extend the contract duration by seven months to October 31, 2024, and to
11 increase the not to exceed contract amount by \$18,750,000 for a total not to exceed amount
12 of \$86,750,000 (the "Third Amendment"); and

13 WHEREAS, The Office of Contract Administration shall issue a competitive solicitation
14 for various fuels necessary for City operations, and intends to award one or more new
15 contracts for such fuels before the end of Fiscal Year 2024-2025; and

16 WHEREAS, Renewable diesel fuel is a critical commodity for City operations, and any
17 lapse in fuel delivery can cause severe impacts to the City's ability to perform its necessary
18 functions; and

19 WHEREAS, The Office of Contract Administration seeks to amend the Agreement
20 immediately, by extending the term through June 30, 2025, and increasing the maximum not
21 to exceed expenditure amount by \$15,595,000 for a total of \$102,345,000 ("Fourth
22 Amendment"); and

23 WHEREAS, Subsequent amendments to the Agreement ("Subsequent Amendments")
24 may be required to ensure the continued, uninterrupted delivery of renewable diesel to the
25

1 City prior to final award of one or more new fuel contracts pursuant to the Office of Contract
2 Administration's competitive solicitation; and

3 WHEREAS, The Office of Contract Administration seeks authorization to issue
4 Subsequent Amendments to the Agreement, up to a maximum expenditure amount of
5 \$108,589,000 and a maximum duration of six years and five months, from June 1, 2019,
6 through October 31, 2025, if needed to ensure the continued delivery of renewable diesel to
7 the City prior to the award of one or more new fuel contracts; and

8 WHEREAS, Charter, Section 9.118(b), requires Board of Supervisors' approval by
9 Resolution of any contract which, when entered into, extends over 10 years, and of any
10 contract which, when entered into, costs the City \$10,000,000 or more; and

11 WHEREAS, The proposed Fourth Amendment contained in File No. 240864 is
12 substantially in final form, with all material terms and conditions included, and only remains to
13 be executed by the parties upon approval of this Resolution; and

14 WHEREAS, Subsequent Amendments, if deemed necessary, shall be in the form of
15 the City's contract amendment template contained in File No. 240864, which includes the
16 City's standard material terms and conditions, and shall only be issued and executed by the
17 parties pursuant to approval of this Resolution; now, therefore, be it

18 RESOLVED, That the Board of Supervisors hereby approves the Fourth Amendment in
19 substantially the form contained in File No. 240864; and, be it

20 FURTHER RESOLVED, That the Board of Supervisors hereby authorizes the Office of
21 Contract Administration to issue Subsequent Amendments, if deemed necessary, in
22 substantially the form contained in File No. 240864; and, be it

23 FURTHER RESOLVED, That the Board of Supervisors authorizes The Office of
24 Contract Administration to make any modifications to the Fourth Amendment and any
25 Subsequent Amendments, prior to final execution by all parties, that the Office of Contract

1 Administration determines, in consultation with the City Attorney, are consistent with this
2 Resolution, in the best interest of the City, do not materially increase the obligations or
3 liabilities of the City, are necessary or advisable to effectuate the purposes of the Fourth
4 Amendment and any Subsequent Amendments, and are in compliance with all applicable
5 laws, including City's Charter; and, be it

6 FURTHER RESOLVED, That within 30 days of the Fourth Amendment and any
7 Subsequent Amendments being fully executed by all parties, the Office of Contract
8 Administration shall submit to the Clerk of the Board of Supervisors a completely executed
9 copy for inclusion in File No. 240864; this requirement and obligation resides with the
10 Department, and is for purposes of having a complete file only, and in no manner affects the
11 validity of approved Amendments.

Item 6
File 24-0864

Department: Office of Contract Administration (OCA)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve Modification No. 4 to the contract between the City and Golden Gate Petroleum, increasing the not-to-exceed amount by \$15,595,000, from \$86,750,000 to \$102,345,000, and extending the term by eight months, from October 31, 2024, to June 30, 2025, for a total contract term of six years and one month, from June 1, 2019 through June 30, 2025. The proposed resolution would also authorize OCA to further amend the contract amount up to a maximum of \$108,589,000 and extend the term through October 31, 2025.

Key Points

- In 2019, the Board approved an initial two-year and ten-month agreement with Golden Gate Petroleum to deliver renewable diesel to Central Shops fueling stations and other Departments. The contract has been amended three times. The City is not obligated to purchase any specific quantity of diesel. The price the City pays for renewable diesel is based on a fixed markup or markdown (depending on the quantity delivered) from the daily price per gallon of renewable diesel
- OCA intends to issue a new solicitation to procure gasoline and diesel vendors in late 2024 and to have new contracts in place by June 2025. The proposed fourth contract amendment is sized to ensure spending authority for diesel purchases during the procurement process. OCA is also requesting additional authorization for subsequent amendments to ensure the City can continue to procure diesel if there are delays in the procurement process.

Fiscal Impact

- The proposed resolution increases the contract's spending authority from \$86,750,000 to \$102,345,000 and also authorizes OCA to increase the spending authority up to \$108,589,000 and extend the term through October 2025, should procuring a replacement vendor take longer than expected. The proposed increase in spending is based on approximately \$1.5 million per month in purchases, which is generally consistent with spending data provided by OCA to our office and includes a 20 percent contingency. Costs are funded by purchasing departments, primarily MTA (77.4 percent of purchases) and General Fund users (16.5 percent of purchases).

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board, or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

The Office of Contract Administration (OCA) issued an Invitation for Bids (IFB) in December 2018 to procure renewable diesel¹ vendors. The IFB provided for a contract period of three years, with the possibility of extension up to a maximum term of five years. OCA received responses from two vendors and awarded the contract to the lowest bidder, Golden Gate Petroleum, for an initial not to exceed amount of \$45 million and a term of two years and ten months, from June 1, 2019 through March 31, 2022 (File 19-0334).² The contract has been modified three times, as summarized below in Exhibit 1.

Exhibit 1. Modification History of Golden Gate Petroleum Contract

Modification	Start Date	End Date	NTE Amount	Changes
Original Contract	6/1/19	5/31/22	\$45,000,000	
No. 1		No Change	\$45,000,000	Emergency delivery provision
No. 2		5/31/24	\$68,000,000	Extend Term, Increase NTE Amount
No. 3		10/31/24	\$86,750,000	Extend Term, Increase NTE Amount

Source: OCA

Note: Modification No.1 added a clause specifying fuel prices and acceptable delivery delays in the event of an emergency.

Under the original contract, the maximum contract term is not to exceed five years. The third modification (File 23-1154) approved a five-month extension beyond five years to allow the diesel contract term to coincide with the contract term of the City's gasoline contract.³ At the time, OCA stated this would be sufficient time to procure new fuel contracts. However, the solicitation for new vendors has been delayed due to staffing constraints at OCA.

¹ Renewable diesel is produced by from cooking oil and other vegetable or animal fats that is blended with petroleum diesel but in a higher concentration than traditional biodiesel. The contract also provides for red dye diesel which is petroleum-based diesel that is intended for use in offroad vehicles.

² The resolution in File 19-0334 stated that the initial contract term would be three years from April 2019 through March 2022, but the contract as executed by OCA did not take effect until June 2019.

³ The Board approved an extension of the City's prior gasoline contract in November 2023 through November 19, 2023 (File 23-1037). Pursuant to Administrative Code Section 21.16(b), OCA entered into a successor agreement with Mansfield Oil with a term through November 2024.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve Modification No. 4 to the contract between the City and Golden Gate Petroleum, increasing the not-to-exceed amount by \$15,595,000, from \$86,750,000 to \$102,345,000, and extending the term by eight months, from October 31, 2024 to June 30, 2025, for a total contract term of six years and one month, from June 1, 2019 through June 30, 2025. The proposed resolution would also authorize OCA to further amend the contract amount up to a maximum of \$108,589,000 and extend the term up through October 31, 2025.

OCA states the proposed extension is needed to ensure sufficient time for a competitive solicitation process for new fuel contracts to be initiated at the end of 2024. OCA expects new fuel contracts to be in place by June 30, 2025. However, OCA is requesting additional authorization for subsequent amendments to ensure the City can continue to procure diesel if there are delays during the procurement process.

Services

Under the proposed modification, Golden Gate Petroleum would continue delivering renewable diesel fuel to the San Francisco Municipal Transportation Agency (MTA), Central Shops fueling stations, San Francisco Fire Department, the San Francisco Public Utilities Commission and their East Bay, Peninsula, and Sierra locations. The fuel will be used by departments throughout the City. The City is not required to purchase any specific quantity of diesel. The price the City pays for renewable diesel is based on a fixed markup or markdown (depending on the quantity delivered) from the daily price per gallon of renewable diesel, as published by the Oil Price Information Services (OPIS).⁴ While the markup or markdown price stays fixed, the OPIS price per gallon fluctuates daily. The price also depends on the delivery location, type of diesel, and quantity of gallons ordered.

Performance Monitoring

The contract includes terms and conditions to hold the vendor accountable for product delivery timeframes, product availability, condition and inspection, and reporting requirements. This includes requiring Golden Gate Petroleum to pre-schedule all deliveries to City sites, provide emergency deliveries at no additional cost and maintain adequate stocking levels of all products. Golden Gate Petroleum is also required to provide monthly usage reports to OCA and pay for an annual third-party audit of Renewable Diesel deliveries to the City. OCA states that the department is researching more comprehensive contractor performance specifications, reporting requirements and fuel testing metrics for inclusion in the City's future fuel delivery contract(s) to better monitor performance.

Contract Spending

As of August 30, 2024, the City had encumbered, or set-aside for spending, \$92,721,074 for this contract. This is higher than the contract's not-to-exceed amount of \$86,750,000, which provides

⁴ OPIS is a price reporting agency that provides information used for commercial contracts and trade settlement related to gasoline, diesel, petroleum, natural gas, etc.

a hard cap on the amount of money that can spent on this contract.⁵ Exhibit 2 below summarizes the total spending by department.

Source: OCA

* Note: Purchase Order Encumbrance data is from June 1, 2019 to August 30, 2024. This is not representative of all the City's fuel spending, which is spread among multiple contracts.

MTA accounts for a majority (\$71,791,292, or 77.4 percent) of contract expenditures. The General Fund Department with the largest contract expenditure is the City Administrator's Fleet Management Division⁶ (\$10,383,236 or 11.2%). The Fire Department has the second highest contract expenditure amongst General Fund Departments (\$4,330,868 or 4.7%).⁷ According to OCA, what appears to be a high variance year to year in total spending is due to departments submitting purchase orders to cover estimated expenditures for multiple years. Invoices are then paid against these purchase orders until the purchase order balance is depleted. OCA states that

⁵ According to OCA, the contract balance reflected in PeopleSoft does not account for applicable taxes, shipping, freight and other charges that may be associated with the purchase order. Therefore, they system may show higher balance than is actually available on the contract, which can result in departments unintentionally over-encumbering a contract, as occurred in this case.

⁶ FMD purchases gasoline and diesel from the citywide contracts to supply three City-owned and operated gas stations and one emergency tanker truck that resides at Central Shops and is used to fuel diesel trucks (such as fire trucks) during an emergency.

⁷ Fire uses diesel to fuel fire engines and trucks and has 20 fuel tank locations throughout the City and on Treasure Island for refueling purposes.

MTA submitted purchase orders beginning in FY 2019-20 to cover two years of expenses, thus resulting in high total annual encumbrances in those years. This has since been resolved and MTA currently issues annual purchase orders.

FISCAL IMPACT

As noted above, the proposed resolution approves the fourth amendment to the contract, which increases the contract's spending authority from \$86,750,000 to \$102,345,000 and extends the term through June 2025. The resolution also authorizes OCA to increase the spending authority up to \$108,589,000 and extend the term through October 2025, should procuring a replacement vendor take longer than expected. The proposed increase in spending is based on approximately \$1.5 million per month in purchases, which is generally consistent with spending data provided by OCA to our office. The fourth contract amendment includes a 20 percent contingency. The contingency amount for the proposed subsequent modifications is approximately five percent. The basis for the requested spending authority is summarized below in Exhibit 3.

Maximum Proposed Not To Exceed Amount (Rounded)	\$108,589,000

Source: OCA

Funding Sources

Funding for the proposed modification was included in the FY 2024-25 adopted budgets of the City departments that use diesel, as previously appropriated by the Board of Supervisors. For the three enterprise departments (MTA, SFPUC, and the Airport) that utilize the diesel from the contract, enterprise revenues pay for contract expenditures.

RECOMMENDATION

Approve the proposed resolution.

 - Extend duration up to maximum total term of one year, 11 months, 14 days, through **October 31, 2025**

Thank You

Appendix

OPIS Rack Price Trend

How is Pricing Determined?

- Contract price is a mark -up or mark-down on OPIS daily average rack prices for diesel fuel, for San Francisco and Stockton.
- OPIS = Oil Price Information Service
- OPIS maintains the world's most comprehensive price benchmarking database of U.S. wholesale fuel prices.
- OPIS is relied on by major oil companies, dealers, most metro transit authorities, and all levels of government.
- Unbiased and independent, has no stake in fuel transactions, and is not funded by the oil industry; and adheres to Anti-Trust Policy guidelines, determined by independent legal counsel. Do not provide info to suppliers until the info is effective and sent to customers.
- In the event that OPIS pricing ceases to be published, or is materially changed, either party may request a new basis to determine pricing for this contract. If a mutual agreement cannot be reached within 30 days, this contract will be terminated.

Terms Related To Bidding

- 1. When Bids Are Due; Bid Opening Procedures.** Bids must be submitted before the time set for bid opening. Bids will be opened by Purchasing at the hour and place stated in the solicitation documents and in the presence of bidders who attend, and bid prices will be read upon request as time permits. Bidders may inspect the bids after award.
- 2. Alternates.** When the name of a manufacturer, brand or make, with or without model number, is used in describing any item in this document, bids for similar articles will be considered unless otherwise stated. Purchasing shall be the sole judge as to whether such alternate articles are acceptable. Unless bidder states to the contrary, articles offered will be assumed to be the specific articles named in this document. If not offering the specific article named, bidder should enclose with its bid full information, specifications and descriptive data on items offered. Purchasing reserves the right to permit deviations from the specifications if any article offered is substantially in accord with Purchasing's specifications and is deemed by Purchasing to be of as good quality and as fully satisfactory for its intended use. Bidder is responsible for identifying any deviations from Purchasing's specifications.
- 3. Articles Furnished.** Articles and services must comply with applicable laws, ordinances and other legal requirements, including (among others) the Cal-OSHA regulations in Title 8 of the Code of Regulations and, for electrical products, Sections 110.2 and 110.3 (B) of the S.F.

Electrical Code. In addition, if an electrical item has not been tested by a lab approved by City's Department of Building Inspection (DBI) or Department of Public Works (DPW), Contractor shall notify the requesting department before delivery by writing the department at the "Deliver to" address on the front of the Purchase Order. When a non-tested item is delivered, the department will request approval from DPW. If the department is unable to obtain approval, City reserves the right to cancel the transaction and return the item to Contractor, at no charge to City.

4. Place of Manufacture. No article furnished shall have been made in prison or by convict labor, except, for articles purchased for use by City's detention facilities.

5. Condition of Article. Articles offered and furnished must be new and previously unused, and of manufacturer's latest model, unless otherwise specified herein.

6. Samples. Articles offered as equal to "City sample" must fully conform thereto; "City samples" may be inspected at the place designated by Purchasing. Samples must be furnished as required in this document. Those submitted by successful bidders may be retained for testing or checked against deliveries, in which case allowance will be made to Contractor. Each sample shall be plainly marked in a durable manner with the name of the bidder, the contract proposal number, and the item number. Submitted sample will be deemed to be exactly what bidder proposes to furnish unless otherwise clearly indicated by the bidder in writing with the submittal of the sample. Sufficiency of sample will be determined by Purchasing. Do not enclose sample with bid, and do not wrap bid in package with sample.

7. FOB Point. F.O.B. destination in San Francisco, and other location as required by the City, freight prepaid and allowed.

8. Price List Discounts. When bids are based on prices from a catalog or price list, bidder shall furnish copies of the catalog or price list in the format requested herein. Contractor shall furnish additional lists as required. Bids will be considered for price lists offered other than specified provided the alternate price list can be readily compared on an overall basis with the specified price list. Bidder's price list discounts must remain firm during the term of the contract.

9. Bidding on Separate Items and or in the Aggregate. Bidders may bid separately for any item unless otherwise provided. Bidders may make an offer on one, some or all items, unless otherwise provided. **For this bid opportunity the award will be made as one Aggregate. To be responsive for an Aggregate bidder must bid on all items within that Aggregate and bid on all Aggregates for this bid opportunity.**

10. Prices. Prices quoted must be fixed except as otherwise specified in this document. Any bid requiring receipt of order in less than 30 days will be unacceptable unless otherwise specified herein.

11. Awards; Rejection of Bids. Purchasing may make awards on one, some or all items in a bid. Purchasing reserves the right to reject any and all bids.

12. Cash Discounts; Terms of Payment (Commodities and Equipment only). Cash discount (discount for prompt payment) will be taken into consideration in determining the low bid under the following conditions:

- Discount period must be at least 30 days. Example: "1%, 30 days. Net 31."
- The maximum cash payment discount that will be considered when determining the lowest bid will be 2%.
- The discount period will start upon date of completion or delivery of all items on any Purchase Order or other authorization certified by Controller, or upon date of receipt of properly prepared invoices covering such deliveries, whichever is later.
- Payment is deemed to be made, for the purpose of earning the discount, on the date of mailing the City's check or the date of direct deposit into supplier's bank account.

Whether or not the discount is taken into consideration in determining the low bid, it will be deducted from the invoice amount in accordance with the provisions above, unless otherwise provided by bidder. No additional charge shall accrue against City in the event that City does not make payment within any time specified by bidder.

13. Sunshine Ordinance. In accordance with Sec. 67.24(e) of the San Francisco Administrative Code, contracts, contractors' bids, responses to RFPs and all other records of communications between City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

Terms Related to the Contract

14. Inspection. All articles supplied shall be subject to inspection and rejection by Purchasing or any department official responsible for inspection.

15. Contract Interpretation; Choice of Law/Venue; Assignment. Should any questions arise as to the meaning and intent of the contract, the matter shall be referred to Purchasing, who shall decide the true meaning and intent of the contract. for all claims arising out of this contract shall be in San Francisco. This contract may be assigned only with the written approval of Purchasing.

16. Hold Harmless and Indemnification. Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, including employees of Contractor or loss of or damage to property, arising directly or indirectly from Contractor's performance of this Contract, including but not limited to, the use of Contractor's facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law in effect on or validly retroactive to the date of this Contract, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorney's fees, court costs and all other litigation expenses for any infringement of patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons in consequences of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this Contract.

17. Failure to Deliver. If Contractor fails to deliver an article and/or service of the quality, in the manner or within the time called for by this contract, such article and/or service may be bought from any source by Purchasing and if a greater price than the contract price be paid, the excess price will be charged to and collected from Contractor or sureties on its bond if bond has been required.

18. Budget and Fiscal Provisions. This Contract is subject to the budget and fiscal provisions of City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Contract will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Contract will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to

make appropriations for this Contract in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Contract.

19. Default; Remedies. On and after any event of default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Contract or to seek specific performance of all or any part of this Contract. In addition, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any event of default. Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Contract or any other contract between City and Contractor all damages, losses, costs or expenses incurred by City as a result of such event of default and any liquidated damages due from Contractor pursuant to the terms of this Contract or any other contract. All remedies provided for in this Contract may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

20. Termination for Convenience. City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective. In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City.

21. Guaranteed Maximum Costs. The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by City ordinances governing emergency conditions, the City and its employees and officers are not authorized to request Contractor to perform services or to provide materials, equipment and supplies that would result in Contractor performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies agreed upon in the contract unless the agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies. The City is not required to reimburse Contractor for services, materials, equipment or supplies that are provided by Contractor which are beyond the scope of the services, materials, equipment and supplies agreed upon in the contract and which were not approved by a written amendment to the agreement having been lawfully executed by the City. The City and its employees and officers are not authorized to offer or promise to Contractor additional funding for the contract which would exceed the maximum amount of funding provided for in the contract for Contractor's performance under the contract. Additional funding for the contract in excess of the maximum provided in the contract shall require lawful approval

and certification by the Controller of the City. The City is not required to honor any offered or promised additional funding for a contract which exceeds the maximum provided in the contract which requires lawful approval and certification of the Controller when the lawful approval and certification by the Controller has not been obtained. Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.

22. Taxes. Payment of any taxes, including possessory interest taxes and California sales and use taxes, levied upon or as a result of this Contract, or the services delivered pursuant hereto, shall be the obligation of Contractor. Contractor recognizes and understands that this Contract may create a “possessory interest” for property tax purposes. Generally, such a possessory interest is not created unless the Contract entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

A. Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

B. Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extensions, renewal, or assignment of this Contract may result in a “change in ownership” for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest by this Contract. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

C. Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (See, e.g., Rev. & Tax Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

D. Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

23. Use of City Opinion. Contractor shall not quote, paraphrase, or otherwise refer to or use any opinion of City, its officers or agents, regarding Contractor or Contractor’s performance under this contract without prior written permission of Purchasing.

24. Nondiscrimination; Penalties

A. Contractor Shall Not Discriminate. In the performance of this Agreement, Contractor agrees not to discriminate against any employee, City and County employee working with such contractor or subcontractor, applicant for employment with such contractor or subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

B. Subcontracts. Contractor shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement. The entire San Francisco Administrative Code is available on the web at a site maintained by American Legal Publishing Corporation.

C. Nondiscrimination in Benefits. Contractor does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

D. Condition to Contract. As a condition to this Agreement, Contractor shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Division (formerly San Francisco Human Rights Commission).

E. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §§12B.2(h)

and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Agreement may be assessed against Contractor and/or deducted from any payments due Contractor.

25. Local Business Enterprise Utilization; Liquidated Damages

A. The LBE Ordinance. Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

B. Enforcement. If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Contract Monitoring Division (CMD) or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of CMD") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of CMD will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17. By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the CMD shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City. Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of CMD or the Controller upon request.

26. MacBride Principles – Northern Ireland. Pursuant to San Francisco Administrative Code § 12F.5, the City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

27. Tropical Hardwood and Virgin Redwood Ban. The City and County of San Francisco urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood product, virgin redwood or virgin redwood product. If this order is for wood products or a service involving wood products: (a) Chapter 8 of the Environment Code is incorporated herein and by reference made a part hereof as though fully set forth. (b) Except as expressly permitted by the application of Sections 802(B), 803(B), and 804(B) of the Environment Code, Contractor shall not provide any items to the City in performance of this contract which are tropical hardwoods, tropical hardwood products, virgin redwood or virgin redwood products. (c) Failure of Contractor to comply with any of the requirements of Chapter 8 of the Environment Code shall be deemed a material breach of contract.

28. Resource Conservation. Contractor agrees to comply fully with the provisions of Chapter 5 of the San Francisco Environment Code (“Resource Conservation”), as amended from time to time. Said provisions are incorporated herein by reference

29. Submitting False Claims; Monetary Penalties. Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at a site maintained by American Legal Publishing Corporation. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

30. Liability of City. CITY’S PAYMENT OBLIGATIONS UNDER THIS CONTRACT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR UNDER THIS CONTRACT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS CONTRACT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL,

BID AND CONTRACT CONDITIONS

CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS CONTRACT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS CONTRACT.

31. Drug-Free Workplace Policy. Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents, or assigns will be deemed a material breach of this Contract.

32. Compliance with Americans with Disabilities Act. Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Contract in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Contract and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Contract.

33. Compliance with Laws. Contractor shall keep itself fully informed of the City's Charter, codes, ordinances and regulations of the City and of all state, and federal laws in any manner affecting the performance of this Contract, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time.

34. Bid Protests. Bid protests for purchases of Commodities shall be submitted and responded to in accordance with Rules and Regulations 21.3(i) pertaining to the San Francisco Administrative Code, Chapter 21.

35. Food Service Waste Reduction Requirements. Contractor agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Contractor agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur

GENERAL CONDITIONS

These terms and conditions supplement the City's Bid and Contract Conditions. In the event of a conflict between these conditions and the preceding Bid and Contract Conditions, these conditions take precedence.

36. Contract Term. The contract period shall be for approximately thirty-six (36) months through to an approximate end date of a March 31, 2022.

37. Contract Extension. This contract may be extended, all or in part, for a period or periods up to one year by mutual agreement in writing. The maximum contract period shall not be more than 5 years.

38. Toll-Free Telephone Number. A contractor located outside of San Francisco is encouraged to provide free telephone services for placing orders. This requirement can be met by providing a toll-free telephone number or accepting collect calls.

39. Cooperative Agreement. Contractor agrees _____ or does not agree _____ (make a selection by an "X" mark) that during the term of this agreement and any authorized extension, the Director of Purchasing may allow other public agencies or non-profits made up of multiple public agencies to utilize this agreement to obtain some or all of the services and/or commodities to be provided by Contractor under the same terms and conditions as the City, pursuant to a Board of Supervisor Resolution.

40. Not used

41. LBE Ordinance. The bid discount will not apply in this contract. This contract is estimated to cost well over the \$10,000,000 threshold, whereby the following provision of Section 14B will apply.

42. Claim for Preference –(not Used)

43. LBE bid discount; brokerage services. (Not Used)

44. LBE Subcontracting -

A. Subcontracting to LBEs. Bidder is encouraged to make good faith efforts to award subcontracts to City and County of San Francisco-certified LBEs. This can be achieved through subcontracting, sub-consulting or supply opportunities. With the bid, the bidder is encouraged to provide a description of the type of good faith efforts the bidder estimates it may make under the contract.

B. Examples of Good Faith Efforts. "Good Faith Efforts" include but are not limited to the following:

(1) Identifying and selecting specific products or services which can be subcontracted to certified LBEs.

(2) Providing written notice to potential LBE subcontractors that Bidder will be bidding on this Contract and will be seeking subcontractors.

(3) Advertising in one or more daily or weekly newspapers, trade association publications, trade oriented publications, trade journals, or other media specified by the City, for LBEs that are interested in participating in the project.

(4) Following up on initial notices the Contractor sent to LBEs by contacting the LBEs to determine whether they were interested in performing specific parts of the project.

(5) Providing interested LBEs with information about the scope of work.

(6) Negotiating in good faith with the LBEs, and not unjustifiably rejecting as unsatisfactory proposals prepared by any LBEs, as determined by the City.

(7) Where applicable, advising and making efforts to assist interested LBEs in obtaining insurance required by the City and the prime contractor.

(8) Making efforts to obtain LBE participation that the City could reasonably expect would produce a level of participation sufficient to meet the City's goals and requirements.

C. Examples of Subcontracting. The following are examples of products which could be subcontracted under this Contract. The list is not intended to be exhaustive:

(1) the products or services which the supplier in turn sells to the City, or components of those products; (see Page 1 of the bid sheet);

(2) packing containers and materials used to ship the City's order;

(3) services of the carrier who delivers the City's orders;

(4) Pro rata share of LBE spending which is part of the suppliers' general and administrative expenses, if the supplier can show that the pro rata share can be reasonably allocated to this contract.

D. Reports. On a quarterly (January 1 – March 31, April 1 – June 30, July 1 – September 30, October 1 – December 31) basis, the Contractor will provide CMD with reports on LBE subcontracting under this Contract. The report must include a narrative description of the good faith efforts, if any, the Contractor has made during the quarter to provide subcontracting opportunities to LBEs and to meet the percentage goal.

E. CMD Data on LBEs. Contractor will obtain from CMD a copy of CMD's database of LBEs, and this or other information from CMD, shall be the basis for determining whether a LBE is confirmed with CMD. Contractor will obtain an updated copy of CMD's database at least **quarterly**. Please call CMD at (415) 581-2310.

45. Audit and Inspection of Records. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its work under this Agreement. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not less than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any federal agency having an interest in the subject matter of this Agreement shall have the same rights conferred upon City by this Section.

46. Conflict of Interest. Through its execution of this Contract, Contractor acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Contract.

47. Non-Waiver of Rights. The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall in any way affect the right of the party to enforce such provisions thereafter.

48. Contractor's Default. If Contractor fails to fulfill its obligations under this contract proposal, whether or not said obligations are specified in this section, Purchasing reserves the right to: (a) terminate this contract at no cost to the City; (b) take action in accordance with Sections 17 and 19, or (c) exercise any other legal or equitable remedy.

No party on the basis of this contract shall in any way contract on behalf of or in the name of the other party of this contract, and violation of this provision shall confer no rights on any party and any action taken shall be void.

54. Independent Contractor. Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Contract. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. 56. Emergency - Priority 1 Service. In case of an emergency that affects any part of the San Francisco Bay Area, Contractor will give the City and County of San Francisco Priority 1 service. Contractor will make every good faith effort in attempting to deliver products using all modes of transportation available. Contractor shall provide a 24-hour emergency telephone number of a company representative who is able to receive and process orders for immediate delivery or will call in the event of an emergency. In addition, the Contractor shall charge fair and competitive prices for items and services ordered during an emergency and not covered under the awarded contract.

57. Contractors Unable to do Business with the City.

A. Generally

Contractors that do not comply with laws set forth in San Francisco's Municipal Codes may be unable to enter into a contract with the City. Some of the laws are included in this Contract Proposal, or in the sample terms and conditions attached.

B. Companies Headquartered in Certain States

This Contract is subject to the requirements of Administrative Code Chapter 12X, which prohibits the City from entering into contracts with companies headquartered in states with laws that perpetuate discrimination against LGBT populations or where any or all of the work on the contract will be performed in any of those states. Bidders are hereby advised that Bidders which have their United States headquarters in a state on the Covered State List, as that term is defined in Administrative Code Section 12X.3, or where any or all of the work on the contract will be performed in a state on the Covered State List may not enter into contracts with the City. A list of states on the Covered State List is available at the website of the City Administrator.

58. Term Bid – Quantities. This is a term, indefinite quantities contract. Unless otherwise specified herein, deliveries will be required in quantities and at times as ordered during the period of the contract. Estimated quantities are approximate only. City, in its sole discretion, may purchase any greater or lesser quantity. Purchasing may make minor purchases of items requested in City's advertisement for bids or contractor's bid from other suppliers when Purchasing determines, in its sole discretion, that the City has an immediate need for such items or that it is not practical to purchase against this contract.

**Renewable Diesel
For the Term June 01, 2019 through March 31, 2022**

GENERAL CONDITIONS

A. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

B. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs may be certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may

train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be non-duplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

C. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

D. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

E. Liquidated Damages. Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;
(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of

employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

F. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

60. Consideration of Criminal History in Hiring and Employment Decisions

A. Contractor agrees to comply fully with and be bound by all of the provisions of Chapter 12T "City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions," of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at <http://sfgov.org/olse/fco>. A partial listing of some of Contractor's obligations under Chapter 12T is set forth in this Section. Contractor is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

B. The requirements of Chapter 12T shall only apply to a Contractor's or Subcontractor's operations to the extent those operations are in furtherance of the performance of this Agreement, and shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement.

GENERAL CONDITIONS

C. Contractor shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

D. Contractor or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

E. Contractor or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 60(D), above. Contractor or Subcontractor shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

F. Contractor or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Contractor or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

G. Contractor and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Contractor or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

H. Contractor understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

GENERAL CONDITIONS

61. Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

62. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this contract. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this contract, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Contractor's use of profit as a violation of this section.

63. Preservative-Treated Wood Containing Arsenic. Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase

preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

64. Not used

65. Protection of Private Information. Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

66. Sugar-Sweetened Beverage Prohibition. Contractor agrees that it will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Agreement.

67. Modification of Agreement. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.

SPECIAL CONDITIONS

The following terms and conditions supplement the City's Bid and Contract Conditions and General Conditions. In the event of a conflict between these conditions and the preceding Bid and Contract Conditions and General Conditions, these conditions take precedence.

68. Purpose. The purpose of this contract is to provide the City reliable sources of supply for Renewable Diesel fuel for the City's buses, trucks, cars, vehicles and equipment.

69. Pre-Bid Conference. A Pre-bid Conference will be held as follows:

Location: San Francisco City Hall
1 Carlton B. Goodlett Place, Room 431A
San Francisco, ca 94102

Date and Time: Wednesday, December 19, 2018 at 11:00 am

Although not mandatory, attendance at the conference is strongly urged for all prospective bidders on this contract.

Note: Please bring a copy of this contract proposal to the Pre-Bid Conference.

It is requested that bidder's questions concerning this Contract Proposal be submitted by email at least 48 hours prior to the date and time of the Pre-bid Conference and directed to:

70. Specifications The fuel delivered must be at least 99% Renewable Diesel and meet the latest versions of the following standards:

- A. ASTM - D975: Defines diesel fuel used as a motor vehicle fuel.
- B. ASTM - D6866: This test utilizes Carbon 14 dating to verify the percentage of bio-based of a fuel and petroleum.
- C. Carbon Intensity (CI) #: Only fuels with approved CI pathways that achieve a 60% or greater GHG reduction compared to conventional diesel will be accepted. The CI is a method of quantifying the overall carbon impact of a fuel as defined by the California Air Resources Board Low Carbon Fuel Standard (LCFS). It is the supplier's responsibility to provide documentation acceptable to the City.
- D. Must meet the definition as described in the California Air Resources Board Alternative Diesel Fuel regulations and California diesel fuel regulations under Title 13, California Code of Regulations, Sections 2281-2285.

71. Bidder's/Contractors Qualifications and Requirements

I Minimum Qualifications.

MQ1. In order to receive consideration, Bidder/Contractor must have in-depth technical knowledge and three (3) years of experience within the last six (6) years in the delivery of fuel products such as gasoline, diesel or similar. A letter on company's letterhead should be sent in with the bid. If not sent with the bid it **must** be sent in within three (3) days of the request of the letter.

MQ2. In order to receive consideration the bidder should send in with their bid the three (3) required references. There is a reference form that can be found as part of the **“Required Information of All Bidders”**. **If not sent in with their bid they must submit that information within three (3) business days upon request by the City.**

II. Additional Bidder’s Qualifications and Requirements.

A. Contractor shall have and maintain, throughout the contract term, and any extension thereof, stocking levels of all products, covered by this contract, to ensure proper on time deliveries to the City’s departments. Failure to maintain adequate stock may result in the Purchaser invoking the Contractor’s Default clause (General Condition No. 48) of the contract. The levels stocked should be able to handle any emergency situation that arises.

B. Contractor shall be responsible for providing technical support and assistance to the City through Contractor’s own personnel, equipment and facilities as well as through manufacturer’s technical representatives. As part of this technical support and assistance, the Contractor shall provide personnel with in-depth technical knowledge of the products the Contractor is providing under this contract, to answer questions and offer any assistance required by City personnel, during City business hours (7:00 A.M. – 5:00 P.M.).

C. The City may require Contractor to provide, within seven (7) working business days, from the date they are requested to do so information and documentation requested by Purchaser, including but not limited to: sources of supply, distribution, dealership or agency agreements and authorizations from manufacturer(s) they claim to represent, lines of credit with financial institutions for manufacturer(s) they claim to represent, lines of credit with financial institutions and suppliers, numbers of employees, trade references and any other information to determine the Contractor’s fitness to supply the contract requirements.

D. The City reserves the right to reject any bid on which information submitted by Bidder fails to satisfy the City and/or Bidder is unable to supply information and documentation within the period of time requested. Any false statements made by a bidder in their submitted bid or any related communication/clarification may result in the disqualification of their bid from receiving further evaluation and contract award.

E. The City reserves the right to inspect Contractor’s place of business, including Contractor’s existing stock prior to award or during the contract term, to aid Purchaser in determining Contractor’s ability to satisfy the terms and conditions of the contract

G. Contractor must be capable of producing usage reports required under General Condition No. 51 of this contract.

72. City Department's Responsibilities

A. Maintain adequate stock of most commonly used items to minimize emergency orders whenever possible and as applicable to the department's operations.

B. Monitor and document Contractor's performance and furnish Purchaser copies of records, correspondence and all other documentation relevant to Contractor's performance.

C. Inspect material received from Contractor immediately upon delivery and reject or return damaged or incorrect material for replacement at no extra charge or credit.

D. Establish quality control measures, as applicable to department's operations, and provide documented reports to Purchaser and Contractor of any product defects or premature failures.

E. Provide Purchasing with documentation of unsatisfactory performance of the Contractor and receive authorization from Purchasing to place orders with another Contractor.

73. Delivery

Contractor must comply with the following delivery requirements. Failure to comply with any or all requirements may result in Purchasing invoking General Condition 48, Contractor's Default Clause.

A. Deliveries shall include all associated delivery/freight charges, F.O.B point of destination.

B. The Contractor shall provide all the following documentation for each calendar quarter on or before the 5th working day of the month following that quarter.

1. Product Transfer Documents (PTD) means a document that authenticates the transfer of ownership of fuel from a fuel reporting entity to the recipient of that fuel. A PTD is created by a fuel reporting entity to contain information collectively supplied by other fuel transaction document, may include, but not limit to, bills of lading (with affidavit), invoices, contracts, meter tickets, rail inventory sheets, Renewable Fuels Standards (RFS) product transfer documents, etc.
 2. This requirement shall apply to all successor documents as approved by CARB. Note: There may be a new document approved by January 01, 2019.
 3. The percentages of deliveries from each Pathway the vendor expects to utilize in the following quarter.
 4. The percentages will be based on estimated fuel deliveries provided by the City.
- C. Contractor shall provide written notice to the City no less than three (3) business days prior to delivery whenever there is a change in the Renewable Diesel Pathway as defined in this section. Any delivery made without prior scheduling will be rejected by the City, at no additional cost.
- D. All deliveries shall be made and accepted at the City locations indicated by the ordering department between the hours agreed upon by the ordering departments and the contractor.
- E. The vendor will provide, at its expense, an annual audit of Renewable Diesel deliveries to the City. This audit shall be performed by a 3rd party mutually agreed to by the City and vendor.
- F. The City reserves the right to independently verify delivery volumes and Carbon Intensity vales of fuel deliveries with the vendors fuel producer. The vendor will provide producers contact information when requested by the City.
- G Establish quality control measures, as applicable to department's operations, and provide documented reports to Purchaser and Contractor of any product defects or premature failures.

H..No substitutions will be allowed unless agreed to in advance by the City's departments.

I.Emergency deliveries shall be delivered by best means possible, at no additional cost to the City. Contractor shall notify the department of the estimated time of delivery.

J.All deliveries must include a packing slip and must provide the following information:

- Complete description including manufacturer's name and part number
- Quantity ordered
- Contract number and contract item numbers
- Back-ordered items and amount back-ordered
- Date back-ordered items will be delivered

K.Contractor making deliveries to locations over Marine Waters (See Attachment A for locations) must comply with the following:

(1) California Department of Fish and Game, Office of Oil Spill prevention, must be notified no less than four (4) hours and no more than twelve (12) hours prior to any fuel transfer over Marine Waters.

(2) Contractor must have valid California State Department of Fish and Game Certificate of Financial Responsibility.

(3) Contractor must have an approved "Oil Spill Contingency Plan" filed with the Office of Oil Spill Prevention of the California Department of Fish and Game.

(4) Contractor must have an "Oil Spill Response Organization" under contract or proof of ownership in enough equipment to contain and clean-up entire contents of tank truck.

(5) Contractor must be in compliance with the oil transfer regulations of the California Department of Fish and Game (OSPR).

(6) Contractor must provide a 150 foot flexible hose to make deliveries to the two Fire Boats docked at Pier 22 ½.

- I. Contractor shall make deliveries as required by various City departments to the locations listed in this document, in the quantities and frequencies individually requested and within the time required, so as not to interrupt City services and

operations. The City has many delivery locations. Contractor must be able to deliver to all the locations within the Aggregate bid upon that are listed in this document. Additional locations may be added during the term of the contract.

Any failure to deliver the fuels as requested will be subject to General Condition 17, Failure to Deliver. If Contractor fails to deliver Renewable Diesel in the manner or within the time frame called for by this contract. Or as requested by the City department. The City may purchase the fuel from its secondary vendor or from another source on the open market, if there is no secondary award made and if the City has to pay a greater price, the excess price will be charged to and collected from the Contractor. **The City will only purchase from the secondary supplier when the primary supplier can not deliver Renewable Diesel.**

- M.** Deliveries to be made by tank truck (The words "tank truck" as used herein shall be understood to mean a tractor trailer unit with trailer-mounted metal tank suitably constructed to contain the fuels as described above). The tank truck shall be labeled and constructed to meet all the requirements of the California State Highway Patrol, the Interstate Commerce Commission and any and all federal, state and local jurisdictions having control over said tank truck operation.

Designated tank trucks will be mandated for only the purpose of Renewable Diesel to assure quality control. The vendor shall provide the City with documentation certifying that the Renewable Diesel tank truck satisfies the requirements of this paragraph.

N Delivery requirement for SFMTA:

(1) The San Francisco Municipal Transportation Agency (SFMTA) operates about 600 diesel coaches. To serve the public's transportation needs, SFMTA requires that adequate supplies of Renewable Diesel fuel be on hand at all times. The Contractor shall schedule deliveries of Renewable Diesel fuel under a "**keep full**" plan which will maintain fuel tank levels at all SFMTA delivery locations at between **three-quarters (75%) full and (90%) full**. This requirement will normally require deliveries to SFMTA locations seven (7) days a week, and may require more than one delivery per day to a specific delivery point when actual usage exceeds the average.

(2) SFMTA uses the "Mytankgauge or other remote monitoring system as approved by the City" system to measure the fill status of its tanks. "Mytankgauge or other remote monitoring system as approved by the City" is a web based program that will be made available to the

winning bidder. Vendor shall use Mytankgauge or other remote monitoring system as approved by the City to manage the SFMTA account to ensure that SFMTA tanks are kept full as described above. Vendor shall ensure that all delivery staff are trained in the use of Mytankgauge. Vendor's delivery staff shall measure the fill status of each tank before making any delivery and upon completing any delivery.

(3) Vendor shall immediately suspend any delivery creating an alarm condition at any SFMTA facility. Any delivery resulting in a tank exceeding 90 % capacity shall be considered an overfill.

(4) Regarding Renewable Diesel, SFMTA and other City departments expect vendors to deliver the proper fuel, but acknowledge that a vendor may not always be able to source a sufficient supply of Renewable Diesel to meet the "keep full" levels required above. In such a circumstance, the vendor shall provide written notice to the SFMTA or other City department no less than 3 business days prior to delivery. SFMTA and the other City departments reserve the right to either satisfy the "keep full" requirement by accepting a delivery of CARB #2 Ultra-Low Sulfur fuel meeting the specifications set forth in Section 70 or by having Renewable Diesel delivered by the secondary fuel vendor. Please note that the "keep full" is an SFMTA term but all city departments retain the option to accept Carb#2 Ultra-Low Sulfur or use the secondary fuel vendor after advanced written notification that the proper fuel is not available.

(5) When making deliveries of Renewable Diesel fuel under this contract, the Contractor shall use equipment which complies with all applicable Federal, State and local governmental regulations.

(6) Vendor shall be responsible for all City costs arising from any spill of fuel resulting from a fuel delivery under this contract. .

Each delivery must be accompanied by a Loading Ticket ("rack tag") or similar document showing the quantity of fuel.

Each delivery of Renewable Diesel from new feedstock, carbon intensity value or production sources shall include a labeled, representative sample of pure Renewable Diesel for SFMTA retention. Vendor shall provide the City agency receiving the Renewable Diesel with a sample (1000 ml) of the neat (pure) Renewable Diesel for each truck load delivered. Renewable Diesel may be subject to routine testing for confirming concentrations and for compliance with specifications. This will assist the City in identifying the source of a fuel quality problem should one arise.

Failure to furnish a completed MSDS for each item required may result in rejection of the bid.
 2. Contractor shall provide to the City, current updated MSDSs for required products under this agreement. MSDSs are subject to approval by the San Francisco Department of Public Health, Environmental Service Health as to form and content

74. Price.

- A. Bid prices, mark up (plus) or down (minus) are to be firm for the term from award date through the end of the contract term as well as for any and all option year extensions.
- B. Prices used for this contract will be based on the daily average rack prices, with CAR of the Oil Price Information Service (OPIS), for Diesel Fuel, for San Francisco or Stockton, based on locations of delivery. The prices for Aggregates I through V will be based on the daily average rack in San Francisco, for Diesel. Aggregate VI will be based on the daily average rack prices for Stockton for Diesel.
- C. Prices that will be used also will be based on the published OPIS closing prices at 5:30pm-6:00 pm EST / 2:30 pm- 3:00 pm PST for the previous day. Example Monday's published closing prices will be used for the basis of Tuesday's deliveries, Friday's published prices will be used for deliveries for Saturday, Sunday and Monday, unless there is a published weekend price.
- D. **PLEASE NOTE: For the Sierra locations, Aggregate VI, all bidders must include in their mark up or down any and all considerations for the distance of the locations and the amounts of fuel that will be delivered at those locations. There will not be any additional add on to the prices bid.**
- E. Only prices that appear on City Contract Proposal Bid Sheets will be considered.

- F. In the event that the OPIS pricing ceases to be published, or is materially changed, either party may request a new basis to determine pricing for this contract. If a mutual agreement cannot be reached within a reasonable time, but no longer than thirty (30) days, this contract can be terminated with no prejudice against either party. In the event that an OPIS San Francisco or a Stockton CA. Renewable Diesel rack is published after this bid and or award, the City may choose to adopt that index at its sole discretion.
- G. In addition to the prices invoiced as based on the applicable OPIS daily rack prices plus or minus the vendors mark up or down, all taxes that are authorized by law and that can be documented may be added to the invoice.
- H. Bid prices will be inclusive of all costs to the City, including delivery/freight charges, F.O.B. point of destination. Bid prices shall be exclusive of any Federal, State, local sales, use tax and the required mandated environmental fees. If there is a discrepancy between the Bid Sheet and the People Soft Line Items, the Bid Sheet pricing will prevail. In the event of a discrepancy between the unit price and the extended price, the unit price will prevail.

75. Price Adjustment (Not Used)

76. Bid Evaluation. The bid evaluation will be based on the mark up or mark down of OPIS pricing, therefore bidders must enter their **firm fixed mark up or mark down only**. Bid prices **SHOULD NOT** include the OPIS daily average prices for either San Francisco or Stockton CA.

Bid prices will be evaluated for all Aggregates based on the estimated quantity times the bid price, mark up or mark down, per specified unit, less applicable discount payment terms offered (see Bid and Contract Condition 12), and sales tax adjustment (see Special Condition 76).

NOTE: Although there are six aggregates based on locations and quantities, this bid opportunity will be awarded as one total award, with a possible secondary award.

Separate bid evaluations will be done on both the primary and secondary categories. The awardee of the primary award cannot be awarded the secondary award.

Purchasing will attempt to evaluate this ("bid package" or "contract proposal" package) within thirty (30) days after receipt of bids(s). If Purchasing requires additional evaluation time, all bidders will be notified in writing of the new expected award date. If there is a discrepancy between the Bid Sheet and the People Soft Line Items, the Bid Sheet pricing will prevail. In the event of a discrepancy between the unit price and the extended price, the unit price will prevail.

77. Adjustment of Bid Price for Sales Tax. In accordance with Administrative Code Chapter 21.32, for bid purposes, Purchasing will reduce your bid based on any sales tax revenue the City would receive from this purchase.

78. Award. Award will be made to the lowest priced, most responsive and responsible bidder by in the Aggregate as noted on the bid sheets. Bidder must bid on all items within each Aggregate to be responsive for that Aggregate. Failure to do so will result in a rejected bid.

The City intends to award a primary supplier as well as a secondary supplier. Bidders are requested to bid on both the primary and secondary categories for all aggregates. The secondary supplier will only be used if the primary supplier can not deliver Renewable Diesel as requested.

In determining the award, Purchasing will take into consideration, but will not be limited to:

- Price (evaluated)
- Satisfactory review of bidders' qualifications.
- Any other factors deemed pertinent

79. Awarded Items. If during the term of the contract, a contract item is determined to be unacceptable for a particular use, and such is documented by a City Department and as determined by Purchasing, it is understood and agreed that the item will be canceled and removed from the contract without penalty to the City. The City's sole obligation to the supplier is payment of deliveries made prior to the cancellation date. City shall give the supplier ten days' notice prior to any cancellation. The City will purchase the required replacement item from any source and in the manner as determined by Purchasing. If a contracted item has been discontinued by the manufacturer or is deemed temporarily unavailable, it will be the responsibility of the Contractor to search the marketplace and find an acceptable equal substitute in the time required for delivery and at the contract price. Contractor must notify Purchasing by certified mail, 30 days in advance of any changes in the description of article, brand, product code or packaging. Any changes made without the approval of Purchasing will constitute default and result in the City invoking General Condition No. 19.

80. Ordering. Items to be furnished under this contract shall be ordered through a release from the appropriate citywide contract by City departments during the effective period of the contract. All invoices for payments shall show the citywide contract number, complete description of item, quantity and contract price.

81. Payment. The City agrees to pay for all products in accordance with the prices quoted in the successful bid and subject to any applicable discount provisions contained in said bid. Payments shall be made by the City to Contractor in arrears, for **completed orders**, throughout

82. Additional Items. If, in the satisfaction of governmental interests it is necessary to purchase additional items from Contractor, additional items may be added to this contract by mutual agreement of the parties. The aggregated cost of all additional items added to the contract, during the contract term, shall not exceed twenty percent (20%) of the total estimated value (cost) of the original contract. All requests to add additional items to the contract must be submitted by City Departments in writing to the Purchasing Division. All requests must include complete specifications, estimated quantities for the remainder of the contract period and a price quotation provided by the contractor, for each service. All additional items or services added to the contract shall be approved through issuance of a contract modification. In the event the aggregated cost of the contract increases by more than 20% of the total estimated value of the original contract, or the increase totals more than the Minimum Competitive Amount, the amount over 20% or the Minimum Competitive Amount, shall be bid in accordance with Standard Purchasing Procedures. The resulting bid award shall be added to the contract through a contract modification (same Contractor) or the issuance of a new contract (new Contractor) and include Contractor's name and information, complete service description, delivery information and pricing information.

SPECIAL CONDITIONS

E. Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

F. Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

G. Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

H. Before commencing any operations under this Agreement, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Failure to maintain insurance shall constitute a material breach of this Agreement.

I. Approval of the insurance by City shall not relieve or decrease the liability of Contractor hereunder.

J. If a subcontractor will be used to complete any portion of this agreement, the Contractor shall ensure that the subcontractor shall provide all necessary insurance and shall name the City and County of San Francisco, its officers, agents and employees and the Contractor listed as additional insured.

88. Failure to Execute Contract – Within ten business days of the receipt of a notice of award, the bidder to whom the contract is awarded shall deliver the required bond documents and/or specified insurance certificates to City. If the bidder fails or refuses to furnish the required bond and/or insurance within ten days after receiving notice from Purchasing, Purchasing may, at its option, determine that this bidder has abandoned its bid. Thereupon the tentative award of said contract to this bidder shall be canceled and City shall notify the bidder's surety and collect on the bidder's bond (or the check accompanying its bid shall be deposited with the Treasurer of the City and County of San Francisco for collection) and the proceeds thereof shall be retained by City as partial liquidated damages for failure of such bidder to properly file the bonds and insurance herein required. The foregoing in no way limits the

Authorized Representative, Golden Gate Petroleum

The following is hereby added to the contract:

In a San Francisco emergency, Golden Gate Petroleum will deliver Renewable Diesel with a truck within 4 to 6 hours during normal business hours and 6 to 8 hours after normal business hours, weekends and holidays. There will be no additional charged fees to the City for an emergency with truck and driver with fuel, portal to portal. The fee for the fuel will be based on a mark up or down of the OPIS price as stated in the contract. The fee for a truck and driver only to transfer location to location will be \$350.00 per hour, portal to portal. For situations that require a truck and driver with fuel to be stationary, the fee will be \$350.00 per hour, with a minimum of 24 hours, billed at 24-hour increments. If stationary, there will be two drivers working 12-hour shifts each. The price of the fuel will be based on a mark up or down of the OPIS price as stated in the contract.

The following terms are hereby modified:

1. **General Condition 39. Cooperative Agreement** is hereby deleted in its entirety.
2. **General Condition 40 Withholding** is hereby added as follows: Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations
3. **General Condition 57, Contractors Unable to do Business with the City** is hereby deleted and replaced with the following: Subject to certain exceptions, Proposers are hereby advised that this Contract is subject to the requirements of Administrative Code Chapter 12X, which prohibits the City from entering into a contract with a contractor that has its headquarters in a state that has enacted a law or laws that perpetuate discrimination against LGBT people and/or has enacted a law that prohibits abortion prior to the viability of the fetus, or a contractor that will perform any or all of the work on the contract in such a state. Chapter 12X requires the City Administrator to maintain a list of such states, defined as "Covered States" under Administrative Code Sections 12X.2 and 12X.12. The list of Covered States is available on the website of the City Administrator (<https://sfgsa.org/chapter-12x-anti-lgbt-state-ban-list>). Proposers will be required to certify compliance with Chapter 12X as part of its proposal, unless the City determines that a statutory exception applies.
4. **General Condition 61, Limitation on Contributions** is hereby deleted and replaced with the following: Through execution of this Agreement, Contractor acknowledges its obligations under Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with, or is seeking a contract with, any department of the City for the rendition of person services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, for a grant, loan or loan guarantee, or for a development agreement, from making any campaign

contribution to (a) a City elected official if the contract must be approved by that official, a board on which that official serves, or the board of a state agency on which an appointee of that official serves, (b) a candidate for that City elective office, or (c) a committee controlled by such elected official, or a candidate for that office, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve months after the date the City approves the contract. The prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 10% in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Contractor certifies that it has informed each such person of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

5. **General Condition 64, Consideration of Salary History** is hereby added to this contract as follows: Contractor shall comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." Contractor is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant to the extent that such applicant is applying for employment to be performed on this Agreement or in furtherance of this Agreement, and whose application, in whole or part, will be solicited, received, processed or considered, whether or not through an interview, in the City or on City property. The ordinance also prohibits employers from (1) asking such applicants about their current or past salary or (2) disclosing a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Contractor is subject to the enforcement and penalty provisions in Chapter 12K. Information about and the text of Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>. Contractor is required to comply with all of the applicable provisions of 12K, irrespective of the listing of obligations in this Section.

DATE: September 6, 2024
TO: Angela Calvillo, Clerk of the Board
FROM: Sailaja Kurella, Director of Office of Contract Administration and City Purchaser
SUBJECT: **Resolution to authorize amendments to Contract 1000013880 (Term Contract 70886) with Golden Gate Petroleum for renewable diesel fuel**

The Office of Contract Administration (OCA) respectfully requests approval from the Board of Supervisors to execute a fourth amendment to Contract 1000013880 (OCA Term Contract 70886) with Golden Gate Petroleum, extending the contract duration by eight months, to June 30, 2025, and increasing the contract not-to-exceed (NTE) amount by \$15,595,000 for a total NTE amount of \$102,345,000. OCA further requests authorization from the Board of Supervisors to issue subsequent amendments to Contract 1000013880, if necessary, to ensure the continued, uninterrupted delivery of renewable diesel to the City prior to final award of one or more new fuel contracts pursuant to a competitive solicitation to be issued by OCA in the coming months.

Pursuant to Administrative Code Section 21.1, OCA conducted a competitive solicitation in December 2018 for a Citywide as-needed contract to supply renewable diesel for all City departments. Golden Gate Petroleum was the lowest bidder for all aggregates (Aggregates 1-6 serving all departments within San Francisco and the Peninsula, as well as the PUC Sierras location). Golden Gate Petroleum was awarded the agreement as the Primary Contractor with an initial contract NTE amount of \$45,000,000 and a duration of two (2) years and 10 months, from June 1, 2019 to March 31, 2022.

Pricing on the contract is based on a markup or markdown on the industry index, the OPIS daily rack rate, for a given diesel type, delivery location, and gallons ordered.

The contract has been amended three (3) times:

- **Modification 1:** updated contract terms and conditions related to furnishing the City renewable diesel fuel in emergency situations
- **Modification 2:** extended the contract duration by two years and two months to May 31, 2024 and increased the NTE amount by \$23,000,000, for a total NTE amount of \$68,000,000
- **Modification 3:** extended the contract duration by five months to October 31, 2024 and increase the NTE amount by \$18,750,000, for a total NTE amount of \$86,750,000.

OCA intends to issue a comprehensive competitive solicitation in the coming months for a variety of fuels and associated fuel products necessary for City operations, including: renewable diesel and red dye diesel, gasoline, lubricants, fleet fuel cards, and potentially other fuel-related items. OCA anticipates awarding one or more new contracts for such fuels and fuel products before the end of Fiscal Year 2024-2025.

A fourth amendment to Contract 1000013880 is necessary to allow for continued renewable diesel fuel deliveries until the competitive solicitation is complete and new contract(s) are awarded.

The proposed amendment (**Modification 4**) will extend Contract 1000013880 by eight months, to June 30, 2025, and increase the contract NTE amount by \$15,595,000, to \$102,345,000, commensurate with expected expenditures for this extended duration. The proposed NTE amount for the amendment is calculated based on average monthly usage over the

life of the contract, of approximately \$1.5 million/month, and includes a 20% contingency to cover fluctuations in pricing and possible increases in spending by City departments.

Because fuel is a critical commodity for City operations, any lapse in fuel delivery can severely, and potentially immediately, impact the City's ability to perform its necessary functions. To ensure the continued, uninterrupted delivery of gasoline to the City at all times, OCA respectfully requests the Board of Supervisors to authorize the department to issue any necessary additional amendments to Contract 1000013880 should the final award and execution of a new renewable diesel contract, to be issued pursuant to OCA's upcoming competitive solicitation, be delayed. OCA requests this authorization to execute additional amendments as needed for up to a maximum duration of six (6) years and five (5) months, to October 31, 2025, and a maximum contract NTE of \$108,589,000.

This contract is critical for satisfying City departments' needs for essential fuel for the City's buses, trucks, cars and equipment. Approval of this resolution will allow City departments continued, uninterrupted procurement of this critical commodity in a streamlined and cost-efficient manner. .
