[Administrative Code - Firearms and Ammunition Procurement Policy]

Ordinance amending the Administrative Code to set an end date of June 24, 2025, to the time period within which, without complying with the firearms and ammunition procurement requirements of Administrative Code, Section 21H.4, the City may purchase firearms and ammunition from a supplier from whom it had, within the 24 months prior to June 24, 2024, purchased such goods.

Existing Law

Administrative Code Section 21H.4 sets forth minimum qualifications for suppliers to the City of firearms and ammunition. Section 21H.6(b) exempts from the requirements of 21H.4 purchases of firearms and ammunition from suppliers from whom the City purchased such goods within the 24 months prior to the effective date of Administrative Code Chapter 21H, which is June 24, 2024.

Amendments to Current Law

This ordinance would amend Section 21H.6(b) to limit the time period within which that exception applies, such that the exception would cease to apply after June 24, 2025.
