22 There are approximately 227 identified parcels within the (expanded) exterior  
23 boundaries of the Fillmore CBD.

24 Reference should be made to the detailed maps and the lists of parcels identified by  
25 Assessor Parcel Number that are contained in the Management District Plan, in order to

1 determine which specific parcels are included in the Fillmore Community Benefit District.

2       Section 4.    A public hearing on the establishment of the District, and the levy and  
3 collection of assessments starting with fiscal year 2011-2012 and continuing through fiscal

13 public hearing may correct minor defects in the proceedings. All protests submitted by  
14 affected property owners and received prior to the conclusion of the public testimony portion  
15 of the public hearing shall be tabulated to determine whether a majority protest exists.

16       Section 5.    The Board of Supervisors hereby approves the form of the Notice of Public  
17 Hearing and Assessment Ballot which are on file with the Clerk of the Board of Supervisors in  
18 File No. \_\_\_\_\_.

19       Section 6.    The proposed property-related services, improvements or activities for  
20 the District include Cleaning and Maintenance, Beautification, Marketing, Advocacy, and  
21 Public Safety:

22       **Cleaning and Maintenance Program:** The Cleaning and Maintenance program  
23 utilizes uniformed maintenance workers on a daily or other regular basis to provide services  
24 that include: area sidewalk sweeping; area curb cleaning; refuse and trash removal (building  
25 edges to gutter); removal of litter from tree basins and grates; remove and disinfect bodily

1 wastes as required; remove debris from plants, trees and greenery; remove leaves in the  
2 entire coverage area; remove trash found around and flowing out of City refuse cans; cleaning  
3 of trash cans, surrounding areas, newsracks, light poles etc.; remove unauthorized and  
4 expired postings; spot clean spills with hose or mop; report City maintenance issues to the  
5 City's 311 Customer Service Center; and report crime / safety issues to SFPD. Other  
6 services are performed periodically, including: area sidewalk steam cleaning; and weeding of  
7 tree basins and sidewalk cracks. In addition, there is on-call graffiti removal within 24 hours.

8 **Beautification:** The Fillmore CBD has previously installed decorative street tree  
9 lighting, which needs refurbishment. It has also advocated for resources and provided direct  
10 investment via grants raised towards much needed capital streetscape enhancements,  
11 plantings, trees, pedestrian lights, banners and other improvements. Within the annual  
12 budgeted assessment funds such things as wayfinding signage, additional greening, redoing  
13 tree wells, hanging flower baskets at key intersections, public art, seasonal decorations, and  
14 other enhancements, will be considered, in addition to promoting the locations of cultural  
15 facilities, eating and drinking establishments and other area amenities.

16 **Marketing:** The reauthorized CBD will continue the marketing and district promotional  
17 programs that began in 2009. The plan includes print and web based promotion and  
18 advertising and news article placements in neighborhood, city-wide and tourist publications.  
19 In addition, the CBD will continue to maintain a Facebook site and a Twitter site. Other  
20 promotional activities sponsoring local businesses and special events such as coupon books,  
21 web based small business information, and district wide special events with local businesses  
22 and organizational promotion will continue and be enhanced. The District will continue to  
23 monitor results, and adjust accordingly, as outlined in the marketing plan.

24 **Advocacy.** The purpose of advocacy is to promote the Fillmore neighborhood as a  
25 beautiful, clean, safe, and vibrant music and entertainment filled residential and small

1 business district. This goes well beyond marketing programs that create image and visibility.  
2 The larger purpose is to advocate for services and resources that increase the area's  
3 perception as a friendly, clean, and exciting place for attending performances, dining,  
4 shopping, and investing in business opportunities and properties. It is intended to support  
5 patronage growth, business growth and wellbeing for residents, workers and visitors.

6 The Executive Director of the CBD will have a key role in participating in community  
7 meetings, coordinating information between City agencies and Fillmore stakeholders related  
8 to events and issues affecting the neighborhood, speaking at hearings, and raising additional  
9 resources and investment for the district from decision makers and funders. The Executive  
10 Director will coordinate a process for regular exchange of information among Fillmore  
11 stakeholders.

12 **Public Safety.** A new element not previously provided, will be the creation of Fillmore  
13 Community Benefit District Ambassadors. Some of the cleaners will be cross-trained as  
14 Ambassadors, to be eyes and ears on the street. They will be trained in observation and  
15 reporting protocols and receive cellular telephones to interface with the SFPD and other City  
16 Agencies. Their role is one of deterrence not enforcement.

17 Section 7. Within the area encompassed by the proposed District, the City currently  
18 provides services at the same level provided to other similar areas of the City. It is the intent  
19 of the Board of Supervisors to continue to provide the area encompassed by the District with  
20 the same level of services provided to these other similar areas of the City. The  
21 establishment of the District will not affect the City's policy to continue to provide the same  
22 level of service to the areas encompassed by the District as it provides to other similar areas  
23 of the City during the duration of the District.

24 Section 8. The annual assessment proposed to be levied and collected for the first  
25 year of the renewed District (fiscal year 2011-2012) is estimated to be \$366,159. The amount

1 of the annual assessment to be levied and collected for years two through seven (fiscal years  
2 2012-2013 through 2017-2018 may be increased from one year to the next by a percentage  
3 that does not exceed either the change in the Consumer Price Index for All Urban Consumers  
4 in the San Francisco-Oakland-San Jose Consolidated Metropolitan Statistical Area, or three  
5 percent (3%), whichever is less.

6 Section 9. The Clerk of the Board is directed to give notice of the public hearing as  
7 provided in California Streets and Highways Code Section 36623, California Government  
8 Code Section 53753, California Constitution Article XIID Section 4, San Francisco Charter  
9 Section 16.112, and San Francisco Administrative Code Section 67.7-1.
