January 11, 2011 Clerk of the Board San Francisco Board of Supervisors 1 Dr. Carlton B. Goodlett Place, Room 244 San Francisco, California 94102

Dear Clerk of the Board,

I am writing this letter to apply for a public convenience and necessity resolution form the San Francisco Board of Supervisors. Here are the pertinent facts to our application;

- My name is Scott Plewacki and my daytime phone number is (415) 298-6149
- •My business is the Fatted Calf and is located at 320 Fell Street, San Francisco CA 94102
- •We are applying to transfer a type 20 license to our location from; The Wine Club, 953 Harrison St, San Francisco, CA 94107 Liquor License No; 20-309520
- •Our hours of operation are 10am to 8pm daily
- •The Fatted Calf is an artisanal charcuterie producing a wide range of hand-crafted products using high quality, natural ingredients. We use the best available products; organic and hormone free meats, superior seasonings and salts, organic herbs and produce. We produce a variety of charcuterie, pates, salami, prosciutti, confits and a large selection of fresh sausage. Our cured meats are made and aged using traditional methods. All of our fresh products are made to order in small batches to guarantee quality. All of our items are sold off premise for our customers to cook and enjoy at home. We feel that being an outlet in such a food centric city and residing in such a vibrant neighborhood, offering a small selection of craft beer and specialty wine will compliment our products and help to complete the meal at home.

I hope that the above outline satisfies the information that you would need for consideration and look forward to further review by the Board of Supervisors. I can be reached at the contact information listed above and look forward to next steps.

Many thanks

Scot Plewacki
