Subletting

19. Lessee shall not assign this Lease in any event and shall not sublet the Leased Premises or any part thereof and will not permit the use of the Leased Premises by anyone other than Lessee without prior written consent of the State.

condition, and repair, reasonable use and wear thereof and damage by acts of nature excepted. Upon termination, a qualified State representative shall inspect the Premises to determine that the Premises were left in accordance to the terms specified. In the event damage has occurred, Lessee shall assume liability for the cost to restore the Premises to its prior condition.

In the event of the failure of lessee to do so, or in the event of a breach of any of the other terms, covenants or conditions herein contained on the part of Lessee to be kept and performed and if such default continues for a period of thirty (30) days after receipt of written notice from State to Lessee of such default, this Lease may be terminated. In the event of termination of this Lease, it shall be lawful for State to reenter into and upon the Premises and every part thereof and to remove and store at Lessee's expense all property therefrom and to repossess and occupy the Premises. In the event State terminates this Lease pursuant to this paragraph, the State shall not be required to pay Lessee any sum or sums whatsoever.

Lessee further agrees that it has no claim in either law or equity against State for damages or other relief should the Lease be terminated, and waives any such claims it may have.

Hazardous Substances

37. State agrees that it will comply with all applicable laws existing during the term of this lease pertaining to the use, storage, transportation, and disposal of any hazardous substance as that term is defined in such applicable law. In the event Lessor or any of its affiliates, successors, principals, employees, or agents should incur any liability, cost, or expense, including attorney's fees and costs, as a result of the State's illegal or alleged illegal use, storage, transportation, or disposal of any hazardous substance, including any petroleum derivative, the State shall indemnify, defend, and hold harmless any of these individuals against such liability, to the extent authorized by Government Code section 14662.5. 41.
