To the Clerk of the Board,

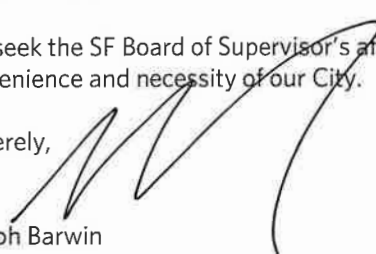

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our Type 21 license. We are taking over the premises at 1275 Fell Street in San Francisco and wish to operate a specialty bottle shop focused on craft spirits, cocktail supplies, and Alcohol-Free spirit alternatives - with a focus on items made by local and small batch producers. We are a SF and LGBT owned independent shop. While we are a neighborhood shop, much smaller than the chain stores and discount retailers, our exclusive focus on spirits helps us offer a unique and compelling selection, and one that is also differentiated from existing beer and wine retailers.

We believe our business proves to be necessary in San Francisco, as there is a passion for artisanal spirits, cocktails, and for comparable items without the alcohol. Currently there is not a retail establishment that provides this mix to consumers. We look forward to filling this need while becoming an anchor within the NOPA area. And as a business that counts many Bay Area foodies amongst its customers, we are looking forward to them getting to know the neighborhood better as well.

Our desired hours of operation are 10:00am - 8:00pm, Monday-Saturday, and 11:00am - 6:00 pm on Sunday. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times and maintain a lawful business. We are an owner-operator business with a team of craft spirit and retail enthusiasts. Our experience and love for what we do allows us to cultivate very good relationships with community leaders and members, with letters of support received from the NOPNA Neighborhood Association, as well as individual letters of support from board members and individual members.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Sincerely,

Joseph Barwin
