Hello.

Ticketing results from not adhering to the **written** signage and/or **painted curbs**. The red painted curbs won't be completed until June, but tickets will be issued on NON painted corners starting March?? So visitors from outside of SF, and SF residents, will have ZERO warning (other than 'reminders') of \$40 ticket (non painted corner)?

The corners that are painted, OK, but if MTA doesn't have the funds to complete the project until June 2025, then the **ticketing should also be on HOLD** until June '25.

Resident and Voter,

Mary O'Sullivan, District 4
