1 Be it ordained by the People of the City and County of San Francisco:

2
3 Section 1. Background and Findings.

4 (a) Overview. As of 2024, the City's Municipal Code contained multiple provisions
5 related to the payment of Prevailing Wages, including in Chapters 6 and 23 of the
6 Administrative Code and Article 102 of the Labor and Employment Code. Prevailing Wage
7 requirements have grown in complexity and length, with Chapter 6, Chapter 23, and Article
8 102 each having distinct requirements that differ from one another in significant ways.
9 Locating such provisions across multiple codes, chapters, and articles can make it more
10 difficult for City officials and employees and for the public (including, among others,
11 employees, unions, and businesses) to find and understand the requirements, which is key to
12 ensuring that workers receive legally required wage and fringe benefits. This ordinance moves
13 the Prevailing Wage requirements of Chapters 6 and 23, along with other City labor
14 requirements, to the Labor and Employment Code to consolidate them with the requirements
15 of Article 102, and improve and clarify Prevailing Wage requirements as a whole. In addition,
16 certain Prevailing Wage requirements – for instance, the penalty provisions of Labor and
17 Employment Code Article 102 – benefit from substantive amendments in this ordinance that
18 help to ensure compliance.

19 (b) Reorganization. As noted above, a key feature of this ordinance is to reorganize
20 and consolidate related legal provisions that have been scattered in the Municipal Code. In
21 particular:

22 (1) This ordinance creates Articles 101 and 103 through 109 in the Labor and
23 Employment Code. It moves the Prevailing Wage requirements and Hours and Days of Labor
24 requirements of Chapter 6 of the Administrative Code, and the Prevailing Wage,
25 Apprenticeship, and Local Hire requirements of Chapter 23 of the Administrative Code into the

1 newly created Articles 101 and 103 through 107 of the Labor and Employment Code.

2 (2) The ordinance moves many of the general provisions in Article 102 –
3 including, among others, provisions related to penalties, enforcement, and the keeping of
4 payroll records – out of Article 102 and into new articles addressing those topics.

5 (3) This ordinance consolidates the City's Prevailing Wage requirements, and
6 other labor requirements, and organizes the provisions as follows:

7 (A) Article 101 contains the general provisions for Articles 101 through
8 109, including definitions;

9 (B) Article 102 contains requirements for certain service contracts that are
10 subject to Prevailing Wage requirements;

11 (C) Article 103 includes the requirement to pay the Prevailing Rate of
12 Wages, procedures for the setting of the Prevailing Rate of Wages, and language the City
13 must include in contracts subject to Prevailing Wage requirements;

14 (D) Article 104 contains Apprenticeship requirements for real property
15 sales and leases subject to Prevailing Wage requirements;

16 (E) Article 105 contains Hours and Days of Labor requirements applicable
17 to certain Covered Projects subject to Prevailing Wage requirements;

18 (F) Article 106 contains consolidated penalty and enforcement provisions
19 for violations of the City's Prevailing Wage requirements;

20 (G) Article 107 authorizes the Office of Labor Standards Enforcement
21 ("OLSE") to administer and enforce Prevailing Wage requirements and other labor standards;

22 (H) Article 108 sets forth Local Hire requirements for real property sales
23 and leases subject to Prevailing Wage requirements; and

24 (I) Article 109 contains transition employment requirements for certain
25 City services contracts.

1 (c) Technical and Non-Substantive Amendments. The ordinance also makes technical
2 and non-substantive amendments to the text of the Administrative Code and the Labor and
3 Employment Code in order to correctly designate or reference the reorganized provisions.
4 These technical amendments include renumbered provisions and amended citations to reflect
5 the changed and/or relocated text, as well as deleted text that otherwise would be redundant
6 with another consolidated provision.

7 (d) Substantive Amendments. The ordinance makes a number of substantive
8 amendments to the City's Municipal Code. The following list is a summary of such
9 amendments, but it is not a comprehensive list or summary of those changes.

10 (1) Prior to this ordinance, Chapter 6 of the Administrative Code defined "Public
11 Work or Improvement" in multiple ways: Section 6.1 provided a general definition, and Section
12 6.22(e) provided a separate definition solely for the purpose of the Prevailing Wage
13 requirements and certain other labor standards that referenced Section 6.22(e). These
14 multiple definitions created a risk of misunderstanding. To address this problem, this
15 ordinance re-designates the classes of contracts and projects subject to Prevailing Wage
16 requirements into two categories, Covered Contracts and Covered Projects. Covered
17 Contracts is the term Article 102 of the Labor and Employment Code has used to identify
18 service contracts subject to the Prevailing Wage requirements of Article 102. Covered
19 Projects is a new term that encompasses projects that were subject to Prevailing Wage
20 requirements under Chapter 6 or Chapter 23 of the Administrative Code. There are three sub-
21 definitions within the broader definition of Covered Project:

22 (A) Covered Local Project encompasses projects that are subject to
23 Prevailing Wage requirements because they fall within Chapter 6 of the Administrative Code's
24 definition of Public Work or Improvement; they qualify as residential projects required to
25 comply with "City Contracting Requirements" pursuant to Chapter 43, Article IX of the

Administrative Code; or they are projects required to pay Prevailing Wages pursuant to the City Loan program in Administrative Code Section 66.13;

(B) Covered State Project encompasses projects that are subject to Prevailing Wage requirements as a result of the Municipal Code having incorporated and adopted by reference certain State requirements for Prevailing Wages; this includes the Municipal Code's incorporating for Prevailing Wage purposes the California Labor Code's definition of "public works"; and

(C) Covered Real Estate Project encompasses projects subject to Prevailing Wage requirements as a result of the work arising from a City property sale contract or lease.

(2) The ordinance creates a new Article 103 of the Labor and Employment Code.

(A) Section 103.1 requires that all Contractors and Subcontractors performing work on a Covered Project or a Covered Contract shall pay their workers not less than the Prevailing Rate of Wages. In addition, Section 103.1 clarifies that in situations where the rate required by the Minimum Compensation Ordinance, Labor and Employment Code Article 111, exceeds the Prevailing Rate of Wages, the worker is entitled to the higher rate of the Minimum Compensation Ordinance.

(B) Section 103.2 establishes the process by which the Board of Supervisors (the "Board") sets the Prevailing Rate of Wages under the City's Municipal Code. The ordinance sets a deadline of December 31 of each year for the Board to fix and determine the Prevailing Rate of Wages, and provides that if the Board does not do so by the deadline, the Civil Service Commission's recommended rates shall become the Prevailing Rate of Wages. This provision will help keep rates under the Labor and Employment Code reasonably in line with changes in private wage rates. In addition, because the California

1 Department of Industrial Relations generally issues two wage determinations per year for
2 recognized crafts and classifications – one determination taking effect in March, the other
3 taking effect in September – the ordinance endorses and permits the Board to update the
4 Prevailing Rate of Wages to track and match future wage determinations issued by the
5 California Department of Industrial Relations.

6 (C) Section 103.3 contains multiple requirements applicable to Covered
7 Contracts and Covered Projects. The City must generally require inclusion of these
8 requirements in its contracts; however, this ordinance confirms that a failure to do so does not
9 annul the applicability of Prevailing Wage requirements. The ordinance further specifies the
10 documentation related to the payment of wages which a Contractor must maintain and make
11 available for inspection. Covered Projects must submit certified payroll reports to OLSE;
12 however, any Covered Contract that does not also qualify as a Covered Project is exempt
13 from the certified payroll submission requirement, unless required by contract.

14 (3) This ordinance creates Articles 104 and 105 of the Labor and Employment
15 Code. Article 104 contains Apprenticeship requirements applicable to Covered Real Estate
16 Projects, and Article 105 contains Hours and Days of Labor requirements applicable to
17 Covered Local Projects and Covered Real Estate Projects. The ordinance amends the penalty
18 and enforcement provisions that apply to Articles 104 and 105, providing for enforcement
19 under Article 106. In addition, the ordinance amends Hours and Days of Labor requirements
20 to apply expressly to Covered State Projects and places the amended requirements in Article
21 105.

22 (4) This ordinance creates Article 106 of the Labor and Employment Code,
23 which establishes consolidated penalty and enforcement provisions for Prevailing Wage,
24 Apprenticeship, and Hours and Days of Labor requirements. The penalty and enforcement
25 provisions are similar to the provisions that were previously located in Section 6.22(e) of the

1 Administrative Code, with Article 106 providing for OLSE's or the contracting Department
2 Head's enforcement through issuance of a Notice of Forfeiture/Certification of Forfeiture
3 ("NOF/COF") in instances where the City can withhold funds, and OLSE's enforcement
4 through issuing a Determination of Violation ("DOV") where the City cannot withhold funds.

5 A significant substantive amendment of this ordinance in Article 106 is the
6 application of new penalties and enforcement procedures to Covered Contracts. For Covered
7 Contracts, Article 106 provides for expanded and more detailed enforcement and recourse
8 procedures, including the City's issuance of a NOF/COF or DOV for violations, recourse
9 procedures, and additional detail on a party's right to appeal.

10 (5) Under Administrative Code Chapter 23, which required Prevailing Wages on
11 certain projects related to City real estate transactions, Prevailing Wage violations were
12 subject to enforcement through the DOV process. With this ordinance, Covered Real Estate
13 Projects are now, under Section 106.2 of Article 106, subject to enforcement through the
14 NOF/COF process. However, a Covered Real Estate Project is exempt from enforcement
15 under Section 106.2 where the funds available for the City to withhold consist of funds the City
16 has agreed to disburse through a loan.

17 (6) This ordinance also amends Article 102 of the Labor and Employment
18 Code.

19 (A) The ordinance moves the Transition Employment Requirements of
20 Labor and Employment Code Section 102.1(d) to the new Article 109, and provides for OLSE
21 enforcement of the Transition Employment Requirements. The ordinance also enacts new
22 enforcement and resource provisions, incorporating the text of Sections 71.3 and 71.4 of
23 Article 71 of the Labor and Employment Code's Transition Employment Requirements, with
24 the exception of the provision allowing the City Attorney or an employee to bring an action for
25 an injunction against the award authority, which this ordinance omits.

1 (B) This ordinance makes certain other substantive amendments to
2 Article 102, including:

3 (i) For Moving Services contracts as defined under Section
4 102.6, this ordinance creates an exemption for work covered by the California Department of
5 Industrial Relations' Modular Furniture Installers (Carpenters) classification;

6 (ii) For Motor Bus Service contracts as defined under Section
7 102.7, the Purchaser no longer has discretion to omit a contract from coverage where the
8 contract would otherwise meet the requirements of the Section;

9 (iii) For Trade Show and Special Event Work on City property
10 as defined under Section 102.8, this ordinance removes the prior exemption from coverage
11 for "[a]ny permit or agreement to engage in film production pursuant to Chapter 57 of [the
12 Administrative] Code or under the circumstances set forth in Section 57.7 of [that] Code"; and
13 the ordinance clarifies the definition of "Exhibit, Display, or Trade Show Work" to include
14 enclosures, tenting, and furniture;

15 (iv) For Broadcast Services work as defined under Section
16 102.9, this ordinance deletes the exemption for work covered by a collective bargaining
17 agreement; and

18 (v) For loading and unloading of Commercial Vehicles on City
19 property as defined under Section 102.10, this ordinance deletes the prior exemption for work
20 covered by a collective bargaining agreement.

22 ~~"Appellant") within 15 days of the date of service of the Certification of Forfeiture or Determination of~~
23 ~~Violation. Appellant shall file the Appeal with the City Controller and serve a copy on the Labor~~
24 ~~Standards Enforcement Officer. Failure by the Contractor or subcontractor to submit a timely, written~~

~~—— (ii) The Office of Labor Standards Enforcement shall promptly afford Appellant an opportunity to meet and confer in good faith regarding possible resolution of the Certification of Forfeiture or Determination of Violation in advance of further proceedings under this subsection 6.22(e)(8)(C), with the intention that such meeting occur within 30 days of the date the Appeal is filed.~~

The hearing officer shall have the discretion to extend the times under this subsection 6.22(e)(8)(C), and any time requirements under the rules and regulations, only upon a showing of good cause.~~

1 ~~—— (vi) Appellant has the burden of proving by a preponderance of the evidence that the~~
2 ~~basis for the Certification of Forfeiture or Determination of Violation is incorrect, including any back~~

5 ~~written decision affirming, modifying, or dismissing the Certificate of Forfeiture or Determination of~~
6 ~~Violation. The decision of the hearing officer shall consist of findings and a determination. The hearing~~

12 ~~forfeiture as provided in the foregoing paragraphs until such time as either the Contractor or~~
13 ~~subcontractor has conceded to the forfeiture or, in the event of an Appeal, there is a determination no~~
14 ~~longer subject to judicial review. The Controller shall then distribute the amounts withheld in the~~
15 ~~following order: (1) the Labor Standards Enforcement Officer shall make best efforts to distribute back~~
16 ~~wages withheld to the individual workers identified as not having been paid the proper wage rate; (2)~~

20 ~~unclaimed for a period of three years, the Controller shall undertake administrative procedures for~~
21 ~~unclaimed funds in conformance with California Government Code Section 50050, et seq., as may be~~
22 ~~amended from time to time. This subsection 6.22(e)(8)(D) also shall be applicable to damages obtained~~

The contractor and/or subcontractor shall, in addition, be subject to the penalties set forth in Article V of this Chapter 6, including debarment. If any contractor and/or subcontractor fails to pay the amounts required under this subsection 6.22(e)(8)(E) within the required 30 days, the City may bring a civil action in a court of competent jurisdiction against the non-complying party and, upon prevailing, shall be entitled to such legal and equitable relief as may be appropriate to remedy the violation including, without limitation: (i) damages in the amount of back wages and any penalty amounts due to workers for violation of the prevailing wage requirement, which amounts the City shall, on receipt, distribute to workers following the procedures in subsection 6.22(e)(8)(D); and (ii) an award of reasonable attorney's fees and costs.~~

6 ~~is to be constructed outside of the City and at such a distance therefrom that those engaged in~~
7 ~~performing labor on the Public Work or Improvement must under ordinary conditions remain at or~~

9 ~~labor thereon, then the officer, board or commission responsible for the construction of the Public~~
10 ~~Work or Improvement may, in making specifications or letting Contracts therefor, make provision~~
11 ~~therein for days and hours of labor beyond the limitations provided for in subsection 6.22(f) of this~~

~~—(c) Prevailing Wage Rate Requirements.~~

~~—(1) Determination of Prevailing Rate of Wages. It shall be the duty of the Board of Supervisors, from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate of Wages paid in private employment in the City for Individuals engaged in services under Covered Contracts including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages shall be fixed and determined as follows:~~

~~—The Civil Service Commission shall furnish to the Board of Supervisors on or before the first Monday in November of each year, data as to the Prevailing Rate of Wages for Individuals engaged in services under Covered Contracts including such rate of wages paid for overtime and holiday work,~~

1 ~~and the Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing Rate of~~
2 ~~overtime and holiday work, as paid for similar work in the City in private employment. Such Prevailing~~
3 ~~Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force and shall~~
4 ~~be deemed to be the Prevailing Rate of Wages paid in private employment for similar work, until the~~
5 ~~same is changed by the Board of Supervisors.~~

6 ~~———— In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of~~
7 ~~Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission,~~
8 ~~but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper~~
9 ~~and thereupon base its determination upon any or all of the data or evidence considered.~~

10 ~~———— For purposes of this Section, the Civil Service Commission shall provide data on and the Board~~
11 ~~shall certify two components for each craft, classification, and type of work, which together shall be~~
12 ~~deemed the “Prevailing Rate of Wages”: (1) the basic hourly wage rate and (2) the hourly rate of each~~
13 ~~fringe benefit, which together equal the hourly prevailing rate of wages. The Civil Service Commission~~
14 ~~shall provide this data to the Board of Supervisors within days of the effective date of this Section.~~

15 ~~(2)(c)~~ **Contracting Officers.** Each bid or proposal for a Covered Contract shall include,
16 on a form provided by the Contracting Officer, the following: (a) the basic hourly rate of wages
17 to be paid by the Contractor and Subcontractor, if any, for each craft, classification, or type of
18 work to be performed by eEmployees under the Covered Contract; and (b) for each required
19 fringe benefit, the hourly cost of each fringe benefit, or cash equivalent, the Contractor and
20 Subcontractor, if any, intend to provide. In meeting the Prevailing Rate of Wages, no amount
21 of fringe benefit credit shall be used to reduce the obligation to pay the basic hourly straight
22 time or overtime wage rate. The Contracting Officer shall reject any bid or proposal that does
23 not include payment of the Prevailing Rate of Wages as defined in this Section 102.1. ~~This~~
24 ~~provision shall become operative after the Board of Supervisors adopts a “Prevailing Rate of Wages”~~
25 ~~under Subsection (c)(1) that includes a wage rate and the hourly rate of each fringe benefit.~~

1 ~~—(3) Contractual Provision Concerning Prevailing Wage Rate Requirement. All Contracts subject~~
2 ~~to this Section shall include a provision in which the Contractor agrees to comply with, and to require~~
3 ~~Subcontractors to comply with, the prevailing wage rate requirement imposed by this Section.~~

4 ~~—(4) Enforcement of Prevailing Wage Rate Requirements. Where the Contracting Officer or the~~
5 ~~Labor Standards Enforcement Officer determines that a Contractor or a Subcontractor may have~~
6 ~~violated the prevailing wage rate requirements of this Section, the Contracting Officer or Labor~~
7 ~~Standards Enforcement Officer shall send written notice to the Contractor of the possible violation (a~~
8 ~~“violation notice”). In addition to and without prejudice to any other remedy available, the~~
9 ~~Contracting Officer may terminate the Contract, in which case the Contractor shall not be entitled to~~
10 ~~any additional payment thereon unless within thirty (30) days of receipt of the violation notice the~~
11 ~~Contractor has either (i) cured the violation or (ii) established by documentary evidence, including but~~
12 ~~not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of~~
13 ~~compliance with the provisions of this Section. For purposes of this Section, where a Contractor or~~
14 ~~Subcontractor fails to pay at least the Prevailing Rate of Wages to Individuals as required by this~~
15 ~~Section, the Contractor shall have “cured the violation” once the Contractor or Subcontractor~~
16 ~~reimburses such Individuals by paying each individual the balance of what he or she should have~~
17 ~~earned in accordance with the requirements of this Section, plus an annualized rate of interest of ten~~
18 ~~percent (10%). In addition to, or instead of terminating the Contract, if the Contracting Officer or the~~
19 ~~Labor Standards Enforcement Officer finds that the Contractor has willfully violated the requirements~~
20 ~~of this Section, the Contracting Officer or the Labor Standards Enforcement Officer, shall assess a~~
21 ~~penalty (a “willful violation penalty”) of not more than ten (10%) percent of the dollar amount of the~~
22 ~~Contract, such sums to be deposited in the fund out of which the Contract is awarded or, if none exists,~~
23 ~~the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose such~~
24 ~~willful violation penalty regardless of whether the Contractor has cured the violation.~~

25

1 ~~—(d) Transition Employment Requirements. The City has an important proprietary interest in~~
2 ~~maintaining the stability of the workforce engaged by a Contractor or Subcontractor under a Covered~~
3 ~~Contract. Turnover of experienced workers resulting from a change in the City's Contractor~~
4 ~~jeopardizes the quality, efficiency, and cost-effectiveness of service provided to the City under the~~
5 ~~successor Contract. All Covered Contracts shall impose the following obligations on the Contractor~~
6 ~~and Subcontractor.~~

7 ~~—(1) Where the Contracting Officer has given notice that a Covered Contract will be bid, or where~~
8 ~~a Contractor has given notice of termination, upon giving or receiving such notice, as the case may be,~~
9 ~~the Contractor ("ending Contractor") shall, within ten days thereafter, provide to the Contracting~~
10 ~~Officer and the Purchaser, for each Employee who worked at least 15 hours per week for the ending~~
11 ~~Contractor, the name, date of hire, number of hours and months worked in total for the employer, wage~~
12 ~~rate, and employment occupation classification. This provision shall also apply to the subcontractors of~~
13 ~~the ending Contractor.~~

14 ~~—Where a Subcontractor has been terminated prior to the termination or ending of the Contract,~~
15 ~~the Subcontractor shall for the purposes of this Section be deemed an ending Contractor.~~

16 ~~—All requests for bids for Covered Contracts shall include the information listed above for~~
17 ~~Employees and shall notify prospective bidders about the Transition Employment requirements of this~~
18 ~~Section.~~

19 ~~—(2) A successor Contractor shall retain, for a six-month transition employment period, Employees~~
20 ~~who have worked at least 15 hours per week and have been employed by the ending Contractor or its~~
21 ~~Subcontractors, if any, for the preceding twelve months under the Covered Contract, providing that just~~
22 ~~cause does not exist to terminate such Employee. The ending Contractor's Employees who worked at~~
23 ~~least 15 hours per week shall be employed in order of their seniority with the predecessor within job~~
24 ~~classification and shall be paid the Prevailing Rate of Wages to which they were entitled when~~
25

1 *employed by the ending Contractor. This requirement shall be stated by the City in all initial bid*
2 *packages involving a Covered Contract.*

3 ~~— (3) If at any time a successor Contractor determines that fewer Employees are required to perform~~
4 ~~the new Contract than were required by the ending Contractor (and Subcontractors, if any), the~~
5 ~~successor Contractor shall retain Employees by seniority within job classification.~~

6 ~~— (4) During such six-month period the successor Contractor (or Subcontractor, where applicable)~~
7 ~~shall maintain a preferential hiring list of eligible covered Employees not retained by the successor~~
8 ~~Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall hire~~
9 ~~additional Employees.~~

10 ~~— (5) During the six-month period, the successor Contractor (or Subcontractor, where applicable)~~
11 ~~shall not discharge without cause an Employee retained pursuant to this Subsection. “Cause,” for this~~
12 ~~purpose, shall include, but not be limited to, the Employee’s conduct while in the employ of the ending~~
13 ~~Contractor or Subcontractor that contributed to any decision to terminate the Contract or Subcontract~~
14 ~~for fraud or poor performance, excluding permissible union-related activity.~~

15 ~~— (6) At the end of the six-month period, a successor Contractor (or Subcontractor, where~~
16 ~~applicable) shall perform a written performance evaluation for each Employee retained pursuant to~~
17 ~~this Subsection. If the Employee’s performance during such six-month period is satisfactory, the~~
18 ~~successor Contractor (or Subcontractor) shall offer the Employee continued employment under the~~
19 ~~terms and conditions established by the successor Contractor (or Subcontractor) or as required by law.~~

20 ~~— (7) All Covered Contracts subject to this Section shall include a provision in which the Contractor~~
21 ~~agrees to require any Subcontractor to comply with the obligation imposed by this Subsection (d).~~

22 ~~— (8) Successor’s Prior Employees. Notwithstanding the provisions of this Subsection (d), a~~
23 ~~successor Contractor or Subcontractor may replace an Employee otherwise entitled to be retained with~~
24 ~~a person employed by the Contractor or Subcontractor continuously for twelve months prior to the~~
25 ~~commencement of the successor Contract or Subcontract in a capacity similar to that proposed under~~

1 ~~the successor Contract or Subcontract. This provision shall apply only where the existing Employee of~~
2 ~~the successor Contractor or Subcontractor would otherwise be laid off work as a result of the award of~~
3 ~~the successor Contract.~~

4 ~~—(9) The retention requirements of this Subsection (d) shall not apply where there is no successor~~
5 ~~Contractor or Subcontractor. For example, where a Contract is for services over a single day, week, or~~
6 ~~month for a discrete nonrepeating event there is no successor and the retention requirements described~~
7 ~~herein are inapplicable.~~

8 ~~—(10) For the purposes of this Subsection (d) on Transition Employment Requirements only, the~~
9 ~~term “Employee” shall include any person who performs work under a Covered Contract but shall not~~
10 ~~include an individual who serves in a managerial, supervisory, or confidential capacity, including~~
11 ~~those individuals who would be defined as such under the Fair Labor Standards Act.~~

12 ~~—(11) Enforcement. An Employee who has not been hired or has been discharged in violation of this~~
13 ~~Section by a successor Contractor or its Subcontractor may bring an action in the Superior Court of~~
14 ~~the State of California, as appropriate, against the successor Contractor and, where applicable, its~~
15 ~~Subcontractor, and shall be awarded back pay, including the value of benefits for each day during~~
16 ~~which the violation continues, which shall be calculated at a rate of compensation not less than the~~
17 ~~higher of:~~

18 ~~—(i) The average regular rate of pay received by the Employee during the last three years of the~~
19 ~~Employee’s employment in the same occupation classification; or~~

20 ~~—(ii) The final regular rate received by the Employee.~~

21 ~~—If the Employee is the prevailing party in any such legal action, the Court shall award reasonable~~
22 ~~attorney’s fees and costs as part of the costs recoverable.~~

23 ~~—(12) This Section is not intended to create a private right of action against the City and County of~~
24 ~~San Francisco.~~

1 — ~~(13) If during the term of a Covered Contract, a Contractor (or Subcontractor engaged by said~~
2 ~~Contractor) violates the worker transition requirements of this Subsection (d), the Contractor or~~
3 ~~Subcontractor shall be subject to the enforcement remedies as set forth in Subsection (c)(4), including~~
4 ~~termination of the Contract or Subcontract and penalties for willful violation.~~

5 **(de) Requirement of Employer-Employee Relationship.**

6 (1) The City has an important proprietary interest in maintaining the stability
7 of the workforce engaged by a Contractor for a Covered Contract by ensuring that individuals
8 working pursuant to City contracts have the protections afforded by ~~s~~State and municipal laws
9 governing employment. In order for the City to maintain the integrity of its contracting process,
10 the ~~e~~City's ~~p~~Prevailing ~~w~~Wage laws ensure contractors a level playing field on which to bid for
11 contracts. When contractors are allowed to classify workers as independent owner operators,
12 contractors can appear to pay the ~~p~~Prevailing ~~w~~Wage when in reality, after the owner
13 operator's operating costs are taken into account, the owner operator receives less than the
14 ~~p~~Prevailing ~~w~~Wage for the owner operator's ~~his or her~~ labor. This outcome contradicts one of the
15 goals of the ~~p~~Prevailing ~~w~~Wage law, which is to provide for fair competition among contractors,
16 all of whom must pay workers, at a minimum, the same ~~p~~Prevailing ~~r~~Rate of ~~w~~Wages and
17 benefits. The City's proprietary interest is such that employment of Employees in an
18 Employer-Employee relationship shall be required for all work done under any Covered
19 Contract.

20 (2) Every Covered Contract shall require the Contractor (and Subcontractors,
21 if any) to perform said Covered Contract, with Individuals employed by said Contractor or
22 Subcontractor in an Employer-Employee relationship as defined by California law.

23 (3) No Covered Contract shall be awarded by the City to a Contractor and/or
24 Subcontractor who proposes to perform the Covered Contract with self-employed persons or
25 independent contractors.

1 (4) If during the term of a Covered Contract, a Contractor (or Subcontractor
2 engaged by said Contractor) engages any self-employed persons or independent contractors
3 to perform the Contract for a period of three ~~(3)~~ days or more, the Contractor or Subcontractor
4 shall be subject to the enforcement remedies as set forth in ~~Subsection (e)(4), Article 106,~~
5 including termination of the Covered Contract or ~~Subcontract~~subcontract under Section 106.4, and
6 penalties ~~for willful violation.~~

7 (5) Contractors shall be fully responsible for the compliance of
8 Subcontractors with this ~~provision~~ subsection (d). Contractors shall be jointly and severally liable
9 for any penalties assessed against their Subcontractors in the event that the Subcontractor is
10 unable or unwilling to pay a penalty.

11 ~~(ef)~~ **Preemption.** Nothing in this Section 102.1 shall be interpreted or applied so as
12 to create any power or duty in conflict with any federal or ~~s~~State law.

13 ~~(fg)~~ **No Cause of Action Against City.** This Section 102.1 is not intended to create
14 a private right of action against the City.

15 ~~(gh)~~ **Prospective Application.** This Section 102.1 is intended to have prospective
16 effect only, and shall not be interpreted to impair the obligations of any pre-existing Contract
17 entered into by the City. This Section shall only apply to Contracts entered into on or after the
18 effective date of this Section.

19 ~~(hi)~~ **Severability.** If any part or provision of this Section 102.1, or the application
20 thereof to any Person or circumstance, is held invalid, the remainder of this Section, including
21 the application of such part or provisions to other Persons or circumstances, shall not be
22 affected thereby and shall continue in full force and effect. To this end, the provisions of this
23 Section are severable.

22 the application of such part or provisions to other Persons or circumstances, shall not be
23 affected thereby and shall continue in full force and effect. To this end, the provisions of this
24 Section are severable.

3
4 Section 9. The Labor and Employment Code is amended by adding Article 103, consisting of
5 Sections 103.1 through 103.3, to read as follows:

6 **ARTICLE 103: PREVAILING WAGES**

7 **SEC. 103.1. GENERAL REQUIREMENT.**

8 *All Contractors and Subcontractors performing work on a Covered Project or a Covered*
9 *Contract as defined in Article 101 shall pay their workers on such project or contract not less than the*
10 *Prevailing Rate of Wages as set under Section 103.2, or the rate required by the Minimum*
11 *Compensation Ordinance, Labor and Employment Code Article 111, whichever is higher.*
12

13 **SEC. 103.2. DETERMINATION OF THE PREVAILING WAGE.**

14 *It shall be the duty of the Board of Supervisors ("the Board"), from time to time and at least*
15 *once during each calendar year, to fix and determine the Prevailing Rate of Wages as follows:*

16 *(a) On or before the first Monday in November of each year, the Civil Service Commission*
17 *("the Commission") shall furnish to the Board data as to the highest general Prevailing Rate of Wages*
18 *of the various crafts and kinds of labor as paid in private employment in the City, plus "per diem*
19 *wages" and wages for overtime and holiday work. "Per diem wages" means "per diem wages" as*
20 *defined in California Labor Code Sections 1773.1 and 1773.9, as amended from time to time. Based on*
21 *the data, the Commission shall also recommend to the Board rates for the Prevailing Rate of Wages.*

22 *(b) The Board of Supervisors shall, upon receipt of such data, fix and determine the Prevailing*
23 *Rate of Wages no later than December 31 of that year. If the Board does not fix and determine the*
24 *Prevailing Rate of Wages by December 31, the Commission's recommended rates shall become the*
25 *effective Prevailing Rate of Wages for the coming calendar year.*

1 (c) The Prevailing Rate of Wages as so fixed and determined by the Board (or as described
2 above set by the Commission in the absence of Board action by December 31) shall remain in force and
3 be deemed to be the highest general Prevailing Rate of Wages paid in private employment for similar
4 work, until the same is changed for that calendar year by the Board.

5 (d) Unless the Board expressly states otherwise, the Prevailing Rate of Wages as set by the
6 Board (or as described above set by the Commission in the absence of Board action by December 31)
7 shall track and match future wage determinations issued by the California Department of Industrial
8 Relations.

9 (e) In determining the highest general Prevailing Rate of Wages, as provided for in this Section
10 103.2, the Board shall not be limited to the consideration of data furnished by the Commission, but may
11 consider such other evidence upon the subject as the Board shall deem proper and thereupon base its
12 determination upon any or all of the data or evidence considered.

13 (f) In the event that the highest general Prevailing Rate of Wages are not fixed and determined
14 under this Section 103.2 for any calendar year, the rates established by the California Department of
15 Industrial Relations for such year shall be deemed adopted; and if the Department of Industrial
16 Relations does not so establish a rate for a craft or kind of labor, the most recent rate set under Section
17 103.2 for that craft or kind of labor shall remain in effect.

18
19 **SEC. 103.3. ADDITIONAL REQUIREMENTS AND CONTRACTUAL PROVISIONS.**

20 (a) Contractual Prevailing Wage Requirements. The City shall include in each contract,
21 lease, or any other type of agreement that includes or contemplates a Covered Project or Covered
22 Contract, the requirement that Contractors and Subcontractors performing work on the Covered
23 Project or Covered Contract pay Prevailing Wages in accordance with the requirements of this Article
24 103. The failure of the City to comply with this subsection (a) shall not void or annul the requirements
25 imposed by this Article 103 on Contractors and Subcontractors.

1 **(b) Subcontractors Bound by Wage Provisions.** *Every contract, lease, or any other type of*
2 *agreement that includes or contemplates a Covered Project or Covered Contract shall contain a*
3 *provision requiring the Contractor and/or any Subcontractor to insert in every subcontract, sublease,*
4 *or any other arrangement the requirement that the Subcontractor shall pay to all persons performing*
5 *labor or work for a Covered Project, or rendering service for a Covered Contract, the highest general*
6 *Prevailing Rate of Wages as fixed and determined in accordance with Section 103.2. This requirement*
7 *shall apply to any subcontract, sublease, or other arrangement that the Contractor or Subcontractor*
8 *may make for the performance of any work or labor for a Covered Project, or services for a Covered*
9 *Contract. The failure of a Contractor or Subcontractor to comply with this subsection (b) shall not void*
10 *or annul the requirement that any work or labor performed under any subcontract, sublease, or other*
11 *arrangement made by the Contractor or Subcontractor for work or labor for a Covered Project or*
12 *services for a Covered Contract must be paid at the highest general Prevailing Rate of Wages as fixed*
13 *and determined in accordance with Section 103.2.*

14 **(c) Additional Required Contract Provisions.** *Every contract, lease, or any other type of*
15 *agreement for a Covered Project or Covered Contract shall contain provisions stating the following:*
16 **(1) the Contractor will cooperate fully with the Labor Standards Enforcement Officer**
17 *and other City employees and agents authorized to assist in the administration and enforcement of the*
18 *Prevailing Wage requirements and other labor standards imposed on the Contractor by the Charter or*
19 *the Municipal Code;*

20 **(2) the Contractor agrees that the Labor Standards Enforcement Officer, and the**
21 *Officer's designees, in the performance of their duties, shall have the right to engage in random*
22 *inspections of job sites and to have access to the employees of the Contractor, employee time sheets,*
23 *inspection logs, Contractor daily logs, payroll records, employee paychecks, employee paystubs, and*
24 *proof of payment documents;*
25

1 (3) the Contractor shall maintain a record in the format prescribed by OLSE of sign-in
2 and sign-out showing which employees have been present on the job site;

3 (4) the Contractor shall prominently post at each job site a sign informing employees
4 that the project is subject to the City's Prevailing Wage requirements and that these requirements are
5 enforced by the Labor Standards Enforcement Officer; and

6 (5) the Labor Standards Enforcement Officer may audit such records of the Contractor
7 or Subcontractor as the Labor Standards Enforcement Officer reasonably deems necessary to
8 determine compliance with the Prevailing Wage and other labor standards imposed by the Charter or
9 the Municipal Code.

10 Failure to comply with any of these requirements may result in penalties and forfeitures
11 consistent with analogous provisions of the California Labor Code, including Section 1776(h), as
12 amended from time to time.

13 (d) **Contract Documents to Include Wage Rate.** The Department Head shall include in the
14 contract specifications or other contract document, or make available in the offices of the department
15 or at the job site, a detailed statement of the Prevailing Rate of Wages as fixed and determined in
16 accordance with Section 103.2 as of the time the department issued the Advertisement For Bids or
17 Solicitation on the contract. The Contractor shall agree to pay to all persons performing covered work
18 or labor on or for the Covered Project or Covered Contract the highest general Prevailing Rate of
19 Wages as determined in accordance with Section 103.2. If the contract documents do not include the
20 Prevailing Rate of Wages, the specifications or contract documents shall include a statement that
21 copies of the Prevailing Rate of Wages as fixed and determined in accordance with Section 103.2 are
22 on file at the department's principal office or at the job site and shall be made available to any
23 interested party on request.

1 **(e) Records.**

2 **(1) Records to be Kept by Contractors and Subcontractors.** *In every instance where*
3 *the Municipal Code or a contractual arrangement – including, without limitation, any agreement,*
4 *contract, franchise, lease, or permit – with the City requires a Contractor or Subcontractor to pay*
5 *Prevailing Wages, the subject contract or subcontract shall contain a provision that the contractor or*
6 *subcontractor shall keep, or cause to be kept, for a period of four years from the date of completion of*
7 *the subject work, payrolls and basic records including time cards, trust fund reports, apprenticeship*
8 *agreements, accounting ledgers, tax forms, proof of payment, and superintendent and foreperson daily*
9 *logs for all trades workers performing work. For purposes of this subsection (e)(1), “completion of the*
10 *subject work” means substantial completion for Covered Projects and the last day of covered work for*
11 *Covered Contracts. Such records shall include the name, address, and social security number of each*
12 *worker who worked on the project or under the contract, including apprentices, worker classification, a*
13 *general description of the work each worker performed each day, the rate of pay (including rates of*
14 *contributions for, or costs assumed, to provide fringe benefits), daily and weekly number of hours*
15 *worked, deductions made, and actual wages paid. Every Subcontractor who shall undertake the*
16 *performance of any part of a project or contractual arrangement subject to this Article 103 shall keep a*
17 *like record of each person engaged in the execution of the subcontract.*

18 **(2) Maintenance and Submission of Certified Payroll Records.**

19 **(A)** *Each Contractor and Subcontractor subject to this Article 103 shall maintain*
20 *weekly certified payroll records, and shall submit those certified payroll records to the City using the*
21 *Office of Labor Standards Enforcement’s certified payroll reporting system. The awarding department*
22 *may provide by contract for additional payroll maintenance or payroll submission requirements. All*
23 *certified payroll records shall be accompanied by a statement of compliance signed by the Contractor*
24 *or Subcontractor indicating that the payroll records are correct and complete, that the wage rates*
25

1 contained therein are not less than those determined in accordance with Section 103.2, and that the
2 classifications set forth for each employee conform with the work performed.

3 **(B) Exemption.** Unless otherwise provided by contract, Covered Contracts that
4 do not qualify as a Covered Project are exempt from the requirement that the Contractor submit
5 certified payroll records to the City.

6 (3) All such records as described in this subsection (e) shall at all times be open to
7 inspection and examination of the duly authorized officers and agents of the City, including
8 representatives of the Office of Labor Standards Enforcement.

9 (4) Should the Department Head or the Labor Standards Enforcement Officer determine
10 that a Contractor or Subcontractor is not in compliance with the requirements of this subsection (e),
11 the Department Head or the Labor Standards Enforcement Officer shall issue written notification to the
12 Contractor or Subcontractor mandating compliance within not fewer than 10 calendar days from the
13 date of the notification. Should the Contractor or Subcontractor fail to comply as required in the
14 notification, the Department Head who executed the contract or the Labor Standards Enforcement
15 Officer may impose penalties consistent with analogous provisions of the California Labor Code,
16 including Section 1776, as amended from time to time, for each calendar day of noncompliance, or
17 portion thereof, for each worker. Upon the request of the responsible Department Head or the Labor
18 Standards Enforcement Officer, the Controller shall withhold these penalties from progress payments
19 then due or to become due.

20 **(f) City as Third Party Beneficiary.** The City shall in each contract, lease, or any other
21 type of agreement that includes or contemplates work qualifying as a Covered Real Estate Project: (1)
22 a provision naming the City, affected workers, and employee organizations formally representing
23 affected workers, as third party beneficiaries for the limited purpose of having the right to enforce the
24 Prevailing Wage requirements of Article 103 and apprenticeship requirements of Article 104, including
25 the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with

1 Articles 103 through 106 and (2) a provision requiring the Real Property Contracting Party to
2 reasonably cooperate with the City in any action or proceeding against a Contractor or Subcontractor
3 that fails to pay the Prevailing Rate of Wages or employ Apprentices as required. A Real Property
4 Contracting Party that requires the payment of Prevailing Wages and employment of Apprentices in the
5 Covered Project, and that reasonably cooperates with the City in any enforcement action, shall not be
6 in breach of the applicable sales contract or lease with the City due to a Contractor's or
7 Subcontractor's failure to pay the Prevailing Rate of Wages or employ Apprentices. So long as the Real
8 Property Contracting Party satisfies the requirements of the previous sentence, and has not directly
9 performed trade work on the Covered Project, any enforcement action by the City, through the City's
10 Labor Standards Enforcement Officer or otherwise, shall be directly against the Contractor or
11 Subcontractor that failed to pay Prevailing Wages or employ Apprentices as required. Nothing in this
12 Article 103 shall limit the remedies available to a City department, as set forth in the applicable sales
13 contract or lease, for a Real Property Contracting Party's failure to require the payment of the
14 Prevailing Rate of Wages or the employment of Apprentices in a Covered Project, or for a Real
15 Property Contracting Party's failure to reasonably cooperate with the City in any enforcement action
16 as set forth above.

17 (g) Where the Covered Project involves Housing Development on real property sold by the
18 City, the requirements of this Article 103 shall terminate upon issuance of a final certificate of
19 occupancy for the Covered Project, so long as future construction work and/or other future activities
20 do not fall within the meaning of Covered Contract or Covered Project.

21
22 Section 10. The Labor and Employment Code is amended by adding Article 104,
23 consisting of Sections 104.1 through 104.3, to read as follows:

5 *Apprenticeship Program as set forth in the California Labor Code, Division 3, Chapter 4 commencing*
6 *at Section 3070, and Section 1777.5 of the California Labor Code, as each may be amended from time*
7 *to time.*

8
9 **SEC. 104.2. CONTRACTUAL APPRENTICESHIP REQUIREMENTS.**

10 *The City shall in each contract, lease, or any other type of agreement that includes or*

13 *104.1.*

14
15 **SEC. 104.3. SUBCONTRACTORS BOUND BY APPRENTICESHIP PROVISIONS.**

16 *In each contract, lease, and/or other type of agreement that includes or contemplates work*
17 *qualifying as a Covered Real Estate Project, the City shall require the Contractor to insert in every*
18 *subcontract or other arrangement, which the Contractor or Subcontractor may make for the*
19 *performance of any work or labor on the Covered Real Estate Project, the requirement that the*
20 *Subcontractor shall employ Apprentices in accordance with Section 104.1.*

21
22 Section 11. The Labor and Employment Code is amended by adding Article 105,
23 consisting of Sections 105.1 through 105.3, to read as follows:
24
25

1 **ARTICLE 105: HOURS AND DAYS OF LABOR**

2 **SEC. 105.1. GENERALLY.**

3 *For the purpose of meeting prevailing conditions and enabling employers to secure a sufficient*
4 *number of satisfactory workers and artisans, no person performing labor or rendering service in the*
5 *performance of any contract or subcontract for any Covered Project as defined in Article 101 shall*
6 *perform labor for a longer period than five days (Monday through Friday) of eight hours each, with*
7 *two 10-minute breaks per eight-hour day, except in those crafts in which a different work day or week*
8 *now prevails by agreement in private employment. Any person working hours in addition to the above*
9 *shall be compensated in accordance with the prevailing overtime standards and rates.*

10
11 **SEC. 105.2. NONCOMPLIANCE AND FORFEITURE.**

12 *Any Contractor or Subcontractor who violates any provision of this Article 105 shall be liable*
13 *for the same penalties and forfeits as those specified in Article 106; penalties and forfeits shall be*
14 *applicable for each laborer, mechanic, or artisan employed for each calendar day or portion thereof*
15 *whereon such laborer, mechanic, or artisan is compelled or permitted to work more than the days and*
16 *hours specified herein. The provisions of this Article 105 shall be made a part of all contracts and*
17 *subcontracts for any Covered Project.*

18
19 **SEC. 105.3. CONTRACTS OUTSIDE CITY AND COUNTY.**

20 *In the event that any Covered Project is to be constructed outside of the City and at such a*
21 *distance therefrom that those engaged in performing labor on the Covered Project must under ordinary*
22 *conditions remain at or near the site of the Covered Project when not actually engaged in the*
23 *performance of labor thereon, then the officer, board, or commission responsible for the construction*
24 *of the Covered Project may, in making specifications or letting contracts therefor, make provision*
25 *therein for days and hours of labor beyond the limitations provided for in Article 105; but not to exceed*

1 eight hours in any calendar day, or six days in any calendar week. In the event that emergency
2 conditions arise, making a change advisable during the performance of any such contract, or any
3 portion thereof, the hours and days of labor may be extended beyond the limits hereinabove expressed;
4 but not to exceed eight hours per day, upon the written authority of the officer, board, or commission
5 awarding such contract. Failure of the Contractor to perform such contract within the time provided
6 shall not constitute an emergency.

7
8 Section 12. The Labor and Employment Code is amended by adding Article 106,
9 consisting of Sections 106.1 through 106.7, to read as follows:

10 **ARTICLE 106: PENALTIES, FORFEITURE, AND ENFORCEMENT**

11 **SEC. 106.1. PENALTY AND FORFEITURE.**

12 Any Contractor or Subcontractor who fails or neglects to comply with the requirements of
13 Article 103, Article 104, and/or Article 105 shall forfeit to the City back wages due plus penalties.
14 Penalties shall be forfeited in amounts consistent with analogous provisions of the California Labor
15 Code as amended from time to time, including Sections 1775, 1777.7, and 1813, but not less than \$50
16 for each calendar day, or portion thereof, for each worker not paid or otherwise not employed in
17 compliance with the requirements of Article 103, Article 104, and/or Article 105. A Contractor shall be
18 jointly and severally liable for the forfeitures of its Subcontractor(s). In addition, any Contractor or
19 Subcontractor who fails or neglects to comply with the requirements of Article 103, Article 104, and/or
20 Article 105 shall be subject to the penalties set forth in Article V of Chapter 6 of the Administrative
21 Code, including debarment.

22
23 **SEC. 106.2. WITHHOLDING OF FUNDS.**

24 For any Covered Project or Covered Contract under which the City has the ability to withhold
25 funds, it shall be the duty of the officer, board, or commission under whose jurisdiction said Covered

1 Project or Covered Contract is being carried on, constructed, or performed, when certifying to the
2 Controller any payment which may become due under said Contract, to deduct from said payment or
3 payments the total amount of any forfeiture provided for in Section 106.1. In doing so, the Department
4 Head must also notify in writing the Labor Standards Enforcement Officer of the Department Head's
5 action. The Labor Standards Enforcement Officer may also, upon written notice to the Department
6 Head responsible for the project, certify to the Controller any forfeiture(s) to deduct from any payment
7 as provided for in this Section 106.2. Certification of forfeitures under this Section 106.2 shall be made
8 only upon an investigation and audit by the responsible Department Head or the Labor Standards
9 Enforcement Officer and upon service of written notice to the Contractor that includes identification of
10 the grounds for the forfeiture or forfeitures ("Certification of Forfeiture"). The audit supporting the
11 forfeiture shall be appended to the Certification of Forfeiture, but failure to append such
12 documentation shall not invalidate the Certification of Forfeiture. Service of the Certification of
13 Forfeiture shall be made by United States mail and the date of service shall be the date of mailing. The
14 Controller, in issuing any warrant for any such payment, shall deduct from the amount which would
15 otherwise be due on said payment or payments the amount of said forfeiture or forfeitures as so
16 certified. This Section 106.2 does not provide for the withholding of funds disbursed through a City
17 loan for a Covered Real Estate Project.

18
19 **SEC. 106.3. WHERE THE CITY DOES NOT HAVE THE ABILITY TO WITHHOLD FUNDS.**

20 A Covered Project or Covered Contract subject to the procedures and/or requirements of
21 Section 106.2 shall not be subject to the procedures and requirements of Section 106.3. For any
22 Covered Project or Covered Contract for which the City does not have the ability to withhold funds, the
23 Labor Standards Enforcement Officer shall determine whether a Contractor and/or a Subcontractor
24 has failed to comply with the Prevailing Wage Provisions. If after conducting an investigation, the
25 Labor Standards Enforcement Officer determines that a violation has occurred, the Labor Standards

1 Enforcement Officer shall issue to and serve a Determination of Violation on the Contractor and/or any
2 Subcontractor, which sets forth the basis of the determination and orders payment of back wages due
3 plus penalties in amounts consistent with Section 106.1. A Contractor shall be jointly and severally
4 liable for the violations and liabilities set forth in a Determination of Violation issued to its
5 Subcontractor(s). Service of the Determination of Violation shall be made by United States mail and
6 the date of service shall be the date of mailing.

7
8 **SEC. 106.4. TERMINATION.**

9 In addition to and without prejudice to any other remedy available, the Department Head may
10 terminate a Covered Contract unless within 30 days of service of the Certification of Forfeiture or
11 Determination of Violation, the Contractor has either: (i) cured the violation; or (ii) established by
12 documentary evidence, including but not limited to payroll records, the truth and accuracy of which is
13 attested to by affidavit, proof of compliance with the applicable sections of the Prevailing Wage
14 Provisions. Upon a termination under this Section 106.4, the Contractor shall not be entitled to any
15 additional payment under the Covered Contract.

16
17 **SEC. 106.5. RECOURSE PROCEDURE.**

18 A Contractor and/or a Subcontractor may appeal from a Certification of Forfeiture under
19 Section 106.2 or Determination of Violation under Section 106.3. The Controller shall adopt and
20 maintain rules for any appeal under this Section 106.5, which rules shall be consistent with the
21 following:

22 (a) Any appeal from a Certification of Forfeiture or a Determination of Violation (each type
23 of appeal referred to in this Section 106.5 as the "Appeal") shall be filed in writing by the Contractor
24 and/or Subcontractor (referred to in this Section 106.5, whether individually or together, as the
25 "Appellant") within 15 days of the date of service of the Certification of Forfeiture or the

1 Determination of Violation. Appellant shall file the Appeal with the Controller and serve a copy on the
2 Labor Standards Enforcement Officer. Failure by the Contractor or Subcontractor to submit a timely,
3 written Appeal shall constitute concession to the forfeiture or determination, and the forfeiture or
4 determination shall be deemed final upon expiration of the 15-day period.

5 (b) Upon being served with the Appeal, the Office of Labor Standards Enforcement shall
6 promptly afford Appellant an opportunity to meet and confer in good faith regarding possible
7 resolution of the Certification of Forfeiture or Determination of Violation in advance of further
8 proceedings under this Section 106.5, with the intention that such meeting occur within 30 days of the
9 date the Appeal is filed.

10 (c) After the expiration of 30 days following the date the Appeal is filed, any party may
11 request in writing, with concurrent notice to all other parties, that the Controller appoint a hearing
12 officer to hear and decide the Appeal ("Hearing Officer"). If no party requests appointment of a
13 Hearing Officer, the Certification of Forfeiture or Determination of Violation shall be deemed final on
14 the 60th day after the date the Appeal is filed.

15 (d) Within 15 days of receiving a written request for appointment of a Hearing Officer
16 under subsection (c), the Controller shall appoint an impartial hearing officer and promptly notify the
17 enforcing official and Appellant, and their respective counsel or authorized representative, if any, of
18 the appointment. The Hearing Officer shall be an Administrative Law Judge with at least 10 years of
19 experience with the City and not less than two years of experience in labor law, Prevailing Wage,
20 and/or wage and hour matters; or shall be an attorney with knowledge of and not less than five years of
21 experience in labor law, Prevailing Wage, and/or wage and hour matters.

22 (e) The Hearing Officer shall promptly set a date for a hearing. The hearing shall
23 commence within 45 days of the date of the notification of the Hearing Officer appointment, and
24 conclude within 75 days of such notice. The Hearing Officer shall conduct a fair and impartial
25 evidentiary hearing in conformance with the time limitations set forth in this Section 106.5 and in the

1 rules, so as to avoid undue delay in the resolution of any appeal. The Hearing Officer shall have the
2 discretion to extend the times under this Section 106.5, and any time requirements under the rules and
3 regulations, only upon a showing of good cause.

4 (f) Appellant has the burden of proving by a preponderance of the evidence that the basis
5 for the Certification of Forfeiture or Determination of Violation is incorrect, including any back wage
6 and penalty assessments that are at issue in the Appeal.

7 (g) Within 30 days of the conclusion of the hearing, the Hearing Officer shall issue a written
8 decision affirming, modifying, or dismissing the Certificate of Forfeiture or Determination of Violation.
9 The decision of the Hearing Officer shall consist of findings and a determination. The Hearing Officer's
10 findings and determination shall be the City's final determination.

11 (h) Appellant may appeal a final determination under this Section 106.5 only by filing in the
12 San Francisco Superior Court. The Appellant may appeal the final administrative decision only by
13 filing in San Francisco Superior Court a petition for a writ of mandate under California Code of Civil
14 Procedure, Section 1094.5 et seq., as applicable, and as may be amended from time to time.

15
16 **SEC. 106.6. DISTRIBUTION OF FORFEITURE AND DAMAGES.**

17 (a) The Controller shall withhold any forfeiture as provided in Section 106.2 until such time as
18 either the Contractor or Subcontractor has conceded to the forfeiture or, in the event of an Appeal,
19 there is a determination no longer subject to judicial review. The Controller shall then distribute the
20 amounts withheld in the following order:

21 (1) the Labor Standards Enforcement Officer shall make best efforts to distribute back
22 wages withheld to the individual workers identified as not having been paid the proper wage rate;

23 (2) the penalty sums provided for above shall inure to the benefit of the general fund of
24 the City;

1 (3) the Controller shall hold the balance of any back wages in escrow for workers who
2 the Labor Standards Enforcement Officer, despite best efforts, cannot locate. In the event back wages
3 are unclaimed for a period of three years, the Controller shall undertake administrative procedures for
4 unclaimed funds in conformance with California Government Code Section 50050, et seq., as may be
5 amended from time to time.

6 (b) The order of distribution set forth in subsection (a) also shall apply to damages obtained as
7 a result of a payment on a Determination of Violation under Section 106.3 or to an enforcement action
8 pursuant to Section 106.7, as applicable.

9
10 **SEC. 106.7. REMEDIES FOR NON-COMPLIANCE WITH DETERMINATION OF VIOLATION.**

11 No later than 30 days after receipt of a Determination of Violation or, in the case of an Appeal,
12 no later than 30 days after an adverse final determination by the Hearing Officer, the Contractor
13 and/or Subcontractor shall comply with the Determination of Violation by paying the amounts due for
14 back wages and any penalty amount as set forth in the Determination of Violation or final
15 determination. The Contractor and/or Subcontractor shall, in addition, be subject to the penalties set
16 forth in Section 106.1, including debarment. If any Contractor and/or Subcontractor fails to pay the
17 amounts required under this Section 106.7 within the required 30 days, the following shall apply:

18 (a) The City may bring a civil action in a court of competent jurisdiction against the non-
19 complying party and, upon prevailing, shall be entitled to such legal and equitable relief as may be
20 appropriate to remedy the violation including, without limitation: (i) damages in the amount of back
21 wages and any penalty amounts due to workers for violation of the Prevailing Wage requirement,
22 which amounts the City shall, on receipt, distribute to workers following the procedures in Section
23 106.6; and (ii) an award of reasonable attorney's fees and costs.

24 (b) For a Covered Real Estate Project, each worker entitled to back pay, as set forth in the
25 Determination of Violation or, where a Hearing Officer has decided the matter, as set forth in the

1 decision of the Hearing Officer, may bring a civil action in a court of competent jurisdiction against the
2 non-complying party and, upon prevailing, shall be entitled to such legal and equitable relief as may be
3 appropriate to remedy the violation including, without limitation: (i) damages in the amount of back
4 wages due to such workers for violation of the prevailing wage and/or penalties due for violation of the
5 apprenticeship requirements; and (ii) an award of reasonable attorney's fees and costs. An employee
6 organization that formally represents a worker or workers entitled to bring a civil action under this
7 subsection 106.7(b) may do so on behalf of the worker or workers, with the same range of possible
8 legal and equitable relief, including attorney's fees, as would be available in an action brought by the
9 worker or workers.

10
11 Section 13. The Labor and Employment Code is amended by adding Article 107,
12 consisting of Sections 107.1 through 107.3, to read as follows:

13 **ARTICLE 107: LABOR STANDARDS ENFORCEMENT OFFICER**

14 **SEC. 107.1. LABOR STANDARDS ENFORCEMENT OFFICER.**

15 (a) Subject to the approval of the Mayor and Director of the Department of Administrative
16 Services, the Labor Standards Enforcement Officer shall develop and administer a plan for the
17 enforcement of, and is authorized to enforce, the Prevailing Wage requirements and other labor
18 standards imposed by the Charter, the Prevailing Wage Provisions, and/or Chapter 6 of the
19 Administrative Code. The Labor Standards Enforcement Officer shall coordinate the Labor Standards
20 Enforcement Officer's activities with federal and State labor standards agencies. The Labor Standards
21 Enforcement Officer shall direct the City's enforcement of the Prevailing Wage requirements and other
22 labor standards imposed by the Charter, the Prevailing Wage Provisions, and Chapter 6 of the
23 Administrative Code on Contractors as directed by the Mayor, and to this end all City departments
24 shall cooperate with the Labor Standards Enforcement Officer.

1 **(b) The Labor Standards Enforcement Officer has the authority to seek for a violation of the**
2 **Prevailing Wage Provisions, working conditions, or apprenticeship requirements all of the penalties**
3 **imposed by the Prevailing Wage Provisions and/or Chapter 6 of the Administrative Code, including the**
4 **authority to file charges, in the same manner and to the same extent as a Department Head, which may**
5 **lead to the debarment of the Contractor under Article V of Chapter 6 and/or Chapter 28 of the**
6 **Administrative Code.**

7 **(c) The Labor Standards Enforcement Officer shall oversee the training of City personnel in**
8 **the area of labor standards enforcement. In accordance with applicable law, including the civil service**
9 **provisions of the Charter, the Mayor or the City Administrator may enter into a contract for**
10 **investigative and monitoring services to further the purposes of this Article 107. In evaluating the**
11 **qualifications of persons seeking that contract, the Mayor shall consider, among other relevant factors,**
12 **the experience of those persons in monitoring and investigating labor standards compliance.**

13 **(d) This Section 107.1 shall not limit the authority and duties of the Labor Standards**
14 **Enforcement Officer established elsewhere in City law, including without limitation Section 2A.23 of**
15 **the Administrative Code.**

16
17 **SEC. 107.2. FUNDING.**

18 **Subject to the fiscal and budgetary provisions of the Charter, the Office of Labor Standards**
19 **Enforcement is authorized to receive from departments awarding contracts the amount reasonably**
20 **calculated to pay for the costs, including litigation costs, of enforcing the City Prevailing Wage**
21 **requirements and other labor standards for contracts awarded by those departments. The Labor**
22 **Standards Enforcement Officer shall supervise the expenditure of all funds appropriated for**
23 **enforcement of Prevailing Wage requirements and other labor standards imposed by the Charter, the**
24 **Prevailing Wage Provisions, and Chapter 6 of the Administrative Code.**

1 **SEC. 107.3. ADMINISTRATIVE PROCEDURE.**

2 (a) The Labor Standards Enforcement Officer shall establish an administrative procedure to
3 address allegations of labor standards violations in connection with any contract under Chapter 6 of
4 the Administrative Code or any contract for a Covered Project or Covered Contract. The Labor
5 Standards Enforcement Officer shall have sole authority over the administration of this complaint
6 procedure. The complaint procedure shall include but need not be limited to the following:

7 (1) any person may file a complaint, written or oral, alleging one or more violations of
8 any labor standards requirement imposed by the Prevailing Wage Provisions or Chapter 6 of the
9 Administrative Code on Contractors;

10 (2) before beginning to investigate the complaint, the Labor Standards Enforcement
11 Officer shall determine if the allegations of the complaint are sufficient, and based on that assessment
12 shall determine to either dismiss it or proceed with an investigation;

13 (3) if the Labor Standards Enforcement Officer at any time determines that the
14 allegations in the complaint are without merit, the Labor Standards Enforcement Officer shall notify
15 the complainant; and

16 (4) if the Labor Standards Enforcement Officer finds that any allegations in a complaint
17 have merit, the Labor Standards Enforcement Officer shall proceed in accordance with the
18 enforcement procedures under Article 106.

19 (b) Notwithstanding the foregoing, the complaint procedure in subsection (a) is not applicable
20 to those matters under the administrative jurisdiction of the Human Rights Commission.

21 (c) The complaint procedure established in subsection (a) shall not preclude the Labor
22 Standards Enforcement Officer from initiating or proceeding with an investigation on the Labor
23 Standards Enforcement Officer's own authority.

24 (d) All Contractors and departments engaged in a Covered Project or Covered Contract shall
25 cooperate fully with the Office of Labor Standards Enforcement in connection with any investigation of

1 any complaint filed in accordance with the complaint procedure established in subsection (a). The
2 Labor Standards Enforcement Officer may interview, either at the worksite or elsewhere, any witness
3 who may have information relative to a complaint.
4

5 Section 14. The Labor and Employment Code is amended by adding Article 108,
6 consisting of Sections 108.1 through 108.4, to read as follows:

7 **ARTICLE 108: LOCAL HIRE REQUIREMENT**

8 **SEC. 108.1. LOCAL HIRE REQUIREMENT.**

9 The City shall include in all real property sales contracts for Housing Development, as that
10 term is defined in Article 101, and in all City-as-landlord leases that include or contemplate
11 construction of a Covered Project, the requirement that the purchaser or tenant of the real property
12 comply with the requirements of the City's Local Hiring Policy, as set forth in Administrative Code
13 Chapter 82 and under the standards set forth in subsection 82.4(b) of the Administrative Code.
14 Notwithstanding Article 101, for purposes of this Article 108, the terms "Covered Project,"
15 "Contractor," and "Subcontractor," shall have the same meaning as the definitions set forth in Section
16 82.3 of the Administrative Code.
17

18 **SEC. 108.2. MANDATORY PARTICIPATION LEVELS.**

19 In the performance of work or labor on a Covered Project, each purchaser or tenant shall
20 comply, and shall require its Contractors and Subcontractors to comply, with the mandatory
21 participation levels set forth in Section 82.5 of the Administrative Code.
22

23 **SEC. 108.3. CITY AS THIRD PARTY BENEFICIARY.**

24 Each applicable construction contract for a Covered Project shall:

25 (a) require compliance with the Local Hiring Policy, with reference to this Article 108;

1 (b) name the City as a third party beneficiary for the limited purpose of having the right to
2 enforce the Local Hiring Policy, including the right to file charges and seek penalties against any
3 Contractor or Subcontractor; and

4 (c) require the purchaser or tenant to reasonably cooperate with the City in any action or
5 proceeding against a Contractor or Subcontractor that fails to comply with the requirements of this
6 Article 108. A purchaser or tenant that requires compliance with this Section 108.3 in the construction
7 contract for the Covered Project and reasonably cooperates with the City in any enforcement action
8 shall not be in breach of the applicable sales contract or lease with the City due to a Contractor's or
9 Subcontractor's failure to comply or to meet the mandatory participation levels. So long as the
10 purchaser or tenant complies with the requirements of the previous sentence, any enforcement action
11 by the City, through the Office of Economic and Workforce Development ("OEWD") or otherwise,
12 shall be directly against the Contractor or Subcontractor that failed to meet the mandatory
13 participation levels. But nothing in this Section 108.3 shall limit the remedies available to a City
14 department, as set forth in the applicable sales contract or lease, for a purchaser's or tenant's failure to
15 require compliance with this Section in a construction contract for the Covered Project or to
16 reasonably cooperate with the City in any enforcement action as set forth above.

17
18 **SEC. 108.4. ENFORCEMENT.**

19 (a) Assessment of Penalties. OEWD shall have the authority to enforce this Article 108
20 against a Contractor or Subcontractor as set forth in Administrative Code Section 82.8. OEWD shall
21 determine whether a Contractor or Subcontractor has failed to comply with the local hiring
22 requirements. If after conducting an investigation, OEWD determines that a violation has occurred, it
23 shall issue and serve an assessment of penalties that sets forth the basis of the assessment and orders
24 payment of penalties under subsection 82.8(f) of the Administrative Code.

1 **(b) Remedies for Non-Compliance with Assessment of Penalties. Each Contractor and**
2 **Subcontractor shall comply with the final assessment of penalties by paying the amounts due for wages**
3 **as set forth in Administrative Code subsection 82.8(f)(3) no later than 30 days after the determination**
4 **or decision of the hearing officer is final. The Contractor or Subcontractor shall, in addition, be subject**
5 **to the penalties set forth in Article V of Chapter 6 of the Administrative Code, including debarment. If**
6 **any Contractor or Subcontractor fails to pay the amounts required under subsection 82.8(f) of the**
7 **Administrative Code within the required 30 days, the non-complying party shall be subject to the**
8 **enforcement actions set forth in subsection 82.8(f)(5) of the Administrative Code.**
9

10 Section 15. The Labor and Employment Code is amended by adding Article 109,
11 consisting of Sections 109.1 through 109.14, to read as follows:

12 **ARTICLE 109: TRANSITION EMPLOYMENT REQUIREMENTS**

13 **SEC. 109.1. PURPOSE AND SCOPE.**

14 **(a) The City has an important proprietary interest in maintaining the stability of the**
15 **workforce engaged by a Contractor or Subcontractor under a Covered Contract. Turnover of**
16 **experienced workers resulting from a change in the City's Contractor jeopardizes the quality,**
17 **efficiency, and cost-effectiveness of service provided to the City under the successor Contract.**
18 **Accordingly, all Covered Contracts shall impose the obligations of this Article 109 on the Contractor**
19 **and Subcontractor.**

20 **(b) Article 109 does not apply to any Covered Project, unless that Covered Project also**
21 **qualifies as a Covered Contract.**
22

23 **SEC. 109.2. SUBMISSION OF EMPLOYEE INFORMATION.**

24 **(a) Where the Contracting Officer has given notice that a Covered Contract will be bid, or**
25 **where a Contractor has given notice of termination, upon giving or receiving such notice, as the case**

1 may be, the Contractor ("ending Contractor") shall, within 10 days thereafter, provide to the
2 Contracting Officer and the Purchaser, for each Employee who worked at least 15 hours per week for
3 the ending Contractor, the name, date of hire, number of hours and months worked in total for the
4 employer, wage rate, and employment occupation classification. This provision shall also apply to the
5 subcontractors of the ending Contractor.

6 (b) Where a Subcontractor has been terminated prior to the termination or ending of the
7 Contract, the Subcontractor shall for the purposes of this Section 109.2 be deemed an ending
8 Contractor.

9 (c) All requests for bids for Covered Contracts shall include the information listed above for
10 Employees and shall notify prospective bidders about the Transition Employment requirements of this
11 Article 109.

12
13 **SEC. 109.3. EMPLOYEE RETENTION.**

14 A successor Contractor shall retain, for a six-month transition employment period, Employees
15 who have worked at least 15 hours per week for the ending Contractor or its Subcontractors for the
16 preceding 12 months and have been employed by the ending Contractor or its Subcontractors, if any,
17 for the preceding 12 months under the Covered Contract, providing that just cause does not exist to
18 terminate such Employee. The ending Contractor's Employees who worked at least 15 hours per week
19 shall be employed by the Successor Contractor in order of their seniority with the ending Contractor
20 within their job classification, and shall be paid the Prevailing Rate of Wages to which they were
21 entitled when employed by the ending Contractor. This requirement shall be stated by the City in all
22 initial bid packages involving a Covered Contract.

1 **SEC. 109.4. INSTANCES WHERE FEWER EMPLOYEES ARE REQUIRED.**

2 *If at any time a successor Contractor determines that fewer Employees are required to perform*
3 *the new Contract than were required by the ending Contractor (and Subcontractors, if any), the*
4 *successor Contractor shall retain Employees by seniority within job classification.*

6 **SEC. 109.5. PREFERENTIAL HIRING LIST.**

7 *During such six-month period the successor Contractor (or Subcontractor, where applicable)*
8 *shall maintain a preferential hiring list of eligible covered Employees not retained by the successor*
9 *Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall hire*
10 *additional Employees if the need arises.*

12 **SEC. 109.6. RESTRICTION ON DISCHARGING EMPLOYEES.**

13 *During the six-month transition employment period, the successor Contractor (or*
14 *Subcontractor, where applicable) shall not discharge without cause an Employee retained pursuant to*
15 *Article 109. "Cause," for this purpose, shall include, but not be limited to, the Employee's conduct*
16 *while in the employ of the ending Contractor or Subcontractor that contributed to any decision to*
17 *terminate the Contract or subcontract for fraud or poor performance, excluding permissible union-*
18 *related activity.*

20 **SEC. 109.7. PERFORMANCE REVIEWS.**

21 *At the end of the six-month transition employment period, a successor Contractor (or*
22 *Subcontractor, where applicable) shall perform a written performance evaluation for each Employee*
23 *retained pursuant to this Article 109. If the Employee's performance during such six-month period is*
24 *satisfactory, the successor Contractor (or Subcontractor) shall offer the Employee continued*

1 employment under the terms and conditions established by the successor Contractor (or Subcontractor)
2 or as required by law.

3
4 **SEC. 109.8. CONTRACTUAL PROVISIONS.**

5 All Covered Contracts subject to this Article 109 shall include a provision in which the
6 Contractor agrees to require any Subcontractor to comply with the obligation imposed by this Article
7 109.

8
9 **SEC. 109.9. SUCCESSOR'S PRIOR EMPLOYEES.**

10 Notwithstanding the provisions of this Article 109, a successor Contractor or Subcontractor
11 may replace an Employee otherwise entitled to be retained with a person employed by the Contractor
12 or Subcontractor continuously for 12 months prior to the commencement of the successor Contract or
13 Subcontract in a capacity similar to that proposed under the successor Contract or Subcontract. This
14 provision shall apply only where the existing Employee of the successor Contractor or Subcontractor
15 would otherwise be laid off work as a result of the award of the successor Contract.

16
17 **SEC. 109.10. NO SUCCESSOR.**

18 The retention requirements of this Article 109 shall not apply where there is no successor
19 Contractor or Subcontractor. For example, where a Contract is for services over a single day, week, or
20 month for a discrete, nonrepeating event, there is no successor and the retention requirements
21 described herein are inapplicable.

22
23 **SEC. 109.11. DEFINITION OF EMPLOYEE.**

24 For the purposes of this Article 109 on Transition Employment Requirements only, the term
25 "Employee" shall include any person who performs work under a Covered Contract, but shall not

1 include an individual who serves in a managerial, supervisory, or confidential capacity, including
2 those individuals who would be defined as such under the Fair Labor Standards Act, 29 U.S.C. § 201,
3 et seq., as may be amended from time to time.

4
5 **SEC. 109.12. ENFORCEMENT.**

6 (a) **Definitions.** For the purpose of Sections 109.12 and 109.13, “Agency” means the Office
7 of Labor Standards Enforcement or any successor department or office.

8 (b) **Implementation.** The Agency shall be authorized to coordinate implementation and
9 enforcement of this Article 109 and may promulgate appropriate rules for such purposes. Any rules
10 promulgated by the Agency shall have the force and effect of law and may be relied on by employers,
11 employees, and other persons to determine their rights and responsibilities under this Article. Any rules
12 may establish procedures for ensuring fair, efficient, and cost-effective implementation of this Article,
13 including supplementary procedures for helping to inform employees of their rights under this Article,
14 for monitoring contractor, subcontractor, and awarding authority compliance with this Article, and for
15 providing administrative hearings to determine whether a contractor, subcontractor, awarding
16 authority, or other person has violated the requirements of this Article.

17 (c) **Administrative Enforcement.**

18 (1) The Agency is authorized to take appropriate steps to enforce this Article 109. The
19 Agency may investigate any possible violations of this Article by an awarding authority, a successor
20 Contractor, or a successor Contractor’s Subcontractor. Where the Agency has reason to believe that a
21 violation has occurred, it may order any appropriate temporary or interim relief to mitigate the
22 violation or maintain the status quo pending completion of a full investigation or hearing.

23 (2) Where the Agency determines that a violation has occurred, it may issue a
24 Determination of Violation and order any appropriate relief including, but not limited to, back pay,
25

1 including the value of benefits, for each day during which the violation continues, which shall be
2 calculated at a rate of compensation not less than the higher of:

3 (A) The average regular rate of pay received by the Employee during the last
4 three years of the Employee's employment in the same job classification; or

5 (B) The final regular rate received by the Employee.

6 (3) Where the Agency determines that a violation has occurred, it may also authorize the
7 payment of an additional sum as an administrative penalty to each Employee or person whose rights
8 under this Article 109 were violated. If any backpay is ordered, the dollar amount of the backpay
9 multiplied by three, or \$250, whichever amount is greater, shall be included in the administrative
10 penalty paid to the Employee. In addition, if a violation of this Article 109 resulted in other harm to the
11 Employee or any other person, or otherwise violated the rights of Employees or other persons, this
12 administrative penalty shall also include \$50 to each Employee or person whose rights under this
13 Article were violated for each day or portion thereof that the violation occurred or continued.

14 (4) Where prompt compliance is not forthcoming, the Agency may take any appropriate
15 enforcement action to secure compliance, including initiating a civil action pursuant to Section
16 109.12(d) and/or, except where prohibited by State or federal law, requesting that City agencies or
17 departments revoke or suspend any registration certificates, permits, or licenses held or requested by
18 the violator until such time as the violation is remedied. In order to compensate the City for the costs of
19 investigating and remedying the violation, the Agency may also order the violator to pay to the City a
20 sum of not more than \$50 for each day or portion thereof and for each Employee or person as to whom
21 the violation occurred or continued. Such funds shall be allocated to the Agency and used to offset the
22 costs of implementing and enforcing this Article 109.

23 (5) The remedies and penalties provided under subsections (c)(2) through (c)(4) are
24 cumulative.

1 (6) An Employee or other person may report to the Agency any suspected violation of
2 this Article 109. The Agency shall encourage reporting pursuant to this subsection (c)(5) by keeping
3 confidential, to the maximum extent permitted by applicable laws, the name and other identifying
4 information of the Employee or person reporting the violation; provided, however, that with the
5 authorization of such person, the Agency may disclose their name and identifying information as
6 necessary to enforce this Article or for other appropriate purposes.

7 (7) The Determination of Violation shall provide notice of the right to appeal the
8 determination to the Controller in accordance with Section 109.13, and that failure to do so within 15
9 days shall result in the determination becoming a final administrative decision.

10 (8) The Determination of Violation shall specify a reasonable time period for payment of
11 any relief ordered. The Agency may award interest on all amounts due and unpaid at the expiration of
12 such time period at the rate of interest specified in subdivision (b) of Section 3289 of the California
13 Civil Code, as may be amended from time to time.

14 (9) The Agency may require that remedies and penalties due and owing to a person
15 whose rights under this Article 109 were violated be paid directly to the City for disbursement to the
16 person. The Controller shall hold these funds in escrow for the person. The Agency shall make best
17 efforts to distribute such funds. In the event such funds are unclaimed for a period of three years, the
18 Controller may undertake administrative procedures for escheat of unclaimed funds under California
19 Government Code Sections 50050 et seq., as may be amended from time to time. Subject to the
20 budgetary and fiscal provisions of the Charter, such escheated funds shall be dedicated to the
21 enforcement of this Article 109 or other laws the Agency enforces.

22 **(d) Civil Enforcement.**

23 (1) The City Attorney or an Employee who, in violation of this Article 109, was not
24 retained by a successor Contractor or its Subcontractor may bring an action in the Superior Court of
25 the State of California against the successor Contractor and, where applicable, the successor

1 Contractor's Subcontractor, and an Employee may be awarded back pay, including the value of
2 benefits, for each day during which the violation continues, which shall be calculated at a rate of
3 compensation not less than the higher of:

4 (A) The average regular rate of pay received by the Employee during the last
5 three years of the Employee's employment in the same occupation classification; or

6 (B) The final regular rate received by the Employee.

7 (2) If the City Attorney or the Employee is the prevailing party in any such legal action,
8 the Court shall award reasonable attorneys' fees and costs as part of the costs recoverable.

9 (e) **Interest.** In any administrative or civil action brought under this Article 109, the Agency
10 or court, as the case may be, shall award interest on all amounts due and unpaid at the rate of interest
11 specified in subdivision (b) of Section 3289 of the California Civil Code, as amended from time to time.

12
13 **SEC. 109.13. APPEAL PROCEDURE.**

14 (a) A person subject to a Determination of Violation of this Article 109 may file an appeal
15 ("Appeal") in accordance with the following procedures:

16 (1) The person ("Appellant") shall file the Appeal with the Controller and serve a copy
17 on the Agency. The Appeal shall be filed in writing within 15 days of the date of service of the
18 Determination of Violation, and shall specify the basis for the Appeal and shall request that the
19 Controller appoint a hearing officer to hear and decide the Appeal. Failure to submit a timely written
20 Appeal shall constitute concession, and the Determination of Violation shall be deemed the final
21 administrative decision upon expiration of the 15-day period. Further, failure to submit a timely,
22 written Appeal shall constitute a failure to exhaust administrative remedies, which shall serve as a
23 complete defense to any petition or claim brought against the City regarding the Determination of
24 Violation.

1 (2) Following the filing of the Appeal and service of a copy on the Agency, the Agency
2 shall promptly afford the Appellant an opportunity to meet and confer in good faith regarding possible
3 resolution of the Determination of Violation.

4 (3) Within 30 days of receiving an Appeal, the Controller shall appoint an impartial
5 hearing officer who is not part of the Agency and immediately notify the Agency and Appellant of the
6 appointment.

7 (4) The hearing officer shall promptly set a date for a hearing. The hearing shall
8 commence within 45 days of the date of the Controller's notice of appointment of the hearing officer,
9 and conclude within 75 days of such notice; provided, however, that the hearing officer may extend
10 these time limits for good cause.

11 (5) The hearing officer shall conduct a fair and impartial evidentiary hearing. The
12 Appellant shall have the burden of proving by a preponderance of the evidence that the Agency erred in
13 its Determination of Violation, and/or the relief ordered therein.

14 (6) Within 30 days of the conclusion of the hearing, the hearing officer shall issue a
15 written decision affirming, modifying, or dismissing the Determination of Violation. The hearing
16 officer's decision shall be the final administrative decision. The decision shall consist of findings, a
17 determination, any relief ordered, a reasonable time period for payment of any relief ordered, and
18 notice to the Appellant of the right to appeal by filing a petition for a writ of mandate as described in
19 subsection (a)(7), and that failure to file a timely Appeal shall result in the final administrative decision
20 becoming enforceable as a judgment by the Superior Court.

21 (7) The Appellant may appeal the final administrative decision only by filing in San
22 Francisco Superior Court a petition for a writ of mandate under California Code of Civil Procedure,
23 Section 1094.5 et seq., as applicable, and as may be amended from time to time.

24 (b) Where an Appellant fails to comply with a final administrative decision within the time
25 period required therein, the Agency may take any appropriate enforcement action to secure

1 compliance, including referring the action to the City Attorney to seek enforcement of the final
2 administrative decision in Superior Court and, except where prohibited by State or federal law,
3 requesting that City agencies or departments revoke or suspend any registration certificates, permits,
4 or licenses held or requested by the Appellant until such time as the violation is remedied.

5
6 **SEC. 109.14. NO PRIVATE RIGHT OF ACTION.**

7 This Article is not intended to create a private right of action against the City.
8

9 Section 16. Effective Date and Operative Date.

10 (a) This ordinance shall become effective 30 days after enactment. Enactment occurs
11 when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not
12 sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the
13 Mayor's veto of the ordinance.

14 (b) This ordinance shall become operative 30 days after its effective date.

LEGISLATIVE DIGEST

[Administrative, Labor and Employment Codes - Prevailing Wage and Other Labor Requirements]

Ordinance amending the Administrative Code and Labor and Employment Code to move certain employment-related provisions, including, among others, certain Prevailing Wage requirements, apprenticeship requirements, and hours and days of labor requirements, from the Administrative Code to the Labor and Employment Code; establish new defined terms encompassing the projects and contracts subject to Prevailing Wage requirements; revise penalty and enforcement requirements and procedures for Prevailing Wage and certain other labor requirements; change the process for fixing and determining Prevailing Wage rates; move and revise the Transition Employment requirements and create new enforcement procedures for those requirements; apply Notice of Forfeiture/Certification of Forfeiture procedures for violations of Prevailing Wage requirements on Covered Real Estate Projects; renumber certain Municipal Code sections or provisions; and make other substantive or technical amendments to the Administrative Code and Labor and Employment Code, including, among others; and eliminating certain exemptions from Prevailing Wage requirements for Broadcast Services work and the work of loading and unloading Commercial Vehicles on City property, while creating an exemption from Prevailing Wage requirements for work covered by the Modular Furniture Installers (Carpenters) classification.

Existing Law

The San Francisco Municipal Code has prevailing wage and other labor requirements located in the Labor and Employment Code (“LEC”), as well as Chapters 6 and 23 of the Administrative Code. Examples of these provisions include the following: Article 102 of the LEC requires the payment of prevailing wages for certain service work performed under, or arising from, City contracts, permits, or other types of agreement. Article 102 further requires successor contractors on certain City contracts comply with worker retention requirements. Chapter 6 of the Administrative Code requires contractors on Public Works or Improvements pay workers Prevailing Wages and comply with standards for hours and days of labor. Chapter 6 creates a definition of Public Work or Improvement for Prevailing Wage purposes alone, and this definition encompasses both Section 6.1 of the Administrative Code’s definition of Public Works or Improvements and projects qualifying as “public works” under Section 1720 of the State Labor Code. Chapter 23 of the Administrative Code requires certain construction work related to real estate transactions with the City comply with Prevailing Wage requirements and certain State requirements for the employment of apprentices. Each of LEC Article 102, Administrative Code Chapter 6, and Administrative Code Chapter 23 contains enforcement provisions.

Amendments to Current Law

This ordinance reorganizes the San Francisco Municipal Code to move labor provisions from Administrative Code Chapter 6 and Chapter 23 to the LEC, and makes substantive revisions to the labor provisions of the Administrative Code and the LEC. The ordinance creates LEC Articles 101, 103, 104, 105, 106, 107, 108, and 109, and amends LEC Article 102.

I. Reorganization

The following table provides a high-level summary of the ordinance's reorganization of some Municipal Code labor provisions. The table does not identify every change, or for each provision relocated, provide all details on the reorganization. For instance, where the ordinance takes language from a single provision and relocates the majority of that language to one location, but relocates other language to another location, the table may identify the primary relocation only.

II. Substantive Amendments

The ordinance makes a number of substantive amendments to the City's Municipal Code. The following is a summary of some of the significant substantive amendments; however, the ordinance contains amendments – including substantive amendments and non-substantive or technical amendments – beyond those discussed in this Legislative Digest.

The ordinance relocates some existing definitions related to Prevailing Wages and certain other labor requirements to LEC Article 101, and creates new defined terms for the classes of projects subject to Prevailing Wage requirements. The ordinance defines Covered Project as a new umbrella term for construction projects subject to Prevailing Wage requirements, including, without limitation, contracts for construction, demolition, alteration,

repair, and/or maintenance. There are three sub-definitions within the broader definition of Covered Project:

- (1) Covered Local Project encompasses projects that are subject to Prevailing Wage requirements because they fall within Chapter 6 of the Administrative Code's definition of Public Work or Improvement; they qualify as residential projects required to comply with "City Contracting Requirements" pursuant to Chapter 43, Article IX of the Administrative Code; or they are projects required to pay Prevailing Wages pursuant to the City Loan program in Administrative Code Section 66.13;
- (2) Covered State Project encompasses projects that are subject to Prevailing Wage requirements through the City's Municipal Code incorporating, and adopting by reference – for Prevailing Wage purposes alone – certain state Prevailing Wage requirements, such as the California Labor Code's definition of "public works"; and
- (3) Covered Real Estate Project encompasses projects arising from a City property sale contract or lease that are subject to Prevailing Wage requirements.

Covered Contracts remains the defined term for service contracts and other service agreements for which LEC Article 102 requires the payment of Prevailing Wages.

The ordinance creates a new Article 103 of the LEC, which requires, among other things, the payment of Prevailing Wages on all Covered Projects and Covered Contracts. Some notable substantive changes located in Article 103 include the following:

- Section 103.1 clarifies that where the rate required by the Minimum Compensation Ordinance, Labor and Employment Code Article 111, exceeds the Prevailing Rate of Wages, the worker shall be entitled to the higher rate of the Minimum Compensation Ordinance.
- Section 103.2 provides the process by which the Board of Supervisors sets the Prevailing Rate of Wages under the City's Municipal Code. The ordinance sets a deadline of December 31st of each year for the Board of Supervisors to fix and determine the Prevailing Rate of Wages, and establishes that if the Board of Supervisors does not do so by the deadline, the Civil Service Commission's recommended rates shall become the Prevailing Rate of Wages. In addition, the ordinance expressly endorses and permits the Board of Supervisors to fix the Prevailing Rate of Wages to track and match future wage determinations issued by the California Department of Industrial Relations.

The ordinance creates LEC Article 106, which establishes consolidated penalty and enforcement provisions for Prevailing Wage, Apprenticeship, and Hours and Days of Labor requirements. The penalty and enforcement provisions are similar to the provisions that were

previously located in subsection 6.22(e) of the Administrative Code. Where the City can withhold funds under a contract, Article 106 provides for enforcement by the Office of Labor Standards Enforcement (“OLSE”) or the contracting Department Head through the issuance of a Notice of Forfeiture/Certification of Forfeiture (“NOF/COF”). Where the City is unable to withhold funds, Article 106 provides for OLSE’s or the Department Head’s enforcement through the issuance of a Determination of Violation (“DOV”). The amendments also make the following changes to the relevant penalty provisions:

- (1) For Covered Contracts, Article 106 provides for enforcement through the City’s issuance of a NOF/COF or DOV for violations, recourse procedures, and provisions detailing a party’s right to appeal. Also, Article 106 subjects Covered Contracts to penalties under Section 106.1, including penalties of not less than \$50 for each day or portion thereof during the violation. Article 102 of the LEC provided for penalties of not more than 10% of the contract value upon a finding of a willful violation.
- (2) Previously, Covered Real Estate Projects were subject to enforcement through the DOV process. Under Article 106, where the City has the ability to withhold funds, Covered Real Estate Projects are subject to enforcement through the NOF/COF process under Section 106.2. For the purposes of Section 106.2, funds disbursed through a City loan for a Covered Real Estate Project do not qualify as funds the City has the ability to withhold

The ordinance also amends Article 102 of the Labor and Employment Code. Amendments include:

- (1) The ordinance moves the LEC’s Transition Employment Requirements from subsection 102.1(d) to a new LEC Article 109, with Article 109 providing for OLSE enforcement or civil enforcement;
- (2) For Moving Services contracts as defined under Section 102.6, the amendments create an exemption for work covered by the California Department of Industrial Relations’ Modular Furniture Installers (Carpenters) classification;
- (3) For Motor Bus Service contracts as defined under Section 102.7, the amendments remove the Purchaser’s discretion to omit a contract from coverage where the contract would otherwise meet the requirements of the Section;
- (4) For Trade Show and Special Event Work on City property as defined under Section 102.8, the amendments strike the exemption from coverage for “[a]ny permit or agreement to engage in film production pursuant to Chapter 57 of this Code or under the circumstances set forth in Section 57.7 of this Code”; and clarify the definition of “Exhibit, Display, or Trade Show Work” to include enclosures, tenting, and furniture;

- (5) For Broadcast Services work as defined under Section 102.9, the amendments delete the exemption for work covered by a collective bargaining agreement; and
- (6) For loading and unloading of commercial vehicles on City property as defined under Section 102.10, the amendments delete the exemption for work covered by a collective bargaining agreement.

Background Information

The creation of the LEC provides an opportunity for the City to reorganize and consolidate the Municipal Code's Prevailing Wage requirements, as well as certain other labor requirements, in a more logical location. The ordinance achieves this by creating LEC Articles 101 and 103 through 109, and by amending the definitions encompassing projects or contracts subject to Prevailing Wage requirements.

As of 2024, the City's Municipal Code contained multiple provisions related to the payment of Prevailing Wages, including in Chapters 6 and 23 of the Administrative Code and Article 102 of the Labor and Employment Code. Prevailing Wage requirements have grown in complexity and length, with Chapter 6, Chapter 23, and Article 102 each having distinct requirements that differ from one another in significant ways. Locating such provisions across multiple codes, chapters, and articles can make it more difficult for City officials and employees and for the public (including, among others, employees, unions, and businesses) to find and understand the requirements, which is key to ensuring that workers receive legally required wage and fringe benefits.

The Municipal Code also currently has separate requirements and enforcement procedures for different types of projects or contracts subject to Prevailing Wage requirements. The ordinance amends the Municipal Code to consolidate and streamline the enforcement procedures and clarify OLSE's authority, making the requirements and procedures easier to find and more understandable to City officials and employees and the public.

In addition, a central purpose of the ordinance is to improve the process for the City to adopt wage rates for the various worker classifications. The wage rates the Board of Supervisors adopts are generally based on the rates of the California Department of Industrial Relations ("DIR"), which issues two rates per year for each classification: one takes effect in March, and the other takes effect in September. The ordinance confirms that the Board of Supervisors generally sets rates to track the DIR's rates. Also, the ordinance sets a December 31st deadline for the Board of Supervisors to fix and determine the Prevailing Rate of Wages, and makes the Civil Service Commission's recommended rates effective if the Board of Supervisors does not act. These changes will help the City's Prevailing Wage rates reasonably consistent with wage trends in private employment.
