Clerk ,

Dear Members of the Board of Supervisors,

I am writing in support of Sara Barz's nomination to the SFMTA Board of Directors. Muni is an essential service with over 400,000 weekday daily boardings. As a transit professional with expertise in user experience and outreach, Sara Barz would be a tremendous voice for everyday San Franciscans who rely on Muni to go to work, to reach essential services, and to build community. She can help bring an innovative perspective to restore public trust in the agency, and help San Francisco realize its transit-first policy and keep Muni running for everyone. I ask for your support for her nomination.

I strongly support Sara Barz's nomination to the SFMTA Board of Directors. While on the SFCTA Citizens' Advisory Committee and through her volunteer work in Sunnyside, Sara has been a dedicated advocate for street safety and equity, with a proven commitment to protecting vulnerable populations like seniors, children, and people with disabilities. Her leadership and expertise will be invaluable in helping the city achieve our Vision Zero and climate goals, and making our city the most pedestrian-friendly in the nation.

Please vote in favor of Sara Barz's nomination.

Dear members of the Board of Supervisors,

As San Francisco plans for a future of more residents, especially on the west side of the city, we need leaders at SFMTA who can help to plan for their transportation needs. As a westside community leader and mom, and transportation professional, Sara Barz can help SFMTA navigate the challenges ahead, from rebuilding public trust to transit operations funding. I urge you to approve her nomination to the SFMTA board of directors without delay.

I am writing with great enthusiasm to support Sara Barz's nomination to the SFMTA Board of Directors!

Sara is a true champion for street safety and equity—someone who doesn't just talk the talk but consistently shows up for the most vulnerable in our city: seniors, children, people with disabilities, and anyone navigating our streets on foot. Whether she's lending her voice on the SFCTA Citizens' Advisory Committee or rolling up her sleeves in Sunnyside, Sara's passion for safer, people-first streets shines through.

Her blend of leadership, on-the-ground experience, and commitment to Vision Zero and our climate goals makes her exactly the kind of person we need steering us toward a more pedestrian-friendly future. With Sara on the SFMTA Board, I know we'd be one step closer to making San Francisco a safer, more equitable place for everyone.

I urge you to vote in favor of Sara Barz's nomination—San Francisco will be better for it!

Clerk ,

Dear members of the Board of Supervisors,

As San Francisco plans for a future of more residents, especially on the west side of the city, we need leaders at SFMTA who can help to plan for their transportation needs. As a westside community leader and mom, and transportation professional, Sara Barz can help SFMTA navigate the challenges ahead, from rebuilding public trust to transit operations funding. I urge you to approve her nomination to the SFMTA board of directors without delay.

Clerk ,

I strongly support Sara Barz's nomination to the SFMTA Board of Directors. While on the SFCTA Citizens' Advisory Committee and through her volunteer work in Sunnyside, Sara has been a dedicated advocate for street safety and equity, with a proven commitment to protecting vulnerable populations like seniors, children, and people with disabilities. Her leadership and expertise will be invaluable in helping the city achieve our Vision Zero and climate goals, and making our city the most pedestrian-friendly in the nation.

Please vote in favor of Sara Barz's nomination.
