### EASEMENT AGREEMENT

#### (Public Utility Easement, Pump/Lift Station, City Facilities on Land Subject to the Public Trust)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the TREASURE ISLAND DEVELOPMENT AUTHORITY, a California nonprofit public benefit corporation ("TIDA" or "Grantor"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and its successors and assigns ("City"), a perpetual public utility easement for City-owned facilities, free of the public trust for navigation, commerce, and fisheries, in, across, and through Grantor's certain real property, which is located in San Francisco, California and described and depicted in attached Exhibit A (the "Easement Area"), which shall be referred to hereafter as the "Easement." TIDA previously reserved a divisible easement over the Easement Area in the Quitclaim Deed and Reservation of Easements recorded in the Official Records of the City and County of San Francisco on November 10, 2015 as Document number 2015-K154698, as modified by the Second Memorandum Memorializing Location of Reserved Easements on Treasure Island and Yerba Buena Island recorded in the Official Records of the City and County of San Francisco on July 20, 2018 as Document number 2018-K6425178. This Easement conveys a subset of those reserved rights, as set forth below.

1. **Nature of Easement.** The Easement is a perpetual, divisible, exclusive easement in gross, free of the public trust for navigation, commerce, and fisheries, including the right (a) to construct, install, maintain, repair, restore, remove, replace, alter, expand, and reconstruct, from time to time, at City's option, within the Easement Area, City-owned pump and lift-station facilities, with all associated appurtenances, appliances, and fittings (collectively, "City Facilities"); (b) for underground facilities, to excavate to access City Facilities from the surface of the ground, with not less than thirty feet (30') of vertical clearance above the surface to permit the installation and removal of City Facilities from the surface; (c) of ingress and egress for City and its representatives, agents, employees, officers, suppliers, consultants, contractors, and subcontractors ("City's Agents"), vehicles and equipment to and from the Easement Area over the lands of Grantor; and (d) to place temporary facilities and equipment above ground when

needed in connection with any emergency or repair work, as needed to maintain continuous utility service (provided that any such temporary above-ground facilities or equipment shall be maintained only so long as needed to address the emergency or perform the repair work).

2. Grantor's Rights. Grantor, on behalf of itself, its agents, contractors, subcontractors, suppliers, consultants, employees, invitees or other authorized persons acting for or on behalf of Grantor, including but not limited to any lessee and its tenants (collectively, "**Grantor's Agents**") agrees that Grantor may not enter or otherwise use the Easement Area without City's prior written consent. Grantor may not grant rights to a third party within the Easement Area without City's prior written consent. City has no obligation to inform Grantor of any work by or on behalf of City within the Easement Area.

3. City's Use of the Easement.

a. City's rights under this Agreement may be exercised by City's Agents.

b. City will bear all responsibility to operate, maintain and repair the City Facilities at its sole cost, except to the extent any damage or cost is caused or necessitated by Grantor or Grantor's Agents, in which case Grantor shall bear such proportional cost and repair or pay for such damage, at City's discretion. City may elect to repair such damage at Grantor's cost, or may elect to witness Grantor's repair work. Any cost incurred by City that is caused or necessitated by Grantor or Grantor's Agents shall be invoiced to Grantor within twelve (12) months of the date the cost is incurred. Grantor shall remit payment to City within sixty (60) days of receiving an invoice.

c. In undertaking work within the Easement Area, City shall use reasonable efforts to (i) complete all construction, maintenance or repair activities in an expeditious and diligent manner; and (ii) minimize disruption to Grantor's use of Grantor's land adjoining the Easement Area. City shall not be liable in any manner, and Grantor hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of City's entry onto or use of the Easement Area, except to the extent resulting directly from the active negligence or willful misconduct of City or its contractors or agents, or City's breach of its covenants in this Easement Agreement.

d. Upon completion of any construction, maintenance or repair involving excavation within or around the Easement, City shall, at its cost, backfill the excavation and restore the surface in accordance with the terms of this Section. Where the disturbed surface area is paved, City shall restore the area with three-inch (3") thick asphalt concrete over eight-inch thick (8") Portland cement concrete or its cost equivalent. Where the disturbed surface area is not paved, City shall restore the area with native backfill. City shall not be liable for damage to, or required to restore, any other improvements or vegetation within the Easement Area. City shall not be responsible for the cost of removing, restoring or replacing any improvements previously installed by Grantor pursuant to City's authorization as described in **Section 2** (Grantor's Rights). In an emergency, City may remove any such improvements without notice, liability, or obligation to replace the same. In a non-emergency, City shall provide a minimum of ten (10) business days' notice to Grantor to remove such improvements prior to City commencing work within the Easement Area.

e. City may remove any improvements that may damage or interfere with City Facilities or impede access thereto without any notice, liability, or obligation to replace the same. The foregoing sentence shall not apply to any improvements constructed pursuant to improvement plans previously reviewed and approved by City or to paving of private roads that exist at the time the Easement is accepted.

f. City shall indemnify, defend (with counsel reasonably approved by Grantor and Grantor's Agents), and hold Grantor harmless from and against any cost, expense, liability, damage or injury to property or persons to the extent caused by City's negligence or willful misconduct (or that of City's Agents) in the exercise of the rights granted to, or reserved by, City hereunder. Notwithstanding anything herein to the contrary, this **Section 3(f)** shall survive the expiration and termination of this Easement.

4. **Condition of Easement Area.** City accepts its rights in the Easement Area in its current "as is" condition without any warranty (express or implied) by Grantor. Grantor and City shall conduct all of their respective activities within the Easement Area in a manner such that the Easement Area remains in a good, safe condition.

5. **Notices, Demands and Communications.** Whenever any notice or any other communication is required or permitted to be given under any provision of this Easement Agreement (as, for example, where a party is permitted or required to "notify" the other party), such notice or other communication shall be in writing, signed by or on behalf of the party giving the notice or other communication, and shall be deemed to have been given on the earliest to occur of (i) the date of the actual delivery, or (ii) if mailed, on the delivery date shown on the return receipt, in each case to the respective address(es) of the party to whom such notice is to be given as set forth below, or at such other address of which such party shall have given notice to the other party as provided in this **Section 5**. Legal counsel for any party may give notice on behalf of such party.

6. Abandonment of Easement. City may, at its sole option, abandon the Easement by recording a quitclaim deed. Except as otherwise provided in this Agreement, upon recording such quitclaim deed, the Easement and all rights, duties and liabilities hereunder shall be terminated and of no further force or effect. No temporary nonuse of the Easement Area or other conduct, except for recordation of the quitclaim deed as provided in this paragraph, shall be deemed abandonment of the Easement.

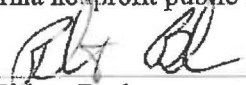

7. Exhibits. The exhibits referenced in and attached to this Easement Agreement are incorporated into and made a part of this Easement Agreement. TIDA and City acknowledge that the precise locations described in the attached exhibits may change upon construction of utility-related improvements in those locations. In such an event, TIDA and City agree to work together in good faith to amend and restate this Easement Agreement as needed to reflect the area required for the utilities as actually installed.

The conditions and covenants contained in this Easement Agreement shall run with the land, burden the Easement Area and be binding on and benefit Grantor and City and their respective agents, successors and assigns unless earlier terminated by written agreement of the parties or their respective successors and assigns.

Executed as of this 20<sup>th</sup> day of July, 2018.
