10  
11 WHEREAS, According to Charter, Section 9.118(b), contracts entered into by a  
12 department requiring anticipated expenditures by the City and County of \$10,000,000 or

16 Section 9.118(b), and under Resolution No. 99-16 approved Contract No. 2014-48 (Contract)  
17 between the San Francisco Municipal Transportation Agency (SFMTA) and TEGSCO, LLC  
18 (Contractor) for services related to the towing, storage, and disposal of abandoned and  
19 illegally parked vehicles in the City; the Contract was for an initial amount of \$65,400,000 and

14 members of the public, limit cost recovery; and

15 WHEREAS, The Ninth Amendment would increase the contract amount by  
16 \$15,300,000 for a total of \$136,700,000 to support the Contract through the final year of its  
17 extended term ending March 2026; and

## MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

## BACKGROUND

In 2015, the San Francisco Municipal Transportation Agency (SFMTA) issued a Request for Proposals (RFP) to select a towing service provider. TEGSCO, LLC, previously known as San Francisco AutoReturn, which had provided the service since 2004, was deemed the highest scoring proposal out of three bids and was awarded a contract. In March 2016, the Board of Supervisors approved a five-year contract with TEGSCO, from April 2016 through March 2021, for an amount not to exceed \$65,400,000, with one five-year option to extend through March 2026 (File 16-0134).

Under the contract, TEGSCO provides customer service for towed vehicles, 24/7 tow truck dispatching, vehicle storage, and lien processing and vehicle auctions. Attachment 1 to this report details the reasons for vehicle tows in FY 2023-24 and FY 2024-25 to date. The contract has been amended eight times, as shown in Exhibit 1 below.

<sup>1</sup> Due to administrative error, this was also labeled as the First Amendment. SFMTA now refers to these amendments by approval year.

The Seventh Amendment, which increased the not-to-exceed amount to \$121,400,000, was intended to provide sufficient funding for the contract through March 2025. In December 2024, the SFMTA Board approved the Ninth Amendment to the contract to provide funding for the final year of the term.

### DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the Ninth Amendment to the towing services contract between SFMTA and TEGSCO, increasing the not-to-exceed amount by \$15,300,000, for a total not to exceed \$136,700,000, with no change to the contract term, ending in March 2026.

The proposed increase of \$15,300,000 would provide contract funding through March 2026. SFMTA is planning to release an RFP in April 2025 to award a new towing services contract commencing after TEGSCO's contract expires.

#### Contract Costs and Program Fees

Under the contract, TEGSCO collects fees from the owners of towed vehicles and remits those fees to SFMTA. SFMTA then pays TEGSCO a fixed management fee (currently \$790,000 per month) and pays TEGSCO fees based on the number of tows and related services, including a per tow charge paid to tow truck subcontractors. TEGSCO's variable fees are adjusted annually based on the lesser of three percent or the regional Consumer Price Index (CPI). Fees charged to vehicle owners are set by SFMTA.<sup>2</sup> A \$56 fee waiver is granted to owners of first-time towed vehicles, and waivers are also available to low-income or homeless residents. In addition, victims of vehicle theft have their towing, administrative, and storage fees waived.

SFMTA leases 556,050 square feet of space at a facility located at 2650 Bayshore Boulevard in Daly City. Under the contract, TEGSCO uses 330,771 square feet for storage and transfer of vehicles, public lien sale auctions, and office space. TEGSCO does not pay rent but pays all utilities, services, and security for the space. SFMTA also rents 450 7<sup>th</sup> Street in San Francisco for TEGSCO to use as its short-term storage facility.

#### Quarterly Reports

The resolution approving the Seventh Amendment had requested the SFMTA to submit quarterly reports on any modifications to the towing program that may reduce costs, including if there were less expensive real estate options (including purchase options) for vehicle storage, customer service centers, and auction facilities. In March 2023, SFMTA submitted a report to the Board of Supervisors that found rents for TEGSCO's leases were on the lower end of the rental market (\$7.89 per square foot across both sites as of March 2023). The closest suitable facility available for purchase was in Pittsburg, which would inconvenience tow customers and increase towing costs and wait times due to the travel distance. Janet Martinsen, SFMTA Local Government Affairs Liaison, reports that she contacted the Supervisor who had specifically

<sup>2</sup> Current SFMTA fees are: (1) Administrative Fee: \$304 for first-time tows, \$360 for repeat tows, no fee for low-income vehicle owners; (2) Tow Fee: \$297, \$104 for low-income residents, one-time waiver for homeless residents; (3) Storage Fee: no fee for first four hours, \$64 for the first day after four hours, \$77 for subsequent days; and (4) Dolly Fee (if eligible): \$53.

requested the quarterly reports three times in 2023 to ask for quarterly report topics, but received no response. Therefore, SFMTA did not issue the quarterly reports as requested in the resolution. SFMTA's Muni Funding Working Group has explored reducing subsidies for tow fee discounts as an option for cost savings, but these are preliminary suggestions and have not been approved.

### **Tow Volume**

Over the first four years of the contract (April 2016 through March 2020), annual tow volume varied from approximately 42,000 to 45,000 tows per year. Tow volume decreased significantly in 2020 due to the COVID-19 pandemic, but has since increased, from a low of 15,701 tows in contract Year 5 (April 2020 through March 2021) to approximately 37,000 to 38,000 tows in contract Years 7 and 8 (April 2022 through March 2024). In contract Year 9 (April 2024 through March 2025), volume is projected to increase slightly to approximately 38,940 tows.<sup>3</sup> Enforcement activity is driven by Police and MTA staffing assigned to parking regulation enforcement.

### **Performance Monitoring**

According to data provided by SFMTA, TEGSCO has been meeting or exceeding performance measures for the contract. The three key performance measures are timeliness of revenue deposits into SFMTA's account (within 24 hours), tow truck dispatch response times (35 minutes during peak commute hours and 25 minutes during non-peak hours), and customer service wait times (average of seven minutes). According to David Rosales, SFMTA Principal Administrative Analyst, revenues are consistently deposited within 24 hours, 95 percent of light-duty tows are responded to on time (above the 90 percent target), and the average customer service wait time is less than two minutes from October through December 2024.

## **FISCAL IMPACT**

The proposed Ninth Amendment would increase the not-to-exceed amount of the TEGSCO contract by \$15,300,000, for a total not to exceed \$136,700,000. Actual and projected contract expenditures are shown in Exhibit 2 below.

---

<sup>3</sup> There were approximately 25,960 tows from April through November 2024, or 3,245 tows per month. Using a straight-line projection, this projects to approximately 38,940 tows for the full contract year.

The Management Fee, which covers TEGSCO's fixed costs, was reduced in contract Years 6 and 7 to the COVID-19 pandemic, but was restored to its prior level in Year 8. Management and Variable Fee projections are adjusted for inflation in Year 10. A five percent contingency is included to cover potential increases in tow volume over the final 15 months of the contract.

**SFMTA Towing Program Revenues and Expenses**

According to SFMTA, the tow program is a cost-recovery program funded by tow revenues and the SFMTA operating budget. Because the program is funded by fees, SFMTA cannot make a profit from the tow program. Over the 10-year term of the contract, the projected net cost to SFMTA for the tow program, or costs minus revenues, is approximately \$70,674,102, as shown in Exhibit 3 below. Net program costs are funded by SFMTA's general revenues, which include General Fund transfers, state and federal grants, transit fares, and other transportation-related

<sup>4</sup> According to SFMTA, the Management Fee was bid out as a flat fee to maintain a consistent level of service, rather than a negotiated amount based on costs to TEGSCO. Costs include staffing, security, office and network infrastructure, storage lot equipment, repairs, capital improvements, administrative costs, and profit.

<sup>5</sup> The Management Fee in Year 1 includes \$720,000 in rent payments for the 7<sup>th</sup> Street facility paid by TEGSCO and reimbursed by SFMTA because Caltrans, the landlord, was not compliant with Chapter 12B of the City's Administrative Code. TEGSCO, which had previously rented the facility directly from Caltrans, paid eight months of rent until the City Administrator's Office approved the Chapter 12B waiver, allowing SFMTA to assume the lease.

fees. Fees do not cover the full cost of the program, which includes the TEGSCO contract, rent, SFMTA enforcement, and SFMTA overhead.

SFMTA tow revenues consist primarily of administrative fees, towing fees, storage fees, and auction revenues. Revenues shown above are net of waivers provided to first-time tows, low-income vehicle owners, and victims of vehicle theft (estimated at \$8.25 million in FY 2023-24) and waivers provided to the Police Department to store vehicles involved in crimes (estimated at \$3.0 million in FY 2023-24). Without these waivers, the towing program would not require support from the SFMTA operating fund, which also funds transit.

### Towing Program Costs

According to the Proposition J analysis for this service, it would cost SFMTA \$29,889,478 to perform this service with City staff, including \$13,967,032 in overhead. Even excluding all of the overhead, the in-house SFMTA cost of \$15,922,446 is still higher than the contract budget of \$15,708,000. Bringing the towing program in-house would likely not be cost-effective.

Other options to reduce SFMTA transit fund support for the towing program include: (1) reducing or eliminating fee discounts for parking regulation violators, (2) increasing towing fees, (3) increasing enforcement of parking regulations, (4) reducing SFMTA program costs, or (5) some combination of these options.

### RECOMMENDATION

Approve the proposed resolution.

<sup>6</sup> Projected TEGSCO contract expenditures do not include the contingency (\$965,782 in Years 9-10).

<sup>7</sup> Rent in FY 2024-25 includes approximately \$2.4 million for the 7<sup>th</sup> Street facility and \$1.4 million for the Bayshore facility.

<sup>8</sup> Administrative costs include SFMTA administrative staff, parking control officers, dispatch staff, overhead, work orders, and credit card processing charges.

## **2. PREMISES**

### **2.1 License Premises.**

**2.1.1** City confers to Licensee a revocable, personal, non-exclusive and non-possessory privilege to enter upon and use those certain premises identified in the Basic License Information and shown on Attachment 2, attached hereto and incorporated by reference as though fully set forth herein (collectively, the "Premises"), for the limited purpose and subject to the terms, conditions and restrictions set forth below. This License gives Licensee a license only, revocable at any time at the will of City, and notwithstanding anything to the contrary herein, this License does not constitute a grant by City of any ownership, leasehold, easement or other property interest or estate whatsoever in the Premises, or any portion thereof. The privilege given to Licensee under this License is effective only insofar as the rights of City in the Premises are concerned, and Licensee shall obtain any further permission necessary because of any other existing rights affecting the Premises. The area of the Premises specified in the Basic License Information shall be conclusive for all purposes hereof. The Premises shall include the land upon which the Premises is located and all other improvements on and appurtenances to such land.

**2.1.2** City may, at City's sole and absolute discretion, relocate Licensee from any portion or all of the Premises to another location on the Property or other City property that City in its sole and absolute discretion deems suitable for the uses permitted hereunder; provided that such relocation shall not materially interfere with Licensee's ability to meet its obligations under the Towing Agreement. City shall arrange and pay for moving Licensee's equipment and personal property from the Premises to such new space. Once City completes such move, Licensee shall commence its Towing Agreement operations at the new space and the new location shall become part or all of the Premises hereunder. Licensee shall enter into any amendment requested by City to reflect such new location.

**2.1.3** City may, at City's sole and absolute discretion, modify the original configuration of the Premises; provided that such modification shall not materially interfere with Licensee's ability to meet its obligations under the Towing Agreement, unless such modification is required under the Lease.

**2.1.4** Licensee acknowledges that the interest of City in the Premises is limited to those rights conveyed to City pursuant to the Lease. Licensee hereby agrees to assume all responsibility for and be bound by all covenants, terms and conditions made by or applicable to City under the Lease, and shall not take any actions that would cause the City to be in default under the Lease. In the event there are any inconsistencies between the provisions of this License and the Lease, the provisions of the Lease shall govern Licensee's use of the Premises hereunder.

**2.2 Subordinate to Lease.** This License is expressly made subject and subordinate to all the terms, covenants and conditions of the Lease, which are incorporated herein by reference (collectively, the "Lease Terms"). Licensee agrees to use the Premises in accordance with the Lease Terms and not take or fail to take any act that City would be required to not take or take under the Lease to comply with the Lease Terms.

**2.3 Performance of Lease Obligations.** Licensee further agrees to assume the obligation for performance of all City's obligations under the Lease with respect to the Premises, except as may be specifically modified by this License and excluding City's obligation to pay rent to Caltrans under the Lease.

**2.4 Amendments to Lease.** Licensee agrees that City shall have the right to enter into amendments or modifications to the Lease without Licensee's prior written consent; provided, however, that if such proposed amendment or modification would materially affect Licensee's rights under this License, Licensee shall not be subject to such amendment or modification unless it

consents to be subject thereto in writing. In the event Licensee fails within fifteen (15) business days to respond in writing to City's written request for such consent, then Licensee shall be deemed without further notice to have consented to City's request for consent.

**2.5 Contact with Caltrans.** Licensee has no authority to contact Caltrans or make any agreement with Caltrans concerning the Premises or the Lease without City's prior written consent, and Licensee shall make payments of any charges payable by Licensee under this License only to City.

**2.6 Caltrans Duties.** The Lease describes Caltrans' duties with respect to the Property. City is not obligated to perform such Caltrans' duties. If Caltrans fails to perform its duties, Licensee shall provide notice to City. In no event shall City incur any liability, or otherwise be responsible, nor shall there be any set-off, deduction or abatement of any amounts owed by Licensee to City pursuant to this License arising from Caltrans' failure to comply with its duties.

**2.7 Termination of Lease.** If the Lease is terminated for any reason during the Term, this License shall automatically terminate as of such Lease termination date.

### **3. INSPECTION OF PROPERTY; AS IS CONDITION**

**3.1 Inspection of Premises.** Licensee represents and warrants that Licensee has conducted a thorough and diligent inspection and investigation of the Property and the suitability of the Premises for Licensee's intended use, either independently or through its officers, directors, employees, agents, affiliates, subsidiaries licensees and contractors, and their respective heirs, legal representatives, successors and assigns, and each of them. Licensee is fully aware of the needs of its operations and has determined, based solely on its own investigation, that the Premises is suitable for its operations and intended uses.

**3.2 As Is Condition.** WITHOUT WAIVING ANY OF LICENSEE'S RIGHTS ESTABLISHED IN SECTIONS 24.3 AND 24.8 BELOW, LICENSEE ACKNOWLEDGES AND AGREES THAT THE PREMISES ARE BEING LICENSED AND HAVE BEEN ACCEPTED IN THEIR "AS IS" AND "WITH ALL FAULTS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. LICENSEE ACKNOWLEDGES AND AGREES THAT NEITHER CITY NOR ANY OF ITS AGENTS HAVE MADE, AND CITY HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL, SEISMOLOGICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE PROPERTY, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR LICENSEE'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, AND IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

**3.3 Accessibility Inspection Disclosure.** Licensee is hereby advised that the Premises have not been inspected by a Certified Access Specialist under California Civil Code Section 1938.

### **4. LICENSE TERM**

#### **4.1 Term.**

**4.1.1** The privilege given to Licensee pursuant to this License is temporary only and shall commence upon the Commencement Date (as described in the Basic License Information) and shall terminate on March 31, 2021, subject to extension pursuant to Section 4.1.2, or the date of earlier termination of this License pursuant to the terms of this License or the Towing Agreement (the "Expiration Date"). Without limiting any of its rights hereunder, City may at its sole option freely revoke this License at any time, without cause and without any obligation to pay any consideration to Licensee.

**4.1.2** The original term of the Towing Agreement ends on March 31, 2021, subject to City's right to extend such term by up to five (5) years. If City extends the term of the Towing Agreement pursuant to Section 2.2 of the Towing Agreement, the term of this License shall be automatically extended to be the last day of the Towing Agreement term, and the word "Term" as used herein shall refer to the original five (5) year term and any extended term resulting from City's extension of the term of the Towing Agreement.

**4.2 Early Termination.** Without limiting any of its rights hereunder, City may at its sole option freely terminate this License as to all or a portion of the Premises without cause and without any obligation to pay any consideration to Licensee

## **5. FEES AND CHARGES**

**5.1 Rent.** Licensee shall pay no rent to City for use of the Premises pursuant to this License; provided, however, that Licensee shall make the payments otherwise owed by Licensee to City pursuant to this License, including, but not limited to, any amounts owed to City pursuant to Sections 6.6, 9.1, 10.2, 17.3, and 24.11 of this License.

**5.2 Late Charges.** Notwithstanding that Licensee will pay no rent, Licensee is obligated to make other payments to City pursuant to this License. If Licensee fails to pay all or any portion of any payment to be made by Licensee to City pursuant to this License within five (5) days following the due date for such payment, such unpaid amount shall be subject to a late payment charge equal to six percent (6%) of the unpaid amount in each instance. The late payment charge has been agreed upon by City and Licensee, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Licensee, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and shall be paid to City together with such unpaid amount.

**5.3 Default Interest.** Any payment to be made by Licensee to City pursuant to this License, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law. However, interest shall not be payable on late charges incurred by Licensee nor on any amounts on which late charges are paid by Licensee to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Licensee.

**5.4 Deduction from Amounts Due.** In the event Licensee fails to pay any payment due hereunder for more than ten (10) days following the due date, City may deduct and withhold the amount of such payment, together with the amount of applicable late charges and default interest as provided herein, from any monies in City's possession due Licensee pursuant to the Towing Agreement.

## **6. USE OF PREMISES**

**6.1 Permitted Use.** Licensee shall use and continuously occupy the Premises during the Term solely for temporary storage and transfer of vehicles, customer service operations, dispatch of tow trucks, and related office use as necessary to meet its obligations under the Towing Agreement and for such other uses, if any, as may be specified in the Basic License Information, all to the extent permitted under the Lease Terms. Except as provided below, Licensee shall not use the Premises for any other purpose without the prior written approval of City, including, without limitation, the following: (a) crushing or dismantling; (b) maintenance or fueling of vehicles, except as otherwise may be permitted under the Maintenance Plan (as defined in Section 22); (c) selling vehicle parts from the Premises; (d) parking or storage of vehicles not covered under the Towing Agreement; or (e) parking for Licensee's employees, without the prior written approval of City and subject to availability of space necessary to fully perform Licensee's obligations under the Towing Agreement. All available space for vehicle parking shall be used for the purposes set forth in the Towing

Agreement, except as otherwise expressly approved by City pursuant to this License. The washing of vehicles shall be with cleansing agents that are biodegradable and non-toxic, and shall be in compliance with the Maintenance Plan. No advertising or signage may be placed in or about the Premises without the prior written permission of City.

**6.2 Use of Equipment and Machinery.** Licensee shall have the right to place on the Premises all necessary equipment and machinery in connection with the permitted use of the Premises. It is understood and agreed that City is not responsible for loss of or damage to any Licensee-owned equipment herein involved, unless caused by the sole negligence of City's officers, agents, and employees.

**6.3 Limitation to Described Purpose.** Licensee may occupy and use the Premises solely for the purpose of fulfilling its obligations under the Towing Agreement to store any vehicles towed pursuant to the terms of the Towing Agreement, and for incidental purposes related thereto. Adequate drop-off space must be provided so that tow and transport trucks can load and unload on the Premises. No loading, unloading, queuing, parking or storage of vehicles will be permitted on any remaining portion of the Property or any public streets or rights-of-way adjacent to the Property. All storage activities authorized by this License shall be restricted to the designated enclosed and visually screened area. Any use of the Premises by Licensee shall be subject to the requirements of the Maintenance Plan.

**6.4 No Unlawful Uses, Nuisances or Waste.** Without limiting the foregoing, Licensee shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or about the Premises. Licensee shall take all precautions to eliminate any nuisances or hazards relating to its activities on or about the Premises. Licensee shall not conduct any business, place any sales display, or advertise in any manner in areas outside the Premises or on or about the Property without the prior written permission of City.

**6.5 Security.** Licensee shall at all times provide security at a level acceptable to the City to protect the Premises and all vehicles stored therein, and the persons and property of owners of towed vehicles, against damage, injury, theft or other loss.

**6.6 Fines.** Without limiting City's other rights and remedies set forth in this License, if Licensee violates any of the following provisions governing its use of the Premises contained in this License or the Towing Agreement, City may impose a fine of \$300 per day during which Licensee is in violation of any of the specified provisions: Sections 2, 6, 7, 8, 11, 19, 22, and 24 of this License; and Sections 4.9 through 4.16 of the Towing Agreement. City may also impose this fine for Licensee's failure to submit any documents, reports or other items as and when required by any provision of this License.

The fines described in this Section 6.6 shall run from the date of City's notice to Licensee of the violation and shall continue until the violation is cured. All such accrued amounts under this Section shall be payable to City on the first day of each month during the period that such fines accrue by wire transfer to a bank account specified by City in writing unless otherwise specified herein. The parties agree that the charges described above represent a fair and reasonable estimate of the administrative cost and expense which City will incur due to such violations by reason of its inspections, issuance of charges and other costs.

If City initiates notice of a fine under this Section, Licensee may appeal such charge to SFMTA's Director of Transportation within fourteen (14) days of the notice with evidence supporting Licensee's claim for relief from the fine imposed. SFMTA's Director of Transportation will respond within fourteen (14) days. Any failure of SFMTA's Director of Transportation to respond within the fourteen (14) day period shall be deemed a rejection of Licensee's claim for relief from the disputed fine. The provisions of Section 11.6.1 of the Towing Agreement shall not apply to fines imposed under this Section.

City's right to impose the foregoing fines shall be in addition to and not in lieu of any and all other rights under this License or at law or in equity; provided, however, that City agrees that if there is an Event of Default (as defined in Section 17 of this License), it will no longer impose any new fine with respect to such Event of Default. City shall have no obligation to Licensee to impose fines on or otherwise take action against any other person.

## **7. ALTERATIONS**

**7.1 Licensee's Alterations.** Licensee shall not make, nor cause or suffer to be made, any alterations, installations, improvements, or additions to any improvements or to the Premises (including demolition or removal), installations, additions or improvements to the Premises, including but not limited to the installation of any appurtenances or trade fixtures affixed to the Premises, constructed by or on behalf of Licensee pursuant to the Towing Agreement, or any trailers, signs, roads, trails, driveways, parking areas, curbs, walks fences walls, stairs, poles, plantings or landscaping, (collectively, "Improvements" or Alterations," which words are interchangeable as used in this License) without first obtaining City's written approval and any required approvals of regulatory agencies having jurisdiction over the Premises. All Alterations shall be done at Licensee's expense in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose. City may require Licensee, at Licensee's expense, to obtain the prior written approval of City's Arts Commission with respect to any Alterations, to the extent the Arts Commission has jurisdiction over the design of such proposed alterations under City's Charter Section 5.103. All Alterations shall be subject to the following conditions:

**7.1.1** All Alterations shall be constructed in a good and workerlike manner and in compliance with all applicable building, zoning and other laws, and in compliance with the terms of and the conditions imposed in any regulatory approval;

**7.1.2** All Alterations shall be performed with reasonable dispatch, delays beyond the reasonable control of Licensee excepted; and

**7.1.3** At the completion of the construction of the Alterations, Licensee shall furnish one (1) set of "as-built" drawings of the same made on or to the Premises. Unless otherwise stated as a condition of the regulatory approval, this requirement may be fulfilled by the submittal after completion of the Alterations of a hand-corrected copy of the approved permit drawing(s).

**7.2 Title to Improvements.** Except for Licensee's Personal Property (as defined in Section 7.3), or as may be specifically provided to the contrary in approved plans, all Alterations, equipment, or other property attached or affixed to or installed in the Premises at the Commencement Date or, by Licensee with the advance approval of City during the Term, shall, at City's sole discretion, remain City's property without compensation to Licensee or be removed at the termination of this License. Licensee may not remove any such Alterations at any time during or after the Term unless City so requests pursuant to Section 23 (Surrender of Premises), below.

**7.3 Licensee's Personal Property.** All furniture, trade fixtures, office equipment and articles of movable personal property installed in the Premises by or for the account of Licensee, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Licensee's Personal Property") shall be and remain Licensee's property. Licensee may remove Licensee's Personal Property at any time during the Term, subject to the provisions of Section 23 (Surrender of Premises), below. Licensee shall pay any taxes or other impositions levied or assessed upon Licensee's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

**7.4 City's Alterations of the Building and Building Systems.** City reserves the right at any time to make alterations, additions, repairs, deletions or improvements to the common areas of the Premises or any other part of the Building or the heating, ventilating, air conditioning, plumbing,

electrical, fire protection, life safety, security and other mechanical, electrical and communications systems located at the Premises ("Building Systems"), provided that any such alterations or additions shall not materially adversely affect the functional utilization of the Premises for the Permitted Use set forth in Section 6.1 (Permitted Use) unless otherwise required under the Lease.

**7.5 Removal of Alterations.** At City's election made in accordance with this Section 7.5, Licensee shall be obligated at its own expense to remove and relocate or demolish and remove (as Licensee may choose) any or all Alterations which Licensee has made to the Premises, including without limitation all telephone wiring and equipment installed by Licensee. Licensee shall repair, at its own expense, in good workerlike fashion any damage occasioned thereby.

**7.5.1 Notice of Removal.** Prior to the termination of this License, City shall give written notice to Licensee specifying the Alterations or portions thereof that Licensee shall be required to remove and relocate or demolish and remove from the Premises, in accordance with this Section 7.5 (herein "Notice of Removal"). If termination is the result of loss or destruction of the Premises or any improvements thereon, City shall deliver said Notice of Removal to Licensee within a reasonable time after the loss or destruction. If Licensee fails to complete such demolition or removal on or before the termination of this License, City may perform such removal or demolition at Licensee's expense, and Licensee shall reimburse City upon demand therefor.

**7.5.2 Removal of Non-Permitted Improvements.** If Licensee constructs any Alterations to the Premises without City's prior written consent or without complying with this Section 7, then, in addition to any other remedy available to City, City may require Licensee to remove, at Licensee's expense, any or all such Alterations and to repair, at Licensee's expense and in good workerlike fashion, any damage occasioned thereby. Licensee shall pay any special inspection fees required by the City for inspecting any Alterations performed by or for Licensee without required permits.

**7.5.3 Alterations Not Subject to Removal.** In conjunction with a request to make an Alteration under Section 7.1 above, Licensee may submit a request for a City determination of whether a proposed Alteration would or would not be required to be removed upon expiration or termination of this License. Licensee acknowledges that such a determination will be based, in part, on whether Caltrans would require the removal of the proposed Alteration upon expiration or termination of the Lease. This Section 7.5.3 shall not apply to Alterations that are required by any regulatory authority to conform the Premises or any building thereon to a requirement of statute, ordinance or regulation.

## **8. REPAIRS AND MAINTENANCE**

**8.1 Licensee's Repairs.** Licensee shall maintain, at its sole expense, the Premises in good repair and working order and in a clean, secure, safe and sanitary condition. Licensee shall promptly make all repairs and replacements: (a) at its sole expense, (b) by licensed contractors or qualified mechanics approved by City, (c) so that the same shall be at least equal in quality, value and utility to the original work or installation, (d) in a manner and using equipment and materials that will not interfere with or impair the use or occupation of the Premises, and (e) in accordance with the Lease and all applicable laws, rules and regulations (collectively, "Applicable Law"). Licensee hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

**8.2 Removal of Refuse.** All refuse, including tires, non-salvageable vehicle parts and litter, shall be removed from the Premises on a regular basis by an authorized refuse collection company. All trash areas shall be effectively screened from view and maintained in orderly manner. All trash and refuse containers shall be maintained in approved enclosures.

**8.3 Storm Water Pollution Prevention.** Licensee agrees to effect mechanisms to control storm water pollution at the Premises to the reasonable satisfaction of City, which mechanism may include

(by way of example and not limitation) good housekeeping and materials management practices, preventing run-on and run-off from materials storage areas, maintenance areas, or areas where contaminants may be present, installation and maintenance of catchments or absorbent pads in storm water drains located at or servicing the Premises, or other pollution prevention practices appropriate to the facility and operations. Documentation of Licensee's pollution prevention practices shall be provided as part of the Maintenance Plan. Licensee shall comply with all storm water pollution control regulations applicable to the Property, including those set forth in Section 5.11 of the Lease, and shall prepare and submit all storm water permit applications and storm water pollution control plans required for the Premises under any Applicable Law.

**8.4 Repair of Any Damage.** In the event that damage to any of the improvements to the Premises which are Licensee's obligation to maintain by reason of ordinary wear and tear or deterioration results in such improvements not meeting the standard of maintenance required by City for such uses as Licensee is making of the Premises, then Licensee shall have the independent responsibility for, and shall promptly undertake such maintenance or repair and complete the same with due diligence. If Licensee fails to do so after reasonable notice in writing from City, then in addition to any other remedy available to City, City may make such maintenance or repairs and Licensee shall reimburse City therefor. The City, in its sole discretion, may obtain reimbursement for damages from the Performance Surety Bond. Should the City obtain reimbursement for damages from the Performance Surety Bond, Licensee shall promptly restore the Performance Surety Bond to its original amount.

## **9. LIENS AND ENCUMBRANCES**

**9.1 Liens.** Licensee shall keep the Premises and the rest of the Property free from any liens arising out of any work performed, material furnished or obligations incurred by or for Licensee. In the event Licensee does not, within twenty (20) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have, in addition to all other remedies, the right, but not the obligation, to cause the lien to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses reasonably incurred by it in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Licensee within thirty (30) days of demand by City. City shall have the right to post on the Premises any notices that City may deem proper for the protection of City, the Premises from mechanics' and materialmen's liens. Licensee shall give to City at least fifteen (15) days' prior written notice of commencement of any repair or construction on the Premises.

**9.2 Encumbrances.** Licensee shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises, the Property or City's interest therein or under this License.

## **10. UTILITIES AND SERVICES**

**10.1 Utilities and Services.** Sewer, water, janitor service, telecommunications services and any other utilities or services shall be acquired and paid by Licensee, including the initial hook up to said utilities and services.

**10.2 Utility Maintenance.** Licensee shall be obligated, at its sole cost and expense, to repair and maintain in good operating condition all utilities located within the Premises and all utilities installed by Licensee (whether within or outside the Premises). If Licensee requests City to perform such maintenance or repair, whether emergency or routine, City may charge Licensee for the cost of the work performed at the then prevailing standard rates, and Licensee agrees to pay said charges to City promptly upon billing. Licensee shall pay for repair of utilities located outside the Premises (regardless of who installed the same) which are damaged by or adversely affected by Licensee's use of such utility and shall be responsible for all damages, liabilities and claims arising therefrom. The parties agree that any and all utility improvements shall become part of the realty and are not trade fixtures.

**10.3 Mandatory or Voluntary Restrictions.** . In the event any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on City or the Property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this License, or in the event City is required or elects to make alterations to any part of the Building in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Licensee to any damages, relieve Licensee of the obligation to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Licensee. City shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Licensee.

## **11. COMPLIANCE WITH LAWS AND RISK MANAGEMENT REQUIREMENTS**

### **11.1 Compliance with Laws.**

**11.1.1** Licensee shall promptly comply, at its sole expense, with all present or future laws, judicial decisions, orders, regulations and requirements of all governmental authorities relating to the Premises or the use or occupancy thereof, whether in effect at the time of the execution of this License or adopted at any time thereafter and whether or not within the present contemplation of the parties.

**11.1.2** Licensee further understands and agrees that it is Licensee's obligation, at its sole cost, to cause the Premises and Licensee's uses thereof to be conducted in compliance with the Americans with Disabilities Act, 42 U.S.C.A. §§ 12101 et seq. and any other disability access laws, rules, and regulations. Licensee shall not be required to make any structural alterations in order to comply with such laws unless such alterations shall be occasioned, in whole or in part, directly or indirectly, by Licensee's Alterations, Licensee's manner of using the Premises, or any act or omission of Licensee, its Agents or Invitees. Any Alteration made by or on behalf of Licensee pursuant to the provisions of this Section shall comply with the provisions of Section 8.1 (Licensee's Repairs), above.

**11.1.3** Licensee shall comply with all Fire Code requirements in its use and occupancy of the Premises.

**11.1.4** The parties acknowledge and agree that Licensee's obligation to comply with all laws as provided herein is a material part of the bargained for consideration under this License. Licensee's obligation under this Section shall include, without limitation, the responsibility of Licensee to comply with Applicable Law by making substantial or structural repairs and modifications to the Premises (including any of Licensee's Alterations), regardless of, among other factors, the relationship of the cost of curative action to the fee under this License, the relative benefit of the repairs to Licensee or City and the degree to which the curative action may interfere with Licensee's use or enjoyment of the Premises. This section shall not apply to any non-compliance with laws relating to changes in use or configuration of the Premises requested by City.

### **11.2 Regulatory Approvals.**

**11.2.1 Responsible Party.** Licensee understands and agrees that Licensee's use of the Premises and construction of any Alterations permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Licensee shall be solely responsible for obtaining any and all such regulatory approvals. Licensee shall not seek any regulatory approval without first obtaining the written consent of City hereunder. Licensee shall bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory

approval, other than any conditions that may arise out of Hazardous Materials in, on, or under any part of the Building or other portion of the Premises that were present immediately prior to July 1, 2016, to the extent that such regulatory conditions relate to property conditions existing at such time, and except to the extent that the regulatory conditions relate to Licensee's exacerbation of any pre-existing condition; provided, however, that City shall not be required to engage in any work or incur any costs necessary to secure any regulatory approval or satisfy any condition imposed by a regulatory agency. Any fines or penalties levied as a result of Licensee's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Licensee, and City shall have no liability, monetary or otherwise, for any such fines or penalties. As defined in Section 18.2 herein, Licensee shall Indemnify City and the other Indemnified Parties hereunder against all Losses arising in connection with Licensee's failure to obtain or comply with the terms and conditions of any regulatory approval.

**11.2.2 City Acting as Leasehold Owner of Real Property.** Licensee further understands and agrees that City is entering into this License in its capacity as a leasehold owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this License shall limit in any way Licensee's obligation to obtain any required approvals from City departments, boards, agencies, or commissions having jurisdiction over the Premises or Licensee's activities at the Premises. By entering into this License, City is in no way modifying or limiting Licensee's obligation to cause the Premises to be used and occupied in accordance with all Applicable Law, as provided further above.

**11.3 Compliance with City's Risk Management Requirements.** Licensee shall not do anything, or permit anything to be done, in or about the Premises which would be prohibited by or increase the rates under a standard form fire insurance policy or subject City to potential premises liability. Licensee shall faithfully observe, at its expense, any and all requirements of City's Risk Manager with respect to Licensee's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Licensee's use of the Premises.

## **12. SUBORDINATION**

This License is and shall be subordinate to the Lease (including Caltrans' rights and City's obligations thereunder) and any reciprocal easement agreement, ground lease, facilities lease or other underlying leases or licenses and the lien of any mortgage or deed of trust, that may now exist or hereafter be executed affecting the Property, or any part thereof, or City's interest therein. Notwithstanding the foregoing, City or the holder shall have the right to subordinate any such interests to this License. Licensee agrees, however, to execute and deliver, upon demand by City and in the form requested by City, any additional documents evidencing the priority or subordination of this License.

## **13. INABILITY TO PERFORM**

If City is unable to perform or is delayed in performing any of City's obligations under this License, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an actual or constructive eviction, in whole or in part, or entitle Licensee to any abatement or diminution of fee or relieve Licensee from any of its obligations under this License, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Licensee's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. Licensee hereby waives and releases any right to terminate this License under Section 1932, subdivision 1 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect.

## **14. DAMAGE AND DESTRUCTION**

If all or any portion of the Premises is damaged by fire or other casualty, City shall have no obligation to repair the Premises. City shall provide Licensee with a copy of the notice City receives from Caltrans of Caltrans' estimated time to restore such damage (the "Caltrans Repair Notice") within ten (10) days of City's receipt of the Caltrans Repair Notice. If the restoration time set forth in the Caltrans Repair Notice (the "Repair Period") is estimated to exceed two hundred ten (210) days, City shall have the right to terminate this License by delivering written notice of such termination to Licensee within thirty (30) days of City's delivery of the Caltrans Repair Notice to Licensee, in which event this License shall terminate as of the date specified in such termination notice.

If at any time during the last twelve (12) months of the Term of this License all or any portion of the Premises is damaged or destroyed, then Licensee may terminate this License by giving written notice to City of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Licensee may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for general office purposes. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

**14.1 City Repairs.** Notwithstanding anything to the contrary in this License, City shall have no obligation to repair the Premises in the event the damage or destruction, and in no event shall City be required to repair any damage to Licensee's Personal Property or any paneling, decorations, railings, floor coverings, or any Alterations installed or made on the Premises by or at the expense of Licensee.

**14.2 Termination by City.** In the event the Premises are substantially damaged or destroyed, Caltrans intends to restore the Premises pursuant to the Lease, and City intends to use the restored Premises for public purposes inconsistent with this License, City may terminate this License upon written notice to Licensee.

**14.3 Licensee Waiver.** City and Licensee intend that the provisions of this Section govern fully in the event of any damage or destruction and accordingly, City and Licensee each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4, Section 1941, and Section 1942 of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect, to the extent such provisions apply.

## **15. EMINENT DOMAIN**

### **15.1 Definitions.**

**15.1.1 "Taking"** means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

**15.1.2 "Date of Taking"** means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemner or (ii) the date on which Licensee is dispossessed.

**15.1.3 "Award"** means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

**15.2 General.** If during the Term there is any Taking of all or any part of the Premises or any interest in this License, the rights and obligations of Licensee shall be determined pursuant to this Section. City and Licensee intend that the provisions hereof govern fully Licensee's rights in the event of a Taking and accordingly, Licensee hereby waives any right to terminate this License in

whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

**15.3 Total Taking; Automatic Termination.** If there is a total Taking of the Premises, then this License shall terminate as of the Date of Taking.

**15.4 Partial Taking; Election to Terminate.**

**15.4.1** If there is a Taking of any portion (but less than all) of the Premises, then this License shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises unsuitable for continued use by Licensee for the permitted uses described in Section 6.1, (B) the condition rendering the Premises unsuitable either is not curable or is curable but neither City nor Caltrans is willing or able to cure such condition, and (C) Licensee elects to terminate; or (ii) if City elects to terminate.

**15.4.2** If Licensee elects to terminate under the provisions of this Section 15, Licensee shall do so by giving written notice to the City before or within thirty (30) days after the Date of Taking, and thereafter this License shall terminate upon the later of the thirtieth (30<sup>th</sup>) day after such written notice is given or the Date of Taking.

**15.5 License Fee: Award.** Upon termination of this License pursuant to an election under Section 15.4 above, then City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of Licensee's interest under this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

**15.6 Partial Taking: Continuation of License.** If there is a partial Taking of the Premises under circumstances where this License is not terminated in its entirety under Section 15.4 above, then this License shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the License interest created by this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

**15.7 Temporary Takings.** Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this License shall remain unaffected thereby, and Licensee shall continue to pay all fees and to perform all of the terms, conditions and covenants of this License. In the event of such temporary Taking, Licensee shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total fee owing by Licensee for the period of the Taking, and City shall be entitled to receive the balance of any Award.

**16. ASSIGNMENT AND SUBLETTING**

Licensee shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Licensee), voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer (collectively, "Assignment") any part of its interest in or rights with respect to the Premises, or permit any portion of the Premises to be occupied by anyone other than itself, or sublet or license any portion of the Premises (collectively, "Subletting"), without City's prior written consent in each instance.

## **17. DEFAULT; REMEDIES**

**17.1 Events of Default.** Any of the following shall constitute an event of default by Licensee hereunder (each, an "Event of Default"):

**17.1.1** A failure to pay any amount payable under this License when due, and such failure continues for three (3) days after the date of written notice by City. However, City shall not be required to provide such notice with respect to more than two delinquencies and any such failure by Licensee after Licensee has received two (2) such notices shall constitute a default by Licensee hereunder without any further action by City or opportunity of Licensee to cure except as may be required by Section 1161 of the California Code of Civil Procedure.

**17.1.2** A failure to comply with any other covenant, condition or representation under this License and such failure continues for fifteen (15) days after the date of written notice by City, provided that if such default is not capable of cure within such fifteen (15) day period, Licensee shall have a reasonable period to complete such cure if Licensee promptly undertakes action to cure such default within such 15-day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from City. City shall not be required to provide such notice with respect to more than two defaults and after the second notice any subsequent failure by Licensee shall constitute an Event of Default;

**17.1.3** A vacation or abandonment of the Premises for a continuous period in excess of five (5) business days;

**17.1.4** An uncured event of default under the Towing Agreement;

**17.1.5** An appointment of a receiver to take possession of all or substantially all of the assets of Licensee, or an assignment by Licensee for the benefit of creditors, or any action taken or suffered by Licensee under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days; or

**17.1.6** Licensee's failure to pay City for its staff costs incurred as a result of a notice of violation or other regulatory order to Licensee pursuant to Section 24.10 of this License within thirty (30) days, or to replenish the Performance Surety Bond or the Environmental Oversight Deposit (as defined in Section 24.11 of this License) if drawn upon.

**17.2 City Rights Upon Default.** Upon the occurrence of an Event of Default by Licensee, City shall have the right to terminate the License in addition to the following rights and all other rights and remedies available to City at law or in equity:

**17.2.1** The rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including, but not limited to, the right to terminate Licensee's right to possession of the Premises. City's efforts to mitigate the damages caused by Licensee's breach of this License shall not waive City's rights to recover damages upon termination.

**17.2.2** The rights and remedies provided by California Civil Code Section 1951.4 (continuation of lease after breach and abandonment), allowing City to continue this License in effect and to enforce all its rights and remedies under this License for so long as City does not terminate Licensee's right to possession, if Licensee has the right to sublet or assign, subject only to reasonable limitations. For purposes hereof, none of the following shall constitute a termination of Licensee's right of possession: acts of maintenance or preservation; efforts to relet the Premises or the appointment of a receiver upon City's initiative to protect its interest under this License; withholding consent to an Assignment or Sublicense, or terminating an Assignment or Sublicense, if the withholding or termination does not violate the rights of

Licensee specified in subdivision (b) of California Civil Code Section 1951.4. If City exercises its remedy under California Civil Code Section 1951.4, City may from time to time sublet or license the Premises or any part thereof for such term or terms (which may extend beyond the Term) and at such rent or fee and upon such other terms as City may in its sole discretion deem advisable, with the right to make alterations and repairs to the Premises. Upon each such subletting or sublicensing, Licensee shall be liable for any amounts due hereunder, as well as the cost of such subletting or sublicensing and such alterations and repairs incurred by City and the amount, if any, by which fee owing hereunder for the period of such subletting or sublicensing (to the extent such period does not exceed the Term) exceeds the amount to be paid as rent or fee for the Premises for such period pursuant to such subletting or sublicensing. No action taken by City pursuant to this subsection shall be deemed a waiver of any default by Licensee, or to limit City's right to terminate this License at any time.

**17.2.3** The right to have a receiver appointed for Licensee upon application by City to take possession of the Premises and to apply any fees or rental collected from the Premises and to exercise all other rights and remedies granted to City pursuant to this License.

**17.3 City's Right to Cure Licensee's Defaults.** If Licensee defaults in the performance of any of its obligations under this License, then City may, at its sole option, remedy such default for Licensee's account and at Licensee's expense by providing Licensee with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of such default or any rights or remedies of City, and nothing herein shall imply any duty of City to do any act that Licensee is obligated to perform. Licensee shall pay to City upon demand, all reasonable costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. Licensee's obligations under this Section shall survive the termination of this License.

**17.4 Security Deposit.** On or before the Commencement Date, Licensee shall provide to the City, and shall maintain throughout the term of this License and for a period of at least ninety (90) days after the Expiration Date, a security deposit as follows (collectively, the "Security Deposit") as security for the faithful performance of all terms, covenants and conditions of this License and the Towing Agreement: (i) the Performance Bond described in Section 14.9 of the Towing Agreement and (ii) the Maintenance Deposit described in Section 14.14 of the Towing Agreement. Licensee agrees that City may (but shall not be required to) apply the Security Deposit in whole or in part to remedy any damage to the Premises or the Improvements (if any) caused by Licensee, its Agents or Invitees, or any failure of Licensee to perform any other terms, covenants or conditions contained in this License, without waiving any of City's other rights and remedies hereunder or at Law or in equity. City's obligations with respect to the Security Deposit are solely that of debtor and not trustee. The amount of the Security Deposit shall not be deemed to limit Licensee's liability for the performance of any of its obligations under this License.

## **18. WAIVER OF CLAIMS; INDEMNIFICATION**

**18.1 Limitation on City's Liability: Waiver of Claims.** Except for any Pre-2016 Conditions (as defined in Section 24.3) or Non-Licensee Hazardous Materials (as defined in Section 24.8), City shall not be responsible for or liable to Licensee, and Licensee hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Building adjacent to or connected with the Premises which are not occupied by City, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, and (vi) any other acts, omissions or causes. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and the Indemnified Party's costs of investigating any Claim. Licensee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Licensee by an Indemnified Party and continues at all times thereafter. If any policy of insurance relating to the Premises carried by Licensee does not permit the foregoing waiver or if the coverage under any such policy would be invalidated due to such waiver, Licensee shall obtain, if possible, from the insurer under such policy a waiver of all rights of subrogation the insurer might have against City or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.

## **20. ACCESS BY CITY**

City and Licensee understand that the vehicles transported to and stored at the Property will contain and may partially consist of Hazardous Materials. Licensee shall immediately notify City if and when Licensee learns or has reason to believe a Release of Hazardous Material on or about any part of the Premises or the remainder of the Property has occurred that may require any Investigation or Remediation. Licensee shall not be responsible for the safe handling of Hazardous Materials introduced on the remainder of the Property during the Term of the Towing Agreement by City or its Agents.

This indemnification of City by Licensee includes, but is not limited to, costs incurred in connection with any investigation of site conditions or any clean-up, remediation, removal or restoration work requested by Caltrans or required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater in, on or under the Premises, the remainder of the Property or in any Alterations. **24.6 Damaged Vehicles.** Licensee shall inspect all vehicles before storing them on the Premises to make a good faith effort to determine that vehicles are not leaking fluids, including but not limited to gasoline, battery acid, oil, transmission and transfer case fluids, brake and clutch fluids, and coolant. Licensee shall secure vehicles that have been severely damaged due to collision or vandalism so that parts do not fall off and fluids do not leak. Leaking vehicles shall be drained of the leaking fluid on a sealed cement pad, which Licensee shall maintain free of build-up of Hazardous Materials. Licensee shall immediately clean-up and remove all leaked or spilled fluids, whether within or outside of sealed or contained areas. Licensee shall treat all such fluids and used cleaning materials as hazardous waste and shall dispose of them in accordance with Environmental Laws and Section 24.3 above. Parts that have fallen off a vehicle shall be placed inside the vehicle in a manner that minimizes damage to the vehicle. Licensee shall not be deemed an owner or operator of any damaged vehicle, but shall be deemed the owner of any fluids that leak from such damaged vehicles on or about the Premises.

**24.7 Fire Prevention Measures.** Licensee shall comply with the following fire prevention measures.

Licensee shall not be obligated to remove any Hazardous Material introduced onto the Premises before, during, or after the Term of the Towing Agreement by (1) City or its officers, directors, employees, or Agents or (2) any prior occupants, tenants, property owners, individuals, corporations or entities (collectively, any "Non-Licensee Hazardous Material"). If Licensee demonstrates its compliance with the property maintenance requirements of this License, the Maintenance Plan described in Section 22 above, there shall be a rebuttable presumption that any Hazardous Materials in, on, under or about the Premises were not introduced by Licensee, its Agents or Invitees. However, if Licensee does not demonstrate its compliance with the property maintenance requirements of this License or of the Maintenance Plan, then there shall be a rebuttable presumption that such Hazardous Materials are Licensee's responsibility to the extent that the presence of such Hazardous Materials bear a reasonable causal relationship to Licensee's non-compliance in their composition and location.

Prior to the termination of this License, at Licensee's expense, City and Licensee shall conduct a joint inspection of the Premises for the purpose of identifying Hazardous Materials on the Premises which can be determined to have been introduced by the Licensee and which Licensee is therefore required to remove. City's failure to conduct an inspection or to detect conditions if an inspection is conducted shall not be deemed to be a release of any liability for environmental conditions subsequently determined to be Licensee's responsibility.

**24.9 Licensee's Environmental Condition Notification Requirements.**

**24.9.1 Notification of Any Release or Discharge.** Licensee shall notify City in writing as required in the Maintenance Plan if Licensee learns or has reason to believe that a Release of any Hazardous Materials on or about any part of the Premises has occurred, whether or not the Release is in quantities that under any law would require the reporting of such Release to a governmental or regulatory agency.

**24.9.2 Notification of Any Notice, Investigation, or Claim.** Licensee shall also immediately notify City in writing of, and shall contemporaneously provide City with a copy of:

- (a) Any written notice of Release of Hazardous Materials on the Premises that is provided by Licensee or any subtenant or other occupant of the Premises to a governmental or regulatory agency;

- (e) Any notice of the loss of any environmental operating permit by Licensee or any subtenant or other occupant of the Premises.

#### **24.9.3 Notification of Regulatory Actions.**

- (a) Licensee shall immediately notify City in writing of any inspection by any governmental or regulatory agency with jurisdiction over Hazardous Materials and shall provide City with a copy of any inspection record, correspondence, reports and related materials from or to the agency.
- (b) Licensee must notify City of any meeting, whether conducted face-to-face or telephonically, between Licensee and any regulatory agency regarding an environmental regulatory action. City will be entitled to participate in any such meetings at its sole election.
- (c) Licensee must notify City of any environmental regulatory agency's issuance of an environmental regulatory approval. Licensee's notice to City must state the issuing entity, the environmental regulatory approval identification number, and the date of issuance and expiration of the environmental regulatory approval. In addition, Licensee must provide City with a list of any environmental regulatory approval, plan or procedure required to be prepared and/or filed with any regulatory agency for operations on the Property, including a "Spill Pollution Control and Countermeasure Plan." Licensee must provide City with copies of any of the documents within the scope of this Section upon City's request.
- (d) Licensee must provide City with copies of all communications with regulatory agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Materials Claims arising from Licensee's or its Agents' or Invitees' operations at the Property. Upon City's request, Licensee must provide City with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.
- (e) City may from time to time request, and Licensee will be obligated to provide, information reasonably adequate for City to determine that any and all Hazardous Materials are being handled in a manner that complies with all Environmental Laws.

**24.10 Use of Security Deposit.** If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and Licensee does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency or by the City if the agency does not specify a timeframe, the City may draw upon the Security Deposit for purposes of ensuring regulatory compliance. In addition, the City may draw upon the Security Deposit in order to reimburse the City for any fine or other charge assessed against the City related to any notice of violation or other regulatory order issued to Licensee. The City may also draw upon the Security Deposit in order to reimburse the City for costs associated with City's environmental assessments or corrective action, which may be performed at the City's sole discretion.

**24.11 Environmental Oversight Deposit.** Upon execution of the Towing Agreement, Licensee shall provide to the City, and shall maintain and replenish throughout the Term of this License and for a period of at least ninety (90) days after expiration of this License, an "Environmental Oversight Deposit" in the amount of \$10,000, which shall be deposited in an account specified and held by City, as security for the faithful performance of all of the terms, covenants and conditions of this Section. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and such notice is not cured within fourteen (14) days, the City may (but shall not be required to) apply draw from the Environmental Oversight Deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the License. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations, and such notice is cured within fourteen (14) days, the City may draw from the Environmental Oversight Deposit in an amount not to exceed \$500 to reimburse the City for staff costs incurred by the City. City will submit an invoice to Licensee for any such costs, and Licensee will pay such invoiced amounts within thirty (30) days to replenish the Environmental Oversight Deposit. Licensee's failure to pay such costs within thirty (30) days, or to replenish the Environmental Oversight Deposit if drawn upon, will constitute an Event of Default.

Any City withdrawal of funds from the Environmental Oversight Deposit pursuant to this Section shall be without waiving any of City's other rights and remedies hereunder or at law or in equity. Licensee agrees that City's obligations with respect to the Environmental Oversight Deposit are solely that of debtor and not trustee. City shall not be required to keep the Environmental Oversight Deposit separate from its general funds, and Licensee shall not be entitled to any interest on the Environmental Oversight Deposit. The amount of the Environmental Oversight Deposit shall not be deemed to limit Licensee's liability for the failure to comply with any of its Hazardous Materials provisions under this License.

**24.12 Hazardous Substance Disclosure.** California law requires landlords to disclose to tenants the presence or potential presence of certain hazardous materials and hazardous substances prior to lease. Accordingly, Licensee is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, office maintenance fluids, asbestos, PCBs, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde.

**25.2 No Implied Waiver.** No failure by City to insist upon the strict performance of any obligation of Licensee under this License or to exercise any right, power or remedy arising out of a

breach thereof, irrespective of the length of time for which such failure continues, no acceptance of any other amounts owing under this License during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this License. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. Any consent by City hereunder shall not relieve Licensee of any obligation to secure the consent of City in any other or future instance under the terms of this License.

**25.3 Amendments.** Neither this License nor any term or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by both parties hereto.

**25.4 Authority.** Each of the persons executing this License on behalf of Licensee does hereby covenant and warrant that Licensee is a duly authorized and existing entity, that Licensee has and is qualified to do business in California, that Licensee has full right and authority to enter into this License, and that each and all of the persons signing on behalf of Licensee are authorized to do so. Upon City's request, Licensee shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

**25.5 Parties and Their Agents; Approvals..** The words "City" and "Licensee" as used herein shall include the plural as well as the singular. If there is more than one Licensee, the obligations and liabilities under this License imposed on Licensee shall be joint and several. **25.6.1** The captions preceding the articles and sections of this License and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this License.

**25.6.2** This License has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this License.

**25.6.3** Provisions in this License relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day.

**25.6.4** Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this License, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

**25.6.5** Any capitalized term used herein shall be interpreted in accordance with the definition set forth in this License. If the capitalized term is not defined in this License, it shall be interpreted in accordance with the definition set forth in the Towing Agreement or the Lease.

**25.6.6** Any inconsistency between this License, the Towing Agreement, and the Lease with respect to Licensee's performance of its obligations under the Towing Agreement shall be resolved by giving precedence in the following order: (a) the Towing Agreement; (b) the Lease; (c) this License.

**25.7 Successors and Assigns.** Subject to the provisions of this License relating to Assignment and subletting, the terms, covenants and conditions contained in this License shall bind and inure to the benefit of City and Licensee and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent Licensor) of its interest in the Premises as owner or lessee, including any transfer by operation of law, City (or any subsequent Licensor) shall be relieved from all subsequent obligations and liabilities arising under this License subsequent to such sale, assignment or transfer.

**25.8 Severability.** If any provision of this License or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this License shall be valid and be enforceable to the fullest extent permitted by law.

**25.9 Governing Law.** This License shall be construed and enforced in accordance with the laws of the State of California.

**25.10 Entire Agreement.** This License, together with all exhibits hereto, which are made a part of this License, and the Towing Agreement, constitute the entire agreement between City and Licensee about the subject matters hereof and may not be modified except by an instrument in writing signed by the party to be charged. In the event of any conflict between the terms of the Towing Agreement and the terms of this License with respect to Licensee's activities and obligations at the Premises, the terms of the License shall control. All prior written or oral negotiations, understandings and agreements are merged herein. The parties further intend that this License shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this License. Licensee hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this License except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Licensee by implication or otherwise unless expressly set forth herein.

**25.11 Attorneys' Fees.** In the event that either City or Licensee fails to perform any of its obligations under this License or in the event a dispute arises concerning the meaning or interpretation of any provision of this License, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this License, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

**25.12 Holding Over.** Should Licensee hold over without City's consent, such holding over shall not be deemed to extend the Term or renew this License, but such term thereafter shall continue as a month-to-month occupancy. All other payments shall continue under the terms of this License. In addition, Licensee shall be liable for all damages incurred by City as a result of such holding over. No holding over by Licensee, whether with or without consent of City, shall operate to extend this License except as otherwise expressly provided, and this Section shall not be construed as consent for Licensee to retain possession of the Premises beyond such month to month holdover occupancy. For purposes of this Section, "possession of the Premises" shall continue until, among other things, Licensee has delivered all keys to the Premises to City, has fully vacated the Premises, and completely fulfilled all obligations required of it upon termination of the License as set forth in this License, including, without limitation, those concerning the condition and repair of the Premises.

(c) Licensee agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Licensee, if so desiring, may have reasonable opportunity to contest the validity of the same.

Licensee shall notify City when it enters into such a Subcontract and shall certify to the City that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Licensee shall be responsible for its Subcontractors' compliance with this Chapter. Without limiting City's other rights and remedies, Licensee agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time of the Commencement Date. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Licensee's failure to comply with this provision.

**2b.** Section 4.9 (Performance Surety Bond) is replaced in its entirety to read as follows:

**4.9 Performance Surety Bond.** Upon the Effective Date of this Agreement, Contractor shall provide to the City, and shall maintain throughout the Term of this Agreement and for a period of at least ninety (90) days after expiration or termination of this Agreement, or until all of Contractor's obligations have been performed under this Agreement, whichever date is later, a performance guarantee of two million dollars (\$2,000,000), which shall consist of a Performance Surety Bond of two million dollars (\$2,000,000) in favor of the City and County of San Francisco, a municipal corporation, acting by and through its Municipal Transportation Agency, guarantying the faithful performance by Contractor of this Agreement, of the 2650 Bayshore License, of the 7th Street License, and of the covenants, terms and conditions of this Agreement the 2650 Bayshore License, and the 7th Street License, including all monetary obligations set forth herein, and including liquidated damages and any dishonesty on the part of Contractor.

The City may draw upon such Performance Surety Bond in circumstances which include, but are not limited to:

(a) To ensure regulatory compliance in the event that Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over Contractor's operations or the properties used by Contractor for the performance of this Agreement and Contractor does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency, or by the City if the agency does not specify a timeframe.

(b) To reimburse the City for any fine or other charge assessed against the City related to any notice of violation or other regulatory order issued to Contractor.

(c) To reimburse the City for costs associated with City's environmental assessments or corrective action related to Contractor's violation of any of the requirements of Appendix D, the 2650 Bayshore License, or Appendix F, the 7th Street License, which may be performed at the City's sole discretion.

- (d) To satisfy any overdue payment obligations owed by Contractor to City pursuant to Appendices D or F.
- (e) To satisfy fines assessed by City against Contractor pursuant to Appendices D or F.
- (f) To compensate City for losses or damage to property caused by Contractor.

The Performance Surety Bond required by this Section 4.8 shall be issued on a form prescribed by City, which is attached hereto as Appendix E, and issued by a financial institution acceptable to the City in its sole discretion, which financial institution shall (a) be a bank, insurance or trust company doing business and having an office in the State of California, (b) have a combined capital and surplus of at least \$25,000,000, and (c) be subject to supervision or examination by federal or state authority. If Contractor defaults with respect to any provision of this Agreement, City may, but shall not be required to, make its demand under said Performance Surety Bond for all or any portion thereof, to compensate City for any loss or damage which City may have incurred by reason of Contractor's default or dishonesty, including (but not limited to) any claim for fines or liquidated damages; provided, however, that City shall present its written demand to said bank, insurance or trust company for payment under said Performance Surety Bond only after City first shall have made its demand for payment directly to Contractor, and five (5) full days have elapsed without Contractor having made payment to City.

**2c.** Section 4.14 (Maintenance Deposit) is replaced in its entirety to read as follows:

**4.14** Upon execution of this Agreement, Contractor shall deposit with City the amount of one hundred thousand dollars (\$100,000) as a maintenance deposit. These funds may be used by City as specified in Appendices D and F, including but not limited to when maintenance required by Appendices D or F is not done in a timely manner or in accordance with the standards of this Agreement, including the standards of Appendices D or F. Contractor shall be responsible for replenishing this maintenance deposit fund to maintain a balance of one hundred thousand dollars (\$100,000) within fifteen (15) days of any date that the fund falls below the minimum balance. Failure to replenish the maintenance deposit fund for more than forty-five (45) days shall be an Event of Default under Section 8.2 of this Agreement. Any interest accrued and earned on the maintenance deposit fund shall be retained by City.

**2d.** Section 4.16 (Environmental Oversight Deposit) is replaced in its entirety to read as follows:

**4.16 Environmental Oversight Deposit.** Upon the Effective Date of this Agreement, Contractor shall provide to the City, and shall maintain and replenish throughout the term of the property licenses set forth in Appendices D and F of this Agreement and for a period of at least ninety (90) days after termination or expiration of those licenses, an Environmental Oversight Deposit in the amount of ten thousand dollars (\$10,000), which shall be deposited in an account specified by City. If Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the designated facilities or its operations, and such notice is not cured within fourteen (14) days, the City may draw from this deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the licenses. If Contractor receives a

notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the site and or its operations, and such notice is cured within fourteen (14) days, the City may draw from this deposit in an amount not to exceed \$500 to reimburse the City for staff costs incurred by the City. The City will submit an invoice to Contractor for any such costs, and Contractor will pay such invoiced amounts within thirty (30) days to replenish the Environmental Oversight Deposit. Contractor's failure to pay such costs within thirty (30) days, or to replenish the Environmental Oversight Deposit if drawn upon, will constitute an Event of Default under Section 8.2 of this Agreement.

2e. Section 8.2 (Termination for Default; Remedies.) is replaced in its entirety to read as follows:

### **8.2 Termination for Default; Remedies.**

Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

Any notice of default must be sent by registered mail to the address set forth in Article 11.

**2f.** Appendix F (Revocable License to Enter and Use Property at 450 7th Street) is hereby attached and incorporated into this Agreement as though fully set forth herein.

## **2. PREMISES**

### **2.1 License Premises.**

**2.1.1** City confers to Licensee a revocable, personal, non-exclusive and non-possessory privilege to enter upon and use those certain premises identified in the Basic License Information and shown on Attachment 2, attached hereto and incorporated by reference as though fully set forth herein (collectively, the "Premises"), for the limited purpose and subject to the terms, conditions and restrictions set forth below. This License gives Licensee a license only, revocable at any time at the will of City, and notwithstanding anything to the contrary herein, this License does not constitute a grant by City of any ownership, leasehold, easement or other property interest or estate whatsoever in the Premises, or any portion thereof. The privilege given to Licensee under this License is effective only insofar as the rights of City in the Premises are concerned, and Licensee shall obtain any further permission necessary because of any other existing rights affecting the Premises. The area of the Premises specified in the Basic License Information shall be conclusive for all purposes hereof. The Premises shall include the land upon which the Premises is located and all other improvements on and appurtenances to such land.

**2.1.2** City may, at City's sole and absolute discretion, relocate Licensee from any portion or all of the Premises to another location on the Property or other City property that City in its sole and absolute discretion deems suitable for the uses permitted hereunder; provided that such relocation shall not materially interfere with Licensee's ability to meet its obligations under the Towing Agreement. City shall arrange and pay for moving Licensee's equipment and personal property from the Premises to such new space. Once City completes such move, Licensee shall commence its Towing Agreement operations at the new space and the new location shall become part or all of the Premises hereunder. Licensee shall enter into any amendment requested by City to reflect such new location.

**2.1.3** City may, at City's sole and absolute discretion, modify the original configuration of the Premises; provided that such modification shall not materially interfere with Licensee's ability to meet its obligations under the Towing Agreement, unless such modification is required under the Lease.

**2.1.4** Licensee acknowledges that the interest of City in the Premises is limited to those rights conveyed to City pursuant to the Lease. Licensee hereby agrees to assume all responsibility for and be bound by all covenants, terms and conditions made by or applicable to City under the Lease, and shall not take any actions that would cause the City to be in default under the Lease. In the event there are any inconsistencies between the provisions of this License and the Lease, the provisions of the Lease shall govern Licensee's use of the Premises hereunder.

**2.2 Subordinate to Lease.** This License is expressly made subject and subordinate to all the terms, covenants and conditions of the Lease, which are incorporated herein by reference (collectively, the "Lease Terms"). Licensee agrees to use the Premises in accordance with the Lease Terms and not take or fail to take any act that City would be required to not take or take under the Lease to comply with the Lease Terms.

**2.3 Performance of Lease Obligations.** Licensee further agrees to assume the obligation for performance of all City's obligations under the Lease with respect to the Premises, except as may be specifically modified by this License and excluding City's obligation to pay rent to Caltrans under the Lease.

**2.4 Amendments to Lease.** Licensee agrees that City shall have the right to enter into amendments or modifications to the Lease without Licensee's prior written consent; provided, however, that if such proposed amendment or modification would materially affect Licensee's rights under this License, Licensee shall not be subject to such amendment or modification unless it

consents to be subject thereto in writing. In the event Licensee fails within fifteen (15) business days to respond in writing to City's written request for such consent, then Licensee shall be deemed without further notice to have consented to City's request for consent.

**2.5 Contact with Caltrans.** Licensee has no authority to contact Caltrans or make any agreement with Caltrans concerning the Premises or the Lease without City's prior written consent, and Licensee shall make payments of any charges payable by Licensee under this License only to City.

**2.6 Caltrans Duties.** The Lease describes Caltrans' duties with respect to the Property. City is not obligated to perform such Caltrans' duties. If Caltrans fails to perform its duties, Licensee shall provide notice to City. In no event shall City incur any liability, or otherwise be responsible, nor shall there be any set-off, deduction or abatement of any amounts owed by Licensee to City pursuant to this License arising from Caltrans' failure to comply with its duties.

**2.7 Termination of Lease.** If the Lease is terminated for any reason during the Term, this License shall automatically terminate as of such Lease termination date.

### **3. INSPECTION OF PROPERTY; AS IS CONDITION**

**3.1 Inspection of Premises.** Licensee represents and warrants that Licensee has conducted a thorough and diligent inspection and investigation of the Property and the suitability of the Premises for Licensee's intended use, either independently or through its officers, directors, employees, agents, affiliates, subsidiaries licensees and contractors, and their respective heirs, legal representatives, successors and assigns, and each of them. Licensee is fully aware of the needs of its operations and has determined, based solely on its own investigation, that the Premises is suitable for its operations and intended uses.

**3.2 As Is Condition.** WITHOUT WAIVING ANY OF LICENSEE'S RIGHTS ESTABLISHED IN SECTIONS 24.3 AND 24.8 BELOW, LICENSEE ACKNOWLEDGES AND AGREES THAT THE PREMISES ARE BEING LICENSED AND HAVE BEEN ACCEPTED IN THEIR "AS IS" AND "WITH ALL FAULTS" CONDITION, WITHOUT REPRESENTATION OR WARRANTY OF ANY KIND, AND SUBJECT TO ALL APPLICABLE LAWS, RULES AND ORDINANCES GOVERNING THEIR USE, OCCUPANCY AND POSSESSION. LICENSEE ACKNOWLEDGES AND AGREES THAT NEITHER CITY NOR ANY OF ITS AGENTS HAVE MADE, AND CITY HEREBY DISCLAIMS, ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE RENTABLE AREA OF THE PREMISES, THE PHYSICAL, SEISMOLOGICAL OR ENVIRONMENTAL CONDITION OF THE PREMISES OR THE PROPERTY, THE PRESENT OR FUTURE SUITABILITY OF THE PREMISES FOR LICENSEE'S BUSINESS, OR ANY OTHER MATTER WHATSOEVER RELATING TO THE PREMISES, INCLUDING, WITHOUT LIMITATION, AND IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

**3.3 Accessibility Inspection Disclosure.** Licensee is hereby advised that the Premises have not been inspected by a Certified Access Specialist under California Civil Code Section 1938.

### **4. LICENSE TERM**

#### **4.1 Term.**

**4.1.1** The privilege given to Licensee pursuant to this License is temporary only and shall commence upon the Commencement Date (as described in the Basic License Information) and shall terminate on March 31, 2021, subject to extension pursuant to Section 4.1.2, or the date of earlier termination of this License pursuant to the terms of this License or the Towing Agreement (the "Expiration Date"). Without limiting any of its rights hereunder, City may at its sole option freely revoke this License at any time, without cause and without any obligation to pay any consideration to Licensee.

**4.1.2** The original term of the Towing Agreement ends on March 31, 2021, subject to City's right to extend such term by up to five (5) years. If City extends the term of the Towing Agreement pursuant to Section 2.2 of the Towing Agreement, the term of this License shall be automatically extended to be the last day of the Towing Agreement term, and the word "Term" as used herein shall refer to the original five (5) year term and any extended term resulting from City's extension of the term of the Towing Agreement.

**4.2 Early Termination.** Without limiting any of its rights hereunder, City may at its sole option freely terminate this License as to all or a portion of the Premises without cause and without any obligation to pay any consideration to Licensee

## **5. FEES AND CHARGES**

**5.1 Rent.** Licensee shall pay no rent to City for use of the Premises pursuant to this License; provided, however, that Licensee shall make the payments otherwise owed by Licensee to City pursuant to this License, including, but not limited to, any amounts owed to City pursuant to Sections 6.6, 9.1, 10.2, 17.3, and 24.11 of this License.

**5.2 Late Charges.** Notwithstanding that Licensee will pay no rent, Licensee is obligated to make other payments to City pursuant to this License. If Licensee fails to pay all or any portion of any payment to be made by Licensee to City pursuant to this License within five (5) days following the due date for such payment, such unpaid amount shall be subject to a late payment charge equal to six percent (6%) of the unpaid amount in each instance. The late payment charge has been agreed upon by City and Licensee, after negotiation, as a reasonable estimate of the additional administrative costs and detriment that City will incur as a result of any such failure by Licensee, the actual costs thereof being extremely difficult if not impossible to determine. The late payment charge constitutes liquidated damages to compensate City for its damages resulting from such failure to pay and shall be paid to City together with such unpaid amount.

**5.3 Default Interest.** Any payment to be made by Licensee to City pursuant to this License, if not paid within five (5) days following the due date, shall bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate an individual is permitted to charge under law. However, interest shall not be payable on late charges incurred by Licensee nor on any amounts on which late charges are paid by Licensee to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Licensee.

**5.4 Deduction from Amounts Due.** In the event Licensee fails to pay any payment due hereunder for more than ten (10) days following the due date, City may deduct and withhold the amount of such payment, together with the amount of applicable late charges and default interest as provided herein, from any monies in City's possession due Licensee pursuant to the Towing Agreement.

## **6. USE OF PREMISES**

**6.1 Permitted Use.** Licensee shall use and continuously occupy the Premises during the Term solely for temporary storage and transfer of vehicles, customer service operations, dispatch of tow trucks, and related office use as necessary to meet its obligations under the Towing Agreement and for such other uses, if any, as may be specified in the Basic License Information, all to the extent permitted under the Lease Terms. Except as provided below, Licensee shall not use the Premises for any other purpose without the prior written approval of City, including, without limitation, the following: (a) crushing or dismantling; (b) maintenance or fueling of vehicles, except as otherwise may be permitted under the Maintenance Plan (as defined in Section 22); (c) selling vehicle parts from the Premises; (d) parking or storage of vehicles not covered under the Towing Agreement; or (e) parking for Licensee's employees, without the prior written approval of City and subject to availability of space necessary to fully perform Licensee's obligations under the Towing Agreement. All available space for vehicle parking shall be used for the purposes set forth in the Towing

Agreement, except as otherwise expressly approved by City pursuant to this License. The washing of vehicles shall be with cleansing agents that are biodegradable and non-toxic, and shall be in compliance with the Maintenance Plan. No advertising or signage may be placed in or about the Premises without the prior written permission of City.

**6.2 Use of Equipment and Machinery.** Licensee shall have the right to place on the Premises all necessary equipment and machinery in connection with the permitted use of the Premises. It is understood and agreed that City is not responsible for loss of or damage to any Licensee-owned equipment herein involved, unless caused by the sole negligence of City's officers, agents, and employees.

**6.3 Limitation to Described Purpose.** Licensee may occupy and use the Premises solely for the purpose of fulfilling its obligations under the Towing Agreement to store any vehicles towed pursuant to the terms of the Towing Agreement, and for incidental purposes related thereto. Adequate drop-off space must be provided so that tow and transport trucks can load and unload on the Premises. No loading, unloading, queuing, parking or storage of vehicles will be permitted on any remaining portion of the Property or any public streets or rights-of-way adjacent to the Property. All storage activities authorized by this License shall be restricted to the designated enclosed and visually screened area. Any use of the Premises by Licensee shall be subject to the requirements of the Maintenance Plan.

**6.4 No Unlawful Uses, Nuisances or Waste.** Without limiting the foregoing, Licensee shall not use, occupy or permit the use or occupancy of any of the Premises in any unlawful manner or for any illegal purpose, or permit any offensive, noisy or hazardous use or any waste on or about the Premises. Licensee shall take all precautions to eliminate any nuisances or hazards relating to its activities on or about the Premises. Licensee shall not conduct any business, place any sales display, or advertise in any manner in areas outside the Premises or on or about the Property without the prior written permission of City.

**6.5 Security.** Licensee shall at all times provide security at a level acceptable to the City to protect the Premises and all vehicles stored therein, and the persons and property of owners of towed vehicles, against damage, injury, theft or other loss.

**6.6 Fines.** Without limiting City's other rights and remedies set forth in this License, if Licensee violates any of the following provisions governing its use of the Premises contained in this License or the Towing Agreement, City may impose a fine of \$300 per day during which Licensee is in violation of any of the specified provisions: Sections 2, 6, 7, 8, 11, 19, 22, and 24 of this License; and Sections 4.9 through 4.16 of the Towing Agreement. City may also impose this fine for Licensee's failure to submit any documents, reports or other items as and when required by any provision of this License.

The fines described in this Section 6.6 shall run from the date of City's notice to Licensee of the violation and shall continue until the violation is cured. All such accrued amounts under this Section shall be payable to City on the first day of each month during the period that such fines accrue by wire transfer to a bank account specified by City in writing unless otherwise specified herein. The parties agree that the charges described above represent a fair and reasonable estimate of the administrative cost and expense which City will incur due to such violations by reason of its inspections, issuance of charges and other costs.

If City initiates notice of a fine under this Section, Licensee may appeal such charge to SFMTA's Director of Transportation within fourteen (14) days of the notice with evidence supporting Licensee's claim for relief from the fine imposed. SFMTA's Director of Transportation will respond within fourteen (14) days. Any failure of SFMTA's Director of Transportation to respond within the fourteen (14) day period shall be deemed a rejection of Licensee's claim for relief from the disputed fine. The provisions of Section 11.6.1 of the Towing Agreement shall not apply to fines imposed under this Section.

City's right to impose the foregoing fines shall be in addition to and not in lieu of any and all other rights under this License or at law or in equity; provided, however, that City agrees that if there is an Event of Default (as defined in Section 17 of this License), it will no longer impose any new fine with respect to such Event of Default. City shall have no obligation to Licensee to impose fines on or otherwise take action against any other person.

## **7. ALTERATIONS**

**7.1 Licensee's Alterations.** Licensee shall not make, nor cause or suffer to be made, any alterations, installations, improvements, or additions to any improvements or to the Premises (including demolition or removal), installations, additions or improvements to the Premises, including but not limited to the installation of any appurtenances or trade fixtures affixed to the Premises, constructed by or on behalf of Licensee pursuant to the Towing Agreement, or any trailers, signs, roads, trails, driveways, parking areas, curbs, walks fences walls, stairs, poles, plantings or landscaping, (collectively, "Improvements" or Alterations," which words are interchangeable as used in this License) without first obtaining City's written approval and any required approvals of regulatory agencies having jurisdiction over the Premises. All Alterations shall be done at Licensee's expense in accordance with plans and specifications approved by City, only by duly licensed and bonded contractors or mechanics approved by City, and subject to any conditions that City may reasonably impose. City may require Licensee, at Licensee's expense, to obtain the prior written approval of City's Arts Commission with respect to any Alterations, to the extent the Arts Commission has jurisdiction over the design of such proposed alterations under City's Charter Section 5.103. All Alterations shall be subject to the following conditions:

**7.1.1** All Alterations shall be constructed in a good and workerlike manner and in compliance with all applicable building, zoning and other laws, and in compliance with the terms of and the conditions imposed in any regulatory approval;

**7.1.2** All Alterations shall be performed with reasonable dispatch, delays beyond the reasonable control of Licensee excepted; and

**7.1.3** At the completion of the construction of the Alterations, Licensee shall furnish one (1) set of "as-built" drawings of the same made on or to the Premises. Unless otherwise stated as a condition of the regulatory approval, this requirement may be fulfilled by the submittal after completion of the Alterations of a hand-corrected copy of the approved permit drawing(s).

**7.2 Title to Improvements.** Except for Licensee's Personal Property (as defined in Section 7.3), or as may be specifically provided to the contrary in approved plans, all Alterations, equipment, or other property attached or affixed to or installed in the Premises at the Commencement Date or, by Licensee with the advance approval of City during the Term, shall, at City's sole discretion, remain City's property without compensation to Licensee or be removed at the termination of this License. Licensee may not remove any such Alterations at any time during or after the Term unless City so requests pursuant to Section 23 (Surrender of Premises), below.

**7.3 Licensee's Personal Property.** All furniture, trade fixtures, office equipment and articles of movable personal property installed in the Premises by or for the account of Licensee, without expense to City, and that can be removed without structural or other damage to the Premises (collectively, "Licensee's Personal Property") shall be and remain Licensee's property. Licensee may remove Licensee's Personal Property at any time during the Term, subject to the provisions of Section 23 (Surrender of Premises), below. Licensee shall pay any taxes or other impositions levied or assessed upon Licensee's Personal Property, at least ten (10) days prior to delinquency, and shall deliver satisfactory evidence of such payment to City upon request.

**7.4 City's Alterations of the Building and Building Systems.** City reserves the right at any time to make alterations, additions, repairs, deletions or improvements to the common areas of the Premises or any other part of the Building or the heating, ventilating, air conditioning, plumbing,

electrical, fire protection, life safety, security and other mechanical, electrical and communications systems located at the Premises ("Building Systems"), provided that any such alterations or additions shall not materially adversely affect the functional utilization of the Premises for the Permitted Use set forth in Section 6.1 (Permitted Use) unless otherwise required under the Lease.

**7.5 Removal of Alterations.** At City's election made in accordance with this Section 7.5, Licensee shall be obligated at its own expense to remove and relocate or demolish and remove (as Licensee may choose) any or all Alterations which Licensee has made to the Premises, including without limitation all telephone wiring and equipment installed by Licensee. Licensee shall repair, at its own expense, in good workerlike fashion any damage occasioned thereby.

**7.5.1 Notice of Removal.** Prior to the termination of this License, City shall give written notice to Licensee specifying the Alterations or portions thereof that Licensee shall be required to remove and relocate or demolish and remove from the Premises, in accordance with this Section 7.5 (herein "Notice of Removal"). If termination is the result of loss or destruction of the Premises or any improvements thereon, City shall deliver said Notice of Removal to Licensee within a reasonable time after the loss or destruction. If Licensee fails to complete such demolition or removal on or before the termination of this License, City may perform such removal or demolition at Licensee's expense, and Licensee shall reimburse City upon demand therefor.

**7.5.2 Removal of Non-Permitted Improvements.** If Licensee constructs any Alterations to the Premises without City's prior written consent or without complying with this Section 7, then, in addition to any other remedy available to City, City may require Licensee to remove, at Licensee's expense, any or all such Alterations and to repair, at Licensee's expense and in good workerlike fashion, any damage occasioned thereby. Licensee shall pay any special inspection fees required by the City for inspecting any Alterations performed by or for Licensee without required permits.

**7.5.3 Alterations Not Subject to Removal.** In conjunction with a request to make an Alteration under Section 7.1 above, Licensee may submit a request for a City determination of whether a proposed Alteration would or would not be required to be removed upon expiration or termination of this License. Licensee acknowledges that such a determination will be based, in part, on whether Caltrans would require the removal of the proposed Alteration upon expiration or termination of the Lease. This Section 7.5.3 shall not apply to Alterations that are required by any regulatory authority to conform the Premises or any building thereon to a requirement of statute, ordinance or regulation.

## **8. REPAIRS AND MAINTENANCE**

**8.1 Licensee's Repairs.** Licensee shall maintain, at its sole expense, the Premises in good repair and working order and in a clean, secure, safe and sanitary condition. Licensee shall promptly make all repairs and replacements: (a) at its sole expense, (b) by licensed contractors or qualified mechanics approved by City, (c) so that the same shall be at least equal in quality, value and utility to the original work or installation, (d) in a manner and using equipment and materials that will not interfere with or impair the use or occupation of the Premises, and in accordance with the Lease and all applicable laws, rules and regulations (collectively, "Applicable Law"). Licensee hereby waives all rights to make repairs at City's expense under Sections 1941 and 1942 of the California Civil Code or under any similar law, statute or ordinance now or hereafter in effect.

**8.2 Removal of Refuse.** All refuse, including tires, non-salvageable vehicle parts and litter, shall be removed from the Premises on a regular basis by an authorized refuse collection company. All trash areas shall be effectively screened from view and maintained in orderly manner. All trash and refuse containers shall be maintained in approved enclosures.

**8.3 Storm Water Pollution Prevention.** Licensee agrees to effect mechanisms to control storm water pollution at the Premises to the reasonable satisfaction of City, which mechanism may include

(by way of example and not limitation) good housekeeping and materials management practices, preventing run-on and run-off from materials storage areas, maintenance areas, or areas where contaminants may be present, installation and maintenance of catchments or absorbent pads in storm water drains located at or servicing the Premises, or other pollution prevention practices appropriate to the facility and operations. Documentation of Licensee's pollution prevention practices shall be provided as part of the Maintenance Plan. Licensee shall comply with all storm water pollution control regulations applicable to the Property, including those set forth in Section 5.11 of the Lease, and shall prepare and submit all storm water permit applications and storm water pollution control plans required for the Premises under any Applicable Law.

**8.4 Repair of Any Damage.** In the event that damage to any of the improvements to the Premises which are Licensee's obligation to maintain by reason of ordinary wear and tear or deterioration results in such improvements not meeting the standard of maintenance required by City for such uses as Licensee is making of the Premises, then Licensee shall have the independent responsibility for, and shall promptly undertake such maintenance or repair and complete the same with due diligence. If Licensee fails to do so after reasonable notice in writing from City, then in addition to any other remedy available to City, City may make such maintenance or repairs and Licensee shall reimburse City therefor. The City, in its sole discretion, may obtain reimbursement for damages from the Performance Surety Bond. Should the City obtain reimbursement for damages from the Performance Surety Bond, Licensee shall promptly restore the Performance Surety Bond to its original amount.

## **9. LIENS AND ENCUMBRANCES**

**9.1 Liens.** Licensee shall keep the Premises and the rest of the Property free from any liens arising out of any work performed, material furnished or obligations incurred by or for Licensee. In the event Licensee does not, within twenty (20) days following the imposition of any such lien, cause the lien to be released of record by payment or posting of a proper bond, City shall have, in addition to all other remedies, the right, but not the obligation, to cause the lien to be released by such means as it shall deem proper, including, but not limited to, payment of the claim giving rise to such lien. All such sums paid by City and all expenses reasonably incurred by it in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to City by Licensee within thirty (30) days of demand by City. City shall have the right to post on the Premises any notices that City may deem proper for the protection of City, the Premises from mechanics' and materialmen's liens. Licensee shall give to City at least fifteen (15) days' prior written notice of commencement of any repair or construction on the Premises.

**9.2 Encumbrances.** Licensee shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises, the Property or City's interest therein or under this License.

## **10. UTILITIES AND SERVICES**

**10.1 Utilities and Services.** Sewer, water, janitor service, telecommunications services and any other utilities or services shall be acquired and paid by Licensee, including the initial hook up to said utilities and services.

**10.2 Utility Maintenance.** Licensee shall be obligated, at its sole cost and expense, to repair and maintain in good operating condition all utilities located within the Premises and all utilities installed by Licensee (whether within or outside the Premises). If Licensee requests City to perform such maintenance or repair, whether emergency or routine, City may charge Licensee for the cost of the work performed at the then prevailing standard rates, and Licensee agrees to pay said charges to City promptly upon billing. Licensee shall pay for repair of utilities located outside the Premises (regardless of who installed the same) which are damaged by or adversely affected by Licensee's use of such utility and shall be responsible for all damages, liabilities and claims arising therefrom. The parties agree that any and all utility improvements shall become part of the realty and are not trade fixtures.

**10.3 Mandatory or Voluntary Restrictions.** In the event any law, ordinance, code or governmental or regulatory guideline imposes mandatory or voluntary controls on City or the Property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this License, or in the event City is required or elects to make alterations to any part of the Building in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Licensee to any damages, relieve Licensee of the obligation to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Licensee. City shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Licensee.

## **11. COMPLIANCE WITH LAWS AND RISK MANAGEMENT REQUIREMENTS**

### **11.1 Compliance with Laws.**

**11.1.1** Licensee shall promptly comply, at its sole expense, with all present or future laws, judicial decisions, orders, regulations and requirements of all governmental authorities relating to the Premises or the use or occupancy thereof, whether in effect at the time of the execution of this License or adopted at any time thereafter and whether or not within the present contemplation of the parties.

**11.1.2** Licensee further understands and agrees that it is Licensee's obligation, at its sole cost, to cause the Premises and Licensee's uses thereof to be conducted in compliance with the Americans with Disabilities Act, 42 U.S.C.A. §§ 12101 et seq. and any other disability access laws, rules, and regulations. Licensee shall not be required to make any structural alterations in order to comply with such laws unless such alterations shall be occasioned, in whole or in part, directly or indirectly, by Licensee's Alterations, Licensee's manner of using the Premises, or any act or omission of Licensee, its Agents or Invitees. Any Alteration made by or on behalf of Licensee pursuant to the provisions of this Section shall comply with the provisions of Section 8.1 (Licensee's Repairs), above.

**11.1.3** Licensee shall comply with all Fire Code requirements in its use and occupancy of the Premises.

**11.1.4** The parties acknowledge and agree that Licensee's obligation to comply with all laws as provided herein is a material part of the bargained for consideration under this License. Licensee's obligation under this Section shall include, without limitation, the responsibility of Licensee to comply with Applicable Law by making substantial or structural repairs and modifications to the Premises (including any of Licensee's Alterations), regardless of, among other factors, the relationship of the cost of curative action to the fee under this License, the relative benefit of the repairs to Licensee or City and the degree to which the curative action may interfere with Licensee's use or enjoyment of the Premises. This section shall not apply to any non-compliance with laws relating to changes in use or configuration of the Premises requested by City.

### **11.2 Regulatory Approvals.**

**11.2.1 Responsible Party.** Licensee understands and agrees that Licensee's use of the Premises and construction of any Alterations permitted hereunder may require authorizations, approvals or permits from governmental regulatory agencies with jurisdiction over the Premises. Licensee shall be solely responsible for obtaining any and all such regulatory approvals. Licensee shall not seek any regulatory approval without first obtaining the written consent of City hereunder. Licensee shall bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and shall be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory

approval, other than any conditions that may arise out of Hazardous Materials in, on, or under any part of the Building or other portion of the Premises that were present immediately prior to July 1, 2016, to the extent that such regulatory conditions relate to property conditions existing at such time, and except to the extent that the regulatory conditions relate to Licensee's exacerbation of any pre-existing condition; provided, however, that City shall not be required to engage in any work or incur any costs necessary to secure any regulatory approval or satisfy any condition imposed by a regulatory agency. Any fines or penalties levied as a result of Licensee's failure to comply with the terms and conditions of any regulatory approval shall be immediately paid and discharged by Licensee, and City shall have no liability, monetary or otherwise, for any such fines or penalties. As defined in Section 18.2 herein, Licensee shall Indemnify City and the other Indemnified Parties hereunder against all Losses arising in connection with Licensee's failure to obtain or comply with the terms and conditions of any regulatory approval.

**11.2.2 City Acting as Leasehold Owner of Real Property.** Licensee further understands and agrees that City is entering into this License in its capacity as a leasehold owner with a proprietary interest in the Premises and not as a regulatory agency with police powers. Nothing in this License shall limit in any way Licensee's obligation to obtain any required approvals from City departments, boards, agencies, or commissions having jurisdiction over the Premises or Licensee's activities at the Premises. By entering into this License, City is in no way modifying or limiting Licensee's obligation to cause the Premises to be used and occupied in accordance with all Applicable Law, as provided further above.

**11.3 Compliance with City's Risk Management Requirements.** Licensee shall not do anything, or permit anything to be done, in or about the Premises which would be prohibited by or increase the rates under a standard form fire insurance policy or subject City to potential premises liability. Licensee shall faithfully observe, at its expense, any and all requirements of City's Risk Manager with respect to Licensee's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Licensee's use of the Premises.

## **12. SUBORDINATION**

This License is and shall be subordinate to the Lease (including Caltrans' rights and City's obligations thereunder) and any reciprocal easement agreement, ground lease, facilities lease or other underlying leases or licenses and the lien of any mortgage or deed of trust, that may now exist or hereafter be executed affecting the Property, or any part thereof, or City's interest therein. Notwithstanding the foregoing, City or the holder shall have the right to subordinate any such interests to this License. Licensee agrees, however, to execute and deliver, upon demand by City and in the form requested by City, any additional documents evidencing the priority or subordination of this License.

## **13. INABILITY TO PERFORM**

If City is unable to perform or is delayed in performing any of City's obligations under this License, by reason of acts of God, accidents, breakage, repairs, strikes, lockouts, other labor disputes, protests, riots, demonstrations, inability to obtain utilities or materials or by any other reason beyond City's reasonable control, no such inability or delay shall constitute an actual or constructive eviction, in whole or in part, or entitle Licensee to any abatement or diminution of fee or relieve Licensee from any of its obligations under this License, or impose any liability upon City or its Agents by reason of inconvenience, annoyance, interruption, injury or loss to or interference with Licensee's business or use and occupancy or quiet enjoyment of the Premises or any loss or damage occasioned thereby. Licensee hereby waives and releases any right to terminate this License under Section 1932, subdivision 1 of the California Civil Code or any similar law, statute or ordinance now or hereafter in effect.

## **14. DAMAGE AND DESTRUCTION**

If all or any portion of the Premises is damaged by fire or other casualty, City shall have no obligation to repair the Premises. City shall provide Licensee with a copy of the notice City receives from Caltrans of Caltrans' estimated time to restore such damage (the "Caltrans Repair Notice") within ten (10) days of City's receipt of the Caltrans Repair Notice. If the restoration time set forth in the Caltrans Repair Notice (the "Repair Period") is estimated to exceed two hundred ten (210) days, City shall have the right to terminate this License by delivering written notice of such termination to Licensee within thirty (30) days of City's delivery of the Caltrans Repair Notice to Licensee, in which event this License shall terminate as of the date specified in such termination notice.

If at any time during the last twelve (12) months of the Term of this License all or any portion of the Premises is damaged or destroyed, then Licensee may terminate this License by giving written notice to City of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Licensee may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for general office purposes. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

**14.1 City Repairs.** Notwithstanding anything to the contrary in this License, City shall have no obligation to repair the Premises in the event the damage or destruction, and in no event shall City be required to repair any damage to Licensee's Personal Property or any paneling, decorations, railings, floor coverings, or any Alterations installed or made on the Premises by or at the expense of Licensee.

**14.2 Termination by City.** In the event the Premises are substantially damaged or destroyed, Caltrans intends to restore the Premises pursuant to the Lease, and City intends to use the restored Premises for public purposes inconsistent with this License, City may terminate this License upon written notice to Licensee.

**14.3 Licensee Waiver.** City and Licensee intend that the provisions of this Section govern fully in the event of any damage or destruction and accordingly, City and Licensee each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4, Section 1941, and Section 1942 of the Civil Code of California or under any similar law, statute or ordinance now or hereafter in effect, to the extent such provisions apply.

## **15. EMINENT DOMAIN**

### **15.1 Definitions.**

**15.1.1 "Taking"** means a taking or damaging, including severance damage, by eminent domain, inverse condemnation or for any public or quasi-public use under law. A Taking may occur pursuant to the recording of a final order of condemnation, or by voluntary sale or conveyance in lieu of condemnation or in settlement of a condemnation action.

**15.1.2 "Date of Taking"** means the earlier of (i) the date upon which title to the portion of the Premises taken passes to and vests in the condemner or (ii) the date on which Licensee is dispossessed.

**15.1.3 "Award"** means all compensation, sums or anything of value paid, awarded or received for a Taking, whether pursuant to judgment, agreement, settlement or otherwise.

**15.2 General.** If during the Term there is any Taking of all or any part of the Premises or any interest in this License, the rights and obligations of Licensee shall be determined pursuant to this Section. City and Licensee intend that the provisions hereof govern fully Licensee's rights in the event of a Taking and accordingly, Licensee hereby waives any right to terminate this License in

whole or in part under Sections 1265.110, 1265.120, 1265.130 and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

**15.3 Total Taking; Automatic Termination.** If there is a total Taking of the Premises, then this License shall terminate as of the Date of Taking.

**15.4 Partial Taking; Election to Terminate.**

**15.4.1** If there is a Taking of any portion (but less than all) of the Premises, then this License shall terminate in its entirety under either of the following circumstances: (i) if all of the following exist: (A) the partial Taking renders the remaining portion of the Premises unsuitable for continued use by Licensee for the permitted uses described in Section 6.1, (B) the condition rendering the Premises unsuitable either is not curable or is curable but neither City nor Caltrans is willing or able to cure such condition, and (C) Licensee elects to terminate; or (ii) if City elects to terminate.

**15.4.2** If Licensee elects to terminate under the provisions of this Section 15, Licensee shall do so by giving written notice to the City before or within thirty (30) days after the Date of Taking, and thereafter this License shall terminate upon the later of the thirtieth (30<sup>th</sup>) day after such written notice is given or the Date of Taking.

**15.5 License Fee: Award.** Upon termination of this License pursuant to an election under Section 15.4 above, then City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of Licensee's interest under this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

**15.6 Partial Taking: Continuation of License.** If there is a partial Taking of the Premises under circumstances where this License is not terminated in its entirety under Section 15.4 above, then this License shall terminate as to the portion of the Premises so taken, but shall remain in full force and effect as to the portion not taken, and City shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the License interest created by this License), and Licensee shall have no claim against City for the value of any unexpired term of this License, provided that Licensee may make a separate claim for compensation, and Licensee shall receive any Award made specifically to Licensee, for Licensee's relocation expenses or the interruption of or damage to Licensee's business or damage to Licensee's Personal Property.

**15.7 Temporary Takings.** Notwithstanding anything to contrary in this Section, if a Taking occurs with respect to all or any part of the Premises for a limited period of time not in excess of one hundred eighty (180) consecutive days, this License shall remain unaffected thereby, and Licensee shall continue to pay all fees and to perform all of the terms, conditions and covenants of this License. In the event of such temporary Taking, Licensee shall be entitled to receive that portion of any Award representing compensation for the use or occupancy of the Premises during the Term up to the total fee owing by Licensee for the period of the Taking, and City shall be entitled to receive the balance of any Award.

**16. ASSIGNMENT AND SUBLETTING**

Licensee shall not directly or indirectly (including, without limitation, by merger, acquisition or other transfer of any controlling interest in Licensee), voluntarily or by operation of law, sell, assign, encumber, pledge or otherwise transfer (collectively, "Assignment") any part of its interest in or rights with respect to the Premises, or permit any portion of the Premises to be occupied by anyone other than itself, or sublet or license any portion of the Premises (collectively, "Subletting"), without City's prior written consent in each instance.

## **17. DEFAULT; REMEDIES**

**17.1 Events of Default.** Any of the following shall constitute an event of default by Licensee hereunder (each, an "Event of Default"):

**17.1.1** A failure to pay any amount payable under this License when due, and such failure continues for three (3) days after the date of written notice by City. However, City shall not be required to provide such notice with respect to more than two delinquencies and any such failure by Licensee after Licensee has received two (2) such notices shall constitute a default by Licensee hereunder without any further action by City or opportunity of Licensee to cure except as may be required by Section 1161 of the California Code of Civil Procedure.

**17.1.2** A failure to comply with any other covenant, condition or representation under this License and such failure continues for fifteen (15) days after the date of written notice by City, provided that if such default is not capable of cure within such fifteen (15) day period, Licensee shall have a reasonable period to complete such cure if Licensee promptly undertakes action to cure such default within such 15-day period and thereafter diligently prosecutes the same to completion within sixty (60) days after the receipt of notice of default from City. City shall not be required to provide such notice with respect to more than two defaults and after the second notice any subsequent failure by Licensee shall constitute an Event of Default;

**17.1.3** A vacation or abandonment of the Premises for a continuous period in excess of five (5) business days;

**17.1.4** An uncured event of default under the Towing Agreement;

**17.1.5** An appointment of a receiver to take possession of all or substantially all of the assets of Licensee, or an assignment by Licensee for the benefit of creditors, or any action taken or suffered by Licensee under any insolvency, bankruptcy, reorganization, moratorium or other debtor relief act or statute, whether now existing or hereafter amended or enacted, if any such receiver, assignment or action is not released, discharged, dismissed or vacated within sixty (60) days; or

**17.1.6** Licensee's failure to pay City for its staff costs incurred as a result of a notice of violation or other regulatory order to Licensee pursuant to Section 24.10 of this License within thirty (30) days, or to replenish the Performance Surety Bond or the Environmental Oversight Deposit (as defined in Section 24.11 of this License) if drawn upon.

**17.2 City Rights Upon Default.** Upon the occurrence of an Event of Default by Licensee, City shall have the right to terminate the License in addition to the following rights and all other rights and remedies available to City at law or in equity:

**17.2.1** The rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including, but not limited to, the right to terminate Licensee's right to possession of the Premises. City's efforts to mitigate the damages caused by Licensee's breach of this License shall not waive City's rights to recover damages upon termination.

**17.2.2** The rights and remedies provided by California Civil Code Section 1951.4 (continuation of lease after breach and abandonment), allowing City to continue this License in effect and to enforce all its rights and remedies under this License for so long as City does not terminate Licensee's right to possession, if Licensee has the right to sublet or assign, subject only to reasonable limitations. For purposes hereof, none of the following shall constitute a termination of Licensee's right of possession: acts of maintenance or preservation; efforts to relet the Premises or the appointment of a receiver upon City's initiative to protect its interest under this License; withholding consent to an Assignment or Sublicense, or terminating an Assignment or Sublicense, if the withholding or termination does not violate the rights of

Licensee specified in subdivision (b) of California Civil Code Section 1951.4. If City exercises its remedy under California Civil Code Section 1951.4, City may from time to time sublet or license the Premises or any part thereof for such term or terms (which may extend beyond the Term) and at such rent or fee and upon such other terms as City may in its sole discretion deem advisable, with the right to make alterations and repairs to the Premises. Upon each such subletting or sublicensing, Licensee shall be liable for any amounts due hereunder, as well as the cost of such subletting or sublicensing and such alterations and repairs incurred by City and the amount, if any, by which fee owing hereunder for the period of such subletting or sublicensing (to the extent such period does not exceed the Term) exceeds the amount to be paid as rent or fee for the Premises for such period pursuant to such subletting or sublicensing. No action taken by City pursuant to this subsection shall be deemed a waiver of any default by Licensee, or to limit City's right to terminate this License at any time.

**17.2.3** The right to have a receiver appointed for Licensee upon application by City to take possession of the Premises and to apply any fees or rental collected from the Premises and to exercise all other rights and remedies granted to City pursuant to this License.

**17.3 City's Right to Cure Licensee's Defaults.** If Licensee defaults in the performance of any of its obligations under this License, then City may, at its sole option, remedy such default for Licensee's account and at Licensee's expense by providing Licensee with three (3) days' prior written or oral notice of City's intention to cure such default (except that no such prior notice shall be required in the event of an emergency as determined by City). Such action by City shall not be construed as a waiver of such default or any rights or remedies of City, and nothing herein shall imply any duty of City to do any act that Licensee is obligated to perform. Licensee shall pay to City upon demand, all reasonable costs, damages, expenses or liabilities incurred by City, including, without limitation, reasonable attorneys' fees, in remedying or attempting to remedy such default. Licensee's obligations under this Section shall survive the termination of this License.

**17.4 Security Deposit.** On or before the Commencement Date, Licensee shall provide to the City, and shall maintain throughout the term of this License and for a period of at least ninety (90) days after the Expiration Date, a security deposit as follows (collectively, the "Security Deposit") as security for the faithful performance of all terms, covenants and conditions of this License and the Towing Agreement: (i) the Performance Bond described in Section 14.9 of the Towing Agreement and (ii) the Maintenance Deposit described in Section 14.14 of the Towing Agreement. Licensee agrees that City may (but shall not be required to) apply the Security Deposit in whole or in part to remedy any damage to the Premises or the Improvements (if any) caused by Licensee, its Agents or Invitees, or any failure of Licensee to perform any other terms, covenants or conditions contained in this License, without waiving any of City's other rights and remedies hereunder or at Law or in equity. City's obligations with respect to the Security Deposit are solely that of debtor and not trustee. The amount of the Security Deposit shall not be deemed to limit Licensee's liability for the performance of any of its obligations under this License.

## **18. WAIVER OF CLAIMS; INDEMNIFICATION**

**18.1 Limitation on City's Liability: Waiver of Claims.** Except for any Pre-2016 Conditions (as defined in Section 24.3) or Non-Licensee Hazardous Materials (as defined in Section 24.8), City shall not be responsible for or liable to Licensee, and Licensee hereby assumes the risk of, and waives and releases City and its Agents from all Claims (as defined below) for, any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Building adjacent to or connected with the Premises which are not occupied by City, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Building Systems, (v) Building defects, and (vi) any other acts, omissions or causes. Nothing herein shall relieve City from liability caused solely and directly by the gross negligence or willful misconduct of City or its Agents, but City shall not be liable under any circumstances for any consequential, incidental or punitive damages.

**18.2 Licensee's Indemnity.** Except for any Pre-2016 Conditions or Non-Licensee Hazardous Materials, Licensee, on behalf of itself and its successors and assigns, shall indemnify, defend and hold harmless ("Indemnify") the City and County of San Francisco, including, but not limited to, all of its boards; commissions, departments, agencies and other subdivisions; and Caltrans, and all of their Agents, and their respective heirs, legal representatives, successors and assigns (individually and collectively, the "Indemnified Parties"), and each of them, from and against any and all liabilities, losses, costs, claims, judgments, settlements, damages, liens, fines, penalties and expenses, including, without limitation, direct and vicarious liability of every kind (collectively, "Claims"), incurred in connection with or arising in whole or in part from: (a) any accident, injury to or death of a person, including, without limitation, employees of Licensee, or loss of or damage to property, howsoever or by whomsoever caused, occurring in or about the Property; (b) any default by Licensee in the observation or performance of any of the terms, covenants or conditions of this License to be observed or performed on Licensee's part; (c) the use or occupancy or manner of use or occupancy of the Premises by Licensee, its Agents or Invitees or any person or entity claiming through or under any of them; (d) the condition of the Premises; (e) any construction or other work undertaken by Licensee on the Premises whether before or during the Term of this License; or (f) any acts, omissions or negligence of Licensee, its Agents or Invitees, in, on or about the Premises or the Property, all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that such Indemnity is void or otherwise unenforceable under any Applicable Law in effect on or validly retroactive to the date of this License and further except only such Claims as are caused exclusively by the willful misconduct or gross negligence of the Indemnified Parties. The foregoing Indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and the Indemnified Party's costs of investigating any Claim. Licensee specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any claim which actually or potentially falls within this indemnity provision even if such allegation is or may be groundless, fraudulent or false, which obligation arises at the time such claim is tendered to Licensee by an Indemnified Party and continues at all times thereafter. Licensee's obligations under this Section shall survive the termination of the License.

## **19. INSURANCE**

**19.1 Licensee's Personal Property.** Licensee shall be responsible, at its expense, for separately insuring Licensee's Personal Property.

**19.2 City's Self Insurance.** Licensee acknowledges that City self-insures against casualty, property damage and public liability risks and agrees that City may at its sole election, but shall not be required to, carry any third party insurance with respect to the Premises or otherwise.

**19.3 Waiver of Subrogation.** Notwithstanding anything to the contrary contained herein, to the extent permitted by Licensee's policies of insurance and any third party insurance that City elects to carry with respect to the Premises, City and Licensee each hereby waive any right of recovery against the other party and against any other party maintaining a policy of insurance covering the Premises or the contents, or any portion thereof, for any loss or damage maintained by such other party with respect to the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party. If any policy of insurance relating to the Premises carried by Licensee does not permit the foregoing waiver or if the coverage under any such policy would be invalidated due to such waiver, Licensee shall obtain, if possible, from the insurer under such policy a waiver of all rights of subrogation the insurer might have against City or any other party maintaining a policy of insurance covering the same loss, in connection with any claim, loss or damage covered by such policy.

## **20. ACCESS BY CITY**

City reserves for itself and any of its designated Agents, the right to enter the Premises at all reasonable times, with or without advance notice, including, without limitation, in order to (i) oversee or inspect Licensee's operations or conduct any business with Licensee; (ii) show the

Premises to prospective Licensees or other interested parties, to post notices of non-responsibility, to conduct any environmental audit of Licensee's use of the Premises, to repair, alter or improve any part of the Building, Building Systems or the Premises, and for any other lawful purpose; or (iii) whenever City believes that emergency access is required. City shall have the right to use any means that it deems proper to open doors in an emergency in order to obtain access to any part of the Premises, and any such entry shall not be construed or deemed to be a forcible or unlawful entry into or a detainer of, the Premises, or an eviction, actual or constructive, of Licensee from the Premises or any portion thereof. Licensee shall not alter any lock or install any new or additional locking devices without the prior written consent of City. City shall at all times have a key with which to unlock all locks installed in the Premises (excluding Licensee's vaults, safes or special security areas, if any, designated by Licensee in writing to City).

## **21. LICENSEE'S CERTIFICATES**

Licensee, at any time, and from time to time upon not less than ten (10) days' prior notice from City, shall execute and deliver to City or to any party designated by City a certificate stating: (a) that Licensee has accepted the Premises, (b) the Commencement Date and Expiration Date of this License, (c) that this License is unmodified and in full force and effect (or, if there have been modifications, that the License is in full force and effect as modified and stating the modifications), (d) whether or not there are then existing any defenses against the enforcement of any of Licensee's obligations hereunder (and if so, specifying the same), (e) whether or not there are any defaults then existing under this License (and if so specifying the same), (f) the dates, if any, to which any amounts owing under this License have been paid, and (g) any other information that may be required.

## **22. PREMISES MAINTENANCE REQUIREMENTS**

The "Maintenance Plan" shall mean the Maintenance Plan that is a portion of the Approved Operations Manual required under Section VII of Appendix A of the Towing Agreement. Licensee shall faithfully comply with the Maintenance Plan, and any violation of the Maintenance Plan shall be a violation of this Section 22. The Maintenance Plan shall include, at a minimum, the elements described in this Section 22.

**22.1 Maintenance of Pavement.** Licensee shall maintain the pavement in the Premises in good condition, including the vehicle and parts storage area, in order to prevent Releases of Hazardous Materials (as those terms are defined below) into or onto the Premises, the remainder of the Property, or the environment. Licensee shall inspect the pavement at least quarterly and shall record in written form the dates and times of such inspections, the name or names of the persons conducting the inspections, and any damage discovered to the pavement and its location. Licensee shall promptly repair any cracked or broken pavement and shall report such damage and repair to City. City shall have the right to enter and inspect the Premises from time to time to ensure Licensee's compliance with the terms of this License, including, without limitation, this Section 22.1 and Section 22.2 below.

- (a) Licensee must furnish at its own cost sealed concrete pads and hazardous waste containment systems for removing and storing residual fluids and batteries from vehicles;
- (b) Licensee shall clean up and remove all leaked or spilled fluids immediately upon discovery or upon notice by City in accordance with the Maintenance Plan.
- (c) Licensee shall only store vehicles and parts in areas with pavement in good condition. Draining must take place on a sealed concrete pad with a containment system to collect residual fluids.
- (d) Licensee must ensure that paving, including maintenance and repair, shall protect existing or future groundwater monitoring wells on the Premises.

**22.2 Plan and Reporting.** In addition to the requirements in Section 22.1 above, the Maintenance Plan shall provide for ongoing inspection, spill and drip response procedures, a maintenance schedule for pavement maintenance and repair of cracks and other identified deficiencies, staff training protocols, and supervised video or photo documentation of initial surface conditions and exit surface conditions. In addition to pavement maintenance, the Maintenance Plan shall include other property management protocols, including but not limited to, maintenance of fencing, lighting, signage and permanent or temporary buildings. The Maintenance Plan shall also include a reporting schedule, with submittal of reports at least quarterly, documenting maintenance performed. Such reports shall include, the following information:

- (a) An initial survey of pavement condition as of October 1, 2016;
- (b) Surface type and surface conditions at time of repair, including photographs of pre- and post-repair conditions;
- (c) Repair procedure performed;
- (d) Cost of repairs performed; and
- (e) A final survey of pavement condition at the time of termination of Term.

### **23. SURRENDER OF PREMISES**

Upon the Expiration Date or other termination of the Term of this License, Licensee shall immediately peaceably quit and surrender to City the Premises together with all Alterations approved by City in good order and condition, free of debris and any Hazardous Materials deposited on the Premises and in the condition it was in as of October 1, 2016, except for normal wear and tear after Licensee's having made the last necessary repair required on its part under this License, and further except for any portion of the Premises condemned and any damage and destruction for which Licensee is not responsible hereunder. The Premises shall be surrendered free and clear of all liens and encumbrances other than liens and encumbrances existing as of the October 1, 2016, and any other encumbrances created by City.

Immediately before the Expiration Date or other termination of this License, Licensee shall remove all of Licensee's Personal Property as provided in this License, and repair any damage resulting from the removal. Notwithstanding anything to the contrary in this License, City can elect at any time prior to the Expiration Date or within thirty (30) days after termination of this License, to require Licensee to remove, at Licensee's sole expense, all or part of Licensee's Alterations or other improvements or equipment constructed or installed by or at the expense of Licensee, or any vehicles that City may in its sole and absolute discretion authorize to be stored on the Premises after termination of this License, together with any Hazardous Materials contained within such vehicles.

Licensee shall promptly remove such items and shall repair, at its expense, any damage to the Premises resulting from the performance of its removal obligations pursuant to this Section. Licensee's obligations under this Section shall survive the Expiration Date or other termination of this License. Any items of Licensee's Personal Property remaining in the Premises after the Expiration Date or sooner termination of this License may, at City's option, be deemed abandoned and disposed of in accordance with Section 1980 et seq. of the California Civil Code or in any other manner allowed by law. Any expenses or costs incurred by City to discharge liens, remove Licensee's Personal Property or Alterations, or repair any damage for which Licensee is responsible shall be charged against Licensee's Security Deposit.

Concurrently with the surrender of the Premises, Licensee shall, if requested by City, execute, acknowledge and deliver to any instrument reasonably requested by City to evidence or otherwise effect the termination of Licensee's interest to the Premises and to effect such transfer or vesting of title to the Alterations or equipment which remain part of the Premises.

Sections 9601 et seq.) or pursuant to the Carpenter-Presley-Tanner Hazardous Substance Account Act, as amended, (Cal. Water Code Sections 13000 et seq.) or pursuant to Section 25501(o) of the California Health and Safety Code; and petroleum, including crude oil or any fraction thereof, natural gas or natural gas liquids.

**24.1.3 "Indemnify"** shall mean, whenever any provision of this Section 24 requires a person or entity (the "Indemnitor") to Indemnify any other entity or person (the "Indemnitee"), the Indemnitor shall be obligated to defend, indemnify, hold harmless and protect the Indemnitee, its officers, employees, agents, stockholders, constituent partners, and members of its boards and commissions harmless from and against any and all Losses arising directly or indirectly, in whole or in part, out of the act, omission, event, occurrence or condition with respect to which the Indemnitor is required to Indemnify such Indemnitee, whether such act, omission, event, occurrence or condition is caused by the Indemnitor or its agents, employees or contractors, or by any third party or any natural cause, foreseen or unforeseen; provided that no Indemnitor shall be obligated to Indemnify any Indemnitee against any Loss from the negligence or intentional wrongful acts or omissions of such Indemnitee, or such Indemnitee's agents, employees or contractors. If a Loss is attributable partially to the negligent or intentionally wrongful acts or omissions of the Indemnitee (or its agents, employees or contractors), such Indemnitee shall be entitled to Indemnification for that part of the Loss not attributable to such Indemnitee's (or its agents, employees or contractors) negligent or intentionally wrongful acts or omissions.

**24.1.4 "Investigate and Remediate"** (also "**Investigation**" and "**Remediation**") shall mean the undertaking of any activities to determine the nature and extent of Hazardous Material that may be located in, on, under or about the Premises or surrounding property or that has been, is being or threaten to be Released into the environment, and to clean up, remove, contain, treat, stabilize, monitor or otherwise control such Hazardous Material.

City and Licensee understand that the vehicles transported to and stored at the Property will contain and may partially consist of Hazardous Materials. Licensee shall immediately notify City if and when Licensee learns or has reason to believe a Release of Hazardous Material on or about any part of the Premises or the remainder of the Property has occurred that may require any Investigation or Remediation. Licensee shall not be responsible for the safe handling of Hazardous Materials introduced on the remainder of the Property during the Term of the Towing Agreement by City or its Agents.

Without limiting any other obligation of Licensee, if acts or omissions of Licensee results in any Hazardous Materials Release or contamination of the Premises, Licensee shall, at its sole expense, promptly take all action that is necessary to return the Premises to the condition existing prior to the introduction of such Hazardous Material in, on, under or about the Premises; provided that City approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions could not potentially have any material adverse effect upon the Premises.

**24.3 Licensee's Environmental Indemnity.** If Licensee breaches any of its obligations contained in this Section 24, or, if any act, omission or negligence of Licensee, its Agents, Employees or Invitees, results in any Release of Hazardous Material in, on or under any part of the Premises, or the remainder of the Property or the Building, then, Licensee shall, on behalf of itself and its successors and assigns, Indemnify the City from and against all Claims (including, without limitation, claims for injury to or death of a person, damages, liabilities, losses, judgments, penalties, fines, regulatory or administrative actions, damages for decrease in value of the Premises or the remainder of the Building or the Property, the loss or restriction of the use of rentable or usable space or of any amenity of the Premises, or the remainder of the Building or the Property, damages arising from any adverse impact on marketing of any such space, restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater in, on or under the Premises, the remainder of the Property, or in any Improvements, and sums paid in settlement of claims, attorneys' fees, consultants' fees and experts' fees and costs) arising during or after the Term of the Towing Agreement and relating to such breach or Release. The foregoing Indemnity includes, without limitation, costs incurred in connection with activities undertaken to Investigate and Remediate any Release of Hazardous Material, and to restore the Premises or the remainder of the Building or Property to their prior condition. This indemnification of City by Licensee includes, but is not limited to, costs incurred in connection with any investigation of site conditions or any clean-up, remediation, removal or restoration work requested by Caltrans or required by any federal, state or local governmental agency or political subdivision because of Hazardous Material present in the soil or groundwater in, on or under the Premises, the remainder of the Property or in any Alterations. Licensee's obligations hereunder shall survive the termination of this License. Licensee's obligations under this Section do not include an indemnity for Claims arising as a result of Hazardous Materials (or other conditions alleged to be in violation of any Environmental Law) in, on, or under any part of the Premises or the remainder of the Building or Property that were present prior to October 1, 2016, or to the extent that such Claims relate to conditions existing prior to October 1, 2016 (collectively, any "Pre-2016 Conditions"), except to the extent that Licensee exacerbates any Pre-2016 Condition or introduces such Hazardous Materials or conditions. In the event any action or proceeding is brought against City by reason of a claim arising out of any Loss, Claim, injury or damage suffered on or about the Premises or the remainder of the Building or the Property for which Licensee has Indemnified the City and upon written notice from the City, Licensee shall at its sole expense answer and otherwise

defend such action or proceeding using counsel approved in writing by the City. City shall have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the City in connection with this License or the Premises or the remainder of the Building or Property. The provisions of this paragraph shall survive the termination of this License with respect to any Loss occurring prior to or upon termination. Licensee and City shall afford each other a full opportunity to participate in any discussions with governmental regulatory agencies regarding any settlement agreement, cleanup or abatement agreement, consent decree, or other compromise or proceeding involving Hazardous Material.

**24.4 Compliance with Environmental Laws.** In addition to its obligations under Section 11 above, and without limiting any such obligations or the foregoing, Licensee shall comply with the following requirements or more stringent requirements in any Environmental Laws:

**24.4.1** Any Hazardous Materials found and identified as such in the towed vehicles which are not typically part of a towed vehicle, will be removed from the vehicle to an appropriate storage location within 72 hours.

**24.4.2** No Hazardous Materials shall be voluntarily or involuntarily disposed of onto or into the ground or into the sewer system.

**24.4.3** In no event shall Hazardous Waste (as defined by Title 22 of the California Code of Regulations, as amended) accumulate on the Premises for longer than 90 days. Drums used to store Hazardous Materials shall not be stacked more than two drums high. City will not consider fluids that are normally contained within a vehicle to be Hazardous Wastes so long as they remain contained within the vehicle.

**24.4.4** Licensee shall store all Hazardous Materials above ground, not in underground storage tanks.

**24.4.5** An emergency response plan, emergency response employee training plan and an inventory of Hazardous Materials stored at the Premises by or for Licensee shall be provided to City.

**24.5 Information Requests:** City may from time to time request, and Licensee shall be obligated to provide, information reasonably adequate for City to determine that any and all Hazardous Materials are being handled in a manner which complies with all Environmental Laws.

**24.6 Damaged Vehicles.** Licensee shall inspect all vehicles before storing them on the Premises to make a good faith effort to determine that vehicles are not leaking fluids, including but not limited to gasoline, battery acid, oil, transmission and transfer case fluids, brake and clutch fluids, and coolant. Licensee shall secure vehicles that have been severely damaged due to collision or vandalism so that parts do not fall off and fluids do not leak. Leaking vehicles shall be drained of the leaking fluid on a sealed cement pad, which Licensee shall maintain free of build-up of Hazardous Materials. Licensee shall immediately clean-up and remove all leaked or spilled fluids, whether within or outside of sealed or contained areas. Licensee shall treat all such fluids and used cleaning materials as hazardous waste and shall dispose of them in accordance with Environmental Laws and Section 24.3 above. Parts that have fallen off a vehicle shall be placed inside the vehicle in a manner that minimizes damage to the vehicle. Licensee shall not be deemed an owner or operator of any damaged vehicle, but shall be deemed the owner of any fluids that leak from such damaged vehicles on or about the Premises.

**24.7 Fire Prevention Measures.** Licensee shall comply with the following fire prevention measures.

**24.7.1** Welding and torch cutting shall be in conformance with the City of San Francisco Fire Code.

**24.7.2** No smoking will be allowed in the Premises except in designated areas consistent with Applicable Law.

**24.7.3** No crushing, burning of wrecked or discarded motor vehicles or waste materials shall be allowed.

**24.7.4** Motor vehicles, parts of motor vehicles, junk, waste, or other materials shall not be stored, displayed, or kept in a manner that could hinder or endanger firefighting efforts and operations.

**24.7.5** One or more aisles, at least 30 inches wide (or any greater width required under Applicable Law), must be maintained in the area where vehicles are stored, to permit access by the San Francisco Fire Department to all parts of the vehicle storage area. Entrances and exits to the area shall be at least 15 feet in width (or any greater width required under Applicable Law).

**24.8 Requirement to Remove.** Prior to termination of this License or during the Term if required by a governmental agency, Licensee, at its sole cost and expense, shall remove any and all Hazardous Materials introduced in, on, under or about the Premises by Licensee, its Agents or Invitees during the Term or during any prior time in which Licensee occupied the Premises. Licensee shall not be obligated to remove any Hazardous Material introduced onto the Premises before, during, or after the Term of the Towing Agreement by (1) City or its officers, directors, employees, or Agents or (2) any prior occupants, tenants, property owners, individuals, corporations or entities (collectively, any "Non-Licensee Hazardous Material"). If Licensee demonstrates its compliance with the property maintenance requirements of this License, the Maintenance Plan described in Section 22 above, there shall be a rebuttable presumption that any Hazardous Materials in, on, under or about the Premises were not introduced by Licensee, its Agents or Invitees. However, if Licensee does not demonstrate its compliance with the property maintenance requirements of this License or of the Maintenance Plan, then there shall be a rebuttable presumption that such Hazardous Materials are Licensee's responsibility to the extent that the presence of such Hazardous Materials bear a reasonable causal relationship to Licensee's non-compliance in their composition and location.

Prior to the termination of this License, at Licensee's expense, City and Licensee shall conduct a joint inspection of the Premises for the purpose of identifying Hazardous Materials on the Premises which can be determined to have been introduced by the Licensee and which Licensee is therefore required to remove. City's failure to conduct an inspection or to detect conditions if an inspection is conducted shall not be deemed to be a release of any liability for environmental conditions subsequently determined to be Licensee's responsibility.

**24.9 Licensee's Environmental Condition Notification Requirements.**

**24.9.1 Notification of Any Release or Discharge.** Licensee shall notify City in writing as required in the Maintenance Plan if Licensee learns or has reason to believe that a Release of any Hazardous Materials on or about any part of the Premises has occurred, whether or not the Release is in quantities that under any law would require the reporting of such Release to a governmental or regulatory agency.

**24.9.2 Notification of Any Notice, Investigation, or Claim.** Licensee shall also immediately notify City in writing of, and shall contemporaneously provide City with a copy of:

- (a) Any written notice of Release of Hazardous Materials on the Premises that is provided by Licensee or any subtenant or other occupant of the Premises to a governmental or regulatory agency;

- (b) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that is received by Licensee or any subtenant or other occupant of the Premises from any governmental or regulatory agency;
- (c) Any inquiry, investigation, enforcement, cleanup, removal or other action that is instituted or threatened by a governmental or regulatory agency against Licensee or subtenant or other occupant of the Premises and that relates to the Release of Hazardous Materials on or from the Premises;
- (d) Any claim that is instituted or threatened by any third party against Licensee or any subtenant or other occupant of the Premises and that relates to any Release of Hazardous Materials on or from the Premises; and
- (e) Any notice of the loss of any environmental operating permit by Licensee or any subtenant or other occupant of the Premises.

#### **24.9.3 Notification of Regulatory Actions.**

- (a) Licensee shall immediately notify City in writing of any inspection by any governmental or regulatory agency with jurisdiction over Hazardous Materials and shall provide City with a copy of any inspection record, correspondence, reports and related materials from or to the agency.
- (b) Licensee must notify City of any meeting, whether conducted face-to-face or telephonically, between Licensee and any regulatory agency regarding an environmental regulatory action. City will be entitled to participate in any such meetings at its sole election.
- (c) Licensee must notify City of any environmental regulatory agency's issuance of an environmental regulatory approval. Licensee's notice to City must state the issuing entity, the environmental regulatory approval identification number, and the date of issuance and expiration of the environmental regulatory approval. In addition, Licensee must provide City with a list of any environmental regulatory approval, plan or procedure required to be prepared and/or filed with any regulatory agency for operations on the Property, including a "Spill Pollution Control and Countermeasure Plan." Licensee must provide City with copies of any of the documents within the scope of this Section upon City's request.
- (d) Licensee must provide City with copies of all communications with regulatory agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Materials Claims arising from Licensee's or its Agents' or Invitees' operations at the Property. Upon City's request, Licensee must provide City with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.
- (e) City may from time to time request, and Licensee will be obligated to provide, information reasonably adequate for City to determine that any and all Hazardous Materials are being handled in a manner that complies with all Environmental Laws.

**24.10 Use of Security Deposit.** If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and Licensee does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency or by the City if the agency does not specify a timeframe, the City may draw upon the Security Deposit for purposes of ensuring regulatory compliance. In addition, the City may draw upon the Security Deposit in order to reimburse the City for any fine or other charge assessed against the City related to any notice of violation or other regulatory order issued to Licensee. The City may also draw upon the Security Deposit in order to reimburse the City for costs associated with City's environmental assessments or corrective action, which may be performed at the City's sole discretion.

**24.11 Environmental Oversight Deposit.** Upon execution of the Towing Agreement, Licensee shall provide to the City, and shall maintain and replenish throughout the Term of this License and for a period of at least ninety (90) days after expiration of this License, an "Environmental Oversight Deposit" in the amount of \$10,000, which shall be deposited in an account specified and held by City, as security for the faithful performance of all of the terms, covenants and conditions of this Section. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations and such notice is not cured within fourteen (14) days, the City may (but shall not be required to) apply draw from the Environmental Oversight Deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the License. If Licensee receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the Premises and or its operations, and such notice is cured within fourteen (14) days, the City may draw from the Environmental Oversight Deposit in an amount not to exceed \$500 to reimburse the City for staff costs incurred by the City. City will submit an invoice to Licensee for any such costs, and Licensee will pay such invoiced amounts within thirty (30) days to replenish the Environmental Oversight Deposit. Licensee's failure to pay such costs within thirty (30) days, or to replenish the Environmental Oversight Deposit if drawn upon, will constitute an Event of Default.

Any City withdrawal of funds from the Environmental Oversight Deposit pursuant to this Section shall be without waiving any of City's other rights and remedies hereunder or at law or in equity. Licensee agrees that City's obligations with respect to the Environmental Oversight Deposit are solely that of debtor and not trustee. City shall not be required to keep the Environmental Oversight Deposit separate from its general funds, and Licensee shall not be entitled to any interest on the Environmental Oversight Deposit. The amount of the Environmental Oversight Deposit shall not be deemed to limit Licensee's liability for the failure to comply with any of its Hazardous Materials provisions under this License.

**24.12 Hazardous Substance Disclosure.** California law requires landlords to disclose to tenants the presence or potential presence of certain hazardous materials and hazardous substances prior to lease. Accordingly, Licensee is hereby advised that occupation of the Premises may lead to exposure to Hazardous Materials such as, but not limited to, gasoline, diesel and other vehicle fluids, vehicle exhaust, office maintenance fluids, asbestos, PCBs, tobacco smoke, methane and building materials containing chemicals, such as formaldehyde.

## **25. GENERAL PROVISIONS**

**25.1 Notices.** Any notice, demand, consent or approval required under this License shall be effective only if in writing and given by delivering the notice in person or by sending it first-class certified mail with a return receipt requested or by overnight courier, return receipt requested, with postage prepaid, to: (a) Licensee (i) at the Premises, or (ii) at any place where Licensee or any Agent of Licensee may be found if sent subsequent to Licensee's vacating, abandoning or surrendering the Premises; or (b) City at City's address set forth in the Basic License Information; or (c) to such other address as either City or Licensee may designate as its new address for such purpose by notice given to the other in accordance with the provisions of this Section at least ten (10) days prior to the effective date of such change. Any notice hereunder shall be deemed to have been given two (2) days after the date when it is mailed if sent by first class or certified mail, one day after the date it is made if sent by overnight courier, or upon the date personal delivery is made. For convenience of the parties, copies of such notices, demands, consents or approvals may also be given by email message sent to the email addresses set forth in the Basic License Information or such other email addresses as may be provided from time to time; however, neither party may give official or binding notice by facsimile. All other written communications may be by first class U.S. mail, postage prepaid, by email or by facsimile addressed with the contact information set forth in the Basic License Information.

**25.2 No Implied Waiver.** No failure by City to insist upon the strict performance of any obligation of Licensee under this License or to exercise any right, power or remedy arising out of a

breach thereof, irrespective of the length of time for which such failure continues, no acceptance of any other amounts owing under this License during the continuance of any such breach, and no acceptance of the keys to or possession of the Premises prior to the expiration of the Term by any Agent of City, shall constitute a waiver of such breach or of City's right to demand strict compliance with such term, covenant or condition or operate as a surrender of this License. No express written waiver of any default or the performance of any provision hereof shall affect any other default or performance, or cover any other period of time, other than the default, performance or period of time specified in such express waiver. One or more written waivers of a default or the performance of any provision hereof shall not be deemed to be a waiver of a subsequent default or performance. Any consent by City hereunder shall not relieve Licensee of any obligation to secure the consent of City in any other or future instance under the terms of this License.

**25.3 Amendments.** Neither this License nor any term or provisions hereof may be changed, waived, discharged or terminated, except by a written instrument signed by both parties hereto.

**25.4 Authority.** Each of the persons executing this License on behalf of Licensee does hereby covenant and warrant that Licensee is a duly authorized and existing entity, that Licensee has and is qualified to do business in California, that Licensee has full right and authority to enter into this License, and that each and all of the persons signing on behalf of Licensee are authorized to do so. Upon City's request, Licensee shall provide City with evidence reasonably satisfactory to City confirming the foregoing representations and warranties.

**25.5 Parties and Their Agents; Approvals..** The words "City" and "Licensee" as used herein shall include the plural as well as the singular. If there is more than one Licensee, the obligations and liabilities under this License imposed on Licensee shall be joint and several. As used herein, the term "Agents" when used with respect to either party shall include the agents, employees, officers, contractors and representatives of such party, and the term "Invitees" when used with respect to Licensee shall include the clients, customers, invitees, guests, licensees, assignees or sublicensees of Licensee. All approvals, consents or other determinations permitted or required by City hereunder shall be made by or through SFMTA unless otherwise provided in this License, subject to Applicable Law.

#### **25.6 Interpretation of License.**

**25.6.1** The captions preceding the articles and sections of this License and in the table of contents have been inserted for convenience of reference only and such captions shall in no way define or limit the scope or intent of any provision of this License.

**25.6.2** This License has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with herein and shall be interpreted to achieve the intents and purposes of the parties, without any presumption against the party responsible for drafting any part of this License.

**25.6.3** Provisions in this License relating to number of days shall be calendar days, unless otherwise specified, provided that if the last day of any period to give notice, reply to a notice or to undertake any other action occurs on a Saturday, Sunday or a bank or City holiday, then the last day for undertaking the action or giving or replying to the notice shall be the next succeeding business day.

**25.6.4** Use of the word "including" or similar words shall not be construed to limit any general term, statement or other matter in this License, whether or not language of non-limitation, such as "without limitation" or similar words, are used.

**25.6.5** Any capitalized term used herein shall be interpreted in accordance with the definition set forth in this License. If the capitalized term is not defined in this License, it shall be interpreted in accordance with the definition set forth in the Towing Agreement or the Lease.

**25.6.6** Any inconsistency between this License, the Towing Agreement, and the Lease with respect to Licensee's performance of its obligations under the Towing Agreement shall be resolved by giving precedence in the following order: (a) the Towing Agreement; (b) the Lease; (c) this License.

**25.7 Successors and Assigns.** Subject to the provisions of this License relating to Assignment and subletting, the terms, covenants and conditions contained in this License shall bind and inure to the benefit of City and Licensee and, except as otherwise provided herein, their personal representatives and successors and assigns; provided, however, that upon any sale, assignment or transfer by City named herein (or by any subsequent Licensor) of its interest in the Premises as owner or lessee, including any transfer by operation of law, City (or any subsequent Licensor) shall be relieved from all subsequent obligations and liabilities arising under this License subsequent to such sale, assignment or transfer.

**25.8 Severability.** If any provision of this License or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this License, or the application of such provision to persons, entities or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each other provision of this License shall be valid and be enforceable to the fullest extent permitted by law.

**25.9 Governing Law.** This License shall be construed and enforced in accordance with the laws of the State of California.

**25.10 Entire Agreement.** This License, together with all exhibits hereto, which are made a part of this License, and the Towing Agreement, constitute the entire agreement between City and Licensee about the subject matters hereof and may not be modified except by an instrument in writing signed by the party to be charged. In the event of any conflict between the terms of the Towing Agreement and the terms of this License with respect to Licensee's activities and obligations at the Premises, the terms of the License shall control. All prior written or oral negotiations, understandings and agreements are merged herein. The parties further intend that this License shall constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including prior drafts hereof and changes therefrom) may be introduced in any judicial, administrative or other legal proceeding involving this License. Licensee hereby acknowledges that neither City nor City's Agents have made any representations or warranties with respect to the Premises or this License except as expressly set forth herein, and no rights, easements or licenses are or shall be acquired by Licensee by implication or otherwise unless expressly set forth herein.

**25.11 Attorneys' Fees.** In the event that either City or Licensee fails to perform any of its obligations under this License or in the event a dispute arises concerning the meaning or interpretation of any provision of this License, the defaulting party or the party not prevailing in such dispute, as the case may be, shall pay any and all costs and expenses incurred by the other party in enforcing or establishing its rights hereunder (whether or not such action is prosecuted to judgment), including, without limitation, court costs and reasonable attorneys' fees. For purposes of this License, reasonable fees of attorneys of City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

**25.12 Holding Over.** Should Licensee hold over without City's consent, such holding over shall not be deemed to extend the Term or renew this License, but such term thereafter shall continue as a month-to-month occupancy. Such occupancy shall be on all the terms and conditions set forth in this License; provided that on or before the first day of each month of such month-to-month occupancy, Licensee shall pay to City rent (the "Holdover Fee") equal to the rent paid by City under the Lease for such month, multiplied by a fraction with a numerator of the square footage of the Premises and the denominator of the square footage of the Property. Licensee shall pay the Holdover Fee to City without prior demand and without any deduction, setoff or counterclaim whatsoever.

The Holdover Fee shall be paid by wire transfer to the account designated by City in writing. If the first or last day of such month-to-month occupancy occurs on a day other than the first day of a calendar month, then the Holdover Fee for such fractional month shall be prorated based on a thirty (30) day month.

All other payments shall continue under the terms of this License. In addition, Licensee shall be liable for all damages incurred by City as a result of such holding over. No holding over by Licensee, whether with or without consent of City, shall operate to extend this License except as otherwise expressly provided, and this Section shall not be construed as consent for Licensee to retain possession of the Premises beyond such month to month holdover occupancy. For purposes of this Section, "possession of the Premises" shall continue until, among other things, Licensee has delivered all keys to the Premises to City, has fully vacated the Premises, and completely fulfilled all obligations required of it upon termination of the License as set forth in this License, including, without limitation, those concerning the condition and repair of the Premises.

**25.13 Time of Essence.** Time is of the essence with respect to all provisions of this License in which a definite time for performance is specified.

**25.14 Cumulative Remedies.** All rights and remedies of either party hereto set forth in this License shall be cumulative, except as may otherwise be provided herein.

**25.15 Provisions of License Surviving Termination.** Termination of this License shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this License. This Section and the following Sections of this License shall survive termination or expiration of this License: Sections 2.1.4, 5, 6.6, 7, 12, 14, 17.2, 17.3, 18.1, 18.2, 23, 24.1, 24.2, 24.3, 24.5, 24.8, 24.9, 24.10, 24.11, 25.6, 25.7, 25.8, 25.9, 25.10, 25.11, 25.12, 25.14, 25.22, 25.26, 25.31.

**25.16 Signs.** Licensee agrees that it will not erect or maintain, or permit to be erected or maintained, any signs, notices or graphics upon or about the Premises which are visible in or from public corridors or other portions of any common areas of the Building or from the exterior of the Premises without City's prior written consent, which City may withhold or grant in its sole discretion.

**25.17 Relationship of the Parties.** City is not, and none of the provisions in this License shall be deemed to render City, a partner in Licensee's business, or joint venturer or member in any joint enterprise with Licensee. Neither party shall act as the agent of the other party in any respect hereunder. Capitalized terms used in this Section and not defined in this License shall have the meanings assigned to such terms in Chapter 12Q.

**25.36.1** For each Covered Employee, Licensee shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Licensee chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

**25.36.2** Notwithstanding the above, if the Licensee is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with Subsection 25.36.1 above.

**25.36.3** Licensee's failure to comply with the HCAO shall constitute a material breach of this License. City shall notify Licensee if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this License for violating the HCAO, Licensee fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Licensee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

**25.36.4** Any Subcontract entered into by Licensee shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. Licensee shall notify City when it enters into such a Subcontract and shall certify to the City that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. Each Licensee shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against Licensee based on the Subcontractor's failure to comply, provided that City has first provided Licensee with notice and an opportunity to obtain a cure of the violation.

**25.36.5** Licensee shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying City with regard to Licensee's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

**25.36.10** City may conduct random audits of Licensee to ascertain its compliance with HCAO. Licensee agrees to cooperate with City when it conducts such audits.

**25.36.11** If Licensee is exempt from the HCAO when this License is executed because its amount is less than Twenty-Five Thousand Dollars (\$25,000), but Licensee later enters into an agreement or agreements that cause Licensee's aggregate amount of all agreements with City to reach Seventy-Five Thousand Dollars (\$75,000), all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the

agreement that causes the cumulative amount of agreements between Licensee and City to be equal to or greater than Seventy-Five Thousand Dollars (\$75,000) in the fiscal year.

**25.37 Notification of Limitations on Contributions.** Through its execution of this License, Licensee acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City, whenever such transaction would require approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six (6) months after the date the contract is approved. Licensee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Licensee further acknowledges that the prohibition on contributions applies to each Licensee; each member of Licensee's board of directors, and Licensee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than twenty percent (20%) in Licensee; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Licensee. Licensee further agrees to provide to City the name of each person, entity or committee described above.

**25.38 Preservative-Treated Wood Containing Arsenic.** Licensee may not purchase preservative-treated wood products containing arsenic in the performance of this License unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The provisions of Chapter 16 are incorporated herein by reference and made a part of this License as though fully set forth herein. This provision is a material term of this License. By entering into this License, Licensee agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Licensee agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time of the Commencement Date. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Licensee's failure to comply with this provision.

## **25.41 Criminal History Inquiries for Employment.**

**25.41.1** Unless exempt, Licensee agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "Chapter 12 T"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Licensee who would be or are performing work at the Premises.

**25.41.2** Licensee shall incorporate by reference the provisions of Chapter 12T in all sublicenses of some or all of the Premises, and shall require all sublicensees to comply with such provisions. Licensee's failure to comply with the obligations in this subsection shall constitute a material breach of the License Agreement.

**25.41.3** Licensee and sublicensees shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

**25.41.4** Licensee and sublicensees shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Licensee and sublicensees shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

**25.41.5** Licensee and sublicensees shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Licensee and sublicensees will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

**25.41.6** Licensee and sublicensees shall post the notice prepared by the Office of Labor Standards Enforcement ("OLSE"), available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

**25.41.8** If Licensee has any questions about the applicability of Chapter 12T, it may contact the SFMTA for additional information. SFMTA may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

**25.42 Bottled Drinking Water.** Unless exempt, Licensee agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San

San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of the License as though fully set forth.

**25.43 Non-Liability of City Officials, Employees and Agents.** No elective or appointive board, commission, member, officer, employee or other Agent of City shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City under this Agreement.

**25.44 Drug-Free Workplace.** Licensee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City premises. Licensee agrees that any violation of this prohibition by Licensee, its Agents or assigns shall be deemed a material breach of this License.

**26. COUNTERPARTS.** This License may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

**27. EFFECTIVE DATE.** This License shall be effective as of the Commencement Date.

**28. COOPERATIVE DRAFTING.** This License has been drafted through a cooperative effort of both parties, and both parties have had an opportunity to have the License reviewed and revised by legal counsel. No party shall be considered the drafter of this License, and no presumption or rule that an ambiguity shall be construed against the party drafting the clause shall apply to the interpretation or enforcement of this License.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LICENSE, LICENSEE ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS LICENSE UNLESS AND UNTIL THE BOARD OF DIRECTORS OF CITY'S MUNICIPAL TRANSPORTATION AGENCY SHALL HAVE DULY ADOPTED A RESOLUTION APPROVING THE TOWING AMENDMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED IN THIS LICENSE. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON ADOPTION OF SUCH A RESOLUTION, AND THIS LICENSE SHALL BE NULL AND VOID IF THE BOARD OF DIRECTORS OF CITY'S MUNICIPAL TRANSPORTATION AGENCY DO NOT APPROVE THE TOWING AMENDMENT AND THIS LICENSE IN ITS RESPECTIVE SOLE DISCRETION. APPROVAL OF THIS LICENSE BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED, NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

RECITALS

- A. WHEREAS, The Parties entered into an agreement on July 31, 2005 for towing, storage, and disposal of abandoned and illegally parked vehicles, which the Parties extended twice on July 31, 2010 and August 1, 2015, and which expired on March 31, 2016 ("Previous Agreement"); and,
- B. WHEREAS, The Parties entered into separate agreement dated April 1, 2016 for towing, storage, and disposal of abandoned and illegally parked vehicles ("Current Agreement"); and,
- C. WHEREAS, During the term of the Previous Agreement, the Contractor towed or impounded approximately 253 vehicles designated as Police Hold vehicles ("Holdover Vehicles"), the release, sale, or disposition of which required written authorization from the San Francisco Police Department ("SFPD"); and,
- D. WHEREAS, As of the effective date of the Current Agreement, the SFPD had not released the Holdover Vehicles, which remained in impound facilities operated by Contractor under the Previous Agreement; and,
- E. WHEREAS, The Previous Agreement and the Current Agreement provided for different methods to calculate fees, payments, or credits owing to the Parties in connection with the towing and storage of vehicles ("Payments"), but did not address Holdover Vehicles or Payments owing to the Parties in connection with Holdover Vehicles; and,
- F. WHEREAS, The Parties desire to modify the Current Agreement on the terms and conditions set forth herein to address in the Current Agreement the disposition of Holdover Vehicles and document procedures for payment of Holdover Vehicles.

NOW, THEREFORE, in consideration of and reliance upon the facts stated in the Recitals above, which are incorporated into the Amendment, below, the Parties agree as follows:

1. **Definitions.** Capitalized terms used in this Amendment shall have the meanings assigned to such terms in this Amendment or, if not assigned in this Amendment, in the Current Agreement.

Any extension of this Agreement must be in writing. In the event that this Agreement is extended beyond July 31, 2010, the City agrees to submit a request for an increase in rates to the MTA Board to reflect any increased cost to Contractor for increased rental payments for the Properties during the extended Term that are in excess of CPI adjustments to be applied during the terms of Appendices C, D and E.

### **3.    Effective Date of Agreement**

This Agreement shall become effective upon the Effective Date.

### **4.    Services Contractor Agrees to Perform**

The Contractor shall tow and store any vehicles that DPT, DPH or the SFPD orders removed from any public street or highway or from private property within the City, in accordance with the requirements of the Traffic Code and the Vehicle Code, and shall perform such other related services as are described in this Agreement, in accordance with Appendix A, "Scope of Work," and Appendix B "Operations Plan". Rates and charges to the public for services under this Agreement shall be as set forth in Appendix H, attached hereto and incorporated by reference as though fully set forth herein.

All vehicle handling and storage required by this Agreement shall be conducted at one of the Designated Facilities. As of the Effective Date of this Agreement, City hereby licenses to Contractor the use of three (3) real properties on which the Designated Facilities are currently located: Pier 70, 850 Bryant Street, Room 145, and 415 7<sup>th</sup> Street, San Francisco. The license agreements for those Properties are attached here to as Appendices D and E, respectively, and are incorporated by reference as though

The parties acknowledge that during the Term of this Agreement Contractor may, with City's prior written approval and subject to all the conditions contained in such approval, consolidate the Customer Service Center and Primary Storage Facility operations presently conducted at 415 7<sup>th</sup> Street and 850 Bryant Street to a property owned by Caltrans and leased by Contractor at 450 7<sup>th</sup> Street ("Consolidation"). Following Consolidation, should City cease to use Contractor for towing services, the terms for the City's continued use of the 450 7<sup>th</sup> Street property are attached hereto as Appendix I and are incorporated by reference as though fully set forth herein.

City hereby consents to Contractor's towing and storage of vehicles that are not towed or stored pursuant to a Tow Request with the prior written approval of City and subject to any conditions imposed in such written approval; provided however, that (i) Contractor shall at all times conduct itself in accordance with the Customer service standards of this Agreement so as not create any negative effect on Contractor's public image and reputation as the City's towing contractor, and (ii) Contractor's operations with respect to such vehicles shall not create any adverse impact on its performance of all requirements of this Agreement. City may revoke its consent at any time without cause by written notice to Contractor. The following sections of this Agreement shall apply to any towing or storage of vehicles by Contractor within the City and County of San Francisco that are not towed or stored pursuant to a Tow Request: Master Agreement Sections 8, 9, 11, 12, 13, 14, 15, 16, 17, 20, 22, 26, 27, 28, 29, 31, 32, 35, 37, 38, 40, 41, 42, 50; Appendix A Sections 1, 3, 4, 5, 6, 7, 9, 11, 12.1(b), 12.3, 12.5, 12.6, 13, 14; Appendix B, Appendices C, D and E during their respective terms, Appendix G and Appendix H.

## **5. Submitting False Claims; Monetary Penalties**

Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for three times the amount of damages which the City sustains because of the false claim. A contractor, subcontractor or consultant who submits a false claim shall also be liable to the City for the costs, including attorneys' fees, of a civil action brought to recover any of those penalties or damages, and may be liable to the City for a civil penalty of up to \$10,000 for each false claim. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

## **6. Taxes and Assessments**

Contractor agrees to pay prior to delinquency all taxes and assessments of any kind, including but not limited to possessory interest taxes and non-property taxes, which lawfully may be imposed on the Designated Facilities or on Contractor. Contractor is hereby granted City's consent to contest the validity or the amount of any such tax or assessment, if Contractor chooses to do so. Contractor acknowledges and understands that a possessory interest subject to property taxation may or may not be created by the Agreement and that Contractor may or may not be subject to the payment of property taxes levied on such possessory interest. Contractor further acknowledges that Contractor is familiar with San Francisco Administrative Code §§ 23.38-23.39, which require that City submit a report, which includes specified information relating to the creation, renewal, sublease, or assignment of any such possessory interest, to the County Assessor within 60 days after any such transaction. Contractor agrees to provide to City the information required by Administrative Code §§ 23.38-23.39 within thirty (30) days after any such transaction, if requested to do so by City.

## **7. Payment Does Not Imply Acceptance of Work**

The acceptance of any payment by City and/or Contractor's deduction or offset of funds (that would otherwise be paid by City to Contractor as payment for services) from revenues generated under the Agreement shall in no way lessen the liability of Contractor to replace unsatisfactory work, equipment, or materials, although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was received. Work that does not conform to the requirements of this Agreement may be rejected by City and in such case Contractor must take immediate corrective action.

## **8. Qualified Personnel**

Work under this Agreement shall be performed only by competent personnel under the supervision of and in the employment of Contractor, or through subcontracts entered into pursuant to Section 27. Contractor will comply with City's reasonable requests regarding assignment of personnel, including the removal of specified personnel upon request of City, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to meet its obligations under this Agreement.

### **8.1 Contractor Is the Employer of the Employees**

Contractor affirms, agrees and warrants that for all purposes of the Agreement, specifically including but not limited to Contractor's duties under Sections 4, 5, 8, 9, 10, 14, 15, 16, 18, 21, 22, 26, 30, 32, 35, 37, 40, 41, 42, 43, 49, 50 of this Agreement, and Section 8 of Appendix A to this Agreement, Contractor is the employer of the Employees.

### **8.2 PEO Contract Shall Not Control or Modify the Agreement**

Notwithstanding any language in any PEO Contract, and notwithstanding the intent of Contractor and/or a PEO Contractor in entering into a PEO Contract or as memorialized within a PEO Contract or as a PEO Contract may be construed by any person, Contractor affirms, agrees and warrants that all provisions of this Agreement are in full force and effect, and that a PEO Contract does not modify Contractor's obligations and duties under this Agreement. Contractor further agrees, affirms and warrants that a PEO Contract shall have no effect upon the City's rights under this Agreement and a PEO Contract does not alter the City's right to enforce all provisions of this Agreement against Contractor directly.

### **8.3 PEO Contract is a Subcontract to the Agreement**

Notwithstanding any language in any PEO Contract, and notwithstanding the intent of Contractor and/or a PEO Contractor in entering into a PEO Contract or as memorialized within a PEO Contract or as a PEO Contract may be construed by any person, Contractor affirms, agrees and warrants that for all purposes under this Agreement and under relevant law applicable to this Agreement, any PEO Contract is a subcontract for the purpose of providing payroll, workers' compensation, work place safety and other human resources services to Contractor. Pursuant to Section 27 of this Agreement, the City hereby approves Contractor's PEO Contract with Gevity HR, which is attached hereto as Appendix F and incorporated by reference as though fully set forth herein. The parties stipulate that no agreement or legal relationship exists between the City and Gevity HR.

### **8.4 Contractor is Liable for All Actions of PEO Contractor**

Notwithstanding any language in any PEO Contract, and notwithstanding the intent of Contractor and/or a PEO Contractor in entering into a PEO Contract or as memorialized within a PEO Contract, or as any

PEO Contract may be construed by any person, Contractor affirms, agrees and warrants that, Contractor shall be liable for all actions of its PEO Contractor insofar as said actions affect the City or Contractor's performance of its duties under the Agreement. For purposes of the Agreement, Contractor shall not assign and has not assigned any of its duties under the Agreement to its PEO Contractor.

#### **8.5 City is not a General or Special Employer to the Employees**

The parties agree no employment relationship exists between the City and the Employees. As to the Employees, the City is not a "General Employer" or "Special Employer", as those terms are defined under California law, for any purpose, including but not limited to application of California Labor Code §§ 6300 *et seq.* and California Insurance Code § 11663, or any other applicable statute. Should a court or administrative agency having jurisdiction over the issue determine that the City is a "General Employer" or "Special Employer" of the Employees, Contractor shall fully indemnify the City for all costs and liabilities arising from that finding, including but not limited to consequential and incidental damages, temporary disability indemnity, permanent disability indemnity, medical costs, penalties and fines, vocational rehabilitation costs, and attorneys fees. Contractor's duties and obligations under this section of the Agreement are material obligations guaranteed by the performance guarantee described in Section 12.

#### **8.6 Prevailing Wages**

Contractor hereby acknowledges that it has read completely and fully understands San Francisco Administrative Code Section 21.25-2 and agrees that this Agreement shall be subject to, and Contractor shall comply with, all applicable obligations and requirements imposed by that Section.

### **9. Responsibility for Equipment**

City shall not be responsible for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or by any of its Employees, even though such equipment be furnished, rented or loaned to Contractor by City.

### **10. Independent Contractor; Payment of Taxes and Other Expenses**

**10.1 Independent Contractor.** Contractor or any agent or Employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor or any agent or Employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or Employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or Employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or Employee of Contractor.

Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement.

**10.2 Payment of Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor or any of its agents or Employees is an employee of the City for purposes of collection of any employment taxes, any amounts offset from revenues paid by Contractor to the City under this Agreement shall be reduced by amounts equal to both the employee and employer portions of

the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority.

Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due to the City (again, offsetting any amounts already paid by Contractor that can be applied as a credit against such liability).

A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, should any court, arbitrator, or administrative authority determine that Contractor is an employee for any other purpose, then Contractor agrees to a reduction in City's financial liability so that City's total expenses under this Agreement are not greater than they would have been had the court, arbitrator, or administrative authority determined that Contractor was not an employee.

**10.3 Contractor's Employees.** Contractor shall be solely responsible for all matters relating to payment of Contractor's Employees, including compliance with Social Security, withholding and payment of any and all federal, state and local personal income taxes, disability insurance, unemployment, and any other taxes for such persons, including any related assessments or contribution required by law and all other regulations governing City Health Service System, vacation, holiday, retirement or other programs, nor, in the event that City terminates this Agreement shall Contractor have recourse of rights of appeal under City's rules and regulations which are applicable to employees.

**10.4 Payroll and Taxation.** Contractor shall make or cause to be made all necessary payroll deductions for disability and unemployment insurance, social security, withholding taxes and other applicable taxes, and prepare, maintain and file or cause to be filed all necessary reports with respect to such taxes or deductions, and all other necessary statements and reports pertaining to labor employed in the performance of this Agreement.

## **11. Required Insurance**

**11.4** Garage-keeper's legal liability insurance with limits not less than \$500,000 for each Occurrence combined single limit for loss and damage to vehicles in Contractor's care, custody or control caused by fire, explosion, theft, riot, civil commotion, malicious mischief, vandalism or collision, with

any deductible not to exceed \$25,000 for each Occurrence. Contractor may insure or self-insure loss of non-automobile property in the care, custody, or control of the garage keeper with a limit of \$5000.

**11.5** Workers' Compensation Insurance, including Employers' Liability, with limits not less than \$1,000,000 for each accident, covering all Employees employed by Contractor in the performance of this Agreement to provide statutory benefits as required by the laws of the State of California. Said policy shall be endorsed to provide that the insurer waives all rights of subrogation against the City.

**11.6** Environmental impairment liability insurance with limits not less than \$1,000,000 each occurrence, covering the sudden and accidental release of hazardous materials and the resulting costs of clean up.

Except as set forth above, any deductibles in the policies listed above shall not exceed \$25,000 each occurrence. The insurance policies shall be endorsed to name as an additional insured the City and County of San Francisco and its respective departments, commissioners, officers, agents and employees.

The agreements between the Contractor and its towing and dismantling subcontractors (as applicable) shall require that reasonable insurance is maintained and that the City will be named as an additional insured on the general liability policy.

## **12. Financial Assurances**

### **12.1 Requirement to Provide Financial Guarantees**

Upon the Effective Date of this Agreement, Contractor shall provide, and shall maintain for the time periods specified herein, financial instruments and funds described in this Section 12 as security to ensure Contractor's performance of all terms and conditions of this Agreement and to compensate for any damage to City property and/or other actual costs to City or for reimbursement to Customers for Contractor's violation of the terms of this Agreement, as further described below.

### **12.2 Letter of Credit**

**12.2.1 Performance Guarantee.** Upon the Effective Date of this Agreement, Contractor shall provide to the City, and shall maintain throughout the Term of this Agreement and for a period of at least ninety (90) days after expiration or termination of this Agreement, or until all of Contractor's obligations have been performed under this Agreement (including but not limited to investigation and remediation obligations under Appendices C, D and E), whichever date is later, a performance guarantee in the form of a confirmed, irrevocable Letter of Credit in favor of the City and County of San Francisco, a municipal corporation, acting by and through its Municipal Transportation Agency (and during the Term of Appendix D, the Port of San Francisco), in the amount of two million dollars (\$2,000,000), guarantying the faithful performance by Contractor of this Agreement and of the covenants, terms and conditions of this Agreement, including all monetary obligations set forth herein, and including liquidated damages and any dishonesty on the part of Contractor.

The City may draw upon such Letter of Credit in circumstances which include, but are not limited to:

- (a) To ensure regulatory compliance in the event that Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over Contractor's operations or the Properties used by Contractor for the performance of this Agreement and Contractor does not achieve compliance with the notice of violation or order to the satisfaction of the issuing agency within the time specified by the agency or by the City if the agency does not specify a timeframe.

**12.2.3 Expiration or Termination of Letter of Credit.** In the event the City receives notice from the issuer of the Letter of Credit that the Letter of Credit will be terminated, not renewed or will otherwise be allowed to expire for any reason during the period from the commencement of the Term of this Agreement to ninety (90) days after the expiration or termination of this Agreement or the conclusion of all of Contractor's obligations under the Agreement, whichever occurs last, and Contractor fails to provide the City with a replacement Letter of Credit (in a form and issued by a financial institution acceptable to the City) within ten (10) days following the City's receipt of such notice, such occurrence shall be an Event of Default as defined in Section 18 of this Agreement, and, in addition to any other remedies the City may have due to such default (including the right to terminate this Agreement), the City shall be entitled to draw down the entire amount of the Letter of Credit (or any portion thereof) and hold such funds in an account with the Treasurer in the form of cash guarantying Contractor's obligations under this Agreement under the terms of this Section 12. In such event, the cash shall accrue interest to the Contractor at a rate equal to the average yield of Treasury Notes with one-year maturity, as determined by the Treasurer. In the event the Letter of Credit is converted into cash pursuant to this paragraph, upon termination of this Agreement, Contractor shall be entitled to a full refund of the cash (less any demands made thereon by the City pursuant to Section 12.2.4,) within ninety (90) days of the termination date, including interest accrued through the termination date.

**12.2.4 Demands Upon Letter of Credit.** City may use all or any portion of the Letter of Credit to compensate City for any loss or damage that it may have incurred by reason of Contractor's negligence or breach. Such loss or damage may include without limitation any damage to or restoration of the Properties for which Contractor is responsible, and claims for fines and/or liquidated damages. Should the City terminate this Agreement due to a breach by Contractor, the City shall have the right to draw from the Letter of Credit those amounts necessary to pay any fees or other financial obligations under the Agreement and perform the towing and storage services described in this Agreement until such time as the City procures another contractor and the agreement between the City and that contractor becomes effective. The Treasurer shall have sole authority and responsibility to make demands upon the Letter of Credit. The Treasurer shall not allow any demands made to the Letter of Credit pursuant to claims arising from Section 6(c) of Appendix C to exceed a combined outstanding amount of more than four hundred thousand dollars (\$400,000.00) In addition, the Treasurer shall not allow any demands to be made to the Letter of Credit pursuant to claims arising from Section 6(b) of Appendix C to exceed a combined outstanding amount of more than twice the amount of the current Base Fee established in

Contractor's failure to do so within the time limits specified in Section 18.1.1(f) shall constitute an Event of Default as defined in Section 18 of this Agreement.

**12.2.6 Dispute Resolution.** In the event that a dispute arises between the City and Contractor concerning this Agreement or the use or maintenance of the Letter of Credit, Contractor may appeal to the Director of Transportation within fourteen (14) days of demand on the Letter of Credit with evidence supporting Contractor's claim for relief from the demand on the Letter of Credit. The Director of Transportation will respond within fourteen (14) days. Any failure of the Director of Transportation to respond within fourteen (14) days shall be deemed a rejection of Contractor's claim for relief from the demand on the Letter of Credit. Contractor's claim for relief from demands on the Letter of Credit and the Director of Transportation's response to such demand shall constitute the administrative remedy for Agreement interpretation described in Section 46 herein. Each party reserves its remedies in equity and law. No decision by the City concerning the Letter of Credit shall prevent Contractor from seeking restoration of the funds by appropriate legal action.

**12.3 Maintenance Deposit:** Upon execution of this Agreement, Contractor shall deposit with City the amount of one hundred thousand dollars (\$100,000) as a maintenance deposit. These funds may be used by City when maintenance required by this Agreement is not done in a timely manner or in accordance with the standards of this Agreement. Contractor shall be responsible for replenishing this maintenance deposit fund to maintain a balance of one hundred thousand dollars (\$100,000) within fifteen (15) days of any date that the fund falls below the minimum balance. Failure to replenish the maintenance deposit fund for more than forty-five (45) days shall be an Event of Default under this Agreement. Any interest accrued and earned on the maintenance deposit fund shall be retained by City.

**12.4 Claims Fund.** Contractor shall at all times maintain a Claim Fund for payment of Claims. Contractor shall maintain at least fifty-thousand dollars (\$50,000) in the Claim Fund at all times. Contractor shall be responsible for replenishing this Claims Fund to maintain a balance of fifty thousand dollars (\$50,000) within fifteen (15) days of any date that the fund falls below the minimum balance. Failure to replenish the Claims Fund for more than forty-five (45) days from the date that it falls below the minimum balance shall be an Event of Default under this Agreement.

**12.5 Environmental Oversight Deposit.** Upon the Effective Date of this Agreement, Contractor shall provide to the City, and shall maintain and replenish throughout the term of the property license set forth in Appendix D ("Pier 70 License") and for a period of at least ninety (90) days after termination or expiration of the Pier 70 License, an Environmental Oversight Deposit in the amount of ten thousand dollars (\$10,000), which shall be deposited in an account specified by City. If Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over Pier 70 and or its operations (other than from the Port of San Francisco), and such notice is not cured within fourteen (14) days, the City may draw from this deposit to reimburse the City for staff costs incurred by the City while inspecting site conditions and enforcing and administering the Hazardous Materials provisions of the Pier 70 License. If Contractor receives a notice of violation or other regulatory order from a governmental or regulatory agency with jurisdiction over the site and or its operations (other than from the Port of San Francisco), and such notice is cured within fourteen (14) days, the City may draw from this deposit in an amount not to exceed \$500 to reimburse the City for staff costs incurred by the City. **13.3** Two copies of any Letter of Credit, and two copies of each original policy or policy endorsement of insurance shall be provided to DPT (and during the term of Appendix D, to the Port of San Francisco) upon the Effective Date of this Agreement, and complete copies of any insurance policies obtained pursuant to this Agreement shall be provided to DPT (and during the term of Appendix D, to the Port of San Francisco) if requested at any time.

**14.4 Conflicts and Consents.** The execution and delivery by Contractor of this Agreement and the performance by Contractor of the transactions contemplated by it will not violate any federal, state or local law, rule or regulation, or conflict with or result in any breach or violation of, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or constitute an event or condition that would permit termination or acceleration of the maturity of, the Articles of Incorporation, bylaws or partnership agreement of Contractor (as applicable) or any indenture, mortgage, lease, agreement or other instrument or obligation to which Contractor is a party or by which it may be bound which would materially adversely affect the ability of Contractor to perform its obligations under this Agreement. No approval, authorization, consent or other order or action of, or filing or registration with, any person, entity or governmental authority is required for the execution and delivery by Contractor of this Agreement.

**14.5 Conflict with Orders.** The execution and delivery by Contractor or this Agreement will not conflict with any order, judgment or decree of any court, government, government agency or instrumentality, whether entered pursuant to consent to otherwise, by which Contractor may be bound or affected.

**14.6 Litigation.** There is no litigation, action, arbitration, grievance, administrative proceeding, suit or claim filed and pending, nor is there any investigation by a governmental agency of Contractor or any of its affiliates that, if adversely decided, could have a material adverse impact on Contractor's ability to perform its obligations under this Agreement.

The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. The foregoing indemnification does not include the limitations on Contractor's liability described in Appendix D, Sections 24.3 and 24.8.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

As to any intellectual property that Contractor provides to the City in the performance of this Agreement, Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons, arising as a consequence of the use by City of the intellectual property supplied by the Contractor, or any of its officers or agents.

## **16. Incidental and Consequential Damages**

Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

## **17. Liability of City**

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

## **18. Default; Remedies**

**18.1.1** The following conduct by Contractor shall constitute an Event of Default at the time it occurs without a right to cure under this Section 18, and shall be grounds for termination pursuant to Section 19:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement: 5, 6, 11, 12.2.1, 13, 22, 28, 35 and 54.

(b) Substantial abandonment or discontinuance by Contractor, without the prior written consent of the City, of any or all of the services and operations required hereunder.

(c) Contractor's representation or warranty made pursuant to this Agreement which Contractor made knowing that it was not true and correct at the time when made.

(d) Failure of Contractor to replenish the maintenance deposit or Claims Fund required by Sections 12.3 and 12.4 and such failure continues for more than forty-five (45) days.

**18.1.5** Failure of Contractor to pay when due any other amount owing from Contractor to the City, including without limitation rents, taxes, fees or other charges, whether or not such amounts are related to this Agreement; provided, however, that if Contractor disputes the amount of any such

obligation in good faith and is actively negotiating or litigating such dispute, Contractor's failure to pay such amount shall not constitute a default under this paragraph.

**18.1.6** Failure of Contractor to abide by any of the terms or conditions of the Port MOU, set forth in Appendix C to this Agreement.

**18.2** On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. City's right to termination for an Event of Default shall be subject to Contractor's opportunity to cure such Event of Default pursuant to the terms of Sections 18.1 and 19. In addition, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor all damages, losses, costs or expenses incurred by City as a result of such Event of Default and any liquidated damages due from Contractor pursuant to the terms of this Agreement or any other agreement.

**18.3** All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

## **19. Termination**

The City shall have the right to terminate this Agreement after written notice to Contractor upon the occurrence of any Event of Default, provided, however, that Contractor shall have a period of ten (10) days from the date of City's notice of intent to terminate to cure such default before City's termination for cause may become effective.

**19.1 Termination Effective Upon Notice.** Termination under this Section shall be effective immediately upon notice being given by DPT to Contractor and after the expiration of any applicable cure periods. Upon such termination, all rights, powers, privileges and authority granted to Contractor under this Agreement shall cease, and Contractor shall immediately thereupon vacate the Designated Facilities, except as may be permitted pursuant to Section 54 (Transition Period), below.

**19.2 Termination Not Exclusive Remedy.** The City's right to terminate this Agreement under this Section is not its exclusive remedy but is in addition to all other remedies provided to it by law or the provisions of this Agreement.

**19.3 Duties Upon Termination.** Upon termination of this Agreement, the City and Contractor shall promptly pay to the other, as soon as is determinable after the effective date of termination, all amounts due each other under the terms of this Agreement, and upon such payment neither shall have any further claim or right against the other, except as expressly provided herein. ## **20. Provisions of Agreement Surviving Termination or Expiration**

This Section and the following Sections of this Agreement shall survive termination or expiration of this Agreement: 1, 5, 6, 7, 9, 10, 12 (except for 12.2.5), 14, 15, 16, 17, 18.2, 18.3, 19.3, 20, 22.1, 23, 24, 25, 26, 29, 38, 39, 43, 46, 47, 48, 49, 53, 54, 55, 56 and 57; and Appendix A Sections 1.3(b), 4.1, 5.2, 12, 13.3, 15.1, 15.2, 15.7(1), 15.7(2), 15.10(7) and 15.11.

**40.3** Contractor understands and agrees that the failure to comply with the requirements of the MCO shall constitute a material breach by Contractor of the terms of this Agreement. The City, acting through DPT, shall determine whether such a breach has occurred.

**40.4** If, within thirty (30) days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured

within such period of thirty (30) days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City, acting through the Contracting Department, shall have the right to pursue the following rights or remedies and any rights or remedies available under applicable law:

**40.4.1** The right to charge Contractor an amount equal to the difference between the Minimum Compensation and any compensation actually provided to a Covered Employee, together with interest on such amount from the date payment was due at the maximum rate then permitted by law;

**40.4.2** The right to set off all or any portion of the amount described in Subsection 40.4.1 of this Section against amounts due to Contractor under this Agreement;

**40.4.3** The right to terminate this Agreement in whole or in part;

**40.4.4** In the event of a breach by Contractor of the covenant referred to in Subsection 40.2 of this Section, the right to seek reinstatement of the Employee or to obtain other appropriate equitable relief; and

**40.4.5** The right to bar Contractor from entering into future contracts with the City for three (3) years. Each of the rights provided in Section 40.4 shall be exercisable individually or in combination with any other rights or remedies available to the City. Any amounts realized by the City pursuant to this subsection shall be paid to the Covered Employee who failed to receive the required Minimum Compensation.

**40.4.6** Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

**40.4.7** Contractor shall keep itself informed of the current requirements of the MCO, including increases to the hourly gross compensation due Covered Employees under the MCO, and shall provide prompt written notice to all Covered Employees of any increases in compensation, as well as any written communications received by the Contractor from the City, which communications are marked to indicate that they are to be distributed to Covered Employees.

**40.4.8** Contractor shall provide reports to the City in accordance with any reporting standards promulgated by the City under the MCO, including reports on subcontractors.

**40.4.9** The Contractor shall provide the City with access to pertinent records after receiving a written request from the City to do so and being provided at least five (5) business days to respond.

**40.4.10** The City may conduct random audits of Contractor. Random audits shall be (i) noticed in advance in writing; (ii) limited to ascertaining whether Covered Employees are paid at least the minimum compensation required by the MCO; (iii) accomplished through an examination of pertinent records at a mutually agreed upon time and location within ten (10) days of the written notice; and (iv) limited to one audit of Contractor every two (2) years for the duration of this Agreement. Nothing in this Agreement is intended to preclude the City from investigating any report of an alleged violation of the MCO.

**40.4.11** Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. A subcontract for the purpose of this Section 40 means an agreement between the Contractor and a third party which requires the third party to perform all or a portion of the services covered by this Agreement. Contractor shall notify the Department of Administrative Services when it enters into such a subcontract and shall certify to the Department of Administrative Services that it has notified the subcontractor of the obligations under the MCO and has imposed the requirements of the MCO on the subcontractor through the provisions of the subcontract. It

is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

**40.4.12** Each Covered Employee is a third-party beneficiary with respect to the requirements of subsections 40.1 and 40.2 of this Section, and may pursue the following remedies in the event of a breach by Contractor of subsections 40.1 and 40.2, but only after the Covered Employee has provided the notice, participated in the administrative review hearing, and waited the twenty-one (21) day period required by the MCO. Contractor understands and agrees that if the Covered Employee prevails in such action, the Covered Employee may be awarded: (1) an amount equal to the difference between the Minimum Compensation and any compensation actually provided to the Covered Employee, together with interest on such amount from the date payment was due at the maximum rate then permitted by law; (2) in the event of a breach by Contractor of subsections 40.1 or 40.2, the right to seek reinstatement or to obtain other appropriate equitable relief; and (3) in the event that the Covered Employee is the prevailing party in any legal action or proceeding against Contractor arising from this Agreement, the right to obtain all costs and expenses, including reasonable attorney's fees and disbursements, incurred by the Covered Employee. Contractor also understands that the MCO provides that if Contractor prevails in any such action, Contractor may be awarded costs and expenses, including reasonable attorney's fees and disbursements, from the Covered Employee if the court determines that the Covered Employee's action was frivolous, vexatious or otherwise an act of bad faith.

#### **41. Requiring Health Benefits for Covered Employees**

Unless exempt, Contractor agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated herein by reference and made a part of this agreement as though fully set forth. The text of the HCAO is available on the web at <http://www.sfgov.org/oca/lwlh.htm>. Capitalized terms used in this Section and not defined in this agreement shall have the meanings assigned to such terms in Chapter 12Q.

**41.1** For each Covered Employee, Contractor shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Contractor chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

**41.2** Notwithstanding the above, if the Contractor is a small business as defined in Section 12Q.3(d) of the HCAO, it shall have no obligation to comply with this Section 41.1 above.

**41.3** Contractor's failure to comply with the HCAO shall constitute a material breach of this Agreement. City shall notify Contractor if such a breach has occurred. If, within thirty (30) days after receiving City's written notice of a breach of this Agreement for violating the HCAO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty (30) days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, City shall have the right to pursue the remedies set forth in 12Q.5(f)(1)-(5). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to City.

**41.4** Contractor shall not discharge, reduce in compensation, or otherwise discriminate against any Employee for notifying City with regard to Contractor's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

**41.5** Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

**41.6** Contractor shall keep itself informed of the current requirements of the HCAO.

**41.7** Contractor shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

**41.8** Contractor shall provide City with access to records pertaining to compliance with HCAO after receiving a written request from City to do so and being provided at least five business days to respond.

**41.9** City may conduct random audits of Contractor to ascertain its compliance with HCAO. Contractor agrees to cooperate with City when it conducts such audits.

## **42. First Source Hiring Program**

**42.1 Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

### **42.2 First Source Hiring Agreement**

**42.2.1** Contractor will comply with First Source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the exclusive opportunity to initially provide Qualified Economically Disadvantaged Individuals for consideration for employment for Entry Level Positions. The duration of the First Source interviewing requirement shall be ten (10) days, unless business necessity requires a shorter period of time.

**42.2.2** Contractor will comply with requirements for providing timely, appropriate notification of available Entry Level Positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of Qualified Economically Disadvantaged Individuals to participating Employers.

**42.2.3** Contractor agrees to use good faith efforts to comply with the First Source hiring requirements. A Contractor may establish its good faith efforts by filling: 1) its first available Entry Level Position with a job applicant referred through the First Source Program; and, 2) fifty percent (50%) of its subsequent available Entry Level Positions with job applicants referred through the San Francisco Workforce Development System. Failure to meet this target, while not imputing bad faith, may result in a review of the Contractor's employment records.

**42.3 Hiring Decisions.** Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

**42.4 Exceptions.** Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

**42.5 Liquidated Damages.** Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$2,070 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

#### **43. Prohibition on Political Activity with City Funds**

In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Agreement. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Agreement, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two (2) years.

#### **44. Preservative-treated Wood Containing Arsenic**

As of July 1, 2003, Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The Term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The Term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

#### **45. Modification of Agreement**

This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved by Contractor and by the Director of Transportation, except where the approval of the Municipal Transportation Agency Board or the San Francisco Board of Supervisors is required by applicable law, in which case, the approval of those agencies shall also be required.

#### **46. Administrative Remedy for Agreement Interpretation**

Should any question arise as to the meaning and intent of this Agreement, the question shall, prior to any other action or resort to any other legal remedy, be referred to the Director of Transportation, who shall decide the true meaning and intent of the Agreement.

#### **47. Agreement Made in California; Venue**

The formation, interpretation and performance of this Agreement shall be governed by the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this Agreement shall be in San Francisco.

#### **48. Construction**

All paragraph, article, and section captions and headings contained in this Agreement are for reference and convenience only and shall not be considered in construing the scope or meaning of this Agreement. Unless this Agreement specifically provides otherwise, it is to be construed in the following manner.

**48.1 Syntax.** Whenever the context of this Agreement requires, the singular shall include the plural, the plural shall include the singular, the masculine shall include the feminine and the feminine shall include the masculine.

**48.2 References.** Unless otherwise indicated, references to Articles, Sections and subsections are to Articles, Sections and subsections in this Agreement.

**49. Entire Agreement**

This contract sets forth the entire Agreement between the parties, and supersedes all other oral or written provisions. This contract may be modified only as provided in Section 45.

This Agreement contains the entire agreement between the parties with respect to the subject matter of this Agreement and any prior agreements, discussions or understandings, written or oral, are superseded by this Agreement and shall be of no force or effect. No addition or modification of any term or provision of this Agreement shall be effective unless set forth in writing and signed by the parties to this Agreement.

**50. Compliance with Laws**

Contractor shall keep itself fully informed of the City's Charter, codes, ordinances and regulations and of all state, and federal laws in any manner affecting the performance of this Agreement, and must at all times comply with such local codes, ordinances, and regulations and all applicable laws as they may be amended from time to time. Contractor shall comply and conform with all laws and all governmental regulations, rules and orders that may from time to time be put into effect relating to, controlling or limiting Contractor's performance under this Agreement or enjoyment of any rights or privileges granted hereby. Contractor shall secure all permits and licenses specifically required for Contractor's performance under this Agreement (copies of which shall be promptly provided to City), and shall comply with all applicable laws and regulations relating to labor employed in and relating to Contractor's performance under this Agreement. Contractor shall not use or occupy the Designated Facilities in an unlawful, noisy, improper or offensive manner and shall use its best efforts to prevent any occupancy of the Designated Facilities or use made thereof which is unlawful, noisy, improper or offensive or contrary to any law or ordinance applicable to them. Contractor shall not cause or maintain any nuisance in or about the Designated Facilities, and shall use its best efforts to prevent any person from doing so. Nor shall Contractor cause any rubbish, dirt or refuse to be placed in the streets, sidewalks or alleys adjoining the Designated Facilities or to accumulate in the Designated Facilities.

**51. Services Provided by Attorneys**

Any services required under this Agreement that are to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. No invoices for services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

**52. Unavoidable Delays**

Any prevention, delay or stoppage in a party's performance of any part of this Agreement due to an Unavoidable Delay shall excuse the performance of the party affected for a period of time or otherwise in a manner that bears a causal relationship and is in proportion to any such prevention, delay or stoppage.

**53. Severability**

Should the application of any provision of this Agreement to any particular facts or circumstances be found by a court of competent jurisdiction to be invalid or unenforceable, then (a) the validity of other provisions of this Agreement shall not be affected or impaired thereby, and (b) such provision shall be

enforced to the maximum extent possible so as to effect the intent of the parties and shall be reformed without further action by the parties to the extent necessary to make such provision valid and enforceable.

#### **54. Transition Period**

**54.1** Notwithstanding any other provision of this Agreement to the contrary, Contractor hereby agrees that it shall cooperate in good faith with City and with any contractor chosen by City pursuant to a competitive selection process to take over Contractor's obligations after the expiration of this Agreement, or any contractor designated by City to provide towing services following termination of this Agreement pursuant to §19 herein, for the smooth and efficient transfer of those functions.

**54.2** Contractor agrees to take all actions as may be necessary or as the City may direct for the protection and preservation of any property related to this Agreement that is in the possession of Contractor and in which City has or may acquire an interest, including any environmental remediation required under Appendices C, D and E. Contractor acknowledges that City has a vested interest for payment of fees for vehicles that Contractor has towed and/or is storing, and Contractor shall not impair said interest and shall take all actions reasonably necessary to safeguard City's interest in said towed and stored vehicles.

**54.3** Contractor shall remove any towed and/or stored vehicles from City property by the termination date and shall relocate said vehicles to a location approved by the City or (subject to City approval) authorize a successor contractor to serve as an agent of Contractor for purposes of conducting any lien sale auctions that may be required for disposal of such vehicles.

**54.4** Contractor shall provide City or any successor contractor with all information necessary, in a form approved by the City, to facilitate retrieval by the registered owner of any vehicle upon which Contractor holds a lien.

**54.5** If Contractor has implemented the Consolidation (as defined in Section 4) of the Customer Service Center and Primary Storage Facility as of the termination of this Agreement, Contractor agrees to assign all right, title and interest of Contractor in the 450 7<sup>th</sup> Street property to the City, subject to the payment terms specified in Appendix I, as part of the transition of towing operations to a successor towing services contractor.

#### **55. Administration of Contract**

This Agreement shall be administered by and for the City by DPT. The Director of DPT shall, unless otherwise stated herein, have the authority to act for or on behalf of the City in the administration of this Agreement.

#### **56. Required Actions**

Contractor agrees to execute all instruments and documents and to take all actions as may be required or necessary in order to carry out the purposes and terms of this Agreement.

#### **57. Non-impairment of City-Owned Towing Equipment and Facilities**

If, in violation of applicable law or this Agreement, Contractor releases, sells, disposes of, or otherwise loses possession of or is unable to locate within its possession any vehicle that it has towed or impounded under this Agreement, notwithstanding any other criminal or civil penalties levied by a court of law, Contractor shall have sixty (60) days to resolve any Claim filed by the vehicle owner, and must submit any proposed Claim settlement to City for approval prior to finalizing such Claim. If Contractor fails to satisfactorily resolve such Claim within sixty (60) days, City may require Contractor to pay to the vehicle owner the blue book value of the vehicle at the time of sale, destruction or loss of the vehicle as determined by the City. If City directs Contractor to resolve a Claim after sixty (60) days by paying the blue book value of a vehicle to the owner, City may assess liquidated damages against Contractor in accordance with Section 15 of this Appendix A. This contractual remedy shall not preclude the vehicle owner from taking any other appropriate legal action against the Contractor.

### **4.2 Vehicle Drop**

The Tow Car operator shall release a vehicle without assessing any towing charges upon request of the DPT or SFPD officer or DPH employee present at the site of the tow. The City officer or employee may require release of the vehicle pursuant to this Section 4.2 when the owner or operator of the vehicle is present to claim the car before all of the following three (3) events occur:

### **4.3 Personal Property Releases**

#### **(b) Vehicles Subject to Hold**

No person shall be allowed to retrieve personal property from a vehicle subject to an Administrative or Police Hold without the prior written authorization of the agency which impounded the vehicle.

#### **(c) Personal Property Release**

A personal property release allows the claimant to enter the vehicle, with the supervision of Contractor, to obtain property from the towed vehicle. Contractor's supervision shall include preparing a written inventory of the items removed by the claimant, but Contractor shall have no responsibility for assisting the claimant to remove personal property from the vehicle. Contractor shall require the claimant to sign the inventory statement listing the item(s) they removed from the vehicle, and shall file the personal property release data collected in the TVMS system or in a paper file with a file name cross referencing the Tow Request ID in the TVMS.

Otherwise, Contractor shall designate the vehicle as an "Unable to Identify" or "UTID" vehicle and, after receipt of a written release by the SFPD (DMV Form 462, "Public Agency Authorization of Disposal of Vehicle" or successor form), such UTID vehicle shall be disposed of as required by the Vehicle Code and in accordance with instructions on DMV Form 462 or successor form.

##### **(c) SFPD Access to NO ID Vehicles**

No person shall be allowed access to a Police Hold vehicle or retrieve personal property therefrom without written authorization from the SFPD. If the SFPD designates a Police Hold vehicle as an evidentiary vehicle at the time of the Tow Request, Contractor shall ensure that the towing and storage of the vehicle is conducted in accordance with any standards for handling and preservation of evidence provided to Contractor by the SFPD in writing. Contractor shall maintain the Police Hold areas in a manner which ensures its ability to locate vehicles requested by SFPD within one (1) hour of SFPD's request. Contractor may, from time to time, request training

for Tow Car operators and Employees for the handling of evidentiary vehicles from the SFPD. Contractor shall submit Police Department Procedures to the City describing in detail how it will process Police Hold vehicles to meet service requirements specified in this Agreement. These procedures shall be approved and adopted as part of the Operations Plan, as provided in Section 14 of this Appendix A.

**(b) Release**

Contractor shall not release or allow parts to be removed from any vehicle towed by the SFPD without a written release authorization from the SFPD. The SFPD will provide to Contractor a standard form to be used for all written release authorizations and a list of individuals authorized to sign vehicle and personal property releases, including exemplars of those individuals' signatures. Contractor may not release a Police Hold vehicle without a release form signed by an authorized individual as designated by the SFPD. Contractor shall inform the Customer that release of a vehicle subject to Police Hold may only be obtained by going to a SFPD station to request that the vehicle be released.

**(c) Recovery of Stolen Vehicles**

Recovered stolen vehicles may only be released upon presentation of SFPD Form 425 or as otherwise specified by SFPD in writing. ## **9.4 Tow Car Data Terminal**

Within 180 days of the Effective Date of this Agreement, Contractor shall send the initial basic information collected on every vehicle towed (field officer requested tows only) by each Tow Car in real-time to the TVMS using a data terminal or other device available in each Tow Car. Contractor shall train Employees and subcontractors on the manual procedure for inputting the initial basic information on towed vehicles if the Tow Car data terminals are not working. When Tow Car data terminals are not working, the information shall be communicated from the Tow Car operators in the field to Central Dispatch via two-way radio communications. This initial communication will create a new record indexed to the unique, system-generated field in the TVMS for every tow provided by Contractor, herein referred to as the "Tow Request ID" for the purpose of this Agreement only; Contractor may use any clearly defined field name in the TVMS. The basic information reported on every towed vehicle must at a minimum, include at least three (3) of any of the data elements from the following list; however City may, by written notice to Contractor, require that the vehicle license plate number be a mandatory data element for the purposes of this Section:

- (1) Vehicle license plate number

- (2) Vehicle make
- (3) Vehicle model
- (4) Vehicle color
- (5) Location of the tow (street and cross street)
- (6) Tow date and time.

#### **9.5 Vehicle Tow Records and CTMS**

Within ninety (90) days of agreement by the parties on an interface design and joint project plan, Contractor shall create an interface between its TVMS and the City's CTMS so that records on each towed vehicle are created in the City's CTMS in real-time as the tows occur (field officer requested tows only). In addition, this interface must ensure that agreed-upon updates made by Contractor to a towed vehicle record in the TVMS are updated in the City's CTMS in real-time for any data element that is shared by the CTMS and the TVMS (both dispatch and field officer requested tows). Contractor must provide City with information to update the CTMS with all intake information within one (1) hour of the intake of the vehicle. In any instance in which the CTMS and TVMS have matching information for the vehicle, Contractor must enter all release information into the CTMS within twenty-four (24) hours of release of the vehicle. If the vehicle's identifying information cannot be matched between the CTMS and the TVMS, Contractor shall report the discrepancy to DPT within two (2) business days, excluding weekends and holidays. Contractor shall update the City's CTMS via a "simple screen swipe" method, for the purposes of inserting new tow information (field officer requested tows only) through the interface; however, if Contractor identifies a more efficient, cost effective method which the City approves in writing, Contractor may implement such alternative method at its own cost.

#### **9.6 Electronic Tow Inventory Slips**

Within sixty (60) days of the Effective Date of this Agreement, Contractor shall provide electronic storage of all tow slip information in the TVMS system. The tow slips shall be processed and entered into the TVMS system as soon as the vehicle is delivered to one of the Designated Facilities, and never more than eight (8) hours after a vehicle is towed. Contractor shall ensure that City has remote electronic access to the tow inventory slip information at all times. Contractor shall also scan all manually written tow slips and store the tow slip as an electronically scanned image, cross-referenced to the tow record in the TVMS. Contractor shall provide a hotline for technical assistance related to electronic tow inventory slips Monday through Friday from 8:00 a.m. to 6:00 p.m., with pager or mobile phone access during all other hours.

### **10. Towed Vehicle Management System**

Contractor shall maintain detailed electronic records of each tow in its TVMS. The TVMS shall assign a unique, system-generated Tow Request ID to each Tow Request made during the term of this Agreement. All information related to the towing, impoundment, and disposition of any vehicle currently impounded or previously released, sold or disposed of, including references to manually written (paper) tow slips, shall be searchable in the TVMS using the Tow Request ID. This system must be capable of providing to DPT a daily record containing information including the date of the Tow Request, the make, model, license plate number, and VIN of all towed vehicles and the current status of all towed vehicles. Towed vehicle information must be entered into the TVMS within three (3) days of the date of the tow.

For Dispatch Tows, information about vehicles that are dropped or not towed for some other reason shall be recorded in the Contractor's TVMS but Contractor shall not generate any record for the purpose of assessing charges for tows of such vehicles.

### 10.1 Computer Hardware and Software

Contractor shall at a minimum use Microsoft Windows 2000 Server or newer Microsoft Server software as the operating system of its servers, and Windows XP Professional as the operating system for its desktop computer workstations. The location of the Contractor's data center in which information for the TVMS is hosted must be approved by the City. City hereby approves the location of the data center, at the SBC Data Center in Irvine, California, and at the Customer Service Center, as of the Effective Date of this Agreement.

Contractor shall not under any circumstances maintain the TVMS using proprietary software that prevents data extraction and analyses into any general industry-wide database system protocol, such as Oracle or Microsoft SQL.

Contractor shall provide the following specified hardware for the City's use to connect the City network to the Contractor's network. All the equipment that is installed in the City's data center and required to terminate the secure, point-to-point connection between the City and Contractor networks shall become the property of the City at the expiration or termination of this Agreement.

Contractor shall not charge any Customer amounts in excess of the amounts set forth in the Rate Schedule adopted pursuant to this Agreement and attached hereto as Appendix H except in compliance with all requirements of law for changes to such Rate Schedule. Appendix H shall apply to all vehicles handled by Contractor within the City, whether or not the vehicle is towed at the request of DPT, SFPD or DPH or is stored on any Designated Facility.

Towing and storage charges are subject to adjustment annually, on July 1, in direct proportion to the increase or decrease in the "Consumer Price Index for Urban Wage Earners and Clerical Workers", unadjusted data for all items for the twelve (12) months ending April of the current year, as published by the United States Department of Labor, Bureau of Labor Statistics. Adjusted charges will be rounded to the nearest twenty-five cents (\$0.25).

In the event storage charges accrue on a vehicle because of Contractor's failure to provide DPT or the SFPD, as applicable, with either an "Unreleased Vehicle Report" (as required in Appendix A, Section 13.2(a)(ii)), a vehicle description or a verification of the VIN, such charges shall be null and void and neither the City nor the owner of said vehicle shall be responsible for those charges.

If a vehicle is sold to a scrap dealer or dismantler, the full sale price must be applied to reduce the amount of a potential Deficiency Claim based on towing and storage charges.

### **12.4 Additional Fees Proposed by Contractor**

Except for periodic adjustments provided for in Section 12.3(a) above, Contractor must notify the City in advance of any proposed fee that relates to any services performed under this Agreement or services performed for owners of vehicles towed or buyers of vehicles sold pursuant to this Agreement. Contractor shall remit payment for the balance due within ten (10) days of the billing date. If the payments due to the City are less than the total credits due to the Contractor, City shall either, in City's sole discretion, pay the Contractor for the amount owed or hold over a credit to be applied against the next payment due to the Contractor. Any challenges to the amount owed by Contractor to City in a given month shall be resolved in the next monthly billing. - d. For every calendar month, Contractor shall submit to City a monthly report that shows window staffing numbers and patterns at the CSC, as well as mean wait times for Customers during the immediately preceding month.
- e. Contractor shall ensure all Customer transactions that involve waivers, vouchers, or adjustments are reviewed and validated by the customer service manager and documented in the Towed Vehicle Management System (TVMS).

**2.2      Appendix A (Statement of Services), Section II.H.1 (Routine Towing Requests)** is replaced in its entirety to read as follows:

### **1. Routine Towing Requests**

- a. Contractor shall provide dispatch staff to receive tow requests 24 hours per day, 365 days per year, including holidays. Contractor shall dispatch Tow Truck Operators (TTOs) from Central Dispatch upon request.

- g. Contractor shall submit to the SFMTA a monthly report that shows response times for Tow Desk requests.

**2.3 Appendix A (Scope of Services), Section II.H.4 (City-Owned Vehicles)** is replaced in its entirety to read as follows:

At the beginning of each calendar month of service, Contractor shall provide an invoice to the SFMTA for the fixed monthly management fee for the same service month in the amount of \$665,356. Payment of the invoice shall not be made until after the service month is complete. Should tow volume increase or decrease significantly, requiring a change in staffing levels, the SFMTA and the Contractor will in good faith renegotiate the fixed monthly management fee to ensure that the cost per tow to the public is not impacted.

Within 10 days after the end of each calendar month of service, Contractor shall provide an invoice to the SFMTA for Services completed in the immediately preceding month for the following per-unit fees:

<b>Fee Type</b>	<b>Fee Amount</b>
Tow fee (per vehicle towed)	\$66.55

Lien processing fee (per vehicle)	\$15.72

Dropped Tow fee (per vehicle)	\$14.51

Each year, **on the first calendar day of the month following the anniversary** of the Effective Date of the Agreement, fees listed in this Appendix B shall be adjusted: 1) in direct proportion to the percentage increase in the current Consumer Price Index for Urban Wage Earners for the San Francisco Bay Area ("CPI") for the month immediately preceding the applicable anniversary date ("Current Index") over the CPI for the month of February 2016 ("Base Index"), or 2) by 3%, whichever is lower. If the Current Index has increased over the Base Index, the adjusted fee amount shall be calculated by multiplying the current fee amount by a fraction, the numerator of which is the Current Index and the denominator of which is the Base Index, as follows:

Current index

Base index                      x                      Current Fee Amount = Adjusted Fee Amount

**Fourth Amendment**

**Contract No. 2014-48**

THIS AMENDMENT (Amendment) is made as of April 11, 2022, in San Francisco, California, by and between TEGSCO, LLC (Contractor), and the City and County of San Francisco, a municipal corporation (City), acting by and through its Municipal Transportation Agency (SFMTA).

**Recitals**

- A. On April 1, 2016, the City and Contractor, at the time dba San Francisco AutoReturn, entered the Agreement (defined below) for an initial amount not to exceed of \$65,400,000 and an initial five-year term, with an option to extend up to five additional years.
- B. On April 1, 2021, the City and Contractor executed the Third Amendment to update standard contractual provisions; exercise the option to extend the term five years, ending March 31, 2026; and increase the amount not to exceed by \$22,800,000 to \$88,200,000.
- C. The \$22,800,000 increase in the amount not to exceed only covered the first two years of the five-year extension, giving the SFMTA time to assess how the ongoing COVID-19 pandemic will impact the towing program costs, and re-evaluate program policies and funding as the City emerges from pandemic conditions.
- D. On April 7, 2021 (Resolution No. 153-21), the Board of Supervisors retroactively authorized the Director of Transportation (DOT) to execute the Third Amendment, resolving, in part, that the DOT separately approve, in the second year of the extension, the final \$11,600,000 of the \$22,800,000 increase in the amount not to exceed; the Director of Transportation approved the final \$11,600,000 before the effective date of this Amendment
- E. On August 17, 2021, Contractor stopped using the dba name, San Francisco AutoReturn, and began using its legal name, TEGSCO, LLC, in San Francisco, which required that Contractor obtain a new supplier number with the City.
- F. City and Contractor desire to modify the Agreement on the terms and conditions set forth herein to update certain standard contractual provisions and memorialize Contractor's dba name change.
- G. The Agreement was competitively procured as required by San Francisco Administrative Code Chapter 21.1 through a Request for Proposals on June 26, 2015, and this Amendment is consistent with the process.

NOW, THEREFORE, Contractor and the City agree as follows:

## **Article 1 Definitions**

## **Appendix A: Data Fields for HSA-HSH Verification Database**

### **HSA Clients**

The HSA-HSH Verification Database will display only the following data for HSA Clients based on the client's HSA program record:

- First Name
- Last Name
- Date of Birth
- Last four digits of SSN
- Address
- Federal Poverty Level (FPL) status, as estimated by HSA\*

Many of these programs are state and/or federally regulated, and have different and highly complex formulas for calculating income. If the individual has previously had income information verified by HSA, but more than one year from the search date, the FPL field will show "Current Information Not Available."

If the individual has not had income information verified by HSA, the result will show "Unable to find a match."

### **HSH Clients**

The HSA-HSH Verification Database will display only the following data for HSH Clients based on the client's HSH program record:

City and Contractor will reach agreement as to the availability and delivery time for this data and information during initial task negotiations.

(c) **Task Order Proposal.** Contractor shall prepare and submit a task order proposal that includes:

(i) A work plan that includes: (1) a detailed description, by task and, if applicable, subtask, of the scope of Services to be performed under the task order; (2) the materials and equipment to be used to perform the task order; (3) and Contractor's approach to performing the Services and completing the task order.

(ii) A schedule to complete the task order, including key milestone dates to complete each task, subtask, and deliverable, as applicable.

(iii) A list of personnel, including any subcontractors, Contractor proposes to work on the task order; and, for each personnel and subcontractor, a description of the task(s) or subtask(s) they will perform.

(iv) A detailed cost estimate for each task, subtask or deliverable showing:

(1) Estimated labor hours and direct, hourly labor rates by position for both Contractor and subcontractor personnel. Labor hours for preparing monthly invoices or filling out required LBE forms, if any, will not be allowed. Contractor will manage subcontractors so additional subcontractor program-management labor hours will not be allowed. Overtime labor hours will be allowed only with prior written approval from the City. If overtime is approved, it will be billed at the billing rates listed and not at one- and one-half times the billing rate;

(2) Estimated cost of materials and equipment;

(3) Estimated reasonable out-of-pocket and other costs;

(4) Overhead rates, including salary burden costs for both Contractor and subcontractors;

(5) Proposed profit as follows: total profit mark up of each task order as fixed fee amount not to exceed 15% of total amount of the task order, regardless whether task order is being performed by Contractor, subcontractor, or combination thereof; and

(6) Proposed lump sum price for task order.

(d) **Negotiation of Price and Terms.** The City will review the task order proposal and negotiate with Contractor a final lump-sum price and terms. If the Parties cannot agree on terms, including price, the SFMTA may either (1) cancel the task order and have the Work accomplished through other available sources, or (2) direct Contractor to proceed with the task order on a

force-account basis, with payment to Contractor fixed at Contractor's actual, direct costs of labor, materials, and equipment to perform the task order plus a 15% markup for overhead and profit, subject to an amount not to exceed. Under no circumstances may Contractor refuse to undertake a City-ordered task.

(e) **Subcontracting Goals.** The City will review the final negotiated task order scope and schedule and determine the subcontracting or LBE goal, if any. Subcontracting or LBE goals, if any, assigned to a task order shall be tracked by the City as part of the overall goal set forth in the Agreement.

(f) **Notice to Proceed.** The City will issue and send to Contractor a written notice to proceed (NTP), task order number, and purchase order after verifying that sufficient funds are available to pay for the task order. Contractor shall not commence work under any task order until it receives a corresponding NTP and purchase order from the SFMTA. Proposer shall use this task order number when submitting invoices to the City's project manager for payment in accordance with Section 3.3.1.

(g) **Changes to Task Order Pricing.** Task order pricing shall not be modified unless there is a material change in the task order's scope of Services, in which case a new task order proposal, pricing negotiation, record of negotiations, and notice to proceed shall be required before City approves the change in pricing.

2.3 Section 4.3 (Designated Facilities) is replaced in its entirety to read as follows:

**4.3 Designated Facilities.** Contractor shall perform the Services required under this Agreement at the Long-term and Primary Storage Facilities and, if so requested by City, at one or more Temporary Storage Facilities, all of which shall be located on premises designated by City.

4.3.1 Long-term Storage Facility. As of the Effective Date of this Agreement, the City has designated 2650 Bayshore Boulevard, Daly City, California as the site of the Long-term Storage Facility. Contractor shall operate the Long-term Storage Facility from 2560 Bayshore Boulevard in accordance with the terms and conditions of the "2650 Bayshore License," attached as Appendix D to the Agreement (dated April 1, 2016) and incorporated by reference as though fully set forth herein. At any time during the term of this Agreement, City may, at its sole discretion, designate a new facility to serve as the Long-term Storage Facility, and may require Contractor to relocate to that facility in accordance with a corresponding task order issued under Section 4.1.2 and license agreement with terms and conditions substantially similar to the 2650 Bayshore License

4.3.2 Primary Storage Facility. As of the Effective Date of this Agreement, the City designates 450 7th Street, San Francisco, California as the site of the Primary Storage Facility. As of October 1, 2016, Contractor shall operate the Primary Storage Facility from 450 7th Street in accordance with the terms and conditions of the Revocable License to Enter and Use Property at 450 7th Street (“the 7th Street License”), attached as Appendix F to the Second Amendment and incorporated by reference as though fully set forth herein. At any time during the term of this Agreement, City may, at its sole discretion, designate a new facility to serve as the Primary Storage Facility, and may require Contractor to relocate to that facility in accordance with a corresponding task order, issued under Section 4.1.2, and license agreement with terms and conditions substantially similar to the 7th Street License.

4.3.3 Temporary Storage Facility. The parties acknowledge that on-site structural painting or other work by Caltrans at the Primary Storage Facility may require that Contractor relocate—temporarily or for the remainder of the Agreement’s term—all or part of Contractor’s towing- and storage-related operations to one or a Temporary Storage Facilities. In such case, Contractor agrees to (i) execute with the City a license agreement for the Temporary Storage Facility, which shall have terms and conditions substantially similar to the 2650 Bayshore License and 7th Street License; and (ii) relocate all or part of Contractor’s towing- and storage-related operations in accordance with a task order the City issues under Section 4.1.2, the terms of which Contractor agrees to negotiate with the City in good faith.

2.4 Appendix A (Scope of Services), Article V (Storage and Customer Service Facilities), Section B (Facility Relocation or Consolidation) is replaced in its entirety to read as follows:

**B. Facility Relocation or Consolidation; As-Needed Relocation Services**

1. The SFMTA, in its sole discretion, reserves the right to move the Primary Storage Facility or Long-term Storage Facility to another location, temporarily or for the remainder of the Agreement’s term, or to consolidate these facilities.

2. In the case of such a move or consolidation, and only if so requested by the SFMTA, Contractor shall perform certain As-Needed Relocation Services that may include without limitation the following:

- a) perform site preparation work (e.g., cleaning and clearing of site);
- b) electrical work and repairs;

- c) install or build and maintain on-site improvements (e.g., fencing, lighting, security cameras, waiting area canopy or tent, temporary offices and other temporary structures);
- d) install and maintain portable toilets;
- e) secure equipment for on-site towing- and storage-related operations (e.g., forklifts, forklift attachments, etc.);
- f) provide staff, including security guards, lot attendants, customer-service personnel, and cleaning personnel;
- g) move on site impounded vehicles from Primary Storage Facility;
- h) obtain insurance or other security.

The SFMTA, in its sole discretion, reserves the right to add to these As-Needed Relocation Services additional services of a similar scope as required to facilitate Contractor's move or consolidation. The scope and price for As-Needed Relocation Services shall be established on a case-by-case basis and documented in a task order. (See task order process in Section 4.1.2)

2.5 A revised Appendix B (Calculation of Charges) is attached to this Addendum as Exhibit 1.

2.6 A new Exhibit 2 (Task Order Form) is attached to this Addendum.

### **Article 3 Effective Date**

Each of the modifications set forth in Section 2 shall be effective on and after the date of this Amendment.

### **Article 4 Legal Effect**

Except as expressly modified by this Amendment, all of the terms and conditions of the Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, Contractor and City have executed this Amendment as of the date first referenced above.

**APPENDIX A—CALCULATION OF CHARGES (REVISED)**

**Monthly Management Fee:**

At the beginning of each calendar month of service, Contractor shall provide an invoice to the SFMTA for the fixed monthly management fee for the same service month in the amount of \$665,356, as adjusted based on the terms of this Appendix B. Payment of the invoice shall not be made until after the service month is complete. Should tow volume increase or decrease significantly, requiring a change in staffing levels, the SFMTA and Contractor will in good faith renegotiate the fixed monthly management fee to ensure that the cost per tow to the public is not impacted.

Beginning May 1<sup>st</sup>, 2020 and for the remainder of the contract term, the monthly management fee shall otherwise owing to Contractor shall be reduced by \$39,274.00, which amount will be referred to as the “credit reduction in management fee.”

Beginning May 1<sup>st</sup> 2021 through March 31<sup>st</sup>, 2023, the monthly management fee shall be temporarily fixed at \$706,318.31. To accomplish this, a “CPI give-back” total was established and subtracted from the adjusted monthly management fee otherwise owing to Contractor during this period, as show in the table below. The CPI give-back expired March 31<sup>st</sup>, 2023, and will no longer be credited after that date.

<b>Fixed Management Fee</b>	<b>May 1st, 2020</b>	<b>May 1st, 2021</b>	<b>May 1st, 2022</b>
Monthly Management Fee	\$ 745,592.31	\$ 758,767.39	\$ 758,767.39
Credit Reduction in Management Fee	\$ (39,274.00)	\$ (39,274.00)	\$ (39,274.00)
CPI give back	\$ -	\$ (13,175.08)	\$ (35,938.10)
Net Monthly Management Fee	\$ 706,318.31	\$ 706,318.31	\$ 706,318.31

**Per-Unit Fees:**

Within 10 days after the end of each calendar month of service, Contractor shall provide an invoice to the SFMTA for Services completed in the immediately preceding month for the following per-unit fees, as adjusted based on the terms of this Appendix B:

<b>Fee Type</b>	<b>Fee Amount</b>
Tow fee (per vehicle towed)	\$66.55
Dolly/flatbed fee (per vehicle)	\$40.63
Transfer fee (per vehicle transferred to LSF)	\$31.05
Lien processing fee (per vehicle)	\$15.72
Auction fee (per vehicle sold)	\$73.59
Dropped Tow fee (per vehicle)	\$14.51
Text-Before-Tow Drop fee (per vehicle)*	\$38.00

\* Text-Before-Tow Drop fee added by the SFMTA on May 1<sup>st</sup>, 2023.

### **Annual Adjustments to Fees:**

Each year, on the first calendar day of the month following the anniversary of the Effective Date of the Agreement, fees listed in this Appendix B, including the fixed monthly management fee and per-unit fees, shall be adjusted either: (1) in direct proportion to the percentage increase in the current Consumer Price Index for Urban Wage Earners for the San Francisco Bay Area ("CPI") for the month immediately preceding the applicable anniversary date ("Current Index") over the CPI for the month of March 2016 ("Base Index"), or (2) by 3%, whichever is lower. If the Current Index has increased over the Base Index, the adjusted fee amount shall be calculated by multiplying the current fee amount by a fraction, the numerator of which is the Current Index and the denominator of which is the Base Index, as follows:

Current index

Base index x current fee amount = adjusted fee amount

On May 1<sup>st</sup>, 2018 and May 1<sup>st</sup>, 2023, the SFMTA increased the “Dropped Tow fee” (per vehicle) from \$14.95 to \$20.56 and \$22.76, to \$30.00, respectively, in each case by more than the annual adjustments otherwise authorized under this Appendix B. The SFMTA reserves the right to make similar increases in fees by more than the amounts otherwise authorized in the Appendix B.

### **As-Needed Relocation Services:**

Within 10 days after the end of each calendar month of service, Contractor shall provide an invoice to the SFMTA for As-Needed Relocation Services, if any, completed in the immediately preceding month. Payment terms for said work shall be set forth in the corresponding task order issued under Section 4.2.

**The Honorable Members of the Board of Supervisors  
City and County of San Francisco  
1 Dr. Carlton B. Goodlett Place, Room 244  
San Francisco, CA 94102**

**Subject: Approval of spending authority for the remaining extension term of  
the towing agreement with TEGSCO, LLC.**

**Honorable Members of the Board of Supervisors:**

The San Francisco Municipal Transportation Agency (SFMTA) respectfully requests that the Board of Supervisors approve the Ninth Amendment with TEGSCO, LLC, to approve spending authority for the balance of the five-year extension approved in 2021. The \$15.3 million request will raise the not-to-exceed amount from \$121.4 to \$136.7 million to support the remainder of the 10-year term of the agreement. The requested spending authority will allow services to continue while the SFMTA develops and releases a Request for Proposals and conducts a competitive procurement process for a new contract to be awarded prior to the current agreement's expiration date of March 31, 2026.

**The following summarizes the timeline for the agreement:**

- In April 2016, the SFMTA executed Contract No. 2014-48 (Contract) with TEGSCO, LLC (TEGSCO), or towing and storage services for abandoned and illegally parked vehicles in San Francisco. The Contract's initial term was five years, totaling \$65.4 million, with an option to extend for up to five additional years. A contract budget increase to cover the extension years was not requested at the time of contract award.
- In 2021, through the Contract's 3rd Amendment, the SFMTA exercised the five-year option, extending the term through March 21, 2026, and increased the contract amount by \$22.8 million, to \$88.2 million, to cover the first two years of the extension. The Request to cover spending for the last three years was deferred due to the COVID-19 emergency and to reassess the City's towing policy and funding needs as the City recovered from the pandemic.
- In 2022, SFMTA came back to the Board of Supervisors with the 7th Amendment to request spending authority for the remaining three years of the agreement for a not to exceed amount of \$137.2 million; however, the Board reduced the Contract approval amount to \$121.4 million, enough to support the extension for two of the three years, and requested that the Agency submit quarterly reports on any modifications to the existing tow program that might reduce costs, and to specifically report if there less expensive real estate options available for buying property for vehicle storage, customer service centers and auction facilities. The agency could then return to request spending authority for the final year of the agreement.

- On December 3, 2024, the MTA board approved the 9<sup>th</sup> Amendment, which would add \$17 million to the not-to-exceed amount, for a total of \$138.4 million. However, staff has since updated expense estimates, and have revised the spending request down to \$15.3 million, for a total not-to-exceed amount of \$136.7 million.
- Currently, the towing program, although operating on a cost-recovery basis through towing fees and lien sales; post-pandemic towing volume has not increased to pre-pandemic levels, and steady increases to policy-driven fee reductions and waivers for qualifying members of the public have resulted in a cost-recovery shortfall. Fee reduction and waivers include First-Time Tows, reimbursement for tow fees incurred for stolen vehicles, low-income fee reductions, and waivers for the unhoused.

### **Response to Board of Supervisors Inquiries**

To address storage challenges and related costs, staff responded to the Board of Supervisors inquiries, SFMTA submitted a report in March 2023 analyzing current rental costs and exploring property purchase options for towed vehicle storage. Findings showed that current leases were below average market rates, with no comparable properties available for purchase in San Francisco or the immediate Bay Area; the closest option was in Pittsburg, CA, and alternative leases close enough for easy customer pickup were significantly higher than rates currently paid to Caltrans.

The SFMTA periodically inquired if the Board had additional requests for report submittals but did not receive any responses.

### **Upcoming Request for Proposals Process**

The Ninth Amendment will increase the contract amount by \$16.4 million, for a total of \$137.8 million, to cover contract services from March 2025 to March 2026.

In preparation for the end of TEGSCO's contract after March 2026, staff are developing a Request for Proposals (RFP), with an estimated release in April 2025. After completing the competitive procurement process. The SFMTA will return to the Board of Supervisors in late Fall 2025 to discuss the overall status of the SFMTA Tow Program and request approval of a new towing agreement.

Thank you for your consideration of this item. If you have further questions, please contact Janet Martinsen at [janet.martinsen@sfmta.com](mailto:janet.martinsen@sfmta.com) or 415.994.3143.

## **TOW CONTRACT HISTORY**

TEGSCO, LLC, under contract by the SFMTA, oversees a network of towing subcontractors, coordinating vehicle tows across San Francisco to ensure efficient removal of abandoned and illegally parked vehicles, and vehicles towed for accidents or crime. Vendor scope includes operating a short-term storage and customer service facility on 7th Street with 24/7 access and managing a long-term storage site at 2650 Bayshore Boulevard. Additionally, TEGSCO organizes bi-weekly online and onsite lien sale auctions for unclaimed vehicles and handles customer interactions and payments for vehicle retrievals at both storage locations.

The City's towing program operates on a cost-recovery basis, following California Vehicle Code provisions that restrict local agency charges to covering only the actual administrative and operational costs of vehicle removal, impound, storage, and release. In line with these state-law guidelines, the City's program is structured to recoup necessary expenses, including enforcement, contract administration, and related program costs. To support equitable access, City policies provide fee waivers and reductions for qualifying low-income, unhoused, first-time towed customers. While these waivers promote equity, they also reduce revenue, impacting the program's ability to fully recover its costs.

Under the contract, TEGSCO collects fees from the owners of towed vehicles and remits those fees to SFMTA. SFMTA then pays TEGSCO a fixed management fee<sup>1</sup> and reimburses TEGSCO for towing and storage management services. TEGSCO's variable fees are adjusted annually based on the lesser of three percent or the regional Consumer Price Index (CPI). Fees charged to vehicle owners are set by SFMTA. A \$52 fee waiver is granted to owners of first-time towed vehicles, and waivers are also available to low-income or homeless residents. In addition, victims of vehicle theft have their towing, administrative, and storage fees waived.

SFMTA leases 556,050 square feet of space at a facility located at 2650 Bayshore Boulevard in Daly City. Under the contract, TEGSCO uses 330,771 square feet for storage and transfer of vehicles, public lien sale auctions, and office space. TEGSCO does not pay rent but pays for all utilities, services, and security for the space. SFMTA also rents 450 7th Street for TEGSCO to use as its short-term storage facility.

Current fees are: (1) Administrative Fee: \$304 for first-time tow, \$360 for repeat tows, no fees for low-income vehicle owners or unhoused; (2) Tow Fee: \$297, \$104 for low-income residents, one-time waiver for the unhoused; (3) Storage Fee: no fee for first four hours, \$64 for the first day after four hours, \$77 for subsequent days; and (4) Dolly Fee (if applicable) \$53.

### **Towing Contract Statistics**

Historical and projected revenue, expenditures, non-contract costs for the program, towing volumes and prior amendments are attached below.

---

<sup>1</sup> The Management Fee was bid out as a flat fee to maintain a consistent level of service, rather than a negotiated amount based on costs to TEGSCO. Costs include staffing, security, office and network infrastructure, storage lot equipment, repairs, capital improvements, administrative costs, and profit.

### Extension and funding amendments that required Board approval

- First Amendment (2016): This amendment established a license agreement between the SFMTA and TEGSCO for use of the property at 7th Street as the short-term storage facility under the Contract. *(required MTAB approval only)*
- Third Amendment (2021): The SFMTA exercised the five-year extension option during the pandemic, initially requesting an increase in contract authority for only the first two years (2021-2023) This amendment increased the contract by \$22.8 million, bringing it to a not-to-exceed amount of \$88.2 million. A request for contract authority for the last three years of the contract term was deferred due to the COVID-19 emergency.
- Seventh Amendment (2023): This amendment increased the not-to-exceed amount by \$33.2 million, for a total of \$121.4 million, extending coverage through March 2025. Staff committed to providing updates to the Board of Supervisors' Budget and Finance Committee on program progress and policy reassessment, with plans to return later to seek additional contract authority to support final-year contract services

### Administrative Amendments (No Board Approvals Needed)

- First Amendment (2017<sup>2</sup>): This amendment revised procedures for SFPD investigative holds.
- Second Amendment (2019): This amendment modified specific service requirements to improve operational efficiency within the towing program.
- Fourth Amendment (2021): This amendment formalized the rebranding of TEGSCO from the "doing business as" name "San Francisco AutoReturn" to its legal name, "TEGSCO, LLC."
- Fifth Amendment (2022): This amendment granted TEGSCO access to confidential City databases to verify eligibility for income-based tow fee reductions and waivers, supporting the City's tow fee-reduction program for low-income individuals.
- Sixth Amendment (2022): This amendment introduced an internet-based auction platform as an alternative option to traditional in-person auctions.
- Eighth Amendment (2023): This amendment provided for the temporary relocation of the short-term storage facility to allow Caltrans to conduct structural maintenance and painting at the 7th Street location.

<sup>2</sup> This amendment was assigned as the 1<sup>st</sup> amendment due to clerical error. Because this was not discovered until recently, the CAT recommended distinguishing between the two documents by using the year they were approved.
