Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Findings.

(a) The City and County of San Francisco (the "City") created the Treasure Island Development Authority (the "Authority") in 1997 to serve as the entity responsible for the

1 reuse and development of Naval Station Treasure Island, which encompasses Treasure
2 Island (also referred to as "TI") and portions of Yerba Buena Island (also referred to as "YBI").

3 (b) On June 28, 2011, the Authority and Treasure Island Community Development,
4 LLC (the "Developer") entered into the Treasure Island/Yerba Buena Island Disposition and
5 Development Agreement (the "DDA"). On the same date, the City and the Developer entered
6 into a Development Agreement (the "DA"). The Board of Supervisors approved the DA in
7 Ordinance No. 95-11. Ordinance No. 95-11 and related DA documents and approvals are on
8 file with the Clerk of the Board in File No. 110226 and incorporated herein by reference.

9 (c) The DA, DDA, and the Treasure Island/Yerba Buena Island Special Use District in
10 Planning Code Section 249.52 contemplate a project on Treasure Island and Yerba Buena
11 Island (the "Project") that includes up to 8,000 units of housing, 140,000 square feet of
12 commercial and retail space, 100,000 square feet of office space, and up to approximately
13 300 acres of parks and open space, a ferry terminal, new and upgraded streets, and
14 extensive bicycle, pedestrian, and transit facilities. Under the DA, the DDA, the Special Use
15 District, and related Project approvals, the Developer is responsible for construction of public
16 improvements within the Project, and the Authority or the City, as applicable, will accept and
17 maintain the public improvements when the Developer completes them in accordance with
18 City-approved plans and specifications.

19 (d) As part of implementation of the Project, the Board of Supervisors has approved
20 several final subdivision maps to allow the development of portions of the Project site. Each
21 subdivision map was accompanied by a specific Public Improvement Agreement ("PIA") under
22 which the Developer or its assigns agreed to construct public improvement infrastructure
23 required by the DDA, such as roads and park and open space facilities (the "Required
24 Infrastructure"), and to offer this Infrastructure to the Authority or the City, as applicable. The
25 Board approved these final maps and the accompanying PIAs in Motion Nos. M18-046 (YBI

1 Final Map – No. 9228); M18-115 (TI Final Map No. 9235); and M20-082 (Second YBI Final
2 Map No. 9856). Copies of these Final Maps and PIAs are on file with the Clerk of the Board
3 of Supervisors in File Nos. 180312, 180835, and 200671, respectively, and are incorporated
4 herein by reference. All of the public improvements addressed in this ordinance will be City
5 assets (the “City Assets”).

6 (e) This ordinance addresses the Board of Supervisors acceptance and other official
7 acts for City Assets associated with Sub-Phases 1B, 1C, 1E, 1YA, and 1YB of the Project,
8 including the Bruton Sanitary Sewer Pump Station on Bruton Street and the Cravath Sanitary
9 Sewer Pump Station on Cravath Street, both on Treasure Island; and the Macalla Sanitary
10 Sewer Pump Station on Macalla Road and the North Gate Sanitary Sewer Pump Station on
11 North Gate Road, both on Yerba Buena Island. These specific public improvements, including
12 associated power generators (collectively, the “Pump Stations”) are components of the
13 Required Infrastructure that will be City Assets. Public Works approved the construction of
14 the Pump Stations under Street Improvement Permit Nos. 19IE-00636 and 18IE-00680 along
15 with related permits from the Department of Building Inspection.

16 (f) In a letter dated December 6, 2024, the Planning Department found that the
17 acceptance of the Required Infrastructure and other actions set forth in this ordinance are
18 within the scope of the Project’s final environmental impact report prepared under the
19 California Environmental Quality Act (California Public Resources Code Sections 21000 et
20 seq.) and are, on balance, in conformance with the General Plan and the eight priority policies
21 of Planning Code Section 101.1. A copy of the Planning Department letter is on file with the
22 Clerk of the Board of Supervisors in File No. 250098.

23 (g) In Public Works Order No. 211409, dated February 7, 2025 (the “PW Order”), the
24 Public Works Director (the “PW Director”) determined and the City Engineer certified that: (1)
25 Treasure Island Series 1, LLC, a Delaware limited liability company and Treasure Island

1 Series 2, LLC, a Delaware limited liability company (collectively “Subdividers”) have
2 irrevocably offered the Pump Stations to the City as set forth in four Irrevocable Offers of
3 Improvements (two related to Treasure Island and recorded on September 13, 2018 and two
4 related to Yerba Buena Island and recorded on April 19, 2018) (collectively, the “Offers”); (2)
5 on or before September 16, 2024, Public Works inspected the Pump Stations and determined
6 that all of the Required Infrastructure was complete; (3) the Pump Stations have been
7 constructed in accordance with the Plans and Specifications and all City codes, regulations,
8 and standards governing the Required Infrastructure; and (4) the Pump Stations are ready for
9 their intended use. The PW Director and City Engineer also acknowledged that the
10 Department of Building Inspection provided specific review and approval of power generators
11 associated with the Pump Stations under Permit Nos. 202211297332, 202211297342, and
12 202211307357. Copies of the PW Order No. 211409 and the Offers are on file with the Clerk
13 of the Board of Supervisors in File No. 250098 and incorporated herein by reference.

14 (h) In this PW Order, the PW Director and City Engineer recommended to the Board of
15 Supervisors that it accept the Pump Stations as public; dedicate them for public use;
16 designate them for utility purposes; and accept them for City maintenance and liability
17 purposes, subject to certain exceptions. The City will access and maintain three of the pump
18 stations through exclusive utility easements in favor of the City that the Real Estate Division
19 previously approved and recorded in conjunction with final subdivision maps. The Macalla
20 Sanitary Sewer Pump Station is located on real property that the Developer has offered to the
21 City in the form of a grant deed, the approval of which is conferred by this ordinance.
22 Consequently, the PW Director and City Engineer also recommended that the Board of
23 Supervisors acceptance of the Pump Stations be subject to the following conditions: (1) the
24 Real Estate Division amendment of the easement boundaries for the three pump stations if
25 necessary based on final as-built conditions; (2) the Real Estate Division approval and

1 recordation of the grant deed for the real property associated with the Macalla Sanitary Sewer
2 Pump Station; (3) the acceptance of the Pump Stations does not obviate, amend, alter, or in
3 any way affect existing maintenance agreements between the City and parties to such
4 agreements; and (4) the Subdividers' conditional assignment of all warranties and guaranties
5 to the City related to the construction of the Pump Stations and their warranty obligations
6 under Street Improvement Permit Nos. 19IE-00636 and 18IE-00680, as well as under
7 Department of Building Inspection Permit Nos. 202211297332, 202211297342,
8 and 202211307357. The easements and grant deed are on file with the Clerk of the Board of
9 Supervisors in File No. 250098 and are incorporated herein by reference.

10 (i) On February 12, 2025, at a duly noticed public hearing, the Authority, in Resolution
11 No. 25-03-0212, recommended that the Board of Supervisors: (1) accept the Subdividers'
12 Offers for the Pump Stations located on both Yerba Buena Island and Treasure Island; (2)
13 approve a grant deed for real property at the site of the Macalla Sanitary Sewer Pump Station;
14 and (3) accept the Pump Stations as public, dedicate them for public use, designate them for
15 utility purposes, and accept them for maintenance and liability. The Authority Resolution is on
16 file with the Clerk of the Board of Supervisors in File No. 250098 and is incorporated herein by
17 reference.

18 19 Section 2. Adoptions and Approvals.

20 (a) The Board of Supervisors adopts as its own the environmental findings and the
21 General Plan and Planning Code Section 101.1 consistency findings in the Planning
22 Department letter, as referenced in Section 1(f) of this ordinance, in connection with the
23 acceptance of the Pump Stations and other actions specified in this ordinance.

24 (b) The Board of Supervisors has reviewed and approves PW Order No. 211409,
25 including the City Engineer's certification and PW Director's recommendation, as referenced

1 in Sections 1(g) and (h) of this ordinance, concerning the acceptance of Pump Stations, and
2 other actions set forth in the PW Order No. 211409.

3 (c) The Board of Supervisors has reviewed and acknowledges the recommendation of
4 the Authority in its Resolution No. 25-03-0212 in regard to the Pump Stations.

5
6 Section 3. Approving a Grant Deed for the Macalla Sanitary Sewer Pump Station;
7 Accepting Four Sanitary Sewer Pump Stations and Assuming Maintenance and Liability
8 Responsibilities.

9 (a) The Board of Supervisors approves the grant deed associated with the Macalla
10 Sanitary Sewer Pump Station located on Macalla Road. The Board of Supervisors requests
11 that the Director of Real Estate sign and record such grant deed.

12 (b) Pursuant to Administrative Code Sections 1.51 et seq., and PW Order No. 211409,
13 the Board of Supervisors hereby accepts the Pump Stations as public; dedicates them for
14 public use, and designates them for utility purposes.

15 (c) The Board of Supervisors also accepts the Pump Stations for City maintenance
16 and liability purposes, subject to the conditions listed in Section 3(d) below.

17 (d) The Pump Stations accepted pursuant to Sections 3(b) and (c) above are subject
18 to the following conditions: (1) the Pump Stations to be dedicated and accepted are located
19 within public utility easements that the Real Estate Division previously approved and
20 recorded, and such easements shall be amended, if necessary, based on final as-built
21 conditions; (2) the Real Estate Division shall sign and record the grant deed for the real
22 property associated with the Macalla Sanitary Sewer Pump Station; (3) the acceptance of the
23 Pump Stations does not obviate, amend, alter, or in any way affect existing maintenance
24 agreements between the City and parties to such agreements; and (4) the Subdividers'

1 conditional assignment of all warranties and guaranties to the City related to the construction
2 of the Pump Stations and their warranty obligations.

3
4 Section 4. Authorization for Implementation. The Mayor, Clerk of the Board of
5 Supervisors, Director of Real Estate, and PW Director are hereby authorized and directed to
6 take any and all actions which they or the City Attorney may deem necessary or advisable in
7 order to effectuate the purpose and intent of this ordinance, including, but not limited to,
8 approving any amended easements based on as-built conditions, recording the grant deed for
9 the Macalla Sanitary Sewer Pump Station, and filing of the ordinance in the Official Records of
10 the City and County of San Francisco.

11
12 Section 5. Effective Date. This ordinance shall become effective 30 days after
13 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
14 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
15 of Supervisors overrides the Mayor's veto of the ordinance.

LEGISLATIVE DIGEST

[Treasure Island/Yerba Buena Island - Acceptance of Sanitary Sewer Pump Stations]

Ordinance accepting irrevocable offers of public infrastructure associated with the Treasure Island/Yerba Buena Island Project for the Bruton Sanitary Sewer Pump Station on Bruton Street and the Cravath Sanitary Sewer Pump Station on Cravath Street, both on Treasure Island; and the Macalla Sanitary Sewer Pump Station on Macalla Road and the North Gate Sanitary Sewer Pump Station on North Gate Road, both on Yerba Buena Island; dedicating this infrastructure to public use; designating it for utility purposes; accepting the public infrastructure for City maintenance and liability; approving a grant deed for the Macalla Pump Station; adopting findings under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; accepting a Public Works Order recommending various actions in regard to the public infrastructure; and authorizing official acts, as defined herein, in connection with this Ordinance.

Existing Law

The Board of Supervisors passed Ordinance No. 95-11, which approved a Development Agreement for the Treasure Island/Yerba Buena Island ("TI/YBI") Project. This Ordinance and related legislation established a process by which the Treasure Island Community Development, LLC ("Developer") would construct specified public infrastructure and offer this infrastructure to the City or the Treasure Island Development Authority (the "Authority") as part of the TI/YBI development (the "Project"). The public infrastructure that the City will acquire is referred to as a "City Asset". Upon completion of a City Asset, the City initiates the local and State law procedures to accept the Asset into public ownership, dedicate it to public use, designate it for a public purpose, accept it for City maintenance and liability purposes, and take related actions. The Developer completed the City Assets that this legislation addresses as part of the development of Project Sub-Phases 1B, 1C, 1E, 1YA, and 1YB, and three of these Assets are located within public utility easements that the Real Estate Division previously approved and recorded in connection with final subdivision maps for the Project.

Amendments to Current Law

This legislation would accept offers of dedication from the Developer for City Assets that are comprised of four sanitary sewer pump stations, including associated power generators (collectively the "Pump Stations"). This Ordinance would dedicate the Pump Stations to public use, designate them for public utility purposes and accept them for City maintenance and liability, subject to certain conditions. The legislation would approve a grant deed for the real property associated with the Macalla Sanitary Sewer Pump Station. The Ordinance would

FILE NO. 250098

make certain findings, including environmental findings and findings that the legislation is consistent with the General Plan and the priority policies of Planning Code Section 101.1.

Public Works Order No: 211409

Public Works Order No. 211409 is approved for reference purposes on February 7, 2025. This Order supersedes Public Works Order No. 211345 that was approved on January 22, 2025.

Recommending the formal acceptance of irrevocable offers of public improvements associated with the Treasure Island / Yerba Buena Island Project, Sub-Phases 1B, 1C, 1E, 1YA and 1YB, including the improvements known as the Bruton Sanitary Sewer Pump Station on Bruton Street and the Cravath Sanitary Sewer Pump Station on Cravath Street, both on Treasure Island, and the Macalla Sanitary Sewer Pump Station on Macalla Road and the North Gate Sanitary Sewer Pump Station on North Gate Road, both on Yerba Buena Island; dedicating this infrastructure for public use; and accepting the infrastructure for City maintenance and liability purposes.

WHEREAS, This Public Works Order addresses the City’s acceptance of sanitary sewer pump stations and associated power generators (the “Pump Stations”) on Treasure Island (also “TI”) and Yerba Buena Island (also “YBI”). This Order refers to these improvements collectively as the “Required Infrastructure”; and

WHEREAS, This Order also recognizes that there are existing public utility easements associated with the Bruton Sanitary Sewer Pump Station and the Cravath Sanitary Sewer Pump Station, both on TI, and the North Gate Sanitary Sewer Pump Station on YBI, and that the Real Estate Division approved and recorded in connection with final subdivision maps for TI and YBI; and

WHEREAS, This Order also recognizes that the Macalla Sanitary Sewer Pump Station on YBI was constructed on property that will be conveyed by a grant deed in a form acceptable to the Division of Real Property; and

WHEREAS, TREASURE ISLAND SERIES 1, LLC, a Delaware limited liability company and TREASURE ISLAND SERIES 2, LLC, a Delaware limited liability company (collectively, “Subdividers”) have irrevocably offered the Required Infrastructure to the City and County of San Francisco (“City”) as set forth in the four Irrevocable Offers of Improvement (two related to Treasure Island and recorded on September 13, 2018 and two related to Yerba Buena Island and recorded on April 19, 2018), and thereafter (collectively, the “Offers”); and

WHEREAS, Public Works completed inspections of the Required Infrastructure and the City Engineer, by issuance of multiple Conditional Notices of Completion letters dated September 16, 2024 and January 31, 2024 (collectively, the “Notices of Completion”), determined it to be complete in accordance with the Plans and Specifications and all City codes, regulations, and standards governing the Required Infrastructure and ready for its intended use as documented in Conditional Notices of Completion; and

WHEREAS, The Director determined that Subdivider has satisfied all conditions of approval of the Conditional Notices of Completion and addressed all warranty items to the satisfaction of the San Francisco Public Utilities Commission (the "PUC"); and

WHEREAS, PUC recommended acceptance of the Required Infrastructure for PUC ownership and maintenance as a City Asset based on correspondence to Public Works dated November 6, 2024 and December 6, 2024; and

WHEREAS, The Public Works Director (hereinafter the "Public Works Director" or "Director") recommends and the City Engineer certifies to the Board of Supervisors that the Required Infrastructure, as shown in Street Improvement Permit Nos. 19IE-00636 and 18IE-00680 including the associated power generators approved under Department of Building Inspection (DBI) Permit Nos. 202211297332, 202211297342, and 202211307357, is ready to be accepted for public use. Public Works recommends that the Board of Supervisors accept the Required Infrastructure for City maintenance and liability purposes in accordance with San Francisco Administrative Code 1.51 et seq. and subject to the exceptions specified herein; and

WHEREAS, The Director finds that the Department of Building Inspection has reviewed, approved, issued permits, and completed inspection of the Required Infrastructure specifically related to the associated power generators, which are structures subject to the Building Codes; and

WHEREAS, In a letter dated December 6, 2024, the City Planning Department determined that the acceptance of the Required Infrastructure and associated actions are, on balance, in conformity with the General Plan and eight priority policies of Planning Code Section 101.1; and

WHEREAS, In this same letter, the City Planning Department also found that the acceptance of the Required Infrastructure also is within the scope of the Project's final environmental impact report prepared under the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.); and

WHEREAS, Public Works recommends that the Board of Supervisors find that the actions specified in this Order are consistent with the General Plan and Planning Code Section 101.1 and are in compliance with the California Environmental Quality Act for the reasons set forth in the Planning Department letter dated December 6, 2024; and

WHEREAS, Public Works also recommends that TIDA adopt these same findings set forth in this Order in regard to public improvements acceptance actions as set forth in the City/TIDA MOU regarding public improvements and the Planning Department letter in regard to its actions related to these public improvements.

WHEREAS, On January 22, 2025, Public Works approved, subject to conditions, Public Works Order No. 211345. Public Works Order 211345 contained minor typographical errors.

WHEREAS, This Public Works Order No. 211409 corrects those typographical errors and supersedes Public Works Order No. 211345 in its entirety.

NOW THEREFORE BE IT ORDERED THAT, EFFECTIVE FEBRUARY 7, 2025,

The Director approves all of the following documents either attached hereto or referenced herein:

1. Grant Deed for Lot G (Macalla Sanitary Sewer Pump Station)
2. Offers of Improvements for the Required Infrastructure (two related to Treasure Island and recorded on September 13, 2018 and two related to Yerba Buena Island and recorded on April 19, 2018).
3. Certain exclusive utility easements for the Bruton Sanitary Sewer Pump Station and the Cravath Sanitary Sewer Pump Station, both on TI, and the North Gate Sanitary Sewer Pump Station on YBI, that the Real Estate Division previously approved and recorded in connection with the associated final subdivision maps.
4. Ordinance to accept four Pump Stations for City maintenance and liability purposes, including the power generators that DBI reviewed, approved, and permitted.

The Director recommends and the City Engineer certifies that the Board of Supervisors approve the legislation to accept the Offers and its associated deed and authorize the Director of Real Property to execute and record said deed. Hereinafter, the Director's recommendation also includes the City Engineer's certification of actions under the City Engineer's authority.

The Director further recommends that the Board of Supervisors approve the legislation to dedicate the Required Infrastructure to public use and accept it for City maintenance and liability purposes subject to the following:

1. The Bruton Sanitary Sewer Pump Station and the Cravath Sanitary Sewer Pump Station, both on TI, and the North Gate Sanitary Sewer Pump Station on YBI, to be dedicated and accepted are located within exclusive City utility easements previously approved and recorded by the Real Estate Division; and
2. The Macalla Sanitary Sewer Pump Station to be dedicated and accepted is constructed on property that will be conveyed by a grant deed in a form acceptable to the Division of Real Property; and
3. The acceptance of the Pump Stations does not obviate, amend, alter, or in any way affect existing maintenance agreements between the City and parties to such agreements; and

4. Subdividers' conditional assignment of all warranties and guaranties to the City related to the construction of the Treasure Island and Yerba Buena Island Required Infrastructure and its warranty obligations under Street Improvement Permit Nos. 19IE-00636 and 18IE-00680 and Department of Building Inspection Permit Nos. 202211297332, 202211297342, and 202211307357.

EASEMENT DEED

(Public Utility Easement, Non-ROW, City Facilities on Land Subject to Future Trust Exchange)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the TREASURE ISLAND DEVELOPMENT AUTHORITY, a California nonprofit public benefit corporation ("**TIDA**" or "**Grantor**"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and its successors and assigns ("**City**"), a perpetual public utility easement for City-owned facilities, free of the public trust for navigation, commerce, and fisheries, in, across, and through Grantor's certain real property, which is located in San Francisco, California and described and depicted in attached Exhibit A (the "**Easement Area**"), which shall be referred to hereafter as the "**Easement**." The Easement Area is uplands, presently free of the public trust for navigation, commerce, and fisheries ("**Trust**"). Pursuant to the Compromise Title Settlement and Land Exchange Agreement for Treasure Island and Yerba Buena Island, recorded in the Official Records of the City and County of San Francisco on January 14, 2015 as Document number 2015-K005565, TIDA intends to undertake future "**Trust Exchange**" conveyances that will impress the Trust on the Easement Area. This Easement predates any such conveyances and the Easement Area will remain free of the Trust after the Trust Exchange.

1. Nature of Easement. The Easement is a perpetual, divisible, non-exclusive easement in gross, free of the public trust for navigation, commerce, and fisheries, including the right **(a)** to construct, install, maintain, repair, restore, remove, replace, alter, expand, and reconstruct, from time to time, at City's option, within the Easement Area, City-owned utility facilities, which include certain street-related infrastructure, with all associated appurtenances, appliances, and fittings (collectively, "**City Facilities**"); **(b)** for underground facilities, to excavate to access City Facilities from the surface of the ground, with not less than thirty feet (30') of vertical clearance above the surface to permit the installation and removal of City Facilities from the surface; **(c)** of ingress and egress for City and its representatives, agents, employees, officers, suppliers, consultants, contractors, and subcontractors ("**City's Agents**"), vehicles and equipment to and from the Easement Area over the lands of Grantor; and **(d)** to place temporary facilities and equipment above ground when needed in connection with any

emergency or repair work, as needed to maintain continuous utility service (provided that any such temporary above-ground facilities or equipment shall be maintained only so long as needed to address the emergency or perform the repair work).

2. Grantor's Reserved Rights. Grantor, on behalf of itself, its agents, contractors, subcontractors, suppliers, consultants, employees, invitees or other authorized persons acting for or on behalf of Grantor, including but not limited to any lessee and its tenants (collectively, "**Grantor's Agents**"), reserves the right to use the Easement Area, in any way not inconsistent with the above grant of Easements, subject to **Section 4** (Exclusive Use Areas) below and the following:

a. Grantor shall not use the Easement Area or permit the same to be used for any purpose or in any manner that will interfere with the proper use, function, maintenance, repair, replacement of, or access to any City Facilities.

b. Grantor shall not use the Easement Area for the erection of any improvement that will damage, interfere with, or endanger the proper use, function, maintenance, repair or replacement of any of City Facilities without prior written authorization by the director of the affected City department.

c. In the event that Grantor elects to construct and maintain fences on or around the Easement Area, Grantor shall provide for City's immediate right of access to the Easement Area without prior notice or authorization to Grantor. Fence design, location, and construction method for any fence that Grantor locates on or over City Facilities shall require City's prior written consent.

d. Grantor may plant low shrubs in the Easement Area, provided that their roots or underground growth shall not have the potential to damage City Facilities. Grantor shall not plant trees or plants with invasive roots in the Easement Area except in movable planters.

e. Grantor shall not use allow the Easement Area to be designated as the sole accessible path of travel.

3. City's Use of the Easement.

a. City's rights under this Agreement may be exercised by City's Agents.

b. City will bear all responsibility to operate, maintain and repair the City Facilities at its sole cost, except to the extent any damage or cost is caused or necessitated by Grantor or Grantor's Agents, in which case Grantor shall bear such proportional cost and repair or pay for such damage, at City's discretion. City may elect to repair such damage at Grantor's cost, or may elect to witness Grantor's repair work. Any cost incurred by City that is caused or necessitated by Grantor or Grantor's Agents shall be invoiced to Grantor within twelve (12) months of the date the cost is incurred. Grantor shall remit payment to City within sixty (60) days of receiving an invoice.

c. Except as stated in **Section 4** (Exclusive Use Areas) below, prior to commencing any Major Work, as defined below, City shall provide Grantor with at least sixty

(60) days' prior written notice. Prior to commencing any Ordinary Maintenance and Repair, as defined below, that requires excavation in the Easement Area, City will provide Grantor with at least fifteen (15) days' prior written notice. Notwithstanding the foregoing, in the event of an emergency, City shall not be obligated to provide Grantor with any notice. The term "**Major Work**" means work in the Easement Area that cannot be reasonably expected to be completed within three (3) consecutive days. The term "**Ordinary Maintenance and Repair**" means work in the Easement Area that can be reasonably expected to be completed within three (3) consecutive days.

d. In undertaking work within the Easement Area, City shall use reasonable efforts to (i) complete all construction, maintenance or repair activities in an expeditious and diligent manner; and (ii) minimize disruption to Grantor's use of Grantor's land adjoining the Easement Area. City shall not be liable in any manner, and Grantor hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of City's entry onto or use of the Easement Area, except to the extent resulting directly from the active negligence or willful misconduct of City or its contractors or agents, or City's breach of its covenants in this Easement Deed.

e. Upon completion of any construction, maintenance or repair involving excavation within or around the Easement Area (including but not limited to any Major Work or Ordinary Maintenance and Repair), City shall, at its cost, backfill the excavation and restore the surface in accordance with the terms of this Section. Where the disturbed surface area is paved, City shall restore the area with three-inch (3") thick asphalt concrete over eight-inch thick (8") Portland cement concrete or its cost equivalent. Where the disturbed surface area is not paved, City shall restore the area with native backfill. City shall not be liable for damage to, or required to restore, any other improvements or vegetation within the Easement Area. City shall not be responsible for the cost of removing, restoring or replacing any improvements previously installed by Grantor pursuant to City's authorization as described in Section 3 (Grantor's Reserved Rights). In an emergency, City may remove any such improvements without notice, liability, or obligation to replace the same. In a non-emergency, City shall provide a minimum of ten (10) business days' notice to Grantor to remove such improvements prior to City commencing work within the Easement Area.

f. City may remove any improvements that may damage or interfere with City Facilities or impede access thereto without any notice, liability, or obligation to replace the same. The foregoing sentence shall not apply to any improvements constructed pursuant to improvement plans previously reviewed and approved by City or to paving of private roads that exist at the time the Easement is accepted.

g. City shall indemnify, defend (with counsel reasonably approved by Grantor and Grantor's Agents), and hold Grantor harmless from and against any cost, expense, liability, damage or injury to property or persons to the extent caused by City's negligence or willful misconduct (or that of City's Agents) in the exercise of the rights granted to, or reserved by, City hereunder. Notwithstanding anything herein to the contrary, this **Section 3(g)** shall survive the expiration and termination of this Easement.

4. Exclusive Use Areas

a. The Switchyard Area is described and depicted in attached Exhibit B; it is within the larger area described in Exhibit A-J. It is intended to encompass the footprint of any above- or below-ground infrastructure, facilities, and ancillary improvements (including, but not limited to, wires, conduits, controls, pads and foundational structures) installed, all of which City may enclose and define with a fence.

b. The Pump Station Area is described and depicted in attached Exhibit C; it is within the area described in Exhibit A-J. It is intended to encompass the footprint of any above- or below-ground infrastructure, facilities, and ancillary improvements (including, but not limited to pumps, pipes, vents, controls, pads and foundational structures) installed, all of which City may enclose and define with a fence.

c. Together, the Switchyard Area and the Pump Station Area defined in this Section 4 constitute the “**Exclusive Use Areas**.” Grantor may not grant rights to a third party within the Exclusive Use Areas without City’s prior written consent. Grantor may not enter or otherwise use the Exclusive Use Areas without City’s prior written consent. City has no obligation to inform Grantor of any work by or on behalf of City within the Exclusive Use Areas. Grantor and City agree that Exhibits B and C may be corrected as required to encompass the area described in this Section 4, without further legislative action by either party. Such correction will be memorialized in a recorded “Memorandum of Correction (Switch Yard Area)” or “Memorandum of Correction (Pump Station Area),” as applicable, executed by Grantor and City.

5. Condition of Easement Area. City accepts its rights in the Easement Area in its current “as is” condition without any warranty (express or implied) by Grantor. Grantor and City shall conduct all of their respective activities within the Easement Area in a manner such that the Easement Area remains in a good, safe condition.

6. Notices, Demands and Communications. Whenever any notice or any other communication is required or permitted to be given under any provision of this Easement Deed (as, for example, where a party is permitted or required to “notify” the other party), such notice or other communication shall be in writing, signed by or on behalf of the party giving the notice or other communication, and shall be deemed to have been given on the earliest to occur of (i) the date of the actual delivery, or (ii) if mailed, on the delivery date shown on the return receipt, in each case to the respective address(es) of the party to whom such notice is to be given as set forth below, or at such other address of which such party shall have given notice to the other party as provided in this Section 6. Legal counsel for any party may give notice on behalf of such party.

7. Abandonment of Easement. City may, at its sole option, abandon the Easement by recording a quitclaim deed. Except as otherwise provided in this Deed, upon recording such quitclaim deed, the Easement and all rights, duties and liabilities hereunder shall be terminated and of no further force or effect. No temporary non-use of the Easement Area or other conduct, except for recordation of the quitclaim deed as provided in this paragraph shall be deemed abandonment of the Easement.

8. Exhibits. The exhibits referenced in and attached to this Easement Deed are incorporated into and made a part of this Easement Deed. TIDA and City acknowledge that the precise locations described in the attached exhibits may change upon construction of utility-related improvements in those locations. In such an event, TIDA and City agree to work together in good faith to amend and restate this Easement Deed as needed to reflect the area required for the utilities as actually installed.

The conditions and covenants contained in this Easement Deed shall run with the land, burden the Easement Area and be binding on and benefit Grantor and City and their respective agents, successors and assigns unless earlier terminated by written agreement of the parties or their respective successors and assigns.

Executed as of this 29th day of March, 2018.

EASEMENT DEED

(Public Utility Easement, Non-ROW, Non-City Facilities on Land Subject to Future Trust Exchange)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the TREASURE ISLAND DEVELOPMENT AUTHORITY, a California nonprofit public benefit corporation ("**TIDA**" or "**Grantor**"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and its successors and assigns ("**City**"), a perpetual public utility easement, free of the public trust for navigation, commerce, and fisheries, in, across, and through Grantor's certain real property, which is located in San Francisco, California and described and depicted in attached Exhibit A (the "**Easement Area**"), which shall be referred to hereafter as the "**Easement**." The Easement Area is uplands, presently free of the public trust for navigation, commerce, and fisheries ("**Trust**"). Pursuant to the Compromise Title Settlement and Land Exchange Agreement for Treasure Island and Yerba Buena Island, recorded in the Official Records of the City and County of San Francisco on January 14, 2015 as Document number 2015-K005565, TIDA intends to undertake future "**Trust Exchange**" conveyances that will impress the Trust on the Easement Area. This Easement predates any such conveyances and the Easement Area will remain free of the Trust after the Trust Exchange. Public utilities using the Easement are referred to herein as "**Utility**" or "**Utilities**."

1. Nature of Easement. The Easement is a perpetual, divisible, non-exclusive easement in gross, free of the public trust for navigation, commerce, and fisheries, including the right (a) to construct, install, maintain, repair, restore, remove, replace, alter, expand, and reconstruct, from time to time, at Utilities' option, within the Easement Area, Utility facilities, which include certain street-related infrastructure with all associated appurtenances, appliances, and fittings (collectively, "**Utility Facilities**"); (b) for underground facilities, to excavate to access Utility Facilities from the surface of the ground; (c) of ingress and egress for Utilities and their representatives, agents, employees, officers, suppliers, consultants, contractors, and subcontractors ("**Agents**"), vehicles and equipment to and from the Easement Area over the lands of Grantor; and (d) to place temporary facilities and equipment above ground when needed

in connection with any emergency or repair work, as needed to maintain continuous utility service (provided that any such temporary above-ground facilities or equipment shall be maintained only so long as needed to address the emergency or perform the repair work).

2. Grantor's Reserved Rights. Grantor, on behalf of itself, its agents, contractors, subcontractors, suppliers, consultants, employees, invitees or other authorized persons acting for or on behalf of Grantor, including but not limited to any lessee and its tenants (collectively, "**Grantor's Agents**"), reserves the right to use the Easement Area, in any way not inconsistent with the above grant of Easements, subject to **Section 4** (Exclusive Use Areas) below and the following:

a. Grantor shall not use the Easement Area or permit the same to be used for any purpose or in any manner that will interfere with the proper use, function, maintenance, repair, replacement of, or access to any of the Utility Facilities.

b. Grantor shall not use the Easement Area for the erection of any improvement that will damage, interfere with, or endanger the proper use, function, maintenance, repair or replacement of any of Utility Facilities without the owning Utility's prior written authorization.

3. Utilities' Use of the Easement.

a. Utilities' rights under this Agreement may be exercised by Agents.

b. Each Utility will bear all responsibility to operate, maintain and repair its Utility Facilities at its sole cost.

c. Prior to commencing any Major Work, as defined below, Utility shall provide Grantor with at least sixty (60) days' prior written notice. Prior to commencing any Ordinary Maintenance and Repair, as defined below, that requires excavation in the Easement Area, Utility will provide Grantor with at least fifteen (15) days' prior written notice. Notwithstanding the foregoing, in the event of an emergency, Utility shall not be obligated to provide Grantor with any notice. The term "**Major Work**" means work in the Easement Area that cannot be reasonably expected to be completed within three (3) consecutive days. The term "**Ordinary Maintenance and Repair**" means work in the Easement Area that can be reasonably expected to be completed within three (3) consecutive days.

d. In undertaking work within the Easement Area, Utility shall use reasonable efforts to (i) complete all construction, maintenance or repair activities in an expeditious and diligent manner; and (ii) minimize disruption to Grantor's use of Grantor's land adjoining the Easement Area.

e. Upon completion of any construction, maintenance or repair involving excavation within or around the Easement Area (including but not limited to any Major Work or Ordinary Maintenance and Repair), Utility shall, at its cost, backfill the excavation and restore the surface, including paving, vegetation, and other improvements, to their condition prior to Utility's activities.

f. To the extent City is indemnified by Utilities, City shall indemnify, defend (with counsel reasonably approved by Grantor and Grantor's Agents), and hold Grantor harmless from and against any cost, expense, liability, damage or injury to property or persons to the extent caused by Utility's negligence or willful misconduct (or that of Agents) in the exercise of the rights granted hereunder. Notwithstanding anything herein to the contrary, this **Section 3(f)** shall survive the expiration and termination of this Easement.

4. City's Exclusive Use Areas

a. The Switch Yard Area is described and depicted in attached Exhibit B; it is within the area described in Exhibit A-J. It is intended to encompass the footprint of any above- or below-ground infrastructure, facilities, and ancillary improvements (including, but not limited to, wires, conduits, controls, pads and foundational structures) installed, all of which City may enclose and define with a fence.

b. The Pump Station Area is described and depicted in attached Exhibit C; it is within the area described in Exhibit A-J. It is intended to encompass the footprint of any above- or below-ground infrastructure, facilities, and ancillary improvements (including, but not limited to pumps, pipes, vents, controls, pads and foundational structures) installed, all of which City may enclose and define with a fence.

c. Together, the Switch Yard Area and the Pump Station Area defined in this Section 4 constitute the "**Exclusive Use Areas.**" Utilities may not enter or otherwise use the Exclusive Use Areas without the prior written consent of the general manager of the San Francisco Public Utilities Commission. Grantor may not grant rights to a third party within the Exclusive Use Areas without City's prior written consent. Grantor may not enter or otherwise use the Exclusive Use Areas without City's prior written consent. Grantor and City agree that Exhibits B and C may be corrected as required to encompass the area described in this Section 4, without further legislative action by either party. Such correction will be memorialized in a recorded "Memorandum of Correction (Switch Yard Area)" or "Memorandum of Correction (Pump Station Area)," as applicable, executed by Grantor and City.

5. Condition of Easement Area. Utilities accept the Easement Area in its current "as is" condition without any warranty (express or implied) by Grantor. Grantor and Utilities shall conduct all of their respective activities within the Easement Area in a manner such that the Easement Area remains in a good, safe condition.

6. Notices, Demands and Communications. Whenever any notice or any other communication is required or permitted to be given under any provision of this Easement Deed (as, for example, where a party is permitted or required to "notify" the other party), such notice or other communication shall be in writing, signed by or on behalf of the party giving the notice or other communication, and shall be deemed to have been given on the earliest to occur of (i) the date of the actual delivery, or (ii) if mailed, on the delivery date shown on the return receipt, in each case to the respective address(es) of the party to whom such notice is to be given as set forth below, or at such other address of which such party shall have given notice to the other party as provided in this Section 6. Legal counsel for any party may give notice on behalf of such party.

7. Exhibits. The exhibits referenced in and attached to this Easement Deed are incorporated into and made a part of this Easement Deed. TIDA and City acknowledge that the precise locations described in the attached exhibits may change upon construction of utility-related improvements in those locations. In such an event, TIDA and City agree to work together in good faith to amend and restate this Easement Deed as needed to reflect the area required for the utilities as actually installed.

The conditions and covenants contained in this Easement Deed shall run with the land, burden the Easement Area unless terminated by written agreement of the parties or their respective successors and assigns.

Executed as of this 29th day of March, 2018.

OFFER OF IMPROVEMENTS

TREASURE ISLAND SERIES 1, LLC, a Delaware limited liability company ("TI Series 1"), and its successors and assigns, does hereby irrevocably offer to the City and County of San Francisco ("the City"), a municipal corporation and the Treasure Island Development Authority ("TIDA"), a California public benefit corporation, (collectively "Offerees"), and their successors and assigns, all of the improvements required pursuant to that certain Public Improvement Agreement for Treasure Island dated as of [9/4/18] between TI Series 1 and the Offerees.

The property where the improvements are located is shown on Exhibit A hereto, constituting TIDA property located in the City.

It is understood and agreed that: (i) the Offerees and their successors or assigns shall incur no liability or obligation whatsoever hereunder with respect to such offer of public improvements, and except as may be provided by separate instrument, shall not assume any responsibility for the offered improvements, unless and until such offer has been accepted by the appropriate action of the Board of Supervisors and/or the TIDA Board of Directors, and (ii) either Offeree, at its sole discretion, may accept one or more components of the improvements, without prejudicing either Offeree's discretion subsequently to accept or not accept other components, and (iii) upon acceptance of all or one or more components of this offer of public improvements by formal action of the Offeree, the accepting Offeree shall own and be responsible for maintenance of the accepted public facilities and improvements, except as such responsibility may be imposed on another by operation of law, as may be described in a master street encroachment permit authorized pursuant to Public Works Code § 786(b), or a similar agreement, pertaining to one or more of the public improvements offered hereby, or as excluded from acceptance for maintenance and liability in the formal action of the Offeree.

The provisions hereof shall inure to the benefit of and be binding upon the heirs, successors, assigns, and personal representatives of the parties hereto.

EASEMENT AGREEMENT

(Public Utility Easement, Pump/Lift Station, City Facilities on Land Subject to the Public Trust)

FOR VALUABLE CONSIDERATION, the receipt and sufficiency of which are hereby acknowledged, the TREASURE ISLAND DEVELOPMENT AUTHORITY, a California nonprofit public benefit corporation ("TIDA" or "Grantor"), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation and its successors and assigns ("City"), a perpetual public utility easement for City-owned facilities, free of the public trust for navigation, commerce, and fisheries, in, across, and through Grantor's certain real property, which is located in San Francisco, California and described and depicted in attached Exhibit A (the "**Easement Area**"), which shall be referred to hereafter as the "**Easement**." TIDA previously reserved a divisible easement over the Easement Area in the Quitclaim Deed and Reservation of Easements recorded in the Official Records of the City and County of San Francisco on November 10, 2015 as Document number 2015-K154698, as modified by the Second Memorandum Memorializing Location of Reserved Easements on Treasure Island and Yerba Buena Island recorded in the Official Records of the City and County of San Francisco on July 20, 2018 as Document number 2018-K6425178. This Easement conveys a subset of those reserved rights, as set forth below.

1. Nature of Easement. The Easement is a perpetual, divisible, exclusive easement in gross, free of the public trust for navigation, commerce, and fisheries, including the right (a) to construct, install, maintain, repair, restore, remove, replace, alter, expand, and reconstruct, from time to time, at City's option, within the Easement Area, City-owned pump and lift-station facilities, with all associated appurtenances, appliances, and fittings (collectively, "**City Facilities**"); (b) for underground facilities, to excavate to access City Facilities from the surface of the ground, with not less than thirty feet (30') of vertical clearance above the surface to permit the installation and removal of City Facilities from the surface; (c) of ingress and egress for City and its representatives, agents, employees, officers, suppliers, consultants, contractors, and subcontractors ("**City's Agents**"), vehicles and equipment to and from the Easement Area over the lands of Grantor; and (d) to place temporary facilities and equipment above ground when

needed in connection with any emergency or repair work, as needed to maintain continuous utility service (provided that any such temporary above-ground facilities or equipment shall be maintained only so long as needed to address the emergency or perform the repair work).

2. Grantor's Rights. Grantor, on behalf of itself, its agents, contractors, subcontractors, suppliers, consultants, employees, invitees or other authorized persons acting for or on behalf of Grantor, including but not limited to any lessee and its tenants (collectively, "**Grantor's Agents**") agrees that Grantor may not enter or otherwise use the Easement Area without City's prior written consent. Grantor may not grant rights to a third party within the Easement Area without City's prior written consent. City has no obligation to inform Grantor of any work by or on behalf of City within the Easement Area.

3. City's Use of the Easement.

a. City's rights under this Agreement may be exercised by City's Agents.

b. City will bear all responsibility to operate, maintain and repair the City Facilities at its sole cost, except to the extent any damage or cost is caused or necessitated by Grantor or Grantor's Agents, in which case Grantor shall bear such proportional cost and repair or pay for such damage, at City's discretion. City may elect to repair such damage at Grantor's cost, or may elect to witness Grantor's repair work. Any cost incurred by City that is caused or necessitated by Grantor or Grantor's Agents shall be invoiced to Grantor within twelve (12) months of the date the cost is incurred. Grantor shall remit payment to City within sixty (60) days of receiving an invoice.

c. In undertaking work within the Easement Area, City shall use reasonable efforts to (i) complete all construction, maintenance or repair activities in an expeditious and diligent manner; and (ii) minimize disruption to Grantor's use of Grantor's land adjoining the Easement Area. City shall not be liable in any manner, and Grantor hereby waives any claims, for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of City's entry onto or use of the Easement Area, except to the extent resulting directly from the active negligence or willful misconduct of City or its contractors or agents, or City's breach of its covenants in this Easement Agreement.

d. Upon completion of any construction, maintenance or repair involving excavation within or around the Easement, City shall, at its cost, backfill the excavation and restore the surface in accordance with the terms of this Section. Where the disturbed surface area is paved, City shall restore the area with three-inch (3") thick asphalt concrete over eight-inch thick (8") Portland cement concrete or its cost equivalent. Where the disturbed surface area is not paved, City shall restore the area with native backfill. City shall not be liable for damage to, or required to restore, any other improvements or vegetation within the Easement Area. City shall not be responsible for the cost of removing, restoring or replacing any improvements previously installed by Grantor pursuant to City's authorization as described in **Section 2** (Grantor's Rights). In an emergency, City may remove any such improvements without notice, liability, or obligation to replace the same. In a non-emergency, City shall provide a minimum of ten (10) business days' notice to Grantor to remove such improvements prior to City commencing work within the Easement Area.

e. City may remove any improvements that may damage or interfere with City Facilities or impede access thereto without any notice, liability, or obligation to replace the same. The foregoing sentence shall not apply to any improvements constructed pursuant to improvement plans previously reviewed and approved by City or to paving of private roads that exist at the time the Easement is accepted.

f. City shall indemnify, defend (with counsel reasonably approved by Grantor and Grantor's Agents), and hold Grantor harmless from and against any cost, expense, liability, damage or injury to property or persons to the extent caused by City's negligence or willful misconduct (or that of City's Agents) in the exercise of the rights granted to, or reserved by, City hereunder. Notwithstanding anything herein to the contrary, this **Section 3(f)** shall survive the expiration and termination of this Easement.

4. **Condition of Easement Area.** City accepts its rights in the Easement Area in its current "as is" condition without any warranty (express or implied) by Grantor. Grantor and City shall conduct all of their respective activities within the Easement Area in a manner such that the Easement Area remains in a good, safe condition.

5. **Notices, Demands and Communications.** Whenever any notice or any other communication is required or permitted to be given under any provision of this Easement Agreement (as, for example, where a party is permitted or required to "notify" the other party), such notice or other communication shall be in writing, signed by or on behalf of the party giving the notice or other communication, and shall be deemed to have been given on the earliest to occur of (i) the date of the actual delivery, or (ii) if mailed, on the delivery date shown on the return receipt, in each case to the respective address(es) of the party to whom such notice is to be given as set forth below, or at such other address of which such party shall have given notice to the other party as provided in this **Section 5**. Legal counsel for any party may give notice on behalf of such party.

6. Abandonment of Easement. City may, at its sole option, abandon the Easement by recording a quitclaim deed. Except as otherwise provided in this Agreement, upon recording such quitclaim deed, the Easement and all rights, duties and liabilities hereunder shall be terminated and of no further force or effect. No temporary nonuse of the Easement Area or other conduct, except for recordation of the quitclaim deed as provided in this paragraph, shall be deemed abandonment of the Easement.

7. Exhibits. The exhibits referenced in and attached to this Easement Agreement are incorporated into and made a part of this Easement Agreement. TIDA and City acknowledge that the precise locations described in the attached exhibits may change upon construction of utility-related improvements in those locations. In such an event, TIDA and City agree to work together in good faith to amend and restate this Easement Agreement as needed to reflect the area required for the utilities as actually installed.

The conditions and covenants contained in this Easement Agreement shall run with the land, burden the Easement Area and be binding on and benefit Grantor and City and their respective agents, successors and assigns unless earlier terminated by written agreement of the parties or their respective successors and assigns.

Dear Mr. Beck:

This letter addresses the proposed Treasure Island Development Authority (TIDA) Board’s acceptance of public improvements for four (4) Treasure Island and Yerba Buena Island Sanitary Sewer Pumps Stations (SSPS) located on the following Assessor’s Blocks/Lots: 1939/090; 1939/112; 8902/465; and 8954/003. The public improvements are shown in the plans (“Plans”) for the following:

- Street Improvement Permit (SIP) for “TI Bruton SSPS”; approved by Public Works Street Use and Mapping on September 16, 2024, under Permit # 19IE-00636.
- Street Improvement Permit (SIP) for “TI Cravath SSPS”; approved by Public Works Street Use and Mapping on September 16, 2024, under Permit # 19IE-00636.
- Street Improvement Permit (SIP) for “YBI Macalla SSPS”; approved by Public Works Street Use and Mapping on January 31, 2024, under Permit #18IE-00680.
- Street Improvement Permit (SIP) for “YBI North Gate SSPS”; approved by Public Works Street Use and Mapping

on January 31, 2024, under Permit #18IE-00680.

On April 21, 2011, the San Francisco Planning Commission issued a series of approvals for the Treasure Island/Yerba Buena Island Project (Planning Department Records 2007.0903BEMRTUWZ). These approvals actions included certification of the Final Environmental Impact Report (FEIR) through Motion No. 18325, adoption of California Environmental Quality Act (“CEQA”) findings through Motion No. 18326, and adoption of General Plan and Planning Section 101.1 consistency findings through Motion No. 18328.

Planning Department Staff has reviewed the Plans and considered the other actions comprising the TIDA Board acceptance of four (4) sanitary sewer pump stations and finds them consistent with the Planning Commission’s approvals. Therefore, the Planning Department Staff finds that the TIDA Board actions, including those approval actions that the Board of Supervisors delegated to the TIDA Board in Ordinance No. 28-24, are covered with the scope of the FEIR and the CEQA findings of Planning Commission Motion Nos. 18325 and 18326. In addition, Planning Department Staff finds that the TIDA Board actions are, on balance, consistent with General Plan and Planning Code Section 101.1 Consistency Findings of Planning Commission Motion No. 18328. For purposes of the TIDA Board actions identified in this letter, the Planning Department Staff relies on and incorporates by reference these Planning Commission Motions and their associated findings.

18 generators and electrical and mechanical permits for all the pump stations); and

19 WHEREAS, As set forth in the Memorandum of Agreement Regarding Ownership and
20 Maintenance of Public Improvements on Treasure Island and Yerba Buena Island between the
21 Authority and the City and County of San Francisco (“**City**”), dated April 26, 2017, upon
22 satisfaction of all conditions to acceptance of the offered improvement, the Authority may accept
23 such improvements completed by Developer that will be Authority responsibility or recommend
24 that the Board of Supervisors accept those improvements that will be City responsibility with the
25 approval of the Authority Board of Directors (the “**Authority Board**”) and the Board of
Supervisors; and

WHEREAS, Treasure Island Series 1, LLC (“**TI Series 1**”), and Treasure Island Series 2,

LLC (“**TI Series 2**”), affiliates of Developer and partial assignees of the Developer’s rights and obligations under the DDA, have prepared irrevocable offers of the Pump Stations Improvements to the City (two related to Treasure Island and recorded on September 13, 2018 and two related to Yerba Buena Island and recorded on April 19, 2018) (the “**TI Series 1 Offer**”) and (the “**TI Series 2 Offer**”), respectively (and together, the “**Irrevocable Offers**”), copies of which are on file with the Secretary of this Board and are incorporated herein by reference; and

WHEREAS, San Francisco Public Works (“**PW**”) issued Public Works Order No. 211409 (the “**PW Order**”), confirming that PW has : (1) inspected the Pump Stations Improvements and the City Engineer, by issuance of a series of Notices of Completion, determined them to be complete in substantial conformity with the approved plans, specifications, and applicable City regulations governing the Pump Stations Improvements; and (2) determined that the Pump Stations Improvements are ready for their intended use; and

WHEREAS, In the PW Order, the PW Director recommends, and the City Engineer certifies, to the Authority Board and the Board of Supervisors that the Pump Stations Improvements should be accepted for public use by the City and PW further recommends that the Board of Supervisors acknowledge the Authority’s recommendations regarding (i) the City’s acceptance of the grant deed and ownership of the real property on a portion of Yerba Buena Island upon which the Macalla Sanitary Sewer Pump Station was built, as more particularly described as Lot G in Final Map No.9228 recorded on April 19, 2018 as Document No. 2018-K602992 (the “**Macalla Real Property**”); (ii) City’s acceptance of the Irrevocable Offers for the Pump Stations Improvements; (iii) dedication of the Pump Station Improvements for public use; (iv) designation of the Improvement for public utility purposes; and (v) acceptance of the Pump Stations Improvements for maintenance and liability purposes subject to certain conditions, including the assignment of warranties (“**Assignment of Warranties**”). Copies of the Irrevocable Offers, the Draft PW Order, and the Assignment of Warranties are all on file with the Secretary of this Board and are incorporated herein by reference; and

WHEREAS, The City will own the Macalla Real Property; and

1 WHEREAS, On April 21, 2011, the City Planning Commission by Motion No. 18325
2 certified the completion of the Final Environmental Impact Report (the “**FEIR**”) for the Project;
3 and

4 WHEREAS, On April 21, 2011, the City Planning Commission by Motion No. 18326
5 and the Authority, by Resolution No. 11-15-04/21, adopted environmental findings pursuant to
6 the California Environmental Quality Act (“**CEQA**”) with respect to approval of the Project,
7 including a mitigation monitoring and reporting program and a statement of overriding
8 considerations; and

9 WHEREAS, San Francisco Planning Department issued a letter dated December 6, 2024
10 (“**SF Planning Letter**”) that found the Pump Stations Improvements are covered within the
11 scope of the FEIR and are on balance, consistent with the General Plan and Planning Code
12 Section 101.1. A copy of the SF Planning Letter is on file with the Secretary of this Board and is
13 incorporated herein by reference; now, therefore, be it

14 RESOLVED, The Authority Board relies on the CEQA determination in the SF Planning
15 Letter for purposes of this action and adopts it as its own; and be it

16 FURTHER RESOLVED, That the Authority Board relies on the findings set forth in the
17 PW Order; and, be it

18 FURTHER RESOLVED, That the Authority Board recommends that the Board of
19 Supervisors approve the grant deed for the Macalla Real Property; and, be it

20 FURTHER RESOLVED, That the Authority Board recommends that the Board of
21 Supervisors accept the Irrevocable Offers for the Pump Stations Improvements on behalf of the
22 public, dedicate the Pump Stations Improvements to public use, designate the Pump Stations
23 Improvements for public utility purposes, and accept the Pump Stations Improvements for
24 maintenance and liability purposes, subject to the conditions identified in the PW Order,
25 including the assignment of warranties; and, be it

FURTHER RESOLVED, That the Authority Board authorizes the Treasure Island

Director, in consultation with the City Attorney, to take any and all actions which may be necessary or advisable to effectuate the purpose and intent of this resolution, are in the best interests of the Authority, and that do not materially increase the obligations or liabilities of the Authority or materially reduce the rights of the Authority, such determination to be conclusively evidenced by the execution and delivery by the Treasure Island Director of the documents.

CERTIFICATE OF SECRETARY

I hereby certify that I am the duly elected Secretary of the Treasure Island Development Authority, a California nonprofit public benefit corporation, and that the above Resolution was duly adopted and approved by the Board of Directors of the Authority at a properly noticed meeting on February 12, 2025.
