RE: File Numbers 110630 through 110651: Memoranda of Understanding (MOU) Increasing Dental Premium Contributions by Employees and Reducing City Contributions on Behalf of Medically Single Employees Enrolled in the City Health Plan

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of ordinances contained in the file numbers above. The ordinances cover the period July 1, 2011 through June 30, 2012, affecting 14,117 authorized positions with an overall salary base of approximately \$1.3 billion.

The City and Public Employee Committee (PEC) agreed to establish a labor management committee to identify changes to MOU negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care costs, beginning in FY 2011-12. PEC member union MOUs all contained a default provision should the labor management committee not reach mutual agreement on such changes, which was that for all medically single employees enrolled in the City Plan, the City's contribution would be capped at an amount equivalent to the cost of the second highest cost plan for medically single enrollees. Had the dental premium change not been negotiated, employees who elected to enroll in the City Plan would have had to pay the difference between the capped amount and the City Plan amount.

Attachment A shows the estimated savings by union for those unions that agreed to have their members pay premiums ranging from \$5 to \$15 per month for employees enrolled in the Delta Dental PPO effective July 1, 2011. Based on our analysis, the ordinances will result in savings of approximately \$2.3 million due to employee premium contributions. Had the parties chosen the default option of capping the City's contribution at the cost of the second most expensive HMO for employee-only enrollment in the City Plan, the savings in FY 2011-12 would have yielded approximately \$3.8 million.

These estimates are based on February 2011 enrollment data. A preliminary review of FY 2011-12 data does not indicate a significant shift in enrollment from Delta Dental to lower cost dental HMO plans during the April 2011 open enrollment period, which would result in additional savings.

If you have additional questions or concerns please contact me at 554-7500 or Michelle Allersma of my staff at 554-4792.

Sincerely,

Ben Rosenfield
Controller

Amendment No. 3
TO THE 2007-2013 MEMORANDUM OF UNDERSTANDING
BETWEEN
THE CITY AND COUNTY OF SAN FRANCISCO
AND
SAN FRANCISCO POLICE OFFICERS' ASSOCIATION
UNIT P-2B

The parties hereby amend the Memorandum of Understanding as follows:

Section 8. Health and Dental Coverage.

A. Employee Health Coverage.

133. The City shall contribute annually for employee health benefits, the contribution required under the Charter.
134. In addition, except as otherwise provided in this section, the City shall contribute the full premium for the employee's own health care benefit coverage for "medically single" employees (i.e., employees not receiving a City contribution for dependent health care benefits).
- 134a. Fiscal Year 2011-12 and Thereafter
~~It is understood that the City and the Public Employees Committee of the San Francisco Labor Council (PEC) have agreed to establish a labor management committee to begin meeting no later than October 1, 2010, concluding before December 31, 2010, to identify changes to MOU-negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care cost, beginning Fiscal Year 2011-12.~~
- 134b. Should the committee not reach mutual agreement on another option, the following goes into effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically single/Employee Only category, the City's contribution will be capped at an amount equivalent to the cost of the second highest cost plan for medically single/Employee Only enrollees. Employees who elect to enroll in the City Plan in this category must pay the difference between the capped amount of the City Plan described above and the cost of City Plan coverage in the medically single/Employee Only category.
- 134c. If no mutual agreement on another option is reached as described in paragraph 134b, and if an employee's work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City shall pay for medically single/Employee Only coverage under the City Plan.

- B. Dependent Health Coverage.
136. The aforesaid contributions shall be paid to the City Health Services System, not be considered as a part of an employee's salary for the purposes of computing straight time earnings, compensation for overtime work, premium pay, retirement benefits, or termination contributions; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
- C. Dependent Coverage.
137. The City shall continue to provide dental benefits at the existing level.
