**RE:** File Numbers 110630 through 110651: Memoranda of Understanding (MOU) Increasing Dental Premium Contributions by Employees and Reducing City Contributions on Behalf of Medically Single Employees Enrolled in the City Health Plan

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of ordinances contained in the file numbers above. The ordinances cover the period July 1, 2011 through June 30, 2012, affecting 14,117 authorized positions with an overall salary base of approximately \$1.3 billion.

The City and Public Employee Committee (PEC) agreed to establish a labor management committee to identify changes to MOU negotiated premium payments that would be anticipated to yield approximately \$3 million in savings annually in the City's employee health care costs, beginning in FY 2011-12. PEC member union MOUs all contained a default provision should the labor management committee not reach mutual agreement on such changes, which was that for all medically single employees enrolled in the City Plan, the City's contribution would be capped at an amount equivalent to the cost of the second highest cost plan for medically single enrollees. Had the dental premium change not been negotiated, employees who elected to enroll in the City Plan would have had to pay the difference between the capped amount and the City Plan amount.

Attachment A shows the estimated savings by union for those unions that agreed to have their members pay premiums ranging from \$5 to \$15 per month for employees enrolled in the Delta Dental PPO effective July 1, 2011. Based on our analysis, the ordinances will result in savings of approximately \$2.3 million due to employee premium contributions. Had the parties chosen the default option of capping the City's contribution at the cost of the second most expensive HMO for employee-only enrollment in the City Plan, the savings in FY 2011-12 would have yielded approximately \$3.8 million.

These estimates are based on February 2011 enrollment data. A preliminary review of FY 2011-12 data does not indicate a significant shift in enrollment from Delta Dental to lower cost dental HMO plans during the April 2011 open enrollment period, which would result in additional savings.

If you have additional questions or concerns please contact me at 554-7500 or Michelle Allertsmo of my staff at 554-4792.

Sincerely,

Ben Rosenfield  
Controller

Amendment No. 5  
TO THE 2006-2012 MEMORANDUM OF UNDERSTANDING  
BETWEEN  
THE CITY AND COUNTY OF SAN FRANCISCO  
AND  
UNION OF AMERICAN PHYSICIANS AND DENTISTS (UNIT 8-CC)

RECEIVED  
BOARD OF SUPERVISORS  
SAN FRANCISCO  
2011 MAY 17 AM 11:33  
by EBC

The parties hereby amend the Memorandum of Understanding as follows:

**III.N. HEALTH AND WELFARE**

223. The City shall contribute annually for employee health benefits, the contribution required under the Charter.
224. For "medically single"/Employee Only employees, i.e., benefited employees who do not receive dependent health care benefits paid by the City, the City shall contribute all of the premium for the employee's own health care benefit coverage for Fiscal Year 2010-2011.
- 224a. Effective July 1, 2011, employees who enroll in the Delta Dental PPO Plan shall pay the following premiums for the respective coverage levels: \$5/month for employee-only, \$10/month for employee + 1 dependent, or \$15/month for employee + 2 or more dependents.**
225. The City and the Union will meet no later than January 1, 2011, concluding before January 31, 2011, to identify changes to MOU negotiated premium payments that would yield anticipated savings similar to those achieved in paragraph 226.
226. Should the City and the Union not reach mutual agreement on another option, the following goes into effect: for Fiscal Year 2011-12 and thereafter, for all employees enrolled in the City Plan in the medically single/Employee Only category, the City's contribution will be capped at an amount equivalent to the cost of the second highest cost plan for medically single/Employee Only enrollees. Employees who elect to enroll in the City plan in this category must pay the difference between the capped amount of the City plan described above and the cost of City plan coverage in the medically single/Employee Only category.
227. If no mutual agreement on another option is reached as described in paragraph 226, and if an employee's work location reasonably requires him or her to reside in a county in which there is no City HMO available, then the City shall pay for medically single/Employee Only coverage under the City plan.
228. The City and the Union agree that, with the City's full pickup of medical benefits for the "medically single", the settlement agreement signed by the Union on February 12, 1999 regarding the supplemental \$16.20 payment will no longer be in effect as of June 30, 2001 and therefore accordingly, the \$16.20 additional payment shall cease on this date.

## FOR THE UNION

## FOR THE CITY

229. The City shall contribute the greater amount of \$225 per month or 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.
230. Each employee and dependent family member covered by this Agreement shall be eligible to participate in the City dental program at no additional cost.
231. As set forth in Administrative Code Section 16.701(b), covered employees who are not in active service for more than twelve weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System to continue benefits, unless the employee is on sick leave, workers' compensation leave, mandatory administrative leave, or provided personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies that they have no alternative coverage.
232. The aforesaid contributions shall not be considered as part of an employee's compensation for the purpose of computing straight time earnings, compensation for overtime worked, premium pay, or retirement benefits, nor shall such contributions be taken into account in determining the level of any other benefit which is a function of or percentage of salary.
