[Planning Code, Zoning Map - 600 Townsend Street West Special Use District]

Ordinance amending the Planning Code and Zoning Map to establish the 600 Townsend Street West Special Use District, encompassing the real property consisting of Assessor's Parcel Block No. 3783, Lot No. 008, to allow the legalization of the longstanding office uses at the site by principally permitting office uses on all floors and waiving or reducing the bicycle parking, open space, streetscape, Transportation Demand Management, and impact fee requirements; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and making findings of public necessity, convenience, and welfare under Planning Code, Section 302.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Land Use and Environmental Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of Supervisors in File No. 250125 and is incorporated herein by reference. The Board affirms this determination.

1 (b) On March 27, 2025, the Planning Commission, in Resolution No. 21712, adopted
2 findings that the actions contemplated in this ordinance are consistent, on balance, with the
3 City's General Plan and eight priority policies of Planning Code Section 101.1. The Board
4 adopts these findings as its own. A copy of said Resolution is on file with the Clerk of the
5 Board of Supervisors in File No. 250125, and is incorporated herein by reference.

6 (c) Pursuant to Planning Code Section 302, the Board of Supervisors finds that the
7 actions contemplated in this ordinance will serve the public necessity, convenience, and
8 welfare for the reasons set forth in Planning Commission Resolution No. 21712, and adopts
9 such reasons by this reference thereto. A copy of said Resolution is on file with the Clerk of
10 the Board of Supervisors in File No. 250125, and is incorporated herein by reference.

11
12 Section 2. Background and General Findings.

13 (a) 600 Townsend Street West (Assessor's Parcel Block No. 3783, Lot No. 008)
14 and 600 Townsend Street East (Assessor's Parcel Block No. 3783, Lot No. 007) are located
15 on adjacent lots. 600 Townsend Street West is five stories plus a basement; 600 Townsend
16 Street East is four stories plus a basement. An arcade and pedestrian bridge connect the two
17 buildings. As originally constructed, the two buildings contained Production, Distribution, and
18 Repair Uses.

19 (b) The building at 600 Townsend Street East was determined to have legally
20 converted to office use in the 1980s. However, the building at 600 Townsend Street West
21 converted to Office Use in the 1990s without required authorizations. Since the 1990s, the
22 Department of Building Inspection has issued numerous building permits for tenant
23 improvements of the office space at both buildings.

24 (c) In 2008, both 600 Townsend Street West and 600 Townsend Street East were
25 rezoned to the Urban Mixed Use (UMU) District as part of the Eastern Neighborhoods Area

1 Plan. Office Uses in the UMU District are subject to controls that restrict the amount of office
2 space in a building relative to the number of building stories. For buildings five to seven
3 stories in height (including the building at 600 Townsend Street West), Office Uses are limited
4 to two floors and not permitted on the ground floor.

5 (d) On November 7, 2019, the Zoning Administrator issued a Letter of Determination
6 finding that 600 Townsend Street East contained both legal conforming and legal non-
7 conforming Office Use. However, the Office Use at 600 Townsend Street West was never
8 legally established under the Planning Code. Consequently, 600 Townsend Street East can
9 operate office uses on all floors of the building, while Office Use at 600 Townsend Street West
10 may only be authorized for two floors and is not permitted on the ground floor.

11 (e) Given 600 Townsend Street West's longstanding operation as an office building, its
12 permitting history, and its close operational relationship with 600 Townsend Street East,
13 legalizing all five floors of office space at 600 Townsend Street West would serve the public
14 interest. To achieve that end, this ordinance creates the 600 Townsend Street West Special
15 Use District ("SUD"), which makes Office Use principally permitted on all floors of the building.
16 The SUD also reduces the usable open space requirement for non-residential uses at the site
17 and waives Class 2 bicycle parking requirements and streetscape and pedestrian
18 improvements.

19 (f) The SUD also reduces development impact fees to the levels that would have been
20 required in 2012 under the Eastern Neighborhoods Legitimization Program (Planning Code
21 Section 179.1), adjusted for inflation per the Consumer Price Index for All Urban Consumers.
22 The Eastern Neighborhoods Legitimization Program was a time-limited program that enabled
23 existing uses operating without the benefit of a required permit to obtain those permits, and
24 fixed certain impact fee rates at those amounts applicable immediately prior to the Eastern
25 Neighborhoods rezoning. Though the Program expired in 2012, applying these fee rates (in

1 Planning Code Section 179.1), adjusted for inflation, is consistent with the treatment of other
2 legitimized Office Uses in the Eastern Neighborhoods Area Plan.

3 (g) Additionally, in 2023, the City enacted Ordinance No. 20-23 (Planning Code
4 Section 403), which provides a time-limited 33% reduction of impact fees for projects that
5 meet prescribed milestones. The SUD applies the 33% reduction to the adjusted 2012
6 Eastern Neighborhood Legitimization Program rates, and provides that no further reductions
7 or offsets are available under the Planning Code.

8
9 Section 3. The Planning Code is hereby amended by adding Section 249.10 and
10 revising Sections 249.45, 803.9, and 838, to read as follows:

11
12 **SEC. 249.10. 600 TOWNSEND STREET WEST SPECIAL USE DISTRICT.**

13 (a) **Location.** A special use district entitled the “600 Townsend Street West Special Use
14 District” (“SUD”) consisting of Assessor’s Parcel Block No. 3783, Lot No. 008, is hereby established
15 for the purposes set forth below. The boundaries of the SUD are designated on Sectional Map No.
16 SU08 of the Zoning Map.

17 (b) **Purpose.** The purpose of this SUD is to allow the legalization of the longstanding office use
18 at 600 Townsend Street West.

19 (c) **Controls.** The Planning Code shall control except as otherwise provided in this Section
20 249.10. If there is a conflict between other provisions of the Planning Code and this Section 249.10,
21 this Section 249.10 shall prevail.

22 (1) **Uses.**

23 (A) Office Uses shall be principally permitted on all floors.

24 (B) Section 803.9(e) (“Vertical Controls for Office Uses”) shall not apply.

1 (2) **Development Controls.** For any project that receives an Office Allocation pursuant
2 to Section 321 after January 1, 2025, and proposes a change of use to Office within the building as it
3 exists as of the effective date of this SUD, the following development controls shall apply. These
4 controls shall also apply in the event the existing building is damaged or destroyed by fire, or other
5 calamity, or by Act of God, or by the public enemy and is replaced with a substantially similar building.

6 (A) **Open Space.** The open space requirement for changes of use to Office
7 within Eastern Neighborhood Mixed Use Districts in Section 135.5 shall be a maximum of 2,600 gross
8 square feet.

9 (B) **Bicycle Parking.** The requirement for Class 2 bicycle parking in Section
10 155 et seq. shall not apply. All other requirements of Section 155 et seq., including Class 1 bicycle
11 parking, shall apply.

12 (C) **Streetscape and Pedestrian Improvements.** The streetscape and pedestrian
13 improvement requirements in Section 138.1 shall not apply.

14 (D) **Transportation Demand Management.** The Transportation Demand
15 Management plan and program requirement in Section 169 et seq. shall not apply.

16 **(3) Impact Fees.**

17 (A) Projects that file a Development Application between January 1, 2025 and
18 November 1, 2026 to establish an Office use pursuant to this Section 249.10 shall pay only the
19 following Development Impact Fees under the Planning Code:

20 (i) Child-care (Planning Code Section 414): \$0.99 per gross square foot;

21 (ii) Jobs-Housing Linkage Program (Planning Code Section 413): \$7.94
22 per gross square foot; and

23 (iii) Transportation Sustainability Fee (Planning Code Section 411A):
24 \$1.87 per gross square foot.

(B) The Development Impact Fee rates prescribed in this Section 249.10 include the 33% reduction available under Section 403 and shall not be offset by any further waiver or reduction.

LEGISLATIVE DIGEST
(Substituted – March 18, 2025)

[Planning Code, Zoning Map - 600 Townsend Street West Special Use District]

Ordinance amending the Planning Code and Zoning Map to establish the 600 Townsend Street West Special Use District, encompassing the real property consisting of Assessor's Parcel Block No. 3783, Lot No. 008, to allow the legalization of the longstanding office uses at the site by principally permitting office uses on all floors and waiving or reducing the bicycle parking, open space, streetscape, Transportation Demand Management, and impact fee requirements; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and making findings of public necessity, convenience, and welfare under Planning Code, Section 302

Existing Law

Office Uses in the UMU District are subject to controls that restrict the amount of office space in a building relative to the number of building stories. (See Planning Code § 803.9.) For buildings five to seven stories in height, Office Uses are limited to two floors and not permitted on the ground floor. (*Id.*)

The Planning Code also imposes open space requirements (Section 135.3), bicycle parking requirements (Section 155 et seq.), streetscape and pedestrian improvements (Section 138.1), and impact fee requirements (Article 4) on Office Uses in the UMU District.

The Eastern Neighborhoods Legitimization Program was a time-limited program that enabled existing uses operating without the benefit of a required permit to obtain those permits, and fixed certain impact fee rates at those amounts applicable immediately prior to the Eastern Neighborhoods rezoning. (Planning Code Section 179.1.) This program expired in 2012.

Planning Code Section 403 provides a time-limited 33% reduction in impact fees for projects that meet prescribed milestones.

Amendments to Current Law

This ordinance amends the Planning Code and Zoning Map to create the 600 Townsend Street West Special Use District ("SUD"), consisting of Assessor's Parcel Block No. 3783, Lot No. 008. Within the SUD, office space would be principally permitted on all floors of the building.

The SUD would also provide waivers and reductions of various controls and impact fees for any change of use to Office within the building as it exists as of the effective date of the SUD, specifically:

- reducing open space requirements to a maximum of 2,600 gross square feet;
- waiving Class 2 bicycle parking requirements;
- waiving streetscape and pedestrian improvements; and
- waiving the Transportation Demand Management requirements.

The SUD also reduces impact fees to the levels set forth below for projects that file a Development Application on or before November 1, 2026 to establish an Office Use:

- Child-care (Planning Code Section 414): \$0.99 per gross square foot;
- Jobs-Housing Linkage Program (Planning Code Section 413): \$7.94 per gross square foot; and
- Transportation Sustainability Fee (Planning Code Section 411A): \$1.87 per gross square foot.

The SUD would provide that the fees set forth above already include the 33% reduction in Planning Code Section 403 and shall not be offset by any further waiver or reduction.

Background Information

This ordinance contains background information and findings describing the longstanding, unauthorized office uses at 600 Townsend Street West and the public interest in legalizing the longstanding office uses. The findings also describe the history of the Eastern Neighborhoods Legitimization Program and explain that the SUD reduces the required impact fees to the levels that would have been required in 2012 under the Program, adjusted for inflation per the Consumer Price Index for All Urban Consumers.

RESOLUTION ADOPTING A RECOMMENDATION FOR APPROVAL OF A PROPOSED ORDINANCE THAT WOULD AMEND THE PLANNING CODE AND ZONING MAP TO ESTABLISH THE 600 TOWNSEND STREET WEST SPECIAL USE DISTRICT, ENCOMPASSING THE REAL PROPERTY CONSISTING OF ASSESSOR'S PARCEL BLOCK NO. 3783, LOT NO. 008, TO ALLOW THE LEGALIZATION OF THE LONGSTANDING OFFICE USES AT THE SITE BY PRINCIPALLY PERMITTING OFFICE USES ON ALL FLOORS AND WAIVING OR REDUCING BICYCLE PARKING, OPEN SPACE, STREETScape, TRANSPORTATION DEMAND MANAGEMENT PROGRAM, AND IMPACT FEE REQUIREMENTS; AFFIRMING THE PLANNING DEPARTMENT'S DETERMINATION UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT; MAKING FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN, AND THE EIGHT PRIORITY POLICIES OF PLANNING CODE, SECTION 101.1; AND MAKING FINDINGS OF PUBLIC NECESSITY, CONVENIENCE, AND WELFARE UNDER PLANNING CODE, SECTION 302.

WHEREAS, on February 12, 2025, Supervisor Dorsey introduced a proposed Ordinance under Board of Supervisors (hereinafter "Board") File Number 250125, which would amend the Planning Code to create the 600 Townsend West Special Use District (hereinafter the "600 TW SUD"), amend Section Map No. SU08 of the Zoning Map to add the 600 TW SUD and apply it to the Project Site, recognize the existing open space, class 2 bicycle parking and street trees at the Project Site, and establish certain impact fees (the "Proposed Ordinance"). The Proposed Ordinance would apply to the property at 600 Townsend West (Assessor's Block 3783, Lot 008) (the "Project Site"), and would operate as an overlay district in addition to the underlying base zoning of Urban Mixed Use (UMU);

WHEREAS, the Planning Commission (hereinafter "Commission") conducted a duly noticed public hearing at a regularly scheduled meeting to consider the proposed Ordinance on March 27, 2025; and

WHEREAS, the proposed Ordinance is not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it does not result in a physical change in the environment; and

WHEREAS, the Planning Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of Department staff and other interested parties; and

WHEREAS, all pertinent documents may be found in the files of the Department, as the Custodian of Records, at 49 South Van Ness Avenue, Suite 1400, San Francisco; and

WHEREAS, the Planning Commission has reviewed the proposed Ordinance; and

WHEREAS, the Planning Commission finds from the facts presented that the public necessity, convenience, and general welfare require the proposed amendment; and

MOVED, that the Planning Commission hereby adopts a **recommendation for approval** of the proposed ordinance.

Findings

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

The Commission supports the proposed ordinance because it allows for the continuation of a longstanding existing use that promotes commercial activity and provides economic benefits to the City. The Proposed Ordinance would not displace any existing uses, or result in any introduction of incompatible uses.

General Plan Compliance

The proposed Ordinance is consistent with the following Objectives and Policies of the General Plan:

COMMERCE AND INDUSTRY ELEMENT

OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

Policy 2.1

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

The Proposed Ordinance will promote retention of existing commercial activity and help ensure its continuing viability and ability to attract office tenants and employees. It also will solidify the economic benefits the City

has received from the ongoing Office uses at the project site, and ensure that those benefits continue into the future.

Planning Code Section 101 Findings

The proposed amendments to the Planning Code are consistent with the eight Priority Policies set forth in Section 101.1(b) of the Planning Code in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The proposed Ordinance would not have a negative effect on neighborhood serving retail uses and will not have a negative effect on opportunities for resident employment in and ownership of neighborhood-serving retail.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The proposed Ordinance would not have a negative effect on housing or the cultural and economic diversity of our neighborhoods.

3. That the City's supply of affordable housing be preserved and enhanced;

The proposed Ordinance would not have an adverse effect on the City's supply of affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The proposed Ordinance would not result in commuter traffic impeding MUNI transit service or overburdening the streets or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The proposed Ordinance would not cause displacement of the industrial or service sectors due to office development, as the subject property's existing office uses have been in place since the 1990s, and future opportunities for resident employment or ownership in these sectors would not be impaired.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

The proposed Ordinance would not have an adverse effect on the City's preparedness against injury

and loss of life in an earthquake.

7. That the landmarks and historic buildings be preserved;

The proposed Ordinance would not have an adverse effect on the City's Landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The proposed Ordinance would not have an adverse effect on the City's parks and open space and their access to sunlight and vistas.

Planning Code Section 302 Findings.

The Planning Commission finds from the facts presented that the public necessity, convenience and general welfare require the proposed amendments to the Planning Code as set forth in Section 302.

NOW THEREFORE BE IT RESOLVED that the Commission hereby ADOPTS A RECOMMENDATION FOR APPROVAL of the proposed Ordinance as described in this Resolution.

I hereby certify that the foregoing Resolution was adopted by the Commission at its meeting on March 27, 2025.

RECOMMENDATION: Adopt a Recommendation for Approval

Planning Code Amendment

The proposed Ordinance would amend the Planning Code and Zoning Map to establish the 600 Townsend Street West Special Use District, encompassing the real property consisting of Assessor's Parcel Block No. 3783, Lot No. 008. The SUD would allow the legalization of the longstanding office uses at the site by principally permitting office uses on all floors and waiving or reducing bicycle parking, open space, streetscape, Transportation Demand Management program, and impact fee requirements.

The Way It Is Now:

1. The parcel at 600 Townsend Street (APN 3783/008) is zoned UMU.
2. In the UMU District, Office uses are subject to the vertical controls of Planning Code Section 803.9(c),

which limits the maximum number of designated Office stories at a property and prohibits Office uses on the ground floor.

The Way It Would Be:

1. The parcel at 600 Townsend Street would be rezoned to 600 Townsend Street West Special Use District.
2. The 600 Townsend Street West Special Use District Office would allow Office uses on all floors and would waive or reduce bicycle parking, open space, streetscape, Transportation Demand Management program, and impact fee requirements.

600 Townsend Street, west (left) and east (right) buildings.

Proposed boundaries of the 600 Townsend Street West Special Use District.

Background

The proposed Special Use District would be located at 600 Townsend Street West (the “Project Site”). Adjacent to the Project Site is 600 Townsend Street East (APN 3783/007). The building occupying the Project Site contains five stories over a basement. A gallery/arcade and pedestrian bridge connect 600 Townsend Street East and West, and cross-easements allow for pedestrian and vehicular access in certain areas of both lots. As originally constructed, the Project Site contained Production, Distribution, and Repair uses, and particularly Wholesale Sales uses. The building at 600 Townsend Street East was determined to have legally converted to Office use in the 1980s. However, the building at the Project Site converted to Office use in the 1990s without the benefit of a permit.

Prior to 2008, the zoning applicable to the Project Site allowed Office use on all floors as a principally permitted use. In 2008, both the Project Site and 600 Townsend Street East were rezoned to the Urban Mixed Use (UMU) District as part of the Eastern Neighborhoods Area Plan. Office uses in the UMU District are subject to vertical controls that restrict the amount of office space in a building relative to the number of building stories. For buildings five to seven stories in height (including the Project Site), Office uses are limited to two floors and are not permitted on the ground floor.

On November 7, 2019, the Zoning Administrator issued a Letter of Determination finding that 600 Townsend Street East contained both legal conforming and legal non-conforming Office uses. However, the Office use at the Project Site (600 Townsend Street West) was never legally established under the Planning Code. Consequently, 600 Townsend Street East can operate Office uses on all floors of the building, while Office use at 600 Townsend Street West is restricted to two floors and is not permitted on the ground floor. The proposed Ordinance will legalize the existing Office uses on all five floors at 600 Townsend West.

Issues and Considerations

Rezoning

The proposed Ordinance creates the 600 Townsend Street West Special Use District (“600 TW SUD”), which would principally permit Office uses on all floors of the building. The 600 TW SUD also reduces the usable open space requirement for non-residential uses at the site, waives the requirement for enrollment in the Transportation Demand Management program, and waives Class 2 bicycle parking requirements and streetscape and pedestrian improvements, to match the existing open space, bicycle parking, and streetscape currently at the Project Site.

The 600 TW SUD also reduces development impact and in lieu fees to the levels that would have been required in 2012 under the Eastern Neighborhoods Legitimization Program (Planning Code Section 179.1), adjusted for inflation per the Consumer Price Index for All Urban Consumers. The Eastern Neighborhoods Legitimization Program was a time-limited program that enabled existing uses operating without the benefit of a required permit to obtain those permits. It also fixed certain impact fee rates at those amounts applicable immediately prior to the Eastern Neighborhoods rezoning. Though the Program expired in 2012, applying these fee rates (in Planning Code Section 179.1), adjusted for inflation, is consistent with the treatment of other legitimized Office uses in the Eastern Neighborhoods Area Plan.

Additionally, in 2023, the City enacted Ordinance No. 20-23 (Planning Code Section 403), which provides a time-limited 33% reduction of impact fees for projects that meet prescribed milestones. The proposed Ordinance applies the 33% reduction to the adjusted 2012 Eastern Neighborhood Legitimization Program rates and provides that no further reductions or offsets are available under the Planning Code.

The proposed Ordinance also corrects clerical errors in certain Planning Code sections regarding references to the subsection of Planning Code Section 803.9 that contains the vertical controls on Office uses.

General Plan Compliance

Objective 2 of the Commerce and Industry Element of the General Plan seeks to “maintain and enhance a sound and diverse economic base and fiscal structure for the city.” Policy 2.1 is to “Seek to retain existing commercial and industrial activity and to attract new such activity to the city.” The proposed Ordinance will promote retention of existing commercial activity and help ensure its continuing viability and ability to attract office tenants and employees. It also will solidify the economic benefits the City has received from the ongoing Office uses at the project site, and ensure that those benefits continue into the future.

Racial and Social Equity Analysis

The proposed amendments cannot be directly tied to a negative or positive impact in advancing the City’s racial and social equity. As the Ordinance would only affect a single parcel, there is not enough data to support a claim of racial or social equity.

Implementation

The Department has determined that this ordinance will not impact our current implementation procedures.

Recommendation

The Department recommends that the Commission ***adopt a recommendation for approval*** of the proposed Ordinance and adopt the attached Draft Resolution to that effect.

Basis for Recommendation

The Department supports the proposed Ordinance because it allows for the continuation of a longstanding existing use that promotes commercial activity and provides economic benefits to the City. The proposed Ordinance would not displace any existing uses, or result in any introduction of incompatible uses.

Required Commission Action

The proposed Ordinance is before the Commission so that it may adopt a recommendation of approval, disapproval, or approval with modifications.

Environmental Review

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c)(2) and 15378 because they do not result in a physical change in the environment.

Public Comment

As of the date of this report, the Planning Department has not received any public comment regarding the proposed Ordinance.

Clerk of the Board of Supervisors

FROM: Supervisor Myrna Melgar, Chair, Land Use and Transportation Committee

RE: Land Use and Transportation Committee
COMMITTEE REPORT

Pursuant to Board Rule 4.20, as Chair of the Land Use and Transportation Committee, I have deemed the following matter is of an urgent nature and request it be considered by the full Board on Tuesday, April 8, 2025, as a Committee Report:

**File No. 250125 Planning Code, Zoning Map - 600 Townsend Street West Special
Use District**
Sponsor: Dorsey

This matter will be heard in the Land Use and Transportation Committee at a Regular Meeting on Monday, April 7, 2025, at 1:30 p.m.

Dear Chair Melgar and Land Use and Transportation Committee Members Bilal and Chen,

I respectfully urge your support for the creation of the 600 Townsend Street West Special Use District (SUD). Following unanimous approval by the San Francisco Planning Commission (6-0) on March 27, 2025, your vote will formally establish this Special Use District, solidifying the longstanding office use of this property and reinforcing its critical role in SOMA's continued economic vitality.

The building at 600 Townsend Street has been a cornerstone of San Francisco's commercial landscape since the early 1990s, maintaining a robust occupancy rate currently 94% and serving as a home to prominent technology companies. The recent high-profile lease at the adjacent 600 Townsend East by Tools for Humanity, a cutting-edge cryptocurrency startup co-founded by OpenAI CEO Sam Altman, highlights the site's strategic value and emerging significance within the city's innovation ecosystem.

Your approval of this SUD will achieve the following direct benefits:

- **Maintaining Existing Conditions and Economic Stability:** Formalizing the site's current use ensures ongoing high occupancy and preserves critical employment opportunities, while continuing to generate substantial Commercial Rent Taxes at the premium 3.5% office rate to support early childhood care and education.
- **Immediate Financial Benefits:** Approval will enable a pending property sale, resulting in an immediate and impactful \$3.2 million transfer tax revenue boost to the City of San Francisco.
- **Equitable and Established Fee Structure:** The proposed fees align with precedents established by the Eastern Neighborhoods Legitimization Program, ensuring fairness and consistency. Additionally, the temporary fee reduction aligns with current city policies designed to promote economic recovery and attract leading businesses.
- **Sustainability and Transportation and Community Integration:** With its LEED Gold certification and ongoing green initiatives, the project exemplifies responsible environmental stewardship. Maintaining existing pedestrian amenities, open spaces, and bicycle parking underscores its commitment to enhancing the neighborhood and

tenants' quality of life without any impacts on transportation or other infrastructure. The environmental review exemption under CEQA guidelines from the Planning Department, confirms that the project will cause no adverse environmental impacts, *as no physical changes or construction are proposed.*

By approving the creation of this Special Use District at 600 Townsend Street West, you will directly support a proven hub of innovation, sustainability, and economic vitality, setting a powerful precedent for thoughtful urban development.

On behalf of Toda America, I would be pleased to arrange a briefing at your convenience to discuss this proposal in greater detail with you or your staff.

Thank you for your continued leadership and support.

Sincerely,

Denise LaPointe

Subject: **Support – 600 Townsend Street West Special Use District**

Dear Chair Melgar and Members of the Land Use and Transportation Committee,

As the property manager of 600 Townsend Street, Newmark is writing to express our strong support for the proposed Special Use District (SUD) for this property. In the current economic climate, maintaining high occupancy and attracting quality tenants is more important than ever. 600 Townsend has long been a sought-after business location, and this SUD correction will help ensure it remains a thriving hub by providing the certainty needed to keep its offices filled with dynamic companies.

600 Townsend Street is more than just a building – it is a vital contributor to San Francisco's business ecosystem. The diverse companies that call 600 Townsend home provide hundreds of local jobs, drive innovation, and support numerous nearby businesses. A fully occupied 600 Townsend means more employees patronizing neighborhood shops and restaurants, and it generates valuable tax revenue that aids the city's economic recovery. Especially in today's challenging economic conditions, we need to do everything possible to support such centers of employment and innovation.

The SUD ordinance is a crucial step toward preserving the stability and confidence that businesses need to invest and grow in San Francisco. By formally acknowledging and protecting the building's long established office use, the SUD removes uncertainty about 600 Townsend's future. Prospective tenants will have greater confidence signing long-term leases, knowing that the City supports and safeguards the continued use of this property as a productive office space. This regulatory clarity gives businesses assurance that they can commit to San Francisco for the long run, which in turn encourages them to expand operations and hire more local employees.

For these reasons, we respectfully urge you to approve the Special Use District for 600 Townsend Street. This action will reinforce San Francisco's commitment to maintaining a business-friendly environment, allowing properties like 600 Townsend to remain fully leased and economically productive. In a time when high occupancy and strong business investment are essential to our city's recovery, your support for this adjustment will provide a much-needed boost of confidence to property owners, potential buyers and tenants alike.

NEWMARK

Thank you for your consideration of this important matter. We remain dedicated to working with the city to ensure that 600 Townsend continues to be a success story that benefits San Francisco's economy and neighborhoods.

Sincerely,

Newmark
As agent for 600 Townsend Street West

Subject: Support – 600 Townsend Street West Special Use District

Dear Chair Melgar and Members of the Land Use and Transportation Committee,

On behalf of Orchard Commercial, Northern California's largest privately-owned property management firm, we enthusiastically support the proposed Special Use District ordinance for 600 Townsend Street. This ordinance received unanimous approval from the Planning Commission on March 27th, 2025—a clear endorsement of the property's significant economic contributions and longstanding use. Approving this ordinance ensures fairness, equity, and consistency with similar developments, reaffirming the importance of this property to the South of Market neighborhood and San Francisco's local economy.

Orchard Commercial is deeply embedded in Northern California, not only managing but also owning commercial properties throughout the region. Our longstanding presence and commitment to enhancing property values align with initiatives like the proposed Special Use District, which are designed to preserve and enhance valuable commercial assets.

The establishment of the Special Use District at 600 Townsend is critically important as it provides stability and clarity, enabling current and future tenants to confidently invest, innovate, and expand their businesses. The ordinance acknowledges and reinforces the historical significance and ongoing office utilization of this property, thus directly supporting local employment opportunities, economic vitality, and San Francisco's reputation as an innovation hub.

600 Townsend Street's exceptional location and infrastructure, coupled with its sustainable environment, make it an invaluable asset within San Francisco's vibrant business community. Its strategic positioning offers convenient access to transit and numerous local amenities, significantly contributing to a desirable work-life balance and increased productivity among its tenants.

We strongly advocate for your approval of the Special Use District ordinance, as it will ensure continued investment in this key property, thereby further contributing to the city's economy and cultural vibrancy.

Thank you for your thoughtful consideration and support.

Sincerely,

Orchard Commercial, Inc.

Subject: ***Request for Support – 600 Townsend Street West Special Use District (SUD)***

Dear Chair Melgar and Members of the Land Use and Transportation Committee,

On behalf of Toda America, the owner of 600 Townsend Street West, I am pleased to inform you that our Special Use District (SUD) ordinance and associated office allocation were unanimously approved by the San Francisco Planning Commission on March 27, 2025. This approval is a significant step forward in formalizing the longstanding office use of our building and securing its continued contribution to San Francisco's economic vitality.

The 600 Townsend Street West project has been operating successfully as an office building since the early 1990s, currently supporting a 94% occupancy rate and providing valuable employment opportunities. The recent approval recognizes and legitimizes this established use, aligning our zoning status with actual operations.

Key reasons to support the Special Use District include:

- Allowing office use on all five floors consistent with the building's longstanding use, facilitating the continued operation and attracting high-quality tenants and employment opportunities.
- Fair and substantial economic benefits to the City, including ongoing Commercial Rent Taxes at the premium 3.5% office rate, and a fee structure consistent with precedents from the Eastern Neighborhoods Legitimization Program, allowing existing office uses to legitimize at equitable 2012 rates adjusted for inflation and aligned with current city economic recovery policy.
- Allowing a pending property sale to proceed, immediately generating an essential \$3.2 million dollars of transfer tax revenue to the City.
- Preservation of existing pedestrian enhancements, bicycle parking, and open space that benefit the local community, without any impacts on transportation or other infrastructure.

- Environmental review exemption under CEQA guidelines, confirming that the project will cause no adverse environmental impacts, *as no physical changes or construction are proposed.*

In closing, I extend my heartfelt appreciation to District 6 Supervisor Matt Dorsey and his dedicated staff for their invaluable sponsorship and steadfast support throughout this critical process. ***Given the compelling benefits outlined, we respectfully ask for your support today.*** Your affirmative vote will help ensure that 600 Townsend Street remains a vibrant engine for economic growth, sustainability, and resilience—reflecting San Francisco’s enduring commitment to its neighborhoods.

With deep appreciation,
