1 [Appointments, Citizen's Advisory Committee for the Central Market Street and Tenderloin
2 Area]

3 **Motion appointing Eva Purring, Felica Denia, Steven Suzuki, Brad Paul, Mara Blitzer,**
4 **Jesus Perez, and Linda Pierce, terms to be determined, to the Citizen's Advisory**
5 **Committee for the Central Market Street and Tenderloin Area, residency requirement**
6 **waived.**

7
8 MOVED, That the Board of Supervisors of the City and County of San Francisco does
9 hereby appoint the hereinafter designated persons to serve as members of the Citizen's
10 Advisory Committee for the Central Market Street and Tenderloin Area, pursuant to the
11 provisions in the San Francisco Business and Tax Regulations Code, Article 12-A, for the
12 terms specified:

13 Eva Purring, seat 1, new appointment, must be a representative of a low-income family
14 who lives with his or her family in the Central Market Street and Tenderloin Area or in District
15 6, bounded on the southern side by 13th Street and Townsend Street, for a term to be
16 determined.

17 Felica Denia, seat 2, new appointment, must have expertise in job creation and/or
18 workforce development, for a term to be determined.

19 Steven Suzuki, seat 3, new appointment, must have expertise in job creation and/or
20 workforce development representing labor, for a term to be determined.

21 Brad Paul, seat 5 (residency requirement waived), new appointment, must have
22 expertise in affordable housing or tenant protection and anti-displacement policies and
23 strategies, and have familiarity with the Central Market Street and Tenderloin Area, for a term
24 to be determined.

1 Mara Blitzer, seat 9, new appointment, must have expertise in commercial real estate
2 and leasing within the Central Market Street and Tenderloin Area, for a term to be determined.

3 Jesus Perez, seat 10, new appointment, must be a resident of the Central Market

5 Townsend Street, for a term to be determined.

6 Linda Pierce, seat 11, new appointment, must be a resident of the Central Market
7 Street and Tenderloin Area or in District 6, bounded on the southern side by 13th Street and
8 Townsend Street, for a term to be determined.

9 FURTHER MOVED, That the Board of Supervisors makes the following findings:

- 10 1. The membership of the Citizen's Advisory Committee for the Central Market Street
11 and Tenderloin Area has a goal to be representative of the diversity of the City and
12 County of San Francisco.
- 13 2. Applicant Brad Paul, appointee, who is not a resident of San Francisco, is a person
14 with experience that uniquely qualifies him to serve on the Citizen's Advisory
15 Committee for the Central Market Street and Tenderloin Area.
- 16 3. The Citizen's Advisory Committee for the Central Market Street and Tenderloin
17 Area has attempted to fill the position, for which Brad Paul was nominated, with an
18 individual who is a City resident and who has the specific experience, skills, and
19 qualifications, but has been unable to do so at this time. The Rules Committee has
20 certified that Brad Paul is qualified to serve on the Citizen's Advisory Committee for
21 the Central Market Street and Tenderloin Area.
- 22 4. After exercising due diligence, the Board of Supervisors concludes that there is no
23 other possible representative, who is a resident of San Francisco and who has the
24 specific experience, skills, or qualifications possessed by this applicant, and who is
25

1 willing to serve on Citizen's Advisory Committee for the Central Market Street and
2 Tenderloin Area at this time; and, be it

3 FURTHER MOVED, That the Board of Supervisors waives the residency requirement
4 for Brad Paul, as allowed in cases where no qualified City resident, willing to serve, can be
5 found, pursuant to Section 4.101 of the City Charter that requires person(s) appointed to
6 boards, commissions, and advisory bodies established by legislative act of the Board of
7 Supervisors to be resident(s) of the City and County of San Francisco.

Supplemental Sheet on Brad Paul's Business/Professional experience:

While at the National Trust for Historic Preservation's San Francisco office in the early 80's, Brad worked with Tenderloin and citywide groups to preserve residential hotels as affordable housing through passage of the Residential Hotel Conversion and Demolition Ordinance. From 1982-87, he led the 600-member North of Market Planning Coalition (NOMPC) as it worked to protect the neighborhood from high-rise office and hotel development and supported efforts by newly created non-profit housing development corporations to buy up residential properties to preserve them as permanently affordable. He lived for three years at the Cadillac Hotel on Eddy.

In 1987, Brad left NOMPC for a year-long LOEB Fellowship at Harvard. Upon his return, Mayor Art Agnos appointed him Deputy Mayor for Housing. As a consultant in the 1990s, Brad helped create the Lower Eddy/Leavenworth Revitalization Plan, the Treasure Island McKinney Act application and Swords to Plowshares' Veterans Academy at the Presidio. As a Bay Area Women's and Children's Center Board member, he was also involved in helping create the Tenderloin Elementary School.

During Brad's tenure as a Senior Program Officer at the Haas, Jr. Fund (2000-08), he made numerous grants to nonprofit housing developers (e.g. TNDC, CCDC) and community planning (e.g. AND) and community organizing (e.g. SOMCAN, SFOP) groups. In January 2009, he left the Fund to return to consulting and is frequently in the Tenderloin/Mid-Market/SOMA working with community-based organizations to improve the neighborhood for its residents, nonprofits and small businesses.

Subject: Central Market Citizens Advisory Committee - Resident Nominee

Thursday, July 28, 2011

To All:

Please consider my nomination to the Central Market Citizens Advisory Committee. I have been a resident of the Tenderloin Neighborhood/District 6 since 2006. I am committed to the growth of this community and the improvement of the quality of life for all of the residents. I welcome the opportunity to make recommendations to the Mayor, Board of Supervisors, and City Administrator on policies and programs that mitigate the effects of development, bolster the economic development, increase local employment and the resources contributing to community sustainability. Of course, stabilizing, protecting existing tenants and small businesses in and around the Central Market Street and Tenderloin Area is a priority for the vitality of these Communities.

For the past 6 years I have served the Tenderloin Neighborhood as a Volunteer at Residential Hotels, and I also participated in the Census 2010 as a Census Bureau employee. Please consider my nomination to this very important Advisory Committee which will monitor the approval of the "Payroll Expense Tax Exclusion" for new businesses to ensure that the community is not adversely impacted. Thank you for your consideration.

Sincerely,

Linda Pierce

Christine Munday

Application for: The Central Market/Tenderloin Citizens Advisory Committee

Recently I negotiated to secure an innovative lease agreement for office space located at 134A Golden Gate on behalf of The Film Commission. I also conceptualized and helped implement the launch of The SF Film Collective in the newly acquired space. The Film Commission is the lease holder, and in turn subleases individual offices. Thanks to generous lease conditions, The Collective is able to sublease office space to independent and documentary filmmakers at a cost well below market value. All filmmakers working in The Collective are either San Francisco residents or making a project with significant ties to San Francisco. I will also have an office in The Collective, from which I am available one day a week to the tenants for assistance with film permits and answering questions. Also, soon I am implementing a change to the procedure for administering permits for students from area film schools. Student permits are free and The Collective office will be available for students to "drop in" on the designated day for permits. The Collective is envisioned as an opportunity to both help secure the health of the economic future for film making in the City and nurture up-and-coming filmmakers. By exhibiting a commitment to fostering the indie film movement, I feel we will contribute to demonstrating the City's overall film friendliness for productions considering where to base films and television series. Also, the communal environment of The Collective provides a venue for filmmakers to exchange ideas and benefit from resources offered by their peers. Residents of The Collective also have the option to host screenings or fund raisers in the communal spaces, thereby directly benefiting the neighborhood. By working to add film to the Mid-Market Arts movement, I hope to support both the economic and cultural revitalization quickly gaining momentum in the neighborhood.

CITIZEN'S ADVISORY COMMITTEE FOR THE CENTRAL MARKET STREET AND TENDERLOIN AREA

Qualifications and professional experience:

My name is Gregory Jarašitis and I work at Citywide Case Management Forensic Program (CWCMF), a community based nonprofit organization. CWCMF provides wrap around, intensive case management services to mentally ill offenders, and is the primary treatment provider for offenders in San Francisco's Behavioral Health Court. I have worked with mentally ill offenders for over 11 years, and for the last 4 years in a supervisory role. I supervise an employment team that assists mentally ill offenders find competitive work in the community as well as with pre-vocational and vocational training.

Our employment team supports not only the offenders seeking jobs but also the businesses that hire them. Building relationships with businesses is paramount to employment placements, and we offer: ongoing contact with the businesses that hire our clients, information on tax incentives and bonding, and reimbursement for hiring our clients (through On-The-Job training funds- a program with the Department of Rehabilitation).

I would be honored to be on the Citizen's Advisory Committee for the Central Market Street and Tenderloin Area, and I believe my experience and commitment to the employment of the mentally ill offender population would be an asset.
