WHEREAS, On November 18, 2025, the Board of Supervisors held a duly noticed public hearing to consider the appeal of the FMND filed by Appellants; and

WHEREAS, In reviewing the appeals of the FMND, the Board of Supervisors reviewed and considered the FMND, the appeal letters, the responses to the appeal documents that the Planning Department and the Project Sponsor prepared, the other written records before the Board of Supervisors and all of the public testimony made in support of and opposed to the appeal; and

WHEREAS, The written record and oral testimony in support of and opposed to the appeal and deliberation of the oral and written testimony at the public hearing before the Board of Supervisors by all parties and the public in support of and opposed to the appeal of the FMND is in the Clerk of the Board of Supervisors File No. 251034, and are incorporated in this motion as though set forth in its entirety; now, therefore, be it

MOVED, That the Board of Supervisors of the City and County of San Francisco hereby adopts as its own and incorporates by reference in this motion, as though fully set forth, the FMND; and be it

FURTHER MOVED, That the Board of Supervisors finds that based on the whole record before it there are no substantial Project changes, no substantial changes in Project circumstances, and no new information of substantial importance that would change the conclusions set forth in the FMND; and be it

FURTHER MOVED, That after carefully considering the appeal of the FMND, including the MMRP and the written information submitted to the Board of Supervisors and the public testimony presented to the Board of Supervisors at the hearing on the FMND, the Board of Supervisors concludes that the Project qualifies for a Mitigated Negative Declaration and that no fair argument supported by substantial evidence in the record has been presented that the Project as proposed would result in any significant impact on the environment.
