LEGISLATIVE DIGEST

[Charter Amendment - Lifetime Term Limits for Mayor and Members of the Board of Supervisors]

Describing and setting forth a proposal to the voters to amend the Charter of the City and County of San Francisco, at an election to be held on June 2, 2026, to change the current two-term limits for the office of Mayor and the office of Member of the Board of Supervisors from consecutive term limits to lifetime term limits.

Existing Law

The City Charter provides that no person may serve as Mayor for more than two successive four-year terms. The Charter also provides that no person may serve as a member of the Board of Supervisors for more than two successive four-year terms. If a person has served as Mayor or Supervisor for two successive four-year terms, that person may leave office for at least four years and then serve as Mayor or Supervisor again for two successive four-year terms.

Amendments to Current Law

The proposed measure would amend the Charter to provide lifetime term limits for the office of Mayor and the office of Supervisor. Under the proposed measure, a person who has served as Mayor may only serve two four-year terms and a person who has served as Supervisor may only serve two four-year terms – whether successive or non-successive. As to Supervisors, any person who is holding the office of Supervisor as of June 2, 2026, and who has served in the office in excess of the lifetime term limit or who will have served in the office in excess of the lifetime term limit before completion of their term of office, may complete their term of office. A person who is elected as Supervisor at the election on June 2, 2026, may complete the term of office for which they were elected, regardless of whether their holding the office would otherwise violate the lifetime term limit. Aside from these limited exceptions, the lifetime term limits would apply to any person who has already served two terms as Mayor or two terms as Supervisor.
