Clerk Brent Jalipa,

The Mayor's projected budget cuts to General Fund support of SF Environment Department (SFE) will effectively end their emissions-reduction work. You approved their updated Climate Action Plan in 2021 and we beg you to see that it continues to be implemented. The funds needed will not bankrupt the city.

For every $1 of City funding, SFE secured $29 in grants. So if the mayor cuts any money from SFE, that is not money saved. It’s money lost.

Your leadership can save SF Environment Department and the city's Climate Action Plan. Delay is not an option. We urge you to act now.

SFE represents the City’s climate solutions brain trust, delivering real results through programs that center equity, health, safety and affordability.

For more information, please look at “SFE Budget Proposal for FY 2026-27 and 2027-28,” located among the documents accompanying the Commission on the Environment’s Feb 4, 2026 meeting. See you at the special hearing February 25th. Thank you.
