(e) As of the effective date of the ordinance in Board File No. 200144 enacting this subsection (e), the Director shall decline to accept for processing any new applications for Cannabis Business Permits under this Article 16 in the following categories: Cannabis Retailer, Storefront Cannabis Retailer, Delivery-Only Cannabis Retailer, Medicinal Cannabis Retailer, and Cannabis Microbusiness (to the extent relating to retail activity). No later than June 30, 2027, the Controller shall submit to the Board of Supervisors a report that analyzes various impacts of the moratorium on new applications for retail-related Cannabis Business Permits, including its financial impacts on the City and the City's cannabis industry, operational impacts on the Office of Cannabis, and impacts on City neighborhoods.

*(f) **Temporary Eligibility Criteria for Cannabis Café Permits**.*

(1) For one year following the effective date of the ordinance in Board File No. _____, the Director may only accept for processing or issue a permit in response to an application for a Cannabis Café permit that meets all of the following criteria:

(A) The permit Applicant either holds a valid Storefront Cannabis Retailer permit or has the same Owners as a separate entity, identified by name and permit number in the application, that holds a valid Storefront Cannabis Retailer permit. In either case, the Storefront Cannabis Retailer permittee shall be referred to as the "Associated Storefront Cannabis Retailer Permittee."

(B) If the Associated Storefront Cannabis Retailer Permittee is not the Cannabis Café permit Applicant and has an Equity Applicant as an Owner, the application must document that

the Equity Applicant is an Owner of the entity seeking the Cannabis Café permit and that the Equity Applicant's ownership interest in the entity seeking the Cannabis Café permit is equal to or greater than the lesser of: (i) 20%; or (ii) the Equity Applicant's percentage ownership in the Associated Storefront Cannabis Retailer Permittee.

(C) The application's Associated Storefront Cannabis Retailer Permittee is not connected, within the meaning of subsection (f)(1)(A), with any other Cannabis Café permittee or pending Cannabis Café permit application. Notwithstanding the foregoing, prior to permit issuance, the Director may, for good cause, allow a Cannabis Café permit applicant to withdraw the application and submit a replacement application for a different location while maintaining their place in the processing queue. In no event, however, shall the Director issue a Cannabis Café permit to an Applicant whose Associated Storefront Cannabis Retailer Permittee is already associated with a current Cannabis Café permittee within the meaning of subsection (f)(1)(A).

* * * *

(5) Notwithstanding any other provision of this subsection (c), prior to the award of any Cannabis Business Permit, permanent or temporary, and for five years following the date on which the Director has acknowledged receipt of an application for a Cannabis Business Permit from a particular Applicant or Permittee, an aggregate ownership interest of 50% or more in that Applicant or Permittee may not be transferred to any Person or combination of Persons who were not Owners of the Permittee at the time that a Cannabis Business Permit was first awarded to that Applicant or Permittee under this Article 16. Nothing in this subsection (c)(5) shall prohibit a holder of a Temporary Cannabis Business Permit from transferring an aggregate ownership interest of 50% or more in the Permittee prior to the award of a permanent Cannabis Business Permit to that Permittee after five years have passed from the earliest date on which the Director acknowledged receipt of an application for a Cannabis Business Permit, whether temporary or permanent, from that Permittee. In the event that, prior to the award of a Cannabis Business Permit or prior to five years after the date on which the Director acknowledged receipt of the application for a Cannabis Business Permit from that Permittee, an aggregate ownership interest of 50% or more in a Permittee is transferred to any Person or combination of Persons who were not Owners of the Permittee at

the time that a Cannabis Business Permit was awarded, in violation of this subsection (c)(5), and the Permittee fails to undo the prohibited ownership transfer within six months of receiving notification of such violation from the Director, the Permittee shall promptly surrender the permit to the Director. This restriction shall not apply to any testamentary or intestate transfer of ownership triggered by an Owner's death. This obligation is not dependent on the Director's requesting the surrender, but arises by operation of law six months following notice from the Director that the sale of the Cannabis Business has violated the transfer restriction in this subsection (c)(5). If the Permittee fails to surrender the permit to the Director, the Director may, after giving the Permittee notice by mail and electronically of the proposed action and an opportunity to respond, revoke the permit. *Where a permittee has applied for both a Cannabis Café permit and a Storefront Cannabis Retailer permit, the "earliest date on which the Director acknowledged receipt of an application for a Cannabis Business Permit" shall be calculated with reference to the application for the Storefront Cannabis Retailer Permit.*

If an application for a permit, under this Article 16, to operate as a Storefront Cannabis Retailer is pending for approval before the Planning Commission, and if the approval of that permit would cause an individual to hold a legal or beneficial interest in four or more existing Storefront Cannabis Retailers (other than Storefront Cannabis Retailers that, as of the effective date of the ordinance in Board File No. 180912, have received approval from the Planning Commission following a discretionary review hearing), the Office of Cannabis shall place on hold any additional applications for a permit on behalf of a Storefront Cannabis Retailer in which that individual would hold a legal or beneficial interest in a proposed Storefront Cannabis Retailer. For purposes of this subsection (b), the circumstances in which an individual holds a legal or beneficial interest in a Storefront Cannabis Retailer shall include (but need not be limited to) any circumstance in which an individual holds a legal or beneficial interest in any Person holding a legal or beneficial interest in the Storefront Cannabis Retailer.

LEGISLATIVE DIGEST

[Various Codes - Cannabis Cafés]

Ordinance amending the Health, Planning, Police, and Business and Tax Regulations Codes to establish a new permit type for cannabis cafés to be administered by the Office of Cannabis that will authorize the permittee to sell cannabis and cannabis products only for consumption on the premises of the café; exempt cannabis cafés from the prohibition on smoking in business establishments; eliminate the prohibition on establishments with a cannabis consumption permit requiring employees to enter a designated smoking room as a condition of employment; exempt cannabis cafés in certain circumstances from the 600-foot buffer rule that applies to cannabis retail establishments; restrict eligibility for cannabis café permits for one year to businesses that currently hold a cannabis storefront retailer permit or that have the same owners as such a business; require Equity Applicants that apply for a cannabis café permit to pay the $2,000 application fee, any permit amendment processing costs, and the $3,000 license fee for the first year of operation, associated with the cannabis café permit; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan and the eight priority policies of Planning Code, Section 101.1; and making public necessity, convenience, and welfare findings under Planning Code, Section 302.

Existing Law

Current law does not include a distinct permit category for cannabis cafés.

Current law does not clearly exempt cannabis cafés from the ban on smoking in enclosed spaces.

Current law prohibits an establishment with a cannabis consumption permit from requiring employees to enter a designated smoking room as a condition of their employment.

Current law generally prohibits approval of a cannabis retail establishment that would be located within 600 feet of another retail establishments (the "600 foot buffer rule").

Current law exempts equity applicants for cannabis business permits from paying the one-time permit application fee of $2,000, any fees for the hourly costs of processing a permit amendment for the first year of operation, and the license fee of $3,000 for the first year of operation.

Amendments to Current Law

The proposed ordinance would create a permit for cannabis cafés, to be administered by the Office of Cannabis.

The proposed ordinance would, for one year following its effective date, limit eligibility for cannabis café permits to businesses that either currently hold a storefront cannabis retailer permit or share all of the same owners as a business that currently holds a storefront cannabis retailer permit.

The proposed ordinance would prohibit issuance of a cannabis café permit to an applicant if an individual holding a legal or beneficial interest in that applicant already holds a legal or beneficial interest in four or more businesses that either hold valid cannabis café permits or have pending applications for cannabis café permits.

The proposed ordinance would expressly exempt cannabis cafés from the ban on smoking in enclosed spaces.

The proposed ordinance would eliminate the prohibition on establishments with cannabis consumption permits requiring employees to enter a designated smoking room as a condition of their employment.

The proposed ordinance would add an exception to the 600 foot buffer rule for a cannabis café that is located within 600 feet of a storefront cannabis retailer that shares all of the same owners as the cannabis café, so long as no other cannabis cafés sharing all of the same owners are already located within 600 feet of the storefront cannabis retailer.

The proposed ordinance would require equity applicants that receive a cannabis café permit to pay the standard one-time permit application fee of $2,000, fees for the hourly costs of processing a permit amendment for the first year of operation, and the license fee of $3,000 for the first year of operation.
