Hi Monique, I live in Park Merced and I am member of Park Merced Tenants associaition and live beside this proposed bar and I and a number of residents have grave reservations about this proposal. The previous tenant gave no consideration to the quality of life of residents who live nearby. On weekends it was impossible to get to sleep until well after 3am and during the week they had karaoke night which also ran late. Police were called on a number of occasions to the parking lot because of fights and people were also gathering in the parking lot and drinking.
I spoke on a number of occasions with the bar staff regarding the noise and their response was "once they are out of the bar it has nothing to do with me". I would like to know what the new tenants' plans are regarding providing security inside and outside the bar, especially after closing time. I would to know when the hearing is taking place and if the public can attend as and other residents would to be heard.
Best regards
Patrick Kelly.

Hi Patrick,

Is this relevant to your question about who manages the mall? Perhaps having more eyes and employees will help with the loitering issue.

Hi Monique,

I am writing this message to express my support for the bar to be opened at 77 Cambon Drive. I believe that it will be a strong initiative that will benefit fellow businesses and create a social space for San Francisco State University students nearby. Thank you.

Best,

John Jweinat
