Our bar will enhance the quality of life in the Park Merced neighborhood by offering a comfortable, well-managed place for residents to socialize and enjoy community events. Our establishment will provide a welcoming atmosphere and a safe space for neighbors to gather, whether to watch a game or celebrate local occasions.

Sound control has been one of our highest priorities. The building has installed sound-proof windows and doors, and we maintain all interior music and TV audio at normal levels. We are not a nightclub and do not host loud entertainment. Doors will remain closed during any busy periods, and our staff will actively monitor the entrance area to ensure guests behave respectfully and do not disturb nearby residents.

We aim to become a true community hub. In addition to everyday sports viewing, we plan to host small celebrations, birthday gatherings, local events, and themed nights that bring neighbors together. Our space is designed to welcome longtime residents and students, offering a friendly atmosphere. We want residents to feel comfortable stopping by to meet friends or enjoy community-oriented activities.

Docusign Envelope ID: 51B259EE-283C-4D84-A73C-3B2BCE0ECD73

Safety is a top priority. We have installed a comprehensive security system with more than 20 cameras covering both indoor and outdoor areas. We are also implementing a professional ID-scanning system to verify the authenticity of every ID and maintain a secure record if any issue arises. Our staff will be trained in responsible alcohol service, and during peak hours or special events we will have security personnel on site. Our goal is to maintain a safe, controlled, and respectful environment for everyone in the community.

The bar will generate new local jobs, support neighboring businesses through increased foot traffic, and contribute additional tax revenue to the city. We will be hiring bartenders, security, and support positions, and we aim to work with local vendors whenever possible. Revitalizing this commercial space also brings long-term economic stability to the Park Merced neighborhood.

Our establishment offers a balanced experience not currently available in the neighborhood: a bar that combines relaxed socializing and community-focused activities. Our emphasis on safety, responsible operations, and neighborhood engagement makes us distinct from typical nightclub-type concepts and fills an important gap in the local social landscape.

We are fully willing to accept reasonable conditions that address community or law-enforcement concerns. Our goal is to be a responsible, safe, and positive addition to the neighborhood, and we welcome collaboration to ensure we meet that standard. Thank you for your time and consideration.

Sincerely,

77 Assets LLC

Hi Monique, I live in Park Merced and I am member of Park Merced Tenants associaition and live beside this proposed bar and I and a number of residents have grave reservations about this proposal. The previous tenant gave no consideration to the quality of life of residents who live nearby. On weekends it was impossible to get to sleep until well after 3am and during the week they had karaoke night which also ran late. Police were called on a number of occasions to the parking lot because of fights and people were also gathering in the parking lot and drinking.
I spoke on a number of occasions with the bar staff regarding the noise and their response was "once they are out of the bar it has nothing to do with me". I would like to know what the new tenants' plans are regarding providing security inside and outside the bar, especially after closing time. I would to know when the hearing is taking place and if the public can attend as and other residents would to be heard.
Best regards
Patrick Kelly.

Hi Patrick,

Is this relevant to your question about who manages the mall? Perhaps having more eyes and employees will help with the loitering issue.

Hi Monique,

I am writing this message to express my support for the bar to be opened at 77 Cambon Drive. I believe that it will be a strong initiative that will benefit fellow businesses and create a social space for San Francisco State University students nearby. Thank you.

Best,

John Jweinat
