Dear President Mandelman and Members of the Board of Supervisors,

On behalf of my client, CP Development Co, LLC (Five Point Holdings) and the project team, we respectfully request your support for Item 28 on your calendar today, May 5, 2026 regarding the Candlestick Point street name changes.

This action represents an important step as we finalize key permits needed to begin construction on critical infrastructure later this year - work that will lay the foundation for long-anticipated neighborhood investment, job creation, and economic growth. Approval now ensures the correct street names can be reflected in the upcoming Final Map for Major Phase 2, avoiding delays and keeping the project on track for introduction in June.

The naming plan reflects years of community engagement, with input from residents, stakeholders, and the Hunters Point Shipyard Citizens Advisory Committee. The result is a thoughtful balance - honoring local community leaders while also recognizing the historic legacy of Candlestick as a major sports and cultural destination.

While administrative in nature, this action helps unlock the next phase of a community-driven development that will bring new housing, infrastructure, open space, and sustained economic opportunity to the Bayview and broader District 10 neighborhood.

We also want to thank Supervisor Walton for his leadership and sponsorship of this item, and the Land Use and Transportation Committee for its unanimous approval on May 4, 2026 and OCII, DPW and city staff for their ongoing work - an important signal of forward momentum as we move toward breaking ground on infrastructure later this year, creating jobs, and advancing real, on-the-ground progress for the Bayview community.

Thank you for your time and attention and we appreciate your consideration and support.

Sincerely,

Denise LaPointe
