~~***SEC. 8A.100. PREAMBLE.***~~

~~*(a) An effective, efficient, and safe transportation system is vital for San Francisco to achieve its goals for quality of life, environmental sustainability, public health, social justice, and economic growth. The Municipal Transportation Agency must manage San Francisco's transportation system which includes automobile, freight, transit, bicycle, and pedestrian networks to help the City meet those goals. Through this measure, the voters seek to provide the Municipal Transportation Agency with improved resources and expanded independence and authority in order to create a transportation system that is among the best in the world.*~~

~~*(b) This article requires the Municipal Transportation Agency to develop clear, meaningful and quantifiable measures of its performance and goals and to regularly publicize those standards. This article also recognizes that the workers of the Municipal Transportation Agency are vital to the success of the Agency and to achieving the improvements voters seek. Therefore, it authorizes incentives for excellence and requires accountability for both managers and employees.*~~

~~(c) Specifically, San Francisco residents require:~~

~~1. Reliable, safe, timely, frequent, and convenient transit service to all neighborhoods;~~

~~2. A reduction in breakdowns, delays, over-crowding, preventable accidents;~~

~~3. Clean and comfortable transit vehicles and stations, operated by competent, courteous, and well trained employees;~~

~~4. Support and accommodation of the special transportation needs of the elderly and the disabled;~~

~~5. Protection from crime and inappropriate passenger behavior on the Municipal Railway;~~

~~6. Responsive, efficient, and accountable management;~~

~~7. Roads that are not gridlocked with congestion;~~

~~8. A safe and comprehensive network of bicycle lanes;~~

~~9. A safe and inviting environment for pedestrians;~~

~~10. Efficient movement of goods and deliveries;~~

~~11. A transportation sector that promotes environmental sustainability and does not contribute to global warming; and~~

~~12. A well-managed and well-coordinated transportation system that contributes to a livable urban environment.~~

~~Through this measure, the voters seek to provide the transportation system with the resources, independence and focus necessary to achieve these goals.~~

~~(d) The voters find that one of the impediments to achieving these goals in the past has been that responsibility for transportation has been diffused throughout City government. Accordingly, this Article places within the Municipal Transportation Agency the powers and duties relating to transit now vested in other departments, boards, and commissions of the City~~

~~*and County. This Article further requires that, to the extent other City and County agencies provide services to the Municipal Transportation Agency, those departments must give the highest priority to the delivery of such services.*~~

~~*(e) At the same time, this Article is intended to ensure sufficient oversight of the Municipal Transportation Agency by, among other things, preserving the role of the City's Controller as to financial matters, the City Attorney as to legal matters, and the Civil Service Commission, as to merit system issues. In addition, this Article requires that outside audits be performed to ensure that required service levels are obtained with a minimum of waste.*~~

~~*(f) Finally, this Article is intended to strengthen the Municipal Transportation Agency's authority to: 1) manage its employees; 2) establish efficient and economical work rules and work practices that maximize the Agency's responsiveness to public needs; and 3) protect the Agency's right to select, train, promote, demote, discipline, layoff and terminate employees, managers, and supervisors based upon the highest standards of customer service, efficiency and competency.*~~

~~*(g) The effective management of traffic flow and parking are vital to the operation of the Municipal Railway. Congestion on city streets causes delays in transit operations. Therefore, the Municipal Transportation Agency must manage parking and traffic flow to ensure that transit vehicles move through City streets safely and efficiently.*~~

~~*(h) In addition, the residents of San Francisco require that the Agency: 1) value and protect the safety of pedestrians and bicyclists; 2) reduce congestion and air pollution through efficient use of the streets; and 3) protect the City's economic health by giving priority to commercial deliveries and access to local businesses.*~~

~~*(i) The voters find that reducing the carbon emissions from San Francisco's transit sector is fundamental to the City's health and wellbeing and shall be among the Agency's policy priorities. Because the Agency has significant influence on San Francisco's transportation*~~

~~*sector, which is responsible for fully half of the carbon emissions produced within the City, the voters direct the Agency to develop and implement strategies for substantially reducing those emissions. The voters further affirm the goals of the City's Climate Action Plan.*~~

~~*(j) This Article shall be interpreted and applied in conformance with the above goals.*~~

SEC. 8A.101. MUNICIPAL TRANSPORTATION AGENCY.

(a) There shall be a Municipal Transportation Agency. The Agency shall include a Board of Directors and a Director of Transportation. The Agency shall include the Municipal Railway, ~~*and*~~ the former Department of Parking and Traffic, *and the powers and duties of the former Taxi Commission,* as well as any other departments, bureaus, or operating divisions hereafter created or placed under the Agency *in this Charter or by ordinance.* ~~*There shall also be a Citizens Advisory Committee to assist the Agency.*~~

~~*(b) The Board of Supervisors shall have the power, by ordinance, to abolish the Taxi Commission created in Section 4.133, and to transfer the powers and duties of that commission to the Agency under the direction of the Director of Transportation or his or her designee. In order to fully integrate taxi related functions into the Agency should such a transfer occur, the Agency shall have the same exclusive authority over taxi related functions and taxi related fares, fees, charges, budgets, and personnel that it has over the Municipal Railway and parking and traffic fares, fees, charges, budgets, and personnel. Once adopted, Agency regulations shall thereafter supercede all previously adopted ordinances governing motor vehicles for hire that conflict with or duplicate such regulations.*~~

~~*(c) Any transfer of functions occurring as a result of the above provisions shall not adversely affect the status, position, compensation, or pension or retirement rights and privileges of any civil service employees who engaged in the performance of a function or duty transferred to another office, agency, or department pursuant to this measure.*~~

(~~d~~b) Except as expressly provided in this Article *VIIIA*, the Agency shall comply with all of the restrictions and requirements imposed by the ordinances of general application of the City and County, including ordinances prohibiting discrimination of any kind in employment and contracting~~, such as Administrative Code Chapters 12B et seq.,* as amended from time to time~~. The Agency shall be solely responsible for the administration and enforcement of such requirements.

(~~e~~c) The Agency may ~~contract~~ *enter into memoranda of understanding* with existing City and County departments to carry out any of its powers and duties. Any such ~~contract~~ *memoranda of understanding* shall establish performance standards for the department providing the services to the Agency, including measurable standards for the quality, timeliness, and cost of the services provided. All City and County departments must give the highest priority to the delivery of such services to the Agency.

(~~f~~d) The Agency may not exercise any powers and duties of the Controller or the City Attorney and shall ~~contract~~ *enter into memoranda of understanding* with the Controller and the City Attorney for the exercise of such powers and duties.

~~*(i) Notwithstanding the authority established in subsection 7, the Board of Supervisors may by ordinance establish procedures by which the public may seek Board of Supervisors review of any Agency decision with regard to the installation or removal of a stop*~~

12. Have exclusive authority to apply for, accept, and expend state, federal, or other public or private grant funds for Agency purposes;

13. To the maximum extent permitted by law, with the concurrence of the Board of Supervisors, and notwithstanding the requirements and limitations of Sections 9.107, 9.108, and 9.109, have authority without further voter approval to incur debt for Agency purposes and to issue or cause to be issued bonds, notes, certificates of indebtedness, commercial paper, financing leases, certificates of participation or any other debt instruments. Upon recommendation from the Board of Directors, the Board of Supervisors may authorize the Agency to incur on behalf of the City such debt or other obligations provided: 1) the Controller first certifies that sufficient unencumbered balances are expected to be available in the proper fund to meet all payments under such obligations as they become due; and 2) any debt obligation, if secured, is secured by revenues or assets under the jurisdiction of the Agency.

14. Have the authority to conduct investigations into any matter within its jurisdiction through the power of inquiry, including the power to hold public hearings and take testimony, and to take such action as may be necessary to act upon its findings; ~~*and*~~

1*6*~~*5*~~. Exercise such other powers and duties as shall be prescribed by ordinance of the Board of Supervisors.

(c) The Agency's Board of Directors shall:

1. Appoint a Director of Transportation, who shall serve at the pleasure of the Board. The Director of Transportation shall be employed pursuant to an individual contract. ~~*His or her*~~ *The Director's* compensation shall be comparable to the compensation of the chief executive officers of the public transportation systems in the United States which the Board of Directors, after an independent survey, determine most closely resemble the Agency in size, mission, and complexity. In addition, the Board of Directors shall provide an incentive compensation plan consistent with the requirements of Section 8A.104(~~*k*~~*m*) under which a

portion of the Director's compensation is based on achievement of service standards adopted by the Board of Directors.

2. Appoint an executive secretary who shall be responsible for administering the affairs of the Board of Directors and who shall serve at the pleasure of the Board.

~~*3. In addition to any training that may be required by City, State or federal law, attend a minimum of four hours of training in each calendar year, provided by the City Attorney and the Controller regarding the legal and financial responsibilities of the Board and the Agency.*~~

(d) The Director of Transportation shall appoint all subordinate personnel of the Agency, including deputy directors. The deputy directors shall serve at the pleasure of the Director of Transportation.

(e) Upon recommendation of the City Attorney and the approval of the Board of Directors, the City Attorney may compromise, settle, or dismiss any litigation, legal proceedings, claims, demands or grievances which may be pending for or on behalf of, or against the Agency relative to any matter or property solely under the Agency's jurisdiction. ~~*Unlitigated claims or demands against the Agency shall be handled as set forth in Charter Section 6.102.*~~ Any payment pursuant to the compromise, settlement, or dismissal of such litigation, legal proceedings, claims, demands, or grievances, unless otherwise specified by the Board of Supervisors, shall be made from the Municipal Transportation Fund.

(f) The Agency's Board of Directors, and its individual members, shall deal with administrative matters solely through the Director of Transportation or ~~*his or her*~~ *the Director's* designees. Any dictation, suggestion, or interference by a director in the administrative affairs of the Agency, other than through the Director of Transportation or ~~*his or her*~~ *the Director's* designees, shall constitute official misconduct; provided, however, that nothing herein contained shall restrict the Board of Directors' powers of hearing and inquiry as provided in this Section.

(g) Notwithstanding any provision of ~~*Chapter 6 or 21 of the Administrative*~~ *the Municipal* Code establishing any threshold amount for exercise of executive authority to execute contracts~~*, or any successor provision of the San Francisco Municipal Code*~~, the Agency's Board of Directors may adopt threshold amounts under which the Director of Transportation and ~~*his or her*~~ *the Director's* designees may approve contracts.

(h) Except *as* provided in this Article *VIIIA*, the Agency shall be subject to the provisions of this Charter applicable to boards, commissions, and departments of the City and County, including Sections 2.114, 3.105, 4.101, ~~*4.103,*~~ 4.104, 4.113, 6.102, 9.118, *and* 16.100~~*, and A8.346*~~. Sections 4.102, 4.126, and 4.132 shall not be applicable to the Agency.

SEC. 8A.103. SERVICE STANDARDS AND ACCOUNTABILITY.

* * * *

(c) The standards for the Agency with respect to the services provided by the Municipal Railway shall include the following minimum standards for on-time performance and service delivery:

1. On-time performance: at least 85*%* ~~*percent*~~ of vehicles must run on-time, ~~*where a vehicle is considered on-time if it is no more than one minute early or four minutes late as measured against a published schedule that includes time points*~~ *with on-time performance determined in accordance with subsection (e)*; and

2. Service delivery: 98.5*%* ~~*percent*~~ of scheduled service hours must be delivered, and at least 98.5*%* ~~*percent*~~ of scheduled vehicles must begin service ~~*at the scheduled time*~~ *on time*.

* * * *

(e) The Board of Directors shall adopt Agency rules setting forth the methods by which performance shall be measured with respect to each standard established pursuant to subsections

(c) or (d) above in accordance with industry best practices to enhance the Agency's ability to compare its performance to that of other comparable transit systems. The Agency shall regularly publish reports documenting the Agency's performance for each standard. Each performance report shall note any changes in the rules governing the methods by which performance is measured so as to inform interpretation of performance trends over time. Nothing herein shall prohibit the Agency from using additional performance measures.

(f) ~~*The Agency shall issue a Climate Action Plan to the Board of Supervisors and the Commission on the Environment by January 1, 2009, and every two years thereafter.*~~ *The Agency shall participate in Citywide climate action planning efforts.* ~~*The plan*~~ *As part of their participation, the Agency* shall describe measures taken and progress made toward the goal of reducing greenhouse gas emissions from San Francisco's transportation sector*, as measured by applicable federal, state, and local requirements and standards, and* ~~*to 80% of 1990 levels by 2012 and shall further address*~~ progress toward the following goals:

1. Zero greenhouse gas emissions for Municipal Railway transit vehicles;
2. Lowering energy consumption in Agency facilities and by non-transit vehicles;
3. Maximizing waste reduction in Agency operations;
4. Increasing transit trips and reducing private vehicle trips within the City;
5. Increasing the use of bicycling and walking as alternate forms of transportation; and
6. Improving regional transit connections to reduce private vehicle use by commuters.

~~*No later than January 1, 2010, and no less than every ten years thereafter, the Board of Supervisors shall adopt legislation setting goals for reducing greenhouse gas emissions from San Francisco's transportation sector, and other climate action measures set forth above, for periods after 2012.*~~

SEC. 8A.104. PERSONNEL AND MERIT SYSTEM.

* * * *

(k) Upon the expiration of labor contracts negotiated by the Department of Human Resources and approved by the Board of Supervisors, and except for retirement benefits, the wages, hours, working conditions, and benefits of the employees in classifications within the Municipal Railway designated by the Agency as "service-critical" shall be fixed by the Agency after meeting and conferring as required by the laws of the State of California and this Charter, including Sections ~~*A8.346,*~~ A8.404 and A8.409. These agreements shall utilize, and shall not alter or interfere with, the health plans established by the City's Health Service Board; provided, however, that the Agency may contribute toward defraying the cost of employees' health premiums. For any job classification that exists both as a "service-critical" classification in the Agency and elsewhere in City service, the base wage rate negotiated by the Agency for that classification shall not be less than the wage rate set in the Citywide memorandum of understanding for that classification.

* * * *

(o) ~~*The voters find that f*~~For transit system employees whose wages, hours and terms and conditions of employment are set by the Agency, the Agency's discretion in establishing and adjusting scheduling, deployment, assignment, staffing, sign ups, and the use and number of part-time transit system personnel based upon service needs is essential to the effective, efficient, and reliable operation of the transit system. In any mediation/arbitration proceeding under Section 8.409-4 with an employee organization representing transit system employees, the employee organization shall have the burden of proving that any restrictions proposed on the Agency's ability to exercise broad discretion with respect to these matters are justified. ~~*To meet this burden, the employee organization must prove by clear and convincing evidence that the*~~

~~*justification for such restrictions outweighs the public's interest in effective, efficient, and reliable transit service and is consistent with best practices.*~~ The mediation/arbitration board shall not treat the provisions of MOUs for transit system employees adopted prior to the effective date of this provision as precedential in establishing the terms of a successor agreement. The mediation/arbitration board's jurisdiction shall be limited to matters within the mandatory scope of bargaining under state law.

* * * *

(q) In addition, ~~*the voters find that*~~ Agency service *in the past* has been impaired by the existence of side-letters and reliance on "past practices" that have been treated as binding or precedential but have not been expressly authorized by the Board of Directors or the Director of Transportation, and have not been and are not subject to public scrutiny. Accordingly, for employees whose wages, hours and terms and conditions of employment are set by the Agency, no side-letter or practice within the scope of bargaining may be deemed binding or precedential by the Agency or any arbitrator unless the side-letter or practice has been approved in writing by the Director of Transportation or, where appropriate, by the Board of Directors upon the recommendation of the Director of Transportation and appended to the MOU of the affected employee organization or organizations subject to the procedures set out in this charter. No MOU or arbitration award approved or issued after the November 2010 general election shall provide or require that work rules or past practices remain unchanged during the life of the MOU, unless the specific work rules or past practices are explicitly set forth in the MOU. ~~*All side-letters shall expire no later than the expiration date of the MOU.*~~

(r) Before adopting any tentative agreement with an employee organization covering matters within the scope of representation, the Agency shall, at a duly noticed public meeting, disclose in writing the contents of such tentative agreement, a detailed analysis of the proposed agreement, a comparison of the differences between the agreement reached and the prior

agreement, an analysis of all costs for each year of the term of such agreement, and whether funds are available to cover these costs. Such tentative agreement between the Agency and employee organization shall not be approved by the Agency until ~~15~~*14* calendar days after the above disclosures have been made.

SEC. 8A.105. MUNICIPAL TRANSPORTATION FUND.

* * * *

(c) The Base Amount shall initially be determined by the Controller. Adjustments to the Base Amount shall be made as follows:

1. The Base Amount shall be adjusted for each year after fiscal year 2000-2001 by the Controller based on calculations consistent from year to year, by the percentage increase or decrease in aggregate City and County discretionary revenues. In determining aggregate City and County discretionary revenues, the Controller shall only include revenues received by the City which are unrestricted and may be used at the option of the Mayor and the Board of Supervisors for any lawful City purpose. Additionally, in determining aggregate City and County discretionary revenues, the Controller shall not include revenues received by the City under the increased rates in Business and Tax Regulations Code Sections 953.1(g), 953.2(h), 953.3(h), 953.4(e), 953.5(d), 953.6(f), 953.7(d), and 953.8(i) adopted by the voters at the general municipal election on November 3, 2020, and shall not include revenues received by the City under Article 36 of the Business and Tax Regulations Code adopted by the voters at the general municipal election on November 3, 2020. Errors in the Controller's estimate of discretionary revenues for a fiscal year shall be corrected by adjustment in the next year's estimate.

2. An adjustment shall also be made for any increases in General Fund appropriations to the Agency in subsequent years to provide continuing services not provided in

the Base Year, but excluding additional appropriations for one-time expenditures such as capital expenditures or litigation judgments and settlements.

3. Commencing with the fiscal year beginning on July 1, 2015, the Controller shall also adjust the Base Amount annually by the percentage increase in the San Francisco population based on data from the source(s) the Controller, in ~~*his or her*~~ *the Controller's* sole discretion, finds most reliable for the most recent available calendar year. The Controller's population growth adjustment shall be based on the greater of the increase in daytime or night-time population. For any year in which the Controller determines that neither the daytime nor night-time population has increased, the Controller shall make no adjustment under this subparagraph 3 to the Base Amount. For purposes of the initial adjustment for the year commencing July 1, 2015, the Controller shall adjust the Base Amount based on the increase in City daytime or night-time population for the most recent ten-year period for which data are available instead of the most recent available calendar year. The Agency shall use the amount of any increase in the Base Amount resulting from the adjustment required by this subparagraph 3 exclusively as follows: 75% ~~*per cent*~~ shall be used *for transit operations expenses and transit infrastructure improvements and maintenance* ~~*to make transit system improvements to the Municipal Railway to improve the system's reliability, frequency of service, capacity, and state of good repair,*~~ and 25% ~~*per cent*~~ shall be used for transportation capital *improvement and maintenance* ~~*expenditures*~~ to improve street safety for all users.

* * * *

(f) In addition, there is hereby set aside from the general revenues of the City and County and deposited in the Transportation Fund to support the Agency's transit services an amount equivalent to 80% ~~*percent*~~ of the revenues received from the City's tax on occupation of parking spaces. Additional amounts appropriated as a result of this subsection *(f)* after July 1, 2008 which were not previously available to support transit service shall be used exclusively to:

1. support *transit operations expenses* ~~*implementation of the transit service improvements recommended by the Transit Effectiveness Project or any subsequent system-wide route and service evaluation, with first priority given to the hiring of full time on-going staff and expansion of training for Agency employees, supervisors and managers*~~; and

2. support the creation of a Labor-Management Implementation and Service Improvement Committee consisting of the Director of Transportation and a designated representative of each union representing Agency employees. This committee shall meet quarterly to discuss implementation of this Section and ongoing system challenges.

SEC. 8A.106. BUDGET.

The Agency shall be subject to the provisions of Article IX of this Charter except:

(a) No later than May 1 of each even-numbered year, after professional review~~,~~ *and a* public hearing ~~*and after receiving the recommendations of the Citizens' Advisory Council*~~, the Agency shall submit its proposed budget with annual appropriation detail in a form approved by the Controller for each of the next two fiscal years to the Mayor and the Board of Supervisors for their review and consideration. The Agency shall propose a budget that is balanced without the need for additional funds over the Base Amount, but may include fare increases and decreases, and reductions or abandonment of service. The Mayor shall submit the budget to the Board of Supervisors, without change. Should the Agency request additional general fund support over the Base Amount, it shall submit an augmentation request for those funds in the standard budget process and subject to normal budgetary review and amendment under the general provisions of Article IX.

SEC. 8A.107. MUNICIPAL TRANSPORTATION QUALITY REVIEW.

(a) The Agency shall biennially contract with a nationally recognized management or transportation consulting firm with offices in the City and County for an independent review of the quality of its operations. The contract shall be competitively bid and approved by the Controller and Board of Supervisors. The review shall contain:

1. A detailed analysis of the extent to which the Agency has met the goals, objectives, and performance standards it is required to adopt under Section 8A.103, and the extent to which the Agency is expected to meet those goals, objectives, and performance standards in the two fiscal years for which the review is submitted, and independent verification of the Agency's reported performance under ~~*the*~~ *adopted* performance measures ~~*adopted pursuant to Section 4 of this measure*~~; and

2. Such recommendations for improvement in the operation of the Agency as the firm conducting the review deems appropriate.

(b) The results of the review shall be presented promptly to ~~*the Citizens' Advisory Council, the Agency,*~~ the Board of Supervisors~~,~~ and the Mayor by the reviewing firm; and ~~*the Citizens' Advisory Council,*~~ the Agency~~,~~ and the Board of Supervisors shall each promptly hold at least one public hearing thereon.

SEC. 8A.111. CITIZENS' ADVISORY COUNCIL.

The Agency shall establish a Citizens' Advisory Council of ~~*fifteen*~~*15* members which shall consist of one person appointed by each member of the Board of Supervisors and four members appointed by the Mayor. Each member must be a resident of the City and County. No fewer than ~~*ten*~~*10* members of the Council must be regular riders of the Municipal ~~*Rail way*~~ *Railway, and the Council shall include both pedestrians and cyclists*. At least two members must use the Municipal Railway's paratransit system, and at least three of the members must be senior citizens over the age of 60. The membership of the Council shall be reflective of the diversity

and neighborhoods of the City and County. The Council may provide recommendations to the Agency with respect to any matter within the jurisdiction of the Agency and shall be allowed to present reports to the Agency's board of directors. The members of the Council shall be appointed to four-year terms and shall serve at the pleasure of their appointing power. ~~*Staggered terms for the initial appointees to the Council shall be determined by lot.*~~

As set forth in Section 18.116 of this Charter, this Section 8A.111 shall be deemed enacted into ordinance on January 1, 2027, and the City Attorney shall transfer the Section to Division II of the Transportation Code. Thereafter, Section 8A.111 (as enacted into ordinance) may be amended or repealed by resolution of the Agency's Board of Directors as provided in Section 8A.102(b).

SEC. 8A.113. PARKING AND TRAFFIC; GOVERNANCE.

* * * *

(b) It shall be City policy that the Agency manage the Parking Authority so that it does not acquire or construct new or expanded parking facilities unless the Agency finds that the costs resulting from such acquisition, construction, or expansion and the operation of such facilities will not reduce the level of funding to the Municipal Railway from parking and garage revenues under ~~*Section 16.110*~~*Section 8A.105(e)* to an amount less than that provided for fiscal year 1999-2000, as adjusted by the Controller for inflation; further provided that it shall be City policy that before approving the acquisition, construction or expansion of a parking garage, the Agency's Board of Directors shall make a finding that the operation of the garage will advance or be consistent with the City's Transit First Policy.

SEC. 8B.120. PREAMBLE.

~~*The Public Utilities Commission operates the Water, Clean Water and Power Utilities of the City and County of San Francisco. Hetch Hetchy Water and Power System is an irreplaceable asset of the people of the City and County of San Francisco. The system is fundamental to the economic vitality of San Francisco and the Bay Area. The voters of the City and County of San Francisco are committed to preserving and protecting the system as well as safeguarding the extraordinary quality of the water from Yosemite and local watersheds. The voters find that the protection, maintenance and repair of the system are among their highest priorities.*~~

~~*San Francisco faces an unprecedented challenge: to restore its aging water system to ensure a reliable Bay Area water supply through the next century. Repairs must be accomplished as quickly as possible to avoid system outages, which could be caused by natural disasters such as earthquake. In planning for its future needs and those of its wholesale customers, the City must promote water conservation and responsible stewardship of its natural resources. The effectiveness of the City's Public Utilities Commission, which has jurisdiction over the system, is essential to achieving these goals.*~~

~~*In addition, San Francisco must upgrade and repair its clean water system to meet changes in state and federal water quality requirements, and to ensure reliability of the system, parts of which are outdated, aged or seismically vulnerable. The voters find that the operation of the clean water system should not unnecessarily place a disproportionate environmental burden on any community.*~~

~~*This measure is intended to enhance public confidence in the City's stewardship of public utilities by:*~~

~~*1. Clarifying that the Public Utilities Commission has exclusive control of water, clean water and power assets owned or maintained by the City and County of San Francisco;*~~

~~*2. Establishing rates sufficient to meet operation, maintenance and financial needs of the system based on costs and sound budgeting and auditing procedures to protect retail ratepayers and reduce interest paid on bonds and other indebtedness while ensuring public review;*~~

~~*3. Establishing the Public Utilities Commission as an independent revenue department not subject to undue financial pressures to contribute to the City's general fund;*~~

~~*4. Requiring the development of long term Capital, Financial and Strategic Plans to ensure that the utilities are operated efficiently in accordance with best public utility practice;*~~

~~*5. Authorizing the Public Utilities Commission to independently enter into certain contracts;*~~

~~*6. Giving the Public Utilities Commission the ability to finance needed capital improvements through revenue bonds or other financing methods consistent with the powers of other major public utilities in California; and*~~

~~*7. Promoting labor stability to ensure that the Capital Improvement Plan is completed expeditiously and efficiently.*~~

The people of the City and County of San Francisco over many years have invested and continue to invest significant financial resources to develop, improve, and maintain their water, power, and sewer systems. Prudent planning and efficient implementation are critical to sustaining effective, efficient, reliable, and resilient utilities through regular operation and natural disasters such as earthquakes and floods. The people also recognize the importance of protecting the natural environment, promoting water conservation, and supporting the communities that may be impacted by utility operation. Further, the people recognize that utility operations are subject to federal and state laws, and the City and County of San Francisco must meet regulatory mandates through continuous resource investment.

The Public Utilities Commission operates the Water, Power, and Sewer utilities of the City and County of San Francisco, all of which are invaluable assets of the City and County and each of which is described in the following paragraphs.

***Water**. The Water utility provides drinking water to the City and County of San Francisco and portions of the San Francisco Bay Area Region. The Water utility includes the Hetch Hetchy Water and Power system, the Regional Water system, and the system for distributing water throughout the City and County. The Water utility also includes multiple systems to manage, maintain, protect, store, transport, and deliver drinking water from the Hetch Hetchy reservoir in Yosemite National Park and other sources within the Regional and San Francisco water systems.*

***Power**. The Power utility provides electric power from the hydro- and solar power generation of the Hetch Hetchy Power system. The Power utility includes power generation and storage facilities, power transmission systems, and a renewable energy community choice aggregation service.*

***Sewer**. The Sewer utility collects, conveys, treats, and discharges wastewater, stormwater, and other surface flows to protect public health and the environment. The Sewer utility includes combined and separate sewer collection, conveyance, treatment, and discharge facilities and infrastructure.*

The purpose of this Article VIIIB is to ensure the long-term successful stewardship of the utility systems that support the City and County of San Francisco and serve San Francisco's utility ratepayers and wholesale customers.

SEC. 8B.121. PUBLIC UTILITIES COMMISSION.

(b) The Public Utilities Commission may enter into Joint Powers Agreements *or other joint, coordinated, or common-use agreements* with other public entities in furtherance of the responsibilities of the Commission.

(c) Except to the extent otherwise provided in this Article *VIIIB*, the Public Utilities Commission shall be subject to the provisions of Charter sections 4.100 et seq. generally applicable to boards and commissions of the City and County.

(d) The General Manager shall *be the department head and chief executive of the San Francisco Public Utilities Commission department (SFPUC or department). The General Manager shall have authority over and responsibility for the day-to-day management of the Water, Power, and Sewer utility systems, department operations, personnel, facilities, infrastructure, and real property under the jurisdiction of the Commission. The General Manager shall appoint all subordinate personnel of the department. The General Manager may appoint deputy and/or assistant general managers who shall serve at the pleasure of the General Manager. The General Manager may* ~~*have the authority to*~~ organize and reorganize the department. The General Manager shall adopt rules and regulations governing all matters within the jurisdiction of the department subject to section 4.102 as applicable.

(e) Ownership or control of any public utility or any part thereof under the jurisdiction of the Public Utilities Commission may not be transferred or conveyed absent approval by the Public Utilities Commission and approval by a vote of the electors of the City at the election next ensuing not less than 90 days after the adoption of such ordinance, which shall not go into effect until ratified by a majority of the voters voting thereon. Voter approval shall not be required for

sales or transfers of real property declared surplus to the needs of any utility by the Public Utilities Commission or to leases or permits for the use of utility real property approved by the Public Utilities Commission.

SEC. 8B.122. GOALS AND OBJECTIVES ~~*RELATED TO WATER AND CLEAN WATER*~~.

~~*(a)*~~ The Commission shall ~~*develop, periodically update and implement programs to achieve goals and objectives consistent with the following*~~*oversee the department's implementation of the following goals and objectives*:

~~(~~1~~)~~ Provide water ~~*and clean water*~~*, power, and sewer* services to San Francisco and ~~*water service to its wholesale customers while maintaining stewardship of the system by the City*~~*its retail and wholesale customers*;

~~(~~2~~)~~ Establish equitable *utility* rates sufficient to meet *the cost of service, maintain continuous, safe, and reliable operation of resilient utility systems,* and maintain ~~*operation, maintenance and*~~ financial health of the *utility* system~~s~~;

~~*(3) Provide reliable water and clean water services and optimize the systems' ability to withstand disasters;*~~

SEC. 16.108. CHILDREN AND YOUTH FUND.

(a) **Preamble.**

(1) By overwhelmingly reauthorizing the Children's Fund in 2000 with 74% ~~*percent*~~ approval, the people of the City and County of San Francisco found and declared that the Children's Fund (now to be known as the "Children and Youth Fund") is essential in ensuring the health and success of every San Francisco child.

(2) The previous investment of the Children and Youth Fund allowed for the Department of Children, Youth, and Their Families to serve over 56,000 youth in FY 2012-2013, focusing on the children with the most need.

(3) The Fund successfully stabilized and expanded services for children, youth, and their families, while leveraging other resources.

(4) Addressing the level of unmet need among children and youth remains a significant challenge. The needs of San Francisco's children have been increasing:

(A) One-third of San Francisco's African American and Latino children live below the poverty line. The number of San Francisco children in poverty has increased by 14% in the past 5 years.

(B) The federal poverty level for a family of four is $23,000; adjusted to San Francisco, it is $35,000. Self-sufficiency in San Francisco for a family of four is three times that amount, and over half of all families cannot meet the self-sufficiency standard. The Children and Youth Fund provides services that support families and opportunities for children and youth that are essential to meeting their needs and providing pathways out of poverty.

(C) State and federal cuts have significantly reduced children and youth services in San Francisco, including funding for child care, youth employment and high need disconnected transitional-aged youth.

(5) The reauthorization of the Children and Youth Fund will enable the Department of Children, Youth and Their Families ("DCYF") to build on the previous success of the Fund

and strengthen DCYF's capacity for the future, while fostering innovation and improving transparency and accountability.

(b) **Fund for Children and Youth Services.** Operative July 1, 2001, there is hereby established a fund to expand children's services, which shall be called the Children and Youth Fund ("Fund"). Monies in the Fund shall be expended or used only to provide services for children and youth as provided in this Section 16.108.

* * * *

(f) **Eligible Uses.** The City shall only use monies from the Fund for the following purposes:

* * * *

(2) Funding for ~~*the Department of Children, Youth and Their Families ("*~~DCYF~~*")*~~ and the Children, Youth and Their Families ~~*Oversight and Advisory Committee*~~ *Commission* created in *Charter* Section 16.108-1 (~~*"Oversight and Advisory Committee"*~~ *"CYF Commission"*).

* * * *

(h) **Baseline.** The Fund shall be used exclusively to increase the aggregate City appropriations and expenditures for those services for children and Disconnected Transitional-Aged Youth that are eligible to be paid from the Fund (exclusive of expenditures mandated by state or federal law). To this end, the City shall not reduce the amount of such City appropriations for eligible services (not including appropriations from the Fund and exclusive of expenditures mandated by state or federal law) under this section below the amount so appropriated for the Fiscal Year 2000-2001 ("the base year") as set forth in the Controller's baseline budget, as adjusted ("the base amount" or "the Children and Youth Baseline").

The Controller shall calculate City appropriations made in fiscal year 2013-2014 for services for Disconnected Transitional-Aged Youth aged 18 through 24 years. Beginning with fiscal year 2014-2015, that amount shall be added to the base amount and adjusted as provided

below. The City shall not reduce the amount of such City appropriations for services for Disconnected Transitional-Aged Youth (not including appropriations from the Fund and exclusive of expenditures mandated by state or federal law) under this section below the amount so appropriated for fiscal year 2013-2014, as adjusted.

The base amount shall be adjusted for each year after the base year by the Controller based on calculations consistent from year to year by the percentage increase or decrease in aggregate City and County discretionary revenues. In determining aggregate City and County discretionary revenues, the Controller shall only include revenues received by the City and County that are unrestricted and may be used at the option of the Mayor and the Board of Supervisors for any lawful City purpose. ~~*Additionally, in determining aggregate City and County discretionary revenues, the Controller shall not include revenues received by the City under the increased rates in Business and Tax Regulations Code Sections 953.1(g), 953.2(h), 953.3(h), 953.4(e), 953.5(d), 953.6(f), 953.7(d), and 953.8(i) adopted by the voters at the general municipal election on November 3, 2020, and shall not include revenues received by the City under Article 36 of the Business and Tax Regulations Code adopted by the voters at the general municipal election on November 3, 2020.*~~ Errors in the Controller's estimate of discretionary revenues for a fiscal year shall be corrected by an adjustment in the next year's estimate. Within 90 days following the end of each fiscal year through Fiscal Year 2040-2041, the Controller shall calculate and publish the actual amount of City appropriations for services for children and Disconnected Transitional-Aged Youth that would have been eligible to be paid from the Fund but are paid from other sources, separately identifying expenditures mandated by state or federal law.

(i) **Five-Year Planning Cycle.** The City shall appropriate monies from the Fund according to a five-year planning process *(the "Five-Year Planning Cycle")*. This process is intended to: (1) increase transparency, accountability, and public engagement; (2) provide time

and opportunities for community participation and planning; (3) ensure program stability; and (4) maximize the effectiveness of the services funded. *The first year of the Five-Year Planning Cycle shall be Fiscal Year 2026-2027. The Board of Supervisors may reset the starting year of a future Five-Year Planning Cycle at any time by ordinance.*

(1) **Year 1 – Community Needs Assessment.** During *the first year of each Five-Year Planning Cycle ("Year 1")*~~*fifth fiscal year beginning with Fiscal Year 2015-20162026-2027*~~, DCYF shall conduct a Community Needs Assessment (*"*CNA*"*) to identify services to receive monies from the Fund. The CNA should include qualitative and quantitative data sets collected through interviews, focus groups, surveys, or other outreach mechanisms to determine service gaps in programming for children, youth, and families. Subject to the budgetary and fiscal provisions of the Charter, DCYF may contract with consultants and outside experts for such services as the department may require to prepare the CNA. DCYF shall undertake a robust community process in every supervisorial district, soliciting input from a diverse cross-section of parents, youth, non-profit organizations, and other key stakeholders to develop the CNA:

(A) DCYF shall develop a plan for how to conduct the CNA. The CNA shall include an equity analysis of services and resources for parents, children, and youth. DCYF shall develop a set of equity metrics to be used to establish a baseline of existing services and resources in low-income neighborhoods and disadvantaged communities, compared to services and resources available in the City as a whole. The outreach for the CNA shall create opportunities for parents, youth, nonprofit agencies, and other members of the public, to provide input. By September 1, DCYF shall provide its plan for conducting the CNA to the ~~*Oversight and Advisory Committee*~~ *CYF Commission,* the ~~*Service Provider Working Group*~~ *Children, Youth, and Their Families Service Provider Advisory Council ("Service Provider Advisory Council")* created in *Charter* Section 16.108-1(e), *the Childcare Planning and Advisory Council*

established by Administrative Code Article XX, and the Board of Supervisors. The plan shall be a public document.

(B) By March 1, DCYF shall complete a draft CNA and provide this draft to the ~~*Oversight and Advisory Committee and the*~~ *CYF Commission, the* Service Provider ~~*Working Group*~~ *Advisory Council, and the Childcare Planning and Advisory Council* for review. DCYF shall also provide the draft CNA to interested City departments, *commissions, and advisory bodies,* ~~*including*~~ *which may include, but are not limited to, the Department of Early Childhood,* the ~~*First Five*~~ *Children and Families First* Commission *or any successor body*, ~~*the Office of Early Care and Education (or any successor entity),*~~ the Recreation and Park Commission, the Health Commission, the Human Services Commission, the Youth Commission, the Juvenile Probation Commission, the Adult Probation Department, the Commission on the Status of Women, the Police Commission, the Library Commission, and the Arts Commission*, to the extent each of those departments, commissions, and advisory bodies continues to exist*.

(C) By April 1, DCYF shall submit a final version of the CNA to the ~~*Oversight and Advisory Committee*~~ *CYF Commission, the Service Provider Advisory Council, the Childcare Planning and Advisory Council,* and the Board of Supervisors. The final version may incorporate any comments or suggestions made by the public or by the agencies that received copies of the draft CNA.

(D) By May 1, the ~~*Oversight and Advisory Committee*~~ *CYF Commission* shall provide input on, approve, or disapprove the CNA. If the ~~*Oversight and Advisory Committee*~~ *CYF Commission* disapproves the report, DCYF may modify and resubmit the report.

(E) By June 1, the Board of Supervisors shall consider and approve or disapprove, or modify, the CNA. If the Board *of Supervisors* disapproves the CNA, DCYF may modify and resubmit the CNA, provided, however, that the City may not expend monies from the Fund until the Board of Supervisors has approved the CNA.

(2) **Year 2 – Services and Allocation Plan.** During *the second year of* *each* *Five-Year Planning Cycle following the CNA ("Year 2")* ~~*fifth fiscal year beginning with Fiscal Year 2016-2017*~~, DCYF shall prepare a Services and Allocation Plan ("SAP") to determine services eligible to receive monies from the Fund. DCYF shall use the following process to prepare the SAP:

(A) DCYF shall prepare a draft SAP in consultation with interested City departments, *commissions, and advisory bodies,* ~~*including*~~ *which may include, but are not limited to, the Department of Early Childhood,* the ~~*First Five*~~ *Children and Families First* Commission *or any successor body,* ~~*the Office of Early Care and Education (or any successor entity),*~~*the Childcare Planning and Advisory Council,* the Recreation and Park Commission, the Health Commission, the Human Services Commission, the Youth Commission, the Juvenile Probation Commission, the Adult Probation Department, the Commission on the Status of Women, the Police Commission, the Library Commission, and the Arts Commission, Commission, *to the extent each of those departments, commissions, and advisory bodies continues to exist,* as well as the San Francisco Unified School District, community-based service providers, parents, children, youth, and other members of the public. The SAP must:

(i) Demonstrate consistency with the CNA and with Citywide vision and goals for children and families;

(ii) Include all services for children and Disconnected Transitional-Aged Youth;

(iii) Be outcome-oriented and include goals and measurable and verifiable objectives and outcomes;

(iv) Include capacity-building and evaluation of services as separate funding areas;

(v) State how services will be coordinated and have specific amounts allocated towards specific goals, service models, populations and neighborhoods;

(vi) Include funding for youth-initiated projects totaling at least 3% ~~percent~~ of the total proposed expenditures from the Fund for the cycle;

(vii) Include evaluation data from the previous funding cycle and the details of the Children and Youth Baseline; and,

(viii) Incorporate strategies to coordinate and align all services for children funded by all governmental or private entities and administered by the City, whether or not those services are eligible to receive monies from the Fund.

(B) The SAP shall include an equity analysis of services and resources for parents, children and youth. Using the equity metrics developed for preparation of the CNA, the SAP shall compare proposed new, augmented, and coordinated services and resources for low-income neighborhoods and disadvantaged communities with services and resources available to the City as a whole.

(C) Subject to the budgetary and fiscal provisions of the Charter, DCYF may contract with consultants and outside experts for such services as the department may require to prepare the SAP, including the equity analysis of services and resources for parents, children and youth.

(D) By March 1, DCYF shall provide the draft SAP to the ~~*Oversight and Advisory Committee*~~ *CYF Commission,* ~~*and*~~ the Service Provider ~~*Working Group*~~ *Advisory Council, and the Childcare Planning and Advisory Council*. DCYF shall also provide the draft SAP to the San Francisco Unified School District and interested City departments, *commissions, and advisory bodies,* ~~*including*~~ *which may include, but are not limited to, the Department of Early Childhood,* the ~~*First Five*~~ *Children and Families First* Commission *or any successor body*, ~~*the Office of Early Care and Education (or any successor entity),*~~ the Recreation and Park Commission, the Health Commission, the Human Services Commission, the Youth Commission, the Juvenile Probation Commission, the Adult Probation Department, the Commission on the Status of

(E) By April 1, DCYF shall submit a final version of SAP to the ~~*Oversight and Advisory Committee*~~ *CYF Commission, the Service Provider Advisory Council, the Childcare Planning and Advisory Council,* and the Board of Supervisors. The final version may incorporate any comments or suggestions made by the public or by the agencies that received copies of the draft SAP.

(F) By May 1, the ~~*Oversight and Advisory Committee*~~ *CYF Commission* shall approve or disapprove the SAP. If the ~~*Oversight and Advisory Committee*~~ *CYF Commission* disapproves the SAP, DCYF may modify and resubmit the SAP.

(G) By June 1, the Board of Supervisors shall consider and approve or disapprove, or modify, the SAP. If the Board *of Supervisors* disapproves the SAP, DCYF may modify and resubmit the SAP, provided, however, that the City may not expend monies from the Fund until the SAP has been approved by the Board of Supervisors.

(H) During subsequent years of the planning cycle, DCYF, with the approval of the ~~*Oversight and Advisory Committee*~~ *CYF Commission* and the Board of Supervisors, may amend the SAP to address emerging needs.

(3) **Year 3 – Selection of Contractors.** During *the third year of each Five-Year Planning Cycle following the SAP ("Year 3")*~~*fifth fiscal year beginning with Fiscal Year 2017-2018*~~, DCYF shall conduct competitive solicitations for services to be funded from the Fund.

(4) **Year 4 – Service Cycle Begins.** *During the fourth year of each Five-Year Planning Cycle following the selection of contractors ("Year 4"), DCYF shall execute* ~~*C*~~*c*ontracts for services *with a*~~*shall start on*~~ July 1 *start date*~~ *of Year 4 of the planning cycle, beginning with Fiscal Year 2018-2019*~~. During subsequent years of the *Five Year* ~~*p*~~*P*lanning ~~*c*~~*C*ycle, DCYF, with the approval of the ~~*Oversight and Advisory Committee*~~ *CYF Commission*, may issue

supplemental competitive solicitations to address amendments to the SAP and emerging needs. All expenditures for services from the Fund shall be consistent with the most recent CNA and SAP.

(5) DCYF may recommend, and the ~~*Oversight and Advisory Committee*~~ *CYF Commission* and the Board of Supervisors may approve, changes to the due dates and timelines provided in this subsection (i). The Board of Supervisors shall approve such changes by ordinance.

(j) **Evaluation.** DCYF shall provide for the evaluation on a regular basis of all services funded through the Fund, and shall prepare on a regular basis an Evaluation and Data Report for the ~~*Oversight and Advisory Committee*~~ *CYF Commission*. Subject to the budgetary and fiscal provisions of the Charter, DCYF may contract with consultants and outside experts for such services as the department may require to conduct such evaluations and to prepare the Evaluation and Data Report.

(k) **Selection of Contractors.** The ~~*Oversight and Advisory Committee*~~ *CYF Commission* shall recommend standards and procedures for the selection of contractors to be funded from the Fund. SEC. 16.114. POWERS OF INQUIRY AND REVIEW.

The Mayor, the City Administrator, the Controller, or any board or commission appointed by the Mayor, relative solely to the affairs under its control, may require such periodic or special reports of departmental costs, operations and expenditures, examine the ~~*books, papers*~~*documents, data*, records and accounts of, and inquire into matters affecting the conduct of any department or office of the City and County, and for that purpose may hold hearings, subpoena witnesses, administer oaths and compel the production of books, papers, testimony and other evidence. The Board of Supervisors shall have the same powers of inquiry and review, including the power to issue subpoenas and compel the production of evidence, with respect to matters affecting the conduct of any department or office of the City and County.

SEC. 16.127-1. OUR CHILDREN, OUR FAMILIES INITIATIVE~~*AND COUNCIL*~~; PREAMBLE.

(a) San Francisco has historically shown great concern and compassion for its most vulnerable residents – its children. The City and the community have demonstrated this commitment through the adoption of progressive, innovative, and creative ideals supporting the well-being of San Francisco's children and families.

(b) To continue its legacy as a champion of children, it is imperative for San Francisco to further invest in the City's children and families.

(c) The people of the City and County of San Francisco previously supported the passage of the unprecedented Children's Amendment in 1991 and 2000 and the Public Education

Enrichment Fund in 2004. While these initiatives dedicated funding to services, the level of unmet needs in providing critical programming and services still falls short.

(d) In order to advance a Citywide vision and long-term set of goals, City leaders, departments, the San Francisco Unified School District ("SFUSD"), and community partners must come together to align needs with services, coordinate across agencies, and develop a strategy.

~~*(e) The Our Children, Our Families Council, comprised of department heads from the City and SFUSD, and community stakeholders, will build a platform that will place children and families at the center of every policy decision.*~~

(~~*f*~~*e*) With the renewal of the Children and Youth Fund and the Public Education Enrichment Fund in November 2014, the City must seize this opportunity to develop a long-term Citywide vision, create a set of strategies, coordinate services, and identify shared goals to not only ensure that all children and families already here are able to thrive, but to encourage other families to live here.

(~~*g*~~*f*) The percentage of children under the age of 18 in San Francisco has steadily declined. As of 2010, 13.4*% ~~percent~~* of the City's total population was under the age of 18, the lowest percentage of any major city nationwide.

(~~*h*~~*g*) Families continue to leave San Francisco, especially those families in the low to moderate income brackets.

(~~*i*~~*h*) San Francisco's children population is declining, with over 10*% ~~percent~~* of 1 to 4 year olds moving out of the City annually and fewer children moving in.

(~~*j*~~*i*) The declining numbers of children and families in the City cost the community financially as less money is spent on the local economy.

(~~*k*~~*j*) This measure will put in place a collaborative approach around the following points of unity:

(1) Ensuring equity, and giving priority to children and youth with the highest needs;

(2) Empowering parents, youth, and community stakeholders by giving them a voice in the implementation of this Citywide vision; and,

(3) Building public trust through transparency and accountability meeting the needs of children and families.

(~~l~~k) To further support a coordinated approach to outcomes-based services for children, youth, Disconnected Transitional-Aged Youth, and families, the Our Children, Our Families Initiative ("Initiative") shall be a joint initiative staffed by employees and officers of the City and SFUSD with the mission to build a public policy platform that will place children and families at the center of every policy decision. The Initiative will support aligning and coordinating the development of comprehensive and connected systems, services, policies, and planning strategies to strengthen the City's services for children, youth, Disconnected Transitional-Aged Youth, and families, with the goals of increasing equitable access and enhancing effectiveness. The Mayor shall lead the Initiative, and shall invite the Superintendent of SFUSD to co-lead the Initiative with support from SFUSD staff in the Superintendent's discretion. The Mayor shall ensure that City departments are convened, coordinated, and engaged as part of the development of the Children and Families Plan *(the "Plan")*, engaging in a Citywide Community Needs Assessment *("CCNA")* for children, youth, and families, and the Outcomes Framework described in *Charter* Section*s* *16.127-3 and* 16.127-~~9~~5, as well as in advancing the goals established in the Plan and Outcomes Framework.

Thereafter, Section F1.108 (as enacted into ordinance) may be amended or repealed by ordinance.

Section 2. In enacting this measure together with the measure titled "Strengthening Executive Branch Accountability," the measure titled "Modernizing City Contracting," and/or the measure titled "Fix Our Broken Ballot Process," the qualified voters of the City and County intend as follows:

(1) All provisions of this measure shall be read to harmonize with all provisions of the other enacted measure or measures, regardless of which of these measures receives more votes. When multiple of these measures amend the same Charter sections, the voters intend that all textual changes be effective, integrated, and read together, to the extent possible. When multiple of these measures make textual changes in the same sentence, the voters intend that all of the textual changes from the multiple measures be effective, integrated, and read together, to the extent possible. This means that where multiple measures add new text to different parts of the same sentence, all of the new text from the multiple measures shall be effective, integrated, and read together, to the extent possible. When one measure deletes an entire section or subsection that another measure amends, the voters intend that the section or subsection be deleted, and that

any renumbering resulting from the deletion be incorporated. In each of these cases, there is no conflict.

(2) The following specific instances of overlap between or among measures shall be reconciled as follows, should the voters enact multiple overlapping measures:

(a) In Section 8B.120, if this measure is enacted and the measure titled "Modernizing City Contracting" is also enacted, the entire text of 8B.120 as amended in this measure shall prevail.

(b) In Section 15.105, if this measure is enacted and the measure titled "Strengthening Executive Branch Accountability" is also enacted, the addition of "the Health Service Board, the Retirement Board, and the Retiree Health Care Trust Fund Board" in the title and text of subsection (b) as reflected in this measure shall be effective, integrated, and read together with the additions and deletions in the measure titled "Strengthening Executive Branch Accountability." In case of an actual conflict in Section 15.105, the measure titled "Strengthening Executive Branch Accountability" shall prevail.

(3) If this measure is enacted and the measure titled "Modernizing City Contracting" is also enacted, the following language shall be added as subsection (b)(9) of Section 3.104, to read as follows:

(b)(9) Conduct long-term real estate strategic planning and negotiate and manage acquisitions, leases, and conveyances of real property owned or controlled by, or for the use of, the City and County of San Francisco. The City Administrator's authority under the previous sentence shall be subject to Charter Section 9.118, shall only apply to the extent consistent with applicable law and Charter provisions, and shall not apply to the Airport, the Port, the Public Utilities Commission, or the Municipal Transportation Agency.

LEGISLATIVE DIGEST
(Revised 6/22/2026)

[Charter Amendment - Department, Board, Commission, and Advisory Body Updates]

Describing and setting forth a proposal to the voters at an election to be held on November 3, 2026, to amend the Charter of the City and County of San Francisco by 1) requiring or authorizing the Board of Supervisors to amend specified initiative ordinances; 2) transferring from the Charter to the Municipal Code certain commissions and advisory bodies, in some cases with modified functions; 3) requiring that the Commission Streamlining Task Force be convened every ten years; 4) removing the general requirements that boards and commissions develop and keep an annual statement of purpose, appoint an executive secretary, and prepare an annual report; 5) changing the membership qualifications, composition, and member selection process for certain bodies; 6) eliminating, consolidating, and changing the functions and authorities of certain bodies; 7) changing the planning and reporting schedule of the Department of Children, Youth, and Their Families ("DCYF") and related policy bodies, and changing the names but not the functions of those related policy bodies; 8) specifying that elected members of the Retirement Board, Health Service Board, and Retiree Health Care Trust Fund Board may be removed only for official misconduct; 9) making various changes to departments' operations and reporting requirements; 10) updating the Public Utilities Commission's exclusive charge over matters related to water, power, and sewer infrastructure and services; 11) providing that the Board of Supervisors shall approve settlements or dismissals of legal proceedings recommended by the City Attorney by resolution, rather than by ordinance; 12) authorizing the City Administrator to conduct real estate strategic planning and to negotiate and manage acquisitions, leases, and conveyances of City real property; and 13) making clarifying edits, deleting obsolete language, and updating out-of-date references in various sections.

Amendments to Current Law

This Charter amendment would make various changes to the current Charter language in the categories listed below.

1. General Clean-up and Modernizing Amendments. The Charter amendment would delete obsolete language, and make clarifying edits consistent with the intent of current Charter language, in various Charter sections related to the Board of Supervisors, the Mayor, rates, fees and similar charges, the Port Commission, the Building Inspection Commission, the Police Department, the Historic Preservation Commission, the Department of Police Accountability, the Department of Public Works, the Law Library, the Municipal Transportation Agency, refunding bonds, the Health Service System, the Redistricting Board, the Parks,

Recreation, and Open Space Advisory Committee, the Children and Youth Fund, transition provisions, and contractors' working conditions.

2. Board of Supervisors' Modification of Initiative Ordinances. The Charter amendment would:

- Require the Board of Supervisors to amend initiative ordinances to eliminate the Advisory Committee of Street Artists and Crafts Examiners; to adjust membership criteria for the Sunshine Ordinance Task Force; to rename the Citizens' General Obligation Bond Oversight Committee; to rename the Sugary Drinks Distributor Tax Advisory Committee, specify that the Department of Public Health will provide administrative support, and provide for the body's sunset upon expiration of the Sugary Drinks Distributor Tax; to eliminate a specific procedural requirement of the Legacy Business Program; and to move the Refuse Collection and Disposal Ordinance to the Administrative Code.

- Authorize the Board of Supervisors to amend the Official Newspapers initiative ordinance by a two-thirds vote, and to amend or eliminate the Our City Our Home Oversight Committee by a majority vote.

3. Boards, Commissions and Advisory Bodies. The Charter amendment would make the following changes impacting boards, commissions, and advisory bodies:

- Require that the Commission Streamlining Task Force be convened every ten years, without the existing requirements that the Budget and Legislative Analyst prepare a report and the City Attorney prepare a draft Charter Amendment implementing the Task Force's recommendations.

- Remove the general requirement that Boards and Commissions develop and keep an annual statement of purpose, appoint an executive secretary, and prepare an annual report.

- Move to code the Charter sections establishing the Human Services Commission, the Disability and Aging Services Commission, the Abatement Appeals Board, Access Appeals Commission, Code Advisory Committee, any technical boards and advisory committees under the Department of Building Inspection, the Parks, Recreation, and Open Space Advisory Committee, PUC's Citizens' Advisory Council and Rate Fairness Council, and the MTA's Citizens' Advisory Council.

- For the MTA's Citizens' Advisory Council, add a requirement that the Council include both pedestrians and cyclists.

- For the Youth Commission, eliminate language prohibiting compensation or expense reimbursements for commissioners.

- For the Homelessness Oversight Commission, require that two seats be held by people who have personally experienced homelessness, but otherwise make current qualifications for members desirable rather than mandatory.

- For the Asian Art Commission, authorize the Commission members to elect new members and to change the total number of members (not to exceed 20).

- For the Fine Arts Museums Board of Trustees, remove language purporting to authorize the Board to act by majority of members present at the meeting and reduce the maximum number of Trustees.

- Authorize the governing board of the War Memorial to enter into agreements with an outside entity to develop or operate the War Memorial and to raise funds for its support.

- For the Public Utilities Commission ("PUC"), make current qualifications for members desirable rather than mandatory, and add a requirement that one seat be held by a person with experience in labor representation.

- Specify that Retirement Board, Health Service Board, and Retiree Health Care Trust Fund Board elected members may only be removed for official misconduct.

- Eliminate the Sanitation and Streets Commission, the Public Works Commission, and the Dignity Fund Oversight and Advisory Committee Service Provider Working Group.

- Change the name of the Children, Youth, and their Families Oversight and Advisory Committee to the Children, Youth, and their Families Oversight and Advisory Commission without changing its functions; rename the Service Provider Working Group as the Service Provider Advisory Council, without changing its functions; and update the five-year planning cycle to restart in 2026-2027.

- Combine the Our Children, Our Families Council with the Our Children, Our Families Initiative, to be responsible for developing and implementing a five-year plan for supporting children, youth, and families.

- Combine the Dignity Fund Oversight and Advisory Committee and the Advisory Council to the Disability and Aging Services Commission into a new advisory body named the Disability and Aging Services Advisory and Oversight Council. Transfer the new body to code, with changes to its name and composition, and provide for the sunset of the Advisory Council to the Disability and Aging Services Commission.

4. Department Operations and Reporting Requirements. The Charter amendment would make changes impacting departments that include the following:

- Give the City Administrator authority to conduct long-term real estate strategic planning and negotiate and manage acquisitions, leases, and conveyances of real property owned or controlled by, or for the use of, the City, subject to Charter Section 9.118, to the extent consistent with applicable law and Charter provisions, and excluding activities of the Airport, Port, Public Utilities Commission, and Municipal Transportation Agency.

- Remove the requirement that the Planning Department consult with the City Administrator in preparing the General Plan.

- For the Municipal Transportation Authority ("MTA"), codify the MTA's existing authority over taxi-related functions, fares, fees, and personnel; simplify the standard for the MTA Board to use in determining on-time performance; eliminate the requirement for MTA to issue a separate climate action plan, direct MTA to participate in citywide climate planning efforts, and conform target levels to existing law; eliminate training requirements, eliminate references to the Interdepartmental Staff Committee on Traffic and Transportation; and conform to the current state of the law the language addressing the evidentiary standard for an employee organization to meet in a mediation or arbitration.

- For the Public Utilities Commission department, make general updates; update the PUC's exclusive charge to encompass design, in addition to construction, management, operation, and use of water, power, and sewer infrastructure, facilities, and associated real, personal, and financial assets.

- Eliminate the requirement that funds received by utilities operated by the PUC be paid into separate funds in the City treasury.

- Change the frequency of the City Administrator's submission of a report on implementation of the Privacy First Policy from every three to every five years.

- Streamline the responsibilities of the City Services Auditor, and remove the requirement that employees involved in the preparation of audits be designated as confidential employees.

- Move to code the requirement that the Controller assess departments' compliance with customer service plan requirements.

- Move to code the requirements that each department provide the Mayor and Board of Supervisors mission-driven budget details together with certification of commitment to

perform at a specified level, and that the Controller report departmental savings and revenue gains within 30 days of the annual financial report.

- Remove specific dates for the submission of various plans related to the Park, Recreation and Open Space Fund and update the required contents of the Capital Expenditure Plan.

- Require the Controller and City Administrator to provide administrative, professional, and technical assistance to the Streamlining Task Force, rather than the City Administrator providing administrative assistance and the Controller providing professional and technical assistance.

5. Other Changes. The Charter amendment would make the following other changes:

- Provide that the Board of Supervisors shall approve settlements or dismissals of legal proceedings recommended by the City Attorney by resolution, rather than by ordinance.

- In compliance with a decision from the California Public Employee Relations Board, remove provisions allowing disciplinary action against non-Police and Fire striking employees.

- Authorize the Board of Supervisors, by ordinance, to change the name of any department, board, commission, or other unit of government.

Background Information

This legislative digest reflects changes made by the Rules Committee on June 22, 2026 (Second Draft); including the following:

- Giving the City Administrator authority to conduct long-term real estate strategic planning and negotiate and manage acquisitions, leases, and conveyances of real property owned or controlled by, or for the use of, the City, subject to Charter Section 9.118, to the extent consistent with applicable law and Charter provisions, and excluding activities of the Airport, Port, Public Utilities Commission, and Municipal Transportation Agency.

- Authorizing the Board of Supervisors, by ordinance, to change the name of any department, board, commission, or other unit of government.

- For the MTA's Citizens' Advisory Council, adding a requirement that the Council include both pedestrians and cyclists.

- For the Homeless Oversight Commission, restoring the split of appointments between the Mayor and Board of Supervisors.

- Requiring the Controller and City Administrator to provide administrative, professional, and technical assistance to the Streamlining Task Force, rather than the City Administrator alone providing administrative assistance and both the Controller and City Administrator providing professional and technical assistance.

- Eliminating the requirement for the MTA to issue a separate climate action plan and directing them to participate in citywide climate planning efforts, and conform target levels to existing law.

- Eliminating specific training requirements for the MTA.

- Eliminating references to the Interdepartmental Staff Committee on Traffic and Transportation.

RE: File 260536 – Charter Amendment – Department, Board, Commission, and Advisory Body Updates (Second Draft)

Dear Ms. Calvillo,

Should the proposed Charter amendment be approved by the voters, in my opinion, it would have a moderate impact on the cost of government, saving $365,000 to $450,000 annually. Additional costs and savings are dependent on the decisions that the Mayor and Board of Supervisors make through the normal budget process.

The proposed Charter amendment 1) modifies boards, commissions, and advisory bodies; 2) changes departmental operations and reporting requirements; 3) changes how the Board of Supervisors must approve settlements or dismissals of legal proceedings recommended by the City Attorney; 4) removes provisions allowing disciplinary action against non-Police and Fire striking employees; and 5) makes other edits and changes to the Charter and past voter-approved ordinances. The Charter amendment may reduce required staff time to support boards, commissions, and advisory bodies—freeing staff to work on other government functions.

The proposed Charter amendment creates cost savings ranging from $365,000 to $450,000 annually by eliminating the Sanitation and Streets Commission, Public Works Commission, and the Street Artists and Craftsmen Examiners Advisory Committee. The Sanitation and Streets Commission and Public Works Commission shared two full-time staff members with annual costs of $336,000.

Convening the Commission Streamlining Task Force (CSTF) every ten years would require staff to implement and administer the CSTF, including conducting analyses, writing public reports, and holding public meetings. The proposed Charter amendment removes the existing requirements for the Budget and Legislative Analyst to prepare a report and the City Attorney to prepare a draft Charter amendment implementing the CTSF's recommendations from CSTF's mandate. For context, convening the CSTF in 2025 required approximately 5,900 hours of staff time.

Additional costs and savings are dependent on the decisions that the Mayor and Board of Supervisors make through the normal budget process. For example, the proposed Charter amendment removes the restriction on compensating Youth Commission members which may

lead to future costs, likely ranging from $5,000 to $85,000 annually, should policymakers seek compensation for the members. Certain appointive boards and commissions pay stipends to the commissioners on a per meeting basis ranging from $25 to $500 per meeting. Other commissioners are paid between $100 and $500 per month. Not all commissioners receive stipends. The amount of cost savings attributed to removing the requirement of hiring an executive secretary for commissions cannot be determined at this time as bodies may opt not to fill the position.

The proposed amendment updates commission responsibilities and membership requirements for remaining commissions and boards but will not directly impact the total cost to government. The amount of staff time needed to support commissions and boards may decrease—freeing staff to work on other government functions, although at a level that cannot be determined at this time.

Note that the proposed amendment would change the duties of the Controller's Office, which has prepared this statement.

Sincerely,

Greg Wagner
Controller

Note: This analysis reflects our understanding of the proposal as of the date shown. At times further information is provided to us which may result in revisions being made to this analysis before the final Controller's statement appears in the Voter Information Pamphlet.

Subject: PUBLIC COMMENT: 260536 [Charter Amendment - Department, Board, Commission, and Advisory Body Updates]

Dear Members of the Board of Supervisors,

I am writing to respectfully ask that you vote no on the proposed Charter Amendment regarding Department, Board, Commission, and Advisory Body Updates.

These proposed changes would weaken civilian oversight, reduce transparency, and limit meaningful community engagement. San Francisco's commissions exist to ensure residents have a voice in the decisions that affect their communities by providing oversight, accountability, and a direct connection between City government and the people it serves.

As commissioners, we volunteer our time because we care about our communities and believe government works best when it listens to the people it represents. Commissions should have the authority to work with their departments to help establish goals, identify priorities, and advocate for the communities they serve. They should not be reduced to advisory bodies in name only or be subject to political influence that undermines their ability to provide independent oversight. When commissions lose authority, the public loses an important avenue for accountability and civic participation.

I am also concerned by the pattern of proposals that fail to gain public support but continue to return until voter fatigue sets in, and they eventually pass. That approach does not build public trust. Instead, it creates frustration, discourages civic engagement, and leaves residents feeling that their voices no longer matter.

These concerns are even greater when viewed alongside the Mayor's proposed Charter amendments. Together, they would expand the Mayor's authority over hiring and firing department leaders, allow commissioners to be removed without cause by the appointing authority, and increase the Mayor's ability to reorganize departments and shift oversight to deputy mayors.

My concern is that voters will see words like "efficiency" and "streamlining" without fully understanding the impact of these changes. Efficiency should never come at the expense of independent oversight, community representation, or the checks and balances that keep our government accountable. Concentrating more authority in one office while weakening commissions moves San Francisco away from the transparent, participatory government that has long been one of its strengths.

I urge you to vote **no** on the following proposals:

- **Requiring the Commission Streamlining Task Force to convene every ten years without requiring a report from the Budget and Legislative Analyst or a draft Charter Amendment from the City Attorney.** *Those requirements provide essential analysis, transparency, and accountability before significant structural changes are considered.*
- **Removing the requirement that boards and commissions maintain an annual statement of purpose, appoint an executive secretary, and prepare an annual report.** *These are basic governance practices that promote transparency, clarify each body's mission, and help the public understand its work.*

- **Authorizing the Board of Supervisors to change the name of any department, board, commission, or other unit of government by ordinance.** *While this may appear to be an administrative change, these names often reflect the history, purpose, and communities those bodies represent.*

San Francisco has built a strong tradition of public participation through its commissions. They provide residents with a place to ask questions, raise concerns, and help shape public policy. Preserving meaningful civilian oversight ensures that government remains

Thank you for your time and consideration.

Thank you,

"Reject placing this Charter Amendment on the ballot

San Franciscans have no way of knowing how the proposed language in this Charter Amendment will interact with Mayor Lurie's other three Charter Amendments he is gathering signatures to also place on the November 2026 general election ballot."

Re: **Testimony on File 260536 — Charter Amendment - Department, Board, Commission, and Advisory Body Updates**

Dear President Mandelman and Board of Supervisors,

Regarding File #**260536** ***Charter Amendment – Department, Board, Commission, and Advisory Body Updates***,

I urge each District Supervisor to **reject** the version of the Charter Amendment before you today, because this version of the Charter Amendment goes way beyond the recommendations forwarded to the Board of Supervisors by the Commission Streamlining Task Force submitted to you on February 27.

Eventually the Board of Supervisors made additional changes to the proposed Charter Amendment during the Rules Committee's June 22 meeting, including:

- Require that the Commission Streamlining Task Force be convened every ten years, without the existing requirements that the Budget and Legislative Analyst prepare a report and the City Attorney prepare a draft Charter Amendment implementing the Task Force's recommendations.

- Eliminating the requirement that funds received by utilities operated by the PUC be paid into separate funds in the City treasury.

- Authorizing the Board of Supervisors, by ordinance, to change the name of any department, board, commission, or other unit of government.

- Authorizing the Board of Supervisors, by ordinance, to change the name of any department, board, commission, or other unit of government.

- Requiring the Controller and City Administrator to provide administrative, professional, and technical assistance to the Streamlining Task Force, rather than the City Administrator alone providing administrative assistance and both the Controller and City Administrator providing professional and technical assistance

None of the five changes listed above were discussed, or voted on, by the Commission Streamlining Task Force.

Supervisor Raphael Mandelman's Legislative Aide, Renil Bejoy, finally acknowledged on May 27 that a list of which of the Streamlining Task Force's recommendations had been deemed by the Board of Supervisors to be "***non-controversial***" vs. "*controversial*" wasn't located, saying "***No Responsive Records exist***" in response to a records request. Moreover, San Franciscans have no way of knowing how the proposed language in this particular Charter Amendment will interact

with Mayor Lurie's other three Charter Amendments he is gathering signatures to also place on the November 2026 general election ballot — titled "*Strengthening Executive Branch Accountability*," "*Modernizing City Contracting*," and "*Fix Our Broken Ballot Process*."

The Board of Supervisors should vote today to reject placing this Charter Amendment on the ballot. If you don't, be prepared for voters to reject all four of the Mayor's Charter Amendments, come November.

There are No Kings in America, and no King-Mayors! ***Don't put this on November's ballot!***

Respectfully submitted,

/s/
