[Campaign and Governmental Conduct Code - Form 700 (Statement of Economic Interests) Filing Requirements]

Ordinance amending the Campaign and Governmental Conduct Code to update and clarify Form 700 (Statement of Economic Interests) filing requirements by adding, deleting, and changing titles of certain designated agencies, officials, and employees to reflect organizational and staffing changes; adding filing requirements for candidates to certain boards; adding the San Francisco Revitalization and Economic Recovery Financing District and the Mayor's Office of Victim and Witness Rights to the Code; and refining disclosure requirements for certain designated officials and employees.

Existing Law

The Political Reform Act of 1974, California Government Code section 87300, et seq., requires that San Francisco adopt a Conflict of Interest Code and review and update the Code every two years. The City's Conflict of Interest Code is set forth in Article III, Chapter 1 of the Campaign and Governmental Conduct Code. The Code designates those City officials and employees who periodically must file public statements disclosing their personal financial interests. The Code also specifies the types of financial interests that each designated official and employee must disclose — i.e., disclosure categories — that designated officials and employees must disclose.
