- **Grant Amount:** $181,434
  - **Grant increase amount:** $72,466
- **Timeline:** December 1, 2025 through November 30, 2026
- **Funder:** National Institutes of Health through Family Health International
- **Grant Summary:**
  - Grant will support a clinical research trial to evaluate the impact of several mobile health tools on HIV and STI prevention uptake and persistence
  - DPH will lead the protocol development and implementation for this clinical research trial across multiple US and international research sites

Retroactivity

We are seeking **retroactive authorization** to accept this grant.

- SFDPH has received several increases for this grant since the initial grant agreement in 2024.
- SFDPH received notice of the most recent increase in grant funds on June 18, 2026 for a project start date of December 1, 2025.
- DPH brought this item to the BOS after going through the fiscal approvals process, including Controller's Office review and approval.

Conclusion

DPH respectfully requests retroactive approval of this item.

Thank you!
