Section 1. Findings.

(a) Environmental and Land Use Findings.

(1) The Planning Department has determined that the Planning Code amendment proposed in this ordinance is subject to a Categorical Exemption from the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq., hereinafter "CEQA") pursuant to Section 15308 of California Code of Regulations, Title 14, Sections 15000 et seq., the Guidelines for implementation of the statute, for actions

by regulatory agencies for protection of the environment (in this case, landmark designation). Said determination is on file with the Clerk of the Board of Supervisors in File No. 260590 and is incorporated herein by reference. The Board of Supervisors affirms this determination.

(2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that the proposed landmark designation of the William Shaughnessy Home will serve the public necessity, convenience, and welfare for the reasons set forth in Historic Preservation Commission Resolution No. 1585, recommending approval of the proposed designation, which is incorporated herein by reference.

(3) The Board of Supervisors finds that the proposed landmark designation of the William Shaughnessy Home is consistent with the General Plan and with Planning Code Section 101.1(b) for the reasons set forth in Historic Preservation Commission Resolution No. 1585, which is incorporated herein by reference.

(b) General Findings.

(1) On March 3, 2026 the Board of Supervisors adopted Resolution No. 115-26, initiating landmark designation of the William Shaughnessy Home as a San Francisco landmark pursuant to Section 1004.1 of the Planning Code. On March 6, 2026, the Mayor approved the resolution. Said resolution is on file with the Clerk of the Board of Supervisors in File No. 260069.

(2) Pursuant to Charter Section 4.135, the Historic Preservation Commission has authority "to recommend approval, disapproval, or modification of landmark designations and historic district designations under the Planning Code to the Board of Supervisors."

(3) The Landmark Designation Fact Sheet dated May 20, 2026 was prepared by Planning Department Preservation staff. All preparers meet the Secretary of the Interior's Professional Qualification Standards for historic preservation program staff, as set forth in Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for

accuracy and conformance with the purposes and standards of Article 10 of the Planning Code. A copy of the Landmark Designation Fact Sheet is on file with the Clerk of the Board of Supervisors in File No. 260590 and is incorporated herein by reference.

(4) The Historic Preservation Commission, at its regular meeting of May 20, 2026, reviewed Planning Department staff's analysis of the historical significance of the William Shaughnessy Home set forth in the Landmark Designation Fact Sheet.

(5) On May 20, 2026, after holding a public hearing on the proposed designation and having considered the specialized analyses prepared by Planning Department staff and the Landmark Designation Fact Sheet, the Historic Preservation Commission recommended designation of the William Shaughnessy Home as a landmark consistent with the standards set forth in Section 1004 of the Planning Code, by Resolution No. 1585. Said resolution is on file with the Clerk of the Board in File No. 260590.

(6) The Board of Supervisors hereby finds that the William Shaughnessy Home has a special character and special historical, cultural, architectural, and aesthetic interest and value, and that its designation as a landmark will further the purposes of and conform to the standards set forth in Article 10 of the Planning Code. In doing so, the Board hereby incorporates by reference the findings of the Landmark Designation Fact Sheet.

Section 2. Designation.

Pursuant to Section 1004.3 of the Planning Code, the William Shaughnessy Home, located at 394 Fair Oaks Street, Assessor's Parcel Block Nos. 6511, Lot No. 042-044, is hereby designated as a San Francisco landmark consistent with the standards set forth in Section 1004. Appendix A to Article 10 of the Planning Code is hereby amended to include this property.

Section 3. Required Data.

(a) The description, location, and boundary of the landmark site consists of the footprint of the William Shaughnessy Home, located on Assessor's Parcel Block No. 6511, Lot Nos. 042-044, on the west side of Fair Oaks Street between 25th Street and 24th Street in San Francisco's Mission neighborhood, as shown in the Landmark Designation Fact Sheet.

(b) The characteristics of the landmark that justify its designation are described and shown in the Landmark Designation Fact Sheet and other supporting materials contained in Planning Department Record Docket No. 2026-XXXXXXDES. In brief, the William Shaughnessy Home, located at 394 Fair Oaks Street, is eligible for local designation as an intact and exemplary example of a Queen Anne home. The home was constructed circa 1894 in the Mission neighborhood by prolific contractor William Shaughnessy as his personal residence. Shaughnessy was known as the president of the California Mill Co., a position he resumed while living in the subject property. After his 1906 death, his wife and five children remained in the property but demolished the lot's carriage home for flats to improve family income. As a prominent corner property, the home displays exuberant Queen Anne features and retains a high degree of integrity.

(c) The particular features that should be preserved, or replaced in kind as determined necessary, are those generally shown in photographs and described in the Landmark Designation Fact Sheet, which can be found in Planning Department Record Docket No. 2026-002410DES, and which are incorporated in this designation by reference as though fully set forth herein. This designation does not identify any interior character-defining features. Specifically, the features that are character-defining and shall be preserved or replaced in kind are the exterior elevations, form, massing, structure, rooflines, architectural ornament, and materials of the property, identified as:

(1) Corner location of the house on the property with front and side setbacks;

(2) Front facing gable roof with shingles;

(3) Polygonal corner tower capped by cupola with finial;

(4) Asymmetrical facade;

(5) Rectangular form with side and rear bay;

(6) First level columned entry portico with composite columns and single entry wood door with transoms and sidelites;

(7) Second story front curved balcony with decorative wood balustrades, portico with wood columns, bracketed hood, floriate ornamentation, and recessed double entry wood doors with grids and above transom;

(8) South facing dormer with pitched roof;

(9) Stained glass windows at front and side, with decorative surrounds at top;

(10) Wood windows, including double hung windows with ogee lugs and decorative grids, generally with hooded surrounds;

(11) Applied wooden ornamentation including dentils, wood panels, floriate design and colonettes; and

(12) Horizontal wood siding at upper floors, brick and mortar at ground level.

Section 4. Effective Date.

This ordinance shall become effective on the 31st day after enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board of Supervisors overrides the Mayor's veto of the ordinance.
