

[Charter Amendment - Replacing ranked-choice voting with run-off elections]

CHARTER AMENDMENT

PROPOSITION _____

Describing and setting forth a proposal to the qualified voters of the City and County of San Francisco to amend the Charter of the City and County of San Francisco by amending Section 13.102 and Article XVII to replace ranked-choice voting with run-off elections.

The Board of Supervisors hereby submits to the qualified voters of the City and County, at an election to be held on June 5, 2012, a proposal to amend the Charter of the City and County by amending Section 13.102 and Article XVII to read as follows:

NOTE: Additions are single-underline italics Times New Roman; deletions are ~~strike through italics Times New Roman~~.

Section 1. The San Francisco Charter is hereby amended, by amending Section 13.102, to read as follows:

SEC. 13.102. ~~INSTANT RUNOFF ELECTIONS~~MUNICIPAL RUN-OFF ELECTIONS.

~~(a) For the purposes of this section: (1) a candidate shall be deemed "continuing" if the candidate has not been eliminated; (2) a ballot shall be deemed "continuing" if it is not exhausted; and (3) a ballot shall be deemed "exhausted," and not counted in further stages of the tabulation, if all of the choices have been eliminated or there are no more choices indicated on the ballot. If a ranked-choice ballot gives equal rank to two or more candidates, the ballot shall be declared exhausted when such multiple rankings are reached. If a voter casts a ranked-choice ballot but skips a rank, the voter's vote shall be transferred to that voter's next ranked choice.~~

~~(b) The Mayor, Sheriff, District Attorney, City Attorney, Treasurer, Assessor-Recorder, Public Defender, and members of the Board of Supervisors shall be elected using a ranked-choice, or "instant runoff," ballot. The ballot shall allow voters to rank a number of choices in~~

~~order of preference equal to the total number of candidates for each office; provided, however, if the voting system, vote tabulation system or similar or related equipment used by the City and County cannot feasibly accommodate choices equal to the total number of candidates running for each office, then the Director of Elections may limit the number of choices a voter may rank to no fewer than three. The ballot shall in no way interfere with a voter's ability to cast a vote for a write-in candidate.~~

~~(c) If a candidate receives a majority of the first choices, that candidate shall be declared elected. If no candidate receives a majority, the candidate who received the fewest first choices shall be eliminated and each vote cast for that candidate shall be transferred to the next ranked candidate on that voter's ballot. If, after this transfer of votes, any candidate has a majority of the votes from the continuing ballots, that candidate shall be declared elected.~~

~~(d) If no candidate receives a majority of votes from the continuing ballots after a candidate has been eliminated and his or her votes have been transferred to the next ranked candidate, the continuing candidate with the fewest votes from the continuing ballots shall be eliminated. All votes cast for that candidate shall be transferred to the next ranked continuing candidate on each voter's ballot. This process of eliminating candidates and transferring their votes to the next ranked continuing candidates shall be repeated until a candidate receives a majority of the votes from the continuing ballots.~~

~~(e) If the total number of votes of the two or more candidates credited with the lowest number of votes is less than the number of votes credited to the candidate with the next highest number of votes, those candidates with the lowest number of votes shall be eliminated simultaneously and their votes transferred to the next ranked continuing candidate on each ballot in a single counting operation.~~

~~(f) A tie between two or more candidates shall be resolved in accordance with State law.~~

~~(g) The Department of Elections shall conduct a voter education campaign to familiarize voters with the ranked choice or, "instant runoff," method of voting.~~

~~(h) Any voting system, vote tabulation system, or similar or related equipment acquired by the City and County shall have the capability to accommodate this system of ranked-choice, or "instant runoff," balloting.~~

~~(i) Ranked choice, or "instant runoff," balloting shall be used for the general municipal election in November 2002 and all subsequent elections. If the Director of Elections certifies to the Board of Supervisors and the Mayor no later than July 1, 2002 that the Department will not be ready to implement ranked-choice balloting in November 2002, then the City shall begin using ranked-choice, or "instant runoff," balloting at the November 2003 general municipal election.~~

~~If ranked-choice, or "instant runoff," balloting is not used in November of 2002, and no candidate for any elective office of the City and County, except the Board of Education and the Governing Board of the Community College District, receives a majority of the votes cast at an election for such office, the two candidates receiving the most votes shall qualify to have their names placed on the ballot for a runoff election held on the second Tuesday in December of 2002.~~

In any contest for Mayor, Sheriff, District Attorney, City Attorney, Treasurer, Assessor-Recorder, Public Defender, or members of the Board of Supervisors, in which no candidate receives a majority of the votes cast, the Director of Elections shall hold a run-off election between the two candidates receiving the most votes. The Director of Elections shall hold the run-off election on the second Tuesday of the month following the municipal election in which the contest was on the ballot.

Ballots for run-off elections may not permit voters to cast votes for write-in candidates, and the Director of Elections may not count any attempts to cast votes for write-in candidates in a run-off election.

The Director of Elections may not place any measures on the ballot for any run-off election.

This section shall apply to the general municipal election in November 2012 and to all subsequent municipal elections.
