Naomi Maria Kelly

On January 6, 2012, Naomi Maria Kelly was appointed by Acting City Administrator, Amy L. Brown to replace herself as Acting City Administrator. As Acting City Administrator, Ms. Kelly oversees the City's General Service Agency, and agency headed by the City Administrator. The General Services Agency consists of 20 departments, divisions, and programs, which include: Public Works, Department of Technology, Administrative Services, Office of Contract Administration, Purchasing, Real Estate, County Clerk, 311, Fleet Management, Convention Facilities, Animal Care and Control, Medical Examiner, Treasure Island, to name a few. The Administrative Services department budget is \$239 million which does not include the budgets of Public Works and the Department of Technology, nor the hundreds of millions of dollars of contracts for which Ms. Kelly is responsible. Ms. Kelly is also responsible for over 2100 employees.

Ms. Kelly has over ten years of City governmental management experience with the City and County of San Francisco. She began her career with the City in 1996 as Special Assistant to the Mayor with the Mayor's Office of Neighborhood Services and later Mayor's Office of Policy and Legislative Affairs. She left the City for three years to earn her Juris Doctorate, then rejoined the City as an Executive Director in 2001.

Naomi M. Kelly was the Deputy City Administrator for the City and County of San Francisco, responsible for the Administrative Services Departments: Office of Contract Administration, Purchasing, Fleet Management, Central Shops, Reprographics & Mail Services and more since January 2011. During this time, Ms. Kelly assisted Mayor Edwin Lee in rolling out the City's new mandatory local hiring policy by preparing impacted City departments, contractors, and the broader community for the San Francisco Local Hiring Policy for Construction. The new policy required contractors performing City public works or improvement projects to meet mandatory levels of San Francisco resident participation. Ms. Kelly ensured that there was predictability for all stakeholders by maximizing existing City resources and infrastructure to eliminate duplication and new administrative barriers, while at the same time achieving the goals of the Local Hire Policy.

Ms. Kelly was appointed the City Purchaser and Director of the Office of Contract administration in 2004. Ms. Kelly managed the procurement of approximately \$250 million in materials and supplies and approved approximately \$500 million of professional service contracts that support the operations of City departments that provide services to the public. She administered policies and procedures regarding procurement and contracts to insure that all were issued in a fair and impartial manner. Ms. Kelly was committed to seeing that the City's contracting process is fair, simple and transparent. She also improved the department's performance by improving processes and managing difficult personnel performance issues.

Ms. Kelly was appointed to this position by Mayor Gavin Newsom in 2004 after an illustrious career at City Hall that began as Special Assistant to former Mayor Willie L. Brown, Jr. handling federal and state legislative affairs, and resulted in her appointment by Mayor Brown to

Executive Director of the City and County of San Francisco Taxicab Commission. In this leadership capacity, she managed the Department regulating the \$150 million taxicab industry. Under her tenure, the Taxi Commission assumed all powers and responsibilities relating to taxicabs and other motor vehicles for hire permits that were formally vested with the Police Department. She also successfully implemented the use of security cameras in all San Francisco taxicabs.

An attorney admitted to practice in 2002 in the State of California, Ms. Kelly received her Bachelor of Arts degree in Psychology from New York University, and her law degree from the University of San Francisco. She was born in San Francisco and presently resides there with her husband, Harlan Kelly Jr., the Assistant General Manager of the Public Utilities Commission, and her two sons.
