17 ~~song, dance act, song and dance act, or poetry recitation provided in front of a live audience~~

19 ~~person solely plays pre-recorded music or pre-recorded performances so long as no other live~~
20 ~~performance is provided.~~

21 ~~(8) "Subcontract" shall mean and include any agreement under or subordinate to a~~
22 ~~prime Contract, Lease, Franchise, Permit, or Agreement. "Subcontractor" shall mean any Person who~~
23 ~~enters into a Subcontract.~~

24 ~~(b) Determination of Prevailing Rate of Wage. It shall be the duty of the Board of Supervisors,~~
25 ~~from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate~~

1 ~~of Wages paid in private employment in the City and County of San Francisco for individuals engaged~~
2 ~~in theatrical or technical services related to the presentation of shows, including, but not limited to,~~
3 ~~workers engaged in rigging, sound, projection, theatrical lighting, videos, computers, draping,~~
4 ~~carpentry, special effects, and motion picture services, including such rate of wages paid for overtime~~
5 ~~and holiday work, which said Prevailing Rate of Wages shall be fixed and determined as follows:~~

6 ~~The Civil Service Commission shall furnish to the Board of Supervisors, within 60 days after the~~
7 ~~effective date of this Section, and on or before the first Monday in November of each subsequent year,~~
8 ~~data as to the Prevailing Rate of Wages for individuals engaged in theatrical or technical services~~
9 ~~related to the presentation of shows, including, but not limited to, workers engaged in rigging, sound,~~
10 ~~projection, theatrical lighting, videos, computers, draping, carpentry, special effects, and motion~~
11 ~~picture services, including such rate of wages paid for overtime and holiday work, and the Board of~~

14 ~~but not limited to, workers engaged in rigging, sound, projection, theatrical lighting, videos,~~
15 ~~computers, draping, carpentry, special effects, and motion picture services, including such rate of~~
16 ~~wages paid for overtime and holiday work, as paid for similar work in the City and County of San~~

19 ~~paid in private employment for similar work, until the same is changed by the Board of Supervisors.~~

20 ~~In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of~~
21 ~~Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission,~~
22 ~~but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper~~
23 ~~and thereupon base its determination upon any or all of the data or evidence considered.~~

24 ~~(c) Noncompliance with Wage Provisions; Termination; Penalty. Where the Contracting~~
25 ~~Officer determines that a Contractor for use of property owned by the City and County of San~~

1 ~~Francisco, or a subcontractor, may have violated the prevailing wage requirements of this Section, the~~
2 ~~Contracting Officer shall send written notice to the Contractor of the possible violation (a "violation~~
3 ~~notice"). In addition to and without prejudice to any other remedy available, the Contracting Officer~~
4 ~~may terminate the Contract, Lease, Franchise, Permit, or Agreement, in which case the Contractor~~
5 ~~shall not be entitled to any additional payment thereon unless within 30 days of receipt of the violation~~
6 ~~notice the Contractor has either (i) cured the violation or (ii) established by documentary evidence,~~
7 ~~including but not limited to payroll records, the truth and accuracy of which is attested to by affidavit,~~
8 ~~proof of compliance with the provisions of this Section. For purposes of this Section, where a~~
9 ~~Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to Employees as~~
10 ~~required by this Section, the Contractor shall have "cured the violation" once the Contractor or~~
11 ~~Subcontractor reimburses such individuals by paying each individual the balance of what he or she~~
12 ~~should have earned in accordance with the requirements of this Section. In addition to, or instead of~~
13 ~~terminating the Contract, Lease, Franchise, Permit, or Agreement, where the Contracting Officer finds~~
14 ~~that the Contractor has willfully violated the requirements of this Section, the Contracting Officer or~~
15 ~~the Labor Standards Enforcement Officer may assess a penalty (a "willful violation penalty") of not~~
16 ~~more than 10 percent of the dollar amount of the Contract, Lease, Franchise, Permit, or Agreement,~~
17 ~~such sums to be deposited in the fund out of which the Contract, Lease, Franchise, Permit, or~~
18 ~~Agreement is awarded or, if none exists, the General Fund. The Contracting Officer or Labor~~
19 ~~Standards Enforcement Officer may impose such willful violation penalty regardless of whether the~~
20 ~~Contractor has cured the violation.~~

21 ~~(d) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this~~
22 ~~Section, if a Contract, Lease, Franchise, Permit, or Agreement conflicts with an existing collective~~
23 ~~bargaining agreement to which a Contractor or Subcontractor is a party, the collective bargaining~~
24 ~~agreement shall prevail. However, the Contractor or Subcontractor will be obligated to make good~~
25

1 ~~faith efforts to comply with the requirements of its Contract, Lease, Franchise, Permit, or Agreement~~
2 ~~that do not conflict with the collective bargaining agreement.~~

3 ~~(e)~~ (c) **Preemption.** Nothing in this Section shall be interpreted or applied so as to
4 create any power or duty in conflict with any federal or State law.

5 ~~(f)~~ (d) **Effective Date and Application.** This Section shall become effective 30 days
6 after it is enacted, is intended to have prospective effect only, and shall not be interpreted to
7 impair the obligations of any pre-existing Contract, Lease, Franchise, Permit, or Agreement
8 issued or entered into by the City and County of San Francisco.

9 ~~(g)~~ (e) **Applicability to Existing Contracts, Leases, Franchises, Permits, or**
10 **Agreements.** This Section shall only apply to Contracts, Leases, Franchises, Permits, or
11 Agreements entered into on or after the effective date of this Section.

12 ~~(h)~~ (f) **Severability.** If any severable provision or provisions of this Section or any
13 application thereof is held invalid, such invalidity shall not affect any other provisions or
14 applications of the Section.

15

2 ~~(2) "Contracting Officer" shall mean any officer or employee of the City authorized to~~
3 ~~enter into a Contract on behalf of the City.~~

7 ~~the control or collected by the City. For purposes of this Section, "Contract" shall not include~~
8 ~~(a) a permit issued under the Refuse Collection and Disposal Ordinance, Appendix 1 of the~~
9 ~~San Francisco Administrative Code, or (b) a contract governed by the provisions of Chapter 6~~
10 ~~of the San Francisco Administrative Code. Should the the Administrative Code be amended to~~
11 ~~change the permit process contained in Appendix 1 to a franchise process, or any other process for~~
12 ~~authorizing refuse collection and disposal within the City, it shall be City policy to require refuse~~

15 ~~(4) "Contractor" shall mean any Person who submits a bid and/or enters into a~~

1 shall not include "solid waste disposal" or "disposal" as defined in Section 40192 of the
2 California Public Resources Code.

3 ~~(7) "Person" shall mean any individual, proprietorship, partnership, joint venture,
4 corporation, limited liability company, trust, association, or other entity that may employ individuals or
5 enter into contracts, or any combination thereof.~~

6 ~~(8) (3) "Prevailing Rate of Wages" shall mean that rate of compensation as
7 determined in Section 21C.7. including fringe benefits or the matching equivalents thereof, being paid
8 to a majority of workers engaged in the hauling of solid waste, if a majority of such workers are paid at
9 a single rate; if there is no single rate being paid to a majority, then the prevailing rate shall be that
10 single rate being paid to the greatest number of workers.~~

11 ~~(9) (4) "Solid Waste" shall mean "solid waste" as defined in Section 40191 of
12 the California Public Resources Code and includes material collected for "recycling" as

18 ~~(b) Prevailing Wage Rate Requirements.~~

19 ~~(1) Basic Prevailing Wage Rate Requirement. Every Contract awarded by the City for
20 the hauling of solid waste generated by the City in the course of City operations must require that any
21 Employee engaged in the hauling of solid waste be paid not less than the Prevailing Rate of Wages,
22 including fringe benefits or the matching equivalents thereof, paid in private employment for similar
23 work in the area in which the Contract is being performed.~~

24 ~~(2) Contractual Provision Concerning Prevailing Wage Rate Requirement. All
25 Contracts subject to this Section shall include a provision in which the Contractor agrees to comply~~

1 ~~with, and to require Subcontractors to comply with, the prevailing wage rate requirement imposed by~~
2 ~~this Section.~~

3 ~~(3) Determination of Prevailing Rate of Wages. It shall be the duty of the Board of~~
4 ~~Supervisors, from time to time and at least once during each calendar year, to fix and determine the~~
5 ~~Prevailing Rate of Wages paid in private employment in the City for individuals engaged in the hauling~~
6 ~~of solid waste, including such rate of wages paid for overtime and holiday work, which said Prevailing~~
7 ~~Rate of Wages shall be fixed and determined as follows:~~

8 ~~The Civil Service Commission shall furnish to the Board of Supervisors, within 15 days~~
9 ~~after the effective date of this Section, and on or before the first Monday in November of each year,~~
10 ~~data as to the Prevailing Rate of Wages for individuals engaged in the hauling of solid waste, including~~
11 ~~such rate of wages paid for overtime and holiday work, and the Board of Supervisors shall, upon~~
12 ~~receipt of such data, fix and determine the Prevailing Rate of Wages for individuals engaged in the~~
13 ~~hauling of solid waste, including such rate of wages paid for overtime and holiday work, as paid for~~
14 ~~similar work in the City in private employment. Such Prevailing Rate of Wages as so fixed and~~
15 ~~determined by the Board of Supervisors shall remain in force and shall be deemed to be the Prevailing~~
16 ~~Rate of Wages paid in private employment for similar work, until the same is changed by the Board of~~
17 ~~Supervisors.~~

18 ~~In determining the Prevailing Rate of Wages, as provided for in this Section, the Board~~
19 ~~of Supervisors shall not be limited to the consideration of data furnished by the Civil Service~~
20 ~~Commission, but may consider such other evidence upon the subject as the Board of Supervisors shall~~
21 ~~deem proper and thereupon base its determination upon any or all of the data or evidence considered.~~

22 ~~(4) Enforcement of Prevailing Wage Rate Requirements. Where the Contracting Officer~~
23 ~~determines that a Contractor for the hauling of solid waste, or a Subcontractor, may have violated the~~
24 ~~prevailing wage requirements of this Section, the Contracting Officer shall send written notice to the~~
25 ~~Contractor of the possible violation (a "violation notice"). In addition to and without prejudice to any~~

1 ~~other remedy available, the Contracting Officer may terminate the Contract, in which case the~~
2 ~~Contractor shall not be entitled to any additional payment thereon unless within 30 days of receipt of~~
3 ~~the violation notice the Contractor has either (i) cured the violation or (ii) established by documentary~~
4 ~~evidence, including but not limited to payroll records, the truth and accuracy of which is attested to by~~
5 ~~affidavit, proof of compliance with the provisions of this Section. For purposes of this Section, where a~~
6 ~~Contractor or Subcontractor fails to pay at least the Prevailing Rate of Wages to Employees as~~
7 ~~required by this Section, the Contractor shall have "cured the violation" once the Contractor or~~
8 ~~Subcontractor reimburses such individuals by paying each individual the balance of what he or she~~
9 ~~should have earned in accordance with the requirements of this Section. In addition to, or instead of~~
10 ~~terminating the Contract, where the Contracting Officer finds that the Contractor has willfully violated~~
11 ~~the requirements of this Section, the Contracting Officer or the Labor Standards Enforcement Officer~~
12 ~~may assess a penalty (a "willful violation penalty") of not more than 10 percent of the dollar amount of~~
13 ~~the Contract, such sums to be deposited in the fund out of which the Contract is awarded or, if none~~
14 ~~exists, the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose~~
15 ~~such willful violation penalty regardless of whether the Contractor has cured the violation.~~

16 ~~(c) Worker Retention Requirements.~~

17 ~~(1) Purpose. The City has an important proprietary interest in maintaining the stability of the~~
18 ~~workforce engaged by a Contractor in the hauling of solid waste generated by the City in the course of~~
19 ~~City operations. Turnover of experienced workers resulting from a change in the City's Contractor~~
20 ~~jeopardizes the quality, efficiency, and cost effectiveness of service provided to the City under the~~
21 ~~successor Contract.~~

22 ~~(2) Worker Retention Requirements. All Contracts covered by this Section shall impose the~~
23 ~~following obligations on the Contractor for Employees who work at least 15 hours per week under the~~
24 ~~Contract.~~

1 ~~(i) Where the Contracting Officer has given notice that a Contract has been terminated or~~
2 ~~ended, or where a Contractor has given notice of such termination, upon giving or receiving such~~
3 ~~notice, as the case may be, the terminated or ending Contractor shall, within ten days thereafter,~~
4 ~~provide to the successor Contractor, the name, date of hire, and employment occupation classification~~
5 ~~of each Employee who works at least 15 hours per week under the Contract. This provision shall also~~
6 ~~apply to the Subcontractors of the terminated Contractor.~~

7 ~~If the terminated Contractor has not learned the identity of the successor Contractor, if any, by~~
8 ~~the time that notice was given of the Contract termination, the terminated Contractor shall obtain such~~
9 ~~information from the Contracting Officer. If a successor Contractor has not been awarded by the end of~~
10 ~~the 10 day period, the employment information referred to in subsection (c)(2)(i) shall be provided to~~
11 ~~the Contracting Officer at such time. Where a Subcontractor has been terminated prior to the~~
12 ~~termination of the Contract, the terminated Subcontractor shall for the purposes of this provision be~~
13 ~~deemed a terminated Contractor.~~

14 ~~(ii) A successor Contractor shall retain, for a 90-day transition employment period. Employees~~
15 ~~who have worked at least 15 hours per week and been employed by the terminated Contractor or its~~
16 ~~Subcontractors, if any, for the preceding twelve months or longer under the Contract, providing that~~
17 ~~just cause does not exist to terminate such Employee. The predecessor Contractor's Employees who~~
18 ~~worked at least 15 hours per week shall be employed in order of their seniority with the predecessor.~~
19 ~~This requirement shall be stated by the City in all initial bid packages, Requests for Proposals, and~~
20 ~~Requests for Qualifications involving Contracts governed by this Section.~~

21 ~~(iii) If at any time a successor Contractor determines that fewer Employees are required to~~
22 ~~perform the new Contact than were required by the terminated Contractor (and Subcontractors, if any),~~
23 ~~the successor Contractor shall retain Employees by seniority within the job classification.~~

24 ~~(iv) During such 90-day period the successor Contractor (or Subcontractor, where applicable)~~
25 ~~shall maintain a preferential hiring list of eligible covered Employees not retained by the successor~~

1 ~~Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall hire~~
2 ~~additional Employees.~~

3 ~~(v) Except as provided in subsection (c)(2)(iii), during such 90-day period, the successor~~
4 ~~Contractor (or Subcontractor, where applicable) shall not discharge without cause an Employee~~
5 ~~retained pursuant to this Section. "Cause," for this purpose, shall include, but not be limited to, the~~
6 ~~Employee's conduct while in the employ of the terminated Contractor or Subcontractor that contributed~~
7 ~~to any decision to terminate the Contract or Subcontract for fraud or poor performance, excluding~~
8 ~~permissible union-related activity.~~

9 ~~(vi) At the end of such 90-day period, a successor Contractor (or Subcontractor, where~~
10 ~~applicable) shall perform a written performance evaluation for each Employee retained pursuant to~~
11 ~~this Section. If the Employee's performance during such 90-day period is satisfactory, the successor~~
12 ~~Contractor (or Subcontractor) shall offer the Employee continued employment under the terms and~~
13 ~~conditions established by the successor Contractor (or Subcontractor) or as required by law.~~

14 ~~(3) Contractual Provision Concerning Worker Retention Requirements. All Contracts subject~~
15 ~~to this Section shall include a provision in which the Contractor agrees to comply with, and to require~~
16 ~~Subcontractors to comply with, the obligations imposed by this Section.~~

17 ~~(4) Enforcement of Worker Retention Requirements. An Employee who has not been hired or~~
18 ~~has been discharged in violation of this Section by a successor Contractor or its Subcontractor may~~
19 ~~bring an action in the Superior Court of the State of California, as appropriate, against the successor~~
20 ~~Contractor and, where applicable, its Subcontractor, and shall be awarded back pay, including the~~
21 ~~value of benefits for each day during which the violation continues, which shall be calculated at a rate~~
22 ~~of compensation not less than the higher of (i) the average regular rate of pay received by the~~
23 ~~Employee during the last three years of the Employee's employment in the same occupation~~
24 ~~classification or (ii) the final regular rate received by the Employee. If the Employee is the prevailing~~
25

1 ~~party in any such legal action, the Court shall award reasonable attorney's fees and costs as part of the~~
2 ~~costs recoverable.~~

3 ~~(5) Successor's Prior Employees. Notwithstanding the provisions of subsection (c), a~~
4 ~~successor Contractor or Subcontractor may replace an Employee otherwise entitled to be retained~~
5 ~~pursuant to this Section with a person employed by the Contractor or Subcontractor continuously for~~
6 ~~twelve months prior to the commencement of the successor Contract or Subcontract in a capacity~~
7 ~~similar to that proposed under the successor Contract or Subcontract. This Section shall apply only~~
8 ~~where the existing Employee of the successor Contractor or Subcontractor would otherwise be laid off~~
9 ~~work as a result of the award of the successor Contract.~~

10 ~~(d) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this~~
11 ~~Section, if a Contract conflicts with an existing collective bargaining agreement to which a Contractor~~
12 ~~or Subcontractor is a party, the collective bargaining agreement shall prevail. However, the~~
13 ~~Contractor or Subcontractor will be obligated to make good faith efforts to comply with the~~
14 ~~requirements of its Contract that do not conflict with the collective bargaining agreement.~~

15 ~~(e) (c) Preemption.~~ Nothing in this Section shall be interpreted or applied so as to
16 create any power or duty in conflict with any federal or state law.

17 ~~(f) No Cause of Action Against City. This Section is not intended to create a private right of~~
18 ~~action against the City.~~

19 ~~(g) (d) Prospective Application.~~ This Section is intended to have prospective effect
20 only, and shall not be interpreted to impair the obligations of any pre-existing Contract entered
21 into by the City. This Section shall only apply to Contracts entered into on or after the
22 effective date of this Section.

23 ~~(h) (e) Severability.~~ If any part or provision of this Section, or the application thereof
24 to any Person or circumstance, is held invalid, the remainder of this Section, including the
25 application of such part or provisions to other Persons or circumstances, shall not be affected

1 thereby and shall continue in full force and effect. To this end, the provisions of this Section
2 are severable.

4 **SEC. 21C.6. PREVAILING RATE OF WAGES REQUIRED IN CONTRACTS FOR MOVING**
5 **SERVICES; NONPROFIT ORGANIZATIONS EXCLUSION.**

6 (a) Prevailing Wage Requirement. Every Contract issued by the City and County of San
7 Francisco for Moving Services to be performed at any facility owned or leased by the City and
8 County of San Francisco, where such work is to be done directly under the contract awarded
9 (a "prime contract") must require that any Individual Employee performing Moving Services
10 thereunder be paid not less than the Prevailing Rate of Wages, including fringe benefits or the

12 the Contract is being performed.

13 ~~(a)~~ (b) Exclusions. This Section shall not apply to the following:

14 (1) **Non-profits.** This Section shall not apply to a Contract where the Moving

18 before the effective date of this Section.

19 (3) **Contracts for \$1000 or less.** This Section shall not apply to contracts for
20 \$1000 or less per moving service provider. Contracts may not be split for purposes of
21 evading the requirements of this Section.

23 to the terms used herein:

24 (1) "Contract" shall mean an agreement for Moving Services to be performed at
25 the expense of the City and County of San Francisco or to be paid out of moneys deposited in

1 the treasury or out of trust moneys under the control or collected by the City and County of
2 San Francisco.

15 ~~foreign corporation) in good standing under the laws of the State of California, which~~
16 ~~corporation has established and maintains a valid non-profit status under Section 501(c)(3) of~~
17 ~~the United States Internal Revenue Code of 1986, as amended, and all rules and regulations~~
18 ~~promulgated under such Section.~~

19 ~~(6) "Person" shall include any individual, firm, proprietorship, partnership,~~
20 ~~corporation or combination thereof.~~

21 ~~(7) (4) "Prevailing Rate of Wages" shall mean that rate of compensation as~~
22 ~~determined in Section 2C.7. , including fringe benefits or the matching equivalents thereof, being paid~~
23 ~~to a majority of workers performing moving services, if a majority of such workers be paid at a single~~
24 ~~rate; if there be no single rate being paid to a majority then the prevailing rate shall be that single rate~~
25 ~~being paid the greatest number of workers.~~

1 ~~(c) Determination of Prevailing Rate of Wage. It shall be the duty of the Board of Supervisors,~~
2 ~~from time to time and at least once during each calendar year, to fix and determine the Prevailing Rate~~
3 ~~of Wages paid in private employment in the City and County of San Francisco for Moving Services,~~
4 ~~including such rate of wages paid for overtime and holiday work, which said Prevailing Rate of Wages~~
5 ~~shall be fixed and determined as follows:~~

6 ~~The Civil Service Commission shall furnish to the Board of Supervisors, on or before the first~~
7 ~~Monday in November of each year, data as to the Prevailing Rate of Wages for Moving Services as~~
8 ~~paid in private employment in the City and County of San Francisco, including wages for overtime and~~
9 ~~holiday work. The Board of Supervisors shall, upon receipt of such data, fix and determine the~~
10 ~~Prevailing Rate of Wages for Moving Services, including such rate of wages for overtime and holiday~~

12 ~~Prevailing Rate of Wages as so fixed and determined by the Board of Supervisors shall remain in force~~
13 ~~and shall be deemed to be the Prevailing Rate of Wages paid in private employment for similar work,~~
14 ~~until the same is changed by the Board of Supervisors.~~

15 ~~In determining the Prevailing Rate of Wages, as provided for in this Section, the Board of~~
16 ~~Supervisors shall not be limited to the consideration of data furnished by the Civil Service Commission,~~
17 ~~but may consider such other evidence upon the subject as the Board of Supervisors shall deem proper~~
18 ~~and thereupon base its determination upon any or all of the data or evidence considered.~~

19 ~~(d) Noncompliance with Wage Provisions; Termination; Penalty. Where the Contracting~~

21 ~~Services may have violated the prevailing wage requirements of this Section, the Contracting Officer or~~
22 ~~the City's Labor Standards Enforcement Officer shall send written notice to the Contractor of the~~
23 ~~possible violation (a "violation notice"). In addition to and without prejudice to any other remedy~~
24 ~~available, the Contracting Officer may terminate the contract, in which case the Contractor shall not~~
25 ~~be entitled to any additional payment thereon unless within 30 days of receipt of the violation notice the~~

1 ~~Contractor has either (i) cured the violation or (ii) has established by documentary evidence, including~~
2 ~~but not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of~~
3 ~~compliance with the provisions of this Section. For purposes of this Section, where a Contractor fails~~
4 ~~to pay at least the Prevailing Rate of Wages to individuals performing Moving Services under a~~
5 ~~Contract for Moving Services, the Contractor shall have "cured the violation" once the Contractor~~
6 ~~reimburses such individuals by paying each individual the balance of what he or she should have~~
7 ~~earned in accordance with the requirements of this Section. In addition to, or instead of terminating~~
8 ~~the Contract for Moving Services, where the Contracting Officer or the Office of Labor Standards~~
9 ~~Enforcement finds that the Contractor has willfully violated the requirements of this Section, the~~
10 ~~Contracting Officer or the City's Labor Standards Enforcement Officer shall assess a penalty (a~~
11 ~~"willful violation penalty") in the sum of \$50 per day for each Employee for each day the Contractor or~~
12 ~~Subcontractor fails to pay the Prevailing Rate of Wages, such sums to be deposited in the fund out of~~
13 ~~which Contract is awarded. The Contracting Officer or the City's Labor Standards Enforcement~~
14 ~~Officer shall impose such willful violation penalty regardless of whether the Contractor has cured the~~
15 ~~violation.~~

16 ~~(e) Verification. The Contractor must provide verification of compliance with the provisions of~~
17 ~~this Ordinance upon request by the Contracting officer or the City's Labor Standards Enforcement~~
18 ~~Officer.~~

19 ~~(f) Collective Bargaining Agreements. Notwithstanding anything to the contrary in this Section,~~
20 ~~if a Contract conflicts with an existing collective bargaining agreement to which a Contractor is a~~
21 ~~party, the collective bargaining agreement shall prevail. However, the Contractor will be obligated to~~
22 ~~make good faith efforts to comply with the requirements of its Contract that do not conflict with the~~
23 ~~collective bargaining agreement.~~

24 ~~(g) (d) Preemption. Nothing in this Section shall be interpreted or applied so as to~~
25 ~~create any power or duty in conflict with any federal or state law.~~

1 ~~(h)~~ (e) **Effective Date and Application.** This Section shall become effective 30 days
2 after it is enacted. This Section is intended to have prospective effect only, and shall not be
3 interpreted to impair the obligations of any pre-existing agreement to which the City is a party,
4 unless such pre-existing agreement has been amended after the effective date of this Section.

5 ~~(i)~~ (f) **Severability.** If any part or provision of this Section, or the application thereof to
6 any Person or circumstance, is held invalid, the remainder of this Section, including the
7 application of such part or provisions to other Persons or circumstances, shall not be affected
8 thereby and shall continue in full force and effect. To this end, the provisions of this Section
9 are severable.

10
11 Section 2. The San Francisco Administrative Code is hereby amended by adding
12 Section 21C.7, to read as follows.

13 **SEC. 21C.7. STANDARD PROVISIONS GOVERNING THE PREVAILING RATE OF WAGES,**
14 **WORKER RETENTION, AND USE OF EMPLOYEES FOR WORK UNDER CITY CONTRACTS**
15 **FOR CERTAIN SERVICES.**

16 *(a) Prevailing Wage Requirement. Every Covered Contract issued by the City and County of*
17 *San Francisco must require that any Individual performing services thereunder be paid not less than*
18 *the Prevailing Rate of Wages.*

19 *(b) Definitions. For purposes of this Section, the following definitions shall apply to the terms*
20 *used herein.*

21 *(1) "City" shall mean the City and County of San Francisco.*

22 *(2) "Contracting Officer" shall mean any officer or employee of the City authorized to*
23 *enter into a Covered Contract on behalf of the City.*

24 *(3) "Contractor" shall mean any Person who submits a bid or proposal and/or enters*
25 *into a Covered Contract.*

1 (4) “Covered Contract” shall mean an agreement between the City and a Contractor
2 for the following services:

3 (i) “Motor Bus Services” as defined in Section 21C.1, subject to the provisions
4 of Section 21C.1;

5 (ii) “Janitorial Services” as defined in Section 21C.2;

6 (iii) “Public Off-Street Parking Lots, Garages, or Storage Facilities for
7 Automobiles” as defined in Section 21C.3;

8 (iv) “Theatrical Services” as defined in Section 21C.4;

9 (v) “Solid Waste Generated By The City In Course of City Operations” as
10 defined in Section 21C.5; and

11 (vi) “Moving Services” as defined in Section 21C.6.

12 (5) “Individual” shall mean any person who performs work under a Covered Contract.

13 (6) “Person” shall mean any individual, proprietorship, partnership, joint venture,
14 corporation, limited liability company, trust, association, or other entity that may employ or hire
15 individuals or enter into contracts.

16 (7) “Prevailing Rate of Wages” shall mean that rate of compensation, including fringe
17 benefits or the matching equivalents thereof, being paid to a majority of workers engaged in the
18 services for which a Covered Contract is entered into by the City and County of San Francisco, if a
19 majority of such workers are paid at a single rate; if there is no single rate being paid to a majority,
20 then the prevailing rate shall be that single rate being paid to the greatest number of workers.

21 (8) “Subcontract” shall mean any agreement under or subordinate to a prime Contract.

22 (9) “Subcontractor” shall mean any Person who enters into a Subcontract with a
23 Contractor.

24 (c) Prevailing Wage Rate Requirements.

1 (1) Determination of Prevailing Rate of Wages. It shall be the duty of the Board of
2 Supervisors, from time to time and at least once during each calendar year, to fix and determine the
3 Prevailing Rate of Wages paid in private employment in the City for Individuals engaged in services
4 under Covered Contracts including such rate of wages paid for overtime and holiday work, which said
5 Prevailing Rate of Wages shall be fixed and determined as follows:

6 The Civil Service Commission shall furnish to the Board of Supervisors on or before the
7 first Monday in November of each year, data as to the Prevailing Rate of Wages for Individuals
8 engaged in services under Covered Contracts including such rate of wages paid for overtime and
9 holiday work, and the Board of Supervisors shall, upon receipt of such data, fix and determine the
10 Prevailing Rate of overtime and holiday work, as paid for similar work in the City in private
11 employment. Such Prevailing Rate of Wages as so fixed and determined by the Board of Supervisors
12 shall remain in force and shall be deemed to be the Prevailing Rate of Wages paid in private
13 employment for similar work, until the same is changed by the Board of Supervisors.

14 In determining the Prevailing Rate of Wages, as provided for in this Section, the Board
15 of Supervisors shall not be limited to the consideration of data furnished by the Civil Service
16 Commission, but may consider such other evidence upon the subject as the Board of Supervisors shall
17 deem proper and thereupon base its determination upon any or all of the data or evidence considered.

18 For purposes of this Section, the Civil Service Commission shall provide data on and the
19 Board shall certify two components for each craft, classification, and type of work, which together shall
20 be deemed the "Prevailing Rate of Wages": (1) the basic hourly wage rate and (2) the hourly rate of
21 each fringe benefit, which together equal the hourly prevailing rate of wages. The Civil Service
22 Commission shall provide this data to the Board of Supervisors within 90 days of the effective date of
23 this Section.

24 (2) Contracting Officers. Each bid or proposal for a Contract shall include, on a form
25 provided by the Contracting Officer, the (a) basic hourly rate of wages to be paid by the Contractor

1 and Subcontractor, if any, for each craft, classification, or type of work to be performed by Employees
2 under the Contract, and (b) for each required fringe benefit, the hourly cost of each fringe benefit, or
3 cash equivalent, the Contractor and Subcontractor, if any, intend to provide. In meeting the Prevailing
4 Rate of Wages, no amount of fringe benefit credit shall be used to reduce the obligation to pay the basic
5 hourly straight time or overtime wage rate. The Contracting Officer shall reject any bid or proposal
6 that does not include payment of the Prevailing Rate of Wages as defined in this Section. This
7 provision shall become operative after the Board of Supervisors adopts a "Prevailing Rate of Wages"
8 under Subsection (c) (1) that includes a wage rate and the hourly rate of each fringe benefit.

9 **(3) Contractual Provision Concerning Prevailing Wage Rate Requirement. All**
10 **Contracts subject to this Section shall include a provision in which the Contractor agrees to comply**
11 **with, and to require Subcontractors to comply with, the prevailing wage rate requirement imposed by**
12 **this Section.**

13 **(4) Enforcement of Prevailing Wage Rate Requirements. Where the Contracting**
14 **Officer or the Labor Standards Enforcement Officer determines that a Contractor or a Subcontractor**
15 **may have violated the prevailing wage rate requirements of this Section, the Contracting Officer or**
16 **Labor Standards Enforcement Officer shall send written notice to the Contractor of the possible**
17 **violation (a "violation notice"). In addition to and without prejudice to any other remedy available,**
18 **the Contracting Officer may terminate the Contract, in which case the Contractor shall not be entitled**
19 **to any additional payment thereon unless within thirty (30) days of receipt of the violation notice the**
20 **Contractor has either (i) cured the violation or (ii) established by documentary evidence, including but**
21 **not limited to payroll records, the truth and accuracy of which is attested to by affidavit, proof of**
22 **compliance with the provisions of this Section. For purposes of this Section, where a Contractor or**
23 **Subcontractor fails to pay at least the Prevailing Rate of Wages to Individuals as required by this**
24 **Section, the Contractor shall have "cured the violation" once the Contractor or Subcontractor**
25 **reimburses such Individuals by paying each individual the balance of what he or she should have**

1 earned in accordance with the requirements of this Section, plus an annualized rate of interest of ten
2 percent (10%). In addition to, or instead of terminating the Contract, if the Contracting Officer or the
3 Labor Standards Enforcement Officer finds that the Contractor has willfully violated the requirements
4 of this Section, the Contracting Officer or the Labor Standards Enforcement Officer, shall assess a
5 penalty (a "willful violation penalty") of not more than ten (10%) percent of the dollar amount of the
6 Contract, such sums to be deposited in the fund out of which the Contract is awarded or, if none exists,
7 the General Fund. The Contracting Officer or Labor Standards Enforcement Officer may impose such
8 willful violation penalty regardless of whether the Contractor has cured the violation

9 (d) **Transition Employment Requirements.** The City has an important proprietary interest in
10 maintaining the stability of the workforce engaged by a Contractor or Subcontractor under a Covered
11 Contract. Turnover of experienced workers resulting from a change in the City's Contractor
12 jeopardizes the quality, efficiency, and cost-effectiveness of service provided to the City under the
13 successor Contract. All Covered Contracts shall impose the following obligations on the Contractor
14 and Subcontractor.

15 (1) Where the Contracting Officer has given notice that a Covered Contract ~~has been~~
16 ~~terminated or ended~~ will be bid, or where a Contractor has given notice of ~~such~~ termination, upon
17 giving or receiving such notice, as the case may be, the Contractor ("ending Contractor") shall, within
18 ten days thereafter, provide to the Contracting Officer and the Purchaser ~~successor~~
19 Contractor, for each Employee who worked at least 15 hours per week for the ending
20 Contractor, the name, date of hire, number of hours and months worked in total for the
21 employer, wage rate, and employment occupation classification, ~~of each Employee who worked~~
22 at least 15 hours per week. This provision shall also apply to the subcontractors of the ending
23 Contractor.

24 If the ending Contractor has not learned the identity of the successor Contractor,
25 if any, by the time that notice was given of the Contract termination or ending, the ending

1 Contractor shall obtain such information from the Contracting Officer. If a successor
2 Contractor has not been awarded by the end of the 10 day period, the employment
3 information referred to earlier in this subsection shall be provided to the Contracting Officer at
4 such time. Where a Subcontractor has been terminated prior to the termination or ending of the
5 Contract, the Subcontractor shall for the purposes of this Section be deemed an ending Contractor.

6 All requests for bids for Covered Contracts shall include the information listed
7 above for Employees and shall notify prospective bidders about the Transition Employment
8 requirements of this Section.

9 (2) A successor Contractor shall retain, for a six-month transition employment period,
10 Employees who have worked at least 15 hours per week and have been employed by the ending
11 Contractor or its Subcontractors, if any, for the preceding twelve months under the Covered Contract,
12 providing that just cause does not exist to terminate such Employee. The ending Contractor's
13 Employees who worked at least 15 hours per week shall be employed in order of their seniority with the
14 predecessor within job classification and shall be paid the Prevailing Rate of Wages to which they were
15 entitled when employed by the ending Contractor. This requirement shall be stated by the City in all
16 initial bid packages involving a Covered Contract.

17 (3) If at any time a successor Contractor determines that fewer Employees are required
18 to perform the new Contact than were required by the ending Contractor (and Subcontractors, if any),
19 the successor Contractor shall retain Employees by seniority within job classification.

20 (4) During such six-month period the successor Contractor (or Subcontractor, where
21 applicable) shall maintain a preferential hiring list of eligible covered Employees not retained by the
22 successor Contractor (or Subcontractor) from which the successor Contractor (or Subcontractor) shall
23 hire additional Employees.

24 (5) During the six-month period, the successor Contractor (or Subcontractor, where
25 applicable) shall not discharge without cause an Employee retained pursuant to this Subsection.

1 "Cause," for this purpose, shall include, but not be limited to, the Employee's conduct while in the
2 employ of the ending Contractor or Subcontractor that contributed to any decision to terminate the
3 Contract or Subcontract for fraud or poor performance, excluding permissible union-related activity.

4 (6) At the end of the six-month period, a successor Contractor (or Subcontractor, where
5 applicable) shall perform a written performance evaluation for each Employee retained pursuant to
6 this Subsection. If the Employee's performance during such six-month period is satisfactory, the
7 successor Contractor (or Subcontractor) shall offer the Employee continued employment under the
8 terms and conditions established by the successor Contractor (or Sub-contractor) or as required by
9 law.

10 (7) All Covered Contracts subject to this Section shall include a provision in which the
11 Contractor agrees to require any Subcontractor to comply with the obligation imposed by this
12 Subsection (d).

13 (8) **Successor's Prior Employees.** Notwithstanding the provisions of this Subsection
14 (d), a successor Contractor or Subcontractor may replace an Employee otherwise entitled to be
15 retained with a person employed by the Contractor or Subcontractor continuously for twelve months
16 prior to the commencement of the successor Contract or Subcontract in a capacity similar to that
17 proposed under the successor Contract or Subcontract. This provision shall apply only where the
18 existing Employee of the successor Contractor or Subcontractor would otherwise be laid off work as a
19 result of the award of the successor Contract.

20 (9) The retention requirements of this Subsection (d) shall not apply where there is no
21 successor Contractor or Subcontractor. For example, where a Contract is for services over a single
22 day, week, or month for a discrete nonrepeating event there is no successor and the retention
23 requirements described herein are inapplicable.

24 (10) For the purposes of this Subsection (d) on Transition Employment Requirements
25 only, the term "Employee" shall include any person who performs work under a Covered Contract but

1 shall not include an individual who serves in a managerial, supervisory, or confidential capacity,
2 including those individuals who would be defined as such under the Fair Labor Standards Act.

3 (11) Enforcement. An Employee who has not been hired or has been discharged in
4 violation of this Section by a successor Contractor or its Subcontractor may bring an action in the
5 Superior Court of the State of California, as appropriate, against the successor Contractor and, where
6 applicable, its Subcontractor, and shall be awarded back pay, including the value of benefits for each
7 day during which the violation continues, which shall be calculated at a rate of compensation not less
8 than the higher of:

9 (i) The average regular rate of pay received by the Employee during the last
10 three years of the Employee's employment in the same occupation classification; or

11 (ii) The final regular rate received by the Employee.

12 If the Employee is the prevailing party in any such legal action, the Court shall
13 award reasonable attorney's fees and costs as part of the costs recoverable.

14 (12) This Section is not intended to create a private right of action against the City and
15 County of San Francisco.

16 (13) If during the term of a Covered Contract, a Contractor (or Subcontractor engaged
17 by said Contractor) violates the worker transition requirements of this Subsection (d), the Contractor
18 or Subcontractor shall be subject to the enforcement remedies as set forth in Subsection (c)(4),
19 including termination of the Contract or Subcontract and penalties for willful violation.

20 (e) Requirement of Employer-Employee Relationship.

21 (1) The City has an important proprietary interest in maintaining the stability of the
22 workforce engaged by a Contractor for a Covered Contract by ensuring that individuals working
23 pursuant to City contracts have the protections afforded by state and municipal laws governing
24 employment. In order for the City to maintain the integrity of its contracting process, the city's
25 prevailing wage laws ensure contractors a level playing field on which to bid for contracts. When

1 contractors are allowed to classify workers as independent owner operators, contractors can appear to
2 pay the prevailing wage when in reality, after the owner operator's operating costs are taken into
3 account, the owner operator receives less than the prevailing wage for his or her labor. This outcome
4 contradicts one of the goals of the prevailing wage law, which is to provide for fair competition among
5 contractors, all of whom must pay workers, at a minimum, the same prevailing rate of wages and
6 benefits. The City's proprietary interest is such that employment of Employees in an Employer-
7 Employee relationship shall be required for all work done under any Covered Contract.

8 (2) Every Covered Contract shall require the Contractor (and Subcontractors, if any) to
9 perform said Contract, with Individuals employed by said Contractor or Subcontractor in an
10 Employer-Employee relationship as defined by California law.

11 (3) No Covered Contract shall be awarded by the City to a Contractor and/or
12 Subcontractor who proposes to perform the Contract with self-employed persons or independent
13 contractors.

14 (4) If during the term of a Covered Contract, a Contractor (or Subcontractor engaged
15 by said Contractor) engages any self-employed persons or independent contractors to perform the
16 Contract for a period of three (3) days or more, the Contractor or Subcontractor shall be subject to the
17 enforcement remedies as set forth in Subsection (c)(4), including termination of the Contract or
18 Subcontract and penalties for willful violation

19 (5) Contractors shall be fully responsible for the compliance of Subcontractors with this
20 provision. Contractors shall be jointly and severally liable for any penalties assessed against their
21 Subcontractors in the event that the Subcontractor is unable or unwilling to pay a penalty.

22 (f) Preemption. Nothing in this Section shall be interpreted or applied so as to create any
23 power or duty in conflict with any federal or state law.

24 (g) No Cause of Action Against City. This Section is not intended to create a private right of
25 action against the City.

1 (h) Prospective Application. This Section is intended to have prospective effect only, and shall
2 not be interpreted to impair the obligations of any pre-existing Contract entered into by the City. This
3 Section shall only apply to Contracts entered into on or after the effective date of this Section.

4 (i) Severability. If any part or provision of this Section, or the application thereof to any
5 Person or circumstance, is held invalid, the remainder of this Section, including the application of such
6 part or provisions to other Persons or circumstances, shall not be affected thereby and shall continue
7 in full force and effect. To this end, the provisions of this Section are severable.

8
9 Section 3. The San Francisco Police Code is hereby amended by amending
10 Section 3300C.1, to read as follows:

11 **SEC. 3300C.1. DEFINITIONS.**

12 The following definitions shall apply throughout this Article:

13 (a) "Awarding authority" means any person that awards or otherwise enters into
14 contracts for security and janitorial or building maintenance services performed within the City
15 and County of San Francisco, except that the City and County of San Francisco is not an "awarding
16 authority" under this Section with respect to City contracts for janitorial services as defined in
17 Administrative Code Section 21C.2, because the worker retention prevailing wage requirements for
18 those City contracts are governed by Section 21C.2 and 21C.7 of the Administrative Code.

19 (b) "Contractor" means any person that enters into a service contract with the
20 awarding authority and who employs 25 or more persons.

21 (c) "Employee" means any person employed as a service employee of a contractor or
22 subcontractor who works at least 15 hours per week and whose primary place of employment
23 is in the City and County of San Francisco under a contract to provide security services,
24 janitorial services, or building maintenance services for the awarding authority. "Employee"
25 does not include a person who is (1) a managerial, supervisory, or confidential employee,

1 including those employees who would be so defined under the Fair Labor Standards Act; or
2 (2) does not possess or has not maintained a required occupational license; or (3) is
3 employed less than 15 hours per week.

4 (d) "Person" means any individual, proprietorship, partnership, joint venture,
5 corporation, limited liability company, trust, association, or other entity that may employ
6 individuals or enter into contracts.

7 (e) "Public sector contractor" means any person or persons, firm, partnership,
8 corporation, or combination thereof, who enters into a contract with officers or employees
9 empowered by law to enter into contracts for the City and County of San Francisco for the
10 services governed by this Article.

11 (f) "Service contract" means a contract let to a contractor by the awarding authority for
12 the furnishing of service (as opposed to the purchase of goods or other property) and that
13 involves an expenditure or receipt in excess of \$25,000 per contract and a contract term of at
14 least three months.

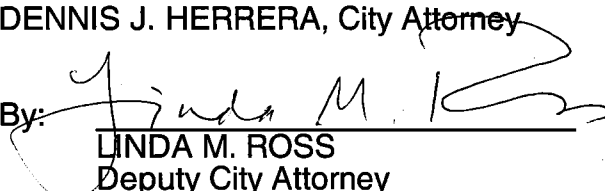

15 (g) "Subcontractor" means any person not an employee who enters into a contract
16 with the contractor to assist the contractor in performing a service contract and that employs
17 employees for such person.

18 (h) "Successor service contract" means a service contract with the awarding authority
19 where the services to be performed have previously been rendered to the awarding authority
20 as part of the same program or at the same facility under another substantially similar service
21 contract that recently has been terminated or has ended.

22
23 Section 4. Effective Date. This ordinance shall become effective 30 days from the
24 date of passage.
25

1 Section 5. This section is uncodified. In enacting this Ordinance, the Board intends to
2 amend only those words, phrases, paragraphs, subsections, sections, articles, numbers,
3 punctuation, charts, diagrams, or any other constituent part of the Name of Code here Code
4 that are explicitly shown in this legislation as additions, deletions, Board amendment
5 additions, and Board amendment deletions in accordance with the "Note" that appears under
6 the official title of the legislation.
