20	SEC. 249.60. MISSION ALCOHOLIC BEVERAGE SPECIAL USE DISTRICT.
21	There is an unusually large number of establishments dispensing alcoholic beverages,
22	including beer and wine, for both on-site and off-site consumption in this area. The existence
23	of this many alcoholic beverage establishments appears to contribute directly to numerous
24	peace, health, safety and general welfare problems in the area, including loitering, littering,
25	drug trafficking, prostitution, public drunkenness, defacement and damaging of structures,

1 pedestrian obstructions, as well as traffic circulation, parking and noise problems on public 2 streets and neighborhood lots. The existence of such problems creates serious impacts on 3 the health, safety and welfare of residents of nearby single- and multiple-family areas, 4 including fear for the safety of children, elderly residents and of visitors to the area. The 5 problems also contribute to the deterioration of the neighborhood and concomitant 6 devaluation of property and destruction of community values and quality of life. The number of 7 establishments selling alcoholic beverages and the associated problems discourage more 8 desirable and needed commercial uses in the area. In order to preserve the residential 9 character and the neighborhood-serving commercial uses of the area, there shall be a Mission 10 Alcoholic Beverage Special Use Subdistrict to prohibit new establishments, or expansion of existing establishments, selling alcoholic beverages for the property in the area generally 11 12 bounded by Guerrero Street, San Jose Avenue, Randall Street, Mission Street, Cesar Chavez 13 Street, Potrero Avenue and Fourteenth Street as designated on Sectional Map Numbers 7SU 14 and 8SU.

15 The following restrictions shall apply within such district:

(a) Prohibition of New Establishments Selling Alcoholic Beverages. No new
 establishment where alcoholic beverages are sold, served or given away for on-site or off-site
 consumption, shall be established in this special use district as set forth below:

- (1) No new bar, as defined in Planning Code Section 790.22, shall be permitted in this
 special use district;
- (2) No new off-sale liquor establishment shall be permitted in the special use district.
 An "off-sale liquor establishment" shall mean any establishment that is defined in Section
 790.55 of this Code.
- (b) Prohibition of Expansion of Existing Establishments Selling Alcoholic
 Beverages. Any establishment selling alcoholic beverages lawfully existing prior to the

effective date of this resolution and licensed by the State of California for the retail sale of
 alcoholic beverages for on-site and off-site consumption, so long as otherwise lawful, may
 continue in existence, provided such establishment remains in use, as follows:

4 (1) In the event that any such establishment ceases to operate or discontinues
5 operation for 30 days of longer as set forth in State law, such use shall be deemed
6 abandoned;

7 (2) No establishment selling alcoholic beverages may substantially change the mode
8 or character of operation of the establishment, nor may it expand the square footage devoted
9 exclusively to the sale of alcoholic beverages, significantly increase the percentage of
10 alcoholic beverage sales as a portion of total sales, or change its type of retail liquor license
11 within a license classification.

A bona fide rRestaurant Use, as defined in Section 790.69, operating as a Bona Fide Eating Place, as defined in Section 790.142, shall 14 15 be permitted to serve alcoholic beverages in this special use district. A "bona fide restaurant" does not include any 24 billiard or pool hall, bowling alley, or adult entertainment business as defined in Planning Code

25 Section 790.36.

A "non-profit theater" shall mean a building or part of a 3 building intended to be used for the specific purposes of presenting any act, play, revue, 4 pantomime, scene, song, dance act, or song and dance act, conducted or participated in by 5 one or more persons, whether or not such person or persons are compensated for such 6 performance, and which is exempted from payment of income tax under Section 23701d of 7 the California Revenue and Taxation Code and Section 501(c)(3) of the Internal Revenue 8 Code of the United States. A "non-profit theater" does not include any dance hall as defined in 9 Section 1060 of the San Francisco Police Code, billiard parlor, pool hall, bowling alley, or 10 adult entertainment business as defined in Planning Code Section 790.36.

- (d) Fringe Financial Services. In addition to all other applicable controls set forth in
 this Code, properties in the Mission Alcoholic Beverage Special Use Subdistrict are within the
 Fringe Financial Service Restricted Use District established by Section 249.35 and are subject
 to the controls and exemptions set forth in Section 249.35.

17	immediate area shall be defined as all properties located within 300' of the subject property and also

18	SEC. 781.9. HAIGHT STREET ALCOHOL RESTRICTED USE SUBDISTRICT.
19	There is an unusually large number of establishments dispensing alcoholic beverages,
20	including beer and wine, for both on-site and off-site consumption in the Haight-Ashbury
21	neighborhood. A concentration of alcoholic beverage establishments in a neighborhood
22	disrupts the desired mix of land uses that contribute to a livable neighborhood and
23	discourages more desirable and needed commercial uses in the area. A concentration of
24	establishments selling alcoholic beverages in an area may therefore contribute to the
25	deterioration of the neighborhood and to the concomitant devaluation of property and

1 destruction of community values and quality of life. These effects contribute to peace, health, 2 safety and general welfare problems in these areas, including loitering, littering, public 3 drunkenness, driving while intoxicated, defacement and damaging of structures, pedestrian 4 obstructions, as well as traffic circulation, parking and noise problems on public streets and 5 neighborhood lots, and other nuisance activities. The existence of such problems creates 6 serious impacts on the health, safety and welfare of residents of nearby single- and multiple-7 family areas. These impacts include fear for the safety of children, elderly residents and 8 visitors to the area.

9 (a) Haight Street Alcohol Restricted Use Subdistrict Established. In order to
10 preserve the residential character and the neighborhood-serving commercial uses of the
11 Haight-Ashbury neighborhood, the Haight Street Alcohol Restricted Use Subdistrict (Haight
12 Street Alcohol RUSD) is hereby established with boundaries coterminous with the Haight
13 Street Neighborhood Commercial District as designated on Sectional Map numbers 6 and 7.
14 The Haight Street Alcohol RUSD is designated on Section Map Numbers 6SU and 7SU.

(1) No new on-sale or off-sale liquor establishment shall be permitted in the Haight
 Street RUSD, except for up to 4 additional *full-service* r<u>R</u>estaurants in accordance with the
 zoning controls set forth in Section 719.

(2) These controls also shall apply within ¼-mile of the Haight Street Alcohol RUSD to
 nonconforming uses in R districts pursuant to Planning Code Section 186, and in NC-1
 Districts, pursuant to the Special Provisions for NC-1 Districts which follows the Control Table
 constituting Sections 710.10 through 710.95.

(3) The prohibition on Liquor Establishments shall not be interpreted to prohibit thefollowing:

24

(A) Temporary uses, as described in Planning Code Section 205.1 or 205.3; or

25

(B) Establishment of a Liquor Establishment if application for such Liquor
 Establishment is on file with the California Department of Alcoholic Beverage Control prior to
 the effective date of legislation establishing the Haight Street Alcohol RUSD.

4 (C) Establishment of a Liquor Establishment if: (1) such use is an eligible movie 5 theater, (2) only beer and wine are offered for consumption, and (3) such beer and wine are: 6 (i) only consumed on the premises and primarily in the main theater auditorium, (ii) only sold 7 to and consumed by ticketholders and only immediately before and during performances, and 8 (iii) only offered in conjunction with the screening of films and not as an independent element 9 of the establishment that is unrelated to the viewing of films. For purposes of this Section, an 10 "eligible movie theater" shall be a movie theater as defined in Code Section 790.64 that 11 contains only a single screen and auditorium, has seating for 150 or fewer persons, and is not 12 a formula retail use as defined in Code Section 703.3(b).

(4) Continuation of existing Prohibited Liquor Establishments. In the Haight Street
Alcohol RUSD, any Prohibited Liquor Establishment may continue in accordance with
Planning Code Section 180 through 186.2, subject to the following provisions. For purposes of
this Section, the Haight Street Alcohol RUSD shall be considered to include, pursuant to
Section 186 of this Code and to the Special Provisions for NC-1 Districts, the area within ¼mile of the Haight Street Alcohol RUSD as mapped.

(A) A Prohibited Liquor Establishment lawfully existing and selling alcoholic beverages
 as licensed by the State of California prior to the effective date of this legislation, or

subsequent legislation prohibiting that type of Liquor Establishment, so long as otherwise
 lawful, may continue to operate only under the following conditions, as provided by California

- 23 Business and Professions Code Section 23790:
- (1) Except as provided by Subsection (B) below, the premises shall retain the same
 type of retail liquor license within a license classification; and

(2) Except as provided by Subsection (B) below, the licensed premises shall be
 operated continuously, without substantial change in mode or character of operation.

- (B) A break in continuous operation shall not be interpreted to include the following,
 provided that the location of the establishment does not change, the square footage used for
 the sale of alcoholic beverages does not increase, and the type of California Department of
 Alcoholic Beverage Control Liquor License ("ABC License") does not change except as
 indicated:
- 8 (1) A change in ownership of a Prohibited Liquor Establishment or an owner-to-owner
 9 transfer of an ABC License; or

 ninety (90) days for repair, renovation or remodeling;

 Alcohol RUSD to another location within the same Haight Street Alcohol RUSD with
 conditional use authorization from the City Planning Commission, provided that the original
- 18 premises shall not be occupied by a Prohibited Liquor Establishment, unless by another
- Prohibited Liquor Establishment that is also relocating from within the Haight Street AlcoholRUSD.
- (5) A change from a Type 21 (off-sale general) to a Type 20 (off-sale beer and wine)license.

- 23 SEC. 810.1. CHINATOWN COMMUNITY BUSINESS DISTRICT.

The Chinatown Community Business District, located in the northeast quadrant of San Francisco, extends along Broadway from the eastern portal of the Broadway Tunnel to

Columbus Avenue and along Kearny Street from Columbus to Sacramento Street. This district
 also includes portions of Commercial Street between Montgomery Street and Grant Avenue
 and portions of Grant Avenue between Bush and California Streets. It is part of the larger core
 area of Chinatown.

5 The portions of Broadway, Kearny and Commercial Streets and Grant Avenue in this 6 district are transitional edges or entries to Chinatown. North and east of the two blocks of 7 Broadway contained in this district are North Beach and the Broadway Entertainment Districts. 8 Kearny and Columbus Streets are close to intensive office development in the Downtown 9 Financial District. Both Grant Avenue and Commercial Street provide important pedestrian 10 entries to Chinatown. Generally, this district has more potential for added retail and 11 commercial development than other parts of Chinatown.

This zoning district is intended to protect existing housing, encourage new housing and to accommodate modest expansion of Chinatown business activities as well as street-level retail uses. The size of individual professional or business office use is limited in order to prevent these areas from being used to accommodate larger office uses spilling over from the financial district.

Housing development in new buildings is encouraged at upper stories. Existing housing
is protected by limitations on demolitions and upper-story conversions.

SEC. 811.1. CHINATOWN VISITOR RETAIL DISTRICT.

The Chinatown Visitor Retail Neighborhood Commercial District extends along Grant Avenue between California and Jackson Streets. This district contains a concentration of shopping bazaars, art goods stores and restaurants which attract visitors and shoppers and contribute to the City's visual and economic diversity. Grant Avenue provides an important link between Downtown retail shopping and the Broadway, North Beach and Fisherman's Wharf areas.

This district is intended to preserve the street's present character and scale and to accommodate uses primarily appealing to visitors (e.g. tourist gifts shops, jewelry stores, art goods, large restaurants. In order to promote continuous retail frontage, entertainment, financial services, medical service, automotive and drive-up uses are restricted. Most commercial uses, except financial services are permitted on the first two stories. Administrative services, (those not serving the public) are prohibited in order to prevent

1	encroachment	from downtown office uses	. There are also special	controls or	n fast-f	ood
2	restaurants an	nd tourist hotels. Building sta	andards protect and con	nplement th	e exist	ing small-

1 Street and Broadway. It is generally west and uphill from Grant Avenue and is close to the 2 relatively intensely developed residential areas of lower Nob and Russian Hills. Stockton 3 Street is a major transit corridor which serves as "Main Street" for the Chinatown 4 neighborhood. Both Stockton and Powell Streets contain a significant amount of housing as 5 well as major community institutions supportive to Chinatown and the larger Chinese 6 community. This daytime-oriented district provides local and regional specialty food shopping 7 for fresh vegetables, poultry, fish and meat. Weekends are this area's busiest shopping days. 8 Because Stockton Street is intended to remain principally in its present character, the 9 Stockton Street controls are designed to preserve neighborhood-serving uses and protect the 10 residential livability of the area. The controls promote new residential development compatible with existing small-scale mixed-use character of the area. Consistent with the residential 11 12 character of the area, commercial development is directed to the ground story. Daytime-13 oriented use is protected and tourist-related uses, fast-food restaurants and financial services 14 are limited.

Housing development in new and existing buildings is encouraged above the ground
floor. Institutional uses are also encouraged. Existing residential units are protected by limits
on demolition and conversion.
